(c) Notice. Subject to Section 14(b) of this Agreement, any notice required by the terms of this Agreement shall be given in writing. It shall be deemed effective upon (i) personal delivery, (ii) deposit with the United States Postal Service, by registered or certified mail, with postage and fees prepaid, (iii) deposit with Federal Express Corporation, with shipping charges prepaid or (iv) deposit with any internationally recognized express mail courier service. Notice shall be addressed to the Company at its principal executive office and to the Optionee at the address that he or she most recently provided to the Company in accordance with this Subsection (c).

(d) Modifications and Waivers. No provision of this Agreement shall be modified, waived or discharged unless the modification, waiver or discharge is agreed to in writing and signed by the Optionee and by an authorized officer of the Company (other than the Optionee). No waiver by either party of any breach of, or of compliance with, any condition or provision of this Agreement by the other party shall be considered a waiver of any other condition or provision or of the same condition or provision at another time.

(e) Entire Agreement. The Notice of Stock Option Grant, this Agreement and the Plan constitute the entire contract between the parties hereto with regard to the subject matter hereof. They supersede any other agreements, representations or understandings (whether oral or written and whether express or implied) that relate to the subject matter hereof.

(f) Choice of Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, as such laws are applied to contracts entered into and performed in such State.

SECTION 14. ACKNOWLEDGEMENTS OF THE OPTIONEE.

In addition to the other terms, conditions and restrictions imposed on this option and the Shares issuable under this option pursuant to this Agreement and the Plan, the Optionee expressly acknowledges being subject to Sections 7 (Right of Repurchase), 8 (Right of First Refusal), 9 (Legality of Initial Issuance) and 11 (Restrictions on Transfer of Shares, including without limitation the Market Stand-Off), as well as the following provisions:

(a) Tax Consequences (No Liability for Discounted Options). The Optionee agrees that the Company does not have a duty to design or administer the Plan or its other compensation programs in a manner that minimizes the Optionee's tax liabilities. The Optionee shall not make any claim against the Company or its Board of Directors, officers or employees related to tax liabilities arising from this option or the Optionee's other compensation. In particular, any Optionee subject to U.S. taxation acknowledges that this option is exempt from Section 409A of the Code only if the Exercise Price is at least equal to the Fair Market Value per Share on the Date of Grant. Since Shares are not traded on an established securities market, the determination of their Fair Market Value is made by the Board of Directors or by an independent valuation firm retained by the Company. The Optionee acknowledges that there is no guarantee in either case that the Internal Revenue Service will agree with the valuation, and the Optionee shall not make any claim against the Company or its Board of Directors, officers or employees in the event that the Internal Revenue Service asserts that the valuation was too low.

(b) Electronic Delivery of Documents. The Optionee agrees to accept by email all documents relating to the Company, the Plan or this option and all other documents that the Company is required to deliver to its security holders (including, without limitation, disclosures that may be required by the Securities and Exchange Commission). The Optionee also agrees that the Company may deliver these documents by posting them on a website maintained by the Company or by a third party under contract with the Company. If the Company posts these documents on a website, it shall notify the Optionee by email of their availability. The Optionee acknowledges that he or she may incur costs in connection with electronic delivery, including the cost of accessing the internet and printing fees, and that an interruption of internet access may interfere with his or her ability to access the documents. This consent shall remain in effect until this option expires or until the Optionee gives the Company written notice that it should deliver paper documents.

(c) **No Notice of Expiration Date**. The Optionee agrees that the Company and its officers, employees, attorneys and agents do not have any obligation to notify him or her prior to the expiration of this option pursuant to Section 6, regardless of whether this option will expire at the end of its full term or on an earlier date related to the termination of the Optionee's Service. The Optionee further agrees that he or she has the sole responsibility for monitoring the expiration of this option and for exercising this option, if at all, before it expires. This Subsection (c) shall supersede any contrary representation that may have been made, orally or in writing, by the Company or by an officer, employee, attorney or agent of the Company.

(d) **Waiver of Statutory Information Rights**. The Optionee acknowledges and agrees that, upon exercise of this option and until the first sale of the Company's Stock to the general public pursuant to a registration statement filed under the Securities Act, he or she will be deemed to have waived any rights the Optionee might otherwise have had under Section 220 of the Delaware General Corporation Law (or under similar rights under other applicable law) to inspect for any proper purpose and to make copies and extracts from the Company's stock ledger, a list of its stockholders and its other books and records or the books and records of any subsidiary. This waiver applies only in the Optionee's capacity as a stockholder and does not affect any other inspection rights the Optionee may have under other law or pursuant to a written agreement with the Company.

(e) **Plan Discretionary**. The Optionee understands and acknowledges that (i) the Plan is entirely discretionary, (ii) the Company and the Optionee's employer have reserved the right to amend, suspend or terminate the Plan at any time, (iii) the grant of an option does not in any way create any contractual or other right to receive additional grants of options (or benefits in lieu of options) at any time or in any amount and (iv) all determinations with respect to any additional grants, including (without limitation) the times when options will be granted, the number of Shares offered, the Exercise Price and the vesting schedule, will be at the sole discretion of the Company.

(f) **Termination of Service**. The Optionee understands and acknowledges that participation in the Plan ceases upon termination of his or her Service for any reason, except as may explicitly be provided otherwise in the Plan or this Agreement.

(g) **Extraordinary Compensation**. The value of this option shall be an extraordinary item of compensation outside the scope of the Optionee's employment contract, if any, and shall not be considered a part of his or her normal or expected compensation for any purpose including calculating severance, resignation, redundancy or end-of-service payments, bonuses, long-service awards, pension or retirement benefits or similar payments.

(h) **Authorization to Disclose**. The Optionee hereby authorizes and directs the Optionee's employer to disclose to the Company or any Subsidiary any information regarding the Optionee's employment, the nature and amount of the Optionee's compensation and the fact and conditions of the Optionee's participation in the Plan, as the Optionee's employer deems necessary or appropriate to facilitate the administration of the Plan.

(i) **Personal Data Authorization**. The Optionee consents to the collection, use and transfer of personal data as described in this Subsection (i). The Optionee understands and acknowledges that the Company, the Optionee's employer and the Company's other Subsidiaries hold certain personal information regarding the Optionee for the purpose of managing and administering the Plan, including (without limitation) the Optionee's name, home address, telephone number, date of birth, social insurance number, salary, nationality, job title, any Shares or directorships held in the Company and details of all options or any other entitlements to Shares awarded, canceled, exercised, vested, unvested or outstanding in the Optionee's favor (the "**Data**"). The Optionee further understands and acknowledges that the Company and/or its Subsidiaries will transfer Data among themselves as necessary for the purpose of implementation, administration and management of the Optionee's participation in the Plan and that the Company and/or any Subsidiary may each further transfer Data to any third party assisting the Company in the implementation, administration and management of the Plan. The Optionee understands and acknowledges that the recipients of Data may be located in the United States or elsewhere. The Optionee authorizes such recipients to receive, possess, use, retain and transfer Data, in electronic or other form, for the purpose of administering the Optionee's participation in the Plan, including a transfer to any broker or other third party with whom the Optionee elects to deposit Shares acquired under the Plan of such Data as may be required for the administration of the Plan and/or the subsequent holding of Shares on the Optionee's behalf. The Optionee may, at any time, view the Data, require any necessary modifications of Data or withdraw the consents set forth in this Subsection (i) by contacting the Company in writing. ***If the Optionee does not consent, or if the Optionee later seeks to revoke his or her consent, the Optionee's employment status or service and career with the Company will not be adversely affected; the only consequence of refusing or withdrawing consent is that the Company would not be able to grant the Optionee options or other equity awards or administer or maintain such awards.***

SECTION 15. COUNTRY ADDENDUM.

To the extent the Optionee provides Services to the Company or its Parent, Subsidiaries or affiliates in a country other than the United States, the option shall be subject to such additional or substitute terms as shall be set forth for such country in the Country Addendum attached hereto. If the Optionee relocates to one of the countries included in the Country Addendum during the life of the option, the Country Addendum, including the provisions for such country, shall apply to the Optionee and to the option, to the extent the Company determines that the application of such provisions is necessary or advisable in order to comply with applicable law or facilitate the administration of the Plan. In addition, the Company reserves the right to impose other requirements on the option, to the extent the Company determines it is necessary or advisable in order to comply with local laws or facilitate the administration of the Plan, and to require the Optionee to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

2015 STOCK PLAN
STOCK OPTION AGREEMENT

COUNTRY ADDENDUM

TERMS AND CONDITIONS

This Country Addendum includes additional terms and conditions that govern the option granted to the Optionee under the Plan if the Optionee works in one of the countries listed below. If the Optionee is a citizen or resident of a country (or is considered as such for local law purposes) other than the one in which he or she is currently working or if the Optionee relocates to another country after receiving the option, the Company will, in its discretion, determine the extent to which the terms and conditions contained herein will be applicable to the Optionee.

Certain capitalized terms used but not defined in this Country Addendum shall have the meanings set forth in the Plan, and/or the Agreement to which this Country Addendum is attached.

NOTIFICATIONS

This Country Addendum also includes notifications relating to exchange control and other issues of which the Optionee should be aware with respect to his or her participation in the Plan. The information is based on the exchange control, securities and other laws in effect in the countries listed in this Country Addendum, as of November 2019. Such laws are often complex and change frequently. As a result, the Company strongly recommends that the Optionee not rely on the notifications herein as the only source of information relating to the consequences of his or her participation in the Plan because the information may be outdated when the Optionee exercises the option and acquires Shares, or when the Optionee subsequently sell Shares acquired under the Plan.

In addition, the notifications are general in nature and may not apply to the Optionee's particular situation, and the Company is not in a position to assure the Optionee of any particular result. Accordingly, the Optionee is advised to seek appropriate professional advice as to how the relevant laws in the Optionee's country may apply to the Optionee's situation.

Finally, if the Optionee is a citizen or resident of a country other than the one in which the Optionee is currently working (or is considered as such for local law purposes) or if the Optionee moves to another country after receiving the option, the information contained herein may not be applicable to the Optionee.

Optionees are advised to seek appropriate professional advice as to how the relevant exchange control and tax laws in their country may apply to their individual situation.

I. GLOBAL PROVISIONS APPLICABLE TO OPTIONEES IN ALL COUNTRIES OTHER THAN THE UNITED STATES

1. Foreign Exchange Considerations. The Optionee understands and agrees that neither the Company nor any Parent or Subsidiary shall be liable for any foreign exchange rate fluctuation between the Optionee's local currency and the U.S. dollar that may affect the value of the option granted to the Optionee under the Plan, or of any amounts due to the Optionee under the Plan or as a result of exercising the option and/or the subsequent sale of any Shares acquired under the Plan. The Optionee agrees and acknowledges that he or she will bear any and all risk associated with the exchange or fluctuation of currency associated with his or her participation in the Plan. The Optionee acknowledges and agrees that he or she may be responsible for reporting inbound transactions or fund transfers that exceed a certain amount. The Optionee is advised to seek appropriate professional advice as to how the exchange control regulations apply to the option and the Optionee's specific situation and understands that the relevant laws and regulations can change frequently and occasionally on a retroactive basis.

2. Translated Documents. If the Optionee received this Agreement or any other document related to the Plan translated into a language other than English, the Optionee understands that such translated documents were provided for convenience only, and that if the meaning of the translated version is different than the English version, the English version will control, subject to applicable laws.

3. Additional Optionee Acknowledgements. By accepting the grant, the Optionee acknowledges, understands and agrees that:

(a) the grant of the option under the Plan shall not be interpreted as forming an employment or Service contract with the Company or any Parent, Subsidiary or affiliate, and shall not interfere with the ability of the Company or any Parent, Subsidiary or affiliate, as applicable, to terminate the Optionee's Service;

(b) the Optionee is voluntarily participating in the Plan;

(c) the option granted under the Plan and the income and value of same, are not intended to replace any pension rights or compensation;

(d) the future value of the option granted under the Plan is unknown, indeterminable and cannot be predicted with certainty, and may be greater or less than the value on the date hereof and/or the relevant vesting/exercise dates;

(e) no claim or entitlement to compensation or damages shall arise from the forfeiture of all or any portion of the option granted to the Optionee under the Plan as a result of the termination of the Optionee's status as an eligible participant (for any reason whatsoever, and whether or not later found to be invalid or in breach of applicable laws in the jurisdiction where the Optionee is providing Service or the terms of the Optionee's employment agreement or Service

contract, if any) and, in consideration of the grant of the option under the Plan to which the Optionee is otherwise not entitled, the Optionee irrevocably agrees (I) never to institute a claim against the Company or any Parent, Subsidiary or affiliate, (II) to waive the Optionee's ability, if any, to bring such claim, and (III) to release the Company or any Parent, Subsidiary or affiliate from any such claim that may arise; if, notwithstanding the foregoing, any such claim is allowed by a court of competent jurisdiction, the Optionee shall be deemed irrevocably to have agreed to not to pursue such claim and agrees to execute any and all documents necessary to request dismissal or withdrawal of such claim;

(f) in the event the Optionee is not an employee of the Company, the Optionee understands and agrees that neither the offer to participate in the Plan, nor his or her participation in the Plan, will be interpreted to form an employment contract or relationship with the Company or any Parent, Subsidiary or affiliate, and furthermore, nothing in the Plan, the Agreement nor the Optionee's participation in the Plan will be interpreted to form an employment contract with the Company or any Parent, Subsidiary or affiliate; in the event of the termination of the Optionee's status as an eligible participant(for any reason whatsoever, whether or not later found to be invalid or in breach of applicable laws in the jurisdiction where the Optionee is providing Service or the terms of his or her employment agreement or Service contract, if any), the Optionee's right to participate in the Plan and all or any portion of the option granted under the Plan, if any, will terminate effective as of the date that the Optionee is no longer actively providing service to the Company or any Parent, Subsidiary or affiliate of the Company, and, in any event, will not be extended by any notice period mandated under applicable laws in the jurisdiction in which the Optionee is providing Service or the terms of his or her employment agreement or Service contract, if any (e.g., active Service would not include a period of "garden leave" or similar period pursuant to applicable laws in the jurisdiction in which the Optionee is providing Service or the terms of his or her employment agreement or Service contract, if any); the Company shall have the exclusive discretion to determine when the Optionee is no longer actively providing Service for purposes of participation in the Plan (including whether the Optionee may still be considered to be actively providing Service while on a leave of absence).

4. Tax Withholding Considerations. The Optionee acknowledges and agrees that, regardless of any action taken by the Company, any Parent, Subsidiary or affiliate, with respect to any or all income tax, social security, social insurances, national insurance contributions, social insurance contributions, payroll tax, fringe benefit, or other tax-related items related to your participation in the Plan and legally applicable to the Optionee including, without limitation, in connection with the grant of the option, the acquisition or sale of Shares acquired under the Plan and/or the receipt of any dividends on such Shares ("Tax-Related Items"), the ultimate liability for all Tax-Related Items is and remains the Optionee's responsibility and may exceed the amount actually withheld by the Company, or any Parent, Subsidiary or affiliate. Furthermore, the Optionee acknowledges that the Company and/or any Parent, Subsidiary or affiliate (a) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the option or other benefits under the Plan and (b) do not commit to and are under no obligation to structure the terms of the option, other benefits or any aspect of the

Optionee's participation in the Plan to reduce or eliminate the Optionee's liability for Tax-Related Items or achieve any particular tax result. Further, if the Optionee becomes subject to tax in more than one jurisdiction, or changes his or her jurisdiction of primary residence or Service between the Date of Grant and the date of any relevant taxable or tax withholding event, as applicable, the Optionee acknowledges that the Company and/or any Parent, Subsidiary or affiliate (or former Service recipient, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction. Prior to exercising the option under the Plan or any other relevant taxable or tax withholding event, as applicable, the Optionee agrees to make adequate arrangements satisfactory to the Company to satisfy all Tax-Related Items. In this regard, the Optionee authorizes the Company and/or any Parent, Subsidiary or affiliate, or their respective agents, at their discretion, to satisfy the obligations with regard to all Tax-Related Items by one or a combination of the following: (I) withholding from the Optionee's wages or other compensation paid to the Optionee or (II) withholding from proceeds of the sale of the Shares acquired under the Plan either through a voluntary sale or through a mandatory sale arranged by the Company (on the Optionee's behalf pursuant to this authorization). Depending on the withholding method, the Company may withhold or account for Tax-Related Items by considering maximum applicable withholding rates, in which case the Optionee will receive a refund of any over-withheld amount in cash and will have no entitlement to the Share equivalent. Finally, the Optionee agrees to pay to the Company or any applicable Parent, Subsidiary or affiliate any amount of Tax-Related Items that the Company or any Parent, Subsidiary or affiliate may be required to withhold as a result of his or her participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to issue or deliver the Shares or the proceeds of the sale of Shares if the Optionee fails to comply with his or her obligations in connection with the Tax-Related Items.

5. ***Data Privacy.*** ***The Optionee hereby explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of the Optionee's personal data as described in this Agreement and any other option grant materials by and among, as applicable, his or her employer or other Service recipient, the Company and any Parent, Subsidiary or affiliate for the exclusive purpose of implementing, administering and managing the Optionee's participation in the Plan.***

The Optionee understands that the Company and the Optionee's employer or Service recipient, if different, may hold certain personal information about the Optionee, including, but not limited to, the Optionee's name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any Shares or directorships held in the Company, details of all options or any other entitlement to Shares awarded, canceled, exercised, vested, unvested or outstanding in the Optionee's favor ("Data"), for the exclusive purpose of implementing, administering and managing the Plan.

The Optionee understands that Data will be transferred to a third-party stock plan service provider as may be selected by the Company in the future, which is assisting the Company with the implementation, administration, and management of the Plan and such third party, together with its affiliates, successors and assigns, will receive, possess, use and transfer the Data as contemplated hereby. The Optionee understands that the Company's current third-party stock plan service provider is Carta, Inc. The Optionee understands that the recipients of the Data may be located in the United States or elsewhere, and that the recipients' country of operation (e.g., the United States) may have different including less stringent data privacy laws and protections than the Optionee's country. The Optionee understands that if he or she resides outside the United States, he or she may request a list with the names and addresses of any potential recipients of the Data by contacting his or her local human resources representative. The Optionee authorizes the Company, any third-party stock plan service provider selected by the Company and any other possible recipients which may assist the Company (presently or in the future) with implementing, administering and managing the Plan to receive, possess, use, retain and transfer the Data, in electronic or other form, for the sole purpose of implementing, administering and managing his or her participation in the Plan. The Optionee understands that Data will be held only as long as is necessary to implement, administer and manage the Optionee's participation in the Plan. The Optionee understands if he or she resides outside the United States, he or she may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing his or her local human resources representative. Further, the Optionee understands that he or she is providing the consents herein on a purely voluntary basis. If the Optionee does not consent, or if the Optionee later seeks to revoke his or her consent, the Optionee's employment status or service and career with the Company will not be adversely affected; the only consequence of refusing or withdrawing consent is that the Company would not be able to grant the Optionee options or other equity awards or administer or maintain such awards. Therefore, the Optionee understands that refusing or withdrawing his or her consent may affect the Optionee's ability to participate in the Plan. For more information on the consequences of the Optionee's refusal to consent or withdrawal of consent, the Optionee understands that he or she may contact his or her local human resources representative.

I understand that the conditions for resale set forth in Rule 144 have not been satisfied as of the date set forth below, and that the Company is not required to take action to satisfy any conditions applicable to it.

5. I will not sell, transfer or otherwise dispose of the Purchased Shares in violation of the Securities Act, the Securities Exchange Act of 1934, or the rules promulgated thereunder, including Rule 144 under the Securities Act.

6. I acknowledge that I have received and had access to such information as I consider necessary or appropriate for deciding whether to invest in the Purchased Shares and that I had an opportunity to ask questions and receive answers from the Company regarding the terms and conditions of the issuance of the Purchased Shares.

7. I am aware that my investment in the Company is a speculative investment that has limited liquidity and is subject to the risk of complete loss. I am able, without impairing my financial condition, to hold the Purchased Shares for an indefinite period and to suffer a complete loss of my investment in the Purchased Shares.

8. I acknowledge that the Purchased Shares remain subject to the Company's right of repurchase, right of first refusal and the marketstand-off (sometimes referred to as the "lock-up"), all in accordance with the applicable Notice of Stock Option Grant and Stock Option Agreement.

9. I acknowledge that I am acquiring the Purchased Shares subject to all other terms of the Notice of Stock Option Grant and Stock Option Agreement.

10. I acknowledge that I have received a copy of the Company's explanation of the forms of ownership available for my Purchased Shares. I acknowledge that the Company has encouraged me to consult my own adviser to determine the form of ownership that is appropriate for me. In the event that I choose to transfer my Purchased Shares to a trust, I agree to sign a Stock Transfer Agreement. In the event that I choose to transfer my Purchased Shares to a trust that does not satisfy the requirements described in the attached explanation (i.e., a trust that is not an eligible revocable trust), I also acknowledge that the transfer will be treated as a "disposition" for tax purposes. As a result, the favorable ISO tax treatment will be unavailable and other unfavorable tax consequences may occur.

11. I acknowledge that I have received a copy of the Company's explanation of the federal income tax consequences of an option exercise and the tax election under section 83(b) of the Internal Revenue Code. In the event that I choose to make a section 83(b) election, I acknowledge that it is my responsibility—and not the Company's responsibility—to file the election in a timely manner, even if I ask the Company or its agents to make the filing on my behalf. I acknowledge that the Company has encouraged me to consult my own adviser to determine the tax consequences of acquiring the Purchased Shares at this time.

12. I agree that the Company does not have a duty to design or administer the 2015 Stock Plan or its other compensation programs in a manner that minimizes my tax liabilities. I will not make any claim against the Company or its Board of Directors, officers or employees related to tax liabilities arising from my options or my other compensation. In particular, I acknowledge that my options are exempt from section 409A of the Internal Revenue Code only if the exercise price per share is at least equal to the fair market value per share of the Company's Common Stock at the time the option was granted by the Company's Board of Directors. Since shares of the Company's Common Stock are not traded on an established securities market, the determination of their fair market value was made by the Company's Board of Directors or by an independent valuation firm retained by the Company. I acknowledge that there is no guarantee in either case that the Internal Revenue Service will agree with the valuation, and I will not make any claim against the Company or its Board of Directors, officers or employees in the event that the Internal Revenue Service asserts that the valuation was too low.

13. I agree to seek the consent of my spouse to the extent required by the Company to enforce the foregoing.

EXPLANATION OF FORMS OF STOCK OWNERSHIP

PURPOSE OF THIS EXPLANATION

The purpose of this explanation is to provide you with a brief summary of the forms of legal ownership available for the shares that you are purchasing (the "Purchased Shares"). For a number of reasons, this explanation is no substitute for personal legal advice:

- To make the explanation short and readable, only the highlights are covered. Some legal rules are not addressed, even though they may be important in particular cases.
- While the summary attempts to deal with the most common situations, your own situation may well be different from the norm.
- The law may change, and the Company is not responsible for updating this summary.
- The form in which you own your shares may have a*substantial* impact on the estate tax treatment that applies to those shares when you die or the income tax treatment that applies when your survivors sell the shares after your death.

FOR THESE REASONS, THE COMPANY STRONGLY ENCOURAGES YOU TO CONSULT YOUR OWN ADVISER BEFORE EXERCISING YOUR OPTION AND BEFORE MAKING A DECISION ABOUT THE FORM OF OWNERSHIP FOR YOUR SHARES.

OVERVIEW

The Notice of Stock Option Exercise offers five forms of taking title to the Purchased Shares:

- In your name only,
- In your name and the name of your spouse as community property,
- In your name and the name of your spouse as community property with the right of survivorship,
- In your name and the name of your spouse as joint tenants with the right of survivorship, or
- In the name of an eligible revocable trust.

Title in the Purchased Shares depends upon (a) your marital status, (b) the marital property laws of your state of residence and (c) any agreement with your spouse altering the existing marital property laws of your state of residence. If you are not married, you generally will take title in your name alone. If you are married, title depends upon the marital property laws of your state of residence. In general, states are classified either as "community property" states or as "common-law property" states. (But individual state law may vary within these classifications.)

COMMUNITY PROPERTY AND JOINT TENANCY

Community property states include California, Texas, Washington, Arizona, Nevada, New Mexico, Idaho, Louisiana and Wisconsin. In a community property state, property acquired during marriage by either spouse is presumed to be one-half owned by each spouse. All other property is classified as the separate property of the spouse who acquires the property. While either spouse has equal management and control over the community property and may sell, spend or encumber all community property, neither spouse may gift community property or partition his/her one-half interest without the consent of the other spouse. Upon divorce, all community property is divided equally among the spouses and each spouse is entitled to retain all of his/her separate property. Upon the death of a spouse, one-half of the community property (and all of the decedent spouse's separate property) will pass to the decedent spouse's heirs. The other one-half of the community property remains the property of the surviving spouse.

Other states are common-law property states. In a common-law property state, each spouse is generally deemed to own whatever he/she earns or acquires.

A married couple may elect to alter the marital property rules by mutually agreeing to take title to property in other forms. For example, a couple residing in a community property state may generally enter into an agreement and transform what otherwise would be community property into the separate property of the spouse who earns or acquires the property.

In addition, many community property and common-law property states allow married couples to take joint title in property acquired during marriage. For example, California allows a married couple to take title in a joint tenancy with the right of survivorship. In a joint tenancy, each spouse owns a one-half interest in the property as separate property. This means that each spouse may transfer or sell his/her one-half interest in the property while he/she is alive. However, unlike traditional separate property, a spouse cannot transfer his/her one-half interest to heirs at death. Instead, the surviving spouse *automatically* receives the decedent spouse's one-half interest and becomes the full owner of the property. (This is called the "right of survivorship.") Both spouses must consent to taking property in a joint tenancy in lieu of having the community property laws apply.

California also allows a married couple to take title in the shares as community property with the right of survivorship. This means that the shares are treated like community property while both spouses are alive. However, if one spouse dies, then the other spouse automatically receives the decedent spouse's one-half interest and becomes the full owner of the shares. In other words, the decedent spouse's will or trust does *not* control the disposition of the shares.

If you have the Purchased Shares issued in a form other than those described above, then the transfer will be treated as a "disposition" for tax purposes. This means that the effect, for tax purposes, will be the same as selling the Purchased Shares. Please refer to the attached tax summary for additional information.

TRUSTS

A transfer to a trust generally should not be treated as a "disposition" of the Purchased Shares for tax purposes if the trust satisfies each of the following conditions:

- You are the sole grantor of the trust,
- You are the sole trustee, or you and your spouse are the soleco-trustees,
- The trustee or trustees are not required to distribute the income of the trust to any person other than you and/or your spouse while you are alive, and
- The trust permits you to revoke all or part of the trust and to have the trust's assets returned to you, without the consent of any other person (including your spouse).

If you have the Purchased Shares issued to a trust that does not meet these requirements, then the transfer will be treated as a "disposition" for tax purposes. This means that the effect, for tax purposes, will be the same as selling the Purchased Shares. Please refer to the attached tax summary for additional information.

If you have the Purchased Shares issued to any trust, you will be required to sign a Stock Transfer Agreement in your capacity as trustee. Under the Stock Transfer Agreement, the Purchased Shares remain subject to the Company's right of first refusal and may remain subject to the Company's right of repurchase, all in accordance with the applicable Notice of Stock Option Grant and Stock Option Agreement.

THE COMPANY WILL NOT CHECK TO DETERMINE WHETHER THE FORM OF OWNERSHIP THAT YOU ELECT IN YOUR NOTICE OF STOCK OPTION EXERCISE IS APPROPRIATE. YOU SHOULD CONSULT YOUR OWN ADVISERS ON THIS SUBJECT. IF AN INAPPROPRIATE ELECTION IS MADE, THE FORM OF OWNERSHIP MAY NOT WITHSTAND LEGAL SCRUTINY OR MAY HAVE ADVERSE TAX CONSEQUENCES.

EXPLANATION OF U.S. FEDERAL INCOME TAX CONSEQUENCES AND SECTION 83(B) ELECTION

(Current as of August 2020)

PURPOSE OF THIS EXPLANATION

The purpose of this explanation is to provide you with a brief summary of the tax consequences of exercising your option. For a number of reasons, this explanation is no substitute for personal tax advice:

- To make the explanation short and readable, only the highlights are covered. Some tax rules are not addressed, even though they may be important in particular cases.
- While the summary attempts to deal with the most common situations, your own tax situation may well be different from the norm.
- State and foreign income taxes are not addressed at all, even though they could have a significant impact on your tax planning. Likewise, federal gift and estate taxes and state inheritance taxes are not discussed.
- Tax planning involving incentive stock options is exceedingly complex, in part because of the possible application of the alternative minimum tax.
- The explanation assumes that you are paying the exercise price of your option in cash (or, only if specifically permitted in limited cases, in the form of a full-recourse promissory note with an interest rate that meets IRS requirements). If you are paying the exercise price in the form of stock, you become subject to special rules that are not addressed here.
- This explanation assumes that your option is not subject to section 409A of the Internal Revenue Code. However, the Company cannot be certain that section 409A is inapplicable to your option. (Please refer to the last segment of this summary for more information about section 409A.)
- The tax rules change often, and the Company is not responsible for updating this summary. (Please refer to the date at the top of this page.)

FOR THESE REASONS, THE COMPANY STRONGLY ENCOURAGES YOU TO CONSULT YOUR OWN TAX ADVISER BEFORE EXERCISING YOUR OPTION AND BEFORE MAKING A DECISION ABOUT FILING OR NOT FILING A SECTION 83(b) ELECTION.

EXERCISE OF NSO TO PURCHASE VESTED SHARES

The Notice of Stock Option Grant indicates whether your Purchased Shares are already vested. Vested shares are no longer subject to the Company's right to repurchase them, although they are still subject to the Company's right of first refusal. If you know that your Purchased Shares are already vested, there is no need to file a section 83(b) election.

If you are exercising an NSO to purchase vested shares, you will be taxed at the time of exercise. You will recognize ordinary income in an amount equal to the excess of (a) the fair market value of the Purchased Shares on the date of exercise over (b) the exercise price you are paying. If you are an employee or former employee of the Company, this amount is subject to withholding for income and payroll taxes. Your tax basis in the Purchased Shares (to calculate capital gain when you sell the shares) is equal to the sum of the exercise price you paid for the Purchased Shares plus any additional amount you recognized as income on the exercise date.

EXERCISE OF NSO TO PURCHASE NON-VESTED SHARES

If you are exercising an NSO to purchase non-vested shares, and if you do not file a timely election under section 83(b) of the Internal Revenue Code, then you will not be taxed at the time of exercise. Instead, you will be taxed whenever a set of Purchased Shares vests—in other words, when the Company no longer has the right to repurchase those shares. The Notice of Stock Option Grant indicates when this occurs, generally over a period of several years. Whenever an increment of Purchased Shares vests, you will recognize ordinary income in an amount equal to the excess of (a) the fair market value of those Purchased Shares on the date of vesting over (b) the exercise price you are paying for those Purchased Shares. If you are an employee or former employee of the Company, this amount will be subject to withholding for income and payroll taxes. Your tax basis in the Purchased Shares (to calculate capital gain when you sell the shares) will be equal to the sum of the exercise price you paid for the Purchased Shares plus any additional amount you recognized as income on each vesting date.

If you are exercising an NSO to purchase non-vested shares, and if you file a timely election under section 83(b) of the Internal Revenue Code, then you will be taxed at the time of exercise. You will recognize ordinary income in an amount equal to the excess of (a) the fair market value of the Purchased Shares on the date of exercise over (b) the exercise price you are paying. If you are an employee or former employee of the Company, this amount is subject to withholding for income and payroll taxes. Your tax basis in the Purchased Shares (used to calculate capital gain when you sell the shares) is equal to the sum of the exercise price you paid for the Purchased Shares plus any additional amount you recognized as income as a result of filing the section 83(b) election. Even if the fair market value of the Purchased Shares on the date of exercise equals the exercise price (and thus no tax is payable), the section 83(b) election must be made in order to avoid having any subsequent appreciation taxed as ordinary income at the time of vesting.

YOU MUST FILE A SECTION 83(b) ELECTION WITH THE INTERNAL REVENUE SERVICE WITHIN 30 DAYS AFTER THE NOTICE OF STOCK OPTION EXERCISE IS SIGNED. The 30-day filing period cannot be extended. If you miss the deadline, you will be taxed as the Purchased Shares vest, based on the value of the shares at that time. (See above.) The form for making the 83(b) election is attached. Additional copies of the form must be filed with the Company.

DISPOSITION OF NSO SHARES

When you dispose of the Purchased Shares, you will recognize a capital gain equal to the excess of (a) the sale proceeds over (b) your tax basis in the Purchased Shares. If the sale proceeds are less than your tax basis, you will recognize a capital loss. The capital gain or loss will be long-term if you held the Purchased Shares for more than 12 months. The holding period normally starts when you exercise your NSO. In general, the maximum marginal federal income tax rate on long-term capital gains is 20% under current law, but lower long-term capital gain rates may apply to taxpayers in the 15% and 10% marginal federal income tax brackets.

Effective January 1, 2013, as a result of the Health Care and Education Reconciliation Act of 2010, an additional Medicare contribution tax is imposed at a rate of 3.8% on the "net investment income" of individuals with adjusted gross incomes in excess of $200,000 ($250,000 in the case of a joint return, and $125,000 in the case of a married taxpayer filing separately). "Net investment income" includes income from interest, dividends, and capital gains, reduced by the deductions properly allocated to such income.

Depending on the level of your adjusted gross income, the additional Medicare contribution tax may be imposed on any short-term and long-term capital gain income and can increase your marginal tax rate.

LIMIT ON ISO TREATMENT

The Notice of Stock Option Grant indicates whether your option is a nonstatutory stock option (NSO) or an incentive stock option (ISO). The favorable tax treatment for ISOs is limited, regardless of what the Notice of Stock Option Grant indicates. Of the options that become exercisable in any calendar year, only options covering the first $100,000 of stock are eligible for ISO treatment. The excess over $100,000 automatically receives NSO treatment. For this purpose, stock is valued at the time of grant. This means that the value is generally equal to the exercise price.

For example, assume that you hold an option to buy 60,000 shares for $8 per share. Assume further that the entire option becomes exercisable in four equal annual installments. Only the first 50,000 shares qualify for ISO treatment. (12,500 times $8 equals $100,000.) The remaining 10,000 shares will be treated as if they had been acquired by exercising an NSO. This is true regardless of when the option is *actually* exercised; what matters is when it first *could* have been exercised.

EXERCISE OF ISO AND ISO HOLDING PERIODS

If you are exercising an ISO, you will not be taxed under the *regular* tax rules until you dispose of the Purchased Shares.[1] (The alternative minimum tax rules are described below.) The tax treatment at the time of disposition depends on how long you hold the shares. You will satisfy the ISO holding periods if you hold the Purchased Shares until the *later* of the following dates:

- More than two years after the ISO was granted, and
- More than one year after the ISO is exercised.

[1] Generally, a "disposition" of shares purchased under an ISO encompasses any transfer of legal title, such as a transfer by sale, exchange or gift. It generally does not include a transfer to your spouse, a transfer into joint ownership with right of survivorship (if you remain one of the joint owners), a pledge, a transfer by bequest or inheritance, or certain tax-free exchanges permitted under the Internal Revenue Code. A transfer to a trust is a "disposition" unless the trust is an eligible revocable trust, as described in the attached explanation.

DISPOSITION OF ISO SHARES

If you dispose of the Purchased Shares after satisfying *both* of the ISO holding periods, then you will recognize only a long-term capital gain at the time of disposition. The amount of the capital gain is equal to the excess of (a) the sale proceeds over (b) the exercise price. In general, the maximum marginal federal income tax rate on long-term capital gains is 20% under current law, but lower long-term capital gain rates may apply to taxpayers in the 15% and 10% marginal federal income tax brackets.

Effective January 1, 2013, as a result of the Health Care and Education Reconciliation Act of 2010, an additional Medicare contribution tax is imposed at a rate of 3.8% on the "net investment income" of individuals with adjusted gross incomes in excess of $200,000 ($250,000 in the case of a joint return, and $125,000 in the case of a married taxpayer filing separately). "Net investment income" includes income from interest, dividends, and capital gains, reduced by the deductions properly allocated to such income.

If you dispose of the Purchased Shares before either or both of the ISO holding periods are met, then you will recognize ordinary income at the time of disposition. The calculation of the ordinary income amount depends on whether the shares are vested at the time of exercise.

- **Shares Vested**. If the shares are vested at the time of exercise, the amount of ordinary income will be equal to the excess of (a) the fair market value of the Purchased Shares on the date of exercise over (b) the exercise price. But if the disposition is an arm's length sale to an unrelated party, the amount of ordinary income will not exceed the total gain from the sale. Under current IRS rules, the ordinary income amount will not be subject to withholding for income or payroll taxes. Your tax basis in the Purchased Shares will be equal to the sum of the exercise price you paid for the Purchased Shares plus any additional amount you recognized as ordinary income. Any gain in excess of your basis will be taxed as a capital gain—either long-term or short-term, depending on how long you held the Purchased Shares after the date of exercise.
- **Shares Not Vested**. If the Purchased Shares are not vested at the time of exercise, then the amount of ordinary income will be equal to the excess of (a) the fair market value of the Purchased Shares on the date of *vesting* over (b) the exercise price. But if the disposition is an arm's length sale to an unrelated party, the amount of ordinary income will not exceed the total gain from the sale. Under current IRS rules, the ordinary income amount will not be subject to withholding for income or payroll taxes. Your tax basis in the Purchased Shares

will be equal to the sum of the exercise price you paid for the Purchased Shares plus any additional amount you recognized as ordinary income. Any gain in excess of your basis will be taxed as a capital gain—either long-term or short-term, depending on how long you held the Purchased Shares after the date of vesting. Please note that it makes no difference under the *regular* tax rules whether or not you filed a section 83(b) election at the time you exercised your ISO. In either case, your regular taxable income is measured as of the time of vesting rather than the time of exercise.

SUMMARY OF ALTERNATIVE MINIMUM TAX

The alternative minimum tax (AMT) must be paid to the extent that it exceeds your regular federal income tax for the year. For 2020, the first $197,900 ($98,950 for a married taxpayer filing a separate return) of your alternative minimum taxable income for the year over the allowable exemption amount (see below) is subject to alternative minimum taxation at the rate of 26%. The balance of your alternative minimum taxable income is subject to alternative minimum taxation at the rate of 28%. The dollar thresholds dividing the 26% and 28% rates are indexed for inflation in future years. Your alternative minimum tax base is equal to your alternative minimum taxable income (AMTI) minus your exemption amount.

- **Alternative Minimum Taxable Income**. Your AMTI is equal to your regular taxable income, subject to certain adjustments and increased by items of tax preference. Among the many adjustments made in computing AMTI are the following:
  - State and local income and property taxes are not allowed as a deduction.
  - Miscellaneous itemized deductions are not allowed.
  - Certain interest deductions are not allowed.
  - The standard deduction and personal exemptions are not allowed.
  - When an ISO is exercised, the spread is added to income for AMT purposes. (See discussion below.)
- **Exemption Amount**. Before AMT is calculated, AMTI is reduced by the exemption amount. Under current law, the exemption amount is as follows:

Year: [2]	Joint Returns:	Single Returns:	Separate Returns:
2020[3]	$113,400	$72,900	$56,700

2 Amounts are indexed for inflation in future years.
3 Amounts are indexed for inflation in future years.

The allowable exemption amount is reduced by $0.25 for each $1.00 by which alternative minimum taxable income for the year exceeds the following amounts:

Year:	Joint Returns:	Single Returns:	Separate Returns:
2020[4]	$1,063,800	$518,400	$518,400

This means, for example, in 2020, the $113,400 exemption amount is phased out completely for married individuals filing joint returns when their alternative minimum taxable income reaches $1,517,400 [($113,400 ÷ $0.25) + $113,400].

APPLICATION OF AMT WHEN ISO IS EXERCISED

As noted above, when an ISO is exercised, the spread is included in AMTI at the time of exercise, unless the Purchased Shares are not yet vested at the time of exercise. If the Purchased Shares are not yet vested, the value of the shares minus the exercise price is included in AMTI when the shares vest. However, if you make an election under section 83(b) within 30 days after exercise, then the spread is included in AMTI at the time of exercise. **YOU MUST FILE AN 83(b) ELECTION WITH THE INTERNAL REVENUE SERVICE WITHIN 30 DAYS AFTER THE NOTICE OF STOCK OPTION EXERCISE IS SIGNED**. The 30-day filing period cannot be extended.

A special rule applies if you dispose of the Purchased Shares in the same year in which you exercised the ISO. If the amount you realize on the sale is less than the value of the stock at the time of exercise, then the amount includible in AMTI on account of the ISO exercise is limited to the gain realized on the sale.[5]

To the extent that your AMT is attributable to the spread on exercising an ISO (and certain other items), you may be able to apply the AMT that you paid as a credit against your income tax liability in future years. But the rules on calculating the available tax credits were amended frequently in recent years and have become extraordinarily complex. On this issue in particular, you must consult your own tax adviser.

When Purchased Shares are sold, your basis for purposes of computing the capital gain or loss under the AMT system is increased by the option spread that exists at the time of exercise. Again, an ISO is treated under the AMT system much like an NSO is treated under the regular tax system. But your basis in the ISO shares for purposes of computing gain or loss under the regular tax system does *not* reflect any AMT that you pay on the spread at exercise. Therefore, if you pay AMT in the year of the ISO exercise and regular income tax in the year of selling the Purchased Shares, you could pay tax twice on the same gain (except to the extent that you can use the AMT credit described above).

SECTION 409A OF THE INTERNAL REVENUE CODE

The preceding summary assumes that section 409A of the Internal Revenue Code does not apply to your option. In general, your option is exempt from section 409A if the exercise price per share is at least equal to the fair market value per share of the Company's Common Stock at the time the option was granted by the Board of Directors. Since shares of Common Stock are not traded on an established securities market, the determination of their fair market value generally is made by the Board of Directors or by an independent appraisal firm retained by the Company. In either case, there is no guarantee that the Internal Revenue Service will agree with the valuation.

4 Amounts are indexed for inflation in future years.

5 This is similar to the rule that applies under the regular tax system in the event of a disqualifying disposition of ISO stock. The amount of ordinary income that must be recognized in that case generally does not exceed the amount of the gain realized in the disposition.

If your option were found to be subject to section 409A, then you would be required to recognize ordinary income as early as the year in which the option (or portion thereof) vests. This amount would also be subject to a 20% federal tax *in addition to* the federal income tax at your usual marginal rate for ordinary income. Additional state income taxes may apply in some states.

(b) **Stockholder Approval**. Any other provision of this Agreement notwithstanding, no portion of this option shall be exercisable at any time prior to the approval of the Plan by the Company's stockholders.

SECTION 3. NO TRANSFER OR ASSIGNMENT OF OPTION.

Except as otherwise provided in this Agreement, this option and the rights and privileges conferred hereby shall not be sold, pledged or otherwise transferred (whether by operation of law or otherwise) and shall not be subject to sale under execution, attachment, levy or similar process.

SECTION 4. EXERCISE PROCEDURES.

(a) **Notice of Exercise**. The Optionee or the Optionee's representative may exercise this option by: (i) signing and delivering written notice to the Company pursuant to Section 12(c) specifying the election to exercise this option, the number of Shares for which it is being exercised and the form of payment and (ii) delivering payment, in a form permissible under Section 5, for the full amount of the Purchase Price (together with any applicable withholding taxes under Subsection (b)). In the event that this option is being exercised by the representative of the Optionee, the notice shall be accompanied by proof (satisfactory to the Company) of the representative's right to exercise this option.

(b) **Withholding Taxes**. In the event that the Company determines that it is required to withhold any tax (including without limitation any income tax, social insurance contributions, payroll tax, payment on account or other tax-related items arising in connection with the Optionee's participation in the Plan and legally applicable to the Optionee (the "**Tax-Related Items**")) as a result of the grant, vesting or exercise of this option, or as a result of the transfer of shares acquired upon exercise of this option, the Optionee, as a condition of this option, shall make arrangements satisfactory to the Company to enable it to satisfy all Tax-Related Items. The Optionee acknowledges that the responsibility for all Tax-Related Items is the Optionee's and may exceed the amount actually withheld by the Company (or its affiliate or agent).

(c) **Issuance of Shares**. After satisfying all requirements for exercise of this option, the Company shall cause to be issued one or more certificates evidencing the Shares for which this option has been exercised. Such Shares shall be registered (i) in the name of the person exercising this option, (ii) in the names of such person and his or her spouse as community property or as joint tenants with the right of survivorship or (iii) with the Company's consent, in the name of a revocable trust. Until the issuance of the Shares has been entered into the books and records of the Company or a duly authorized transfer agent of the Company, no right to vote, receive dividends or any other right as a stockholder will exist with respect to such Shares. The Company shall cause such certificates to be delivered to or upon the order of the person exercising this option.

SECTION 5. PAYMENT FOR STOCK.

(a) **Cash**. All or part of the Purchase Price may be paid in cash or cash equivalents.

(b) **Surrender of Stock; Other Property or Forms of Consideration**. At the discretion of the Board of Directors, all or any part of the Purchase Price may be paid by surrendering Shares that are already owned by the Optionee. Such Shares shall be surrendered to the Company in good form for transfer and shall be valued at their Fair Market Value as of the date when this option is exercised. The Board of Directors may, but shall not be obligated to, accept other property or consideration for the Purchase Price, with such other property or consideration valued at its Fair Market Value, as determined by the Board as of the date when this option is exercised.

(c) **Exercise/Sale**. All or part of the Purchase Price and any withholding taxes may be paid by the delivery (on a form prescribed by the Company) of an irrevocable direction to a securities broker approved by the Company to sell Shares and to deliver all or part of the sales proceeds to the Company. However, payment pursuant to this Subsection (c) shall be permitted only if (i) Stock then is publicly traded and (ii) such payment does not violate applicable law.

SECTION 6. TERM AND EXPIRATION.

(a) **Basic Term**. This option shall in any event expire on the expiration date set forth in the Notice of Stock Option Grant, which date is 10 years after the Date of Grant (five years after the Date of Grant if this option is designated as an ISO in the Notice of Stock Option Grant and Section 3(b) of the Plan applies).

(b) **Termination of Service (Except by Death)**. If the Optionee's Service terminates for any reason other than death, then this option shall expire on the earliest of the following occasions:

(i) The expiration date determined pursuant to Subsection (a) above;

(ii) The date three months after the termination of the Optionee's Service for any reason other than Disability; or

(iii) The date six months after the termination of the Optionee's Service by reason of Disability.

The Optionee may exercise all or part of this option at any time before its expiration under the preceding sentence, but only to the extent that this option had become exercisable before the Optionee's Service terminated. When the Optionee's Service terminates, this option shall expire immediately with respect to the number of Shares for which this option is not yet exercisable. In the event that the Optionee dies after termination of Service but before the expiration of this option, all or part of this option may be exercised (prior to expiration) by the executors or administrators of the Optionee's estate or by any person who has acquired this option directly from the Optionee by beneficiary designation, bequest or inheritance, but only to the extent that this option had become exercisable before the Optionee's Service terminated. Once this option (or portion thereof) has terminated, the Optionee shall have no further rights with respect to the option (or portion thereof) or to the underlying Shares.

(c) **Death of the Optionee**. If the Optionee dies while in Service, then this option shall expire on the earlier of the following dates:

(i) The expiration date determined pursuant to Subsection (a) above; or

(ii) The date 12 months after the Optionee's death.

All or part of this option may be exercised at any time before its expiration under the preceding sentence by the executors or administrators of the Optionee's estate or by any person who has acquired this option directly from the Optionee by beneficiary designation, bequest or inheritance, but only to the extent that this option had become exercisable before the Optionee's death. When the Optionee dies, this option shall expire immediately with respect to the number of Shares for which this option is not yet exercisable. Once this option (or portion thereof) has terminated, the Optionee shall have no further rights with respect to the option (or portion thereof) or to the underlying Shares.

(d) **Extension of Post-Termination Exercise Periods**. Following the date on which the Company's Stock is first listed for trading on an established securities market, if during any part of the exercise period described in Subsections (b)(ii) or (iii) or Subsection (c)(ii) above the exercise of this option would be prohibited solely because the issuance of Shares upon such exercise would violate the registration requirements under the Securities Act or a similar provision of other applicable law, then instead of terminating at the end of such prescribed period, the then-vested portion of this option will instead remain outstanding and not expire until the earlier of (i) the expiration date determined pursuant to Section 6(a) above or (ii) the date on which the then-vested portion of this option has been exercisable without violation of applicable law for the aggregate period (which need not be consecutive) after termination of the Optionee's Service specified in the applicable Subsection above.

(e) **Part-Time Employment and Leaves of Absence**. If the Optionee commences working on a part-time basis, then the Company may adjust the vesting schedule set forth in the Notice of Stock Option Grant. If the Optionee goes on a leave of absence, then the Company may adjust the vesting schedule set forth in the Notice of Stock Option Grant in accordance with the Company's leave of absence policy or the terms of such leave. Except as provided in the preceding sentence, Service shall be deemed to continue for any purpose under this Agreement while the Optionee is on a *bona fide* leave of absence, if (i) such leave was approved by the Company in writing and (ii) continued crediting of Service for such purpose is expressly required by the terms of such leave or by applicable law (as determined by the Company). Service shall be deemed to terminate when such leave ends, unless the Optionee immediately returns to active work.

(f) **Notice Concerning ISO Treatment**. Even if this option is designated as an ISO in the Notice of Stock Option Grant, it ceases to qualify for favorable tax treatment as an ISO to the extent that it is exercised:

(i) More than three months after the date when the Optionee ceases to be an Employee for any reason other than death or permanent and total disability (as defined in Section 22(e)(3) of the Code);

(ii) More than 12 months after the date when the Optionee ceases to be an Employee by reason of permanent and total disability (as defined in Section 22(e)(3) of the Code); or

(iii) More than three months after the date when the Optionee has been on a leave of absence for three months, unless the Optionee's reemployment rights following such leave were guaranteed by statute or by contract.

SECTION 7. RIGHT OF FIRST REFUSAL.

(a) **Right of First Refusal**. In the event that the Optionee proposes to sell, pledge or otherwise transfer to a third party any Shares acquired under this Agreement, or any interest in such Shares, the Company shall have the Right of First Refusal with respect to all (and not less than all) of such Shares. If the Optionee desires to transfer Shares acquired under this Agreement, the Optionee shall give a written Transfer Notice to the Company describing fully the proposed transfer, including the number of Shares proposed to be transferred, the proposed transfer price, the name and address of the proposed Transferee and proof satisfactory to the Company that the proposed sale or transfer will not violate any applicable federal, State or foreign securities laws. The Transfer Notice shall be signed both by the Optionee and by the proposed Transferee and must constitute a binding commitment of both parties to the transfer of the Shares. The Company shall have the right to purchase all, and not less than all, of the Shares on the terms of the proposal described in the Transfer Notice (subject, however, to any change in such terms permitted under Subsection (b) below) by delivery of a notice of exercise of the Right of First Refusal within 30 days after the date when the Transfer Notice was received by the Company.

(b) **Transfer of Shares**. If the Company fails to exercise its Right of First Refusal within 30 days after the date when it received the Transfer Notice, the Optionee may, not later than 90 days following receipt of the Transfer Notice by the Company, conclude a transfer of the Shares subject to the Transfer Notice on the terms and conditions described in the Transfer Notice, provided that any such sale is made in compliance with applicable federal, State and foreign securities laws and not in violation of any other contractual restrictions to which the Optionee is bound. Any proposed transfer on terms and conditions different from those described in the Transfer Notice, as well as any subsequent proposed transfer by the Optionee, shall again be subject to the Right of First Refusal and shall require compliance with the procedure described in Subsection (a) above. If the Company exercises its Right of First Refusal, the parties shall consummate the sale of the Shares on the terms set forth in the Transfer

Notice within 60 days after the date when the Company received the Transfer Notice (or within such longer period as may have been specified in the Transfer Notice); provided, however, that in the event the Transfer Notice provided that payment for the Shares was to be made in a form other than cash or cash equivalents paid at the time of transfer, the Company shall have the option of paying for the Shares with cash or cash equivalents equal to the present value of the consideration described in the Transfer Notice.

(c) **Additional or Exchanged Securities and Property**. In the event of a merger or consolidation of the Company, a sale of all or substantially all of the Company's stock or assets, any other corporate reorganization, a stock split, the declaration of a stock dividend, the declaration of an extraordinary dividend payable in a form other than stock, a spin-off, an adjustment in conversion ratio, a recapitalization or a similar transaction affecting the Company's outstanding securities, any securities or other property (including cash or cash equivalents) that are by reason of such transaction exchanged for, or distributed with respect to, any Shares subject to this Section 7 shall immediately be subject to the Right of First Refusal. Appropriate adjustments to reflect the exchange or distribution of such securities or property shall be made to the number and/or class of the Shares subject to this Section 7.

(d) **Termination of Right of First Refusal**. Any other provision of this Section 7 notwithstanding, in the event that the Stock is readily tradable on an established securities market when the Optionee desires to transfer Shares, the Company shall have no Right of First Refusal, and the Optionee shall have no obligation to comply with the procedures prescribed by Subsections (a) and (b) above.

(e) **Permitted Transfers**. This Section 7 shall not apply to (i) a transfer by beneficiary designation, will or intestate succession or (ii) a transfer to one or more members of the Optionee's Immediate Family or to a trust established by the Optionee for the benefit of the Optionee and/or one or more members of the Optionee's Immediate Family, provided in either case that the Transferee agrees in writing on a form prescribed by the Company to be bound by all provisions of this Agreement. If the Optionee transfers any Shares acquired under this Agreement, either under this Subsection (e) or after the Company has failed to exercise the Right of First Refusal, then this Agreement shall apply to the Transferee to the same extent as to the Optionee.

(f) **Termination of Rights as Stockholder**. If the Company makes available, at the time and place and in the amount and form provided in this Agreement, the consideration for the Shares to be purchased in accordance with this Section 7, then after such time the person from whom such Shares are to be purchased shall no longer have any rights as a holder of such Shares (other than the right to receive payment of such consideration in accordance with this Agreement). Such Shares shall be deemed to have been purchased in accordance with the applicable provisions hereof, whether or not the certificate(s) therefor have been delivered as required by this Agreement.

(g) **Assignment of Right of First Refusal**. The Board of Directors may freely assign the Company's Right of First Refusal, in whole or in part. Any person who accepts an assignment of the Right of First Refusal from the Company shall assume all of the Company's rights and obligations under this Section 7.

SECTION 8. LEGALITY OF INITIAL ISSUANCE.

No Shares shall be issued upon the exercise of this option unless and until the Company has determined that:

(a) It and the Optionee have taken any actions required to register the Shares under the Securities Act or to perfect an exemption from the registration requirements thereof;

(b) Any applicable listing requirement of any stock exchange or other securities market on which Stock is listed has been satisfied; and

(c) Any other applicable provision of federal, State or foreign law has been satisfied.

SECTION 9. NO REGISTRATION RIGHTS.

The Company may, but shall not be obligated to, register or qualify the sale of Shares under the Securities Act or any other applicable law. The Company shall not be obligated to take any affirmative action in order to cause the sale of Shares under this Agreement to comply with any law.

SECTION 10. RESTRICTIONS ON TRANSFER OF SHARES.

(a) **Securities Law Restrictions**. Regardless of whether the offer and sale of Shares under the Plan have been registered under the Securities Act or have been registered or qualified under the securities laws of any State or other relevant jurisdiction, the Company at its discretion may impose restrictions upon the sale, pledge or other transfer of such Shares (including the placement of appropriate legends on the stock certificates (or electronic equivalent) or the imposition of stop-transfer instructions) and may refuse (or may be required to refuse) to transfer Shares acquired hereunder (or Shares proposed to be transferred in a subsequent transfer) if, in the judgment of the Company, such restrictions, legends or refusal are necessary or appropriate to achieve compliance with the Securities Act or other relevant securities or other laws, including without limitation under Regulation S of the Securities Act or pursuant to another available exemption from registration.

(b) **Market Stand-Off**. In connection with any underwritten public offering by the Company of its equity securities pursuant to an effective registration statement filed under the Securities Act, including the Company's initial public offering, the Optionee or a Transferee shall not directly or indirectly sell, make any short sale of, loan, hypothecate, pledge, offer, grant or sell any option or other contract for the purchase of, purchase any option or other contract for the sale of, or otherwise dispose of or transfer, or agree to engage in any of the foregoing transactions with respect to, any Shares acquired under this Agreement without the prior written consent of the Company or its managing underwriter. Such restriction (the "**Market**

Stand-Off") shall be in effect for such period of time following the date of the final prospectus for the offering as may be requested by the Company or such underwriter. In no event, however, shall such period exceed 180 days plus such additional period as may reasonably be requested by the Company or such underwriter to accommodate regulatory restrictions on (i) the publication or other distribution of research reports or (ii) analyst recommendations and opinions, including (without limitation) the restrictions set forth in Rule 2711(f)(4) of the National Association of Securities Dealers and Rule 472(f)(4) of the New York Stock Exchange, as amended, or any similar successor rules. The Market Stand-Off shall in any event terminate two years after the date of the Company's initial public offering. In the event of the declaration of a stock dividend, a spin-off, a stock split, an adjustment in conversion ratio, a recapitalization or a similar transaction affecting the Company's outstanding securities without receipt of consideration, any new, substituted or additional securities which are by reason of such transaction distributed with respect to any Shares subject to the Market Stand-Off, or into which such Shares thereby become convertible, shall immediately be subject to the Market Stand-Off. In order to enforce the Market Stand-Off, the Company may impose stop-transfer instructions with respect to the Shares acquired under this Agreement until the end of the applicable stand-off period. The Company's underwriters shall be beneficiaries of the agreement set forth in this Subsection (b). This Subsection (b) shall not apply to Shares registered in the public offering under the Securities Act.

(c) **Investment Intent at Grant**. The Optionee represents and agrees that the Shares to be acquired upon exercising this option will be acquired for investment, and not with a view to the sale or distribution thereof.

(d) **Investment Intent at Exercise**. In the event that the sale of Shares under the Plan is not registered under the Securities Act but an exemption is available that requires an investment representation or other representation, the Optionee shall represent and agree at the time of exercise that the Shares being acquired upon exercising this option are being acquired for investment, and not with a view to the sale or distribution thereof, and shall make such other representations as are deemed necessary or appropriate by the Company and its counsel, including (if applicable because the Company is relying on Regulation S under the Securities Act) that as of the date of exercise the Optionee is (i) not a U.S. Person; (ii) not acquiring the Shares on behalf, or for the account or benefit, of a U.S. Person; and (iii) is not exercising the option in the United States.

(e) **Legends**. All certificates evidencing Shares purchased under this Agreement shall bear the following legend:

"THE SHARES REPRESENTED HEREBY MAY NOT BE SOLD, ASSIGNED, TRANSFERRED, ENCUMBERED OR IN ANY MANNER DISPOSED OF, EXCEPT IN COMPLIANCE WITH THE TERMS OF A WRITTEN AGREEMENT BETWEEN THE COMPANY AND THE REGISTERED HOLDER OF THE SHARES (OR THE PREDECESSOR IN INTEREST TO THE SHARES). SUCH AGREEMENT GRANTS TO THE COMPANY CERTAIN RIGHTS OF FIRST REFUSAL UPON AN ATTEMPTED TRANSFER OF THE SHARES. IN ADDITION, THE SHARES ARE SUBJECT TO RESTRICTIONS ON TRANSFER FOR A LIMITED PERIOD

FOLLOWING THE EFFECTIVE DATE OF THE UNDERWRITTEN PUBLIC OFFERING OF THE COMPANY'S SECURITIES AND MAY NOT BE SOLD OR OTHERWISE DISPOSED OF BY THE HOLDER WITHOUT THE CONSENT OF THE COMPANY OR THE MANAGING UNDERWRITER. THE SECRETARY OF THE COMPANY WILL UPON WRITTEN REQUEST FURNISH A COPY OF SUCH AGREEMENT TO THE HOLDER HEREOF WITHOUT CHARGE."

All certificates evidencing Shares purchased under this Agreement in an unregistered transaction shall bear the following legend (and such other restrictive legends as are required or deemed advisable under the provisions of any applicable law):

"THE SHARES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "ACT") OR ANY SECURITIES LAWS OF ANY U.S. STATE, AND MAY NOT BE SOLD, REOFFERED, PLEDGED, ASSIGNED, ENCUMBERED OR OTHERWISE TRANSFERRED OR DISPOSED WITHOUT AN EFFECTIVE REGISTRATION THEREOF UNDER SUCH ACT OR AN OPINION OF COUNSEL, SATISFACTORY TO THE COMPANY AND ITS COUNSEL, THAT SUCH REGISTRATION IS NOT REQUIRED. IN THE ABSENCE OF REGISTRATION OR THE AVAILABILITY (CONFIRMED BY OPINION OF COUNSEL) OF AN ALTERNATIVE EXEMPTION FROM REGISTRATION UNDER THE ACT (INCLUDING WITHOUT LIMITATION IN ACCORDANCE WITH REGULATION S UNDER THE ACT), THESE SHARES MAY NOT BE SOLD, REOFFERED, PLEDGED, ASSIGNED, ENCUMBERED OR OTHERWISE TRANSFERRED OR DISPOSED OF. HEDGING TRANSACTIONS INVOLVING THESE SHARES MAY NOT BE CONDUCTED UNLESS IN COMPLIANCE WITH THE ACT."

(f) **Removal of Legends**. If, in the opinion of the Company and its counsel, any legend placed on a stock certificate representing Shares sold under this Agreement is no longer required, the holder of such certificate shall be entitled to exchange such certificate for a certificate representing the same number of Shares but without such legend.

(g) **Administration**. Any determination by the Company and its counsel in connection with any of the matters set forth in this Section 10 shall be conclusive and binding on the Optionee and all other persons.

SECTION 11. ADJUSTMENT OF SHARES.

In the event of any transaction described in Section 8(a) of the Plan, the terms of this option (including, without limitation, the number and kind of Shares subject to this option and the Exercise Price) shall be adjusted as set forth in Section 8(a) of the Plan. In the event that the Company is a party to a merger or consolidation or in the event of a sale of all or substantially all of the Company's stock or assets, this option shall be subject to the treatment provided by the Board of Directors in its sole discretion, as provided in Section 8(b) of the Plan.

SECTION 12. MISCELLANEOUS PROVISIONS.

(a) **Rights as a Stockholder**. Neither the Optionee nor the Optionee's representative shall have any rights as a stockholder with respect to any Shares subject to this option until the Optionee or the Optionee's representative becomes entitled to receive such Shares by filing a notice of exercise and paying the Purchase Price pursuant to Sections 4 and 5.

(b) **No Retention Rights**. Nothing in this option or in the Plan shall confer upon the Optionee any right to continue in Service for any period of specific duration or interfere with or otherwise restrict in any way the rights of the Company (or any Parent or Subsidiary employing or retaining the Optionee) or of the Optionee, which rights are hereby expressly reserved by each, to terminate his or her Service at any time and for any reason, with or without cause.

(c) **Notice**. Any notice required by the terms of this Agreement shall be given in writing. It shall be deemed effective upon (i) personal delivery, (ii) deposit with the United States Postal Service, by registered or certified mail, with postage and fees prepaid, (iii) deposit with Federal Express Corporation, with shipping charges prepaid or (iv) deposit with any internationally recognized express mail courier service. Notice shall be addressed to the Company at its principal executive office and to the Optionee at the address that he or she most recently provided to the Company in accordance with this Subsection (c).

(d) **Modifications and Waivers**. No provision of this Agreement shall be modified, waived or discharged unless the modification, waiver or discharge is agreed to in writing and signed by the Optionee and by an authorized officer of the Company (other than the Optionee). No waiver by either party of any breach of, or of compliance with, any condition or provision of this Agreement by the other party shall be considered a waiver of any other condition or provision or of the same condition or provision at another time.

(e) **Entire Agreement**. The Notice of Stock Option Grant, this Agreement and the Plan constitute the entire contract between the parties hereto with regard to the subject matter hereof. They supersede any other agreements, representations or understandings (whether oral or written and whether express or implied) that relate to the subject matter hereof.

(f) **Choice of Law**. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, as such laws are applied to contracts entered into and performed in such State.

SECTION 13. ACKNOWLEDGEMENTS OF THE OPTIONEE.

In addition to the other terms, conditions and restrictions imposed on this option and the Shares issuable under this option pursuant to this Agreement and the Plan, the Optionee expressly acknowledges being subject to Sections 7 (Right of First Refusal), 8 (Legality of Initial Issuance) and 10 (Restrictions on Transfer of Shares, including without limitation the Market Stand-Off), as well as the following provisions:

(a) **Tax Consequences (No Liability for Discounted Options)**. The Optionee agrees that the Company does not have a duty to design or administer the Plan or its other compensation programs in a manner that minimizes the Optionee's tax liabilities. The Optionee shall not make any claim against the Company or its Board of Directors, officers or employees related to tax liabilities arising from this option or the Optionee's other compensation. In particular, any Optionee subject to U.S. taxation acknowledges that this option is exempt from Section 409A of the Code only if the Exercise Price is at least equal to the Fair Market Value per Share on the Date of Grant. Since Shares are not traded on an established securities market, the determination of their Fair Market Value is made by the Board of Directors or by an independent valuation firm retained by the Company. The Optionee acknowledges that there is no guarantee in either case that the Internal Revenue Service will agree with the valuation, and the Optionee shall not make any claim against the Company or its Board of Directors, officers or employees in the event that the Internal Revenue Service asserts that the valuation was too low.

(b) **Electronic Delivery of Documents**. The Optionee agrees to accept by email all documents relating to the Company, the Plan or this option and all other documents that the Company is required to deliver to its security holders (including, without limitation, disclosures that may be required by the Securities and Exchange Commission). The Optionee also agrees that the Company may deliver these documents by posting them on a website maintained by the Company or by a third party under contract with the Company. If the Company posts these documents on a website, it shall notify the Optionee by email of their availability. The Optionee acknowledges that he or she may incur costs in connection with electronic delivery, including the cost of accessing the internet and printing fees, and that an interruption of internet access may interfere with his or her ability to access the documents. This consent shall remain in effect until this option expires or until the Optionee gives the Company written notice that it should deliver paper documents.

(c) **No Notice of Expiration Date**. The Optionee agrees that the Company and its officers, employees, attorneys and agents do not have any obligation to notify him or her prior to the expiration of this option pursuant to Section 6, regardless of whether this option will expire at the end of its full term or on an earlier date related to the termination of the Optionee's Service. The Optionee further agrees that he or she has the sole responsibility for monitoring the expiration of this option and for exercising this option, if at all, before it expires. This Subsection (c) shall supersede any contrary representation that may have been made, orally or in writing, by the Company or by an officer, employee, attorney or agent of the Company.

(d) **Waiver of Statutory Information Rights**. The Optionee acknowledges and agrees that, upon exercise of this option and until the first sale of the Company's Stock to the general public pursuant to a registration statement filed under the Securities Act, he or she will be deemed to have waived any rights the Optionee might otherwise have had under Section 220 of the Delaware General Corporation Law (or under similar rights under other applicable law) to inspect for any proper purpose and to make copies and extracts from the Company's stock ledger, a list of its stockholders and its other books and records or the books and records of any subsidiary. This waiver applies only in the Optionee's capacity as a stockholder and does not affect any other inspection rights the Optionee may have under other law or pursuant to a written agreement with the Company.

(e) **Plan Discretionary**. The Optionee understands and acknowledges that (i) the Plan is entirely discretionary, (ii) the Company and the Optionee's employer have reserved the right to amend, suspend or terminate the Plan at any time, (iii) the grant of an option does not in any way create any contractual or other right to receive additional grants of options (or benefits in lieu of options) at any time or in any amount and (iv) all determinations with respect to any additional grants, including (without limitation) the times when options will be granted, the number of Shares offered, the Exercise Price and the vesting schedule, will be at the sole discretion of the Company.

(f) **Termination of Service**. The Optionee understands and acknowledges that participation in the Plan ceases upon termination of his or her Service for any reason, except as may explicitly be provided otherwise in the Plan or this Agreement.

(g) **Extraordinary Compensation**. The value of this option shall be an extraordinary item of compensation outside the scope of the Optionee's employment contract, if any, and shall not be considered a part of his or her normal or expected compensation for any purpose including calculating severance, resignation, redundancy or end-of-service payments, bonuses, long-service awards, pension or retirement benefits or similar payments.

(h) **Authorization to Disclose**. The Optionee hereby authorizes and directs the Optionee's employer to disclose to the Company or any Subsidiary any information regarding the Optionee's employment, the nature and amount of the Optionee's compensation and the fact and conditions of the Optionee's participation in the Plan, as the Optionee's employer deems necessary or appropriate to facilitate the administration of the Plan.

SECTION 14. COUNTRY ADDENDUM.

To the extent the Optionee provides Services to the Company or its Parent, Subsidiaries or affiliates in a country other than the United States, the option shall be subject to such additional or substitute terms as shall be set forth for such country in the Country Addendum attached hereto. If the Optionee relocates to one of the countries included in the Country Addendum during the life of the option, the Country Addendum, including the provisions for such country, shall apply to the Optionee and to the option, to the extent the Company determines that the application of such provisions is necessary or advisable in order to comply with applicable law or facilitate the administration of the Plan. In addition, the Company reserves the right to impose other requirements on the option, to the extent the Company determines it is necessary or advisable in order to comply with local laws or facilitate the administration of the Plan, and to require the Optionee to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

2015 STOCK PLAN
STOCK OPTION AGREEMENT

COUNTRY ADDENDUM

TERMS AND CONDITIONS

This Country Addendum includes additional terms and conditions that govern the option granted to the Optionee under the Plan if the Optionee works in one of the countries listed below. If the Optionee is a citizen or resident of a country (or is considered as such for local law purposes) other than the one in which he or she is currently working or if the Optionee relocates to another country after receiving the option, the Company will, in its discretion, determine the extent to which the terms and conditions contained herein will be applicable to the Optionee.

Certain capitalized terms used but not defined in this Country Addendum shall have the meanings set forth in the Plan, and/or the Agreement to which this Country Addendum is attached.

NOTIFICATIONS

This Country Addendum also includes notifications relating to exchange control and other issues of which the Optionee should be aware with respect to his or her participation in the Plan. The information is based on the exchange control, securities and other laws in effect in the countries listed in this Country Addendum, as of November 2019. Such laws are often complex and change frequently. As a result, the Company strongly recommends that the Optionee not rely on the notifications herein as the only source of information relating to the consequences of his or her participation in the Plan because the information may be outdated when the Optionee exercises the option and acquires Shares, or when the Optionee subsequently sell Shares acquired under the Plan.

In addition, the notifications are general in nature and may not apply to the Optionee's particular situation, and the Company is not in a position to assure the Optionee of any particular result. Accordingly, the Optionee is advised to seek appropriate professional advice as to how the relevant laws in the Optionee's country may apply to the Optionee's situation.

Finally, if the Optionee is a citizen or resident of a country other than the one in which the Optionee is currently working (or is considered as such for local law purposes) or if the Optionee moves to another country after receiving the option, the information contained herein may not be applicable to the Optionee.

Optionees are advised to seek appropriate professional advice as to how the relevant exchange control and tax laws in their country may apply to their individual situation.

I. GLOBAL PROVISIONS APPLICABLE TO OPTIONEES IN ALL COUNTRIES OTHER THAN THE UNITED STATES

1. Foreign Exchange Considerations. The Optionee understands and agrees that neither the Company nor any Parent or Subsidiary shall be liable for any foreign exchange rate fluctuation between the Optionee's local currency and the U.S. dollar that may affect the value of the option granted to the Optionee under the Plan, or of any amounts due to the Optionee under the Plan or as a result of exercising the option and/or the subsequent sale of any Shares acquired under the Plan. The Optionee agrees and acknowledges that he or she will bear any and all risk associated with the exchange or fluctuation of currency associated with his or her participation in the Plan. The Optionee acknowledges and agrees that he or she may be responsible for reporting inbound transactions or fund transfers that exceed a certain amount. The Optionee is advised to seek appropriate professional advice as to how the exchange control regulations apply to the option and the Optionee's specific situation and understands that the relevant laws and regulations can change frequently and occasionally on a retroactive basis.

2. Translated Documents. If the Optionee received this Agreement or any other document related to the Plan translated into a language other than English, the Optionee understands that such translated documents were provided for convenience only, and that if the meaning of the translated version is different than the English version, the English version will control, subject to applicable laws.

3. Additional Optionee Acknowledgements. By accepting the grant, the Optionee acknowledges, understands and agrees that:

(a) the grant of the option under the Plan shall not be interpreted as forming an employment or Service contract with the Company or any Parent, Subsidiary or affiliate, and shall not interfere with the ability of the Company or any Parent, Subsidiary or affiliate, as applicable, to terminate the Optionee's Service;

(b) the Optionee is voluntarily participating in the Plan;

(c) the option granted under the Plan and the income and value of same, are not intended to replace any pension rights or compensation;

(d) the future value of the option granted under the Plan is unknown, indeterminable and cannot be predicted with certainty, and may be greater or less than the value on the date hereof and/or the relevant vesting/exercise dates;

(e) Section 7(b) of the Plan notwithstanding, past service is not a valid form of consideration.

(f) no claim or entitlement to compensation or damages shall arise from the forfeiture of all or any portion of the option granted to the Optionee under the Plan as a result of the termination of the Optionee's status as an eligible participant (for any reason whatsoever, and whether or not later found to be invalid or in breach of applicable laws in the jurisdiction where the Optionee is providing Service or the terms of the Optionee's employment agreement or Service contract, if any) and, in consideration of the grant of the option under the Plan to which the Optionee is otherwise not entitled, the Optionee irrevocably agrees (I) never to institute a claim against the Company or any Parent, Subsidiary or affiliate, (II) to waive the Optionee's ability, if any, to bring such claim, and (III) to release the Company or any Parent, Subsidiary or affiliate from any such claim that may arise; if, notwithstanding the foregoing, any such claim is allowed by a court of competent jurisdiction, the Optionee shall be deemed irrevocably to have agreed to not to pursue such claim and agrees to execute any and all documents necessary to request dismissal or withdrawal of such claim;

(g) in the event the Optionee is not an employee of the Company, the Optionee understands and agrees that neither the offer to participate in the Plan, nor his or her participation in the Plan, will be interpreted to form an employment contract or relationship with the Company or any Parent, Subsidiary or affiliate, and furthermore, nothing in the Plan, the Agreement nor the Optionee's participation in the Plan will be interpreted to form an employment contract with the Company or any Parent, Subsidiary or affiliate; and

(h) in the event of the termination of the Optionee's status as an eligible participant (for any reason whatsoever, whether or not later found to be invalid or in breach of applicable laws in the jurisdiction where the Optionee is providing Service or the terms of his or her employment agreement or Service contract, if any), the Optionee's right to participate in the Plan and all or any portion of the option granted under the Plan, if any, will terminate effective as of the date that the Optionee is no longer actively providing service to the Company or any Parent, Subsidiary or affiliate of the Company, and, in any event, will not be extended by any notice period mandated under applicable laws in the jurisdiction in which the Optionee is providing Service or the terms of his or her employment agreement or Service contract, if any (e.g., active Service would not include a period of "garden leave" or similar period pursuant to applicable laws in the jurisdiction in which the Optionee is providing Service or the terms of his or her employment agreement or Service contract, if any); the Company shall have the exclusive discretion to determine when the Optionee is no longer actively providing Service for purposes of participation in the Plan (including whether the Optionee may still be considered to be actively providing Service while on a leave of absence).

4. Tax Withholding Considerations. The Optionee acknowledges and agrees that, regardless of any action taken by the Company, any Parent, Subsidiary or affiliate, with respect to any or all income tax, social security, social insurances, national insurance contributions, social insurance contributions, payroll tax, fringe benefit, or other tax-related items related to your participation in the Plan and legally applicable to the Optionee including, without limitation, in connection with the grant of the option, the acquisition or sale of Shares acquired under the Plan and/or the receipt of any dividends on such Shares ("**Tax-Related Items**"), the ultimate liability for all Tax-Related Items is and remains the Optionee's responsibility and may exceed the amount actually withheld by the Company, or any Parent, Subsidiary or affiliate. Furthermore, the Optionee acknowledges that the Company and/or any Parent, Subsidiary or affiliate (a) make no representations or undertakings regarding the treatment of any Tax-Related Items in connection with any aspect of the option or other benefits under the Plan and (b) do not

commit to and are under no obligation to structure the terms of the option, other benefits or any aspect of the Optionee's participation in the Plan to reduce or eliminate the Optionee's liability for Tax-Related Items or achieve any particular tax result. Further, if the Optionee becomes subject to tax in more than one jurisdiction, or changes his or her jurisdiction of primary residence or Service between the Date of Grant and the date of any relevant taxable or tax withholding event, as applicable, the Optionee acknowledges that the Company and/or any Parent, Subsidiary or affiliate (or former Service recipient, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction. Prior to exercising the option under the Plan or any other relevant taxable or tax withholding event, as applicable, the Optionee agrees to make adequate arrangements satisfactory to the Company to satisfy all Tax-Related Items. In this regard, the Optionee authorizes the Company and/or any Parent, Subsidiary or affiliate, or their respective agents, at their discretion, to satisfy the obligations with regard to all Tax-Related Items by one or a combination of the following: (I) withholding from the Optionee's wages or other compensation paid to the Optionee or (II) withholding from proceeds of the sale of the Shares acquired under the Plan either through a voluntary sale or through a mandatory sale arranged by the Company (on the Optionee's behalf pursuant to this authorization). Depending on the withholding method, the Company may withhold or account for Tax-Related Items by considering maximum applicable withholding rates, in which case the Optionee will receive a refund of any over-withheld amount in cash and will have no entitlement to the Share equivalent. Finally, the Optionee agrees to pay to the Company or any applicable Parent, Subsidiary or affiliate any amount of Tax-Related Items that the Company or any Parent, Subsidiary or affiliate may be required to withhold as a result of his or her participation in the Plan that cannot be satisfied by the means previously described. The Company may refuse to issue or deliver the Shares or the proceeds of the sale of Shares if the Optionee fails to comply with his or her obligations in connection with the Tax-Related Items.

4. Data Privacy. The Optionee hereby explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of the Optionee's personal data as described in this Agreement and any other option grant materials by and among, as applicable, his or her employer or other Service recipient, the Company and any Parent, Subsidiary or affiliate for the exclusive purpose of implementing, administering and managing the Optionee's participation in the Plan.

The Optionee understands that the Company and the Optionee's employer or Service recipient, if different, may hold certain personal information about the Optionee, including, but not limited to, the Optionee's name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any Shares or directorships held in the Company, details of all options or any other entitlement to Shares awarded, canceled, exercised, vested, unvested or outstanding in the Optionee's favor ("Data"), for the exclusive purpose of implementing, administering and managing the Plan.

The Optionee understands that Data will be transferred to a third-party stock plan service provider as may be selected by the Company in the future, which is assisting the Company with the implementation, administration, and management of the Plan and such third party, together with its affiliates, successors and assigns, will receive, possess, use and transfer the Data as contemplated hereby. The Optionee understands that the Company's current third-party stock plan service provider is Carta, Inc. The Optionee understands that the recipients of the Data may be located in the United States or elsewhere, and that the recipients' country of operation (e.g., the United States) may have different including less stringent data privacy laws and protections than the Optionee's country. The Optionee understands that if he or she resides outside the United States, he or she may request a list with the names and addresses of any potential recipients of the Data by contacting his or her local human resources representative. The Optionee authorizes the Company, any third-party stock plan service provider selected by the Company and any other possible recipients which may assist the Company (presently or in the future) with implementing, administering and managing the Plan to receive, possess, use, retain and transfer the Data, in electronic or other form, for the sole purpose of implementing, administering and managing his or her participation in the Plan. The Optionee understands that Data will be held only as long as is necessary to implement, administer and manage the Optionee's participation in the Plan. The Optionee understands if he or she resides outside the United States, he or she may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing his or her local human resources representative. Further, the Optionee understands that he or she is providing the consents herein on a purely voluntary basis. If the Optionee does not consent, or if the Optionee later seeks to revoke his or her consent, the Optionee's employment status or service and career with the Company will not be adversely affected; the only consequence of refusing or withdrawing consent is that the Company would not be able to grant the Optionee options or other equity awards or administer or maintain such awards. Therefore, the Optionee understands that refusing or withdrawing his or her consent may affect the Optionee's ability to participate in the Plan. For more information on the consequences of the Optionee's refusal to consent or withdrawal of consent, the Optionee understands that he or she may contact his or her local human resources representative.

Title: _____

II. AGREEMENT

1. Grant of Restricted Stock Units. The Company hereby grants to the Participant named in the Notice of Grant of Restricted Stock Units in Part I of this Award Agreement (the "Notice of Grant") a Restricted Stock Unit Award, subject to the terms and conditions of the Plan, which is incorporated herein by reference. Subject to Section 7A(i) and Sections 11(b) and (c) of the Plan, in the event of a conflict between the terms and conditions of the Plan and this Award Agreement, the terms and conditions of the Plan shall prevail.

2. Company's Obligation to Pay. Each Restricted Stock Unit represents the right to receive a Share on the date it vests. Unless and until the Restricted Stock Units have vested in the manner set forth in Section 4, Participant will have no right to payment in settlement of any such Restricted Stock Units. Prior to actual payment in settlement of any vested Restricted Stock Units, such Restricted Stock Unit will represent an unsecured obligation of the Company, payable (if at all) only from the general assets of the Company.

3. Participant's Representations. In the event that the issuance of Shares under the Plan is not registered under the Securities Act but an exemption is available that requires an investment representation or other representation, Participant shall represent and agree at the time of exercise that the Shares being acquired under this Award are being acquired for investment, and not with a view to the sale or distribution thereof, and shall make such other representations as are deemed necessary or appropriate by the Company and its counsel, including (if applicable because the Company is relying on Regulation S under the Securities Act) that as of the date of exercise the Participant is (i) not a U.S. Person as described in Rule 902(k) of Regulation S of the Securities Act; (ii) not acquiring the Shares on behalf, or for the account or benefit, of a U.S. Person; and (iii) is not receiving Shares in the United States.

4. Vesting Schedule. Subject to Sections 7 and 10, the Restricted Stock Units awarded by this Award Agreement will vest in accordance with the vesting schedule set forth in the Notice of Grant.

5. Market Stand-Off Period. In connection with any underwritten public offering by the Company of its equity securities pursuant to an effective registration statement filed under the Securities Act, including the Company's initial public offering, Participant shall not directly or indirectly sell, make any short sale of, loan, hypothecate, pledge, offer, grant or sell any option or other contract for the purchase of, purchase any option or other contract for the sale of, or otherwise dispose of or transfer, or agree to engage in any of the foregoing transactions with respect to, any Shares acquired under this Agreement without the prior written consent of the Company or its managing underwriter. Such restriction (the "Market Stand-Off") shall be in effect for such period of time following the date of the final prospectus for the offering as may be requested by the Company or such underwriter. In no event, however, shall such period exceed 180 days plus such additional period as may reasonably be requested by the Company or such underwriter to accommodate regulatory restrictions on (i) the publication or other distribution of research reports or (ii) analyst recommendations and opinions, including (without limitation) the restrictions set forth in Rule 2711(f)(4) of the National Association of Securities Dealers and Rule 472(f)(4) of the New York Stock Exchange, as amended, or any similar successor rules.

The Market Stand-Off shall in any event terminate two years after the date of the Company's initial public offering. In the event of the declaration of a stock dividend, a spin off, a stock split, an adjustment in conversion ratio, a recapitalization or a similar transaction affecting the Company's outstanding securities without receipt of consideration, any new, substituted or additional securities which are by reason of such transaction distributed with respect to any Shares subject to the Market Stand-Off, or into which such Shares thereby become convertible, shall immediately be subject to the Market Stand-Off. In order to enforce the Market Stand-Off, the Company may impose stop-transfer instructions with respect to the Shares acquired under this Agreement until the end of the applicable stand-off period. The Company's underwriters shall be beneficiaries of the agreement set forth in this Section 5. This Section 5 shall not apply to Shares registered in the public offering under the Securities Act.

Participant agrees to execute and deliver such other agreements as may be reasonably requested by the Company or the underwriter which are consistent with the foregoing or which are necessary to give further effect thereto. In addition, if requested by the Company or the representative of the underwriters of Stock (or other securities) of the Company, Participant shall provide, within 10 days of such request, such information as may be required by the Company or such representative in connection with the completion of any public offering of the Company's securities pursuant to a registration statement filed under the Securities Act. The obligations described in this Section 5 shall not apply to a registration relating solely to employee benefit plans on Form S-1 or Form S-8 or similar forms that may be promulgated in the future, or a registration relating solely to a Commission Rule 145 transaction on Form S-4 or similar forms that may be promulgated in the future.

Participant agrees that any transferee of this Award of Restricted Stock Units or Shares acquired pursuant to this Award of Restricted Stock Units shall be bound by this Section 5.

6. Payment after Vesting. Subject to Section 10, any Restricted Stock Units that vest will be paid to Participant (or in the event of Participant's death, to his or her properly designated beneficiary or estate) in whole Shares. Subject to the provisions of the next paragraph, such vested Restricted Stock Units shall be settled by payment in whole Shares within a reasonable period after vesting, but in each such case within the period ending no later than the 15th day of the 3rd month following the end of the calendar year, or if later, the end of the Company's tax year, in either case that includes the vesting date. In no event will Participant be permitted, directly or indirectly, to specify the taxable year of payment in settlement of any Restricted Stock Units under this Award Agreement.

Notwithstanding anything in the Plan or this Award Agreement to the contrary, if the vesting of the balance, or some lesser portion of the balance, of the Restricted Stock Units is accelerated in connection with the termination of Participant's Service (provided that such termination is a "separation from service" within the meaning of Section 409A (as defined below), as determined by the Company), other than due to death, and if (i) Participant is a "specified employee" within the meaning of Section 409A at the time of such termination of Service and (ii) the payment in settlement of such accelerated Restricted Stock Units will result in the imposition of additional tax under Section 409A if paid to Participant on or within the 6-month period following the termination of Participant's Service, then the payment in settlement of such accelerated Restricted Stock Units will not be made until the date 6 months and one day

following the date of the termination of Participant's Service, unless the Participant dies following the termination of his or her Service, in which case, the Restricted Stock Units will be settled by payment in Shares to the Participant's estate as soon as practicable following his or her death. For purposes of this Award Agreement, "Section 409A" means Section 409A of the Code, and any proposed, temporary, or final Treasury Regulations and Internal Revenue Service guidance thereunder, as each may be amended from time to time. The Restricted Stock Units are intended to fall within the "short-term deferral" exemption from Section 409A, and any ambiguities herein will be interpreted accordingly. Notwithstanding anything to the contrary in the Plan or this Award Agreement, the Company reserves the right to revise this Award Agreement as it deems necessary or advisable, in its sole discretion and without the consent of Participant, to avoid imposition of any additional tax or income recognition under Section 409A in connection with this Restricted Stock Unit Award. Nevertheless, Participant acknowledges that the Company cannot and has not guaranteed that the Internal Revenue Service (the "IRS") will agree in a later examination that the Award Agreement complies with Section 409A. Participant agrees that if the IRS determines that the Award Agreement does not comply with Section 409A, Participant shall be solely responsible for Participant's costs related to such a determination.

7. Forfeiture Upon Termination of Service in Certain Circumstances. Notwithstanding any contrary provision of this Award Agreement, if Participant's Service terminates for any reason, any unvested Restricted Stock Units awarded by this Award Agreement will terminate on the date of such termination. Upon a termination of one or more Restricted Stock Units pursuant to this Section 7, Participant will have no further rights with respect to such Restricted Stock Units.

8. Tax Consequences. Participant has reviewed with his or her own tax advisors the U.S. federal, state, local and foreign tax consequences of this investment and the transactions contemplated by this Award Agreement. With respect to such matters, Participant relies solely on such advisors and not on any statements or representations of the Company or any of its agents, written or oral. Participant understands that Participant (and not the Company) shall be responsible for Participant's own tax liability that may arise as a result of this investment or the transactions contemplated by this Award Agreement. Further, if Participant is subject to Tax-Related Items (as defined below) in more than one jurisdiction between the Date of Grant and the date of any relevant taxable or tax withholding event, as applicable, Participant acknowledges that the Company and/or the Service recipient (or former employer, as applicable) may be required to withhold or account for Tax-Related Items in more than one jurisdiction.

9. Death of Participant. Any distribution or delivery to be made to Participant under this Award Agreement will, if Participant is then deceased, be made to Participant's designated beneficiary, or if no beneficiary survives Participant, the administrator or executor of Participant's estate. Any such transferee must furnish the Company with (i) written notice of his or her status as transferee and (ii) evidence satisfactory to the Company to establish the validity of the transfer and compliance with any laws or regulations pertaining to said transfer.

10. Responsibility for Taxes and Tax Withholding.

(a) Participant acknowledges that, regardless of any action taken by the Company, the ultimate liability for all income tax, social insurance, payroll tax, fringe benefits tax, payment on account or other tax-related items related to Participant's participation in the Plan and legally applicable to Participant or deemed by the Company in its discretion to be an appropriate charge to Participant even if legally applicable to the Company ("Tax-Related Items") will be Participant's sole responsibility and may exceed the amount actually withheld by the Company.

(b) Prior to any relevant taxable or tax withholding event, as applicable, Participant agrees to make arrangements satisfactory to the Company and/or Parent or Subsidiary that directly employs Participant (the "Employer") to satisfy all Tax-Related Items. In this regard, Participant authorizes the Company or its agent to satisfy their withholding obligations with regard to all Tax-Related Items, if any, by any of the following means or by a combination of such means: (i) withholding from any compensation otherwise payable to Participant by the Company or the Employer; (ii) causing Participant to tender a cash payment (in U.S. dollars); (iii) entering on Participant's behalf (pursuant to this authorization without further consent) into a "same day sale" commitment with a broker dealer that is a member of the Financial Industry Regulatory Authority (a "FINRA Dealer") whereby Participant irrevocably elects to sell a portion of the shares to be delivered under the Award to satisfy the Tax-Related Items and whereby the FINRA Dealer irrevocably commits to forward the proceeds necessary to satisfy the Tax-Related Items directly to the Company and/or its Affiliates; or (iv) withholding Shares from the Shares issued or otherwise issuable to Participant in connection with the Award with a fair market value (measured as of the date Shares are issued to Participant or, if and as determined by the Company, the date on which the Tax-Related Items are required to be calculated) equal to the amount of suchTax-Related Items.

(c) Depending on the withholding method employed, the Company may withhold or account forTax-Related Items by considering applicable minimum statutory withholding rates or other applicable withholding rates, including maximum applicable rates, in which case Participant will receive a refund of any over-withheld amount in cash and will have no entitlement to the Stock equivalent. If the obligation for Tax-Related Items is satisfied by withholding in Shares, for tax purposes, Participant will be deemed to have been issued the full number of Shares subject to the vested portion of the Award, notwithstanding that a number of the Shares are held back solely for the purpose of paying the Tax-Related Items.

(d) Finally, Participant agrees to pay to the Company or the Employer any amount ofTax-Related Items that the Company or the Employer may be required to withhold or account for as a result of Participant's participation in the Plan that cannot be satisfied by any of the means previously described. Notwithstanding any contrary provision of the Plan, the Notice of Grant or of this Award Agreement, if Participant fails to make satisfactory arrangements for the payment of any Tax-Related Items when due, Participant permanently will forfeit the Restricted Stock Units on which theTax-Related Items were not satisfied and also will permanently forfeit any right to receive Shares thereunder. In that case, the Restricted Stock Units will be returned to the Company at no cost to the Company.

11. Rights as Stockholder. Neither Participant nor any person claiming under or through Participant will have any of the rights or privileges of a stockholder of the Company in respect of any Shares deliverable hereunder unless and until certificates representing such Shares will have been issued, recorded on the records of the Company or its transfer agents or registrars, and delivered to Participant. After such issuance, recordation, and delivery, Participant will have all the rights of a stockholder of the Company with respect to voting such Shares and receipt of dividends and distributions on such Shares.

12. No Guarantee of Continued Service. PARTICIPANT ACKNOWLEDGES AND AGREES THAT THE VESTING OF THE RESTRICTED STOCK UNITS PURSUANT TO THE VESTING SCHEDULE HEREOF IS EARNED ONLY BY CONTINUOUS SERVICE BY THE PARTICIPANT AT THE WILL OF THE COMPANY (OR THE PARENT OR SUBSIDIARY EMPLOYING OR RETAINING PARTICIPANT) AND NOT THROUGH THE ACT OF BEING HIRED, BEING GRANTED THIS RESTRICTED STOCK UNIT AWARD OR ACQUIRING SHARES HEREUNDER. PARTICIPANT FURTHER ACKNOWLEDGES AND AGREES THAT THIS AWARD AGREEMENT, THE TRANSACTIONS CONTEMPLATED HEREUNDER AND THE VESTING SCHEDULE SET FORTH HEREIN DO NOT CONSTITUTE AN EXPRESS OR IMPLIED PROMISE OF CONTINUOUS SERVICE FOR THE VESTING PERIOD, FOR ANY PERIOD, OR AT ALL, AND SHALL NOT INTERFERE IN ANY WAY WITH PARTICIPANT'S RIGHT OR THE RIGHT OF THE COMPANY (OR THE PARENT OR SUBSIDIARY EMPLOYING OR RETAINING PARTICIPANT) TO TERMINATE PARTICIPANT'S SERVICE AT ANY TIME, WITH OR WITHOUT CAUSE.

13. Company's Right of First Refusal. Before any Shares acquired pursuant to this Award of Restricted Stock Units that are held by Participant or any transferee (either being sometimes referred to herein as the "Holder") may be sold or otherwise transferred (including transfer by gift or operation of law), the Company or its assignee(s) shall have a right of first refusal to purchase the Shares on the terms and conditions set forth in this Section 13, subject to the terms of the Amended and Restated Stockholders' Agreement, as amended from time to time, by and among the Company and the stockholders of the Company named therein (the "Right of First Refusal").

(a) Notice of Proposed Transfer. The Holder of such Shares shall deliver to the Company a written notice (the "Notice") stating: (i) the Holder's bona fide intention to sell or otherwise transfer the Shares; (ii) the name of each proposed purchaser or other transferee ("Proposed Transferee"); (iii) the number of Shares to be transferred to each Proposed Transferee; and (iv) the bona fide cash price or other consideration for which the Holder proposes to transfer the Shares (the "Offered Price"), and the Holder shall offer the Shares at the Offered Price to the Company or its assignee(s).

(b) Exercise of Right of First Refusal. At any time within thirty (30) days after receipt of the Notice, the Company and/or its assignee(s) may, by giving written notice to the Holder, elect to purchase all, but not less than all, of the Shares proposed to be transferred to any one or more of the Proposed Transferees, at the purchase price determined in accordance with subsection (c) below.

(c) Purchase Price. The purchase price for the Shares purchased by the Company or its assignee(s) under this Section 13 (the "Purchase Price") shall be the Offered Price. If the Offered Price includes consideration other than cash, the cash equivalent value of the non-cash consideration shall be determined by the Board in good faith.

(d) Payment. Payment of the Purchase Price shall be made, at the option of the Company or its assignee(s), in cash (by check), by cancellation of all or a portion of any outstanding indebtedness of the Holder to the Company (or, in the case of repurchase by an assignee, to the assignee), or by any combination thereof within 60 days after receipt of the Notice or in the manner and at the times set forth in the Notice.

(e) Holder's Right to Transfer. If all of the Shares proposed in the Notice to be transferred to a given Proposed Transferee are not purchased by the Company and/or its assignee(s) as provided in this Section 13, then the Holder may sell or otherwise transfer such Shares to that Proposed Transferee at the Offered Price or at a higher price, *provided* that such sale or other transfer is consummated within 90 days after the date of the Notice, that any such sale or other transfer is effected in accordance with any applicable securities laws and that the Proposed Transferee agrees in writing that the provisions of this Section 13 shall continue to apply to the Shares in the hands of such Proposed Transferee. If the Shares described in the Notice are not transferred to the Proposed Transferee within such period, a new Notice shall be given to the Company, and the Company and/or its assignees shall again be offered the Right of First Refusal before any Shares held by the Holder may be sold or otherwise transferred.

(f) Exception for Certain Family Transfers. Anything to the contrary contained in this Section 13 notwithstanding, the transfer of any or all of the Shares during Participant's lifetime or on Participant's death by will or intestacy to Participant's immediate family or a trust for the benefit of Participant's immediate family shall be exempt from the provisions of this Section 13. "Immediate Family" as used herein shall mean spouse, lineal descendant or antecedent, father, mother, brother or sister. In such case, the transferee or other recipient shall receive and hold the Shares so transferred subject to the provisions of this Award Agreement (including, but not limited to, this Section 13), and there shall be no further transfer of such Shares except in accordance with the terms of this Section 13.

(g) Termination of Right of First Refusal. In the event that the Stock is readily tradable on an established securities market when the Participant desires to transfer Shares, the Company shall have no Right of First Refusal, and the Participant shall have no obligation to comply with the procedures prescribed by Subsections (a) and (b) above.

14. Restrictive Legends and Stop-Transfer Orders.

(a) Legends. Participant understands and agrees that the Company shall cause the legends set forth below or legends substantially equivalent thereto, to be placed upon any certificate(s) evidencing ownership of the Shares acquired pursuant to this Award of Restricted Stock Units together with any other legends that may be required by the Company or by state or federal securities laws:

THIS SHARES REPRESENTED BY THIS CERTIFICATE HAVE NOT

THE SHARES MAY NOT BE OFFERED, SOLD OR TRANSFERRED UNLESS REGISTERED AND QUALIFIED PURSUANT TO THE RELEVANT PROVISIONS OF FEDERAL AND STATE SECURITIES OR BLUE SKY LAWS OR IF AN EXEMPTION FROM SUCH REGISTRATION OR QUALIFICATION IS APPLICABLE.

THESE SHARES ARE SUBJECT TO THE TERMS AND CONDITIONS OF THE AMENDED AND RESTATED STOCKHOLDERS' AGREEMENT, AS AMENDED FROM TIME TO TIME, BY AND AMONG THE COMPANY AND THE STOCKHOLDERS OF THE COMPANY NAMED THEREIN (THE "STOCKHOLDERS' AGREEMENT"). A COPY OF SUCH STOCKHOLDERS' AGREEMENT IS AVAILABLE FROM THE COMPANY UPON REQUEST. THE SALE, TRANSFER OR OTHER DISPOSITION OF THESE SHARES IS SUBJECT TO THE TERMS AND CONDITIONS (INCLUDING CERTAIN RESTRICTIONS ON TRANSFERABILITY AND RIGHT OF FIRST REFUSAL) OF THE STOCKHOLDERS' AGREEMENT. ANY ATTEMPT TO SELL, TRANSFER OR OTHERWISE DISPOSE OF THESE SHARES OTHER THAN IN COMPLIANCE WITH THE STOCKHOLDERS' AGREEMENT SHALL BE NULL AND VOID.

UPON THE REQUEST OF THE COMPANY OR THE UNDERWRITERS, THE SHARES REPRESENTED BY THIS CERTIFICATE MAY NOT BE SOLD, SHORT SOLD, LOANED, MADE SUBJECT TO AN OPTION TO PURCHASE OR OTHERWISE DISPOSED OF FOR A PERIOD NOT TO EXCEED 180 DAYS FOLLOWING THE EFFECTIVE DATE OF A REGISTRATION STATEMENT FILED BY THE COMPANY FOR ITS INITIAL PUBLIC OFFERING, WITHOUT THE PRIOR WRITTEN CONSENT OF THE COMPANY AND THE UNDERWRITERS.

(b) Stop-Transfer Notices. Participant agrees that, in order to ensure compliance with the restrictions referred to herein, the Company may issue appropriate "stop transfer" instructions to its transfer agent, if any, and that, if the Company transfers its own securities, it may make appropriate notations to the same effect in its own records.

(c) Refusal to Transfer. The Company shall not be required (i) to transfer on its books any Shares that have been sold or otherwise transferred in violation of any of the provisions of this Award Agreement or (ii) to treat as owner of such Shares or to accord the right to vote or pay dividends to any purchaser or other transferee to whom such Shares shall have been so transferred.

15. Miscellaneous Provisions.

(a) Address for Notices. Any notice required by the terms of this Award Agreement shall be given in writing. It shall be deemed effective upon (i) personal delivery, (ii) deposit with the United States Postal Service, by registered or certified mail, with postage and fees prepaid, (iii) deposit with Federal Express Corporation, with shipping charges prepaid or (iv) deposit with any internationally recognized express mail courier service. Notice shall be addressed to the Company at its principal executive office and to the Participant at the address that he or she most recently provided to the Company in accordance with this Section 15(a).

(b) Electronic Delivery. The Company may, in its sole discretion, decide to deliver any documents related to the Restricted Stock Units awarded under the Plan or future Restricted Stock Units that may be awarded under the Plan by electronic means or request Participant's consent to participate in the Plan by electronic means. Participant hereby consents to receive such documents by electronic delivery and agrees to participate in the Plan through any on-line or electronic system established and maintained by the Company or another third party designated by the Company.

(c) No Waiver. No provision of this Award Agreement shall be modified, waived or discharged unless the modification, waiver or discharge is agreed to in writing and signed by the Participant and by an authorized officer of the Company (other than the Participant). No waiver by either party of any breach of, or of compliance with, any condition or provision of this Agreement by the other party shall be considered a waiver of any other condition or provision or of the same condition or provision at another time.

(d) Successors and Assigns. The Company may assign any of its rights under this Award Agreement to single or multiple assignees, and this Award Agreement shall inure to the benefit of the successors and assigns of the Company. Subject to the restrictions on transfer herein set forth, this Award Agreement shall be binding upon Participant and his or her heirs, executors, administrators, successors and assigns. The rights and obligations of Participant under this Award Agreement may only be assigned with the prior written consent of the Company.

(e) Additional Conditions to Issuance of Stock. If at any time the Company will determine, in its discretion, that the listing, registration or qualification of the Shares upon any securities exchange or under any state or federal law, or the consent or approval of any governmental regulatory authority is necessary or desirable as a condition to the issuance of Shares to Participant (or his or her estate), such issuance will not occur unless and until such listing, registration, qualification, consent or approval will have been effected or obtained free of any conditions not acceptable to the Company. Where the Company determines that the delivery of Shares will violate federal securities laws or other applicable laws, the Company will defer delivery until the earliest date at which the Company reasonably anticipates that the delivery of Shares will no longer cause such violation. The Company will make all reasonable efforts to meet the requirements of any such state or federal law or securities exchange and to obtain any such consent or approval of any such governmental authority.

(f) Waiver of Statutory Information Rights. Participant acknowledges and agrees that until the first sale of the Company's Stock to the general public pursuant to a registration statement filed under the Securities Act, he or she will be deemed to have waived any rights he or she might otherwise have had under Section 220 of the Delaware General Corporation Law (or under similar rights under other applicable law) to inspect for any proper purpose and to make copies and extracts from the Company's stock ledger, a list of its stockholders and its other books and records or the books and records of any subsidiary. This waiver applies only in the Participant's capacity as a stockholder and does not affect any other inspection rights the Participant's may have under other law or pursuant to a written agreement with the Company.

(g) Interpretation. Any dispute regarding the interpretation of this Award Agreement shall be submitted by Participant or by the Company forthwith to the Board or its designated committee (the "Administrator"), which shall review such dispute at its next regular meeting. The resolution of such a dispute by the Administrator shall be final and binding on all parties.

(h) Plan Discretionary. Participant understands and acknowledges that (i) the Plan is entirely discretionary, (ii) the Company has reserved the right to amend, suspend or terminate the Plan at any time, (iii) the grant of an Award does not in any way create any contractual or other right to receive additional grants of Awards (or benefits in lieu of Awards) at any time or in any amount and (iv) all determinations with respect to any additional grants, including (without limitation) the times when Awards will be granted, the number of Shares offered, and other terms, will be at the sole discretion of the Company.

(i) Termination of Service. Participant understands and acknowledges that participation in the Plan ceases upon termination of his or her Service for any reason, except as may explicitly be provided otherwise in the Plan or this Agreement.

(j) Extraordinary Compensation. The value of this Award shall be an extraordinary item of compensation outside the scope of the Participant's employment contract, if any, and shall not be considered a part of his or her normal or expected compensation for any purpose including, but not limited to, calculating severance, resignation, redundancy or end-of-service payments, bonuses, long-service awards, pension or retirement benefits or similar payments.

(k) Authorization to Disclose. Participant hereby authorizes and directs the Participant's employer to disclose to the Company or any Subsidiary any information regarding Participant's employment, the nature and amount of the Participant's compensation and the fact and conditions of the Participant's participation in the Plan, as the Participant's employer deems necessary or appropriate to facilitate the administration of the Plan.

(l) Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, as such laws are applied to contracts entered into and performed in such State.

(m) Entire Agreement. The Plan is incorporated herein by reference. The Plan and this Award Agreement (including the exhibits referenced herein) constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings and agreements of the Company and Participant with respect to the subject matter hereof, and may not be modified adversely to the Participant's interest except by means of a writing signed by the Company and Participant.

16. Country Addendum. To the extent the Participant provides Services to the Company or its Parent, Subsidiaries or affiliates in a country other than the United States, the Award shall be subject to such additional or substitute terms as shall be set forth for such country in the Country Addendum attached hereto. If the Participant relocates to one of the countries included in the Country Addendum during the life of the Award, the Country Addendum, including the provisions for such country, shall apply to the Participant and to the Award, to the extent the Company determines that the application of such provisions is necessary or advisable in order to comply with applicable law or facilitate the administration of the Plan. In addition, the Company reserves the right to impose other requirements on the Award, to the extent the Company determines it is necessary or advisable in order to comply with local laws or facilitate the ad-ministration of the Plan, and to require the Participant to sign any additional agreements or undertakings that may be necessary to accomplish the foregoing.

2015 STOCK PLAN
RESTRICTED STOCK UNIT AWARD AGREEMENT

COUNTRY ADDENDUM

Terms and Conditions

This Country Addendum includes additional terms and conditions that govern the Restricted Stock Units granted pursuant to the terms and conditions of the Plan and the Award Agreement to which this Country Addendum is attached to the extent Participant resides outside the United States and additional terms and conditions applicable to Participant's providing services to the Company or its Parent or Subsidiaries in one of the countries listed below. Capitalized terms not defined in this Country Addendum will have the same definition as provided in the Award Agreement or the Plan, as appropriate.

Notifications

This Country Addendum also includes notifications that contain information regarding securities laws, exchange controls, and certain other issues Participant should be aware with respect to participation in the Plan. The information is based on the securities, exchange control, and other laws in effect in the respective countries as of May 2022. Such laws are often complex and change frequently. As a result, the Company recommends that Participant not rely on the information in this Country Addendum as the only source of information relating to the consequences of participation in the Plan because the information included herein may be out of date at the time that Participant acquires Shares under the Plan or subsequently sell such Shares.

In addition, the information contained herein is general in nature and may not apply to a Participant's particular situation and the Company is not in a position to assure a Participant of any particular result. Accordingly, Participant is advised to seek appropriate professional advice as to how the relevant laws in their country may apply to his or her particular situation.

Finally, if a Participant is a citizen or resident of a country other than the one in which he or she is currently working (or if he or she is considered as such for local law purposes) or if he or she moves to another country after all or any portion of the Restricted Stock Units granted under the Plan, the information contained herein may not be applicable to such Participant.

Participant acknowledges that Participant has been advised to seek appropriate professional advice as to how the relevant laws in Participant's country may apply to his or her individual situation.

I. GLOBAL PROVISIONS APPLICABLE TO PARTICIPANTS IN ALL COUNTRIES OTHER THAN THE UNITED STATES

1. Foreign Exchange Considerations. Participant understands and agrees that neither the Company nor any Parent or Subsidiary shall be liable for any foreign exchange rate fluctuation between Participant's local currency and the U.S. dollar that may affect the value of the Restricted Stock Units, or of any amounts due to Participant under the Plan or as a result of vesting in his or her Restricted Stock Units and/or the subsequent sale of any Shares acquired under the Plan. Participant agrees and acknowledges that Participant will bear any and all risk associated with the exchange or fluctuation of currency associated with his or her participation in the Plan. Participant acknowledges and agrees that Participant may be responsible for reporting inbound transactions or fund transfers that exceed a certain amount. Participant is advised to seek appropriate professional advice as to how the exchange control regulations apply to his or her Restricted Stock Units and Participant's specific situation and understands that the relevant laws and regulations can change frequently and occasionally on a retroactive basis.

Participant acknowledges that there may be certain foreign asset and/or account reporting requirements which may affect Participant's ability to acquire or hold Shares acquired under the Plan or cash received from participating in the Plan in a brokerage account outside his or her country. Participant may also be required to repatriate sale proceeds or other funds received as a result of participating in the Plan to his or her country through a designated bank or broker within a certain time after receipt. It is Participant's responsibility to be compliant with such regulations and Participant should speak with his or her personal advisor on this matter.

2. Additional Participant Acknowledgements. In accepting this Award of Restricted Stock Units, Participant acknowledges, understands, and agrees that:

(a) the grant of the Restricted Stock Units is voluntary and occasional and does not create any contractual or other right to receive future grants of equity awards, or benefits in lieu of equity awards, even if equity awards have been granted in the past;

(b) all decisions with respect to future Restricted Stock Units or other equity awards, if any, will be at the sole discretion of the Administrator;

(c) Participant is voluntarily participating in the Plan;

(d) the Restricted Stock Units and the Shares subject to the Restricted Stock Units are not intended to replace any pension rights or compensation;

(e) the Restricted Stock Units and the Shares subject to the Restricted Stock Units, and the income and value of same, are not part of normal or expected compensation for any purpose, including calculating any severance, resignation, termination, redundancy, dismissal, end-of-service payments, bonuses, long-service awards, pension or retirement or welfare benefits or similar payments;

(f) the future value of the underlying Shares is unknown, indeterminable and cannot be predicted;

(g) for purposes of the Restricted Stock Units, Participant's status as a Service provider will be considered terminated as of the date Participant is no longer actively providing Service to the Company or any Parent or Subsidiary (regardless of the reason for such termination and whether or not later found to be invalid or in breach of employment laws in the jurisdiction where Participant is providing Service or the terms of Participant's employment or Service agreement, if any), and unless otherwise expressly provided in this Award Agreement (including by reference in the Notice of Grant to other arrangements or contracts) or determined by the Administrator, Participant's right to vest in the Restricted Stock Units under the Plan, if any, will terminate as of such date and will not be extended by any notice period (e.g., Participant's period of service would not include any contractual notice period or any period of "garden leave" or similar period mandated under employment laws in the jurisdiction where Participant is a Service Provider or the terms of Participant's employment or service agreement, if any, unless Participant is providing bona fide services during such time); the Administrator shall have the exclusive discretion to determine when Participant is no longer actively providing services for purposes of the Restricted Stock Units grant (including whether Participant may still be considered to be providing services while on a leave of absence and consistent with local law);

(h) unless otherwise provided in the Plan or by the Administrator in its discretion, the Restricted Stock Units and the benefits evidenced by this Award Agreement do not create any entitlement to have the Restricted Stock Units or any such benefits transferred to, or assumed by, another company nor to be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the Shares; and

(i) in the event Participant is not an employee of the Company, Participant understands and agrees that neither the offer to participate in the Plan, nor his or her participation in the Plan, will be interpreted to form an employment contract or relationship with the Company, and furthermore, nothing in the Plan, this Award Agreement nor Participant's participation in the Plan will be interpreted to form an employment or Service contract with the Company.

(j) no claim or entitlement to compensation or damages shall arise from forfeiture of the Restricted Stock Units resulting from the termination of Participant's status as a Service Provider (for any reason whatsoever whether or not later found to be invalid or in breach of employment laws in the jurisdiction where Participant is a Service Provider or the terms of Participant's employment or service agreement, if any), and in consideration of the grant of the Restricted Stock Units to which Participant is otherwise not entitled, Participant irrevocably agrees never to institute any claim against the Company, any Parent, Subsidiary, Affiliate or the Service Recipient, and waives his or her ability, if any, to bring any such claim, and releases the Company, any Parent, Subsidiary, affiliate or the Service Recipient from any such claim; if, notwithstanding the foregoing, any such claim is allowed by a court of competent jurisdiction, then, by participating in the Plan, Participant shall be deemed irrevocably to have agreed not to pursue such claim and agrees to execute any and all documents necessary to request dismissal or withdrawal of such claim.

3. ***Data Privacy.*** ***Participant understands that the Company may collect, where permissible under applicable law certain personal information about Participant, including, but not limited to, Participant's name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any Shares or directorships held in the Company, details of all Restricted Stock Units granted under the Plan or any other entitlement to Shares awarded, canceled, exercised, vested, unvested or outstanding in Participant's favor ("Data"), for the exclusive purpose of implementing, administering and managing the Plan. Participant understands that Company may transfer Participant's Data to the United States, which may have different, including less stringent, data protection laws than the laws in Participant's country. Participant understands that the Company will transfer Participant's Data to its third-party stock plan service provider eShares, Inc. d/b/a Carta, Inc., or such other stock plan service provider as may be selected by the Company in the future, which is assisting the Company with the implementation, administration and management of the Plan. Participant understands that the recipients of the Data may be located in the United States or elsewhere, and that a recipient's country of operation (e.g., the United States) may have different, including less stringent, data privacy laws that Participant's jurisdiction does not consider to be equivalent to the protections in Participant's country. Participant understands that he or she may request a list with the names and addresses of any potential recipients of the Data by contacting Participant's local human resources representative. Participant authorizes the Company, the Company's designated broker and any other possible recipients which may assist the Company with implementing, administering and managing the Plan to receive, possess, use, retain and transfer the Data, in electronic or other form, for the sole purpose of implementing, administering and managing Participant's participation in the Plan. Participant understands that Data will be held only as long as is necessary to implement, administer and manage Participant's participation in the Plan. Participant understands that that he or she may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing Participant's local human resources representative. Further, Participant understands that he or she is providing the consent herein on a purely voluntary basis. If Participant does not consent, or if Participant later seeks to revoke Participant's consent, Participant's employment status or career with the Company will not be adversely affected; the only consequence of refusing or withdrawing Participant's consent is that the Company would not be able to grant Participant Restricted Stock Units under the Plan or other equity awards, or administer or maintain such awards. Therefore, Participant understands that refusing or withdrawing Participant's consent may affect Participant's ability to participate in the Plan. For more information on the consequences of Participant's refusal to consent or withdrawal of consent, Participants understands that he or she may contact Participant's local human resources representative.***

Participant hereby explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of Participant's personal data as described herein and any other Plan materials by and among, as applicable, the Company or any Parent or Subsidiary of the Company for the exclusive purpose of implementing, administering and managing Participant's participation in the Plan. Participant understands that Participant's consent will be sought and obtained for any processing or transfer of Participant's data for any purpose other than as described in the enrollment form and any other Plan materials.

4. Recommendation Regarding External Advice. Participant understands and agrees that none of the Company or its Parents and Subsidiaries are providing any tax, legal or financial advice, nor is the Company or any Parent or Subsidiary making any recommendations or assessments regarding Participant's participation in the Plan, or Participant's acquisition or sale of the underlying Shares, or any subsequent disposal or retention of such Shares. Participant understands that he or she is hereby advised to consult with Participant's own personal tax, legal and financial advisors regarding Participant's participation in the Plan before taking any action related to the Plan.

5. Insider Trading Restrictions/Market Abuse Laws. Participant acknowledges that, depending on his or her country, Participant may be subject to insider trading restrictions and/or market abuse laws in applicable jurisdictions, which may affect his or her ability to directly or indirectly, accept, acquire, sell or attempt to sell or otherwise dispose of Shares or rights to the Shares, or rights linked to the value of Shares during such times as Participant is considered to have "inside information" regarding the Company (as defined by the laws and/or regulations in applicable jurisdictions or Participant's country). Local insider trading laws and regulations may prohibit the cancellation or amendment of orders placed by Participant before possessing the inside information. Furthermore, Participant may be prohibited from (i) disclosing inside information to any third party, including fellow Service Providers (other than on a "need to know" basis) and (ii) "tipping" third parties or causing them to otherwise buy or sell securities. Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under any applicable Company insider trading policy. Participant acknowledges that it is Participant's responsibility to comply with any applicable restrictions, and Participant is advised to speak to his or her personal advisor on this matter.

II. COUNTRY SPECIFIC PROVISIONS APPLICABLE TO PARTICIPANTS WHO PROVIDE SERVICES IN THE IDENTIFIED COUNTRIES

Modification to Award Agreement for Non-U.S. Taxpayers

The following is appended to the first paragraph of Section 6 of the Award Agreement:

Notwithstanding the foregoing, with respect to Restricted Stock Units that vest prior to the occurrence of a Liquidity Event and at a time when the Participant has never been and will not be a U.S. taxpayer with respect to any income from such Restricted Stock Units, the settlement of such vested Restricted Stock Units will be delayed until the occurrence of a Liquidity Event unless Participant makes a written request to the Company that all or any of Participant's vested Restricted Stock Units be settled prior to such occurrence in which case such vested Restricted Stock Units will be settled within a reasonable period after the Company's receipt of such written request. If Participant becomes a U.S. taxpayer with respect to the Restricted Stock Units after vesting and before settlement, the Company may settle such Restricted Stock Units if necessary to avoid the imposition of additional taxes under Section 409A.

For the purposes of this Section 6, the following definitions shall apply:

"Liquidity Event" means the earlier of (a) two weeks after the last expiration date of alllock-up periods (including any Market Stand-Off, as defined in the Plan) that might apply to the Company or any Company equity (including stock, options, RSUs, or warrants) in connection with a Listing Event, or (b) the effective date of a Sale of the Company (as defined in the Plan)."

i. (i) If the Common Stock is listed on any established stock exchange or a national market system, including without limitation the Nasdaq Global Market, the Nasdaq Global Select Market or the Nasdaq Capital Market, its Fair Market Value shall be the closing sales price for such stock (or, if no closing sales price was reported on that date, as applicable, on the last trading date such closing sales price was reported) as quoted on such exchange or system on the day of determination, as reported in *The Wall Street Journal* or such other source as the Administrator deems reliable;

(ii) If the Common Stock is regularly quoted by a recognized securities dealer but selling prices are not reported, its Fair Market Value shall be the mean between the high bid and low asked prices for the Common Stock on the day of determination (or, if no bids and asks were reported on that date, as applicable, on the last trading date such bids and asks were reported); or

(iii) In the absence of an established market for the Common Stock, the Fair Market Value thereof shall be determined in good faith by the Administrator.

3. Stock Subject to the Plan. Subject to the provisions of Section 11 of the Plan, the maximum aggregate number of Shares that may be subject to Awards and sold under the Plan is 1,401,779* Shares. The number of shares in the preceding sentence does not reflect the two-and-a-half for one forward stock split of the Company's Common Stock effected October 16, 2017. The Shares may be authorized but unissued, or reacquired Common Stock.

If an Award expires or becomes unexercisable without having been exercised in full, or is surrendered pursuant to an Exchange Program following May 6, 2015, the unpurchased Shares that were subject thereto shall become available for future grant or sale under the Company's 2015 Stock Plan. However, Shares that have actually been issued under the Plan, upon exercise of an Award, shall not be returned to the Plan or the 2015 Stock Plan and shall not become available for future distribution under the Plan or the 2015 Stock Plan, except that if unvested Shares of Restricted Stock are repurchased by the Company at their original purchase price, such Shares shall become available for future grant under the 2015 Stock Plan. Notwithstanding the foregoing and, subject to adjustment provided in Section 11, the maximum number of Shares that may be issued upon the exercise of Incentive Stock Options shall equal the aggregate Share number stated in this Section, plus, to the extent allowable under Section 422 of the Code, any Shares that become available for issuance under the Plan under this Section.

4. Administration of the Plan.

(a) Administrator. The Plan shall be administered by the Board or a Committee appointed by the Board, which Committee shall be constituted to comply with Applicable Laws.

(b) Powers of the Administrator. Subject to the provisions of the Plan and, in the case of a Committee, the specific duties delegated by the Board to such Committee, and subject to the approval of any relevant authorities, the Administrator shall have the authority in its discretion:

(i) to determine the Fair Market Value;

(ii) to select the Service Providers to whom Awards may from time to time be granted hereunder;

(iii) to determine the number of Shares to be covered by each such Award granted hereunder;

(iv) to approve forms of agreement for use under the Plan;

(v) to determine the terms and conditions of any Award granted hereunder. Such terms and conditions include, but are not limited to, the exercise price, the time or times when Awards may be exercised (which may be based on performance criteria), any vesting acceleration or waiver of forfeiture restrictions, and any restriction or limitation regarding any Award or the Common Stock relating thereto, based in each case on such factors as the Administrator, in its sole discretion, shall determine;

(vi) to institute an Exchange Program;

(vii) to prescribe, amend and rescind rules and regulations relating to the Plan, including rules and regulations relating tosub-plans established for the purpose of satisfying applicable foreign laws;

(viii) to modify or amend each Award (subject to Section 19(c) of the Plan) including but not limited to the discretionary authority to extend the post-termination exercise period of Awards and to extend the maximum term of an Option (subject to Section 6(a) regarding Incentive Stock Options);

(ix) to authorize any person to execute on behalf of the Company any instrument required to effect the grant of an Award previously granted by the Administrator; and

(x) to construe and interpret the terms of the Plan and Awards granted pursuant to the Plan.

(c) Effect of Administrator's Decision. All decisions, determinations and interpretations of the Administrator shall be final and binding on all Participants.

5. Eligibility. Nonstatutory Stock Options and Stock Purchase Rights may be granted to Service Providers. Incentive Stock Options may be granted only to Employees.

6. Stock Options.

(a) Term of Option. The term of each Option shall be stated in the Award Agreement; provided, however, that the term shall be no more than ten (10) years from the date of grant thereof. In the case of an Incentive Stock Option granted to a Participant who, at the time the Option is granted, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the term of the Option shall be five (5) years from the date of grant or such shorter term as may be provided in the Award Agreement.

(b) Option Exercise Price and Consideration.

(i) Exercise Price. The per share exercise price for the Shares to be issued upon exercise of an Option shall be such price as is determined by the Administrator, but shall be subject to the following:

(A) In the case of an Option

a) granted to an Employee who, at the time of grant of such Option, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the exercise price shall be no less than one hundred and ten percent (110%) of the Fair Market Value per Share on the date of grant.

b) granted to any other Employee, the per Share exercise price shall be no less than one hundred percent (100%) of the Fair Market Value per Share on the date of grant.

(B) Notwithstanding the foregoing, Options may be granted with a per Share exercise price other than as required above in accordance with and pursuant to a transaction described in Section 424 of the Code.

(ii) Forms of Consideration. The consideration to be paid for the Shares to be issued upon exercise of an Option, including the method of payment, shall be determined by the Administrator (and, in the case of an Incentive Stock Option, shall be determined at the time of grant). Such consideration may consist of, without limitation, (1) cash, (2) check, (3) promissory note, to the extent permitted by Applicable Laws, (4) other Shares, provided that such Shares have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which such Option shall be exercised and provided that accepting such Shares, in the sole discretion of the Administrator, shall not result in any adverse accounting consequences to the Company, (5) consideration received by the Company under a cashless exercise program implemented by the Company in connection with the Plan, (6) such other consideration and method of payment for the issuance of Shares to the extent permitted by Applicable Laws, or (7) any combination of the foregoing methods of payment. In making its determination as to the type of consideration to accept, the Administrator shall consider if acceptance of such consideration may be reasonably expected to benefit the Company.

(c) Exercise of Option.

(i) Procedure for Exercise; Rights as a Stockholder. Any Option granted hereunder shall be exercisable according to the terms hereof at such times and under such conditions as determined by the Administrator and set forth in the Award Agreement. An Option may not be exercised for a fraction of a Share. Except in the case of Options granted to officers, Directors and Consultants, Options shall become exercisable at a rate of no less than twenty percent (20%) per year over five (5) years from the date the Options are granted.

An Option shall be deemed exercised when the Company receives (i) written or electronic notice of exercise (in accordance with the Award Agreement) from the person entitled to exercise the Option, and (ii) full payment for the Shares with respect to which the Option is exercised, together with any applicable withholding taxes. Full payment may consist of any consideration and method of payment authorized by the Administrator and permitted by the Award Agreement and the Plan. Shares issued upon exercise of an Option shall be issued in the name of the Participant or, if requested by the Participant, in the name of the Participant and his or her spouse. Until the Shares are issued (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the Shares, notwithstanding the exercise of the Option. The Company shall issue (or cause to be issued) such Shares promptly after the Option is exercised. No adjustment shall be made for a dividend or other right for which the record date is prior to the date the Shares are issued, except as provided in Section 11 of the Plan.

Exercise of an Option in any manner shall result in a decrease in the number of Shares thereafter available, both for purposes of the Plan and for sale under the Option, by the number of Shares as to which the Option is exercised.

(ii) Termination of Relationship as a Service Provider. If a Participant ceases to be a Service Provider, such Participant may exercise his or her Option within thirty (30) days of termination, or such longer period of time as specified in the Award Agreement, to the extent that the Option is vested on the date of termination (but in no event later than the expiration of the term of the Option as set forth in the Award Agreement). Unless the Administrator provides otherwise, if on the date of termination the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Participant does not exercise his or her Option within the time specified by the Administrator, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(iii) Disability of Participant. If a Participant ceases to be a Service Provider as a result of the Participant's Disability, the Participant may exercise his or her Option within six (6) months of termination, or such longer period of time as specified in the Award Agreement, to the extent the Option is vested on the date of termination (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement). Unless the Administrator provides otherwise, if on the date of termination the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall revert to the Plan. If, after termination, the Participant does not exercise his or her Option within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(iv) Death of Participant. If a Participant dies while a Service Provider, the Option may be exercised within six (6) months following the Participant's death, or such longer period of time as specified in the Award Agreement, to the extent that the Option is vested on the date of death (but in no event later than the expiration of the term of such Option as set forth in the Award Agreement) by the Participant's designated beneficiary, provided such beneficiary has been designated prior to the Participant's death in a form acceptable to the Administrator. If no such beneficiary has been designated by the Participant, then such Option may be exercised by the personal representative of the Participant's estate or by the person(s) to whom the Option is transferred pursuant to the Participant's will or in accordance with the laws of descent and distribution. If, at the time of death, the Participant is not vested as to his or her entire Option, the Shares covered by the unvested portion of the Option shall immediately revert to the Plan. If the Option is not so exercised within the time specified herein, the Option shall terminate, and the Shares covered by such Option shall revert to the Plan.

(v) Incentive Stock Option Limit. Each Option shall be designated in the Award Agreement as either an Incentive Stock Option or a Nonstatutory Stock Option. However, notwithstanding such designation, to the extent that the aggregate Fair Market Value of the Shares with respect to which Incentive Stock Options are exercisable for the first time by the Participant during any calendar year (under all plans of the Company and any Parent or Subsidiary) exceeds one hundred thousand dollars ($100,000), such Options shall be treated as Nonstatutory Stock Options. For purposes of this Section 6(c)(v), Incentive Stock Options shall be taken into account in the order in which they were granted. The Fair Market Value of the Shares shall be determined as of the time the Option with respect to such Shares is granted.

7. Stock Purchase Rights.

(a) Rights to Purchase. Stock Purchase Rights may be issued either alone, in addition to, or in tandem with other awards granted under the Plan and/or cash awards made outside of the Plan. After the Administrator determines that it shall offer Stock Purchase Rights under the Plan, it shall advise the offeree in writing or electronically of the terms, conditions and restrictions related to the offer, including the number of Shares that such person shall be entitled to purchase, the price to be paid, and the time within which such person must accept such offer.

(b) Repurchase Option. Unless the Administrator determines otherwise, the Restricted Stock Purchase Agreement shall grant the Company a repurchase option according to the following terms: the repurchase price shall be at the original purchase price, provided that the right to repurchase must be exercised for cash or cancellation of any indebtedness of the purchaser to the Company within ninety (90) days of the voluntary or involuntary termination of the purchaser's service with the Company for any reason (including death or disability).

(c) Terms. The following terms shall apply to all Stock Purchase Rights granted under the Plan:

(i) Except with respect to Shares purchased by officers, Directors and Consultants, the repurchase option shall in no case lapse at a rate of less than twenty percent (20%) per year over five (5) years from the date of purchase;

(ii) Stock Purchase Rights granted to any Service Provider shall have a purchase price that is not less than one hundred percent (100%) of the Fair Market Value per Share on the date of grant or on the date of purchase;

(iii) The term of each Stock Purchase Right shall be stated in the Restricted Stock Purchase Agreement; provided, however, that the term shall be no more than ten (10) years from the date of grant thereof.

(d) Other Provisions. The Restricted Stock Purchase Agreement shall contain such other terms, provisions and conditions not inconsistent with the Plan as may be determined by the Administrator in its sole discretion.

(e) Rights as a Stockholder. Once the Stock Purchase Right is exercised, the purchaser shall have rights equivalent to those of a stockholder and shall be a stockholder when his or her purchase is entered upon the records of the duly authorized transfer agent of the Company. No adjustment shall be made for a dividend or other right for which the record date is prior to the date the Stock Purchase Right is exercised, except as provided in Section 11 of the Plan.

8. Tax Withholding. Prior to the delivery of any Shares pursuant to an Award (or exercise thereof), the Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, local, foreign or other taxes (including the Participant's FICA obligation) required to be withheld with respect to such Award (or exercise thereof). The Administrator, in its sole discretion and pursuant to such procedures as it may specify from time to time, shall determine in what manner it shall allow a Participant to satisfy such tax withholding obligation and may permit the Participant to satisfy such tax withholding obligation, in whole or in part by one (1) or more of the following: (a) paying cash (or by check), (b) electing to have the Company withhold otherwise deliverable Shares having a Fair Market Value equal to the minimum amount statutorily required to be withheld, or (c) selling a sufficient number of such Shares otherwise deliverable to a Participant through such means as the Company may determine in its sole discretion (whether through a broker or otherwise) equal to the minimum amount statutorily required to be withheld.

9. Limited Transferability of Awards. Unless determined otherwise by the Administrator, Awards may not be sold, pledged, assigned, hypothecated, transferred, or disposed of in any manner other than by will or the laws of descent and distribution, and may be exercised during the lifetime of the Participant, only by the Participant. If the Administrator in its sole discretion makes an Award transferable, such Award may only be transferred (i) by will, (ii) by the laws of descent and distribution, or (iii) to family members (within the meaning of Rule 701 of the Securities Act) through gifts or domestic relations orders, as permitted by Rule 701 of the Securities Act.

10. Leaves of Absence; Transfers.

(a) Unless the Administrator provides otherwise, or except as otherwise required by Applicable Laws, vesting of Awards granted hereunder to officers, Directors and Consultants shall be suspended during any unpaid leave of absence.

(b) A Service Provider shall not cease to be a Service Provider in the case of (i) any leave of absence approved by the Company, or (ii) transfers between locations of the Company or between the Company, its Parent, any Subsidiary, or any successor.

(c) For purposes of Incentive Stock Options, no such leave may exceed three (3) months, unless reemployment upon expiration of such leave is guaranteed by statute or contract. If reemployment upon expiration of a leave of absence approved by the Company is not so guaranteed, then six (6) months following the first (1st) day of such leave, any Incentive Stock Option held by the Participant shall cease to be treated as an Incentive Stock Option and shall be treated for tax purposes as a Nonstatutory Stock Option.

11. Adjustments; Dissolution or Liquidation; Merger or Change in Control

(a) Adjustments. In the event that any dividend or other distribution (whether in the form of cash, Shares, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, spin-off, combination, repurchase, or exchange of Shares or other securities of the Company, or other change in the corporate structure of the Company affecting the Shares occurs, the Administrator, in order to prevent diminution or enlargement of the benefits or potential benefits intended to be made available under the Plan, shall adjust the number and class of Shares that may be delivered under the Plan and/or the number, class, and price of Shares covered by each outstanding Award; provided, however, that the Administrator shall make such adjustments to the extent required by Section 25102(o) of the California Corporations Code.

(b) Dissolution or Liquidation. In the event of the proposed dissolution or liquidation of the Company, the Administrator shall notify each Participant as soon as practicable prior to the effective date of such proposed transaction. To the extent it has not been previously exercised, an Award shall terminate immediately prior to the consummation of such proposed action.

(c) Merger or Change in Control. In the event of a merger or Change in Control, each outstanding Award shall be treated as the Administrator determines, including, without limitation, that each Award be assumed or an equivalent award substituted by the successor corporation or a Parent or Subsidiary of the successor corporation. The Administrator shall not be required to treat all Awards similarly in the transaction.

Notwithstanding the foregoing, in the event that the successor corporation does not assume or substitute for the Award, the Participant shall fully vest in and have the right to exercise his or her outstanding Awards, including Shares as to which such Award would not otherwise be vested or exercisable, and restrictions on all of the Participant's Stock Purchase Rights and Restricted Stock shall lapse. In addition, if an Award is not assumed or substituted in the event of a merger or Change in Control, the Administrator shall notify the Participant in writing or electronically that the Award shall be fully vested and exercisable for a period of time determined by the Administrator in its sole discretion, and any Award not assumed or substituted for shall terminate upon the expiration of such period for no consideration, unless otherwise determined by the Administrator.

For the purposes of this Section 11(c), the Award shall be considered assumed if, following the merger or Change in Control, the option or right confers the right to purchase or receive, for each Share subject to the Award immediately prior to the merger or Change in Control, the consideration (whether stock, cash, or other securities or property) received in the merger or Change in Control by holders of Common Stock for each Share held on the effective date of the transaction (and if holders were offered a choice of consideration, the type of consideration chosen by the holders of a majority of the outstanding Shares); provided, however, that if such consideration received in the merger or Change in Control is not solely common stock of the successor corporation or its Parent, the Administrator may, with the consent of the successor corporation, provide for the consideration to be received upon the exercise of the Award, for each Share subject to the Award, to be solely common stock of the successor corporation or its Parent equal in fair market value to the per share consideration received by holders of common stock in the merger or Change in Control.

12. Time of Granting Awards. The date of grant of an Award shall, for all purposes, be the date on which the Administrator makes the determination granting such Award, or such later date as is determined by the Administrator. Notice of the determination shall be given to each Service Provider to whom an Award is so granted within a reasonable time after the date of such grant.

13. No Effect on Employment or Service. Neither the Plan nor any Award shall confer upon any participant any right with respect to continuing the Participant's relationship as a Service Provider with the Company, nor shall it interfere in any way with his or her right or the Company's right to terminate such relationship at any time, with or without cause, and with or without notice.

14. Conditions Upon Issuance of Shares.

(a) Legal Compliance. Shares shall not be issued pursuant to the exercise of an Award unless the exercise of such Award and the issuance and delivery of such Shares shall comply with Applicable Laws and shall be further subject to the approval of counsel for the Company with respect to such compliance.

(b) Investment Representations. As a condition to the exercise of an Award, the Administrator may in its discretion require the person exercising such Award to represent and warrant at the time of any such exercise that the Shares are being purchased only for investment and without any present intention to sell or distribute such Shares.

15. Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

16. Reservation of Shares. The Company, during the term of this Plan, shall at all times reserve and keep available such number of Shares as shall be sufficient to satisfy the requirements of the Plan.

17. Stockholder Approval. The Plan shall be subject to approval by the stockholders of the Company within twelve (12) months after the date the Plan is adopted. Such stockholder approval shall be obtained in the degree and manner required under Applicable Laws.

18. Term of Plan. Subject to stockholder approval in accordance with Section 17, the Plan shall become effective upon its adoption by the Board. Unless sooner terminated under Section 19, it shall continue in effect for a term of ten (10) years from the later of (a) the effective date of the Plan, or (b) the earlier of the most recent Board or stockholder approval of an increase in the number of Shares reserved for issuance under the Plan.

19. Amendment and Termination of the Plan.

(a) Amendment and Termination. The Board may at any time amend, alter, suspend or terminate the Plan.

(b) Stockholder Approval. The Board shall obtain stockholder approval of any Plan amendment to the extent necessary and desirable to comply with Applicable Laws.

(c) Effect of Amendment or Termination. No amendment, alteration, suspension or termination of the Plan shall impair the rights of any Participant, unless mutually agreed otherwise between the Participant and the Administrator, which agreement must be in writing (which may include e-mail) and signed by the Participant and the Company. Termination of the Plan shall not affect the Administrator's ability to exercise the powers granted to it hereunder with respect to Options granted under the Plan prior to the date of such termination.

20. Information to Participants. The Company shall provide to each Participant and to each individual who acquires Shares pursuant to the Plan, not less frequently than annually during the period such Participant has one or more Awards outstanding, and, in the case of an individual who acquires Shares pursuant to the Plan, during the period such individual owns such Shares, copies of annual financial statements. The Company shall not be required to provide such statements to key employees whose duties in connection with the Company assure their access to equivalent information.

II. AGREEMENT

1. Grant of Option. The Administrator of the Company hereby grants to the Participant named in the Notice of Stock Option Grant in Part I of this Agreement ("Participant"), an option (the "Option") to purchase the number of Shares set forth in the Notice of Stock Option Grant, at the exercise price per Share set forth in the Notice of Stock Option Grant (the "Exercise Price"), and subject to the terms and conditions of the Plan, which is incorporated herein by reference. Subject to Section 19(c) of the Plan, in the event of a conflict between the terms and conditions of the Plan and this Option Agreement, the terms and conditions of the Plan shall prevail.

If designated in the Notice of Stock Option Grant as an Incentive Stock Option ("ISO"), this Option is intended to qualify as an Incentive Stock Option as defined in Section 422 of the Code. Nevertheless, to the extent that it exceeds the $100,000 rule of Code Section 422(d), this Option shall be treated as a Nonstatutory Stock Option ("NSO").

2. Exercise of Option.

(a) Right to Exercise. This Option shall be exercisable during its term in accordance with the Vesting Schedule set out in the Notice of Stock Option Grant and with the applicable provisions of the Plan and this Option Agreement.

(b) Method of Exercise. This Option shall be exercisable by delivery of an exercise notice in the form attached asExhibit A (the "Exercise Notice") or in a manner and pursuant to such procedures as the Administrator may determine, which shall state the election to exercise the Option, the number of Shares with respect to which the Option is being exercised, and such other representations and agreements as may be required by the Company. The Exercise Notice shall be accompanied by payment of the aggregate Exercise Price as to all Exercised Shares, together with any applicable tax withholding. This Option shall be deemed to be exercised upon receipt by the Company of such fully executed Exercise Notice accompanied by the aggregate Exercise Price, together with any applicable tax withholding.

No Shares shall be issued pursuant to the exercise of an Option unless such issuance and such exercise comply with Applicable Laws. Assuming such compliance, for income tax purposes the Shares shall be considered transferred to Participant on the date on which the Option is exercised with respect to such Shares.

3. Participant's Representations. In the event the Shares have not been registered under the Securities Act of 1933, as amended, at the time this Option is exercised, Participant shall, if required by the Company, concurrently with the exercise of all or any portion of this Option, deliver to the Company his or her Investment Representation Statement in the form attached hereto as Exhibit B.

4. Lock-Up Period. Participant hereby agrees that Participant shall not offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, any Common Stock (or other securities) of the Company or enter into any swap, hedging or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of any Common Stock (or other securities) of the Company held by Participant (other than those included in the registration) for a period specified by the representative of the underwriters of Common Stock (or other securities) of the Company not to exceed one hundred eighty (180) days following the effective date of any registration statement of the Company filed under the Securities Act (or such other period as may be requested by the Company or the underwriters to accommodate regulatory restrictions on (i) the publication or other distribution of research reports and (ii) analyst recommendations and opinions, including, but not limited to, the restrictions contained in NASD Rule 2711(f)(4) or NYSE Rule 472(f)(4), or any successor provisions or amendments thereto).

Participant agrees to execute and deliver such other agreements as may be reasonably requested by the Company or the underwriter which are consistent with the foregoing or which are necessary to give further effect thereto. In addition, if requested by the Company or the representative of the underwriters of Common Stock (or other securities) of the Company, Participant shall provide, within ten (10) days of such request, such information as may be required by the Company or such representative in connection with the completion of any public offering of the Company's securities pursuant to a registration statement filed under the Securities Act. The obligations described in this Section 4 shall not apply to a registration relating solely to employee benefit plans on Form S-1 or Form S-8 or similar forms that may be promulgated in the future, or a registration relating solely to a Commission Rule 145 transaction on Form S-4 or similar forms that may be promulgated in the future. The Company may impose stop-transfer instructions with respect to the shares of Common Stock (or other securities) subject to the foregoing restriction until the end of said one hundred eighty (180) day (or other) period. Participant agrees that any transferee of the Option or shares acquired pursuant to the Option shall be bound by this Section 4.

5. Method of Payment. Payment of the aggregate Exercise Price shall be by any of the following, or a combination thereof, at the election of the Participant:

(a) cash;

(b) check;

(c) consideration received by the Company under a formal cashless exercise program adopted by the Company in connection with the Plan; or

(d) surrender of other Shares which (i) if acquired either directly or indirectly from the Company, have been owned by Participant for at least the period required to avoid a charge to the Company's reported earnings, (ii) shall be valued at its Fair Market Value on the date of exercise, and (iii) must be owned free and clear of any liens, claims, encumbrances or security interests, if accepting such Shares, in the sole discretion of the Administrator, shall not result in any adverse accounting consequences to the Company.

6. Restrictions on Exercise. This Option may not be exercised until such time as the Plan has been approved by the stockholders of the Company, or if the issuance of such Shares upon such exercise or the method of payment of consideration for such shares would constitute a violation of any Applicable Law.

7. Non-Transferability of Option. This Option may not be transferred in any manner otherwise than by will or by the laws of descent or distribution and may be exercised during the lifetime of Participant only by Participant. The terms of the Plan and this Option Agreement shall be binding upon the executors, administrators, heirs, successors and assigns of Participant.

8. Term of Option. This Option may be exercised only within the term set out in the Notice of Stock Option Grant, and may be exercised during such term only in accordance with the Plan and the terms of this Option.

9. Tax Obligations.

(a) Tax Withholding. Participant agrees to make appropriate arrangements with the Company (or the Parent or Subsidiary employing or retaining Participant) for the satisfaction of all Federal, state, local and foreign income and employment tax withholding requirements applicable to the Option exercise. Participant acknowledges and agrees that the Company may refuse to honor the exercise and refuse to deliver the Shares if such withholding amounts are not delivered at the time of exercise.

(b) Notice of Disqualifying Disposition of ISO Shares. If the Option granted to Participant herein is an ISO, and if Participant sells or otherwise disposes of any of the Shares acquired pursuant to the ISO on or before the later of (i) the date two (2) years after the Date of Grant, or (ii) the date one (1) year after the date of exercise, Participant shall immediately notify the Company in writing of such disposition. An Option that is a "discount option" may result in (i) income recognition by Participant prior to the exercise of the Option, (ii) an additional twenty percent (20%) federal income tax, and (iii) potential penalty and interest charges. The "discount option" may also result in additional state income, penalty and interest tax to the Participant. Participant acknowledges that the Company cannot and has not guaranteed that the IRS will agree that the per Share exercise price of this Option equals or exceeds the Fair Market Value of a Share on the date of grant in a later examination. Participant agrees that if the IRS determines that the Option was granted with a per Share exercise price that was less than the Fair Market Value of a Share on the date of grant, Participant shall be solely responsible for Participant's costs related to such a determination.

10. Entire Agreement; Governing Law. The Plan is incorporated herein by reference. The Plan and this Option Agreement constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings and agreements of the Company and Participant with respect to the subject matter hereof, and may not be modified adversely to Participant's interest except by means of a writing signed by the Company and Participant. This Agreement is governed by the internal substantive laws but not the choice of law rules of California.

2. Delivery of Payment. Participant herewith delivers to the Company the full purchase price of the Shares, as set forth in the Option Agreement, and any and all withholding taxes due in connection with the exercise of the Option.

3. Representations of Participant. Participant acknowledges that Participant has received, read and understood the Plan and the Option Agreement and agrees to abide by and be bound by their terms and conditions.

4. Rights as Stockholder. Until the issuance of the Shares (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company), no right to vote or receive dividends or any other rights as a stockholder shall exist with respect to the Common Stock subject to an Award, notwithstanding the exercise of the Option. The Shares shall be issued to Participant as soon as practicable after the Option is exercised in accordance with the Option Agreement. No adjustment shall be made for a dividend or other right for which the record date is prior to the date of issuance except as provided in Section 11 of the Plan.

5 . Company's Right of First Refusal. Before any Shares held by Participant or any transferee (either being sometimes referred to herein as the "Holder") may be sold or otherwise transferred (including transfer by gift or operation of law), the Company or its assignee(s) shall have a right of first refusal to purchase the Shares on the terms and conditions set forth in this Section 5 (the "Right of First Refusal").

(a) Notice of Proposed Transfer. The Holder of the Shares shall deliver to the Company a written notice (the "Notice") stating: (i) the Holder's bona fide intention to sell or otherwise transfer such Shares; (ii) the name of each proposed purchaser or other transferee ("Proposed Transferee"); (iii) the number of Shares to be transferred to each Proposed Transferee; and (iv) the bona fide cash price or other consideration for which the Holder proposes to transfer the Shares (the "Offered Price"), and the Holder shall offer the Shares at the Offered Price to the Company or its assignee(s).

(b) Exercise of Right of First Refusal. At any time within thirty (30) days after receipt of the Notice, the Company and/or its assignee(s) may, by giving written notice to the Holder, elect to purchase all, but not less than all, of the Shares proposed to be transferred to any one or more of the Proposed Transferees, at the purchase price determined in accordance with subsection (c) below.

(c) Purchase Price. The purchase price ("Purchase Price") for the Shares purchased by the Company or its assignee(s) under this Section 5 shall be the Offered Price. If the Offered Price includes consideration other than cash, the cash equivalent value of the non-cash consideration shall be determined by the Board of Directors of the Company in good faith.

(d) Payment. Payment of the Purchase Price shall be made, at the option of the Company or its assignee(s), in cash (by check), by cancellation of all or a portion of any outstanding indebtedness of the Holder to the Company (or, in the case of repurchase by an assignee, to the assignee), or by any combination thereof within thirty (30) days after receipt of the Notice or in the manner and at the times set forth in the Notice.

(e) Holder's Right to Transfer. If all of the Shares proposed in the Notice to be transferred to a given Proposed Transferee are not purchased by the Company and/or its assignee(s) as provided in this Section 5, then the Holder may sell or otherwise transfer such Shares to that Proposed Transferee at the Offered Price or at a higher price, *provided* that such sale or other transfer is consummated within one hundred and twenty (120) days after the date of the Notice, that any such sale or other transfer is effected in accordance with any applicable securities laws and that the Proposed Transferee agrees in writing that the provisions of this Section 5 shall continue to apply to the Shares in the hands of such Proposed Transferee. If the Shares described in the Notice are not transferred to the Proposed Transferee within such period, a new Notice shall be given to the Company, and the Company and/or its assignees shall again be offered the Right of First Refusal before any Shares held by the Holder may be sold or otherwise transferred.

(f) Exception for Certain Family Transfers. Anything to the contrary contained in this Section 5 notwithstanding, the transfer of any or all of the Shares during Participant's lifetime or on Participant's death by will or intestacy to Participant's immediate family or a trust for the benefit of Participant's immediate family shall be exempt from the provisions of this Section 5. "Immediate Family" as used herein shall mean spouse, lineal descendant or antecedent, father, mother, brother or sister. In such case, the transferee or other recipient shall receive and hold the Shares so transferred subject to the provisions of this Section 5, and there shall be no further transfer of such Shares except in accordance with the terms of this Section 5.

(g) Termination of Right of First Refusal. The Right of First Refusal shall terminate as to any Shares upon the earlier of (i) the first sale of Common Stock of the Company to the general public, or (ii) a Change in Control in which the successor corporation has equity securities that are publicly traded.

6. Tax Consultation. Participant understands that Participant may suffer adverse tax consequences as a result of Participant's purchase or disposition of the Shares. Participant represents that Participant has consulted with any tax consultants Participant deems advisable in connection with the purchase or disposition of the Shares and that Participant is not relying on the Company for any tax advice.

INVESTMENT REPRESENTATION STATEMENT

PARTICIPANT	:	«Name»
COMPANY	:	SERVICETITAN, INC.
SECURITY	:	COMMON STOCK
AMOUNT	:	«Shares»
DATE	:	

In connection with the purchase of the above-listed Securities, the undersigned Participant represents to the Company the following:

(a) Participant is aware of the Company's business affairs and financial condition and has acquired sufficient information about the Company to reach an informed and knowledgeable decision to acquire the Securities. Participant is acquiring these Securities for investment for Participant's own account only and not with a view to, or for resale in connection with, any "distribution" thereof within the meaning of the Securities Act of 1933, as amended (the "Securities Act").

(b) Participant acknowledges and understands that the Securities constitute "restricted securities" under the Securities Act and have not been registered under the Securities Act in reliance upon a specific exemption therefrom, which exemption depends upon, among other things, the bona fide nature of Participant's investment intent as expressed herein. In this connection, Participant understands that, in the view of the Securities and Exchange Commission, the statutory basis for such exemption may be unavailable if Participant's representation was predicated solely upon a present intention to hold these Securities for the minimum capital gains period specified under tax statutes, for a deferred sale, for or until an increase or decrease in the market price of the Securities, or for a period of one year or any other fixed period in the future. Participant further understands that the Securities must be held indefinitely unless they are subsequently registered under the Securities Act or an exemption from such registration is available. Participant further acknowledges and understands that the Company is under no obligation to register the Securities. Participant understands that the certificate evidencing the Securities shall be imprinted with any legend required under applicable state securities laws.

(c) Participant is familiar with the provisions of Rule 701 and Rule 144, each promulgated under the Securities Act, which, in substance, permit limited public resale of "restricted securities" acquired, directly or indirectly from the issuer thereof, in a non-public offering subject to the satisfaction of certain conditions. Rule 701 provides that if the issuer qualifies under Rule 701 at the time of the grant of the Option to Participant, the exercise shall be exempt from registration under the Securities Act. In the event the Company becomes subject to the reporting requirements of Section 13 or 15(d) of the Securities Exchange Act of 1934, ninety (90) days thereafter (or such longer period as any market stand-off agreement may require) the Securities exempt under Rule 701 may be resold, subject to the satisfaction of certain of the conditions specified by Rule 144, including: (1) the resale being made through a broker in an unsolicited "broker's transaction" or in transactions directly with a market maker (as said term is defined under the Securities Exchange Act of 1934); and, in the case of an affiliate, (2) the availability of certain public information about the Company, (3) the amount of Securities being sold during any three (3) month period not exceeding the limitations specified in Rule 144(e), and (4) the timely filing of a Form 144, if applicable.

In the event that the Company does not qualify under Rule 701 at the time of grant of the Option, then the Securities may be resold in certain limited circumstances subject to the provisions of Rule 144, which requires the resale to occur not less than one (1) year after the later of the date the Securities were sold by the Company or the date the Securities were sold by an affiliate of the Company, within the meaning of Rule 144; and, in the case of acquisition of the Securities by an affiliate, or by a non-affiliate who subsequently holds the Securities less than two (2) years, the satisfaction of the conditions set forth in sections (1), (2), (3) and (4) of the paragraph immediately above.

(d) Participant further understands that in the event all of the applicable requirements of Rule 701 or 144 are not satisfied, registration under the Securities Act, compliance with Regulation A, or some other registration exemption shall be required; and that, notwithstanding the fact that Rules 144 and 701 are not exclusive, the Staff of the Securities and Exchange Commission has expressed its opinion that persons proposing to sell private placement securities other than in a registered offering and otherwise than pursuant to Rules 144 or 701 shall have a substantial burden of proof in establishing that an exemption from registration is available for such offers or sales, and that such persons and their respective brokers who participate in such transactions do so at their own risk. Participant understands that no assurances can be given that any such other registration exemption shall be available in such event.

2.2 **Common Areas**. Tenant may use, in common with Landlord and other parties and subject to the Rules and Regulations (defined in **Exhibit D**), any portions of the Property that are designated from time to time by Landlord for such use (the "**Common Areas**").

3 RENT. Tenant shall pay all Base Rent and Additional Rent (defined below) (collectively, "**Rent**") to Landlord or Landlord's agent, without prior notice or demand or any setoff or deduction (except as otherwise set forth herein), at the place Landlord may designate from time to time, in money of the United States of America that, at the time of payment, is legal tender for the payment of all obligations. As used herein, "**Additional Rent**" means all amounts, other than Base Rent, that Tenant is required to pay Landlord hereunder. Monthly payments of Base Rent and monthly payments of Additional Rent for Expenses (defined in Section 4.2.2), Taxes (defined in Section 4.2.3) and parking (collectively, "**Monthly Rent**") shall be paid in advance on or before the first day of each calendar month during the Term; provided, however, that the installment of Base Rent for the first full calendar month for which Base Rent is payable hereunder shall be paid upon Tenant's execution and delivery hereof. Except as otherwise provided herein, all other items of Additional Rent shall be paid within 30 days after Landlord's request for payment. Rent for any partial calendar month shall be prorated based on the actual number of days in such month. Without limiting Landlord's other rights or remedies, (a) if any installment of Rent is not received by Landlord or its designee within five (5) business days after its due date, Tenant shall pay Landlord a late charge equal to 5% of the overdue amount; and (b) any Rent that is not paid within 10 days after its due date shall bear interest, from its due date until paid, at the lesser of 18% per annum or the highest rate permitted by Law (defined in Section 5). Tenant's covenant to pay Rent is independent of every other covenant herein.

4 EXPENSES AND TAXES.

4.1 **General Terms**. In addition to Base Rent, Tenant shall pay, in accordance with Section 4.4, for each Expense Year (defined in Section 4.2.1), an amount equal to the sum of (a) Tenant's Share of any amount (the "**Expense Excess**") by which Expenses for such Expense Year exceed Expenses for the Base Year, plus (b) Tenant's Share of any amount (the " **Tax Excess**") by which Taxes for such Expense Year exceed Taxes for the Base Year. Notwithstanding any contrary provision hereof, Tenant shall not be required to pay Tenant's Share of any Expense Excess or Tax Excess with respect to any period occurring before the first anniversary of the Commencement Date. No decrease in Expenses or Taxes for any Expense Year below the corresponding amount for the Base Year shall entitle Tenant to any decrease in Base Rent or any credit against amounts due hereunder. Tenant's Share of the Expense Excess and Tenant's Share of the Tax Excess for any partial Expense Year shall be prorated based on the number of days in such Expense Year.

4.2 **Definitions**. As used herein, the following terms have the following meanings:

4.2.1 "**Expense Year**" means each calendar year (other than the Base Year and any preceding calendar year) in which any portion of the Term occurs.

4.2.2 "**Expenses**" means all expenses, costs and amounts that Landlord pays or accrues during the Base Year or any Expense Year because of or in connection with the management, maintenance, security, repair, replacement, restoration or operation of the Property. Landlord shall act in a commercially reasonable manner in incurring Expenses, as determined taking into account the class and quality of the Building. Expenses shall include (i) the cost of supplying all utilities, the cost of operating, repairing, maintaining and renovating the utility, telephone, mechanical, sanitary, storm-drainage, and elevator systems, and the cost of maintenance and service contracts in connection therewith; (ii) the cost of licenses, certificates, permits and inspections, the cost of contesting any Laws that may affect Expenses, and the costs of complying with any governmentally-mandated transportation-management or similar program; (iii) the cost of all insurance premiums and deductibles; (iv) the cost of landscaping and relamping; (v) the cost of parking-area operation, repair, restoration, and maintenance; (vi) a management fee in the amount (which is hereby acknowledged to be reasonable) of 3% of gross annual receipts from the Building (excluding the management fee), together with other fees and costs, including management and/or incentive fees, consulting fees, legal fees and accounting fees, of all contractors and consultants in connection with the management, operation, maintenance and repair of the Property; (vii) the fair rental value of any management office space; (viii) wages, salaries and other compensation, expenses and benefits, including taxes levied thereon, of all persons engaged in the operation, maintenance and security of the Property, and costs of training and uniforms; (ix) the costs of operation, repair, maintenance and replacement of all systems and equipment (and components thereof) of the Property; (x) the cost of janitorial, alarm, security and other services, replacement of wall and floor coverings, ceiling tiles and fixtures in Common Areas, maintenance and replacement of curbs and walkways, repair to roofs and reroofing; (xi) rental or acquisition costs of supplies, tools, equipment, materials and personal property used in the maintenance, operation and repair of the Property (provided, however, that if any such cost would be deemed a capital expenditure under generally accepted accounting principles, then the determination of whether it may be included in Expenses shall be governed by clause (xii) below unless the item rented or acquired is not affixed to the Building and is used in performing normal repairs and maintenance of permanent systems or in providing janitorial or similar services); (xii) subject to the terms hereof, the cost of capital improvements or any other items that are (A) intended to reduce current or future Expenses or enhance the safety or security of the Property or its occupants, (B) replacements or modifications of the nonstructural portions of the Base Building (defined in Section 5) or Common Areas that are required to keep the Base Building or Common Areas in good condition, or (C) required under any Law (except to the extent that such Law was in effect and required the installation of such capital improvements or other items before the date hereof); (xiii) [Intentionally Omitted]; and (xiv) payments under any existing or future reciprocal easement agreement, transportation management agreement, cost-sharing agreement or other covenant, condition, restriction or similar instrument affecting the Property.

Notwithstanding the foregoing, Expenses shall not include: (a) capital expenditures of any kind not described in clauses (xi) or (xii) above (in addition, any capital expenditure shall be included in Expenses only if paid or accrued after the Base Year and shall be amortized (including actual or imputed interest on the amortized cost) over the lesser of (i) the useful life of the item purchased through such capital expenditure, as reasonably determined by Landlord, or (ii) the period of time that Landlord reasonably estimates will be required for any Expense savings resulting from such capital expenditure to equal such capital expenditure; provided, however, that any capital expenditure that is included in Expenses solely on the grounds that it is intended to reduce current or future Expenses shall be so amortized over the period of time described in the preceding clause (ii));

(b) depreciation;

(c) principal payments of mortgage or other non-operating debts of Landlord;

(d) costs of repairs to the extent Landlord (i) is reimbursed by insurance or condemnation proceeds, or (ii) would have been so reimbursed if Landlord had had in force the insurance required to be carried by Landlord under this Lease (assuming, in the case of this clause (ii), that the deductible for such insurance would have been the maximum commercially reasonable amount);

(e) costs (including any design, permit, license and inspection fees) of leasing space in the Building, including brokerage commissions, lease concessions, rental abatements and construction allowances granted to specific tenants or any other costs incurred in renovating or otherwise improving or decorating, painting or redecorating space for tenants or other occupants or in renovating or redecorating vacant space, including the cost of alterations or improvements to the Premises or to the premises of any other tenant or occupant of the Property and any cash or other consideration paid by Landlord on account of, with respect to, or in lieu of the improvement or alteration work described in this clause (e);

(f) costs of selling, financing or refinancing the Building;

(h) organizational expenses of creating or operating the entity that constitutes Landlord;

(i) damages paid to Tenant hereunder or to other tenants of the Building under their respective leases;

(j) costs in connection with the original construction of the Project and related facilities;

(k) any costs for which the Landlord is reimbursed by Tenant (other than as a reimbursement of Expenses) or by any other tenant or occupant of the Project (other than as a reimbursement of operating costs or expenses);

(l) costs of all items and services for which Tenant pays to third parties or which Landlord provides selectively to one or more tenants or occupants of the Project (other than Tenant) without reimbursement;

(m) costs (other than deductibles for property insurance) incurred due to violation by Landlord or its managing agent or otherwise incurred as a result of the negligence of Landlord or their agents, contractors, or employees;

(n) leasing commissions, attorneys' fees, costs and disbursements and other expenses incurred in connection or associated with the enforcement of any leases or any other agreements or the defense of Landlord's title to or interest in the Project (or any part thereof or Common Areas) or any part thereof;

(o) payments in respect to overhead or profit to subsidiaries or affiliates of Landlord for supplies or other materials to the extent that the costs of such supplies, or materials exceed the costs that would have been paid had the supplies or materials been provided by parties unaffiliated with the Landlord on a competitive basis;

(p) except as permitted pursuant to items (xi) and (xii), above, interest, principal, points and fees on debt or amortization payment on any mortgages, deeds of trust or other debt instruments;

(q) marketing, advertising and promotional costs and (except for the cost of directional signs, a building standard tenant directory, and building standard entry signs provided to the tenants of the Building in general) the cost of signs in or on the Building identifying the owner of the Building or other tenants' signs;

(r) costs that Landlord is entitled to recover under a warranty, except to the extent it would not be fiscally prudent to pursue legal action to recover such costs;

(x) the wages and benefits of any employee who does not devote substantially all of his or her employed time to the Project unless such wages and benefits are prorated to reflect time spent on operating and managing the Project vis-à-vis time spent on matters unrelated to operating and managing the Project; or

(y) reserves for future improvements, repairs and additions.

If, during any portion of the Base Year or any Expense Year, the Building is not 100% occupied (or a service or utility provided by Landlord to Tenant is not provided by Landlord to a tenant that provides such service or utility itself, or any tenant of the Building is entitled to free rent, rent abatement or the like), Expenses for such year shall be determined as if the Building had been 100% occupied (and all services and/or utilities provided by Landlord to Tenant had been provided by Landlord to all tenants, and, with respect to the calculation of the management fee described in clause (vi) above, no tenant of the Building had been entitled to free rent, rent abatement or the like) during such portion of such year. If a tenant of the Building reimburses Landlord on a separately measured basis, and not through payment of operating costs or expenses, for a service or utility that is provided by Landlord to Tenant without reimbursement outside of Expenses, then, for purposes of the preceding sentence, such service shall be deemed to be provided to such tenant by such tenant itself and not by Landlord. Notwithstanding any contrary provision hereof, Expenses for the Base Year shall exclude (a) any market-wide cost increases resulting from extraordinary circumstances, including Force Majeure (defined in Section 25.2), boycotts, strikes, conservation surcharges, embargoes or shortages, and (b) at Landlord's option, the cost of any repair or replacement that Landlord reasonably expects will not recur on an annual or more frequent basis; provided, however, that if (i) any amounts of a given type (as determined in good faith by Landlord) that would otherwise be included in Expenses for the Base Year are excluded from such Expenses pursuant to the preceding clause (a) or (b) (collectively, an "**Excluded Base Year Amount**"), and (ii) any amounts of the same type (as determined in good faith by Landlord) are incurred in, and would otherwise be included in Expenses for, any Expense Year, then such amounts incurred in such Expense Year shall be included in Expenses for such Expense Year only to the extent, if any, that they collectively exceed such Excluded Base Year Amount.

Notwithstanding any contrary provision hereof, Controllable Expenses (defined below) shall not increase after the Base Year by more than 5% per calendar year, as determined on a compounding and cumulative basis. By way of example and not of limitation, if Controllable Expenses for the Base Year are $10.00 per rentable square foot, then Controllable Expenses for the first calendar year after the Base Year shall not exceed $10.50 per rentable square foot; Controllable Expenses for the second calendar year after the Base Year shall not exceed $11.03 per rentable square foot; and so on. As used herein, "**Controllable Expenses**" means all Expenses other than (i) costs of utilities, (ii) insurance premiums and deductibles, (iii) capital expenditures intended to reduce current or future Expenses, (iv) any market-wide cost increases resulting from extraordinary circumstances, including Force Majeure, boycotts, strikes, conservation surcharges, embargoes and shortages, and (v) costs incurred to comply with Law. For purposes of determining Controllable Expenses, any management fee shall be calculated without regard to any free rent, abated rent, or the like.

4.2.3 "**Taxes**" means all federal, state, county or local governmental or municipal taxes, fees, charges, assessments, levies, licenses or other impositions, whether general, special, ordinary or extraordinary, that are paid or accrued during the Base Year or any Expense Year (without regard to any different fiscal year used by such governmental or municipal authority) because of or in connection with the ownership, leasing or operation of the Property. Taxes shall include (a) real estate taxes; (b) general and special assessments; (c) transit taxes; (d) leasehold taxes; (e) personal property taxes imposed upon the fixtures, machinery, equipment, apparatus, systems, appurtenances, furniture and other personal property used in connection with the Property; (f) any tax on the rent, right to rent or other income from any portion of the Property or as against the business of leasing any portion of the Property; and (g) any assessment, tax, fee, levy or charge imposed by any governmental agency, or by any non-governmental entity pursuant to any private cost-sharing agreement, in order to fund the provision or enhancement of any fire-protection, street-, sidewalk- or road-maintenance, refuse-removal or other service that is (or, before the enactment of Proposition 13, was) normally provided by governmental agencies to property owners or occupants without charge (other than through real property taxes). Any costs and expenses (including reasonable attorneys' and consultants' fees) incurred in attempting to protest, reduce or minimize Taxes shall be included in Taxes for the year in which they are incurred. Notwithstanding any contrary provision hereof, Taxes shall be determined without regard to any "green building" credit and shall exclude (i) all excess profits taxes, franchise taxes, gift taxes, capital stock taxes, inheritance and succession taxes, transfer taxes, estate taxes, federal and state income taxes, and other taxes to the extent (x) applicable to Landlord's general or net income (as opposed to rents, receipts or income attributable to operations at the Property), or (y) measured solely by the square footage, rent, fees, services, tenant allowances or similar amounts, rights or obligations described or provided in or under any particular lease, license or similar agreement or transaction at the Building; (ii) any Expenses, (iii) any items required to be paid or reimbursed by Tenant under Section 4.5; (iv) any tax based upon or measured by (x) the cost or value of any other tenant's trade fixtures, equipment, furniture or other personal property, or (y) the cost or value of any leasehold improvements in another tenant's space to the extent such cost or value exceeds that of a Building-standard build-out, as reasonably determined by Landlord; and (v) any fines, penalties or interest resulting from late payment of Taxes. Notwithstanding the foregoing, if Landlord receives a "green building" credit against Taxes for any Expense Year as a result, in whole or in part, of Landlord's incurrence of any amount(s) included in Expenses for any Expense Year(s) (collectively, the "**Tenant-Paid Cost**"), then, to the extent such credit is fairly attributable to the Tenant-Paid Cost, Taxes for such Expense Year shall be reduced by the lesser of (x) the amount of such credit, or (y) the Tenant-Paid Cost.

4.3 **Allocation**. Landlord, in its reasonable discretion, may equitably allocate Expenses among office, retail or other portions or occupants of the Property. If Landlord incurs Expenses or Taxes for the Property together with another property, Landlord, in its reasonable discretion, shall equitably allocate such shared amounts between the Property and such other property.

4.4 **Calculation and Payment of Expense Excess and Tax Excess**.

4.4.1 **Statement of Actual Expenses and Taxes; Payment by Tenant**. Landlord shall give to Tenant, after the end of each Expense Year, a statement (the "**Statement**") setting forth the actual Expenses, Taxes, Expense Excess and Tax Excess for such Expense Year. If the amount paid by Tenant for such Expense Year pursuant to Section 4.4.2 is less or more than the sum of Tenant's Share of the actual Expense Excess plus Tenant's Share of the actual Tax Excess (as such amounts are set forth in such Statement), Tenant shall pay Landlord the amount of such underpayment, or receive a credit in the amount of such overpayment, with or against the Rent next coming due hereunder at least 30 days after delivery of such Statement; provided, however, that if this Lease has expired or terminated and Tenant has vacated the Premises, Tenant shall pay Landlord the amount of such underpayment, or Landlord shall pay Tenant the amount of such overpayment (less any Rent due), within 30 days after delivery of such Statement. Landlord shall use reasonable efforts to deliver the Statement on or before June 1 of the calendar year immediately following the Expense Year to which it applies. Any failure of Landlord to timely deliver the Statement for any Expense Year shall not diminish either party's rights under this Section 4. Notwithstanding the foregoing, if Landlord fails to furnish a Statement by December 31 of the second (2^{nd}) calendar year following the Expense Year to which such Statement applies, Tenant shall not be required to pay Landlord any underpayment for such Expense Year, except as provided in Section 4.4.3.

4.4.2 **Statement of Estimated Expenses and Taxes**. Landlord shall give to Tenant, for each Expense Year, a statement (the "**Estimate Statement**") setting forth Landlord's reasonable estimates of the Expenses, Taxes, Expense Excess (the "**Estimated Expense Excess**") and Tax Excess (the "**Estimated Tax Excess**") for such Expense Year. Upon receiving an Estimate Statement, Tenant shall pay, with its next installment of Base Rent, an amount equal to the excess of (a) the amount obtained by multiplying (i) the sum of Tenant's Share of the Estimated Expense Excess plus Tenant's Share of the Estimated Tax Excess (as such amounts are set forth in such Estimate Statement), by (ii) a fraction, the numerator of which is the number of months that have elapsed in the applicable Expense Year (including the month of such payment) and the denominator of which is 12, over (b) any amount previously paid by Tenant for such Expense Year pursuant to this Section 4.4.2. Until Landlord delivers a new Estimate Statement (which Landlord may do at any time), Tenant shall pay monthly, with the monthly Base Rent installments, an amount equal to one-twelfth (1/12) of the sum of Tenant's Share of the Estimated Expense Excess plus Tenant's Share of the Estimated Tax Excess, as such amounts are set forth in the previous Estimate Statement. Any failure of Landlord to timely deliver any Estimate Statement shall not diminish Landlord's rights to receive payments and revise any previous Estimate Statement under this Section 4.

4.4.3 **Retroactive Adjustment of Taxes**. Notwithstanding any contrary provision hereof, but subject to the last sentence of Section 4.2.3, if, after Landlord's delivery of any Statement, an increase or decrease in Taxes occurs for the applicable Expense Year or for the Base Year (whether by reason of reassessment, error, or otherwise), Taxes for such Expense Year or the Base Year, as the case may be, and the Tax Excess for such Expense Year shall be retroactively adjusted. If, as a result of such adjustment, it is determined that Tenant has under- or overpaid Tenant's Share of such Tax Excess, Tenant shall pay Landlord the amount of such underpayment, or receive a credit in the amount of such overpayment, with or against the Rent then or next due hereunder; provided, however, that if this Lease has expired or terminated and Tenant has vacated the Premises, Tenant shall pay Landlord the amount of such underpayment, or Landlord shall pay Tenant the amount of such overpayment (less any Rent due), within 30 days after such adjustment is made.

4.5 **Charges for Which Tenant Is Directly Responsible**. Notwithstanding any contrary provision hereof, Tenant, before delinquency (or, in the case of a reimbursement to Landlord, within 30 days after receipt of an invoice), shall pay (or if paid by Landlord, reimburse Landlord for) the following to the extent levied against Landlord or Landlord's property: any tax based upon or measured by (i) the cost or value of Tenant's trade fixtures, equipment, furniture or other personal property, or (ii) the cost or value of the Leasehold Improvements (defined in Section 7.1) to the extent such cost or value exceeds that of a Building-standard build-out, as reasonably determined by Landlord. For purposes of clause (ii) of the preceding sentence, Landlord acknowledges that the cost or value of the Leasehold Improvements described in the Approved Space Plan (defined in Section 2.3 of **Exhibit B**) existing on the date hereof do not exceed do not exceed that of a Building-standard build-out.

4.6 **Books and Records**. Within 120 days after receiving any Statement (the "**Review Notice Period**"), Tenant may give Landlord notice ("**Review Notice**") stating that Tenant elects to review Landlord's calculation of the Expense Excess and/or Tax Excess for the Expense Year to which such Statement applies and identifying with reasonable specificity the records of Landlord reasonably relating to such matters that Tenant desires to review. Within a reasonable time after receiving a timely Review Notice (and, at Landlord's option, an executed confidentiality agreement as described below), Landlord shall deliver to Tenant, or make available for inspection at a location reasonably designated by Landlord, copies of such records. Within 60 days after such records are made available to Tenant (the "**Objection Period**"), Tenant may deliver to Landlord notice (an "**Objection Notice**") stating with reasonable specificity any objections to the Statement, in which event Landlord and Tenant shall work together in good faith to resolve Tenant's objections. Tenant may not deliver more than one Review Notice or more than one Objection Notice with respect to any Statement. If Tenant fails to give Landlord a Review Notice before the expiration of the Review Notice Period or fails to give Landlord an Objection Notice before the expiration of the Objection Period, Tenant shall be deemed to have approved the Statement. Notwithstanding any contrary provision hereof, Landlord shall not be required to deliver or make available to Tenant records relating to the Base Year, and Tenant may not object to Expenses or Taxes for the Base Year, other than in connection with the first review for an Expense Year performed by Tenant pursuant to this Section 4.6. If Tenant retains an agent to review Landlord's records, the agent must be with a CPA firm licensed to do business in the State of California and its fees shall not be contingent, in whole or in part, upon the outcome of the review. Tenant shall be responsible for all costs of such review. The records and any related information obtained from Landlord shall be treated as confidential, and as applicable only to the Premises, by Tenant, its auditors, consultants, and any other parties reviewing the same on behalf of Tenant (collectively. " **Tenant's Auditors**"). Before making any records available for review, Landlord may require Tenant and Tenant's Auditors to execute a reasonable confidentiality agreement, in which event Tenant shall cause the same to be executed and delivered to Landlord within 30 days after receiving it from Landlord, and if Tenant fails to do so, the Objection Period shall be reduced by one day for each day by which such execution and delivery follows the expiration of such 30-day period. Notwithstanding any contrary provision hereof, Tenant may not examine Landlord's records or dispute any Statement if any Rent remains unpaid past its due date. If, for any Expense Year, Landlord and Tenant determine that the sum of Tenant's Share of the actual Expense Excess plus Tenant's Share of the actual Tax Excess is less or more than the amount paid by Tenant, Tenant shall receive a credit in the amount of its overpayment, or pay Landlord the amount of its underpayment, against or with the Rent next coming due hereunder at least 30 days after such determination; provided, however, that if this Lease has expired or terminated and Tenant has vacated the Premises, Landlord shall pay Tenant the amount of its overpayment (less any Rent due), or Tenant shall pay Landlord the amount of its underpayment, within 30 days after such determination.

5 USE; COMPLIANCE WITH LAWS.

5.1 Tenant shall not (a) use the Premises for any purpose other than the Permitted Use, or (b) do anything in or about the Premises that violates any of the Rules and Regulations, unreasonably interferes with, injures or annoys other occupants of the Project, or constitutes a nuisance. Subject to **Exhibit B**, Tenant, at its expense, shall comply with all Laws relating to (i) the operation of its business at the Project, (ii) the use, condition, configuration or occupancy of the Premises, (iii) any Supplemental Systems (defined below) serving the Premises, whether located inside or outside of the Premises, or (iv) the portions of Base Building Systems (defined below) located in and serving the Premises. If, in order to comply with any such Law, Tenant must obtain or deliver any permit, certificate or other document evidencing such compliance, Tenant shall provide a copy of such document to Landlord promptly after obtaining or delivering it. If a change to any Common Area or the Base Building (other than any portion of a Base Building System located in and exclusively serving the Premises) becomes required under Law (or if any such requirement is enforced) as a result of any Tenant-Insured Improvement (defined in Section 10.2.2) (other than a Tenant-Insured Improvement that is customary for general office), the installation of any trade fixture (other than a trade fixture that is customary for general office use), or any particular use of the Premises (as distinguished from general office use), then Tenant, upon demand, shall (x) at Landlord's option, either make such change at Tenant's cost or pay Landlord the cost of making such change, and (y) pay Landlord a coordination fee equal to 5% of the cost of such change. As used herein, "**Law**" means any existing or future law, ordinance, regulation or requirement of any governmental authority having jurisdiction over the Project or the parties. As used herein, "**Supplemental System**" means any Unit (defined in Section 25.5), supplemental fire-suppression system, kitchen (including any hot water heater, dishwasher, garbage disposal, insta-hot dispenser, or plumbing), shower or similar facility, or any other system that would not customarily be considered part of the base building of a first-class multi-tenant office building. As used herein, "**Base Building System**" means any mechanical (including HVAC), electrical, plumbing or fire/life-safety system (including sprinklers and pull stations at points of egress) serving the Building, other than a Supplemental System. For the avoidance of doubt, (a) any Building-standard system that is located within a tenant suite and provides lighting (including Building-standard electrical lamps, starters and ballasts) or distributes HVAC, electricity or fire/life-safety materials or signals provided by a Base Building System shall itself be deemed a Base Building System and not a Supplemental System, and (b) any plumbing that is located in (or connects the Building core to) and serves any kitchen, shower or similar facility in a tenant suite shall be deemed a Supplemental System. As used herein, "**Base Building**" means the structural portions of the Building, together with the Base Building Systems.

5.2 Landlord, at its expense (subject to Section 4), shall cause the Base Building (including elevator cabs, lanterns and call buttons) and the Common Areas (including mens' and womens' restrooms located in the Common Areas, including related exhaust systems) to comply with all Laws (including the Americans with Disabilities Act) to the extent that such compliance is necessary for Tenant to use the Premises for general office use in a normal and customary manner and for Tenant's employees and visitors to have reasonably safe access to and from the Premises; provided, however, that Landlord shall not be required to cause or pay for such compliance to the extent that Tenant is required to cause or pay for such compliance under Section 5.1 or 7.3 or any other provision hereof. Notwithstanding the foregoing, Landlord may contest any alleged violation in good faith, including by applying for and obtaining a waiver or deferment of compliance, asserting any defense allowed by Law, and appealing any order or judgment to the extent permitted by Law; provided, however, that (i) no cost or liability shall be imposed upon Tenant (unless Landlord agrees to indemnify, defend and hold the Tenant Parties (defined in Section 10.1) harmless from and against such cost or liability) as a result of such contest, and (ii), after exhausting any rights to contest or appeal, Landlord shall perform any work necessary to comply with any final order or judgment.

5.3 Landlord represents and warrants to Tenant that, as of the date hereof, Landlord has not received written notice from any governmental agency (and Landlord does not otherwise have actual knowledge, without any duty of inquiry) that any portion of any Base Building System located in and serving the Premises violates applicable Law, as determined without regard to any Tenant Improvements or Alterations. For the avoidance of doubt, Landlord makes no representation or warranty that no modification will be required by Law to be made to the Base Building lighting and/or HVAC systems located in the Premises in connection with the performance of the Tenant Improvement Work.

6 SERVICES.

6.1 **Standard Services**. Landlord shall provide the following services on all days (unless otherwise stated below): (a) subject to limitations imposed by Law, customary heating, ventilation and air conditioning ("**HVAC**") in season (and in accordance with the specifications set forth in **Exhibit H**) during Building HVAC Hours, (i) to interior Common Areas, and (ii) stubbed to the Premises; (b) customary electricity supplied by the applicable public utility, stubbed to the Premises, with (i) a capacity of not less than 4.0 watts per rentable square foot of connected demand load for Tenant's incidental use equipment (excluding Base Building lighting and Base Building HVAC), and (ii) a capacity of not less than 2.0 watts per rentable square foot of connected demand load for Base Building lighting; (c) customary quantities of water supplied by the applicable public utility (i) for use in lavatories and any drinking facilities located in Common Areas within the Building, and (ii) stubbed to the Building core for use in any plumbing fixtures located in the Premises, in each case with waste and vent at one (1) connection point per floor; (d) janitorial services to the Premises on each business day except Holidays; and (e) elevator service (subject to scheduling by Landlord, and payment of Landlord's standard usage fee, for any freight service, provided that no such usage fee shall apply to Tenant's initial move-in).

6.2 **Above-Standard Use**. Landlord shall provide HVAC service outside Building HVAC Hours if Tenant gives Landlord such prior notice and pays Landlord such hourly cost per floor as Landlord may require. The parties acknowledge that, as of the date hereof, Landlord's charge for HVAC service outside Building HVAC Hours is $55.00 per hour per floor, subject to increase from time to time to reflect any increase in Landlord's actual cost of providing such excess service, excluding any profit or overhead but including any increased cost of wear and tear on Landlord's equipment. Tenant shall not, without Landlord's prior consent, use equipment that may affect the temperature maintained by the air conditioning system or consume above-Building-standard amounts of any water furnished for the Premises by Landlord pursuant to Section 6.1. Without limiting Tenant's obligations under Section 25.5, if Tenant's consumption of electricity or water exceeds the rate Landlord reasonably deems to be standard for the Building and Tenant does not permanently cease such excess consumption within five (5) business days after notice from Landlord, Tenant shall pay Landlord, within 30 days after receiving an invoice therefor, the actual cost of such excess consumption (without overhead or markup), including any costs of installing, operating and maintaining any equipment that is installed in order to supply or measure such excess electricity or water. The connected electrical load of Tenant's incidental-use equipment shall not exceed the Building-standard electrical design load, and Tenant's electrical usage shall not exceed the capacity of the feeders to the Project or the risers or wiring installation.

6.3 **Interruption**. Subject to Section 11, any failure to furnish, delay in furnishing, or diminution in the quality or quantity of any service resulting from any application of Law, failure of equipment, performance of maintenance, repairs, improvements or alterations, utility interruption, or event of Force Majeure (each, a "**Service Interruption**") shall not render Landlord liable to Tenant, constitute a constructive eviction, or excuse Tenant from any obligation hereunder. Notwithstanding the foregoing, if all or a material portion of the Premises is made untenantable or inaccessible for more than five (5) consecutive business days after notice from Tenant to Landlord by a Service Interruption that (a) does not result from a Casualty (defined in Section 11), a Taking (defined in Section 13) or an Act of Tenant (defined in Section 10.1), and (b) can be corrected through Landlord's reasonable efforts (it being agreed that any Service Interruption resulting from the performance of (or, in the case of any maintenance or repair required to be performed by Landlord hereunder, failure to perform) any maintenance, repairs, improvements or alterations by Landlord or any other tenant or occupant of the Building can be corrected through Landlord's reasonable efforts), then, as Tenant's sole remedy, Monthly Rent shall abate for the period beginning on the day immediately following such 5-business-day period and ending on the day such Service Interruption ends, but only in proportion to the percentage of the rentable square footage of the Premises made untenantable or inaccessible and not occupied by Tenant.

7 REPAIRS AND ALTERATIONS.

7.1 **Repairs**. Subject to Section 11, Tenant, at its expense, shall perform all maintenance and repairs (including replacements) to the Premises, and keep the Premises in as good condition and repair as existed when Tenant took possession and as thereafter improved, except for reasonable wear and tear and repairs that are Landlord's express responsibility hereunder. Tenant's maintenance and repair obligations shall include (a) all leasehold improvements in the Premises, including any Tenant Improvements, any Alterations (defined in Section 7.2), and any leasehold improvements installed pursuant to any prior lease (the "**Leasehold Improvements**"), but excluding the Base Building; (b) any Supplemental Systems serving the Premises, whether located inside or outside of the Premises; and (c) all Lines (defined in Section 23) and trade fixtures. Notwithstanding the foregoing, if a Default (defined in Section 19.1) or an emergency exists, Landlord may, at its option, perform such maintenance and repairs on Tenant's behalf, in which case Tenant shall pay Landlord, upon demand, the cost of such work plus a coordination fee equal to 10% of such cost. Landlord shall perform all maintenance and repairs (including replacements) to, and keep in good condition and repair, (i) the roof and exterior walls, windows and window mullions of the Building, (ii) the Base Building, and (iii) the Common Areas. In addition, (a) if, at any time during the initial Term, any fixture, finish or other improvement that exists in the restrooms or the elevator lobby located in the Premises (other than any non-Building-standard item that may be installed as part of the Tenant Improvements or any Alteration) fails to operate in accordance with its design specifications or otherwise is in need of repair (other than by reason of a Casualty, an Act of Tenant, or an Alteration), then Landlord, at its expense (which may be included in Expenses), shall promptly correct such defect and/or perform such repair; and (b) if, at any time during the first year of the initial Term, any plumbing fixture that exists in the Premises (but outside the restrooms in the Premises) on the date hereof and is not replaced or altered by the Tenant Improvements or any Alteration fails to operate in accordance with its design specifications or otherwise is in need of repair (other than by reason of a Casualty, an Act of Tenant, or an Alteration), then Landlord, at its expense (which may be included in Expenses), shall promptly correct such defect and/or perform such repair.

7.2 **Alterations** Except as provided in the next succeeding sentence, Tenant may not make any improvement, alteration, addition or change to the Premises or to any mechanical, plumbing or HVAC facility or other system serving the Premises (an "**Alteration**") without Landlord's prior consent, which consent shall be requested by Tenant not less than 30 days before commencement of work and shall not be unreasonably withheld by Landlord. Notwithstanding the foregoing, provided that Landlord receives 10 business days' prior notice, Landlord's prior consent shall not be required for any Alteration that (i) is reasonably estimated (together with any other Alterations performed without Landlord's consent pursuant to this sentence during the 12-month period ending on the date of such notice) to cost less than $100,000.00; (ii) is not visible from outside the Premises; (iii) does not affect any system or structural component of the Building; and (iv) does not require work to be performed inside the walls or above the ceiling of the Premises ("**Cosmetic Alterations**"). For any Alteration, (a) Tenant, before beginning work, shall deliver to Landlord, and obtain Landlord's approval of, plans and specifications (to the extent plans and specifications are reasonably required given the nature of the Alterations); (b) if any Default then exists or has previously occurred, Landlord, in its discretion, may require Tenant to obtain security for performance satisfactory to Landlord; (c) Tenant shall deliver to Landlord "as built" drawings (in CAD format, if requested by Landlord and if plans and specifications are required as provided above), completion affidavits, full and final lien waivers, and all governmental approvals; and (d) Tenant shall pay Landlord upon demand (i) Landlord's reasonable out-of-pocket expenses incurred in reviewing the work, and (ii) a coordination fee equal to 5% of the "hard" costs of the work; provided, however, that this clause (d) shall not apply to any Tenant Improvements or any Cosmetic Alterations.

7.3 **Tenant Work**. Before beginning any repair or Alteration or any work affecting Lines (collectively, "**Tenant Work**"), Tenant shall deliver to Landlord, and obtain Landlord's approval of, (a) names of contractors, subcontractors, mechanics, laborers and materialmen; (b) evidence of contractors' and subcontractors' insurance; and (c) any required governmental permits. Tenant shall perform all Tenant Work (i) in a good and workmanlike manner using materials of a quality reasonably approved by Landlord; (ii) in compliance with any approved plans and specifications, all Laws, the National Electric Code, and Landlord's reasonable construction rules and regulations; and (iii) in a manner that does not impair the Base Building. If, as a result of any Tenant Work, Landlord becomes required under Law to perform any inspection, give any notice, or cause such Tenant Work to be performed in any particular manner, Tenant shall comply with such requirement and promptly provide Landlord with reasonable documentation of such compliance. Landlord's approval of Tenant's plans and specifications shall not relieve Tenant from any obligation under this Section 7.3. In performing any Tenant Work, Tenant shall not use contractors, services, labor, materials or equipment that, in Landlord's reasonable judgment, would disturb labor harmony with any workforce or trades engaged in performing other work or services at the Project.

8 LANDLORD'S PROPERTY. All Leasehold Improvements shall become Landlord's property upon installation and without compensation to Tenant. Notwithstanding the foregoing, if any Tenant-Insured Improvements (other than any Unit, which shall be governed by Section 25.5) are not, in Landlord's reasonable judgment, Building-standard, then before the expiration or earlier termination hereof, Tenant shall, at Landlord's election, either (a) at Tenant's expense, and except as otherwise notified by Landlord, remove such Tenant-Insured Improvements, repair any resulting damage to the Premises or Building, and restore the affected portion of the Premises to its configuration and condition existing before the installation of such Tenant-Insured Improvements (or, at Landlord's election, to a Building-standard tenant-improved configuration and condition as determined by Landlord), or (b) pay Landlord an amount equal to the estimated cost of such work, as reasonably determined by Landlord. If Tenant fails to timely perform any work required under clause (a) of the preceding sentence, Landlord may perform such work at Tenant's expense.

9 LIENS. Tenant shall keep the Project free from any lien arising out of any work performed, material furnished or obligation incurred by or on behalf of Tenant. Tenant shall remove any such lien within 20 days after notice from Landlord, and if Tenant fails to do so, Landlord, without limiting its remedies, may pay the amount necessary to cause such removal, whether or not such lien is valid. The amount so paid, together with reasonable out-of-pocket attorneys' fees and expenses incurred by Landlord in causing such removal, shall be reimbursed by Tenant within 30 days after demand.

10 INDEMNIFICATION; INSURANCE.

10.1 **Waiver and Indemnification**. Tenant waives all claims against Landlord, its Security Holders (defined in Section 17), Landlord's managing agent(s), their (direct or indirect) owners, and the beneficiaries, trustees, officers, directors, employees and agents of each of the foregoing (including Landlord, the "**Landlord Parties**") for (i) any damage to person or property occurring in the Premises (or resulting from the loss of use thereof), except to the extent such damage is caused by any negligence, willful misconduct or breach of this Lease of or by any Landlord Party, or (ii) any failure to prevent or control any criminal or otherwise wrongful conduct by any third party or to apprehend any third party who has engaged in such conduct. Tenant shall indemnify, defend, protect, and hold the Landlord Parties harmless from any obligation, loss, claim, action, liability, penalty, damage, cost or expense (including reasonable attorneys' and consultants' fees and expenses) (each, a "**Claim**") that is imposed or asserted by any third party and arises from (a) any cause occurring in the Premises, or (b) any negligence, willful misconduct or breach of this Lease of or by Tenant, any party claiming by, through or under Tenant, their (direct or indirect) owners, or any of their respective beneficiaries, trustees, officers, directors, employees, agents, contractors, licensees or invitees (each, an "**Act of Tenant**"), except to the extent such Claim arises from any negligence, willful misconduct or breach of this Lease of or by any Landlord Party. Landlord shall indemnify, defend, protect, and hold Tenant, its (direct or indirect) owners, and their respective beneficiaries, trustees, officers, directors, employees and agents (including Tenant, the "**Tenant Parties**") harmless from any Claim that is imposed or asserted by any third party and arises from any negligence, willful misconduct or breach of this Lease of or by any Landlord Party, except to the extent such Claim arises from any Act of Tenant.

10.2 **Tenant's Insurance**. Tenant shall maintain the following coverages in the following amounts:

10.2.1 Commercial General Liability Insurance covering claims of bodily injury, personal injury and property damage arising out of Tenant's operations and contractual liabilities, including coverage formerly known as broad form, on an occurrence basis, with combined primary and excess/umbrella limits of at least $3,000,000 each occurrence and $4,000,000 annual aggregate.

10.2.2 Property Insurance covering (i) all office furniture, trade fixtures, office equipment, free-standing cabinet work, movable partitions, merchandise and all other items of Tenant's property in the Premises installed by, for, or at the expense of Tenant, and (ii) any Leasehold Improvements installed by or for the benefit of Tenant, whether pursuant to this Lease or pursuant to any prior lease or other agreement to which Tenant was a party ("**Tenant-Insured Improvements**"). Such insurance shall be written on an "all risks" of physical loss or damage basis, for the full replacement cost value (subject to reasonable deductible amounts) new without deduction for depreciation of the covered items and in amounts that meet any co-insurance clauses of the policies of insurance, and shall include coverage for damage or other loss caused by fire or other peril, including vandalism and malicious mischief, theft, water damage of any type, including sprinkler leakage, bursting or stoppage of pipes, and explosion, and providing business interruption coverage for a period of one year.

10.2.3 Workers' Compensation statutory limits and Employers' Liability limits of $1,000,000.

10.3 **Form of Policies**. The minimum limits of insurance required to be carried by Tenant shall not limit Tenant's liability. Such insurance shall be issued by an insurance company that has an A.M. Best rating of not less than A-VIII. Tenant's Commercial General Liability Insurance shall (a) name the Landlord Parties and any other party with an interest in the Property designated by Landlord ("**Additional Insured Parties**") as additional insureds; and (b) be primary insurance as to all claims thereunder and provide that any insurance carried by Landlord is excess and non-contributing with Tenant's insurance. Landlord shall be designated as a loss payee with respect to Tenant's Property Insurance on any Tenant-Insured Improvements. Tenant shall deliver to Landlord, on or before the Commencement Date and at least 15 days before the expiration dates thereof, certificates from Tenant's insurance company on the forms currently designated "ACORD 25-S" (Certificate of Liability Insurance) and "ACORD 28" (Evidence of Commercial Property Insurance) or the equivalent. Attached to the ACORD 25 (or equivalent) there shall be an endorsement (or an excerpt from the policy) naming the Additional Insured Parties as additional insureds, and attached to the ACORD 28 (or equivalent) there shall be an endorsement (or an excerpt from the policy) designating Landlord as a loss payee with respect to Tenant's Property Insurance on any Tenant-Insured Improvements, and each such endorsement (or policy excerpt) shall be binding on Tenant's insurance company.

10.4 **Subrogation**. Each party waives, and shall cause its insurance carrier to waive, any right of recovery against the other party, any of its (direct or indirect) owners, or any of their respective beneficiaries, trustees, officers, directors, employees or agents for any loss of or damage to property which loss or damage is (or, if the insurance required hereunder had been carried, would have been) covered by the waiving party's property insurance. For purposes of this Section 10.4 only, (a) any deductible with respect to a party's insurance shall be deemed covered by, and recoverable by such party under, valid and collectable policies of insurance, and (b) any contractor retained by Landlord to install, maintain or monitor a fire or security alarm for the Building shall be deemed an agent of Landlord.

10.5 **Additional Insurance Obligations**. Tenant shall maintain such increased amounts of the insurance required to be carried by Tenant under this Section 10, and such other types and amounts of insurance covering the Premises and Tenant's operations therein, as may be reasonably requested by Landlord, but not in excess of the amounts and types of insurance then being required by landlords of Comparable Buildings.

10.6 **Landlord's Insurance**. Landlord shall maintain the following insurance, together with such other insurance coverage as Landlord, in its reasonable judgment, may elect to maintain, the premiums of which shall be included in Expenses: (a) Commercial General Liability insurance applicable to the Property, Building and Common Areas providing, on an occurrence basis, combined primary and excess/umbrella limits of at least $3,000,000 each occurrence and $4,000,000 annual aggregate; (b) Special Cause of Loss or All Risk Insurance on the Building at replacement cost value as reasonably estimated by Landlord; (c) Worker's Compensation insurance to the extent required by Law; and (d) Employers Liability Coverage to the extent required by Law.

11 CASUALTY DAMAGE. With reasonable promptness after discovering any damage to the Premises (other than trade fixtures), or to any Common Area or portion of the Base Building necessary for access to or tenantability of the Premises, resulting from any fire or other casualty (a "**Casualty**"), Landlord shall notify Tenant of Landlord's reasonable estimate of the time required to substantially complete repair of such damage (the "**Landlord Repairs**"). If, according to such estimate, the Landlord Repairs cannot be substantially completed within 180 days after they are commenced, either party may terminate this Lease upon 60 days' notice to the other party delivered within 10 days after Landlord's delivery of such estimate. Within 90 days after discovering any damage to the Project resulting from any Casualty, Landlord may, whether or not the Premises are affected, terminate this Lease by notifying Tenant if (i) any Security Holder terminates any ground lease or requires that any insurance proceeds be used to pay any mortgage debt; (ii) any damage to Landlord's property is not fully covered by Landlord's insurance policies plus any applicable deductibles (other than deductibles with respect to earthquake damage); (iii) Landlord decides to rebuild the Building or Common Areas so that it or they will be substantially different structurally or architecturally; or (iv) the damage occurs during the last 12 months of the Term and Landlord's estimate indicates that the Landlord Repairs cannot be substantially completed within the period beginning on the date of the Casualty and having a duration equal to 25% of the balance of the Term remaining on such date; provided, however, that (x) Landlord may not terminate this Lease pursuant to the preceding clauses (i), (ii) or (iii) unless the Premises have been materially damaged or Landlord also exercises all rights it may have acquired as a result of the Casualty to terminate any other leases of space in the Building, and (y) Landlord may not terminate this Lease pursuant to the preceding clause (iv) unless the Premises have been materially damaged or Landlord also exercises all rights it may have acquired as a result of the Casualty to terminate any other lease of space in the Building that, on the date of the Casualty, has a remaining term that is both less than 12 months and less than 400% of the time that Landlord reasonably estimates will be required to complete any repairs to such space and to Common Areas and Building systems necessary for access to or tenantability of such space. Tenant may terminate this Lease, by notifying Landlord within 30 days after receiving Landlord's estimate of the time required to substantially complete the Landlord Repairs, if (a) the Casualty has occurred during the last 12 months of the Term and has damaged a material portion of the Premises, and (b) such estimate indicates that the damage cannot reasonably be repaired within the period beginning on the date of the Casualty and having a duration equal to 25% of the balance of the Term remaining on such date. If this Lease is not terminated pursuant to this Section 11, Landlord shall promptly and diligently perform the Landlord Repairs, subject to reasonable delays for insurance adjustment and other events of Force Majeure. The Landlord Repairs shall restore the Premises (other than trade fixtures) and any Common Area or portion of the Base Building necessary for access to or tenantability of the Premises to substantially the same condition that existed when the Casualty occurred, except for (a) any modifications required by Law or any Security Holder, and (b) any modifications to the Common Areas that are deemed desirable by Landlord, are consistent with the character of the Project, and do not materially impair access to or tenantability of the Premises. Notwithstanding Section 10.4, Tenant shall assign to Landlord (or its designee) all insurance proceeds payable to Tenant under Tenant's insurance required under Section 10.2 with respect to any Tenant-Insured Improvements, and if the estimated or actual cost of restoring any Tenant-Insured Improvements exceeds the insurance proceeds received by Landlord from Tenant's insurance carrier, Tenant shall pay such excess to Landlord within 15 days after Landlord's demand. No Casualty and no restoration performed as required hereunder shall render Landlord liable to Tenant, constitute a constructive eviction, or excuse Tenant from any obligation hereunder; provided, however, that if the Premises (other than trade fixtures) or any Common Area or portion of the Base Building necessary for access to or tenantability of the Premises is damaged by a Casualty, then, during any time that, as a result of such damage, any portion of the Premises is inaccessible or untenantable and is not occupied by Tenant, Monthly Rent shall be abated in proportion to the rentable square footage of such portion of the Premises. If Landlord does not substantially complete the Landlord Repairs by the Outside Restoration Date (defined below), Tenant may terminate this Lease by notifying Landlord within 15 days after the Outside Restoration Date and before the substantial completion of the Landlord Repairs. As used herein, "**Outside Restoration Date**" means the date occurring two (2) months after the later of (a) the expiration of the time set forth in Landlord's estimate described in the first sentence of this Section 11, or (b) the date occurring 180 days after the commencement of the Landlord Repairs; provided, however, that the Outside Restoration Date shall be extended to the extent of (i) any delay caused by the insurance adjustment process, (ii) any delay caused by Tenant or any party claiming by, through or under Tenant, and (iii) any other delay caused by events of Force Majeure. Notwithstanding the foregoing, if Landlord determines in good faith that it will be unable to substantially complete the Landlord Repairs by the Outside Restoration Date, Landlord may cease its performance of the Landlord Repairs and provide Tenant with notice (the "**Restoration Date Extension Notice**") stating such inability and identifying the date on which Landlord reasonably believes such substantial completion will occur, in which event Tenant may terminate this Lease by notifying Landlord within five (5) business days after receiving the Restoration Date Extension Notice. If Tenant does not terminate this Lease within such 5-business day period, the Outside Restoration Date shall be automatically amended to be the date identified in the Restoration Date Extension Notice.

12 NONWAIVER. No provision hereof shall be deemed waived by either party unless it is waived by such party expressly and in writing, and no waiver of any breach of any provision hereof shall be deemed a waiver of any subsequent breach of such provision or any other provision hereof. Landlord's acceptance of Rent shall not be deemed a waiver of any preceding breach of any provision hereof, other than Tenant's failure to pay the particular Rent so accepted, regardless of Landlord's knowledge of such preceding breach at the time of such acceptance. No acceptance of payment of an amount less than the Rent due hereunder shall be deemed a waiver of Landlord's right to receive the full amount of Rent due, whether or not any endorsement or statement accompanying such payment purports to effect an accord and satisfaction. No receipt of monies by Landlord from Tenant after the giving of any notice, the commencement of any suit, the issuance of any final judgment, or the termination hereof shall affect such notice, suit or judgment, or reinstate or extend the Term or Tenant's right of possession hereunder.

13 CONDEMNATION. If any part of the Premises, Building or Project is taken for any public or quasi-public use by power of eminent domain or by private purchase in lieu thereof (a "**Taking**") for more than 180 consecutive days, Landlord may terminate this Lease; provided, however, that Landlord may not terminate this Lease pursuant to this sentence unless a material portion of the Premises has been Taken or Landlord also exercises all rights it may have acquired as a result of the Taking to terminate any other similarly situated leases of space in the Building. If more than 25% of the rentable square footage of the Premises, or any Common Area or portion of the Base Building necessary for access to or tenantability of the Premises, is Taken for more than 180 consecutive days, Tenant may terminate this Lease. Any such termination shall be effective as of the date possession must be surrendered to the authority, and the terminating party shall provide termination notice to the other party within 45 days after receiving written notice of such surrender date. Except as provided above in this Section 13, neither party may terminate this Lease as a result of a Taking. Tenant shall not assert, and hereby assigns to Landlord, any claim it may have for compensation because of any Taking; provided, however, that Tenant may file a separate claim for any Taking of Tenant's personal property or any trade fixtures that Tenant is entitled to remove upon the expiration hereof, and for moving expenses, so long as such claim does not diminish the award available to Landlord or any Security Holder and is payable separately to Tenant. If this Lease is terminated pursuant to this Section 13, all Rent shall be apportioned as of the date of such termination. If a Taking occurs and this Lease is not so terminated, Monthly Rent shall be abated for the period of such Taking in proportion to the percentage of the rentable square footage of the Premises, if any, that is subject to, or rendered inaccessible or untenantable by, such Taking and not occupied by Tenant.

14 ASSIGNMENT AND SUBLETTING.

14.1 **Transfers**. Except as otherwise provided in this Section 14, Tenant shall not, without Landlord's prior consent, assign, mortgage, pledge, hypothecate, encumber, permit any lien to attach to, or otherwise transfer this Lease or any interest hereunder, permit any assignment or other transfer hereof or any interest hereunder by operation of law, enter into any sublease or license agreement, or otherwise permit the occupancy or use of any part of the Premises by any persons other than Tenant and its employees and contractors (each, a "**Transfer**"). If Tenant desires Landlord's consent to any Transfer, Tenant shall provide Landlord with (i) notice of the terms of the proposed Transfer, including its proposed effective date (the "**Contemplated Effective Date**"), a description of the portion of the Premises to be transferred (the "**Contemplated Transfer Space**"), a calculation of the Transfer Premium (defined in Section 14.3), and a copy of all existing executed and/or proposed documentation pertaining to the proposed Transfer, and (ii) current financial statements of the proposed transferee certified by an officer or owner thereof and any other information reasonably required by Landlord in order to evaluate the proposed Transfer (collectively, the "**Transfer Notice**"). Within 15 business days after receiving the Transfer Notice, Landlord shall notify Tenant of (a) its consent to the proposed Transfer, (b) its refusal to consent to the proposed Transfer, or (c) its exercise of its rights under Section 14.4. Any Transfer made without Landlord's prior consent shall, at Landlord's option, be void and shall, at Landlord's option, constitute a Default. Tenant shall pay Landlord a fee of $1,000.00 for Landlord's review of any proposed Transfer, whether or not Landlord consents to it.

14.2 **Landlord's Consent**. Subject to Section 14.4, Landlord shall not unreasonably withhold or condition its consent to any proposed Transfer. Without limiting other reasonable grounds for withholding or conditioning consent, it shall be deemed reasonable for Landlord to withhold or condition its consent to a proposed Transfer if:

14.2.1 The proposed transferee is not a party of reasonable financial strength in light of the responsibilities to be undertaken in connection with the Transfer on the date the Transfer Notice is received; or

14.2.2 The proposed transferee has a character or reputation or is engaged in a business that is not consistent with the quality of the Building or the Project; or

14.2.3 The proposed transferee is a governmental entity or a nonprofit organization; or

14.2.4 [Intentionally Omitted]; or

14.2.5 The proposed transferee, on the date the Transfer Notice is received, leases or occupies (or, at any time during the3-month period ending on the date the Transfer Notice is received, has provided Landlord with a written proposal or request for proposal to lease) space in the Project and Landlord has (or believes in good faith, based on the scheduled expiration dates of existing leases and/or its rights to relocate existing tenants, that it will have) space in the Project available for the proposed transferee on the Contemplated Effective Date which is reasonably comparable to the Contemplated Transfer Space.

Notwithstanding any contrary provision hereof, (a) if Landlord consents to any Transfer pursuant to this Section 14.2 but Tenant does not enter into such Transfer within six (6) months thereafter, such consent shall no longer apply and such Transfer shall not be permitted unless Tenant again obtains Landlord's consent thereto pursuant and subject to the terms of this Section 14; and (b) if Landlord withholds its consent in breach of this Section 14.2, Tenant's sole remedies shall be contract damages (subject to Section 20) or specific performance, and Tenant waives any right to terminate this Lease.

14.3 **Transfer Premium**. If Landlord consents to a Transfer, Tenant shall pay Landlord an amount equal to 50% of any Transfer Premium (defined below). As used herein, "**Transfer Premium**" means (a) in the case of an assignment, any consideration (including payment for Leasehold Improvements) paid by the assignee for such assignment, less any reasonable and customary expenses directly incurred by Tenant on account of such assignment, including brokerage fees, legal fees, and Landlord's review fee, and (b) in the case of a sublease, license or other occupancy agreement, for each month of the term of such agreement, the amount by which all rent and other consideration paid by the transferee to Tenant pursuant to such agreement (less all reasonable and customary expenses directly incurred by Tenant on account of such agreement, including brokerage fees, legal fees, construction costs and Landlord's review fee, as amortized on a monthly, straight-line basis over the term of such agreement) exceeds the Monthly Rent payable by Tenant hereunder with respect to the Contemplated Transfer Space. Payment of Landlord's share of the Transfer Premium shall be made (x) in the case of an assignment, within 30 days after Tenant receives the consideration described above, and (y) in the case of a sublease, license or other occupancy agreement, for each month of the term of such agreement, within five (5) business days after Tenant receives the rent and other consideration described above.

14.4 **Landlord's Right to Recapture**. Notwithstanding any contrary provision hereof, except in the case of a Permitted Transfer (defined in Section 14.8), if the proposed Transfer is an assignment or a sublease of 90% or more of the Premises, Landlord, by notifying Tenant within 15 business days after receiving the Transfer Notice, may terminate this Lease with respect to the entire Premises as of the Contemplated Effective Date. Upon request of either party, the parties shall execute a written agreement prepared by Landlord memorializing such termination.

14.5 **Effect of Consent**. If Landlord consents to a Transfer, (i) such consent shall not be deemed a consent to any further Transfer, (ii) Tenant shall deliver to Landlord, promptly after execution, an executed copy of all documentation effecting the Transfer, and (iii) Tenant shall deliver to Landlord, upon Landlord's request, a complete statement, certified by an independent CPA or an officer of Tenant, setting forth in detail the computation of any Transfer Premium. In the case of an assignment, the assignee shall assume in writing, for Landlord's benefit, all of Tenant's obligations hereunder. No Transfer, with or without Landlord's consent, shall relieve Tenant or any guarantor hereof from any liability hereunder. Notwithstanding any contrary provision hereof, Tenant, with or without Landlord's consent, shall not enter into, or permit any party claiming by, through or under Tenant to enter into, any sublease, license or other occupancy agreement that provides for payment based in whole or in part on the net income or profit of the subtenant, licensee or other occupant thereunder.

14.6 **Change of Control**. Tenant shall use commercially reasonable efforts to notify Landlord of any Change of Control (defined below) within 30 days after its occurrence. As used herein, "**Change of Control**" means (a) if Tenant is a closely held professional service firm, the withdrawal or change (whether voluntary, involuntary or by operation of law) of more than 50% of its equity owners within a 12-month period; and (b) in all other cases, any transaction(s) resulting in the acquisition of a Controlling Interest (defined below) in Tenant by one or more parties that neither owned, nor are Affiliates (defined below) of one or more parties that owned, a Controlling Interest in Tenant immediately before such transaction(s). As used herein, "**Controlling Interest**" means control over an entity, other than control arising from the ownership of voting securities listed on a recognized securities exchange. As used herein, "**control**" means the direct or indirect power to direct the ordinary management and policies of an entity, whether through the ownership of voting securities, by contract or otherwise. As used herein, "**Affiliate**" means, with respect to any party, a person or entity that controls, is under common control with, or is controlled by such party.

14.7 **Effect of Default**. If Tenant is in Default, Landlord shall have the right to direct any transferee under any sublease, license or other occupancy agreement to make all payments under such agreement directly to Landlord (which Landlord shall apply towards Tenant's obligations hereunder) until such Default is cured. Such transferee shall rely upon any representation by Landlord that Tenant is in Default, whether or not confirmed by Tenant.

14.8 **Permitted Transfers**. Notwithstanding any contrary provision hereof, if Tenant is not in Default, Tenant may, without Landlord's consent pursuant to Section 14.1, sublease any portion of the Premises to an Affiliate of Tenant or assign this Lease to (a) an Affiliate of Tenant (other than pursuant to a merger or consolidation), (b) a successor to Tenant by merger or consolidation, or (c) a successor to Tenant by purchase of all or substantially all of Tenant's assets (a "**Permitted Transfer**"), provided that (i) at least 10 business days before the Transfer, Tenant notifies Landlord of the Transfer and delivers to Landlord any documents or information reasonably requested by Landlord relating thereto, including reasonable documentation that the Transfer satisfies the requirements of this Section 14.8; (ii) in the case of a sublease, the subtenant executes and delivers to Landlord, at least 10 business days before taking occupancy, an agreement reasonably acceptable to Landlord which (A) requires the subtenant to assume all of Tenant's release, waiver, indemnity and insurance obligations hereunder with respect to the Contemplated Transfer Space and to be bound by each provision hereof that limits the liability of any Landlord Party, and (B) provides that if either a Landlord Party or the subtenant institutes a suit against the other for violation of or to enforce such agreement, or in connection with any matter relating to the sublease or the subtenant's occupancy of the Contemplated Transfer Space, the prevailing party shall be entitled to all of its costs and expenses, including reasonable attorneys' fees; (iii) in the case of an assignment pursuant to clause (a) or (c) above, the assignee executes and delivers to Landlord, at least 10 business days before the assignment, a commercially reasonable instrument pursuant to which the assignee assumes, for Landlord's benefit, all of Tenant's obligations hereunder; (iv) in the case of an assignment pursuant to clause (b) above, (A) the successor entity has a net worth (as determined in accordance with GAAP, but excluding intellectual property and any other intangible assets ("**Net Worth**")) immediately after the Transfer that is not less than Tenant's Net Worth immediately before the Transfer, and (B) if Tenant is a closely held professional service firm, at least 50% of its equity owners existing 12 months before the Transfer are also equity owners of the successor entity; (v) the transferee is qualified to conduct business in the State of California; and (vi) the Transfer is made for a good faith operating business purpose and not in order to evade the requirements of this Section 14.

14.9 Approved Subtenants. Notwithstanding any contrary provision of this Section 14, Tenant may, from time to time during the Term, without Landlord's consent and without application of Sections 14.3 or 14.4, enter into one or more subleases (each, an "**Approved Sublease**") with one or more parties (each, an "**Approved Subtenant**") with respect to space in the Premises (a "**Subleased Space**") and to use, nonexclusively, certain areas providing shared services such as reception, photocopying and the like (each, a "**Shared Area**"), provided that (a) the Subleased Spaces of all Approved Subtenants do not exceed, in the aggregate, 10% of the rentable square footage of the Premises, and (b) each Approved Subtenant and Approved Sublease meets the following requirements: (i) the term of the Approved Sublease does not continue beyond the expiration or earlier termination hereof; (ii) Tenant does not separately demise any Subleased Space or Shared Area, and the Approved Subtenant uses, in common with Tenant, one common entryway to the Premises; (iii) the Approved Subtenant uses the Subleased Space and the Shared Areas for the Permitted Use and for no other purpose; and (iv) before the Approved Subtenant begins occupancy, (A) Tenant notifies Landlord in writing of the Approved Subtenant's identity, and (B) the Approved Subtenant executes and delivers to Landlord an agreement reasonably acceptable to Landlord which (A) requires the Approved Subtenant to assume all of Tenant's release, waiver, indemnity and insurance obligations hereunder with respect to the Subleased Space and the Shared Areas and to be bound by each provision hereof that limits the liability of any Landlord Party, and (B) provides that if either a Landlord Party or the Approved Subtenant institutes a suit against the other for violation of or to enforce such agreement, or in connection with any matter relating to the Approved Sublease or the Approved Subtenant's occupancy of the Subleased Space or the Shared Areas, the prevailing party shall be entitled to all of its costs and expenses, including reasonable attorneys' fees. Tenant shall cause each Approved Subtenant and its employees and licensees to comply with the provisions of this Lease. No use or occupancy of any portion of the Premises by any Approved Subtenant shall release Tenant from any obligation hereunder or create a landlord/tenant relationship between Landlord and such Approved Subtenant. Landlord shall not be required to provide any notice to any Approved Subtenant.

15 SURRENDER. Upon the expiration or earlier termination hereof, and subject to Section 8 and this Section 15, Tenant shall surrender possession of the Premises to Landlord in as good condition and repair as existed when Tenant took possession and as thereafter improved, except for damage resulting from a Casualty, reasonable wear and tear, and repairs that are Landlord's express responsibility hereunder. Before such expiration or termination, Tenant, without expense to Landlord, shall (a) remove from the Premises all debris and rubbish and all furniture, equipment, trade fixtures, Lines, free-standing cabinet work, movable partitions and other articles of personal property that are owned or placed in the Premises by Tenant or any party claiming by, through or under Tenant (except for any Lines not required to be removed under Section 23), and (b) repair all damage to the Premises and Building resulting from such removal. If Tenant fails to timely perform such removal and repair, Landlord may do so at Tenant's expense (including storage costs). If Tenant fails to remove such property from the Premises, or from storage, within 30 days after notice from Landlord, any part of such property shall be deemed, at Landlord's option, either (x) conveyed to Landlord without compensation, or (y) abandoned.

16 HOLDOVER. If Tenant fails to surrender the Premises upon the expiration or earlier termination hereof, Tenant's tenancy shall be subject to the terms and conditions hereof; provided, however, that such tenancy shall be a tenancy at sufferance only, for the entire Premises, and Tenant shall pay Monthly Rent (on a per-month basis without reduction for any partial month) at a rate equal to 150% of the Monthly Rent applicable during the last calendar month of the Term (the "**Holdover Rent**"). Nothing in this Section 16 shall be deemed a consent to any holdover or, except as provided below with respect to New Tenant Damages (defined below), limit Landlord's rights or remedies. If Landlord is unable to deliver possession of the Premises to, or perform improvements for, a new tenant as a result of Tenant's holdover, Tenant shall be liable for any resulting increase in Landlord's costs of leasing the Premises to such new tenant, any resulting loss of rent paid to Landlord by such new tenant (other than any such loss of rent for the period of Tenant's holdover, except to the extent that such loss of rent exceeds the Holdover Rent for such period), and any resulting liability of Landlord in favor of such new tenant (collectively, "**New Tenant Damages**"), but only to the extent that such New Tenant Damages result from the occurrence or continuation of such holdover more than 30 days after notice from Landlord that Landlord has entered into, or will enter into, a lease with such new tenant. Nothing in the preceding sentence shall limit Tenant's liability other than for New Tenant Damages.

17 SUBORDINATION; ESTOPPEL CERTIFICATES.

17.1 This Lease shall be subject and subordinate to all existing and future ground or underlying leases, mortgages, trust deeds and other encumbrances against the Building or Project, all renewals, extensions, modifications, consolidations and replacements thereof (each, a "**Security Agreement**"), and all advances made upon the security of such mortgages or trust deeds, unless in each case the holder of such Security Agreement (each, a "**Security Holder**") requires in writing that this Lease be superior thereto. Upon any termination or foreclosure (or any delivery of a deed in lieu of foreclosure) of any Security Agreement, Tenant, upon request, shall attorn, without deduction or set-off, to the Security Holder or purchaser or any successor thereto and shall recognize such party as the lessor hereunder provided that such party agrees not to disturb Tenant's occupancy so long as Tenant timely pays the Rent and otherwise performs its obligations hereunder. Within 10 business days after Landlord's request, Tenant shall execute such further instruments as Landlord may reasonably deem necessary to evidence the subordination or superiority of this Lease to any Security Agreement. Tenant waives any right it may have under Law to terminate or otherwise adversely affect this Lease or Tenant's obligations hereunder upon a foreclosure. Within 10 business days after Landlord's request, Tenant shall execute and deliver to Landlord a commercially reasonable estoppel certificate in favor of such parties as Landlord may reasonably designate, including current and prospective Security Holders and prospective purchasers.

17.2 Notwithstanding Section 17.1 above to the contrary, during the 60-day period following the execution of this Lease, Landlord will use commercially reasonable efforts to obtain a non-disturbance, subordination and attornment agreement (an "**SNDA**") from Landlord's current Security Holder on such Security Holder's current standard form of agreement. "**Reasonable efforts**" of Landlord shall not require Landlord to escrow any funds or incur any cost, expense or liability to obtain such agreement. Reasonable efforts shall, however, require Landlord to: (i) provide Security Holder with a request to provide Tenant with a SNDA in accordance with the terms of Landlord's Security Agreement with the Security Holder; (ii) promptly provide the Security Holder with such back-up documentation and other information as the Security Holder shall request, including, without limitation, a summary of the terms of this Lease, Tenant financial information (to the extent provided to Landlord by Tenant), and a relevant market information; (iii) periodically follow-up with Security Holder about the status of Security Holder's approval of the SNDA; and (iv) if Security Holder refuses to enter into an SNDA, inquire as to the reasons for such disapproval. Landlord's failure to obtain a non-disturbance, subordination and attornment agreement for Tenant shall have no effect on the rights, obligations and liabilities of Landlord and Tenant or be considered to be a default by Landlord hereunder.

17.3 Notwithstanding Section 17.1, Tenant's agreement to subordinate this Lease to a future Security Agreement shall not be effective unless Landlord has provided Tenant with a commercially reasonable non-disturbance agreement from the Security Holder which provides that the Security Holder will not disturb Tenant's right of possession under this Lease if no Default exists.

18 ENTRY BY LANDLORD. At all reasonable times and upon reasonable notice to Tenant, or in an emergency, Landlord may enter the Premises to (i) inspect the Premises; (ii) show the Premises to prospective purchasers, current or prospective Security Holders or insurers, or, during the last nine (9) months of the Term (or while an uncured Default exists), prospective tenants; (iii) post notices of non-responsibility; or (iv) perform maintenance, repairs or alterations. At any time and without notice to Tenant, Landlord may enter the Premises to perform required services. If reasonably necessary, Landlord may temporarily close any portion of the Premises to perform maintenance, repairs or alterations. In an emergency, Landlord may use any means it deems proper to open doors to and in the Premises. Except in an emergency, Landlord shall use reasonable efforts to minimize interference with Tenant's use of the Premises. Except in an emergency, Tenant may have one of its employees accompany Landlord if Tenant makes such employee available when Landlord enters the Premises. Except as provided herein, no entry into or closure of any portion of the Premises pursuant to this Section 18 shall render Landlord liable to Tenant, constitute a constructive eviction, or excuse Tenant from any obligation hereunder.

19 DEFAULTS; REMEDIES.

19.1 **Events of Default**. The occurrence of any of the following shall constitute a "**Default**":

19.1.1 Any failure by Tenant to pay any Rent (or deliver any Security Deposit, Letter of Credit, or similar credit enhancement that may be required hereunder) when due unless such failure is cured within five (5) business days after written notice; or

19.1.2 Except where a specific time period is otherwise set forth for Tenant's cure herein (in which event Tenant's failure to cure within such time period shall be a Default), and except as otherwise provided in this Section 19.1, any breach by Tenant of any other provision hereof where such breach continues for 30 days after notice from Landlord; provided that if such breach cannot reasonably be cured within such 30-day period, Tenant shall not be in Default as a result of such breach if Tenant diligently commences such cure within such period, thereafter diligently pursues such cure, and completes such cure within 60 days after Landlord's notice (or within such longer period as may be reasonably required provided that such failure can be cured and Tenant diligently pursues such cure);

19.1.3 Abandonment of the Premises by Tenant; or

19.1.4 Any breach by Tenant of Section 17 or 18 where such breach continues for more than five (5) business days after notice from Landlord; or

19.1.5 Tenant becomes in breach of Section 25.3(c) or (d).

If Tenant, by repeating substantially the same act or omission, breaches a particular provision hereof (other than a provision requiring payment of Rent), and Landlord notifies Tenant of such breach, on three (3) separate occasions during any 12-month period, and if such breaches are collectively material, then Tenant's subsequent breach of such provision by commission of substantially the same act or omission shall be, at Landlord's option, an incurable Default. The notice periods provided herein are in lieu of, and not in addition to, any notice periods provided by Law, and Landlord shall not be required to give any additional notice in order to be entitled to commence an unlawful detainer proceeding.

19.2 **Remedies Upon Default**. Upon any Default, Landlord shall have, in addition to any other remedies available to Landlord at law or in equity (which shall be cumulative and nonexclusive), the option to pursue any one or more of the following remedies (which shall be cumulative and nonexclusive) without any notice or demand:

19.2.1 Landlord may terminate this Lease, in which event Tenant shall immediately surrender the Premises to Landlord, and if Tenant fails to do so, Landlord may, without prejudice to any other remedy it may have for possession or arrearages in Rent, enter upon and take possession of the Premises and expel or remove Tenant and any other person who may be occupying the Premises or any part thereof, without being liable for prosecution or any claim of damages therefor; and Landlord may recover from Tenant the following:

(a) The worth at the time of award of the unpaid Rent which had been earned at the time of such termination; plus

(b) The worth at the time of award of the amount by which the unpaid Rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided; plus

(c) The worth at the time of award of the amount by which the unpaid Rent for the balance of the Term after the time of award exceeds the amount of such Rent loss that Tenant proves could be reasonably avoided; plus

(d) Any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform its obligations hereunder or which in the ordinary course of things would be likely to result therefrom, including brokerage commissions, advertising expenses, expenses of remodeling any portion of the Premises for a new tenant (whether for the same or a different use), and any special concessions made to obtain a new tenant; plus

(e) At Landlord's option, such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time by Law.

As used in Sections 19.2.1(a) and (b), the "**worth at the time of award**" shall be computed by allowing interest at a rate per annum equal to the lesser of (i) the annual "Bank Prime Loan" rate cited in the Federal Reserve Statistical Release Publication G. 13(415), published on the first Tuesday of each calendar month (or such other comparable index as Landlord shall reasonably designate if such rate ceases to be published) plus two (2) percentage points, or (ii) the highest rate permitted by Law. As used in Section 19.2.1(c), the "**worth at the time of award**" shall be computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus 1%.

19.2.2 Landlord shall have the remedy described in California Civil Code § 1951.4 (lessor may continue lease in effect after lessee's breach and abandonment and recover Rent as it becomes due, if lessee has the right to sublet or assign, subject only to reasonable limitations). Accordingly, if Landlord does not elect to terminate this Lease on account of any default by Tenant, Landlord may, from time to time, without terminating this Lease, enforce all of its rights and remedies hereunder, including the right to recover all Rent as it becomes due.

19.2.3 Landlord shall at all times have the rights and remedies (which shall be cumulative with each other and cumulative and in addition to those rights and remedies available under Sections 19.2.1 and 19.2.2, or any Law or other provision hereof), without prior demand or notice except as required by Law, to seek any declaratory, injunctive or other equitable relief, and specifically enforce this Lease, or restrain or enjoin a violation or breach of any provision hereof.

19.3 **Efforts to Relet**. Unless Landlord provides Tenant with express notice to the contrary, no reentry, repossession, repair, maintenance, change, alteration, addition, reletting, appointment of a receiver or other action or omission by Landlord shall (a) be construed as an election by Landlord to terminate this Lease or Tenant's right to possession, or to accept a surrender of the Premises, or (b) operate to release Tenant from any of its obligations hereunder. Tenant waives, for Tenant and for all those claiming by, through or under Tenant, California Civil Code § 3275, California Code of Civil Procedure §§ 1174(c) and 1179, and any existing or future rights to redeem or reinstate, by order or judgment of any court or by any legal process or writ, this Lease or Tenant's right of occupancy of the Premises after any termination hereof.

19.4 **Landlord Default**. Landlord shall not be in default hereunder unless it breaches a provision hereof and such breach continues for 30 days after notice from Tenant; provided that if such breach cannot reasonably be cured within such 30-day period, Landlord shall not be in default as a result of such breach if Landlord diligently commences such cure within such period, thereafter diligently pursues such cure, and completes such cure within 60 days after Tenant's notice (or within such longer period as may be reasonably required provided that such failure can be cured and Landlord diligently pursues such cure). Upon any such default by Landlord, Tenant shall have all remedies available to it at law or in equity, except as otherwise provided herein. Before exercising any remedies for a default by Landlord, Tenant shall give notice and a reasonable time to cure to any Security Holder of which Tenant has been notified.

20 EXCULPATION.

20.1 Notwithstanding any contrary provision hereof, (a) the liability of the Landlord Parties to Tenant shall be limited to an amount equal to the lesser of (i) Landlord's interest in the Building, or (ii) the equity interest Landlord would have in the Building if the Building were encumbered by third-party debt in an amount equal to 80% of the value of the Building (as such value is determined by Landlord); (b) Tenant shall look solely to Landlord's interest in the Building for the recovery of any judgment or award against any Landlord Party; (c) no Landlord Party shall have any personal liability for any judgment or deficiency, and Tenant waives and releases such personal liability on behalf of itself and all parties claiming by, through or under Tenant; and (d) no Landlord Party shall be liable for any injury or damage to, or interference with, Tenant's business, including loss of profits, loss of rents or other revenues, loss of business opportunity, loss of goodwill or loss of use, or for any form of special or consequential damage. For purposes of this Section 20, "**Landlord's interest in the Building**" shall include rents paid by tenants, insurance proceeds, condemnation proceeds, and proceeds from the sale of the Building (collectively, "**Owner Proceeds**"); provided, however, that Tenant shall not be entitled to recover Owner Proceeds from any Landlord Party (other than Landlord) or any other third party after they have been distributed or paid to such party; provided further, however, that nothing in this sentence shall diminish any right Tenant may have under Law, as a creditor of Landlord, to initiate or participate in an action to recover Owner Proceeds from a third party on the grounds that such third party obtained such Owner Proceeds when Landlord was, or could reasonably be expected to become, insolvent or in a transfer that was preferential or fraudulent as to Landlord's creditors.

20.2 Notwithstanding any contrary provision hereof, no Tenant Party shall be liable for any form of special or consequential damages; provided, however, that for purposes of this Section 20.2, New Tenant Damages shall not be deemed special or consequential damages.

21 SECURITY DEPOSIT. Concurrently with its execution and delivery hereof, Tenant shall deposit with Landlord the Security Deposit, if any, as security for Tenant's performance of its obligations hereunder. If Tenant breaches any provision hereof, Landlord may, at its option, without limiting its remedies and without notice to Tenant, apply all or part of the Security Deposit to cure such breach and compensate Landlord for any loss or damage caused by such breach, including any damage for which recovery may be made under California Civil Code § 1951.2. If Landlord so applies any portion of the Security Deposit, Tenant, within five (5) business days after demand therefor, shall restore the Security Deposit to its original amount. The Security Deposit is not an advance payment of Rent or measure of damages. Any unapplied portion of the Security Deposit shall be returned to Tenant within 30 days after the later to occur of (a) the expiration of the Term, or (b) Tenant's surrender of the Premises as required hereunder. Landlord shall not be required to keep the Security Deposit separate from its other accounts.

22 [Intentionally Omitted.]

23 COMMUNICATIONS AND COMPUTER LINES. All Lines shall be (a) installed in accordance with Section 7; and (b) clearly marked with adhesive plastic labels (or plastic tags attached to such Lines with wire) to show Tenant's name, suite number, and the purpose of such Lines (i) every six (6) feet outside the Premises (including the electrical room risers and any Common Areas), and (ii) at their termination points. Landlord may reasonably designate specific contractors for work relating to vertical Lines. Sufficient spare cables and space for additional cables shall be maintained for other occupants, as reasonably determined by Landlord. Unless otherwise notified by Landlord, Tenant, at its expense and before the expiration or earlier termination hereof, shall remove all Lines and repair any resulting damage. As used herein, "**Lines**" means all communications or computer wires and cables serving the Premises installed by or for the benefit of Tenant or any party claiming by, through or under Tenant.

24 PARKING. During the Term, Tenant may park in the Building's parking facilities (the "**Parking Facility**"), in common with other tenants of the Building, upon the following terms and conditions (subject to Section 1 of **Exhibit F** with respect to the Temporary Space Term (defined in Section 1 of **Exhibit F**)). Tenant shall not use more than the number of unreserved and/or reserved parking spaces set forth in Section 1.9. Tenant shall pay Landlord, in accordance with Section 3, any fees for the parking spaces described in Section 1.9. Tenant shall pay Landlord any fees, taxes or other charges imposed by any governmental or quasi-governmental agency in connection with the Parking Facility, to the extent such amounts are allocated to Tenant by Landlord based on the number and type of parking spaces Tenant is entitled to use. Tenant shall comply with all reasonable rules and regulations established by Landlord from time to time for the orderly operation and use of the Parking Facility, including any sticker or other identification system and the prohibition of vehicle repair and maintenance activities in the Parking Facility. Landlord may, in its discretion, allocate and assign parking passes among Tenant and the other tenants in the Building. Tenant's use of the Parking Facility shall be at Tenant's sole risk, and, except for bodily or property damage to the extent caused by the gross negligence or willful misconduct of any Landlord Parties, Landlord shall have no liability for any personal injury or damage to or theft of any vehicles or other property occurring in the Parking Facility or otherwise in connection with any use of the Parking Facility by Tenant or its employees or invitees. Landlord may alter the size, configuration, design, layout or any other aspect of the Parking Facility, and, in connection therewith, temporarily deny or restrict access to the Parking Facility, in each case without abatement of Rent or liability to Tenant. Landlord may delegate its responsibilities hereunder to a parking operator, in which case (i) such parking operator shall have all the rights of control reserved herein by Landlord, (ii) Tenant shall enter into a parking agreement with such parking operator, (iii) Tenant shall pay such parking operator, rather than Landlord, any charge established hereunder for the parking spaces, and (iv) Landlord shall have no liability for claims arising through acts or omissions of such parking operator except to the extent caused by Landlord's gross negligence or willful misconduct. Tenant's parking rights under this Section 24 are solely for the benefit of Tenant's employees and invitees and such rights may not be transferred without Landlord's prior consent, except pursuant to a Transfer permitted under Section 14.

25 MISCELLANEOUS.

25.1 **Notices**. No notice, demand, statement, designation, request, consent, approval, election or other communication given hereunder ("**Notice**") shall be binding upon either party unless (a) it is in writing; (b) it is (i) sent by certified or registered mail, postage prepaid, return receipt requested, (ii) delivered by a nationally recognized courier service, or (iii) delivered personally; and (c) it is sent or delivered to the address set forth in Section 1.10 or 1.11, as applicable, or to such other place (other than a P. O. box) as the recipient may from time to time designate in a Notice to the other party. Any Notice shall be deemed received on the earlier of the date of actual delivery or the date on which delivery is refused, or, if Tenant is the recipient and has vacated its notice address without providing a new notice address, three (3) days after the date the Notice is deposited in the U. S. mail or with a courier service as described above. No provision of this Lease requiring a particular Notice to be in writing shall limit the generality of clause (a) of the first sentence of this Section 25.1.

25.2 **Force Majeure**. If either party is prevented from performing any obligation hereunder by any strike, act of God, war, terrorist act, shortage of labor or materials, governmental action, civil commotion or other cause beyond such party's reasonable control ("**Force Majeure**"), such obligation shall be excused during (and any time period for the performance of such obligation shall be extended by) the period of such prevention; provided, however, that this Section 25.2 shall not (a) permit Tenant to hold over in the Premises after the expiration or earlier termination hereof, or (b) excuse (or extend any time period for the performance of) any of Tenant's obligations under Sections 3, 4, 5, 21 or 23.

25.3 **Representations and Covenants**. Tenant represents, warrants and covenants that (a) Tenant is, and at all times during the Term will remain, duly organized, validly existing and in good standing under the Laws of the state of its formation and qualified to do business in the state of California; (b) neither Tenant's execution of nor its performance under this Lease will cause Tenant to be in violation of any agreement or Law; (c) Tenant (and any guarantor hereof) has not, and at no time during the Term will have, (i) made a general assignment for the benefit of creditors, (ii) filed a voluntary petition in bankruptcy, (iii) suffered (A) the filing by creditors of an involuntary petition in bankruptcy that is not dismissed within 30 days, (B) the appointment of a receiver to take possession of all or substantially all of its assets, or (C) the attachment or other judicial seizure of all or substantially all of its assets, (iv) admitted in writing its inability to pay its debts as they come due, or (v) made an offer of settlement, extension or composition to its creditors generally; and (d) no party that (other than through the passive ownership of interests traded on a recognized securities exchange) constitutes, owns, controls, or is owned or controlled by Tenant, any guarantor hereof or any subtenant of Tenant is, or at any time during the Term will be, (i) in violation of any Laws relating to terrorism or money laundering, or (ii) among the parties identified on any list compiled pursuant to Executive Order 13224 for the purpose of identifying suspected terrorists or on the most current list published by the U. S. Treasury Department Office of Foreign Assets Control at its official website, http://www.treas.gov/ofac/tllsdn.pdf or any replacement website or other replacement official publication of such list, with the result that it becomes unlawful for Landlord to do business with Tenant, any guarantor hereof, or any subtenant of Tenant.

25.4 **Signs**. Landlord shall include Tenant's name in any tenant directory located in the lobby on the first floor of the Building. If any part of the Premises is located on a multi-tenant floor, Landlord, at Tenant's cost, shall provide identifying suite signage for Tenant comparable to that provided by Landlord on similar floors in the Building. Tenant may not install (a) any signs outside the Premises, or (b) without Landlord's prior consent in its sole and absolute discretion, any signs, window coverings, blinds or similar items that are visible from outside the Premises.

25.5 **Supplemental HVAC**. If the Premises are served by any supplemental HVAC unit (a "**Unit**"), then (a) Tenant shall pay the costs of all electricity consumed in the Unit's operation, together with the cost of installing a meter to measure such consumption; (b) Tenant, at its expense, shall (i) operate and maintain the Unit in compliance with all applicable Laws and such reasonable rules and procedures as Landlord may impose; (ii) keep the Unit in as good working order and condition as existed upon installation (or, if later, when Tenant took possession of the Premises), subject to normal wear and tear and damage resulting from Casualty; (iii) maintain in effect, with a contractor reasonably approved by Landlord, a contract for the maintenance and repair of the Unit, which contract shall require the contractor, at least once every three (3) months, to inspect the Unit and provide to Tenant a report of any defective conditions, together with any recommendations for maintenance, repair or parts-replacement; (iv) follow all reasonable recommendations of such contractor; and (v) promptly provide to Landlord a copy of such contract and each report issued thereunder; (c) the Unit shall become Landlord's property upon installation and without compensation to Tenant; provided, however, that upon Landlord's request at the expiration or earlier termination hereof, Tenant, at its expense, shall remove the Unit and repair any resulting damage (and if Tenant fails to timely perform such work, Landlord may do so at Tenant's expense); (d) the Unit shall be deemed (i) a Leasehold Improvement (except for purposes of Section 8), and (ii) for purposes of Section 11, part of the Premises; (e) if the Unit exists on the date of mutual execution and delivery hereof, Tenant accepts the Unit in its "as is" condition, without representation or warranty as to quality, condition, fitness for use or any other matter; (f) if the Unit connects to the Building's condenser water loop (if any), then Tenant shall pay to Landlord, as Additional Rent, Landlord's standard one-time fee for such connection and Landlord's standard monthly per-ton usage fee; and (g) if any portion of the Unit is located on the roof, then (i) Tenant's access to the roof shall be subject to such reasonable rules and procedures as Landlord may impose; (ii) Tenant shall maintain the affected portion of the roof in a clean and orderly condition and shall not interfere with use of the roof by Landlord or any other tenants or licensees; and (iii) Landlord may relocate the Unit and/or temporarily interrupt its operation, without liability to Tenant, as reasonably necessary to maintain and repair the roof or otherwise operate the Building. It is acknowledged that, subject to Section 7 of **Exhibit B**, one (1) Unit exists on the date hereof.

25.6 **Attorneys' Fees**. In any action or proceeding between the parties, including any appellate or alternative dispute resolution proceeding, the prevailing party may recover from the other party all of its costs and expenses in connection therewith, including reasonable attorneys' fees and costs.

25.7 **Brokers**. Tenant represents to Landlord that it has dealt only with Tenant's Broker as its broker in connection with this Lease. Tenant shall indemnify, defend, and hold Landlord harmless from all claims of any brokers, other than Tenant's Broker, claiming to have represented Tenant in connection with this Lease. Landlord shall indemnify, defend and hold Tenant harmless from all claims of any brokers, including Landlord's Broker, claiming to have represented Landlord in connection with this Lease. Tenant acknowledges that any Affiliate of Landlord that is involved in the negotiation of this Lease is representing only Landlord, and that any assistance rendered by any agent or employee of such Affiliate in connection with this Lease or any subsequent amendment or other document related hereto has been or will be rendered as an accommodation to Tenant solely in furtherance of consummating the transaction on behalf of Landlord, and not as agent for Tenant.

25.8 **Governing Law; WAIVER OF TRIAL BY JURY**. This Lease shall be construed and enforced in accordance with the Laws of the State of California. THE PARTIES WAIVE, TO THE FULLEST EXTENT PERMITTED BY LAW, THE RIGHT TO TRIAL BY JURY IN ANY LITIGATION ARISING OUT OF OR RELATING TO THIS LEASE, THE RELATIONSHIP OF LANDLORD AND TENANT, TENANT'S USE OR OCCUPANCY OF THE PREMISES, AND/OR ANY CLAIM FOR INJURY OR DAMAGE OR ANY EMERGENCY OR STATUTORY REMEDY.

25.9 **Waiver of Statutory Provisions**. Each party waives California Civil Code §§ 1932(2), 1933(4) and 1945. Tenant waives (a) any rights under (i) California Civil Code §§ 1932(1), 1941, 1942, 1950.7 or any similar Law, or (ii) California Code of Civil Procedure §§ 1263.260 or 1265.130; and (b) any right to terminate this Lease under California Civil Code § 1995.310.

25.10 **Interpretation**. As used herein, the capitalized term "Section" refers to a section hereof unless otherwise specifically provided herein. As used in this Lease, the terms "herein," "hereof," "hereto" and "hereunder" refer to this Lease and the term "include" and its derivatives are not limiting. Any reference herein to "any part" or "any portion" of the Premises, the Property or any other property shall be construed to refer to all or any part of such property. As used herein in connection with insurance, the term "deductible" includes self-insured retention. Wherever this Lease prohibits either party from engaging in any particular conduct, this Lease shall be deemed also to require such party to cause each of its employees and agents (and, in the case of Tenant, each of its licensees, invitees and subtenants, and any other party claiming by, through or under Tenant) to refrain from engaging in such conduct. Wherever this Lease requires Landlord to provide a customary service or to act in a reasonable manner (whether in incurring an expense, establishing a rule or regulation, providing an approval or consent, or performing any other act), this Lease shall be deemed also to provide that whether such service is customary or such conduct is reasonable shall be determined by reference to the practices of owners of buildings ("**Comparable Buildings**") that (i) are comparable to the Building in size, age, class, quality and location, and (ii) at Landlord's option, have been, or are being prepared to be, certified under the U. S. Green Building Council's Leadership in Energy and Environmental Design (LEED) rating system or a similar rating system (provided, however, that this clause (ii) shall not apply unless the Building has been, or is being prepared to be, so certified). Tenant waives the benefit of any rule that a written agreement shall be construed against the drafting party.

25.11 **Entire Agreement**. This Lease sets forth the entire agreement between the parties relating to the subject matter hereof and supersedes any previous agreements (none of which shall be used to interpret this Lease). Tenant acknowledges that in entering into this Lease it has not relied upon any representation, warranty or statement, whether oral or written, not expressly set forth herein. This Lease can be modified only by a written agreement signed by both parties.

25.12 **Other**. Landlord, at its option, may cure any Default, without waiving any right or remedy or releasing Tenant from any obligation, in which event Tenant shall pay Landlord, upon demand, the cost of such cure. If any provision hereof is void or unenforceable, no other provision shall be affected. Submission of this instrument for examination or signature by Tenant does not constitute an option or offer to lease, and this instrument is not binding until it has been executed and delivered by both parties. If Tenant is comprised of two or more parties, their obligations shall be joint and several. Time is of the essence with respect to the performance of every provision hereof in which time of performance is a factor. So long as Tenant performs its obligations hereunder, Tenant shall have peaceful and quiet possession of the Premises against any party claiming by, through or under Landlord, subject to the terms hereof. Landlord may transfer its interest herein, in which event (a) to the extent the transferee assumes in writing Landlord's obligations arising hereunder after the date of such transfer (including the return of any Security Deposit), Landlord shall be released from, and Tenant shall look solely to the transferee for the performance of, such obligations; and (b) Tenant shall attorn to the transferee. If Tenant (or any party claiming by, through or under Tenant) pays directly to the provider for any energy consumed at the Property, Tenant, promptly upon request, shall deliver to Landlord (or, at Landlord's option, execute and deliver to Landlord an instrument enabling Landlord to obtain from such provider) any data about such consumption that Landlord, in its reasonable judgment, is required to disclose to a prospective buyer, tenant or Security Holder under California Public Resources Code § 25402.10 or any similar Law. Landlord reserves all rights not expressly granted to Tenant hereunder, including the right to make alterations to the Project provided that such alterations do not unreasonably impair Tenant's rights hereunder or increase Tenant's obligations hereunder. No rights to any view or to light or air over any property are granted to Tenant hereunder. The expiration or earlier termination hereof shall not relieve either party of any obligation that accrued before, or continues to accrue after, such expiration or termination. This Lease may be executed in counterparts.

GLENDALE, CALIFORNIA

WORK LETTER

As used in this **Exhibit B** (this "**Work Letter**"), the following terms shall have the following meanings:

(i) "**Tenant Improvements**" means all improvements to be constructed in the Premises pursuant to this Work Letter; and

(ii) "**Tenant Improvement Work**" means the construction of the Tenant Improvements, together with any related work (including demolition) that is necessary to construct the Tenant Improvements.

1 ALLOWANCE.

1.1 **Allowance**. Tenant shall be entitled to a one-time tenant improvement allowance (the "**Allowance**") in the amount of **$1,180,700.00** (i.e., $50.00 per rentable square foot of the Premises), to be applied toward the Allowance Items (defined in Section 1.2 below). Tenant shall be responsible for all costs associated with the Tenant Improvement Work, including the costs of the Allowance Items, to the extent such costs exceed the lesser of (a) the Allowance, or (b) the aggregate amount that Landlord is required to disburse for such purpose pursuant to this Work Letter.

1.2 **Allowance Items**. Except as otherwise provided in this Work Letter, the Allowance shall be disbursed by Landlord only for the following items (the "**Allowance Items**"): (a) the fees of the Architect (defined in Section 2.1 below), the Engineers (defined in Section 2.1 below), and Tenant's project manager (if any) together with any Review Fees (defined in Section 3.4.1 below); (b) [Intentionally Omitted]; (c) plan-check, permit and license fees relating to performance of the Tenant Improvement Work; (d) the cost of performing the Tenant Improvement Work, including after-hours charges, testing and inspection costs, freight elevator usage, hoisting and trash removal costs, and contractors' fees and general conditions; (e) the cost of any change to the base, shell or core of the Premises or Building required by the Approved Plans (defined in Section 2.8 below) (including if such change is due to the fact that such work is prepared on an unoccupied basis), including all direct architectural and/or engineering fees and expenses incurred in connection therewith; (f) the cost of any change to the Approved Plans or the Tenant Improvement Work required by Law; (g) [Intentionally Omitted]; (h) sales and use taxes; and (i) all other costs expended by Landlord in connection with the performance of the Tenant Improvement Work. For the avoidance of doubt, no portion of the Allowance shall be used to pay for the design or performance of the Initial Landlord Work (defined in Section 7 below), which shall be the sole responsibility of Landlord. The portions of the Allowance to be used to pay the amounts described in clause (a) of the first sentence of this Section 1.2 shall be disbursed by Landlord to Tenant (or, upon Tenant's request, to Tenant's vendor(s)) within 30 days after Landlord's receipt of Tenant's request together with copies of paid invoices for such amounts.

1.3 **Other Allowance Items**. If any portion of the Allowance remains unused after all Allowance Items have been fully paid, then, upon Tenant's request, and subject to Section 1.4 below, Landlord shall disburse the Allowance, not to exceed 50% of the total amount of the Allowance, to pay installments of Base Rent next coming due under this Lease (the "**Other Allowance Items**"). Tenant shall be responsible for all costs of the Other Allowance Items to the extent such costs exceed the aggregate amount that Landlord is required to disburse for such purpose pursuant to this Work Letter.

1.4 **Deadline for Use of Allowance**. Notwithstanding any contrary provision of this Lease, if, other than by reason Landlord's breach of its obligations under this Lease, the entire Allowance is not used by December 15, 2016, the unused amount shall revert to Landlord and Tenant shall have no further rights with respect thereto.

1.5 **Space Planning Allowance**. Provided that no Default exists, Landlord shall reimburse Tenant an amount not to exceed **$2,833.68** (i.e., $0.12 per rentable square foot of the Premises) toward the costs of preparing the Space Plan (defined in Section 2.3 below). The Space Planning Allowance shall be disbursed by Landlord to Tenant within 30 days after Landlord's receipt of Tenant's requests together with copies of paid invoices for such costs. If Tenant does not submit a request for payment of the entire Space Planning Allowance by December 15, 2016, any unused amount shall revert to Landlord and Tenant shall have no further rights with respect thereto.

1.6 **Landlord Costs**. Notwithstanding any contrary provision of this Lease, Tenant shall not be responsible for any Landlord Cost (defined below) and no Landlord Cost shall be an Allowance Item. As Exhibit B used herein, "**Landlord Cost**" means any portion of the cost of the Tenant Improvement Work that is reasonably attributable to the following and not to any Act of Tenant: (a) any amount paid to the Contractor (defined in Section 2.6.1 below) in excess of the Construction Pricing Proposal (defined in Section 2.6.1 below) approved by Tenant, except to the extent of any revision to the Approved Plans or the Tenant improvements that is approved (or required under Section 2.8 below to be approved) by Tenant in writing; or (b) the presence in the Premises of (i) any hazardous material in an amount or condition that violates applicable Law, or (ii) any asbestos-containing material.

2 CONSTRUCTION DRAWINGS; PRICING.

2.1 **Selection of Architect**. Tenant shall retain Wirt Design or another architect/space planner selected by Tenant and reasonably approved by Landlord (the "**Architect**") and price-competitive engineering consultants designated by Landlord (the "**Engineers**") to prepare all architectural and engineering plans, specifications and working drawings for the Premises (the "**Plans**"). All Plans shall (a) comply with the drawing format and specifications required by Landlord, (b) be consistent with Landlord's requirements for avoiding aesthetic, engineering or other conflicts with the design and function of the balance of the Building (collectively, the "**Landlord Requirements**"), and (c) otherwise be subject to Landlord's reasonable approval. Notwithstanding any review of the Plans by Landlord or any of its space planners, architects, engineers or other consultants, and notwithstanding any advice or assistance that may be rendered to Tenant by Landlord or any such consultant, Landlord shall not be liable for any error or omission in the Plans or have any other liability relating thereto.

2.2 [Intentionally Omitted.]

2.3 **Space Plan**. Tenant shall cause the Architect to prepare a space plan for the Tenant Improvements, including a layout and designation of all offices, rooms and other partitioning, and equipment to be contained in the Premises, together with their intended use (the "**Space Plan**"), and shall deliver four (4) copies of the Space Plan, signed by Tenant, to Landlord for its approval. Tenant shall prepare a space plan for the Tenant Improvements, including a layout and designation of all offices, rooms and other partitioning, and equipment to be contained in the Premises, together with their intended use (the "**Space Plan**"), and shall deliver four (4) copies of the Space Plan, signed by Tenant, to Landlord for its approval. The Space Plan shall (a) comply with the drawing format and specifications required by Landlord, (b) be consistent with Landlord's requirements for avoiding aesthetic, engineering or other conflicts with the design and function of the balance of the Building (collectively, the "**Landlord Requirements**"), and (c) otherwise be subject to Landlord's reasonable approval. Landlord shall provide Tenant with notice approving or reasonably disapproving the Space Plan within 10 business days after the later of Landlord's receipt thereof or the mutual execution and delivery of this Lease. If Landlord disapproves the Space Plan, Landlord's notice of disapproval shall describe with reasonable specificity the basis for such disapproval and Tenant shall cause the Architect to revise the Space Plan and resubmit it for Landlord's approval. Such procedure shall be repeated as necessary until Landlord has approved the Space Plan. Such approved Space Plan shall be referred to herein as the "**Approved Space Plan**." Landlord and Tenant acknowledge that, as of the date of mutual execution and delivery of this Lease, Tenant has previously delivered to Landlord, and Landlord has approved, the Space Plan dated May 28, 2015 prepared by the Architect, as required under this Section 2.3.

2.4 **Additional Programming Information**. After Landlord approves the Space Plan, Tenant shall deliver to Landlord, in writing, all information (including all interior and special finishes, electrical requirements, telephone requirements, special HVAC requirements, and plumbing requirements) that, when combined with the Approved Space Plan, will be sufficient to complete the Construction Drawings (defined in Section 2.5 below) (collectively, the "**Additional Programming Information**"). The Additional Programming Information shall be (a) consistent with the Approved Space Plan and the Landlord Requirements, and (b) otherwise subject to Landlord's reasonable approval. Landlord shall provide Tenant with notice approving or reasonably disapproving the Additional Programming Information within five (5) business days after the later of Landlord's receipt thereof or the mutual execution and delivery of this Lease. If Landlord disapproves the Additional Programming Information, Landlord's notice of disapproval shall describe with reasonable specificity the basis for such disapproval and Tenant shall modify the Additional Programming Information and resubmit it for Landlord's approval. Such procedure shall be repeated as necessary until Landlord has approved the Additional Programming Information. Such approved Additional Programming Information shall be referred to herein as the "**Approved Additional Programming Information**."

2.5 **Construction Drawings**. After Landlord approves the Additional Programming Information, Tenant shall cause the Architect and the Engineers to complete the final architectural (and, if applicable, structural) and engineering working drawings for the Tenant Improvement Work in a form that is sufficient to enable the Contractor (defined in Section 2.6.1.A below) and its subcontractors to bid on the Tenant Improvement Work and obtain the Permits (defined in Section 3.3 below) (collectively, the "**Construction Drawings**"), and shall deliver four (4) copies of the Construction Drawings, signed by Tenant, to Landlord for its approval. Notwithstanding the foregoing, at Tenant's option, the Construction Exhibit B Drawings may be prepared in two phases (first the architectural drawings, then engineering drawings consistent with the previously provided architectural drawings), provided that each phase shall be subject to Landlord's approval. The Construction Drawings shall conform to the Approved Space Plan, the Approved Additional Programming Information and the Landlord Requirements. Landlord shall provide Tenant with notice approving or reasonably disapproving the Construction Drawings (or the applicable phase thereof) within five (5) business days after the later of Landlord's receipt thereof or the mutual execution and delivery of this Lease. If Landlord reasonably disapproves the Construction Drawings (or any phase thereof), Landlord's notice of disapproval shall describe with reasonable specificity the basis for such disapproval, and Tenant shall cause the Construction Drawings (or the applicable phase thereof) to be modified and resubmitted to Landlord for Landlord's approval. Such procedure shall be repeated as necessary until Landlord has approved the Construction Drawings. Such approved Construction Drawings shall be referred to herein as the "**Approved Construction Drawings**." Within one (1) business day after Landlord approves the Construction Drawings, Tenant shall deliver to Landlord a CD ROM of the Approved Construction Drawings in accordance with Landlord's CAD Format Requirements (defined in Section 3.4.3 below).

2.6 **Construction Pricing**.

2.6.1 **Construction Pricing Proposal**.

A. Within 15 business days after the Construction Drawings are approved by Landlord and Tenant, Landlord shall (i) solicit from the Eligible Contractors (defined below) qualified (as reasonably determined by Landlord), competitive bids to perform the Tenant Improvement Work pursuant to the Approved Construction Drawings ("**Qualified Bids**"), (ii) provide Tenant with copies of the Qualified Bids received, and (iii) provide Tenant with Landlord's reasonable estimates ("**Qualified Construction Pricing Proposals**") of the cost of all Allowance Items to be incurred by Tenant in connection with the performance of the Tenant Improvement Work, based upon (other than with respect to soft costs) such received Qualified Bids. At Landlord's option, the Qualified Bids may be based upon the assumption that the Tenant Improvement Work will be performed pursuant to Landlord's standard form of "guaranteed maximum price" contract. As used herein, "**Eligible Contractor**" means Warner Constructors, Inc., Corporate Contractors, Inc., Holwick Constructors, Inc., Interscape Construction, or any other licensed, reputable general contractor that may be selected by Landlord and reasonably approved by Tenant. Tenant shall provide Landlord with notice selecting, from among the Eligible Contractors that have submitted Qualified Bids, the Eligible Contractor that Tenant wishes to perform the Tenant Improvement Work. The Eligible Contractor so selected by Tenant shall be referred to herein as the "**Contractor**".

B. In addition to selecting the Contractor, Tenant shall provide Landlord with notice approving or disapproving the Qualified Construction Pricing Proposal that was based upon the Qualified Bid provided by the Contractor (the "**Construction Pricing Proposal**"). If Tenant disapproves the Construction Pricing Proposal, Tenant's notice of disapproval shall be accompanied by proposed revisions to the Approved Construction Drawings that Tenant requests in order to resolve its objections to the Construction Pricing Proposal, and Landlord shall respond as required under Section 2.8 below. Such procedure shall be repeated as necessary until the Construction Pricing Proposal is approved by Tenant. Upon Tenant's approval of the Construction Pricing Proposal, Landlord may purchase the items set forth in the Construction Pricing Proposal and begin construction relating to such items.

C. Notwithstanding any contrary provision hereof, if, in Landlord's good faith judgment, the Contractor is or becomes unable or unwilling to timely perform the Tenant Improvement Work as contemplated by this Work Letter in accordance with the terms and conditions of Landlord's standard form of construction contract (which, at Landlord's option, may be a guaranteed maximum price contract), Landlord may so notify Tenant, in which event (i) Tenant, within three (3) business days after receiving such notice, shall provide Landlord with notice selecting a new Contractor from among the remaining Eligible Contractors that have submitted Qualified Bids, and (ii) Section 2.6.1.B above shall apply as if such new Contractor had been selected by Tenant as the Contractor pursuant to Section 2.6.1.A above in the first instance.

2.6.2 **Over-Allowance Amount**. If the Construction Pricing Proposal approved by Tenant exceeds the Allowance (less any portion thereof previously disbursed pursuant to the last sentence of Section 1.2 above), then Tenant, within five (5) business days after approving the Construction Pricing Proposal, shall deliver to Landlord cash in the amount of such excess (the "**Over-Allowance Amount**"). Any Over-Allowance Amount shall be disbursed by Landlord before the Allowance and pursuant to the same procedure as the Allowance. If, after the Construction Pricing Proposal is approved by Tenant, (a) any revision is made to the Approved Construction Drawings or the Tenant Improvement Work is otherwise changed, or the Contractor is replaced with a new Contractor, in each case in a way that increases the Construction Pricing Proposal, (b) the Construction Pricing Proposal is otherwise increased to reflect the actual cost of all Allowance Items to be incurred by Tenant in connection with the performance of the Tenant Improvement Work pursuant to the terms hereof, or (c) any portion of the Exhibit B Allowance is disbursed pursuant to the last sentence of Section 1.2 above, then Tenant shall deliver any resulting Over-Allowance Amount (or any resulting increase in the Over-Allowance Amount) to Landlord within five (5) business days after Landlord's request.

2.6.3 **Certain Charges Excluded**. No cost of parking, utilities, after-hours HVAC or freight elevator usage incurred in connection with the Tenant Improvement Work or Tenant's initial move-in shall be deemed an Allowance Item or otherwise charged to Tenant.

2.7 **Permits**. After the Construction Drawings have been approved by Landlord and Tenant, Tenant shall submit the Approved Construction Drawings to the appropriate municipal authorities and otherwise apply for and obtain from such authorities all permits necessary for the Contractor to complete the Tenant Improvement Work (the "**Permits**"). Tenant shall coordinate with Landlord in order to allow Landlord, at its option, to take part in all phases of the permitting process and shall supply Landlord, as soon as possible, with all plan check numbers and dates of submittal. Without limiting Tenant's obligations or Landlord's remedies, Tenant shall cause the Approved Construction Drawings to be sufficient for issuance of the Permits, and if the Approved Construction Drawings are insufficient for such issuance, then Tenant, subject to Sections 2.8 and 5.2 below, shall cause the Architect and/or Engineers to promptly revise the Approved Construction Drawings to remedy such insufficiency and resubmit the same for Landlord's approval. As used herein, "**Required Permitting Materials**" means the Approved Construction Drawings sufficient for issuance of the Permits, together with all applications and other materials, if any, necessary to obtain the Permits.

2.8 **Revisions**. If Tenant requests Landlord's approval of any revision to the Approved Space Plan, the Approved Additional Programming Information, or the Approved Construction Drawings (collectively, the "**Approved Plans**"), Landlord shall provide Tenant with notice approving or reasonably disapproving such revision, and, if Landlord approves such revision, Landlord shall deliver to Tenant notice of any resulting change in the most recent Construction Pricing Proposal, if any, within five (5) business days after the later of Landlord's receipt of such request or the mutual execution and delivery of this Lease, whereupon Tenant, within five (5) business days, shall notify Landlord whether it desires to proceed with such revision. If Landlord has begun performing the Tenant Improvement Work, then, in the absence of such authorization, Landlord shall have the option to continue such performance disregarding such revision. Without limitation, it shall be deemed reasonable for Landlord to disapprove any such proposed revision that conflicts with the Landlord Requirements. Landlord shall not revise the Approved Plans without Tenant's consent, which shall not be withheld or conditioned to the extent that such revision is required in order to cause the Approved Plans to comply with Law. Tenant shall approve, or reasonably disapprove (and state, with reasonable specificity, its reasons for disapproving), any revision to the Approved Plans within two (2) business days after receiving Landlord's request for approval thereof. For purposes hereof, any change order affecting the Approved Plans shall be deemed a revision thereto.

2.9 **Tenant's Submission Deadline**. Tenant shall select the Contractor, approve the Construction Pricing Proposal pursuant to Section 2.6.1 above, and submit the Required Permitting Materials to the appropriate governmental authorities, all on or before Tenant's Submission Deadline (defined below). As used in this Work Letter, "**Tenant's Submission Deadline**" means the date occurring 65 business days after the mutual execution and delivery of this Lease; provided, however, that (a) Tenant's Submission Deadline shall be extended by one (1) day for each day, if any, by which Tenant's selection of the Contractor pursuant to Section 2.6.1 above, Tenant's approval of the Construction Pricing Proposal pursuant to Section 2.6.1 above, or Tenant's submission of the Required Permitting Materials to the appropriate governmental authorities pursuant to Section 2.7 above is delayed by any failure of Landlord to perform its obligations under this Section 2; and (b) if Landlord notifies Tenant, pursuant to Section 2.6.1.C above, that the Contractor is unable or unwilling to timely perform the Tenant Improvement Work as contemplated by this Work Letter in accordance with the terms and conditions of Landlord's standard form of construction contract, then Tenant's Submission Deadline shall be the later of the existing Tenant's Submission Deadline or the date occurring five (5) business days after the date of such notice to Tenant.

3 CONSTRUCTION.

3.1 **Contractor**. Landlord shall retain the Contractor (defined below) to perform the Tenant Improvement Work. In addition, Landlord may select and/or approve of any subcontractors, mechanics and materialmen used in connection with the performance of the Tenant Improvement Work.

3.2 [Intentionally Omitted]

3.3 [Intentionally Omitted.]

3.4 **Construction**.

3.4.1 **Performance of Tenant Improvement Work; Review Fees**. Landlord shall cause the Contractor to perform the Tenant Improvement Work in accordance with the Approved Construction Drawings. Tenant shall not be required to pay any supervision or management fee in connection with the design and construction of the Tenant Improvements. However, Tenant shall reimburse Landlord, upon demand, for any fees reasonably incurred by Landlord for review of any structural or other non-customary elements of the Plans (such as raised floors, internal stairways, and the like) by Landlord's third party consultants ("**Review Fees**").

3.4.2 **Contractor's Warranties**. Tenant waives all claims against Landlord relating to any defects in the Tenant Improvements; provided, however, that if, within 345 days after substantial completion of the Tenant Improvement Work, Tenant provides notice to Landlord of any defect in the Tenant Improvements, then Landlord shall promptly cause such defect to be corrected.

3.4.3 **Tenant's Covenants**. At the completion of construction, Tenant shall cause the Architect to (i) update the Approved Construction Drawings as necessary to reflect all changes made to the Approved Construction Drawings during the course of construction, (ii) certify to the best of its knowledge that the updated drawings are true and correct, which certification shall survive the expiration or termination of the Lease, and (iii) deliver to Landlord two (2) CD ROMS of such updated drawings in accordance with Landlord's CAD Format Requirements (defined below) within 30 days following issuance of a certificate of occupancy for the Premises. For purposes of this Work Letter, "**Landlord's CAD Format Requirements**" shall mean (w) the version is no later than current Autodesk version of AutoCAD plus the most recent release version, (x) files must be unlocked and fully accessible (no "cad-lock", read-only, password protected or "signature" files), (y) files must be in "dwg" format, and (z) if the data was electronically in anon-Autodesk product, then files must be converted into "dwg" files when given to Landlord.

4 COMPLIANCE WITH LAW; SUITABILITY FOR TENANT'S USE. Tenant shall be responsible for ensuring that (a) all elements of the design of the Plans comply with Law and are otherwise suitable for Tenant's use of the Premises, and (b) no Tenant Improvement impairs any system or structural component of the Building, and neither Landlord's nor its consultants' approval of the Plans shall relieve Tenant from such responsibility.

5 COMPLETION.

5.1 Substantial Completion. For purposes of Section 1.3.2 of this Lease, and subject to Section 5.2 below, the Tenant Improvement Work shall be deemed to be "**Substantially Complete**" on the later of (a) the completion of the Tenant Improvement Work pursuant to the Approved Construction Drawings (as reasonably determined by Landlord), with the exception of any details of construction, mechanical adjustment or any other similar matter the non-completion of which does not materially interfere with Tenant's use of the Premises, or (b) the date on which Landlord receives from the appropriate governmental authorities, with respect to the Tenant Improvement Work, all approvals necessary for the lawful occupancy of the Premises

5.2 **Tenant Cooperation; Tenant Delay**. Tenant shall use commercially reasonable efforts to cooperate with Landlord, the Architect, the Engineers, the Contractor, and Landlord's other consultants to complete all phases of the Plans, approve the Construction Pricing Proposal, obtain the Permits, and complete the Tenant Improvement Work as soon as possible, and Tenant shall meet with Landlord, in accordance with a schedule determined by Landlord, to discuss the parties' progress. Without limiting the foregoing, if (i) the Tenant Improvements include the installation of electrical connections for furniture stations to be installed by Tenant, and (ii) any electrical or other portions of such furniture stations must be installed in order for Landlord to obtain any governmental approval required for occupancy of the Premises, then (x) Tenant, upon five (5) business days' notice from Landlord, shall promptly install such portions of such furniture stations in accordance with Sections 7.2 and 7.3 of this Lease, and (y) during the period of Tenant's entry into the Premises for the purpose of performing such installation, all of Tenant's obligations under this Lease relating to the Premises shall apply, except for the obligation to pay Monthly Rent. In addition, without limiting the foregoing, if the Substantial Completion of the Tenant Improvement Work is delayed (a "**Tenant Delay**") as a result of (a) any failure of Tenant to select the Contractor pursuant to Section 2.6.1 above, approve the Construction Pricing Proposal pursuant to Section 2.6.1 above, and submit the Required Permitting Materials to the appropriate authorities pursuant toSection 2.7 above, all on or before Tenant's Submission Deadline; (b) [Intentionally Omitted]; (c) any failure of Tenant to timely approve any other matter requiring Tenant's approval; (d) any breach by Tenant of this Work Letter or this Lease; (e) any request by Tenant for any revision to, or for Landlord's approval of any revision to, any portion of the Approved Plans (except to the extent that such delay results from a breach by Landlord of its obligations under Section 2.8 above); (0 any requirement of Tenant for materials, components, finishes or improvements that are not available in a commercially reasonable time given the anticipated date of Substantial Completion of the Exhibit B Tenant Improvement Work as set forth in this Lease; or (g) any change to the base, shell or core of the Premises or Building required by the Approved Construction Drawings, and if (other than in the case of the preceding clause (a)) such Tenant Delay is not cured by Tenant within one (1) business day after written notice from Landlord describing such Tenant Delay, then, regardless of when the Tenant Improvement Work is actually Substantially Completed, the Tenant Improvement Work shall be deemed to be Substantially Completed on the date on which the Tenant Improvement Work would have been Substantially Completed if no such Tenant Delay had occurred. Notwithstanding the foregoing, Landlord shall not be required to tender possession of the Premises to Tenant before the Tenant Improvement Work has been Substantially Completed, as determined without giving effect to the preceding sentence. Notwithstanding Section 25.1 of this Lease, Landlord's notice to Tenant of any Tenant Delay may be given orally, by e-mail, or by any other method.

6 MISCELLANEOUS. Notwithstanding any contrary provision of this Lease, if Tenant defaults under this Lease before the Tenant Improvement Work is completed, **Landlord's** obligations under this Work Letter shall be excused until such default is cured and Tenant shall be responsible for any resulting delay in the completion of the Tenant Improvement Work. This Work Letter shall not apply to any space other than the Premises.

7 INITIAL LANDLORD WORK. Landlord shall cause the construction or installation of the following items in a good and workmanlike manner using Building-standard materials, methods and finishes (collectively, the "**Initial Landlord Work**"): such modifications to the restrooms within the Premises as may be necessary to bring them into compliance with the Americans with Disabilities Act and any similar state or local accessibility Laws, as determined without regard to any modifications to such restrooms that may be contemplated by the Approved Plans. In addition, if Tenant, within 30 days after the date of this Lease, requests that Landlord remove the Unit (as defined in Section 25.5 of this Lease) that exists on the date of this Lease, then the Initial Landlord Work shall be deemed to include such removal in a good and workmanlike manner using Building-standard methods. Notwithstanding any contrary provision of this Lease, the Initial Landlord Work shall be performed at Landlord's expense and shall not be deemed Tenant Improvements, Tenant Improvement Work or an Allowance Item.

RULES AND REGULATIONS

Tenant shall comply with the following rules and regulations (as modified or supplemented from time to time, the "**Rules and Regulations**"). Landlord shall not be responsible to Tenant for the nonperformance of any of the Rules and Regulations by any other tenants or occupants of the Project. In the event of any conflict between the Rules and Regulations and the other provisions of this Lease, the latter shall control.

1. Tenant shall not alter any lock or install any new or additional locks or bolts on any doors or windows of the Premises without obtaining Landlord's prior consent. Tenant shall bear the cost of any lock changes or repairs required by Tenant. Two (2) keys will be furnished by Landlord for the Premises, and any additional keys required by Tenant must be obtained from Landlord at a reasonable cost to be established by Landlord. Upon the termination of this Lease, Tenant shall restore to Landlord all keys of stores, offices and toilet rooms furnished to or otherwise procured by Tenant, and if any such keys are lost, Tenant shall pay Landlord the cost of replacing them or of changing the applicable locks if Landlord deems such changes necessary.

2. All doors opening to public corridors shall be kept closed at all times except for normal ingress and egress to the Premises.

3. Landlord may close and keep locked all entrance and exit doors of the Building during such hours as are customary for Comparable Buildings. Tenant shall cause its employees, agents, contractors, invitees and licensees who use Building doors during such hours to securely close and lock them after such use. Any person entering or leaving the Building during such hours, or when the Building doors are otherwise locked, may be required to sign the Building register, and access to the Building may be refused unless such person has proper identification or has a previously arranged access pass. Landlord will furnish passes to persons for whom Tenant requests them. Tenant shall be responsible for all persons for whom Tenant requests passes and shall be liable to Landlord for all acts of such persons. Landlord and its agents shall not be liable for damages for any error with regard to the admission or exclusion of any person to or from the Building. In case of invasion, mob, riot, public excitement or other commotion, Landlord may prevent access to the Building or the Project during the continuance thereof by any means it deems appropriate for the safety and protection of life and property.

4. No furniture, freight or equipment shall be brought into the Building without prior notice to Landlord. All moving activity into or out of the Building shall be scheduled with Landlord and done only at such time and in such manner as Landlord designates. Landlord may prescribe the weight, size and position of all safes and other heavy property brought into the Building and also the times and manner of moving the same in and out of the Building. Safes and other heavy objects shall, if considered necessary by Landlord, stand on supports of such thickness as is necessary to properly distribute the weight. Landlord will not be responsible for loss of or damage to any such safe or property. Any damage to the Building, its contents, occupants or invitees resulting from Tenant's moving or maintaining any such safe or other heavy property shall be the sole responsibility and expense of Tenant (notwithstanding Sections 7 and 10.4 of this Lease).

5. No furniture, packages, supplies, equipment or merchandise will be received in the Building or carried up or down in the elevators, except between such hours, in such specific elevator and by such personnel as shall be designated by Landlord.

6. Employees of Landlord shall not perform any work or do anything outside their regular duties unless under special instructions from Landlord.

7. No sign, advertisement, notice or handbill shall be exhibited, distributed, painted or affixed by Tenant on any part of the Premises or the Building without Landlord's prior consent. Tenant shall not disturb, solicit, peddle or canvass any occupant of the Project.

8. The toilet rooms, urinals, wash bowls and other apparatus shall not be used for any purpose other than that for which they were constructed, and no foreign substance shall be thrown therein. Notwithstanding Sections 7 and 10.4 of this Lease, Tenant shall bear the expense of any breakage, stoppage or damage resulting from any violation of this rule by Tenant or any of its employees, agents, contractors, invitees or licensees.

9. Tenant shall not overload the floor of the Premises, or mark, drive nails or screws or drill into the partitions, woodwork or drywall of the Premises, or otherwise deface the Premises, without Landlord's prior consent. Tenant shall not purchase bottled water, ice, towel, linen, maintenance or other like services from any person not approved by Landlord.

10. Except for vending machines intended for the sole use of Tenant's employees and invitees, no vending machine or machines other than fractional horsepower office machines shall be installed, maintained or operated in the Premises without Landlord's prior consent.

11. Tenant shall not, without Landlord's prior consent, use, store, install, disturb, spill, remove, release or dispose of, within or about the Premises or any other portion of the Project, any asbestos-containing materials, any solid, liquid or gaseous material now or subsequently considered toxic or hazardous under the provisions of 42 U. S. C. Section 9601 et seq. or any other applicable environmental Law, or any inflammable, explosive or dangerous fluid or substance; provided, however, that Tenant may use, store and dispose of such substances in such amounts as are typically found in similar premises used for general office purposes provided that such use, storage and disposal does not damage any part of the Premises, Building or Project and is performed in a safe manner and in accordance with all Laws. Tenant shall comply with all Laws pertaining to and governing the use of such materials by Tenant and shall remain solely liable for the costs of abatement and removal. No burning candle or other open flame shall be ignited or kept by Tenant in or about the Premises, Building or Project.

12. Tenant shall not, without Landlord's prior consent, use any method of heating or air conditioning other than that supplied by Landlord.

13. Tenant shall not use or keep any foul or noxious gas or substance in or on the Premises, or occupy or use the Premises in a manner offensive or objectionable to Landlord or other occupants of the Project by reason of noise, odors or vibrations, or interfere with other occupants or those having business therein, whether by the use of any musical instrument, radio, CD player or otherwise. Tenant shall not throw anything out of doors, windows or skylights or down passageways.

14. Tenant shall not bring into or keep within the Project, the Building or the Premises any animals (other than service animals), birds, aquariums, or, except in areas designated by Landlord, bicycles or other vehicles.

15. No cooking shall be done in the Premises, nor shall the Premises be used for lodging, for living quarters or sleeping apartments, or for any improper, objectionable or immoral purposes. Notwithstanding the foregoing, Underwriters' laboratory-approved equipment and microwave ovens may be used in the Premises for heating food and brewing coffee, tea, hot chocolate and similar beverages for employees and invitees, provided that such use complies with all Laws.

16. The Premises shall not be used for manufacturing or for the storage of merchandise except to the extent such storage may be incidental to the Permitted Use. Tenant shall not occupy the Premises as an office for a messenger-type operation or dispatch office, public stenographer or typist, or for the manufacture or sale of liquor, narcotics or tobacco, or as a medical office, a barber or manicure shop, or an employment bureau, without Landlord's prior consent. Tenant shall not engage or pay any employees in the Premises except those actually working for Tenant in the Premises, nor advertise for laborers giving an address at the Premises.

17. Landlord may exclude from the Project any person who, in Landlord's judgment, is intoxicated or under the influence of liquor or drugs, or who violates any of these Rules and Regulations.

18. Tenant shall not loiter in or on the entrances, corridors, sidewalks, lobbies, courts, halls, stairways, elevators, vestibules or any Common Areas for the purpose of smoking tobacco products or for any other purpose, nor in any way obstruct such areas, and shall use them only as a means of ingress and egress for the Premises.

19. Tenant shall not waste electricity, water or air conditioning, shall cooperate with Landlord to ensure the most effective operation of the Building's heating and air conditioning system, and shall not attempt to adjust any controls.

20. Tenant shall store all its trash and garbage inside the Premises. No material shall be placed in the trash or garbage receptacles if, under Law, it may not be disposed of in the ordinary and customary manner of disposing of trash and garbage in the vicinity of the Building. All trash, garbage and refuse disposal shall be made only through entryways and elevators provided for such purposes at such times as Landlord shall designate. Tenant shall comply with Landlord's recycling program, if any.

21. Tenant shall comply with all safety, fire protection and evacuation procedures and regulations established by Landlord or any governmental agency.

22. Any persons employed by Tenant to do janitorial work (a) shall be subject to Landlord's prior consent; (b) shall not, in Landlord's reasonable judgment, disturb labor harmony with any workforce or trades engaged in performing other work or services at the Project; and (c) while in the Building and outside of the Premises, shall be subject to the control and direction of the Building manager (but not as an agent or employee of such manager or Landlord), and Tenant shall be responsible for all acts of such persons.

23. No awning or other projection shall be attached to the outside walls of the Building without Landlord's prior consent. Other than Landlord's Building-standard window coverings, no curtains, blinds, shades or screens shall be attached to or hung in, or used in connection with, any window or door of the Premises. All electrical ceiling fixtures hung in the Premises or spaces along the perimeter of the Building must be fluorescent and/or of a quality, type, design and a warm white bulb color approved in advance by Landlord. Neither the interior nor exterior of any windows shall be coated or otherwise sunscreened without Landlord's prior consent. Tenant shall abide by Landlord's regulations concerning the opening and closing of window coverings.

24. Tenant shall not obstruct any sashes, sash doors, skylights, windows or doors that reflect or admit light or air into the halls, passageways or other public places in the Building, nor shall Tenant place any bottles, parcels or other articles on the windowsills.

25. Tenant must comply with requests by Landlord concerning the informing of their employees of items of importance to the Landlord.

26. Tenant must comply with the State of California "No-Smoking" law set forth in California Labor Code Section 6404.5 and with any local "No-Smoking" ordinance that is not superseded by such law.

27. Tenant shall cooperate in any reasonable safety or security program developed by Landlord or required by Law.

28. All office equipment of an electrical or mechanical nature shall be placed by Tenant in the Premises in settings approved by Landlord, to absorb or prevent any vibration, noise or annoyance.

29. Tenant shall not use any hand trucks except those equipped with rubber tires and rubber side guards.

30. No auction, liquidation, fire sale, going-out-of-business or bankruptcy sale shall be conducted in the Premises without Landlord's prior consent.

31. Without Landlord's prior consent, Tenant shall not use the name of the Project or Building or use pictures or illustrations of the Project or Building in advertising or other publicity or for any purpose other than as the address of the business to be conducted by Tenant in the Premises.

Landlord may, by prior written notice to Tenant from time to time, modify or supplement these Rules and Regulations in a manner that, in Landlord's reasonable judgment, is appropriate for the management, safety, care and cleanliness of the Premises, the Building, the Common Areas and the Project, for the preservation of good order therein, and for the convenience of other occupants and tenants thereof, provided that no such modification or supplement shall materially reduce Tenant's rights or materially increase Tenant's obligations hereunder. Landlord may waive any of these Rules and Regulations for the benefit of any tenant, but no such waiver shall be construed as a waiver of such Rule and Regulation in favor of any other tenant nor prevent Landlord from thereafter enforcing such Rule and Regulation against any tenant. Notwithstanding the foregoing, no rule that is added to the initial Rules and Regulations shall be enforced against Tenant in a manner that unreasonably discriminates in favor of any other similarly situated tenant.

JUDICIAL REFERENCE

IF THE JURY-WAIVER PROVISIONS OF SECTION 25.8 OF THIS LEASE ARE NOT ENFORCEABLE UNDER CALIFORNIA LAW, THE PROVISIONS SET FORTH BELOW SHALL APPLY.

It is the desire and intention of the parties to agree upon a mechanism and procedure under which controversies and disputes arising out of this Lease or related to the Premises will be resolved in a prompt and expeditious manner. Accordingly, except with respect to actions for unlawful or forcible detainer or with respect to the prejudgment remedy of attachment, any action, proceeding or counterclaim brought by either party hereto against the other (and/or against its officers, directors, employees, agents or subsidiaries or affiliated entities) on any matters arising out of or in any way connected with this Lease, Tenant's use or occupancy of the Premises and/or any claim of injury or damage, whether sounding in contract, tort, or otherwise, shall be heard and resolved by a referee under the provisions of the California Code of Civil Procedure, Sections 638 — 645.1, inclusive (as same may be amended, or any successor statute(s) thereto) (the "**Referee Sections**"). Any fee to initiate the judicial reference proceedings and all fees charged and costs incurred by the referee shall be paid by the party initiating such procedure (except that if a reporter is requested by either party, then a reporter shall be present at all proceedings where requested and the fees of such reporter — except for copies ordered by the other parties — shall be borne by the party requesting the reporter); provided however, that allocation of the costs and fees, including any initiation fee, of such proceeding shall be ultimately determined in accordance with Section 25.6 of this Lease. The venue of the proceedings shall be in the county in which the Premises are located. Within 10 days of receipt by any party of a request to resolve any dispute or controversy pursuant to this **Exhibit E**, the parties shall agree upon a single referee who shall try all issues, whether of fact or law, and report a finding and judgment on such issues as required by the Referee Sections. If the parties are unable to agree upon a referee within such 10-day period, then any party may thereafter file a lawsuit in the county in which the Premises are located for the purpose of appointment of a referee under the Referee Sections. If the referee is appointed by the court, the referee shall be a neutral and impartial retired judge with substantial experience in the relevant matters to be determined, from Jams/Endispute, Inc., ADR Services, Inc. or a similar mediation/arbitration entity approved by each party in its sole and absolute discretion. The proposed referee may be challenged by any party for any of the grounds listed in the Referee Sections. The referee shall have the power to decide all issues of fact and law and report his or her decision on such issues, and to issue all recognized remedies available at law or in equity for any cause of action that is before the referee, including an award of attorneys' fees and costs in accordance with this Lease. The referee shall not, however, have the power to award punitive damages, nor any other damages that are not permitted by the express provisions of this Lease, and the parties waive any right to recover any such damages. The parties may conduct all discovery as provided in the California Code of Civil Procedure, and the referee shall oversee discovery and may enforce all discovery orders in the same manner as any trial court judge, with rights to regulate discovery and to issue and enforce subpoenas, protective orders and other limitations on discovery available under California Law. The reference proceeding shall be conducted in accordance with California Law (including the rules of evidence), and in all regards, the referee shall follow California Law applicable at the time of the reference proceeding. The parties shall promptly and diligently cooperate with one another and the referee, and shall perform such acts as may be necessary to obtain a prompt and expeditious resolution of the dispute or controversy in accordance with the terms of this **Exhibit E**. In this regard, the parties agree that the parties and the referee shall use best efforts to ensure that (a) discovery be conducted for a period no longer than six (6) months from the date the referee is appointed, excluding motions regarding discovery, and (b) a trial date be set within nine (9) months of the date the referee is appointed. In accordance with Section 644 of the California Code of Civil Procedure, the decision of the referee upon the whole issue must stand as the decision of the court, and upon the filing of the statement of decision with the clerk of the court, or with the judge if there is no clerk, judgment may be entered thereon in the same manner as if the action had been tried by the court. Any decision of the referee and/or judgment or other order entered thereon shall be appealable to the same extent and in the same manner that such decision, judgment, or order would be appealable if rendered by a judge of the superior court in which venue is proper hereunder. The referee shall in his/her statement of decision set forth his/her findings of fact and conclusions of law. The parties intend this general reference agreement to be specifically enforceable in accordance with the Code of Civil Procedure. Nothing in this **Exhibit E** shall prejudice the right of any party to obtain provisional relief or other equitable remedies from a court of competent jurisdiction as shall otherwise be available under the Code of Civil Procedure and/or applicable court rules.

ADDITIONAL PROVISIONS

1. **Temporary Space**. Notwithstanding any contrary provision of this Lease, but subject to the terms of this Section 1, during the period (the "**Temporary Space Term**") beginning on the Temporary Space Commencement Date (defined below) and ending on the earlier of the Commencement Date or the date of any earlier termination of this Lease (the "**Temporary Space Expiration Date**") only, the term "Premises," as defined in the first sentence of Section 1.2.2 of this Lease, shall be deemed to include, in addition to the space expressly described in such definition, the approximately **12,292** rentable square feet of space located on the ninth (9th) floor of the Building and designated as "Suite 908" on **Exhibit F-1** to this Lease (the "**Temporary Space**"), and the Temporary Space shall be subject to all of the provisions of this Lease; provided, however, that: (i) the Commencement Date for the Temporary Space shall be the Temporary Space Commencement Date and the Expiration Date for the Temporary Space shall be the Temporary Space Expiration Date; (ii) the amount of Base Rent required to be paid for the Temporary Space shall be $5,000.00 per month (provided, however, that solely for purposes of determining Tenant's obligations with respect to the Temporary Space under Section 16 of this Lease, the amount of Base Rent required to be paid for the Temporary Space during the last month of the Temporary Space Term shall be deemed to be $30,730.00 per month); (iii) Tenant shall not be required to pay Tenant's Share of Expenses or Taxes for the Temporary Space; (iv) Tenant shall not be entitled to receive any allowance, abatement or other financial concession in connection with the Temporary Space that is being granted with respect to the balance of the Premises, and, for purposes of **Exhibit B** to this Lease, the Premises shall be deemed to exclude the Temporary Space; (v) the Temporary Space shall not be subject to any renewal or expansion right of Tenant under this Lease; and (vi) during the Temporary Space Term, the parking spaces that Tenant is entitled to use pursuant to Section 24 of this Lease shall be located in the portion of the Parking Facility located beneath the Building. As used herein, "**Temporary Space Commencement Date**" means the first business day following the date of mutual execution and delivery of this Lease. Landlord, at its expense, shall perform the Remaining Temporary Space Work (defined below). It is acknowledged and agreed that (x) the Remaining Temporary Space Work may be performed during normal business hours before or after the Temporary Space Commencement Date; and (y) any delay in the completion of the Remaining Temporary Space Work or inconvenience suffered by Tenant during the performance of the Remaining Temporary Space Work shall not delay the Temporary Space Commencement Date, subject Landlord to any liability for any loss or damage resulting therefrom, or entitle Tenant to any credit, abatement or adjustment of rent or other sums payable under this Lease; provided, however, that Landlord and Tenant shall cooperate with each other in order to enable the Remaining Temporary Space Work to be performed by July 3, 2015 or as soon thereafter as reasonably possible and with as little inconvenience to the operation of Tenant's business as is reasonably possible (but without any obligation on the part of Landlord to perform or pay for any overtime work). As used herein, "**Remaining Temporary Space Work**" means the following work, all performed in a good and workmanlike manner using Building-standards materials, methods and finishes, as shown on **Exhibit F-2**: (a) patching, repair and painting of crown molding and base molding; and (b) installation of kitchen sink cabinetry. Landlord represents and warrants that the following work has been completed in a good and workmanlike manner using Building-standards materials, methods and finishes (except as may be otherwise shown on **Exhibit F-2**): (i) the demolition of walls and cabinetry as shown on **Exhibit F-2**; (ii) the installation of new carpet, paint on existing painted walls, and VCT (in the existing server room), all as shown on **Exhibit F-2**; (iii) the removal of name decals from glass in private offices; and (iv) such removal of debris and such cleaning as is necessary to put the Temporary Space in "broom clean" condition. Without limiting the foregoing, upon the expiration of the Temporary Space Term, all provisions (including Sections 8.15 and 16) of this Lease that would apply to the Premises upon the expiration of this Lease with respect to the Premises shall apply to the Temporary Space.

2. **Letter of Credit**.

2.1. **General Provisions**. Concurrently with its execution and delivery of this Lease, Tenant shall deliver to Landlord, as collateral for Tenant's performance of its obligations under this Lease, a standby, unconditional, irrevocable, transferable letter of credit (the "**Letter of Credit**") that (a) is substantially in the form of **Exhibit F-3** (or another form approved by Landlord in its sole and absolute discretion), (b) is in the amount of **$500,000.00** (the "**Letter of Credit Amount**"), (c) names Landlord as beneficiary, and (d) is issued (or confirmed) by a financial institution that meets the Minimum Financial Requirement (defined below) and is otherwise acceptable to Landlord in its reasonable discretion. For purposes hereof, a financial institution shall be deemed to meet the "**Minimum Financial Requirement**" at a particular time only if such financial institution then (i) has not been placed into receivership by the FDIC, and (ii) has a financial strength that, in Landlord's good faith judgment, is not less than that which is then generally required by Landlord and its Affiliates as a condition to accepting letters of credit in support of new leases. Tenant shall cause the Letter of Credit to be continuously maintained in effect (whether through replacement, renewal or extension) in the Letter of Credit Amount through the date (the "**Final LC Expiration Date**") occurring 60 days after the expiration or earlier termination of this Lease.

2.2. **Replacement of Letter of Credit**.

A. If the Letter of Credit held by Landlord expires or terminates before the Final LC Expiration Date (whether by reason of a stated expiration date or a notice of termination or non-renewal given by the issuing bank), Tenant shall deliver to Landlord, not later than 45 days before such expiration or termination, a new Letter of Credit, or a certificate of renewal or extension of the Letter of Credit held by Landlord, in an amount not less than the Letter of Credit Amount (less the amount of any unapplied Proceeds (defined in Section 2.3 below) then held by Landlord) and otherwise satisfying all of the requirements set forth in the first sentence of Section 2.1 above (the "**LC Requirements**").

B. If, at any time before the Final LC Expiration Date, the financial institution that issued (or confirmed) the Letter of Credit held by Landlord does not meet the Minimum Financial Requirement, then Tenant, within 10 business days after Landlord's demand, shall deliver to Landlord, in replacement of such Letter of Credit, a new Letter of Credit that (i) is issued (or confirmed) by a financial institution that meets the Minimum Financial Requirement and is otherwise acceptable to Landlord in its reasonable discretion, and (ii) is in an amount not less than the Letter of Credit Amount (less the amount of any unapplied Proceeds then held by Landlord) and otherwise satisfies all of the LC Requirements, whereupon Landlord shall return to Tenant the Letter of Credit that is being replaced.

C. If, at any time before the Final LC Expiration Date, the amount of the Letter of Credit held by Landlord is less than the Letter of Credit Amount (less the amount of any unapplied Proceeds then held by Landlord), then Tenant, within five (5) business days after Landlord's demand, shall either (i) deliver to Landlord an additional Letter of Credit that is in an amount not less than the amount of such shortfall and otherwise satisfies all of the LC Requirements, or (ii) deliver to Landlord, in replacement of the Letter of Credit held by Landlord, a new Letter of Credit that is in an amount not less than the Letter of Credit Amount (less the amount of any unapplied Proceeds then held by Landlord) and otherwise satisfies all of the LC Requirements (whereupon, in the case of this clause (ii), Landlord shall return to Tenant the Letter of Credit that is being replaced).

2.3. **Drawings Under Letter of Credit; Use of Proceeds**. If Tenant breaches any provision of this Lease (including any provision of Section 2.2 above), Landlord, without limiting its remedies and without notice to Tenant, may draw upon the Letter of Credit and either (a) use all or part of the proceeds of the Letter of Credit ("**Proceeds**") to cure such breach and compensate Landlord for any loss or damage caused by such breach, including any damage for which recovery may be made under California Civil Code § 1951.2, or (b) hold the Proceeds, without segregation, until they are applied as provided in the preceding clause (a) or paid to Tenant pursuant to Section 2.4 below.

2.4. **Payment of Unapplied Proceeds to Tenant**. Upon receiving any new or additional Letter of Credit (or any certificate of renewal or extension of a Letter of Credit) satisfying the applicable requirements of Section 2.2 above, Landlord shall pay to Tenant any unapplied Proceeds then held by Landlord, except to the extent, if any, that the amount of the Letter of Credit then held by Landlord is less than the Letter of Credit Amount. In addition, any unapplied Proceeds shall be paid to Tenant within 60 days after the latest to occur of (a) the expiration of the Term, (b) Tenant's surrender of the Premises as required under this Lease, or (c) determination of the final Rent due from Tenant.

2.5. **Nature of Letter of Credit and Proceeds**. Landlord and Tenant acknowledge and agree that, subject to the terms of this Section 2, neither the Letter of Credit nor any Proceeds are (i) the property of Tenant or its bankruptcy estate, or (ii) intended to serve as, or in lieu of, a security deposit.

2.6. **Reduction of Letter of Credit Amount**. Notwithstanding any contrary provision hereof, provided that no Default then exists, the Letter of Credit Amount shall be reduced on the following dates (each, a "**Reduction Effective Date**") to be equal to the following corresponding amounts (each, a "**Reduced Amount**"): (a) $400,000.00 on the first day of the 20th full calendar month of the Term; (b) $300,000.00 on the first day of the 30th full calendar month of the Term; (c) $200,000.00 on the first day of the 40th full calendar month of the Term; and (d) $100,000.00 on the first day of the 50th full calendar month of the Term. If the Letter of Credit Amount is reduced in accordance with this Section 2.6, Tenant shall either (a) deliver to Landlord a new Letter of Credit in the amount of the Reduced Amount and otherwise satisfying the LC Requirements, whereupon Landlord shall return the Letter of Credit then held by Landlord (the "**Existing Letter of Credit**") to Tenant within 30 days after the later of Landlord's receipt of such new Letter of Credit or the Reduction Effective Date, or (b) deliver to Landlord an amendment to the Existing Letter of Credit, executed by and binding upon the issuer of the Existing Letter of Credit and in a form reasonably acceptable to Landlord, reducing the amount of the Existing Letter of Credit to the Reduced Amount, whereupon Landlord shall execute and return such amendment to Tenant within 30 days after the later of Landlord's receipt of such amendment or the Reduction Effective Date.

3. **Early Entry**. Tenant may enter the Premises (i) after installation of the ceiling grid in the Premises and before the Commencement Date, solely for the purpose of installing telecommunications and data cabling in the Premises, and (ii) after installation of the carpeting or other flooring in the Premises and before the Commencement Date, solely for the purpose of installing equipment, furnishings and other personal property in the Premises. During any such period of early entry, (a) all of Tenant's obligations under this Lease, except the obligation to pay Monthly Rent, shall apply, and (b) Tenant shall be entitled to use the Common Area restrooms pursuant to the terms of this Lease, to receive the I-IVAC, utility and elevator services described in Section 6.1 of this Lease, and to use the Parking Facility pursuant to Section 24 of this Lease, all without additional charge. Notwithstanding the foregoing, Landlord may limit, suspend or terminate Tenant's rights to enter the Premises pursuant to this Section 3 if Landlord reasonably determines that such entry is endangering individuals working in the Premises or is delaying completion of the Tenant Improvement Work.

4. **Acceleration Option**.

4.1. Tenant shall have the right (the "**Acceleration Option**") to accelerate the expiration date of this Lease, with respect to the entire Premises only, from the Expiration Date to the last day of the 36th full calendar month following the Commencement Date (the "**Accelerated Expiration Date**") (the "**Acceleration**") if:

(a) Tenant delivers to Landlord, at least 12 months before the Accelerated Expiration Date, a written notice (the "**Acceleration Notice**") exercising the Acceleration Option.

(b) no Default exists when Tenant delivers the Acceleration Notice to Landlord;

(c) no part of the Premises is sublet past the Accelerated Expiration Date when Tenant delivers the Acceleration Notice to Landlord (unless Tenant, not later than when delivering the Acceleration Notice, validly terminates such sublease, effective as of a date occurring not later than the Accelerated Expiration Date, and provides Landlord with reasonable documentation of such termination); and

(d) this Lease has not been assigned (other than pursuant to a Permitted Transfer) before Tenant delivers the Acceleration Notice to Landlord.

4.2. If Tenant validly exercises the Acceleration Option, then (i) notwithstanding any contrary provision of this Lease, but subject to the terms of this Section 4, the Term shall expire, with respect to the entire Premises, on the Accelerated Expiration Date with the same force and effect as if such term were, by the provisions of this Lease, fixed to expire on the Accelerated Expiration Date; and (ii) without limiting the foregoing:

(a) Tenant shall surrender the Premises to Landlord in accordance with the terms of this Lease on or before the Accelerated Expiration Date;

(b) Tenant shall remain liable for all Rent and other amounts payable under this Lease for the period up to and to and including the Accelerated Expiration Date, even though billings for such amounts may occur after the Accelerated Expiration Date;

(c) Tenant's restoration obligations shall be as set forth in this Lease;

(d) if Tenant fails to surrender any portion of the Premises on or before the Accelerated Expiration Date, Tenant's tenancy shall be subject to Section 16 of this Lease; and

(e) any other rights or obligations of Landlord or Tenant under this Lease that, in the absence of the Acceleration, would have survived the scheduled expiration date of this Lease shall survive the Accelerated Expiration Date.

4.3. If Tenant exercises the Acceleration Option, then Tenant shall pay to Landlord, as a fee in connection with the acceleration of the expiration date of this Lease and not as a penalty, the amount of $770,000.00 (the "**Acceleration Fee**").

4.4. [Intentionally Omitted.]

4.5. If Tenant validly exercises the Acceleration Option, Landlord shall prepare an amendment (the "**Acceleration Amendment**") reflecting the same. Landlord shall deliver the Acceleration Amendment to Tenant within a reasonable time after receiving the Acceleration Notice, and Tenant shall execute and return (or provide Landlord with reasonable written objections to) the Acceleration Amendment to Landlord within 15 days after receiving it. At Landlord's option, an otherwise valid exercise of the Acceleration Option shall be fully effective whether or not the Acceleration Amendment is executed.

4.6. Notwithstanding any contrary provision of this Lease, from and after the date Tenant delivers an Acceleration Notice to Landlord, (a) any unexercised right or option of Tenant to renew or extend the Term or to expand the Premises (whether in the form of an expansion option, right of first offer or refusal, or any other similar right), and any outstanding tenant improvement allowance or other allowance not claimed and properly used by Tenant in accordance with this Lease as of such date, shall immediately be deemed terminated and no longer available or of any further force or effect, and (b) Tenant shall not sublease all or any portion of the Premises for any period following the Accelerated Expiration Date.

5. **Extension Option**.

5.1. **Grant of Option; Conditions**. Tenant shall have the right (the "**Extension Option**") to extend the Term for one (1) additional period of five (5) years beginning on the Expiration Date and ending on the 5th anniversary of the Expiration Date (the "**Extension Term**"), if:

(a) not less than 10 and not more than 13 full calendar months before the Expiration Date, Tenant delivers written notice to Landlord (the "**Extension Notice**") electing to exercise the Extension Option;

(b) no Default exists when Tenant delivers the Extension Notice;

(c) not more than 10% of the Premises is sublet (other than to an Affiliate of Tenant) when Tenant delivers the Extension Notice; and

(d) this Lease has not been assigned (other than pursuant to a Permitted Transfer) before Tenant delivers the Extension Notice.

5.2. **Terms Applicable to Extension Term**.

A. During the Extension Term, (a) the Base Rent rate per rentable square foot shall be equal to the Prevailing Market (defined in Section 5.5 below) rate per rentable square foot; (b) Base Rent shall increase, if at all, in accordance with the increases assumed in the determination of the Prevailing Market rate; and (c) Base Rent shall be payable in monthly installments in accordance with the terms and conditions of this Lease.

B. During the Extension Term Tenant shall pay Tenant's Share of Expenses and Taxes for the Premises in accordance with this Lease. For the avoidance of doubt, during the Extension Term the Base Year shall be modified, if at all, in accordance with the determination of the Prevailing Market rate.

5.3. **Procedure for Determining Prevailing Market**.

A. Initial Procedure. Within 30 days after receiving the Extension Notice, Landlord shall give Tenant written notice ("**Landlord's Notice**") stating Landlord's estimate of the Prevailing Market rate for the Extension Term. Tenant, within 15 days thereafter, shall give Landlord either (i) written notice ("**Tenant's Binding Notice**") accepting Landlord's estimate of the Prevailing Market rate for the Extension Term stated in Landlord's Notice, or (ii) written notice ("**Tenant's Rejection Notice**") rejecting such estimate. If Tenant gives Landlord a Tenant's Rejection Notice, Landlord and Tenant shall work together in good faith to agree in writing upon the Prevailing Market rate for the Extension Term. If, within 30 days after delivery of a Tenant's Rejection Notice, the parties fail to agree in writing upon the Prevailing Market rate, the provisions of Section 5.3.B below shall apply.

B. Dispute Resolution Procedure.

1. If, within 30 days after delivery of a Tenant's Rejection Notice, the parties fail to agree in writing upon the Prevailing Market rate, Landlord and Tenant, within five (5) days thereafter, shall each simultaneously submit to the other, in a sealed envelope, its good faith estimate of the Prevailing Market rate for the Extension Term (collectively, the "**Estimates**"). Within seven (7) days after the exchange of Estimates, Landlord and Tenant shall each select a broker or agent (an "**Agent**") to determine which of the two Estimates most closely reflects the Prevailing Market rate for the Extension Term. Each Agent so selected shall be licensed as a real estate broker or agent and in good standing with the California Department of Real Estate, and shall have had at least five (5) years' experience within the previous 10 years as a commercial real estate broker or agent working in Glendale, California, with working knowledge of current rental rates and leasing practices relating to buildings similar to the Building.

2. If each party selects an Agent in accordance with Section 5.3.B.1 above, the parties shall cause their respective Agents to work together in good faith to agree upon which of the two Estimates most closely reflects the Prevailing Market rate for the Extension Term. The Estimate, if any, so agreed upon by such Agents shall be final and binding on both parties as the Prevailing Market rate for the Extension Term and may be entered in a court of competent jurisdiction. If the Agents fail to reach such agreement within 20 days after their selection, then, within 10 days after the expiration of such 20-day period, the parties shall instruct the Agents to select a third Agent meeting the above criteria (and if the Agents fail to agree upon such third Agent within 10 days after being so instructed, either party may cause a court of competent jurisdiction to select such third Agent). Promptly upon selection of such third Agent, the parties shall instruct such Agent (or, if only one of the parties has selected an Agent within the 7-day period described above, then promptly after the expiration of such 7-day period the parties shall instruct such Agent) to determine, as soon as practicable but in any case within 14 days after his selection, which of the two Estimates most closely reflects the Prevailing Market rate. Such determination by such Agent (the "**Final Agent**") shall be final and binding on both parties as the Prevailing Market rate for the Extension Term and may be entered in a court of competent jurisdiction. If the Final Agent believes that expert advice would materially assist him, he may retain one or more qualified persons to provide such expert advice. The parties shall share equally in the costs of the Final Agent and of any experts retained by the Final Agent. Any fees of any other broker, agent, counsel or expert engaged by Landlord or Tenant shall be borne by the party retaining such broker, agent, counsel or expert.

C. Adjustment. If the Prevailing Market rate has not been determined by the commencement date of the Extension Term, Tenant shall pay Base Rent for the Extension Term upon the terms and conditions in effect during the last month ending on or before the expiration date of this Lease until such time as the Prevailing Market rate has been determined. Upon such determination, the Base Exhibit F Rent for the Extension Term shall be retroactively adjusted. If such adjustment results in an under- or overpayment of Base Rent by Tenant, Tenant shall pay Landlord the amount of such underpayment, or receive a credit in the amount of such overpayment, with or against the next Base Rent due under this Lease.

5.4. **Extension Amendment**. If Tenant is entitled to and properly exercises its Extension Option, and if the Prevailing Market rate for the Extension Term is determined in accordance with Section 5.3 above, Landlord, within a reasonable time thereafter, shall prepare and deliver to Tenant an amendment (the "**Extension Amendment**") reflecting changes in the Base Rent, the Term, the expiration date of this Lease, and other appropriate terms in accordance with this Section 5, and Tenant shall execute and return (or provide Landlord with reasonable objections to) the Extension Amendment within 15 days after receiving it. Notwithstanding the foregoing, upon determination of the Prevailing Market rate for the Extension Term in accordance with Section 5.3 above, an otherwise valid exercise of the Extension Option shall be fully effective whether or not the Extension Amendment is executed.

5.5. **Definition of Prevailing Market**. For purposes of this Extension Option, "**Prevailing Market**" shall mean the arms-length, fair-market, annual rental rate per rentable square foot under extension and renewal leases and amendments entered into on or about the date on which the Prevailing Market is being determined hereunder for space comparable to the Premises in the Building and office buildings comparable to the Building in the Glendale, California area. The determination of Prevailing Market shall take into account (i) any material economic differences between the terms of this Lease and any comparison lease or amendment, such as rent abatements, construction costs and other concessions, and the manner, if any, in which the landlord under any such lease is reimbursed for operating expenses and taxes; (ii) any material differences in configuration or condition between the Premises and any comparison space, including any cost that would have to be incurred in order to make the configuration or condition of the comparison space similar to that of the Premises; and (iii) any reasonably anticipated changes in the Prevailing Market rate from the time such Prevailing Market rate is being determined and the time such Prevailing Market rate will become effective under this Lease.

6. **Right of First Offer**.

6.1. **Grant of Option; Conditions**.

A. Subject to the terms of this Section 6, Tenant shall have a right of first offer ("**Right of First Offer**") with respect to each of the following suites and each portion thereof (each, a "**Potential Offering** Space"): (i) the **7,816** rentable square feet known as Suite No. 650 on the sixth (6th) floor of the Building and shown on the demising plan attached to the Lease as **Exhibit F-4**, and (ii) the **2,814** rentable square feet known as Suite No. 665 on the sixth (6th) floor of the Building and shown on the demising plan attached to the Lease as **Exhibit F-4**. Tenant's Right of First Offer shall be exercised as follows: At any time after Landlord has determined that a Potential Offering Space has become Available (defined below), but before leasing such Potential Offering Space to a third party, Landlord, subject to the terms of this Section 6, shall provide Tenant with a written notice (for purposes of this Section 6, an "**Advice**") advising Tenant of the material terms on which Landlord is prepared to lease such Potential Offering Space (sometimes referred to herein as an "**Offering Space**") to Tenant, which terms shall be consistent with Section 6.2 below. For purposes hereof, a Potential Offering Space shall be deemed to become "**Available**" as follows: (i) if such Potential Offering Space is not leased to a third party as of the date of mutual execution and delivery of this Lease, such Potential Offering Space shall be deemed to become Available when Landlord has located a prospective tenant that may be interested in leasing such Potential Offering Space; and (ii) if such Potential Offering Space is leased to a third party as of the date of mutual execution and delivery of this Lease, such Potential Offering Space shall be deemed to become Available when Landlord has determined that (a) such third-party tenant will not extend or renew the term of its lease, or enter into a new lease, for such Potential Offering Space, and (b) no occupant of such Potential Offering Space claiming under such third-party tenant will enter into a new lease for such Potential Offering Space (provided, however, that this clause (b) shall not apply unless Landlord has leased such Offering Space to such third-party tenant after the date of this Lease and as permitted under this Section 6.1). Upon receiving an Advice, Tenant may lease the Offering Space, in its entirety only, under the terms set forth in the Advice, by delivering to Landlord a written notice of exercise (for purposes of this Section 6, a "**Notice of Exercise**") within three (3) business days after receiving the Advice.

B. If Tenant receives an Advice but does not deliver a Notice of Exercise within the period of time required under Section 6.1.A above, then Landlord may lease the Offering Space to any party on the terms set forth in the Advice or on any other terms that are not substantially more favorable to the tenant than those set forth in the Advice; provided, however, that (i) if Landlord either (a) fails to so lease the Offering Space within six (6) months after the expiration of such time period, or (b) without first leasing the Offering Space as permitted under this Section 6.1, proposes to lease the Offering Space to a prospective tenant on material terms that are substantially more favorable to the tenant than those set forth in the Advice, then Section 6.1.A above shall apply again as if Landlord had not provided the Advice to Tenant. For purposes hereof, the material terms offered to another party (for purposes of this Section 6.1.B, the "**Proposed Terms**") shall not be deemed to be substantially more favorable than those set forth in an Advice unless the annualized net present value of the rent for the Offering Space as provided under the Proposed Terms is less than 90% of the annualized net present value of the rent for the Offering Space as provided under the Advice, as determined in good faith by Landlord using a discount rate selected in good faith by Landlord and taking into account all proposed material terms relating to the Offering Space, including the length of the term, the net rent, any base year, any tax or expense escalation or other financial escalation, and any allowances or other financial concessions, but excluding any right to extend the term or any right to expand the leased premises (whether in the form of an expansion option, a right of first offer or refusal, or any similar right).

C. Notwithstanding any contrary provision hereof, (i) Landlord shall not be required to provide Tenant with an Advice if any of the following conditions exists when Landlord would otherwise deliver the Advice; and (ii) if Tenant receives an Advice from Landlord, Tenant shall not be entitled to lease the Offering Space based on such Advice if any of the following conditions exists:

(1) a Default exists;

(2) more than 10% of the Premises is sublet (other than to an Affiliate of Tenant);

(3) this Lease has been assigned (other than pursuant to a Permitted Transfer); or

(4) Tenant is not occupying the Premises.

If, by operation of the preceding sentence, Landlord is not required to provide Tenant with an Advice, or Tenant, after receiving an Advice, is not entitled to lease the Offering Space based on such Advice, then Landlord may lease the Offering Space to any party on any terms determined by Landlord in its sole and absolute discretion.

6.2. **Terms for Offering Space**.

A. The term for the Offering Space shall be coterminous with the term for the balance of the Premises.

B. The term for the Offering Space shall commence on the commencement date stated in the Advice and thereupon the Offering Space shall be considered a part of the Premises subject to the provisions of this Lease; provided, however, that the provisions of the Advice shall prevail to the extent they conflict with the provisions of this Lease.

C. Tenant shall pay Monthly Rent for the Offering Space in accordance with the provisions of the Advice. The Advice shall reflect the Prevailing Market (defined in Section 6.5 below) rate for the Offering Space as determined in Landlord's reasonable judgment. For the avoidance of doubt, a tenant improvement allowance for the Offering Space shall be set forth in the Advice, if at all, in accordance with the determination of the Prevailing Market rate.

D. Except as may be otherwise provided in the Advice, (i) the Offering Space (including improvements and personality, if any) shall be accepted by Tenant in its configuration and condition existing on the earlier of the date Tenant takes possession of the Offering Space or the commencement date for the Offering Space (provided that nothing in this clause (i) shall limit Landlord's obligations under Section 7.1 of this Lease with respect to the Offering Space); and (ii) if Landlord is delayed in delivering possession of the Offering Space by any holdover or unlawful possession of the Offering Space by any party, Landlord shall use reasonable efforts to obtain possession of the Offering Space and any obligation of Landlord to tender possession of, permit entry to, or perform alterations to the Offering Space shall be deferred until after Landlord has obtained possession of the Offering Space.

6.3. **Termination of Right of First Offer; Ongoing Right**.

A. Notwithstanding any contrary provision hereof, Landlord shall not be required to provide Tenant with an Advice, and Tenant shall not be entitled to exercise its Right of First Offer, after the last day of the 36th full calendar month of the Term.

B. If Landlord leases a Potential Offering Space to a third party as permitted under Section 6.1 above and subsequently determines that such Potential Offering Space has again become Available, then the provisions of this Section 6 shall apply again to such Potential Offering Space.

6.4. **Offering Amendment**. If Tenant validly exercises its Right of First Offer, Landlord, within a reasonable period of time thereafter, shall prepare and deliver to Tenant an amendment (the "**Offering Amendment**") adding the Offering Space to the Premises on the terms set forth in the Advice and reflecting the changes in the Base Rent, the rentable square footage of the Premises, Tenant's Share, and other appropriate terms in accordance with this Section 6. Tenant shall execute and return the Offering Amendment to Landlord within 15 days after receiving it, but an otherwise valid exercise of the Right of First Offer shall be fully effective whether or not the Offering Amendment is executed.

6.5. **Definition of Prevailing Market**. For purposes of this Section 6, "**Prevailing Market**" means the arms-length, fair-market, annual rental rate per rentable square foot, under renewal and expansion leases and amendments entered into on or about the date on which the Prevailing Market is being determined hereunder, for space comparable to the Offering Space in the Building and office buildings comparable to the Building in the Glendale, California area. The determination of Prevailing Market shall take into account (i) any material economic differences between the terms of this Lease and any comparison lease or amendment, such as rent abatements, construction costs and other concessions, and the manner, if any, in which the landlord under any such lease is reimbursed for operating expenses and taxes; and (ii) any material differences in configuration or condition between the Offering Space and any comparison space.

7. **Right of First Refusal**.

7.1. **Grant of Option; Conditions**.

A. Subject to the terms of this Section 7, Tenant shall have a right of first refusal ("**Right of First Refusal**") with respect to the entirety (and each portion) of the rentable area on the 4th floor of the Building (such area or portion thereof, a "**Potential Refusal Space**"). Tenant's Right of First Refusal shall be exercised as follows: If Landlord has a prospective tenant interested in leasing a Potential Refusal Space (other than to a then existing tenant or occupant thereof), then, subject to the terms of this Section 7, Landlord, before leasing such Potential Refusal Space to such prospective tenant, shall provide Tenant with a written notice (for purposes of this Section 7, an "**Advice**") advising Tenant of the material terms on which Landlord is prepared to lease such Potential Refusal Space (sometimes referred to herein as a "**Refusal Space**") to such prospective tenant. Upon receiving an Advice, Tenant may lease the Refusal Space, in its entirety only, under the terms set forth in the Advice, by delivering to Landlord a written notice of exercise (for purposes of this Section 7, a "**Notice of Exercise**") within three (3) business days after receiving the Advice.

B. If Tenant receives an Advice but does not deliver a Notice of Exercise within the period of time required under Section 7.1.A above, then (i) Landlord may lease the Refusal Space to any party on the terms set forth in the Advice or on any Exhibit F other terms that are not more favorable to the tenant than those set forth in the Advice; and (ii) if Landlord, without first leasing the Refusal Space as permitted under this Section 7.1, proposes to lease the Refusal Space to a prospective tenant (other than to a then existing tenant or occupant thereof) on material terms that are more favorable to the tenant than those set forth in the Advice, then Section 7.1.A above shall apply again as if Landlord had not provided the Advice to Tenant. For purposes hereof, the material terms offered to another party (for purposes of this Section 7.1.B, the "**Proposed Terms**") shall not be deemed to be more favorable than those set forth in an Advice unless the annualized net present value of the rent for the Refusal Space as provided under the Proposed Terms is less than the annualized net present value of the rent for the Refusal Space as provided under the Advice, as determined in good faith by Landlord using a discount rate selected in good faith by Landlord and taking into account all proposed material terms relating to the Refusal Space, including the length of the term, the net rent, any base year, any tax or expense escalation or other financial escalation, and any allowances or other financial concessions, but excluding any right to extend the term or any right to expand the leased premises (whether in the form of an expansion option, a right of first offer or refusal, or any similar right).

C. Notwithstanding any contrary provision hereof, (i) Landlord shall not be required to provide Tenant with an Advice if any of the following conditions exists when Landlord would otherwise deliver the Advice; and (ii) if Tenant receives an Advice from Landlord, Tenant shall not be entitled to lease the Refusal Space based on such Advice if any of the following conditions exists:

(1) a Default exists;

(2) more than 10% of the Premises is sublet (other than to an Affiliate of Tenant);

(3) this Lease has been assigned (other than pursuant to a Permitted Transfer); or

(4) Tenant is not occupying the Premises.

If, by operation of the preceding sentence, Landlord is not required to provide Tenant with an Advice, or Tenant, after receiving an Advice, is not entitled to lease the Refusal Space based on such Advice, then Landlord may lease the Refusal Space to any party on any terms determined by Landlord in its sole and absolute discretion.

7.2. **Terms for Refusal Space**.

A. Section 5 above shall not apply to the Refusal Space unless the term for the Refusal Space is coterminous with the term for the balance of the Premises, in which case, notwithstanding any contrary provision of Section 7.1.A above, the Advice shall not be required to include any extension or renewal option.

B. The term for the Refusal Space shall commence on the commencement date stated in the Advice and thereupon the Refusal Space shall be considered a part of the Premises subject to the provisions of this Lease; provided, however, that the provisions of the Advice (including the provision of the Advice establishing the expiration date for the Refusal Space) shall prevail to the extent they conflict with the provisions of this Lease.

C. Tenant shall pay Monthly Rent for the Refusal Space in accordance with the provisions of the Advice.

D. Except as may be otherwise provided in the Advice, (i) the Refusal Space (including improvements and personality, if any) shall be accepted by Tenant in its configuration and condition existing on the earlier of the date Tenant takes possession of the Refusal Space or the commencement date for the Refusal Space (provided that nothing in this clause (i) shall limit Landlord's obligations under Section 7.1 of this Lease with respect to the Refusal Space); and (ii) if Landlord is delayed in delivering possession of the Refusal Space by any holdover or unlawful possession of the Refusal Space by any party, Landlord shall use reasonable efforts to obtain possession of the Refusal Space and any obligation of Exhibit F Landlord to tender possession of, permit entry to, or perform alterations to the Refusal Space shall be deferred until after Landlord has obtained possession of the Refusal Space.

7.3. **Termination of Right of First Refusal; One-Time Right**.

A. Notwithstanding any contrary provision hereof, Landlord shall not be required to provide Tenant with an Advice, and Tenant shall not be entitled to exercise its Right of First Refusal, after the last day of the 36th full calendar month of the Term.

B. Notwithstanding any contrary provision hereof, Landlord shall not be required to provide Tenant with an Advice, and Tenant shall not be entitled to exercise its Right of First Refusal, with respect to any Potential Refusal Space after the earlier of (i) the date, if any, on which Landlord leases such Potential Refusal Space or any other Potential Refusal Space to a third party as permitted under Section 7.1.B above, or (ii) the date, if any, on which Landlord becomes entitled to lease such Potential Refusal Space or any other Potential Refusal Space to a third party under Section 7.1.0 above.

7.4. **Refusal Amendment**. If Tenant validly exercises its Right of First Refusal, Landlord, within a reasonable period of time thereafter, shall prepare and deliver to Tenant an amendment (the "**Refusal Amendment**") adding the Refusal Space to the Premises on the terms set forth in the Advice and reflecting the changes in the Base Rent, the rentable square footage of the Premises, Tenant's Share, and other appropriate terms in accordance with this Section 7. Tenant shall execute and return the Refusal Amendment to Landlord within 15 days after receiving it, but an otherwise valid exercise of the Right of First Refusal shall be fully effective whether or not the Refusal Amendment is executed.

8. **Monument Signage**.

8.1. **Tenant's Right to Monument Signage**. Subject to the terms of this Section 8, from and after the Commencement Date, Tenant shall have the right to have signage ("**Tenant's Monument Signage**") bearing Tenant's Name (defined below) installed on a panel of the monument sign located on Brand Boulevard (the "**Monument Sign**"), as shown on **Exhibit F-5** attached to this Lease. As used herein, "**Tenant's Name**" means, at any time, at Tenant's discretion, (i) the name of Tenant set forth in the first paragraph of this Lease (" **Tenant's Existing Name**"), or (ii) if Tenant's name is not then Tenant's Existing Name, then Tenant's name, provided that such name is compatible with a first-class office building, as determined by Landlord in its reasonable discretion. Notwithstanding any contrary provision hereof, (i) Tenant's rights under this Section 8 shall be personal to the party named as Tenant in the first paragraph of this Lease ("**Original Tenant**") and to any successor to Original Tenant's interest in this Lease that acquires its interest in this Lease solely by means of one or more Permitted Transfers originating with Original Tenant, and may not be transferred to any other party; and (ii) if at any time a Signage Default (defined below) occurs or the Minimum Occupancy Requirement (defined below) is not satisfied, then, at Landlord's option (which shall not be deemed waived by the passage of time), Tenant shall no longer have any further rights under this Section 8, even if such Signage Default is later cured and/or the Minimum Occupancy Requirement later becomes satisfied, as applicable. For purposes hereof, a "**Signage Default**" shall be deemed to occur if and only if (x) after a Default occurs, Landlord provides Tenant with notice that Tenant may lose its right to Tenant's Monument Signage under this Section 8 if Tenant fails to cure such Default within five (5) business days after such notice, and (y) such Default is not cured within such 5-business-day period. For purposes hereof, the "**Minimum Occupancy Requirement**" shall be deemed satisfied if and only if a portion of the Premises containing at least 21,253 rentable square feet has not been subleased (other than to an Affiliate of Tenant).

8.2. **Landlord's Approval**. Any proposed Tenant's Monument Signage shall comply with all applicable Laws and shall be subject to Landlord's prior written consent. Without limitation, Landlord may withhold consent to any Tenant's Monument Signage that, in Landlord's sole judgment, is not harmonious with the design standards of the Building and Monument Sign, and Landlord may require that Tenant's Monument Signage be of the same size and style as the other signage on the Monument Sign. To obtain Landlord's consent, Tenant shall submit design drawings to Landlord showing the type and sizes of all lettering; the colors, finishes and types of materials used in Tenant's Monument Signage; and (if applicable and Landlord consents thereto) any arrangements for illumination.

8.3. **Fabrication; Installation; Maintenance; Removal; Costs** Landlord shall (a) fabricate (substantially in accordance with Tenant's design approved by Landlord), install and, at the expiration or earlier termination of Tenant's rights under this Section 8, remove Tenant's Monument Signage; and (b) maintain, repair, and (if applicable) illuminate the Monument Sign. Tenant shall reimburse Landlord, promptly upon demand, for (x) all costs incurred by Landlord in fabricating, installing or removing Tenant's Monument Signage, and (y) Tenant's pro rata share (as determined taking into account any other parties using the Monument Sign) of all costs incurred by Landlord in maintaining, repairing and (if applicable) illuminating the Monument Sign. Except as provided in this Section 8.3, Tenant shall not be required to pay any fees with respect to the Monument Sign.

9. **California Civil Code Section 1938**. Pursuant to California Civil Code § 1938, Landlord hereby states that the Premises have not undergone inspection by a Certified Access Specialist (CASp) (defined in California Civil Code § 55.52).

10. **Asbestos Notification**. Tenant acknowledges that it has received the asbestos notification letter attached to this Lease as **Exhibit G**, disclosing the existence of asbestos in the Building. Tenant agrees to comply with the California "Connelly Act" and other applicable laws, including by providing copies of Landlord's asbestos notification letter to all of Tenant's "employees" and "owners", as those terms are defined in the Connelly Act and other applicable laws.

ASBESTOS NOTIFICATION

Asbestos-containing materials ("**ACMs**") were historically commonly used in the construction of commercial buildings across the country. ACMs were commonly used because of their beneficial qualities. ACMs are fire-resistant and provide good noise and temperature insulation.

Some common types of ACMs include surfacing materials (such as spray-on fireproofing, stucco, plaster and textured paint), flooring materials (such as vinyl floor tile and vinyl floor sheeting) and their associated mastics, carpet mastic, thermal system insulation (such as pipe or duct wrap, boiler wrap and cooling tower insulation), roofing materials, drywall, drywall joint tape and drywall joint compound, acoustic ceiling tiles, transite board, base cove and associated mastic, caulking, window glazing and fire doors. These materials are not required under law to be removed from any building (except prior to demolition and certain renovation projects). Moreover, ACMs generally are not thought to present a threat to human health unless they cause a release of asbestos fibers into the air, which does not typically occur unless (1) the ACMs are in a deteriorated condition, or (2) the ACMs have been significantly disturbed (such as through abrasive cleaning, or maintenance or renovation activities).

It is possible that some of the various types of ACMs noted above (or other types) are present at various locations in the Building. Anyone who finds any such materials in the building should assume them to contain asbestos unless those materials are properly tested and determined to be otherwise. In addition, Landlord has identified the presence of certain ACMs in the Building. For information about the specific types and locations of these identified ACMs, please contact the Building manager. The Building manager maintains records of the Building's asbestos information including any Building asbestos surveys, sampling and abatement reports. This information is maintained as part of Landlord's asbestos Operations and Maintenance Plan ("**O&M Plan**").

The O&M Plan is designed to minimize the potential of any harmful asbestos exposure to any person in the building. Because Landlord is not a physician, scientist or industrial hygienist, Landlord has no special knowledge of the health impact of exposure to asbestos. Therefore, Landlord hired an independent environmental consulting firm to prepare the Building's O&M Plan. The O&M Plan includes a schedule of actions to be taken in order to (1) maintain any building ACMs in good condition, and (2) to prevent any significant disturbance of such ACMs. Appropriate Landlord personnel receive regular periodic training on how to properly administer the O&M Plan.

The O&M Plan describes the risks associated with asbestos exposure and how to prevent such exposure. The O&M Plan describes those risks, in general, as follows: asbestos is not a significant health concern unless asbestos fibers are released and inhaled. If inhaled, asbestos fibers can accumulate in the lungs and, as exposure increases, the risk of disease (such as asbestosis and cancer) increases. However, measures taken to minimize exposure and consequently minimize the accumulation of fibers, can reduce the risk of adverse health effects.

The O&M Plan also describes a number of activities which should be avoided in order to prevent a release of asbestos fibers. In particular, some of the activities which may present a health risk (because those activities may cause an airborne release of asbestos fibers) include moving, drilling, boring or otherwise disturbing ACMs. Consequently, such activities should not be attempted by any person not qualified to handle ACMs. In other words, the approval of Building management must be obtained prior to engaging in any such activities. Please contact the Building manager for more information in this regard. A copy of the written O&M Plan for the Building is located in the Building management office and, upon your request, will be made available to tenants to review and copy during regular business hours.

Because of the presence of ACM in the Building, Landlord is also providing the following warning, which is commonly known as a California Proposition 65 warning:

WARNING: This building contains asbestos, a chemical known to the State of California to cause cancer.

Please contact the Building manager with any questions regarding the contents of this **Exhibit G**.

9.6 At any time and from time to time, Landlord shall have the right to relocate the Storage Space to a new location which shall be no smaller than the square footage of the Storage Space, with no increase in Storage Base Rent. Landlord shall pay the direct, out-of-pocket, reasonable expenses of such relocation.

9.7 Tenant shall not, without the prior written consent of Landlord, which consent may be withheld in Landlord's sole and absolute discretion, permit any party other than Tenant to use the Storage Space except in connection with an assignment of the Lease or a sublease of the entire Premises permitted under Section 14 of the Lease.

10. **Other Pertinent Provisions**. Landlord and Tenant agree that, effective as of the date of this Amendment (unless different effective date(s) is/are specifically referenced in this Section), the Lease shall be amended in the following additional respects:

10.1 **Early Entry**. Tenant may enter the Expansion Space (i) after installation of the ceiling grid in the Expansion Space and before the Expansion Effective Date (but not before the date that Landlord reasonably estimates will occur 30 days before the Expansion Effective Date), solely for the purpose of installing telecommunications and data cabling in the Expansion Space, and (ii) after installation of the carpeting or other flooring in the Expansion Space and before the Expansion Effective Date (but not before the date that Landlord reasonably estimates will occur 30 days before the Expansion Effective Date), solely for the purpose of installing equipment, furnishings and other personal property in the Expansion Space. During any such period of early entry, (a) all of Tenant's obligations under this Amendment, except the obligation to pay Monthly Rent, shall apply, (b) Tenant shall be entitled to use the Common Area restrooms on the 8 th floor of the Building pursuant to the terms of the Lease, to receive the HVAC, utility and elevator services serving the Expansion Space described in Section 6.1 of the Lease, all without additional charge, and (c) to use 70 additional spaces in the Parking Facility pursuant to Section 24 of the Lease (as amended by Section 10.3 below) at no additional charge. Notwithstanding the foregoing, Landlord may limit, suspend or terminate Tenant's rights to enter the Expansion Space pursuant to this Section 10.1 if Landlord reasonably determines that such entry is endangering individuals working in the Expansion Space or is delaying completion of the Tenant Improvement Work for the Expansion Space.

10.2 **Reduction of Letter of Credit Amount** Section 2.6 of Exhibit F to, the Lease is hereby amended in its entirety to read as follows:

"Notwithstanding any contrary provision of the Lease, provided that no Default then exists, the Letter of Credit Amount shall be reduced on the following dates (each, a "**Reduction Effective Date**") to be equal to the following corresponding amounts (each, a "**Reduced Amount**"): (a) $400,000.00 on the first day of the 13th full calendar month of the Expansion Term; (b) $300,000.00 on the first day of the 25th full calendar month of the Expansion Term; (c) $200,000.00 on the first day of the 37th full calendar month of the Expansion Term; and (d) $100,000.00 on the first day of the 49" full calendar month of the Expansion Term. If the Letter of Credit Amount is reduced in accordance with this Section 2.6, Tenant shall either (a) deliver to Landlord a new Letter of Credit in the amount of the Reduced Amount and otherwise satisfying the LC Requirements, whereupon Landlord shall return the Letter of Credit then held by Landlord (the "**Existing Letter of Credit**") to Tenant within 30 days after the later of Landlord's receipt of such new Letter of Credit or the Reduction Effective Date, or (b) deliver to Landlord an amendment to the Existing Letter of Credit, executed by and binding upon the issuer of the Existing Letter of Credit and in a form reasonably acceptable to Landlord, reducing the amount of the Existing Letter of Credit to the Reduced Amount, whereupon Landlord shall execute and return such amendment to Tenant within 30 days after the later of Landlord's receipt of such amendment or the Reduction Effective Date.

10.3 **Parking**.

(a) Expansion Space. Commencing on the date immediately following the Termination Option Expiration Date, Section 1.9 of the Lease shall be amended in its entirety to read as follows:

"The Unreserved Number (defined below) of unreserved parking spaces, at the rate of (i) $92.70 per space per month for spaces in single stalls, as such rate may be adjusted from time to time to reflect Landlord's then current rates, and (ii) $75.00 per space per month for spaces in tandem stalls. The first 24 unreserved parking spaces included in the Unreserved Number shall be located in single stalls under the Building. All or any portion of the balance, if any, of the Unreserved Number of unreserved parking spaces shall be located, at Tenant's discretion, in either (a) single stalls which shall be located, at Landlord's discretion, either under the Building or in the above-ground portion of the parking structure, or (b) tandem stalls under the Building.

The Reserved Number (defined below) of reserved parking space(s) beneath the Building, at the rate of $130 per space per month, as such rate may be adjusted from time to time to reflect Landlord's then current rates.

As used herein, "**Unreserved Number**" means 166 and "**Reserved Number**" means zero (0); provided, however, that Tenant, upon 30 days' notice to Landlord from time to time, may change the Unreserved Number to any whole number from 0 to 166 and/or change the Reserved Number to any whole number from zero (0) to six (6) (provided, however, that the Reserved Number may not be increased above zero (0) before the Expansion Space Reserved Parking Effective Date (defined below)); provided further, however, that the sum of the Unreserved Number plus the Reserved Number shall not exceed 166. As used herein, "**Expansion Space Reserved Parking Effective Date**" means the earlier of (1) the Expansion Effective Date, or (ii) the later of (a) the date immediately following the date of expiration or earlier termination of all rights of the existing tenant of the Expansion Space to use reserved parking spaces in the Parking Facility, or (b) date on which Landlord recovers from such existing tenant all parking passes issued to such existing tenant for such reserved parking spaces. For the avoidance of doubt, if the Reserved Number is reduced and later increased, Landlord shall not be required to make available to Tenant, in connection with such increase, any reserved parking space that had been available to Tenant before such reduction but was no longer made available to Tenant after such reduction.

B. Temporary Spaces. During each Temporary Space Term (but not before the date immediately following the Termination Option Expiration Date), the number of unreserved parking spaces that Tenant is entitled to use under Section 1.9 of the Lease shall be increased by the smallest whole number that is not less than the number obtained by multiplying (i) the rentable square footage of the applicable Temporary Space, by (ii) the ratio of 3 per 1,000 rentable square feet.

C. Offering Spaces. See Section 11.2 below.

10.4 **Acceleration Option**. For the avoidance of doubt, Section 4 of Exhibit F to the Lease shall continue in effect in accordance with its terms; provided, however, that notwithstanding any contrary provision of the Lease, (a) Section 4 of Exhibit F to the Lease shall not apply to the Expansion Space, and (b) after the Accelerated Expiration Date, if any, the last sentence of Section. 1.9 of the Lease (as amended by Section 10.3.A above), shall be amended by (i) replacing each occurrence therein of the number "166" with the number "71", and (ii) replacing each occurrence therein of the number "160" with the number "65".

10.5 **Extension Option**.

A. Existing Premises and Expansion Space.

1. General. With respect to the Existing Premises and the Expansion Space only, Section 5 of Exhibit F to the Lease is hereby amended by replacing each occurrence therein of the term "Expiration Date" with the term "Extended Expiration Date". For the avoidance of doubt, and subject to Section 10.5.A.2 below, such Section 5, as so amended, shall apply to both the Expansion Space and (unless Tenant has validly exercised the Acceleration Option pursuant to Section 4 of Exhibit F of the Lease, as amended by Section 10.4 above) the Existing Premises.

2. Tenant's Right to Exclude Expansion Space From Exercise of Extension Option. Notwithstanding any contrary provision of this Amendment or the Lease, if Tenant exercises the Extension Option pursuant to Section 5 of Exhibit F to the Lease, as amended, with respect to the Existing Premises and has not validly exercised the Acceleration Option pursuant to Section 4 of Exhibit F to the Lease, then Tenant, at its option, and by so stating in the Extension Notice, may exclude the Expansion Space from such exercise of the Extension Option (it being agreed that if Tenant does not so state in the Extension Notice, then Tenant shall be deemed not to so exclude the Expansion Space from such exercise). In such event, (i) the Lease shall expire with respect to the Expansion Space on the Extended Expiration Date with the same force and effect as if the Extension Option had not been exercised; and (ii) without limiting the foregoing, (a) Tenant shall surrender the Expansion Space to Landlord in accordance with the terms of the Lease on or before the Extended Expiration Date; (b) Tenant shall remain liable for all Rent and other amounts payable under this Amendment with respect to the Expansion Space for the period up to and to and including the Extended Expiration Date, even though billings for such amounts may occur after the Extended Expiration Date; (c) Tenant's restoration obligations with respect to the Expansion Space shall be as set forth in the Lease; (d) if Tenant fails to surrender any portion of the Expansion Space on or before the Extended Expiration Date, Tenant's tenancy of the Expansion Space shall be subject to Section 16 of the Lease; and (e) any other rights or obligations of Landlord or Tenant under the Lease with respect to the Expansion Space that would have survived the Extended Expiration Date in the absence of Tenant's exercise of the Extension Option shall survive the Extended Expiration Date.

B. Suite 1110. If Tenant extends the Term for Suite 1110 to the Suite 1110 Extended Expiration Date pursuant to Section 8.3 above, then (a) with respect to Suite 1110 only, Section 5 of Exhibit F to the Lease shall be amended by replacing each occurrence therein of the term "Expiration Date" with the term "Suite 1110 Extended Expiration Date"; and (b) for the avoidance of doubt, such Section 5, as so amended, shall apply to Suite 1110 (it being acknowledged, for the avoidance of doubt, that any extension of the Term for Suite 1110 resulting from Tenant's exercise of its rights under such Section 5, as so amended, may not be coterminous with the Term for any other portion of the Premises, *as* it may have been extended).

C. Offering Spaces. If Tenant validly exercises its Right of First Offer (defined in Section 11.1 below) with respect to any Offering Space (defined in Section 11.1 below) pursuant to Section 11.1 below, then (a) with respect to such Offering Space only, Section 5 of Exhibit F to the Lease shall be amended by replacing each occurrence therein of the term "Expiration Date" with a reference to the last day of the Offering Space Term (defined in Section 11.2 below) for such Offering Space; and (b) for the avoidance of doubt, such Section 5, as so amended, shall apply to such Offering Space (it being acknowledged, for the avoidance of doubt, that any extension of the Term for such Offering Space resulting from Tenant's exercise of its rights under such Section 5, as so amended, may not be coterminous with the Term for any other portion of the Premises, as it may have been extended).

10.6 **Deletion of Right of First Offer and Right of First Refusal**. Sections 6 and 7 of Exhibit F to the Lease, together with Exhibit F-4 to the Lease, are hereby deleted in their entirety from the Lease.

10.7 **California Civil Code Section 1938**. Pursuant to California Civil Code § 1938(a), Landlord hereby states that the Existing Premises and the Expansion Space have not undergone inspection by a Certified Access Specialist (CASp) (defined in California Civil Code § 55.52). Accordingly, pursuant to California Civil Code § 1938(e), Landlord hereby further states as follows:'

A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

In accordance with the foregoing, Landlord and Tenant agree that if Tenant requests a CASp inspection of the Existing Premises or the Expansion Space, then Tenant shall pay (1) the fee for such inspection, and (ii) except as may be otherwise expressly provided in this Amendment, the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the Existing Premises or the Expansion Space, as applicable.

(a)) unless Tenant has extended the Term for Suite 1110 to the Suite 1110 Extended Expiration Date pursuant to Section 8.3 of this Amendment; or (iii) disburse any portion of the Allowance for any Offering Space (or any portion of the Allowance for the Expansion Space resulting from a conversion of a portion of the Allowance for any Offering Space pursuant to the preceding clause (a)) unless Tenant has validly exercised its Right of First Offer with respect to such Offering Space pursuant to Section 11 of this Amendment.

1. **ALLOWANCE.**

1.1 **Allowance**. Tenant shall be entitled to a one-time tenant improvement 'allowance in the amount of the Applicable Amount (defined below) (the "**Allowance**"), to be applied toward the Allowance Items (defined in Section 1.2 below). As used herein, "**Applicable Amount**" means (i) with respect to the Expansion Space, the sum of **$1,416,840.00** (i.e., **$60.00** per rentable square foot of the Expansion Space) plus **$50,000.00** (representing an amount intended to be used to pay for some or all of the portion of the Tenant Improvement Work that is required to bring the restrooms in the Expansion Space into compliance with applicable Laws), as such amount may be increased pursuant to Section 3.2 of this Amendment; and (ii) with respect to each other Applicable Space, the amount equal to the product of (x) **$60.00** per rentable square foot of such Applicable Space, times (y) the rentable square footage of such Applicable Space. Tenant shall be responsible for all costs associated with the Tenant Improvement Work, including the costs of the Allowance Items, to the extent such costs exceed the lesser of (a) the Allowance, or (b) the aggregate amount that Landlord is required to disburse for such purpose pursuant to this Work Letter.

Except as otherwise provided in this Work Letter, the Allowance shall be disbursed by Landlord only for the following items (the "**Allowance Items**"): (a) the fees of the Architect (defined in Section 2.1 below), the Engineers (defined in Section 2.1 below), and Tenant's project manager (if any), together with any Review Fees (defined in Section 3.4.1 below); (b) [Intentionally Omitted]; (c) plan-check, permit and license fees relating to performance of the Tenant Improvement Work; (d) the cost of performing the Tenant Improvement Work, including after-hours charges., testing and inspection costs, freight elevator usage, hoisting and trash removal costs, and contractors' fees and general conditions; (e) the cost of any change to the base, shell or core of the Applicable Space or Building required by the Approved Plans (defined in Section 2.8 below) (including if such change is due to the fact that such work is prepared on an unoccupied basis), including all direct architectural and/or engineering fees and expenses incurred in connection therewith; (f) the cost of any change to the Approved Plans or the Tenant Improvement Work required by Law; (g) [Intentionally Omitted]; (h) sales and use taxes; and (i) all other costs expended by Landlord in connection with the performance of the Tenant Improvement Work. For the avoidance of doubt, no portion of the Allowance shall be used to pay for the design or performance of the Initial Landlord Work (defined in Section 7 below), which shall be the sole responsibility of Landlord. The portions of the Allowance to be used to pay the amounts described in clause (a) of the first sentence of this Section 1.2 shall be disbursed by Landlord to Tenant (or, upon Tenant's request, to Tenant's vendor(s)) within 30 days after Landlord's receipt of Tenant's request together with copies of paid invoices for such amounts.

1.3 **Other Allowance Items**. If any portion of the Allowance remains unused after all Allowance. Items have been fully paid, then, upon Tenant's request, and subject to Section 1.4 below, Landlord shall disburse the Allowance, not to exceed 50% of the total amount of the Allowance, to pay installments of Base Rent next coming due under this Amendment (the "**Other Allowance Items**"). Tenant shall be responsible for all costs of the Other Allowance Items to the extent such costs exceed the aggregate amount that Landlord is required to disburse for such purpose pursuant to this Work Letter.

1.4 **Deadline for Use of Allowance**. Notwithstanding any contrary provision of this Amendment, if, other than by reason Landlord's breach of its obligations under this Amendment, the entire Allowance is not used by November 30, 2018, the unused amount shall revert to Landlord and Tenant shall have no further rights with respect thereto.

1.5 [Intentionally Omitted.]

1.6 **Landlord Costs**. Notwithstanding any contrary provision of this .Amendment, Tenant shall not be responsible for any Landlord Cost (defined below) and no Landlord Cost shall be an Allowance Item. As used herein, "**Landlord Cost**" means any portion of the cost of the Tenant Improvement Work that :is reasonably attributable to the following and not to any Act of Tenant: (a) any amount paid to the Contractor (defined in Section 2.6.1 below) in excess of the Construction Pricing Proposal (defined in Section 2.6.1 below) approved by Tenant, except to the extent of any revision to the Approved Plans or the Tenant Improvements that is approved (or required under Section 2.8 below to be approved) by Tenant in writing; or (b) the presence in the Applicable Space of (i) any hazardous material in an amount or condition that violates applicable Law, or (ii) any asbestos-containing material.

2. **CONSTRUCTION DRAWINGS; PRICING.**

2.1 **Selection of Architect**. Tenant shall retain Wirt Design or another architect/space planner selected by Tenant and reasonably approved by Landlord (the "**Architect**") and price-competitive engineering consultants designated by Landlord (the "**Engineers**") to prepare all architectural and engineering plans, specifications and working drawings for the Applicable Space (the "**Plans**"). All Plans shall (a) comply with the drawing format and specifications required by Landlord, (b) be consistent with Landlord's requirements for avoiding aesthetic, engineering or other conflicts with the design and function of the balance of the Building (collectively, the "**Landlord Requirements**"), and (c) otherwise be subject to Landlord's reasonable approval. Notwithstanding any review of the Plans by Landlord or any of its space planners, architects, engineers or other consultants, and notwithstanding any advice or assistance that may be rendered to Tenant by Landlord or any such consultant, Landlord shall not be liable for any error or omission in the Plans or have any other liability relating thereto.

2.2 **[Intentionally Omitted.]**

2.3 **Space Plan**. Tenant shall cause the Architect to prepare a space plan for the Tenant Improvements, including a layout and designation of all offices, rooms and other partitioning, and equipment to be contained in the Applicable Space, together with their intended use (the "**Space Plan**"), and shall deliver four (4) copies of the Space Plan, signed by Tenant, to Landlord for its approval. Such preparation and delivery to Landlord shall occur within 45 days after the execution and delivery of this Amendment. The Space Plan shall (a) comply with the drawing format and specifications required by Landlord, (b) be consistent with Landlord's requirements for avoiding aesthetic, engineering or other conflicts with the design and function of the balance of the Building (collectively, the "**Landlord Requirements**"), and (c) otherwise be subject to Landlord's reasonable approval. Landlord shall provide Tenant with notice approving or reasonably disapproving the Space Plan within 10 business days after the later of Landlord's receipt thereof or the mutual execution and delivery of this Amendment. If Landlord disapproves the Space Plan, Landlord's notice of disapproval shall describe with reasonable specificity the basis for such disapproval and Tenant shall cause the Architect to revise the Space Plan and resubmit it for Landlord's approval. Such procedure shall be repeated as necessary until Landlord has approved the Space Plan. Such approved Space Plan shall be referred to herein as the "**Approved Space Plan**."

2.4 **Additional Programming Information**. After Landlord approves the Space Plan, Tenant shall deliver to Landlord, in writing, all information (including all interior and special finishes, electrical requirements, telephone requirements, special HVAC requirements, and plumbing requirements) that, when combined with the Approved Space Plan, will be sufficient to complete the Construction Drawings (defined in Section 2.5 below) (collectively, the "**Additional Programming Information**"). The Additional Programming Information shall be (a) consistent with the Approved Space Plan and the Landlord Requirements, and (b) otherwise subject to Landlord's reasonable approval. Landlord shall provide Tenant with notice approving or reasonably disapproving the Additional Programming Information within five (5) business days after the later of Landlord's receipt thereof or the mutual execution and delivery of this Amendment. If Landlord disapproves the Additional Programming Information, Landlord's notice of disapproval shall describe with reasonable specificity the basis for such disapproval and Tenant shall modify the Additional Programming Information and resubmit it for Landlord's approval. Such procedure shall be repeated as necessary until Landlord has approved the Additional Programming Information. Such approved Additional Programming Information shall be referred to herein as the "**Approved Additional Programming Information**."

2.5 **Construction Drawings**. After Landlord approves the Additional Programming Information, Tenant shall cause the Architect and the Engineers to complete the final architectural (and, if applicable, structural) and engineering working drawings for the Tenant Improvement Work in a form that is sufficient to enable the Contractor (defined in Section 2.6.1.A below) and its subcontractors to bid on the Tenant Improvement Work and obtain the Permits (defined in Section 3.3 below) (collectively, the "**Construction Drawings**"), and shall deliver four (4) copies of the Construction Drawings, signed by Tenant, to Landlord for its approval. Notwithstanding the foregoing, at Tenant's option, the Construction Drawings may be prepared in two phases (first the architectural drawings, then engineering drawings consistent with the previously provided architectural drawings), provided that each phase shall be subject to Landlord's approval. The Construction Drawings shall conform to the Approved Space Plan, the Approved Additional Programming Information and the Landlord Requirements. Landlord shall provide Tenant with notice approving or reasonably disapproving the Construction Drawings (or the applicable phase thereof) within five (5) business days after the later of Landlord's receipt thereof or the mutual execution and delivery of this Amendment. If Landlord reasonably disapproves the Construction Drawings (or any phase thereof), Landlord's notice of disapproval shall describe with reasonable specificity the basis for such disapproval, and Tenant shall cause the Construction Drawings (or the applicable phase thereof) to be modified and resubmitted to Landlord for Landlord's approval. Such procedure shall be repeated as necessary until Landlord has approved the Construction Drawings. Such approved Construction Drawings shall be referred to herein as the "**Approved Construction Drawings**." Within one (1) business day after Landlord approves the Construction Drawings, Tenant shall deliver to Landlord a .CD ROM of the Approved Construction Drawings in accordance with Landlord's CAD Format Requirements (defined in Section 3.4.3 below).

2.6 **Construction Pricing**.

2.6.1 **Construction Pricing Proposal**.

A. Within 15 business days after the Construction Drawings are approved by Landlord and Tenant, Landlord shall (i) solicit from the Eligible Contractors (defined below) qualified (as reasonably determined by Landlord), competitive bids to perform the Tenant Improvement Work pursuant to the Approved Construction Drawings ("**Qualified Bids**"), (ii) provide Tenant with copies of the Qualified Bids received, and (iii) provide Tenant with Landlord's reasonable estimates ("**Qualified Construction Pricing Proposals**") of the cost of all Allowance Items to be incurred .by Tenant in connection with the performance of the Tenant Improvement Work, based upon (other than with respect to soft costs) such received Qualified Bids. At Landlord's option, the Qualified Bids may be based upon the assumption that the Tenant Improvement Work will be performed pursuant to Landlord's standard form of "guaranteed maximum price" contract. As used herein, "**Eligible Contractor**" means Warner Constructors, Inc., Corporate Contractors, Inc., Holwick Constructors, Inc., Interscape Construction, or any other licensed, reputable general contractor that may be selected by Landlord and reasonably approved by Tenant. Tenant shall provide Landlord with notice selecting, from among the Eligible Contractors that have submitted Qualified Bids, the Eligible Contractor that Tenant wishes to perform the Tenant Improvement Work. The Eligible Contractor so selected by Tenant shall be referred to herein as the "**Contractor**".

B. In addition to selecting the Contractor, Tenant shall provide Landlord with notice approving or disapproving the Qualified Construction Pricing Proposal that was based upon the Qualified Bid provided by the Contractor (the "**Construction Pricing Proposal**"). If Tenant disapproves the Construction Pricing Proposal, Tenant's notice of disapproval shall be accompanied by proposed revisions to the Approved Construction Drawings that Tenant requests in order to resolve its objections to the Construction Pricing Proposal, and Landlord shall respond as required under Section 2.8 below. Such procedure shall be repeated as necessary until the Construction Pricing Proposal is approved by Tenant. Upon Tenant's approval of the Construction Pricing Proposal, Landlord may purchase the items set forth in the Construction Pricing Proposal and begin construction relating to such items.

C. Notwithstanding any contrary provision hereof, if, in Landlord's good faith judgment, the Contractor is or becomes unable or unwilling to timely perform the Tenant Improvement Work as contemplated by this Work Letter in accordance with the terms and conditions of Landlord's standard form of construction contract (which, at Landlord's option, may be a guaranteed maximum price contract), Landlord may so notify Tenant, in which event (i) Tenant, within three (3) business days after receiving such notice, shall provide Landlord with notice selecting a new Contractor from among the remaining Eligible Contractors that have submitted Qualified Bids, and (ii) Section 2.6.1.13 above shall apply as if such new Contractor had been selected by Tenant as the Contractor pursuant to Section 2.6.1.A above in the first instance.

2.6.2 **Over-Allowance Amount**. If the Construction Pricing Proposal approved by Tenant exceeds the Allowance (less any portion thereof previously disbursed pursuant to the last sentence of Section 1.2 above), then Tenant, within five (5) business days after approving the Construction Pricing Proposal, shall deliver to Landlord cash in the amount of such excess (the "**Over-Allowance Amount**"). Any Over-Allowance Amount shall be disbursed by Landlord before the Allowance and pursuant to the same procedure as the Allowance. If, after the Construction Pricing Proposal is approved by Tenant, (a) any revision is made to the Approved Construction Drawings or the Tenant Improvement Work is otherwise changed, or the Contractor is replaced with a new Contractor, in each case in a way that increases the Construction Pricing Proposal, (b) the Construction Pricing Proposal is otherwise increased to reflect the actual cost of all Allowance Items to be incurred by Tenant in connection with the performance of the Tenant Improvement Work pursuant to the terms hereof, or (c) any portion of the Allowance is disbursed pursuant to the last sentence of Section 1.2 above or, in the case of Suite 1110 or an Offering Space, is converted to an increase in the Allowance for the Expansion Space pursuant to clause (a) of the second (2nd) paragraph of this Work Letter, then Tenant shall deliver any resulting Over-Allowance Amount (or any resulting increase in the Over-Allowance Amount) to Landlord within five (5) business days after Landlord's request.

2.6.3 **Certain Charges Excluded**. No cost of parking, utilities, after-hours HVAC or freight elevator usage incurred in connection with the Tenant Improvement Work or Tenant's initial move-in shall be deemed an Allowance Item or otherwise charged to Tenant.

2.7 **Permits**. After the Construction Drawings have been approved by Landlord and Tenant, Tenant shall submit the Approved Construction Drawings to the appropriate municipal authorities and otherwise apply for and obtain from such authorities all permits necessary for the Contractor to complete the Tenant Improvement Work (the "**Permits**"). Tenant shall coordinate with Landlord in order to allow Landlord, at its option, to take part in all phases of the permitting process and shall supply Landlord, as soon as possible, with all plan check numbers and dates of submittal. Without limiting Tenant's obligations or Landlord's remedies, Tenant shall cause the Approved Construction Drawings to be sufficient for issuance of the Permits, and if the Approved Construction Drawings are insufficient for such issuance, then Tenant, subject to Sections 2.8 and 5.2 below, shall cause the Architect and/or Engineers to promptly revise the Approved Construction Drawings to remedy such insufficiency and resubmit the same for Landlord's approval. As used herein, "**Required Permitting Materials**" means the Approved Construction Drawings sufficient for issuance of the Permits, together with all applications and other materials, if any, necessary to obtain the Permits.

2.8 **Revisions**. If Tenant requests' Landlord's approval of any revision to the Approved Space Plan, the Approved Additional Programming information, or the Approved Construction Drawings (collectively, the "**Approved Plans**"), Landlord shall provide Tenant with notice approving or reasonably disapproving such revision, and, if Landlord approves such revision, Landlord shall deliver to Tenant notice of any resulting change in the most recent Construction Pricing Proposal, if any, within five (5) business days after the later of Landlord's receipt of such request or the mutual execution and delivery of this Amendment, whereupon Tenant, within five (5) business days, shall notify Landlord whether it desires to proceed with such revision. If Landlord has begun performing the Tenant Improvement Work, then, in the absence of such authorization, Landlord shall have the option to continue such performance disregarding such revision. Without limitation, it shall be deemed reasonable for Landlord to disapprove any such proposed revision that conflicts with the Landlord Requirements. Landlord shall not revise the Approved Plans without Tenant's consent, which shall not be withheld or conditioned to the extent that such revision is required in order to cause the Approved Plans to comply with Law. Tenant shall approve; or reasonably disapprove (and state, with reasonable specificity, its reasons for disapproving), any revision to the Approved Plans within two (2) business days after receiving Landlord's request for approval thereof. For purposes hereof, any change order affecting the Approved Plans shall be deemed a revision thereto.

2.9 **Tenant's Submission Deadline**. For purposes of clause (a) of the definition of a "Tenant Delay" as set forth in Section 5.2 below, "**Tenant's Submission Deadline**" means the date occurring 120 days after the Start Date (defined below); provided, however, that (a) Tenant's Submission Deadline shall be extended by one (1) day for each day, if any, by which Tenant's selection of the Contractor pursuant to Section 2.6.1 above, Tenant's approval of the Construction Pricing Proposal pursuant to Section 2.6.1 above, or Tenant's submission of the Required Permitting Materials to the appropriate governmental authorities pursuant to Section 2.7 above is delayed by any failure of Landlord to perform its obligations under this Section 2; and (b) if Landlord notifies Tenant, pursuant to Section 2.6.1.0 above, that the Contractor is unable or unwilling to timely perform the Tenant Improvement Work as contemplated by this Work Letter in accordance with the terms and conditions of Landlord's standard form of construction contract, then Tenant's Submission Deadline shall be the later of the existing Tenant's Submission Deadline or the date occurring five (5) business days after the date of such notice to Tenant. As used herein, "**Start Date**" means (x) with respect to the Expansion Space, the date of mutual execution and delivery of this Amendment, (y) with respect to Suite 1110, the date on which Tenant notifies Landlord that it is extending the Term for Suite 1110 to the Suite 1110 Extended Expiration Date pursuant to Section 8.3 of this Amendment, and (z) with respect to any Offering Space, the date on which Tenant delivers to Landlord a Notice of Exercise for such Offering Space pursuant to Section 11.1.B.4 of this Amendment.

3. **CONSTRUCTION**.

3.1 **Contractor**. Landlord shall retain the Contractor (defined below) to perform the Tenant Improvement Work. In addition, Landlord may select and/or approve of any subcontractors, mechanics and materialmen used in connection with the performance of the Tenant Improvement Work.

3.2 [Intentionally Omitted]

3.3 [Intentionally Omitted.]

3.4 **Construction**.

3.4.1 **Performance of Tenant Improvement Work; Review Fees**. Landlord shall cause the Contractor to perform the Tenant Improvement Work in accordance with the Approved Construction Drawings Tenant shall not be required to pay any supervision or management fee in connection with the design and construction of the Tenant Improvements. However, Tenant shall reimburse Landlord, upon demand, for any fees reasonably incurred by Landlord for review of any structural or other non-customary elements of the Plans (such as raised floors, internal stairways, and the like) by Landlord's third party consultants ("Review Fees").

3.4.2 **Contractor's Warranties**. Tenant waives all claims against Landlord relating to any defects in the Tenant Improvements; provided, however, that if, within 345 days after substantial completion of the Tenant Improvement Work, Tenant provides notice to Landlord of any defect in the Tenant Improvements, then Landlord shall promptly cause such defect to be corrected.

3.4.3 **Tenant's Covenants**. At the completion of construction, Tenant shall cause the Architect to (i) update the Approved Construction Drawings as necessary to reflect all changes made to the Approved Construction Drawings during the course of construction, (ii) certify to the best of its knowledge that the updated drawings are true and correct, which certification shall survive the expiration or termination of the Lease, and (iii) deliver to Landlord two (2) CD ROMS of such updated drawings in accordance with Landlord's CAD Format Requirements (defined below) within 30 days following issuance of a certificate of occupancy for the Applicable Space. For purposes of this Work Letter, " **Landlord's CAD Format Requirements**" shall mean (w) the version is no later than current Autodesk version of AutoCAD plus the most recent release version, (x) files must be unlocked and fully accessible (no "cad-lock", read-only, password protected or "signature" files), (y) files must be in ".dwg" format, and (z) if the data was electronically in a non-Autodesk product, then files must be converted into "`dwg" files when given to Landlord.

4. **COMPLIANCE WITH LAW; SUITABILITY FOR TENANT'S USE**. Tenant shall be responsible for ensuring that (a) all elements of the design of the Plans comply with Law and are otherwise suitable for Tenant's use of the Applicable Space, and (b) no Tenant Improvement impairs any system or structural component of the Building, and neither Landlord's nor its consultants' approval of the Plans shall relieve Tenant from such responsibility.

5. **COMPLETION**.

5.1 **Substantial Completion**. For purposes of Section 2.2, 8.3 or 11.2 of this Amendment, as applicable, and subject to Section 5.2 below, the Tenant Improvement Work shall be deemed to be "**Substantially Complete**" on the later of (a) the completion of the Tenant Improvement Work pursuant to the Approved Construction Drawings (as reasonably determined by Landlord), with the exception of any details of construction, mechanical' adjustment or any other similar matter the non-completion of which does not materially interfere with Tenant's use of the Applicable Space, or (b) the date on which Landlord receives from the appropriate governmental authorities, with respect to the Tenant Improvement Work, all approvals necessary for the lawful occupancy of the Applicable Space.

5.2 **Tenant Cooperation; Tenant Delay**. Tenant shall use commercially reasonable efforts to cooperate with Landlord, the Architect, the Engineers, the Contractor, and Landlord's other consultants to complete all phases of the Plans, approve the Construction Pricing Proposal, obtain the Permits, and complete the Tenant Improvement Work as soon as possible, and Tenant shall meet with Landlord, in accordance with a schedule determined by Landlord, to discuss the parties' progress. Without limiting the foregoing, if (i) the Tenant Improvements include the installation of electrical connections for furniture stations to be installed by Tenant, and (ii) any electrical or other portions of such furniture stations must be installed in order for Landlord to obtain any governmental approval required for occupancy of the Applicable Space, then (x) Tenant, upon five (5) business days' notice from Landlord, shall promptly install such portions of such furniture stations in accordance with Sections 7.2 and 7.3 of the Lease, and (y) during the period of Tenant's entry into the Applicable Space for the purpose of performing such installation, all of Tenant's obligations under this Amendment relating to the Applicable Space shall apply, except for the obligation to pay Monthly Rent. In addition, without limiting the foregoing, if the Substantial Completion of the Tenant Improvement Work is delayed (a "**Tenant Delay**") as a result of (a) any failure of Tenant to select the Contractor pursuant to Section 2.6.1 above, approve the Construction Pricing Proposal pursuant to Section 2.6.1 above, and submit the Required Permitting Materials to the appropriate authorities pursuant to Section 2.7 above, all on or before Tenant's Submission Deadline; (b) [Intentionally Omitted]; (c) any failure of Tenant to timely approve any other matter requiring Tenant's approval; (d) any breach by Tenant of this Work Letter or this Amendment; (e) any request by Tenant for any revision to, or for Landlord's approval of any revision to, any portion of the Approved Plans (except to the extent that such delay results from a breach by Landlord of its obligations under Section 2.8 above); (f) any requirement of Tenant for materials, components, finishes or improvements that are not available in a commercially reasonable time given the anticipated date of Substantial Completion of the Tenant Improvement Work as set forth in this Amendment; or (g) any change to the base, shell or core of the Applicable Space or Building required by the Approved Construction Drawings, then except (other than in the case of the preceding clause (a)) to the extent that Landlord fails to provide Tenant with written notice of such Tenant Delay as soon as reasonably possible after discovering it, and regardless of when the Tenant Improvement Work is actually Substantially Completed, the Tenant Improvement Work shall be deemed to be Substantially Completed on the date on which the Tenant Improvement Work would have been Substantially Completed if no such Tenant Delay had occurred. Notwithstanding the foregoing, Landlord shall not be required to tender possession of the Applicable Space to Tenant before the Tenant Improvement Work has been Substantially Completed, as determined without giving effect to the preceding sentence. Notwithstanding Section 25.1 of the Lease, Landlord's notice to Tenant of any Tenant Delay may be given by e-mail.

6. **MISCELLANEOUS**. Notwithstanding any contrary provision of this Amendment, if Tenant defaults under this Amendment before the Tenant Improvement Work is completed, Landlord's obligations under this Work Letter shall be excused until such default is cured and Tenant shall be responsible for any resulting delay in the completion of the Tenant Improvement Work. This Work Letter shall not apply to any space other than the Applicable Space.

SECOND AMENDMENT

THIS SECOND AMENDMENT (this "**Amendment**") is made and entered into as of November 9, 2017, by and between **BRE BRAND CENTRAL HOLDINGS L.L.C., a Delaware limited liability company** ("**Landlord**"). and **SERVICETITAN, INC., a Delaware corporation** ("**Tenant**").

RECITALS

A. Landlord and Tenant are parties to that certain lease dated June 30, 2015, as previously amended by the First Amendment dated April 17, 2017 (the "**First Amendment**") (as amended, the "**Lease**"). Pursuant to the Lease, Landlord has leased to Tenant space currently containing approximately **47,228** rentable square feet (the "**Existing Premises**") described as Suites 700 and 800 on the 7th and 8th floors of the building commonly known as 801 North Brand located at 801 North Brand Boulevard, Glendale, California 91203 (the "**Building**").

B. The parties wish to expand the Premises (defined in the Lease) to include additional space, containing approximately **8,096** rentable square feet described as Suites 680, 685 and 690 on the 6th floor of the Building and shown on **Exhibit A** attached hereto (the "**Second Expansion Space**"), on the following terms and conditions.

NOW, THEREFORE, in consideration of the above recitals which by this reference are incorporated herein, the mutual covenants and conditions contained herein and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Landlord and Tenant agree as follows:

1. [Intentionally Omitted.]

2. **Second Expansion**.

2.1. **Effect of Second Expansion**. Effective as of the Second Expansion Effective Date, the Premises shall be increased from 47,228 rentable square feet on the 7th and 8th floors to **55,324** rentable square feet on the 6th, 7th and 8th floors by the addition of the Second Expansion Space, and, from and after the Second Expansion Effective Date, the Existing Premises and the Second Expansion Space shall collectively be deemed the Premises. The term of the Lease for the Second Expansion Space (the "**Second Expansion Term**") shall commence on the Second Expansion Effective Date and, unless sooner terminated in accordance with the Lease, end on the last day of the 66th full calendar month beginning on or after the Second Expansion Effective Date (the "**Second Expansion Expiration Date**"). During the Second Expansion Term, the Second Expansion Space shall be subject to all the terms and conditions of the Lease, including Landlord's obligations under Section 5.2 of the Lease, except as provided herein. For the avoidance of doubt, neither Section 1.4 of the Lease nor Exhibit B to the Lease shall apply to the Second Expansion Space.

2.2. **Second Expansion Effective Date**. As used herein, "**Second Expansion Effective Date**" means the earlier of (i) the first date on which Tenant conducts business in the Second Expansion Space, or (ii) the date on which the Tenant Improvement Work (defined in **Exhibit B** attached hereto) for the Second Expansion Space is Substantially Complete (defined in **Exhibit B** attached hereto), which is anticipated to be March 1, 2018 (the "**Target Second Expansion Effective Date**"). The adjustment of the Second Expansion Effective Date and, accordingly, the postponement of Tenant's obligation to pay rent for the Second Expansion Space shall be Tenant's sole remedy if the Tenant Improvement Work for the Second Expansion Space is not Substantially Complete on the Target Second Expansion Effective Date.

2.3. **Confirmation Letter**. At any time after the Second Expansion Effective Date, Landlord may deliver to Tenant a notice substantially in the form of **Exhibit C** attached hereto, as a confirmation of the information set forth therein. Tenant shall execute and return (or, by written notice to Landlord, reasonably object to) such notice within five (5) days after receiving it.

2.4. **Lease Terms Not Coterminous**. For the avoidance of doubt, it is acknowledged and agreed that (a) the term of the Lease for the Second Expansion Space is not coterminous with the term of the Lease for the Existing Premises; and (b) upon the expiration of either such term before the other such term, Sections 8 and 16 and all other provisions of the Lease that would apply to the entire Premises if the Term were expiring with respect to the entire Premises shall apply to the space for which the term of the Lease is expiring as if the term of the Lease were expiring with respect to the entire Premises.

2.5. **Late Delivery of Second Expansion Space; Abatement of Base Rent**. Notwithstanding any contrary provision hereof, if the Second Expansion Effective Date does not occur on or before the Outside Completion Date (defined below), Tenant, as its sole remedy, shall be entitled to an abatement of Base Rent for the Second Expansion Space, beginning on the date that such Base Rent otherwise first becomes payable hereunder, in the amount of $1,000.00 for each day in the period beginning on the Outside Completion Date and ending on the date immediately preceding the Second Expansion Effective Date. As used herein, "**Outside Completion Date**" means the date occurring 150 days after the Start Date (defined below); provided, however, that the Outside Completion Date shall be postponed by one (1) day for each day, if any, by which the Substantial Completion of the Tenant Improvement Work for the Second Expansion Space is delayed by (a) any event of Force Majeure, or (b) any failure of the existing tenant of the Second Expansion Space to surrender possession of the Second Expansion Space to Landlord by December 31, 2017 in the condition and configuration required under its lease (except to the extent that such failure continues because of any failure of Landlord to use good faith efforts to exercise its remedies for such failure to surrender). As used herein, "**Start Date**" means the date on which Tenant approves the Construction Pricing Proposal (defined in Section 2.6.1.B of **Exhibit B** attached hereto) for the Second Expansion Space pursuant to Section 2.6.1.B of **Exhibit B** attached hereto and delivers the Permits (defined in Section 2.7 of **Exhibit B** attached hereto) to Landlord pursuant to Section 2.7 of **Exhibit B** attached hereto; provided, however, that the Start Date shall be accelerated by one (1) day for each day, if any, of any breach by Landlord of its obligations under Section 2 of **Exhibit B** attached hereto.

3. **Base Rent**. With respect to the Second Expansion Space during the Second Expansion Term, the schedule of Base Rent shall be as follows:

Period During Second Expansion Term	Annual Rate Per Square _Monthly Foot (rounded to the nearest 100th of a dollar)	Base Rent
Second Expansion Effective Date through last day of 12th full calendar month of Second Expansion Term	$31.80	$21,454.40
13th through 24th full calendar months of Second Expansion Term	$32.75	$22,095.33
25th through 36th full calendar months of Second Expansion Term	$33.74	$22,763.25
37th through 48th full calendar months of Second Expansion Term	$34.75	$23,444.67
49th through 60th full calendar months of Second Expansion Term	$35.79	$24,146.32
61st full calendar month of Second Expansion Term through last day of Second Expansion Term	$36.86	$24,868.21

All such Base Rent shall be payable by Tenant in accordance with the terms of the Lease.

Notwithstanding the foregoing, Base Rent for the Second Expansion Space shall be abated in full for the second (2nd) through seventh (7th) full calendar months of the Second Expansion Term; provided, however, that (a) if a Default exists when any such abatement would otherwise apply, such abatement shall be deferred until the date, if any, on which such Default is cured; and (b) Tenant may convert all or any portion of such abatement to an increase in the Allowance (defined in Section 1.1 of **Exhibit B**) for the Second Expansion Space by notifying Landlord at least 30 days before such abatement would otherwise occur.

4. [Intentionally Omitted.]

5. **Tenant's Share**. With respect to the Second Expansion Space during the Second Expansion Term, Tenant's Share shall be 2.8299%.

6. **Expenses and Taxes**. With respect to the Second Expansion Space during the Second Expansion Term, Tenant shall pay for Tenant's Share of Expenses and Taxes in accordance with the terms of the Lease; provided, however, that, with respect to the Second Expansion Space during the Second Expansion Term, (a) the Base Year for Expenses and Taxes shall be 2018, and (b) Tenant shall not be required to pay Tenant's Share of Expenses and Taxes for the Second Expansion Space during the first 12 months of the Second Expansion Term.

7. **Improvements to Second Expansion Space; Base Building Components Serving Second Expansion Space**

7.1. **Configuration and Condition of Second Expansion Space**. Tenant acknowledges that it has inspected the Second Expansion Space, and agrees to accept the Second Expansion Space in its existing configuration and condition (or in such other configuration and condition as the existing tenant of the Second Expansion Space may cause to exist without breaching its obligations under its lease and without causing any new damage to the Second Expansion Space other than reasonable wear and tear), without any representation by Landlord regarding its configuration or condition and without any obligation on the part of Landlord to perform or pay for any alteration or improvement, except as may be otherwise expressly provided in this Amendment. For the avoidance of doubt, and for purposes of the preceding sentence, no removal of any trade fixture or performance of any repair, restoration or alteration from or in the Second Expansion Space as permitted under the lease of the existing tenant of the Second Expansion Space shall be deemed, in and of itself, to constitute new damage to the Second Expansion Space.

7.2. [Intentionally Omitted.]

7.3. **Responsibility for Improvements to Second Expansion Space**. Landlord shall perform improvements to the Second Expansion Space in accordance with **Exhibit B** attached hereto.

7.4. **Code Compliance**. Section 5.3 of the Lease shall not apply to the Second Expansion Space. Landlord represents and warrants to Tenant that, as of the date hereof, Landlord has not received written notice from any governmental agency (and Landlord does not otherwise have actual knowledge, without any duty of inquiry) that any portion of any Base Building System located in and serving the Second Expansion Space (other than in any restroom located in the Second Expansion Space) violates applicable Law, as determined without regard to any Tenant Improvements (defined in **Exhibit B** attached hereto) or Alterations. For the avoidance of doubt, Landlord makes no representation or warranty that no modification will be required by Law to be made to the Base Building lighting and/or HVAC systems located in the Second Expansion Space in connection with the performance of the Tenant Improvement Work.

7.5. **Building Components Serving Second Expansion Space**. Landlord shall cause the Building to include the following components on the Second Expansion Effective Date:

(a) all structural elements in good condition and working order, as more fully provided in and subject to the terms of Section 7.1 of the Lease;

(b) all Base Building Systems serving the Second Expansion Space, including Base Building HVAC (including ducted mechanical exhaust system off Building main, fans, insulated main loop around the floor on which the Second Expansion Space is located, and return air and exhaust system with smoke and fire dampers), electrical (including electrical/telephone closets with exhaust systems and all subpanels and breakers), plumbing, elevator (including cabs) and fire/life-safety systems (including panels, power sources, sprinklers with mains, laterals, uprights, and pull stations at points of egress), in each case to the extent serving the Second Expansion Space, and each (i) in good condition and working order, as more fully provided in and subject to the terms of Sections 7.1 of the Lease and **Exhibit B** attached hereto, and (ii) sufficient (A) in the case of the Base Building HVAC system, to provide to the Second Expansion Space the HVAC described in clause (a) of Section 6.1 of the Lease and **Exhibit H** to the Lease, (B) in the case of the Base Building electrical system, to provide to the Second Expansion Space the electricity described in clause (b) of Section 6.1 of the Lease, (C) in the case of the Base Building plumbing system, to provide to the Second Expansion Space the water described in clause (c) of Section 6.1 of the Lease, and (D) in the case of the Base Building elevator system, to provide to the floor on which the Second Expansion Space is located the elevator service described in clause (d) of Section 6.1 of the Lease;

(c) Building-standard window coverings for all exterior/perimeter glazed openings in the Second Expansion Space, in their condition and working order existing on the date hereof (subject to reasonable wear and tear and **Exhibit B** attached hereto);

(d) floor slab in the Second Expansion Space in good condition as required to allow the installation of standard floor coverings, together with floors in the Second Expansion Space in their condition existing on the date hereof (subject to reasonable wear and tear and **Exhibit B** attached hereto);

(e) drywall covered core walls (including elevator lobby) in the Second Expansion Space, in their configuration and condition existing on the date hereof subject to reasonable wear and tear and **Exhibit B** attached hereto); and

(f) the ceiling of the Second Expansion Space in its configuration and condition existing on the date hereof (subject to reasonable wear and tear and **Exhibit B** attached hereto).

8. [Intentionally Omitted.]

9. [Intentionally Omitted.]

10. **Other Pertinent Provisions**. Landlord and Tenant agree that, effective as of the date of this Amendment (unless different effective date(s) is/are specifically referenced in this Section), the Lease shall be amended in the following additional respects:

10.1. **Early Entry**. Tenant may enter the Second Expansion Space (i) after installation of the ceiling grid in the Second Expansion Space and before the Second Expansion Effective Date (but not before the date that Landlord reasonably estimates will occur 30 days before the Second Expansion Effective Date), solely for the purpose of installing telecommunications and data cabling in the Second Expansion Space, and (ii) after installation of the carpeting or other flooring in the Second Expansion Space and before the Second Expansion Effective Date (but not before the date that Landlord reasonably estimates will occur 30 days before the Second Expansion Effective Date), solely for the purpose of installing equipment, furnishings and other personal property in the Second Expansion Space. During any such period of early entry, (a) all of Tenant's obligations under this Amendment relating to the Second Expansion Space, except the obligation to pay Monthly Rent, shall apply, and (b) Tenant shall be entitled to receive the HVAC, utility and elevator services serving the Second Expansion Space described in Section 6.1 of the Lease, all without additional charge. Notwithstanding the foregoing, Landlord may limit, suspend or terminate Tenant's rights to enter the Second Expansion Space pursuant to this Section 10.1 if Landlord reasonably determines that such entry is endangering individuals working in the Second Expansion Space or is delaying completion of the Tenant Improvement Work for the Second Expansion Space.

10.2. **Letter of Credit Amount.**

A. Increase of Letter of Credit Amount. Section 2.1 of Exhibit F to the Lease is hereby amended by increasing the Letter of Credit Amount to **$600,000.00** (the "**Increased Amount**"). Accordingly, within five (5) business days after the mutual execution and delivery of this Amendment, Tenant shall either (i) deliver to Landlord a new Letter of Credit in the amount of the Increased Amount and otherwise satisfying the LC Requirements, whereupon Landlord shall return the existing Letter of Credit to Tenant within 30 days after receiving such new Letter of Credit, or (b) deliver to Landlord an amendment to the existing Letter of Credit, executed by and binding upon the issuer of the existing Letter of Credit and in a form reasonably acceptable to Landlord, increasing the amount of the existing Letter of Credit to the Increased Amount, whereupon Landlord shall execute and return such amendment to Tenant within 30 days after receiving such amendment.

B. Reduction of Letter of Credit Amount. Section 2.6 of Exhibit F to the Lease, as amended by Section 10.2 of the First Amendment, is hereby amended in its entirety to read as follows:

> "Notwithstanding any contrary provision of the Lease, provided that no Default then exists, the Letter of Credit Amount shall be reduced on the following dates (each, a "**Reduction Effective Date**") to be equal to the following corresponding amounts (each, a "**Reduced Amount**"): (a) $475,000.00 on June 30, 2019; (b) $350,000.00 on June 30, 2020; (c) $225,000.00 on June 30, 2021; and (d) $100,000.00 on June 30, 2022. If the Letter of Credit Amount is reduced in accordance with this Section 2.6, Tenant shall either (a) deliver to Landlord a new Letter of Credit in the amount of the Reduced Amount and otherwise satisfying the LC Requirements, whereupon Landlord shall return the Letter of Credit then held by Landlord (the "**Existing Letter of Credit**") to Tenant within 30 days after the later of Landlord's receipt of such new Letter of Credit or the Reduction Effective Date, or (b) deliver to Landlord an amendment to the Existing Letter of Credit, executed by and binding upon the issuer of the Existing Letter of Credit and in a form reasonably acceptable to Landlord, reducing the amount of the Existing Letter of Credit to the Reduced Amount, whereupon Landlord shall execute and return such amendment to Tenant within 30 days after the later of Landlord's receipt of such amendment or the Reduction Effective Date."

10.3. **Parking.**

A. Second Expansion Space. Commencing on the Second Expansion Effective Date, the second paragraph of Section 1.9 of the Lease, as amended by Section 10.3.A of the First Amendment shall be amended by replacing each occurrence therein of the number "166" with the number "190".

B. Temporary Spaces. Section 10.3.B of the First Amendment, entitled "Temporary Spaces," is hereby amended by deleting therefrom the words "(but not before the date immediately following the Termination Option Expiration Date)".

10.4. **Acceleration Option**. For the avoidance of doubt, Section 4 of Exhibit F to the Lease, entitled "Acceleration Option," shall continue in effect in accordance with its terms; provided, however, that notwithstanding any contrary provision of the Lease, (a) Section 4 of Exhibit F to the Lease shall not apply to the Expansion Space or the Second Expansion Space, and (b) after the Accelerated Expiration Date, if any, the last sentence of Section 1.9 of the Lease (as amended by Section 10.3.A of the First Amendment and Section 10.3.A above), shall be amended by replacing each occurrence therein of the number "190" with the number "95". Section 10.4 of the First Amendment, entitled "Acceleration Option," is hereby deleted in its entirety from the Lease.

10.5. **Extension Option**. With respect to the Second Expansion Space only, Section 5 of Exhibit F to the Lease shall be amended by replacing each occurrence therein of the term "Expiration Date" with the term "Second Expansion Expiration Date"; and (b) for the avoidance of doubt, such Section 5, as so amended, shall apply to the Second Expansion Space (it being acknowledged, for the avoidance of doubt, that any extension of the Term for the Second Expansion Space resulting from Tenant's exercise of its rights under such Section 5, as so amended, may not be coterminous with the Term for any other portion of the Premises, as it may have been extended). For the avoidance of doubt, Tenant may exercise the Extension Option with respect to the Second Expansion Space independently of whether or not Tenant exercises the Extension Option with respect to the Existing Premises.

10.6. [Intentionally Omitted.]

10.7. **California Civil Code Section 1938**. Pursuant to California Civil Code § 1938(a), Landlord hereby states that the Second Expansion Space has not undergone inspection by a Certified Access Specialist (CASp) (defined in California Civil Code § 55.52). Accordingly, pursuant to California Civil Code § 1938(e), Landlord hereby further states as follows:

> A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

In accordance with the foregoing, Landlord and Tenant agree that if Tenant requests a CASp inspection of the Second Expansion Space, then Tenant shall pay (i) the fee for such inspection, and (ii) except as may be otherwise expressly provided in this Amendment, the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the Second Expansion Space.

10.8. **Suite 1110 Option to Extend**. Section 8.3 of the First Amendment, entitled "Tenant's Option to Extend Term for Suite 1110," is hereby deleted in its entirety from the Lease.

10.9. **Right of First Offer**. Section 11 of the First Amendment, entitled "Right of First Offer," is hereby deleted in its entirety from the Lease.

11. **Miscellaneous**.

11.1. This Amendment and the attached exhibits, which are hereby incorporated into and made a part of this Amendment, set forth the entire agreement between the parties with respect to the matters set forth herein. There have been no additional oral or written representations or agreements. Tenant shall not be entitled, in connection with entering into this Amendment, to any free rent, allowance, alteration, improvement or similar economic incentive to which Tenant may have been entitled in connection with entering into the Lease, except as may be otherwise expressly provided in this Amendment.

11.2. Except as herein modified or amended, the provisions, conditions and terms of the Lease shall remain unchanged and in full force and effect.

11.3. In the case of any inconsistency between the provisions of the Lease and this Amendment, the provisions of this Amendment shall govern and control.

11.4. Neither party shall be bound by this Amendment until it has been executed and delivered by both parties.

11.5. Capitalized terms used but not defined in this Amendment shall have the meanings given in the Lease.

11.6. Tenant shall indemnify and hold Landlord, its trustees, members, principals, beneficiaries, partners, officers, directors, employees, mortgagee(s) and agents, and the respective principals and members of any such agents harmless from all claims of any brokers (other than Cassidy Turley Commercial Real Estate Services, Inc., a Missouri corporation doing business as Cushman & Wakefield ("**Tenant's Broker**")) claiming to have represented Tenant in connection with this Amendment. Landlord shall indemnify and hold Tenant, its trustees, members, principals, beneficiaries, partners, officers, directors, employees, and agents, and the respective principals and members of any such agents harmless from all claims of any brokers claiming to have represented Landlord in connection with this Amendment. Tenant acknowledges that any assistance rendered by any agent or employee of any affiliate of Landlord in connection with this Amendment has been made as an accommodation to Tenant solely in furtherance of consummating the transaction on behalf of Landlord, and not as agent for Tenant. Landlord shall pay a brokerage commission to Tenant's Broker subject to the terms of a separate written agreement to be entered into between Landlord and Tenant's Broker.

EXHIBIT A

OUTLINE AND LOCATION OF SECOND EXPANSION SPACE

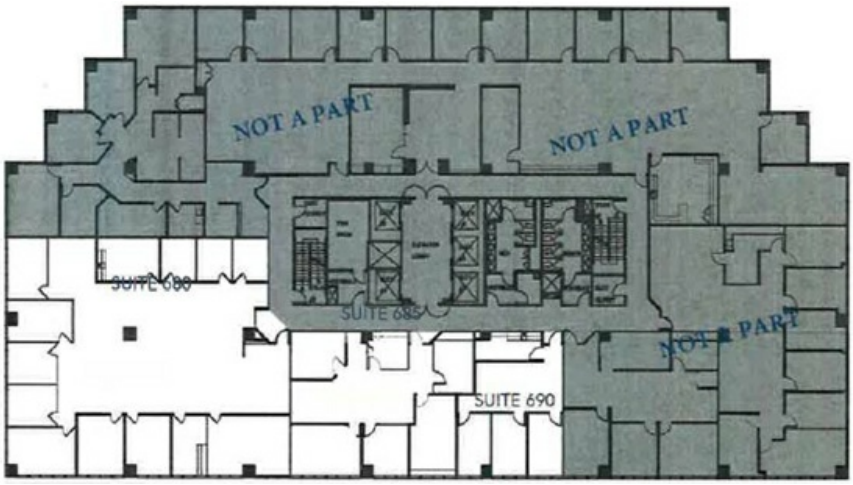

EXHIBIT B

WORK LETTER

As used in this **Exhibit B** (this "**Work Letter**"), the following terms shall have the following meanings:

(i) "**Tenant Improvements**" means all improvements to be constructed in the Second Expansion Space pursuant to this Work Letter; and

(ii) "**Tenant Improvement Work**" means the construction of the Tenant Improvements for the Second Expansion Space, together with any related work (including demolition) that is necessary to construct such Tenant Improvements.

1. **ALLOWANCE**.

1.1 **Allowance**. Tenant shall be entitled to a one-time tenant improvement allowance (the "**Allowance**") in the amount of **$485,760.00** (i.e., **$60.00** per rentable square foot of the Second Expansion Space) to be applied toward the Allowance Items (defined in Section 1.2 below). Tenant shall be responsible for all costs associated with the Tenant Improvement Work, including the costs of the Allowance Items, to the extent such costs exceed the lesser of (a) the Allowance, or (b) the aggregate amount that Landlord is required to disburse for such purpose pursuant to this Work Letter.

1.2 **Allowance Items**. Except as otherwise provided in this Work Letter, the Allowance shall be disbursed by Landlord only for the following items (the "**Allowance Items**"): (a) the fees of the Architect (defined in Section 2.1 below), the Engineers (defined in Section 2.1 below), and Tenant's project manager (if any), together with any Review Fees (defined in Section 3.4.1 below); (b) [Intentionally Omitted]; (c) plan-check, permit and license fees relating to performance of the Tenant Improvement Work; (d) the cost of performing the Tenant Improvement Work, including after-hours charges, testing and inspection costs, freight elevator usage, hoisting and trash removal costs, and contractors' fees and general conditions; (e) the cost of any change to the base, shell or core of the Second Expansion Space or Building required by the Approved Plans (defined in Section 2.8 below) (including if such change is due to the fact that such work is prepared on an unoccupied basis), including all direct architectural and/or engineering fees and expenses incurred in connection therewith; (f) the cost of any change to the Approved Plans or the Tenant Improvement Work required by Law; (g) [Intentionally Omitted]; (h) sales and use taxes; and (i) all other costs expended by Landlord in connection with the performance of the Tenant Improvement Work. For the avoidance of doubt, no portion of the Allowance shall be used to pay for the design or performance of the Initial Landlord Work (defined in Section 7 below), which shall be the sole responsibility of Landlord. The portions of the Allowance to be used to pay the amounts described in clause (a) of the first sentence of this Section 1.2 shall be disbursed by Landlord to Tenant (or, upon Tenant's request, to Tenant's vendor(s)) within 30 days after Landlord's receipt of Tenant's request together with copies of paid invoices for such amounts.

1.3 **Other Allowance Items**. If any portion of the Allowance remains unused after all Allowance Items have been fully paid, then, upon Tenant's request, and subject to Section 1.4 below, Landlord shall disburse the Allowance, not to exceed 50% of the total amount of the Allowance, to pay installments of Base Rent next coming due under this Amendment (the "**Other Allowance Items**"). Tenant shall be responsible for all costs of the Other Allowance Items to the extent such costs exceed the aggregate amount that Landlord is required to disburse for such purpose pursuant to this Work Letter.

1.4 **Deadline for Use of Allowance**. Notwithstanding any contrary provision of this Amendment, if, other than by reason Landlord's breach of its obligations under this Amendment, the entire Allowance is not used by November 30, 2018, the unused amount shall revert to Landlord and Tenant shall have no further rights with respect thereto.

1.5 [Intentionally Omitted.]

1.6 **Landlord Costs**. Notwithstanding any contrary provision of this Amendment, Tenant shall not be responsible for any Landlord Cost (defined below) and no Landlord Cost shall be an Allowance Item. As used herein, "**Landlord Cost**" means any portion of the cost of the Tenant Improvement Work that is reasonably attributable to the following and not to any Act of Tenant: (a) any amount paid to the Contractor (defined in Section 2.6.1 below) in excess of the Construction Pricing Proposal (defined in Section 2.6.1 below) approved by Tenant, except to the extent of any revision to the Approved Plans or the Tenant Improvements that is approved (or required under Section 2.8 below to be approved) by Tenant in writing; or (b) the presence in the Second Expansion Space of (i) any hazardous material in an amount or condition that violates applicable Law, or (ii) any asbestos-containing material.

2. CONSTRUCTION DRAWINGS; PRICING.

2.1 **Selection of Architect**. Tenant shall retain Wirt Design or another architect/space planner selected by Tenant and reasonably approved by Landlord (the "**Architect**") and price-competitive engineering consultants designated by Landlord (the "**Engineers**") to prepare all architectural and engineering plans, specifications and working drawings for the Second Expansion Space (the "**Plans**"). All Plans shall (a) comply with the drawing format and specifications required by Landlord, (b) be consistent with Landlord's requirements for avoiding aesthetic, engineering or other conflicts with the design and function of the balance of the Building (collectively, the "**Landlord Requirements**"), and (c) otherwise be subject to Landlord's reasonable approval. Notwithstanding any review of the Plans by Landlord or any of its space planners, architects, engineers or other consultants, and notwithstanding any advice or assistance that may be rendered to Tenant by Landlord or any such consultant, Landlord shall not be liable for any error or omission in the Plans or have any other liability relating thereto.

2.2 **[Intentionally Omitted.1**

2.3 **Space Plan**. Within 45 days after the mutual execution and delivery of this Amendment, Tenant shall cause the Architect to prepare a space plan for the Tenant Improvements, including a layout and designation of all offices, rooms and other partitioning, and equipment to be contained in the Second Expansion Space, together with their intended use (the "**Space Plan**"), and shall deliver four (4) copies of the Space Plan, signed by Tenant, to Landlord for its approval. The Space Plan shall (a) comply with the drawing format and specifications required by Landlord, (b) be consistent with Landlord's requirements for avoiding aesthetic, engineering or other conflicts with the design and function of the balance of the Building (collectively, the "**Landlord Requirements**"), and (c) otherwise be subject to Landlord's reasonable approval. Landlord shall provide Tenant with notice approving or reasonably disapproving the Space Plan within 10 business days after the later of Landlord's receipt thereof or the mutual execution and delivery of this Amendment. If Landlord disapproves the Space Plan, Landlord's notice of disapproval shall describe with reasonable specificity the basis for such disapproval and Tenant shall cause the Architect to revise the Space Plan and resubmit it for Landlord's approval. Such procedure shall be repeated as necessary until Landlord has approved the Space Plan. Such approved Space Plan shall be referred to herein as the "**Approved Space Plan.**"

2.4 **Additional Programming Information**. Within 15 business days after Landlord approves the Space Plan, Tenant shall deliver to Landlord, in writing, all information (including all interior and special finishes, electrical requirements, telephone requirements, special HVAC requirements, and plumbing requirements) that, when combined with the Approved Space Plan, will be sufficient to complete the Construction Drawings (defined in Section 2.5 below) (collectively, the "**Additional Programming Information**"). The Additional Programming Information shall be (a) consistent with the Approved Space Plan and the Landlord Requirements, and (b) otherwise subject to Landlord's reasonable approval. Landlord shall provide Tenant with notice approving or reasonably disapproving the Additional Programming Information within five (5) business days after the later of Landlord's receipt thereof or the mutual execution and delivery of this Amendment. If Landlord disapproves the Additional Programming Information, Landlord's notice of disapproval shall describe with reasonable specificity the basis for such disapproval and Tenant shall modify the Additional Programming Information and resubmit it for Landlord's approval. Such procedure shall be repeated as necessary until Landlord has approved the Additional Programming Information. Such approved Additional Programming Information shall be referred to herein as the "**Approved Additional Programming Information.**"

2.5 **Construction Drawings**. Within 20 business days after Landlord approves the Landlord approves the Additional Programming Information, Tenant shall cause the Architect and the Engineers to complete the final architectural (and, if applicable, structural) and engineering working drawings for the Tenant Improvement Work in a form that is sufficient to enable the Contractor (defined in Section 2.6.1.A below) and its subcontractors to bid on the Tenant Improvement Work and obtain the Permits (defined in Section 2.7 below) (collectively, the "**Construction Drawings**"), and shall deliver four (4) copies of the Construction Drawings, signed by Tenant, to Landlord for its approval. Notwithstanding the foregoing, at Tenant's option, the Construction Drawings may be prepared in two phases (first the architectural drawings, then engineering drawings consistent with the previously provided architectural drawings), provided that each phase shall be subject to Landlord's approval. The Construction Drawings shall conform to the Approved Space Plan, the Approved Additional Programming Information and the Landlord Requirements. Landlord shall provide Tenant with notice approving or reasonably disapproving the Construction Drawings (or the applicable phase thereof) within five (5) business days after the later of Landlord's receipt thereof or the mutual execution and delivery of this Amendment. If Landlord reasonably disapproves the Construction Drawings (or any phase thereof), Landlord's notice of disapproval shall describe with reasonable specificity the basis for such disapproval, and Tenant shall cause the Construction Drawings (or the applicable phase thereof) to be modified and resubmitted to Landlord for Landlord's approval. Such procedure shall be repeated as necessary until Landlord has approved the Construction Drawings. Such approved Construction Drawings shall be referred to herein as the "**Approved Construction Drawings.**" Within one (1) business day after Landlord approves the Construction Drawings, Tenant shall deliver to Landlord a CD ROM of the Approved Construction Drawings in accordance with Landlord's CAD Format Requirements (defined in Section 3.4.3 below).

2.6 **Construction Pricing.**

2.6.1 **Construction Pricing Proposal.**

A. Within 15 business days after the Construction Drawings are approved by Landlord and Tenant, Landlord shall (i) solicit from the Eligible Contractors (defined below) qualified (as reasonably determined by Landlord), competitive bids to perform the Tenant Improvement Work pursuant to the Approved Construction Drawings ("**Qualified Bids**"), (ii) provide Tenant with copies of the Qualified Bids received, and (iii) provide Tenant with Landlord's reasonable estimates ("**Qualified Construction Pricing Proposals**") of the cost of all Allowance Items to be incurred by Tenant in connection with the performance of the Tenant Improvement Work, based upon (other than with respect to soft costs) such received Qualified Bids. At Landlord's option, the Qualified Bids may be based upon the assumption that the Tenant Improvement Work will be performed pursuant to Landlord's standard form of "guaranteed maximum price" contract. As used herein, "**Eligible Contractor**" means Warner Constructors, Inc., Corporate Contractors, Inc., Holwick Constructors, Inc., Interscape Construction, or any other licensed, reputable general contractor that may be selected by Landlord and reasonably approved by Tenant. Within five (5) business days after receiving the Qualified Bids and the Qualified Construction Proposals, Tenant shall provide Landlord with notice selecting, from among the Eligible Contractors that have submitted Qualified Bids, the Eligible Contractor that Tenant wishes to perform the Tenant Improvement Work. The Eligible Contractor so selected by Tenant shall be referred to herein as the "**Contractor**".

B. In addition to selecting the Contractor, Tenant shall provide Landlord with notice approving or disapproving the Qualified Construction Pricing Proposal that was based upon the Qualified Bid provided by the Contractor (the "**Construction Pricing Proposal**"). If Tenant disapproves the Construction Pricing Proposal, Tenant's notice of disapproval shall be accompanied by proposed revisions to the Approved Construction Drawings that Tenant requests in order to resolve its objections to the Construction Pricing Proposal, and Landlord shall respond as required under Section 2.8 below. Such procedure shall be repeated as necessary until the Construction Pricing Proposal is approved by Tenant. Upon Tenant's approval of the Construction Pricing Proposal, Landlord may purchase the items set forth in the Construction Pricing Proposal and begin construction relating to such items.

C. Notwithstanding any contrary provision hereof, if, in Landlord's good faith judgment, the Contractor is or becomes unable or unwilling to timely perform the Tenant Improvement Work as contemplated by this Work Letter in accordance with the terms and conditions of Landlord's standard form of construction contract (which, at Landlord's option, may be a guaranteed maximum price contract), Landlord may so notify Tenant, in which event (i) Tenant, within three (3) business days after receiving such notice, shall provide Landlord with notice selecting a new Contractor from among the remaining Eligible Contractors that have submitted Qualified Bids, and (ii) Section 2.6.1.B above shall apply as if such new Contractor had been selected by Tenant as the Contractor pursuant to Section 2.6.1.A above in the first instance.

2.6.2 **Over-Allowance Amount**. If the Construction Pricing Proposal approved by Tenant exceeds the Allowance (less any portion thereof previously disbursed pursuant to the last sentence of Section 1.2 above), then Tenant, within five (5) business days after approving the Construction Pricing Proposal, shall deliver to Landlord cash in the amount of such excess (the "**Over-Allowance Amount**"). Any Over-Allowance Amount shall be disbursed by Landlord before the Allowance and pursuant to the same procedure as the Allowance. If, after the Construction Pricing Proposal is approved by Tenant, (a) any revision is made to the Approved Construction Drawings or the Tenant Improvement Work is otherwise changed, or the Contractor is replaced with a new Contractor, in each case in a way that increases the Construction Pricing Proposal, (b) the Construction Pricing Proposal is otherwise increased to reflect the actual cost of all Allowance Items to be incurred by Tenant in connection with the performance of the Tenant Improvement Work pursuant to the terms hereof, or (c) any portion of the Allowance is disbursed pursuant to the last sentence of Section 1.2 above, then Tenant shall deliver any resulting Over-Allowance Amount (or any resulting increase in the Over-Allowance Amount) to Landlord within five (5) business days after Landlord's request.

2.6.3 **Certain Charges Excluded**. No cost of parking, utilities, after-hours HVAC or freight elevator usage incurred in connection with the Tenant Improvement Work or Tenant's initial move-in shall be deemed an Allowance Item or otherwise charged to Tenant.

2.7 **Permits**. After the Construction Drawings have been approved by Landlord and Tenant, Tenant shall submit the Approved Construction Drawings to the appropriate municipal authorities and otherwise apply for and obtain from such authorities all permits necessary for the Contractor to complete the Tenant Improvement Work (the "**Permits**"). Tenant shall coordinate with Landlord in order to allow Landlord, at its option, to take part in all phases of the permitting process and shall supply Landlord, as soon as possible, with all plan check numbers and dates of submittal. Without limiting Tenant's obligations or Landlord's remedies, Tenant shall cause the Approved Construction Drawings to be sufficient for issuance of the Permits, and if the Approved Construction Drawings are insufficient for such issuance, then Tenant, subject to Sections 2.8 and 5.2 below, shall cause the Architect and/or Engineers to promptly revise the Approved Construction Drawings to remedy such insufficiency and resubmit the same for Landlord's approval. As used herein, "**Required Permitting Materials**" means the Approved Construction Drawings sufficient for issuance of the Permits, together with all applications and other materials, if any, necessary to obtain the Permits.

2.8 **Revisions**. If Tenant requests Landlord's approval of any revision to the Approved Space Plan, the Approved Additional Programming Information, or the Approved Construction Drawings (collectively, the "**Approved Plans**"), Landlord shall provide Tenant with notice approving or reasonably disapproving such revision, and, if Landlord approves such revision, Landlord shall deliver to Tenant notice of any resulting change in the most recent Construction Pricing Proposal, if any, within five (5) business days after the later of Landlord's receipt of such request or the mutual execution and delivery of this Amendment, whereupon Tenant, within five (5) business days, shall notify Landlord whether it desires to proceed with such revision. If Landlord has begun performing the Tenant Improvement Work, then, in the absence of such authorization, Landlord shall have the option to continue such performance disregarding such revision. Without limitation, it shall be deemed reasonable for Landlord to disapprove any such proposed revision that conflicts with the Landlord Requirements. Landlord shall not revise the Approved Plans without Tenant's consent, which shall not be withheld or conditioned to the extent that such revision is required in order to cause the Approved Plans to comply with Law. Tenant shall approve, or reasonably disapprove (and state, with reasonable specificity, its reasons for disapproving), any revision to the Approved Plans within two (2) business days after receiving Landlord's request for approval thereof. For purposes hereof, any change order affecting the Approved Plans shall be deemed a revision thereto.

2.9 **Tenant's Submission Deadline**. For purposes of clause (a) of the definition of a "Tenant Delay" as set forth in Section 5.2 below, "**Tenant's Submission Deadline**" means the date occurring 120 days after the mutual execution and delivery of this Amendment; provided, however, that (a) Tenant's Submission Deadline shall be extended by one (1) day for each day, if any, by which Tenant's selection of the Contractor pursuant to Section 2.6.1 above, Tenant's approval of the Construction Pricing Proposal pursuant to Section 2.6.1 above, or Tenant's submission of the Required Permitting Materials to the appropriate governmental authorities pursuant to Section 2.7 above is delayed by any failure of Landlord to perform its obligations under this Section 2; and (b) if Landlord notifies Tenant, pursuant to Section 2.6.1.C above, that the Contractor is unable or unwilling to timely perform the Tenant Improvement Work as contemplated by this Work Letter in accordance with the terms and conditions of Landlord's standard form of construction contract, then Tenant's Submission Deadline shall be the later of the existing Tenant's Submission Deadline or the date occurring five (5) business days after the date of such notice to Tenant.

3. CONSTRUCTION.

3.1 **Contractor**. Landlord shall retain the Contractor (defined below) to perform the Tenant Improvement Work. In addition, Landlord may select and/or approve of any subcontractors, mechanics and materialmen used in connection with the performance of the Tenant Improvement Work.

3.2 [Intentionally Omitted]

3.3 [Intentionally Omitted.]

3.4 **Construction.**

3.4.1 **Performance of Tenant Improvement Work; Review Fees**. Landlord shall cause the Contractor to perform the Tenant Improvement Work in accordance with the Approved Construction Drawings. Tenant shall not be required to pay any supervision or management fee in connection with the design and construction of the Tenant Improvements. However, Tenant shall reimburse Landlord, upon demand, for any fees reasonably incurred by Landlord for review of any structural or other non-customary elements of the Plans (such as raised floors, internal stairways, and the like) by Landlord's third party consultants ("**Review Fees**").

3.4.2 **Contractor's Warranties**. Tenant waives all claims against Landlord relating to any defects in the Tenant Improvements; provided, however, that if, within 345 days after substantial completion of the Tenant Improvement Work, Tenant provides notice to Landlord of any defect in the Tenant Improvements, then Landlord shall promptly cause such defect to be corrected.

3.4.3 **Tenant's Covenants**. At the completion of construction, Tenant shall cause the Architect to (i) update the Approved Construction Drawings as necessary to reflect all changes made to the Approved Construction Drawings during the course of construction, (ii) certify to the best of its knowledge that the updated drawings are true and correct, which certification shall survive the expiration or termination of the Lease, and (iii) deliver to Landlord two (2) CD ROMS of such updated drawings in accordance with Landlord's CAD Format Requirements (defined below) within 30 days following issuance of a certificate of occupancy for the Second Expansion Space. For purposes of this Work Letter, "**Landlord's CAD Format Requirements**" shall mean (w) the version is no later than current Autodesk version of AutoCAD plus the most recent release version, (x) files must be unlocked and fully accessible (no "cad-lock", read-only, password protected or "signature" files), (y) files must be in ".dwg" format, and (z) if the data was electronically in a non-Autodesk product, then files must be converted into "`dwg" files when given to Landlord.

4. **COMPLIANCE WITH LAW; SUITABILITY FOR TENANT'S USE**. Tenant shall be responsible for ensuring that (a) all elements of the design of the Plans comply with Law and are otherwise suitable for Tenant's use of the Second Expansion Space, and (b) no Tenant Improvement impairs any system or structural component of the Building, and neither Landlord's nor its consultants' approval of the Plans shall relieve Tenant from such responsibility.

5. COMPLETION.

5.1 **Substantial Completion**. For purposes of Section 2.2, 8.3 or 11.2 of this Amendment, as applicable, and subject to Section 5.2 below, the Tenant Improvement Work shall be deemed to be "**Substantially Complete**" on the later of (a) the completion of the Tenant Improvement Work pursuant to the Approved Construction Drawings (as reasonably determined by Landlord), with the exception of any details of construction, mechanical adjustment or any other similar matter the non-completion of which does not materially interfere with Tenant's use of the Second Expansion Space, or (b) the date on which Landlord receives from the appropriate governmental authorities, with respect to the Tenant Improvement Work, all approvals necessary for the lawful occupancy of the Second Expansion Space.

5.2 **Tenant Cooperation; Tenant Delay**. Tenant shall use commercially reasonable efforts to cooperate with Landlord, the Architect, the Engineers, the Contractor, and Landlord's other consultants to complete all phases of the Plans, approve the Construction Pricing Proposal, obtain the Permits, and complete the Tenant Improvement Work as soon as possible, and Tenant shall meet with Landlord, in accordance with a schedule determined by Landlord, to discuss the parties' progress. Without limiting the foregoing, if (i) the Tenant Improvements include the installation of electrical connections for furniture stations to be installed by Tenant, and (ii) any electrical or other portions of such furniture stations must be installed in order for Landlord to obtain any governmental approval required for occupancy of the Second Expansion Space, then (x) Tenant, upon five (5) business days' notice from Landlord, shall promptly install such portions of such furniture stations in accordance with Sections 7.2 and 7.3 of the Lease, and (y) during the period of Tenant's entry into the Second Expansion Space for the purpose of performing such installation, all of Tenant's obligations under this Amendment relating to the Second Expansion Space shall apply, except for the obligation to pay Monthly Rent. In addition, without limiting the foregoing, if the Substantial Completion of the Tenant Improvement Work is delayed (a "**Tenant Delay**") as a result of (a) any failure of Tenant to select the Contractor pursuant to Section 2.6.1 above, approve the Construction Pricing Proposal pursuant to Section 2.6.1 above, and submit the Required Permitting Materials to the appropriate authorities pursuant to Section 2.7 above, all on or before Tenant's Submission Deadline; (b) [Intentionally Omitted]; (c) any failure of Tenant to timely approve any other matter requiring Tenant's approval; (d) any breach by Tenant of this Work Letter or this Amendment; (e) any request by Tenant for any revision to, or for Landlord's approval of any revision to, any portion of the Approved Plans (except to the extent that such delay results from a breach by Landlord of its obligations under Section 2.8 above); (f) any requirement of Tenant for materials, components, finishes or improvements that are not available in a commercially reasonable time given the anticipated date of Substantial Completion of the Tenant Improvement Work as set forth in this Amendment; or (g) any change to the base, shell or core of the Second Expansion Space or Building required by the Approved Construction Drawings, then except (other than in the case of the preceding clause (a)) to the extent that Landlord fails to provide Tenant with written notice of such Tenant Delay as soon as reasonably possible after discovering it, and regardless of when the Tenant Improvement Work is actually Substantially Completed, the Tenant Improvement Work shall be deemed to be Substantially Completed on the date on which the Tenant Improvement Work would have been Substantially Completed if no such Tenant Delay had occurred. Notwithstanding the foregoing, Landlord shall not be required to tender possession of the Second Expansion Space to Tenant before the Tenant Improvement Work has been Substantially Completed, as determined without giving effect to the preceding sentence. Notwithstanding Section 25.1 of the Lease, Landlord's notice to Tenant of any Tenant Delay may be given bye-mail.

6. **MISCELLANEOUS**. Notwithstanding any contrary provision of this Amendment, if Tenant defaults under this Amendment before the Tenant Improvement Work is completed, Landlord's obligations under this Work Letter shall be excused until such default is cured and Tenant shall be responsible for any resulting delay in the completion of the Tenant Improvement Work. This Work Letter shall not apply to any space other than the Second Expansion Space.

THIRD AMENDMENT TO LEASE

(ServiceTitan, Inc. – 801 N. Brand Boulevard)

THIS THIRD AMENDMENT TO LEASE ("Amendment") is dated effective and for identification purposes as of March 19, 2018, and is made by and between SPUS8 GLENDALE, LP, a Delaware limited partnership ("Landlord"), and SERVICETITAN, INC., a Delaware corporation ("Tenant").

RECITALS:

WHEREAS, Landlord's predecessor-in-interest (BRE Brand Central Holdings L.L.C.) and Tenant entered into that certain Office Lease dated June 30, 2015 (the "Original Lease"), as amended by that certain First Amendment dated April 17, 2017 (the "First Amendment"), and that certain Second Amendment dated November 9, 2017 (the "Second Amendment, and collectively, the "Lease"), pertaining to the premises currently comprised of a total of approximately 55,324 rentable square feet of space on the sixth (6th), seventh (7th), and eighth (8th) floors ("Premises"), located within 801 N. Brand Boulevard, Glendale, California 91203 ("Building"); and

WHEREAS, Landlord and Tenant desire to enter into this Amendment to expand the Premises and provide for certain other matters as more fully set forth herein;

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants contained herein, the parties agree that the Lease shall be amended in accordance with the terms and conditions set forth below.

1. Definitions. The capitalized terms used herein shall have the same definitions as set forth in the Lease, unless otherwise defined herein. Notwithstanding anything in the Lease to the contrary, effective as of the Expansion Commencement Date (as defined below), the rentable square footage of the Building shall be 290,847.

2. Expansion.

(a) Expansion Premises. The term "Expansion Premises" is hereby defined to be and to mean (i) approximately 5,518 rentable square feet of space located on the ninth (9th) floor of the Building commonly referred to as Suite 910, (ii) approximately 5,594 rentable square feet of space located on the eleventh (11th) floor of the Building commonly referred to as Suite 1110, (iii) approximately 3,671 rentable square feet of space located on the eleventh (11th) floor of the Building commonly referred to as Suite 1180, and (iv) approximately 1,727 rentable square feet of space located on the sixth (6th) floor of the Building commonly referred to as Suite 620 (which measurements are the final agreement of the parties and not subject to adjustment), as outlined on **Exhibit A**, attached hereto and incorporated herein by this reference. Accordingly, effective as of the Expansion Commencement Date, the Premises, as expanded, shall be deemed to consist of a collective total of approximately 71,834 rentable square feet of space.

(b) Expansion Commencement Date. The term "Expansion Commencement Date" is hereby defined to be and to mean the Substantial Completion Date as set forth in the Work Letter, attached hereto as **Exhibit B** and incorporated herein by this reference. The Substantial Completion Date is presently anticipated to be September 1, 2018, provided that the Substantial Completion Date for the "Suite 620 Expansion Premises" (as defined in subsection "(e)" below) is anticipated to be July 1, 2019. If Tenant is allowed to occupy, use, work in or otherwise enter the Expansion Premises prior to the Expansion Commencement Date, the terms and conditions of the Lease as hereby amended shall apply, except that Tenant shall not be required to pay rent for any period prior to the applicable Expansion Commencement Date for the Expansion Premises.

(c) Expansion Term. The term "Expansion Term" is hereby defined to be and to mean that period of time commencing on the Expansion Commencement Date and expiring on the "Extended Expiration Date" (as that term is defined in Section 1 of the First Amendment) ("Expansion Expiration Date").

(d) Acceptance. Effective on the Expansion Commencement Date, Landlord hereby leases to Tenant and Tenant hereby leases from Landlord, on the terms and conditions set forth in the Lease and herein, the Expansion Premises. Tenant shall accept the Expansion Premises in its present "as is" condition, except for the performance of Landlord's Work and Landlord's other obligations as set forth in the Work Letter, attached hereto as **Exhibit B** and incorporated herein by this reference and Landlord's obligations below. Landlord shall cause the Building to include the following components on the Expansion Commencement Date:

1) all structural elements in good condition and working order, as more fully provided in and subject to the terms of Section 7.1 of the Original Lease;

2) all Base Building Systems serving the Expansion Premises, including Base Building HVAC (including ducted mechanical exhaust system off Building main, fans, insulated main loop around the floor on which the Expansion Premises is located, and return air and exhaust system with smoke and fire dampers), electrical (including electrical/telephone closets with exhaust systems and all subpanels and breakers), plumbing, elevator (including cabs) and fire/life-safety systems (including panels, power sources, sprinklers with mains, laterals, uprights, and pull stations at points of egress), in each case to the extent serving the Expansion Premises, and each (i) in good condition and working order, as more fully provided in and subject to the terms of Sections 7.1 of the Original Lease and **Exhibit B** attached hereto, and (ii) sufficient (A) in the case of the Base Building HVAC system, to provide to the Expansion Premises the HVAC described in clause (a) of Section 6.1 of the Original Lease and **Exhibit H** to the Original Lease, (B) in the case of the Base Building electrical system, to provide to the Expansion Premises the electricity described in clause (b) of Section 6.1 of the Original Lease, (C) in the case of the Base Building plumbing system, to provide to the Expansion Premises the water described in clause (c) of Section 6.1 of the Original Lease, and (D) in the case of the Base Building elevator system, to provide to the floor on which the Expansion Premises is located the elevator service described in clause (d) of Section 6.1 of the Original Lease;

3) Building-standard window coverings for all exterior/perimeter glazed openings in the Expansion Premises, in their condition and working order existing on the date hereof (subject to reasonable wear and tear and **Exhibit B** attached hereto);

4) floor slab in the Expansion Premises in good condition as required to allow the installation of standard floor coverings, together with floors in the Expansion Premises in their condition existing on the date hereof (subject to reasonable wear and tear and **Exhibit B** attached hereto);

5) drywall covered core walls (including elevator lobby) in the Expansion Premises, in their configuration and condition existing on the date hereof subject to reasonable wear and tear and **Exhibit B** attached hereto);

6) the ceiling of the Expansion Premises in its configuration and condition existing on the date hereof (subject to reasonable wear and tear and **Exhibit B** attached hereto); and

7) the Base Building and all Common Areas shall comply with all Laws to the extent required under Section 5.2 of the Original Lease.

Landlord represents and warrants to Tenant that, as of the date hereof, Landlord has not received written notice from any governmental agency (and Landlord does not otherwise have actual knowledge, without any duty of inquiry) that any portion of any Base Building System located in and serving the Expansion Premises violates applicable Law, as determined without regard to any Tenant Improvements (defined in **Exhibit B** attached hereto) or Alterations.

(e) Suite 620 Expansion Premises. Notwithstanding anything to the contrary herein, Tenant shall have the right to terminate Tenant's lease of the Suite 620 Expansion Premises by delivery of written notice (the "Termination Notice") to Landlord not later than September 1, 2018. The parties hereby acknowledge and agree that the Suite 620 Expansion Premises is currently subject to that certain lease wherein Garcia Hernandez Sawhney, LLP is the tenant ("GHS Lease"), which expires January 31, 2019. Accordingly, if Tenant does not terminate its lease of the Suite 620 Expansion Premises as set forth above, then in the event that the Suite 620 Expansion Premises is not surrendered to Landlord in an appropriate time and condition, the Expansion Commencement Date for the Suite 620 Expansion Premises shall be delayed until such time as the Suite 620 Expansion Premises has been delivered to Tenant in the condition required under this Amendment, and, in such case, Tenant's obligation to pay Base Rent shall be based on the rentable square footage actually delivered to Tenant and shall commence at the monthly rate of $2.95, increasing each year in accordance with the schedule set forth in Section 3 below as if the Expansion Commencement Date were the date of delivery of the Suite 620 Expansion Premises to Tenant (so that the Expansion Commencement Date for the Suite 620 Expansion Premises shall be different than the Expansion Commencement Date for the remainder of the Expansion Premises). If Landlord has not delivered the Suite 620 Expansion Premises to Tenant on or before May 1, 2019 (the "Outside Delivery Date"), then Tenant shall have the right to terminate Tenant's lease of the Suite 620 Expansion Premises by delivery of written notice (the "Late Delivery Termination Notice") to Landlord not later than fifteen (15) days after the Outside Delivery Date, which termination notice shall be effective thirty (30) days thereafter unless Landlord delivers the Suite 620 Expansion Premises to Tenant within such thirty (30) day period. If Tenant delivers the (i) Termination Notice; or (ii) the Late Delivery Termination Notice and Landlord fails to deliver the Suite 620 Premises within thirty (30) days as set forth in the preceding sentence, then Suite 620 shall be excluded from the Expansion Premises and all terms hereunder based upon the rentable square feet of the Expansion Premises shall be adjusted pro rata based upon the reduction in size of the Expansion Premises by 1,727 rentable square feet (including without limitation the Base Rent and Tenant's Share).

3. Base Rent. During the Expansion Term, Tenant shall pay to Landlord Base Rent for the Expansion Premises, which shall be payable in monthly installments as follows:

EXPANSION PREMISES

Dates	Monthly Rate/RSF	Monthly Installment
Expansion Commencement Date – Month 1	$ 2.95	$ 48,704.50
Month 2 – Month 6	$ 2.95	$ 0.00*,**
Month 7 – Month 12	$ 2.95	$ 48,704.50
Month 13 – Month 24	$ 3.04	$ 50,190.40
Month 25 – Month 36	$ 3.13	$ 51,676.30
Month 37 – Month 48	$ 3.22	$ 53,162.20
Month 49 – Expansion Expiration Date	$ 3.32	$ 54,813.20

Except as otherwise expressly set forth herein, Base Rent shall be payable pursuant to the terms and conditions of Section 3 of the Lease.

* Such abatement shall apply solely to payment of the monthly installments of Base Rent and shall not be applicable to any other charges, expenses or costs payable by Tenant under the Lease or this Amendment, including, without limitation, Tenant's obligation to any separately metered utilities. Landlord and Tenant agree that if a Default exists when any such abatement would otherwise apply, such abatement shall be deferred until the date, if any, on which such Default is cured. Notwithstanding the foregoing, Base Rent shall be abated for the Suite 620 Expansion Premises for the second month through the end of the fifth month (i.e., for four (4) full months) of the term of Tenant's lease of the Suite 620 Expansion Premises after the Substantial Completion Date for the Suite 620 Expansion Premises.

** Tenant may elect, upon prior written notice to Landlord, to convert any portion of the abated Base Rent into Allowance (as defined in the Work Letter hereto attached as **Exhibit B**).

4. Tenant's Share. Beginning on the Expansion Commencement Date, (i) Tenant's Share, as defined in Section 1.6 of the Lease, shall be increased to 24.698% based on 290,847 rentable square feet of space in the Building; and (ii) Tenant's Base Year (for the Expansion Premises only) for both Expenses and Taxes shall be calendar year 2019. Tenant shall not be required to pay Tenant's Share of Expenses and Taxes for the Expansion Premises during the first 12 months of the Expansion Term.

5. Tenant's Parking Spaces. Effective upon the Expansion Commencement Date, Tenant shall have the right (but not the obligation), to lease from Landlord up to an aggregate two hundred forty (240) parking spaces. Up to thirty-four (34) of such parking spaces shall be unreserved and located underneath the Building, and the balance shall be unreserved and located either underneath the Building, in the adjacent parking structure, or as tandem stalls located underneath the Building. In addition, Tenant may convert up to eight (8) of its parking spaces to single, reserved spaces in the Building's underground garage. Tenant shall pay the standard parking rate per parking space, which is currently (i) $95.00 per month per unreserved parking space (whether located underneath the Building or in the parking structure); and (ii) $135.00 per month per reserved parking space. All parking rates are subject to change upon thirty (30) days' advance written notice to Tenant and is payable as rent. Tenant shall be liable for any taxes on paid parking spaces.

6. Right of First Offer.

(a) Offer Space. If, at any time during the Expansion Term any space on the fifth (5th), sixth (6th), ninth (9th), or eleventh (11th) floors becomes available for lease, before leasing such space to a third party Landlord shall give Tenant written notice ("Offer Space Notice") of such event. Such notice shall identify the location, configuration and size of the space ("Offer Space"), as well as the applicable business terms under which Landlord is willing to lease such space (such as duration, commencement date, concessions, base rent, and additional rent). Within seven (7) business days after the date the Offer Space Notice is given to Tenant, the time of giving of such notice to be of the essence of this Section, Tenant shall give Landlord written notice ("Offer Acceptance Notice") of its election to lease the entire Offer Space. If less than three (3) years remain on the Expansion Term, then Tenant must exercise the Extension Option (pursuant to Section 7(ii) below) at the same time it gives the Offer Acceptance Notice. Tenant shall pay Monthly Rent for the Offer Space in accordance with the provisions of the Offer Space Notice. The Offer Space Notice shall reflect the Prevailing Market (defined in Section 6.5 of the Original Lease) rate for the Offer Space as determined in Landlord's reasonable judgment. For the avoidance of doubt, a tenant improvement allowance for the Offer Space shall be set forth in the Offer Space Notice, if at all, in accordance with the determination of the Prevailing Market rate.

(b) Amendment. After receipt of any such Offer Acceptance Notice, Landlord and Tenant shall enter into an amendment to this Lease acceptable to Landlord and Tenant to amend the Lease pursuant to the terms and conditions of the Offer Space Notice. Tenant shall execute and return the amendment to Landlord within fifteen (15) days after receiving it, but an otherwise valid exercise of the right of first offer shall be fully effective whether or not the amendment is executed. Except as set forth in the Offer Space Notice, the terms and conditions of the Lease as they apply to the Premises shall govern Tenant's lease of the Offer Space. Subject to Section 6(a) above, notwithstanding the foregoing, the Term of Tenant's lease of any Offer Space shall commence on the Offer Space Commencement Date (defined below) and be coterminous with the Term of the lease of the Expansion Premises. "Offer Space Commencement Date" shall mean the date on which the Tenant Improvement work is Substantially Complete in the Offer Space. No additional securitization shall be required if Tenant leases any Offer Space.

(c) Failure to Exercise. In the event that Tenant fails to exercise its right as aforesaid within seven (7) business days of the date the Offer Space Notice is given to Tenant, Tenant shall be deemed to have waived its right under this Section for a period of one hundred eighty (180) days beginning on the expiration of the seven (7) business day period, unless Landlord desires to lease such Offer Space at a Net Effective Rental Rate (hereinafter defined) less than ninety-five percent (95%) of the Net Effective Rental Rate offered to Tenant in the related Offer Space Notice. If Landlord desires to lease such space at a Net Effective Rental Rate less than ninety-five percent (95%) of the Net Effective Rental Rate offered to Tenant, then such space shall again be offered to Tenant by a new Offer Space Notice hereunder on such lower terms. As used herein, the term "Net Effective Rental Rate" shall mean the net rental rate payable to Landlord under a lease net of all tenant inducements (e.g., tenant improvement allowances, rental abatements, moving allowances), with the cost of such tenant inducements, together with interest thereon at a rate of ten percent (10%) per annum, amortized over the term of such Lease. Except for such waiver, Tenant's rights under this Section are continuous and, therefore, if the lease in favor of a third party of the Offer Space expires or otherwise terminates, and Landlord desires to accept an Offer to lease such Offer Space after the expiration of the above-referenced one hundred eighty (180) day period, Landlord shall again give Tenant notice of its right to lease such Offer Space.

(d) Subordination. Tenant's right of offer granted hereunder shall be subordinate to any and all existing rights or interests conferred to other tenants for all or any portion of the Offer Space, as contained in any lease, or otherwise, in effect on the date of execution of this Lease including, without limitation, (i) options or rights regarding renewal, extension or expansion, (ii) subleases and (iii) assignments, all of which are described as follows: New York Life.

(e) Not Transferable. Tenant acknowledges and agrees that any right of offer granted herein shall be deemed personal to Tenant and if Tenant assigns or otherwise transfers any interests under this Lease prior to the exercise of any right of offer granted under this Section (other than pursuant to a Permitted Transfer or if Tenant is then subleasing more than 25% of the rentable square footage within the Premises), such right shall lapse and be of no further force or effect.

(f) No Default. Tenant shall be deemed to have waived its rights under this Section in the event that Tenant is in default under the Lease beyond any applicable notice and grace period as of the date of either the Offer Space Notice or Offer Acceptance Notice.

7. Extension Option. During the Expansion Term, Tenant shall continue to have one (1) option to extend the term of the Lease for the Premises for one (1) consecutive period of five (5) years, subject to the terms and conditions set forth in Section 5 of Exhibit F to the Lease. Tenant may renew less than all of the rentable square footage within the Premises, provide, however, that Tenant must renew not less than 35,000 rentable square feet of space, and the location of which shall be determined by Landlord acting reasonably and in good faith. Notwithstanding anything in the Lease to the contrary, Tenant's notice of its election to exercise such Extension Option shall must be received by Landlord at least nine (9) months prior to the Expansion Expiration Date, but no earlier than twelve (12) months prior to Expansion Expiration Date. The option herein granted shall be deemed to be personal to Tenant, and if Tenant assigns or transfers any interest thereof to another party (other than pursuant to a Permitted Transfer or if Tenant is then subleasing more than 25% of the rentable square footage within the Premises), such option shall lapse. In the event that Tenant is in default of any term or condition at the time of its exercise notice beyond any applicable notice and grace period, then there shall be no extension or renewal of the Lease as provided herein. As they apply to Tenant's right to extend the term of the Lease, the parties acknowledge and agree that the terms "extend," "extension," "renew," and/or "renewal" shall be deemed the same.

8. Temporary Space. Until the Expansion Commencement Date, Tenant shall continue to have the right to use the Temporary Space as defined in Section 8 of the First Amendment on the terms specified in such section (including without limitation the Applicable Base Rent rate of $1.50 per rentable square foot per month). Notwithstanding the foregoing, Tenant shall not be obligated to pay Applicable Base Rent for the Suite 1110 Temporary Space while Landlord is constructing the Tenant Improvements in the Suite 1110 Temporary Space hereunder. Within five (5) days after the Expansion Commencement Date, Tenant shall surrender the Temporary Space to Landlord in the condition required under the Lease.

9. Signage.

(a) Exterior Building Signage. Tenant may, at no additional cost (except as set forth in subsection (c) below) and on anon-exclusive basis, place exterior signage on two (2) sides of the top of the Building (those sides not presently occupied by New York Life's signage), provided that such signage consists of Tenant's corporate name and/or logo, or is otherwise consistent with Tenant's identity, is reasonably approved by Landlord, and is otherwise in compliance with Section 9(c) below. Further, (i) in the event that New York Life relinquishes its rights to Building-top signage during the Expansion Term (as may be extended); and (ii) Tenant is then leasing and occupying more than 90,000 rentable square feet of space within the Building, then Tenant's right to exterior signage at the Building pursuant to Section 9(a) above shall be exclusive (i.e., Landlord shall not allow any signage on the top of the Building other than Tenant's signage) and Tenant's two sides of the top of the Building may include the sides that were occupied by New York Life's signage (i.e., the southerly and northerly facing Building facades).

(b) Eyebrow Signage. Tenant may, at no additional cost (except as set forth in subsection (c) below) to install eyebrow signage over the Building entrance (i.e., facing the plaza).

(c) Miscellaneous. All costs associated with the fabrication, installation, maintenance, removal and replacement of Tenant's signage shall be the sole responsibility of Tenant. Tenant shall maintain such signage in good condition and repair. Tenant shall remove such signage and repair any damage caused thereby, at its sole cost and expense, upon the expiration or sooner termination of the Lease. The color, content, size and other specifications of any such signage shall be subject to Landlord's prior approval, which approval shall not be unreasonably withheld, conditioned or delayed. Further, Tenant shall ensure that all signage complies with any and all applicable laws, ordinances, zoning codes, and regulations.

(d) Transfer Limitations and Default. Tenant acknowledges and agrees that the rights granted under this Section 9 shall be deemed personal to Tenant and any assignee pursuant to a Permitted Transfer, and if Tenant subleases more than twenty-five percent (25%) of the Premises (excluding any sublease pursuant to a Permitted Transfer) or otherwise assigns or transfers any interest thereof to another party (excluding any assignee pursuant to a Permitted Transfer), such rights shall lapse and no longer be of any force or effect. Tenant's rights under this Section 9 shall be effective so long as Tenant is not in monetary default or material non-monetary default of any term or condition of this Lease beyond any applicable notice and cure period.

10. Securitization. The parties acknowledge that the letter of credit currently held by Landlord required under Section 2 of Exhibit F to the Lease shall remain in full force and effect during the Expansion Term (and any future renewal terms, unless excused by Landlord).

11. Brokers. Tenant hereby represents and warrants to Landlord that Tenant has not dealt with any real estate brokers or leasing agents, except Cushman & Wakefield, who represents Tenant, and Landlord hereby represents and warrants to Tenant that CBRE, Inc. is the sole real estate broker or leasing agent representing Landlord (collectively the "Brokers"). No commissions are payable to any party claiming through Tenant as a result of the consummation of the transaction contemplated by this Amendment, except to Brokers, if applicable. Tenant hereby agrees to indemnify and hold Landlord harmless from any and all loss, costs, damages or expenses, including, without limitation, all attorneys' fees and disbursements by reason of any claim of or liability to any other broker, agent, entity or person claiming through Tenant (other than Brokers) and arising out of or in connection with the negotiation and execution of this Amendment. Landlord shall pay a brokerage commission to the Brokers subject to the terms of a separate written agreement to be entered into between Landlord and the Brokers.

12. Energy and Environmental Initiatives. Landlord and Tenant acknowledge and agree that Landlord is committed to employing sustainable operating and maintenance practices for the Building. Tenant /residents shall fully cooperate with Landlord in any programs in which Landlord may elect to participate relating to the Building's (i) energy efficiency, management and conservation; (ii) water conservation and management; (iii) environmental standards and efficiency; (iv) recycling and reduction programs; and/or (v) safety, which participation may include, without limitation, the Leadership in Energy and Environmental Design (LEED) program and related Green Building Rating System promoted by the U.S. Green Building Council. All carbon tax credits and similar credits, offsets and deductions are the sole and exclusive property of Landlord. Tenant affirms its support of these practices, and agrees to cooperate with Landlord by implementing reasonable conservation practices. Periodically, Landlord may offer additional examples, guidance and practices related to energy conservation measures, which Tenant agrees to consider for implementation. Notwithstanding anything herein to the contrary, Tenant shall not be restricted from operating its business in the fashion and manner which it deems appropriate for itself. Should any specific practice(s) proposed by Landlord be deemed to be inconsistent with Tenant's business operations, Tenant shall so advise Landlord in writing as its reason for declining to implement such specific practice(s).

13. Waiver of Statutory Provisions. Each party waives the rights and provisions under California Civil Code §§ 1932(2), 1933(4) and 1945. Tenant waives any rights under (i) California Civil Code §§ 1932(1), 1941, 1942, 1950.7 or any similar law, or (ii) California Code of Civil Procedure §§ 1263.260 or 1265.130.

14. **Early Entry**. Tenant may enter the Expansion Premises 21 days before the Expansion Commencement Date for the purpose of installing telecommunications and data cabling in the Expansion Premises and installing equipment, furnishings and other personal property in the Expansion Premises. During any such period of early entry, all of Tenant's obligations under this Amendment relating to the Expansion Premises, except the obligation to pay Base Rent, shall apply. Notwithstanding the foregoing, Landlord may limit, suspend or terminate Tenant's rights to enter the Expansion Premises pursuant to this Section 14 if Landlord reasonably determines that such entry is endangering individuals working in the Expansion Premises or is delaying completion of the Tenant Improvement Work for the Expansion Premises.

15. **California Civil Code Section 1938**. Pursuant to California Civil Code §1938(a), Landlord hereby states that the Premises have not undergone inspection by a Certified Access Specialist (CASp) (defined in California Civil Code § 55.52). Accordingly, pursuant to a California Civil Code § 1938(c), Landlord hereby further states as follows:

> A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

In accordance with the foregoing, Landlord and Tenant agree that if Tenant obtains a CASp inspection of the Premises, then Tenant shall pay (i) the fee for such inspection, and (ii) except as may be otherwise expressly provided in this Lease, the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the Premises.

16. **Miscellaneous**. With the exception of those matters set forth in this Amendment, Tenant's leasing of the Premises shall be subject to all terms, covenants and conditions of the Lease. In the event of any express conflict or inconsistency between the terms of this Amendment and the terms of the Lease, the terms of this Amendment shall control and govern. Except as expressly modified by this Amendment, all other terms and conditions of the Lease are hereby ratified and affirmed. The parties acknowledge that the Lease is a valid and enforceable agreement and that Tenant holds no claims against Landlord or its agents which might serve as the basis of any other set-off against accruing rent and other charges or any other remedy at law or in equity.

WORK LETTER

As used in this **Exhibit B** (this "**Work Letter**"), the following terms shall have the following meanings:

(i) "**Tenant Improvements**" means all improvements to be constructed in the Expansion Premises pursuant to this Work Letter; and

(ii) "**Tenant Improvement Work**" means the construction of the Tenant Improvements for the Expansion Premises, together with any related work (including demolition) that is necessary to construct such Tenant Improvements.

1. **ALLOWANCE**.

1.1 **Allowance**. Tenant shall be entitled to a one-time tenant improvement allowance (the "**Allowance**") in the amount of **$892,478.69** (i.e., **$45.98** per rentable square foot of the Suite 620 Expansion Premises, and **$55.00** per rentable square foot of space in the remainder of the Expansion Premises) to be applied toward the Allowance Items (defined in Section 1.2 below). Tenant shall be responsible for all costs associated with the Tenant Improvement Work, including the costs of the Allowance Items, to the extent such costs exceed the lesser of (a) the Allowance, or (b) the aggregate amount that Landlord is required to disburse for such purpose pursuant to this Work Letter.

1.2 **Allowance Items**. Except as otherwise provided in this Work Letter, the Allowance shall be disbursed by Landlord only for the following items (the "**Allowance Items**"): (a) the fees of the Architect (defined in Section 2.1 below), the Engineers (defined in Section 2.1 below), and Tenant's project manager (if any), together with any Review Fees (defined in Section 3.4.1 below); (b) [Intentionally Omitted]; (c) plan-check, permit and license fees relating to performance of the Tenant Improvement Work; (d) the cost of performing the Tenant Improvement Work, including after-hours charges, testing and inspection costs, freight elevator usage, hoisting and trash removal costs, and contractors' fees and general conditions; (e) the cost of any change to the base, shell or core of the Expansion Premises or Building required by the Approved Plans (defined in Section 2.8 below) (including if such change is due to the fact that such work is prepared on an unoccupied basis), including all direct architectural and/or engineering fees and expenses incurred in connection therewith; (f) the cost of any change to the Approved Plans or the Tenant Improvement Work required by Law; (g) [Intentionally Omitted]; (h) sales and use taxes; and (i) all other costs expended by Landlord in connection with the performance of the Tenant Improvement Work. For the avoidance of doubt, no portion of the Allowance shall be used to pay for the design or performance of any work performed by Landlord hereunder (including without limitation any work performed under Section 2(d) of the Amendment above), which shall be the sole responsibility of Landlord. The portions of the Allowance to be used to pay the amounts described in clause (a) of the first sentence of this Section 1.2 shall be disbursed by Landlord to Tenant (or, upon Tenant's request, to Tenant's vendor(s)) within 30 days after Landlord's receipt of Tenant's request together with copies of paid invoices for such amounts.

1.3 **Other Allowance Items**. If any portion of the Allowance remains unused after all Allowance Items have been fully paid, then, upon Tenant's request, and subject to Section 1.4 below, Landlord shall disburse the Allowance, not to exceed **$182,303.00** (i.e., 20% of the total amount of the Allowance), to pay installments of Base Rent next coming due under this Amendment (the "**Other Allowance Items**"). Tenant shall be responsible for all costs of the Other Allowance Items to the extent such costs exceed the aggregate amount that Landlord is required to disburse for such purpose pursuant to this Work Letter.

1.4 **Deadline for Use of Allowance**. Notwithstanding any contrary provision of this Amendment, if, other than by reason Landlord's breach of its obligations under this Amendment, the entire Allowance is not used by November 30, 2019, the unused amount shall revert to Landlord and Tenant shall have no further rights with respect thereto.

1.5 [Intentionally Omitted.]

1.6 **Landlord Costs**. Notwithstanding any contrary provision of this Amendment, Tenant shall not be responsible for any Landlord Cost (defined below) and no Landlord Cost shall be an Allowance Item. As used herein, "**Landlord Cost**" means any portion of the cost of the Tenant Improvement Work that is reasonably attributable to the following and not to any Act of Tenant: (a) any amount paid to the Contractor (defined in Section 2.6.1 below) in excess of the Construction Pricing Proposal (defined in Section 2.6.1 below) approved by Tenant, except to the extent of any revision to the Approved Plans or the Tenant Improvements that is approved (or required under Section 2.8 below to be approved) by Tenant in writing; or (b) the presence in the Expansion Premises of (i) any hazardous material in an amount or condition that violates applicable Law, or (ii) any asbestos-containing material.

2. CONSTRUCTION DRAWINGS; PRICING.

2.1 **Selection of Architect**. Tenant shall retain Harley Ellis Devereaux or another architect/space planner selected by Tenant and reasonably approved by Landlord (the "**Architect**") and price-competitive engineering consultants designated by Landlord (the "**Engineers**") to prepare all architectural and engineering plans, specifications and working drawings for the Expansion Premises (the "**Plans**"). All Plans shall (a) comply with the drawing format and specifications required by Landlord, (b) be consistent with Landlord's requirements for avoiding aesthetic, engineering or other conflicts with the design and function of the balance of the Building (collectively, the "**Landlord Requirements**"), and (c) otherwise be subject to Landlord's reasonable approval. Notwithstanding any review of the Plans by Landlord or any of its space planners, architects, engineers or other consultants, and notwithstanding any advice or assistance that may be rendered to Tenant by Landlord or any such consultant, Landlord shall not be liable for any error or omission in the Plans or have any other liability relating thereto.

2.2 **[Intentionally Omitted]**.

2.3 **Space Plan**. Within 45 days after the mutual execution and delivery of this Amendment, Tenant shall cause the Architect to prepare a space plan for the Tenant Improvements, including a layout and designation of all offices, rooms and other partitioning, and equipment to be contained in the Expansion Premises, together with their intended use (the "**Space Plan**"), and shall deliver four (4) copies of the Space Plan, signed by Tenant, to Landlord for its approval. The Space Plan shall (a) comply with the drawing format and specifications required by Landlord, (b) be consistent with Landlord's requirements for avoiding aesthetic, engineering or other conflicts with the design and function of the balance of the Building (collectively, the "**Landlord Requirements**"), and (c) otherwise be subject to Landlord's reasonable approval. Landlord shall provide Tenant with notice approving or reasonably disapproving the Space Plan within 10 business days after the later of Landlord's receipt thereof or the mutual execution and delivery of this Amendment. If Landlord disapproves the Space Plan, Landlord's notice of disapproval shall describe with reasonable specificity the basis for such disapproval and Tenant shall cause the Architect to revise the Space Plan and resubmit it for Landlord's approval. Such procedure shall be repeated as necessary until Landlord has approved the Space Plan. Such approved Space Plan shall be referred to herein as the "**Approved Space Plan**."

2.4 **Additional Programming Information**. Within 15 business days after Landlord approves the Space Plan, Tenant shall deliver to Landlord, in writing, all information (including all interior and special finishes, electrical requirements, telephone requirements, special HVAC requirements, and plumbing requirements) that, when combined with the Approved Space Plan, will be sufficient to complete the Construction Drawings (defined in Section 2.5 below) (collectively, the "**Additional Programming Information**"). The Additional Programming Information shall be (a) consistent with the Approved Space Plan and the Landlord Requirements, and (b) otherwise subject to Landlord's reasonable approval. Landlord shall provide Tenant with notice approving or reasonably disapproving the Additional Programming Information within five (5) business days after the later of Landlord's receipt thereof or the mutual execution and delivery of this Amendment. If Landlord disapproves the Additional Programming Information, Landlord's notice of disapproval shall describe with reasonable specificity the basis for such disapproval and Tenant shall modify the Additional Programming Information and resubmit it for Landlord's approval. Such procedure shall be repeated as necessary until Landlord has approved the Additional Programming Information. Such approved Additional Programming Information shall be referred to herein as the "**Approved Additional Programming Information**."

2.5 **Construction Drawings**. Within 20 business days after Landlord approves the Landlord approves the Additional Programming Information, Tenant shall cause the Architect and the Engineers to complete the final architectural (and, if applicable, structural) and engineering working drawings for the Tenant Improvement Work in a form that is sufficient to enable the Contractor (defined in Section 2.6.1.A below) and its subcontractors to bid on the Tenant Improvement Work and obtain the Permits (defined in Section 2.7 below) (collectively, the "**Construction Drawings**"), and shall deliver four (4) copies of the Construction Drawings, signed by Tenant, to Landlord for its approval. Notwithstanding the foregoing, at Tenant's option, the Construction Drawings may be prepared in two phases (first the architectural drawings, then engineering drawings consistent with the previously provided architectural drawings), provided that each phase shall be subject to Landlord's approval. The Construction Drawings shall conform to the Approved Space Plan, the Approved Additional Programming Information and the Landlord Requirements. Landlord shall provide Tenant with notice approving or reasonably disapproving the Construction Drawings (or the applicable phase thereof) within five (5) business days after the later of Landlord's receipt thereof or the mutual execution and delivery of this Amendment. If Landlord reasonably disapproves the Construction Drawings (or any phase thereof), Landlord's notice of disapproval shall describe with reasonable specificity the basis for such disapproval, and Tenant shall cause the Construction Drawings (or the applicable phase thereof) to be modified and resubmitted to Landlord for Landlord's approval. Such procedure shall be repeated as necessary until Landlord has approved the Construction Drawings. Such approved Construction Drawings shall be referred to herein as the "**Approved Construction Drawings**." Within one (1) business day after Landlord approves the Construction Drawings, Tenant shall deliver to Landlord a CD ROM of the Approved Construction Drawings in accordance with Landlord's CAD Format Requirements (defined in Section 3.4.3 below).

2.6 **Construction Pricing**.

2.6.1 **Construction Pricing Proposal**.

A. Within 15 business days after the Construction Drawings are approved by Landlord and Tenant, Landlord shall (i) solicit from the Eligible Contractors (defined below) qualified (as reasonably determined by Landlord), competitive bids to perform the Tenant Improvement Work pursuant to the Approved Construction Drawings ("**Qualified Bids**"), (ii) provide Tenant with copies of the Qualified Bids received, and (iii) provide Tenant with Landlord's reasonable estimates ("**Qualified Construction Pricing Proposals**") of the cost of all Allowance Items to be incurred by Tenant in connection with the performance of the Tenant Improvement Work, based upon (other than with respect to soft costs) such received Qualified Bids. At Landlord's option, the Qualified Bids may be based upon the assumption that the Tenant Improvement Work will be performed pursuant to Landlord's standard form of "guaranteed maximum price" contract. As used herein, "**Eligible Contractor**" means Esplanade Builders Inc., Warner Constructors, Inc., Corporate Contractors, Inc., Holwick Constructors, Inc., Interscape Construction, or any other licensed, reputable general contractor that may be selected by Landlord and reasonably approved by Tenant. Within five (5) business days after receiving the Qualified Bids and the Qualified Construction Proposals, Tenant shall provide Landlord with notice selecting, from among the Eligible Contractors that have submitted Qualified Bids, the Eligible Contractor that Tenant wishes to perform the Tenant Improvement Work. The Eligible Contractor so selected by Tenant shall be referred to herein as the "**Contractor**".

B. In addition to selecting the Contractor, Tenant shall provide Landlord with notice approving or disapproving the Qualified Construction Pricing Proposal that was based upon the Qualified Bid provided by the Contractor (the "**Construction Pricing Proposal**"). If Tenant disapproves the Construction Pricing Proposal, Tenant's notice of disapproval shall be accompanied by proposed revisions to the Approved Construction Drawings that Tenant requests in order to resolve its objections to the Construction Pricing Proposal, and Landlord shall respond as required under Section 2.8 below. Such procedure shall be repeated as necessary until the Construction Pricing Proposal is approved by Tenant. Upon Tenant's approval of the Construction Pricing Proposal, Landlord may purchase the items set forth in the Construction Pricing Proposal and begin construction relating to such items.

C. Notwithstanding any contrary provision hereof, if, in Landlord's good faith judgment, the Contractor is or becomes unable or unwilling to timely perform the Tenant Improvement Work as contemplated by this Work Letter in accordance with the terms and conditions of Landlord's standard form of construction contract (which, at Landlord's option, may be a guaranteed maximum price contract), Landlord may so notify Tenant, in which event (i) Tenant, within three (3) business days after receiving such notice, shall provide Landlord with notice selecting a new Contractor from among the remaining Eligible Contractors that have submitted Qualified Bids, and (ii) Section 2.6.1.B above shall apply as if such new Contractor had been selected by Tenant as the Contractor pursuant to Section 2.6.1.A above in the first instance.

2.6.2 **Over-Allowance Amount**. If the Construction Pricing Proposal approved by Tenant exceeds the Allowance (less any portion thereof previously disbursed pursuant to the last sentence of Section 1.2 above), then Tenant, within five (5) business days after approving the Construction Pricing Proposal, shall deliver to Landlord cash in the amount of such excess (the "**Over-Allowance Amount**"). Any Over-Allowance Amount shall be disbursed by Landlord before the Allowance and pursuant to the same procedure as the Allowance. If, after the Construction Pricing Proposal is approved by Tenant, any revision is made to the Approved Construction Drawings or the Tenant Improvement Work is otherwise changed, or the Contractor is replaced with a new Contractor, in each case in a way that increases the Construction Pricing Proposal, (b) the Construction Pricing Proposal is otherwise increased to reflect the actual cost of all Allowance Items to be incurred by Tenant in connection with the performance of the Tenant Improvement Work pursuant to the terms hereof, or (c) any portion of the Allowance is disbursed pursuant to the last sentence of Section 1.2 above, then Tenant shall deliver any resulting Over-Allowance Amount (or any resulting increase in the Over-Allowance Amount) to Landlord within five (5) business days after Landlord's request.

2.6.3 **Certain Charges Excluded**. No cost of parking, utilities, after-hours HVAC or freight elevator usage incurred in connection with the Tenant Improvement Work or Tenant's initial move-in shall be deemed an Allowance Item or otherwise charged to Tenant.

2.7 **Permits**. After the Construction Drawings have been approved by Landlord and Tenant, Tenant shall submit the Approved Construction Drawings to the appropriate municipal authorities and otherwise apply for and obtain from such authorities all permits necessary for the Contractor to complete the Tenant Improvement Work (the "**Permits**"). Tenant shall coordinate with Landlord in order to allow Landlord, at its option, to take part in all phases of the permitting process and shall supply Landlord, as soon as possible, with all plan check numbers and dates of submittal. Without limiting Tenant's obligations or Landlord's remedies, Tenant shall cause the Approved Construction Drawings to be sufficient for issuance of the Permits, and if the Approved Construction Drawings are insufficient for such issuance, then Tenant, subject to Sections 2.8 and 5.2 below, shall cause the Architect and/or Engineers to promptly revise the Approved Construction Drawings to remedy such insufficiency and resubmit the same for Landlord's approval. As used herein, "**Required Permitting Materials**" means the Approved Construction Drawings sufficient for issuance of the Permits, together with all applications and other materials, if any, necessary to obtain the Permits.

2.8 **Revisions**. If Tenant requests Landlord's approval of any revision to the Approved Space Plan, the Approved Additional Programming Information, or the Approved Construction Drawings (collectively, the "**Approved Plans**"), Landlord shall provide Tenant with notice approving or reasonably disapproving such revision, and, if Landlord approves such revision, Landlord shall deliver to Tenant notice of any resulting change in the most recent Construction Pricing Proposal, if any, within five (5) business days after the later of Landlord's receipt of such request or the mutual execution and delivery of this Amendment, whereupon Tenant, within five (5) business days, shall notify Landlord whether it desires to proceed with such revision. If Landlord has begun performing the Tenant Improvement Work, then, in the absence of such authorization, Landlord shall have the option to continue such performance disregarding such revision. Without limitation, it shall be deemed reasonable for Landlord to disapprove any such proposed revision that conflicts with the Landlord Requirements. Landlord shall not revise the Approved Plans without Tenant's consent, which shall not be withheld or conditioned to the extent that such revision is required in order to cause the Approved Plans to comply with Law. Tenant shall approve, or reasonably disapprove (and state, with reasonable specificity, its reasons for disapproving), any revision to the Approved Plans within two (2) business days after receiving Landlord's request for approval thereof. For purposes hereof, any change order affecting the Approved Plans shall be deemed a revision thereto.

2.9 **Tenant's Submission Deadline**. For purposes of clause (a) of the definition of a "Tenant Delay" as set forth in Section 5.2 below, "**Tenant's Submission Deadline**" means the date occurring 120 days after the mutual execution and delivery of this Amendment; provided, however, that Tenant's Submission Deadline shall be extended by one (1) day for each day, if any, by which Tenant's selection of the Contractor pursuant to Section 2.6.1 above, Tenant's approval of the Construction Pricing Proposal pursuant to Section 2.6.1 above, or Tenant's submission of the Required Permitting Materials to the appropriate governmental authorities pursuant to Section 2.7 above is delayed by any failure of Landlord to perform its obligations under this Section 2; and (b) if Landlord notifies Tenant, pursuant to Section 2.6.1.C above, that the Contractor is unable or unwilling to timely perform the Tenant Improvement Work as contemplated by this Work Letter in accordance with the terms and conditions of Landlord's standard form of construction contract, then Tenant's Submission Deadline shall be the later of the existing Tenant's Submission Deadline or the date occurring five (5) business days after the date of such notice to Tenant.

3. CONSTRUCTION.

3.1 **Contractor**. Landlord shall retain the Contractor (defined below) to perform the Tenant Improvement Work. In addition, Landlord may select and/or approve of any subcontractors, mechanics and materialmen used in connection with the performance of the Tenant Improvement Work.

3.2 [Intentionally Omitted]

3.3 [Intentionally Omitted.]

3.4 Construction.

3.4.1 **Performance of Tenant Improvement Work; Review Fees**. Landlord shall cause the Contractor to perform the Tenant Improvement Work in accordance with the Approved Construction Drawings. Tenant shall not be required to pay any supervision or management fee in connection with the design and construction of the Tenant Improvements. However, Tenant shall reimburse Landlord, upon demand, for any fees reasonably incurred by Landlord for review of any structural or other non-customary elements of the Plans (such as raised floors, internal stairways, and the like) by Landlord's third party consultants ("**Review Fees**").

3.4.2 **Contractor's Warranties**. Tenant waives all claims against Landlord relating to any defects in the Tenant Improvements; provided, however, that if, within 345 days after substantial completion of the Tenant Improvement Work, Tenant provides notice to Landlord of any defect in the Tenant Improvements, then Landlord shall promptly cause such defect to be corrected.

3.4.3 **Tenant's Covenants**. At the completion of construction, Tenant shall cause the Architect to (i) update the Approved Construction Drawings as necessary to reflect all changes made to the Approved Construction Drawings during the course of construction, (ii) certify to the best of its knowledge that the updated drawings are true and correct, which certification shall survive the expiration or termination of the Lease, and (iii) deliver to Landlord two (2) CD ROMS of such updated drawings in accordance with Landlord's CAD Format Requirements (defined below) within 30 days following issuance of a certificate of occupancy for the Expansion Premises. For purposes of this Work Letter, "**Landlord's CAD Format Requirements**" shall mean (w) the version is no later than current Autodesk version of AutoCAD plus the most recent release version, (x) files must be unlocked and fully accessible (no "cad-lock", read-only, password protected or "signature" files), (y) files must be in ".dwg" format, and (z) if the data was electronically in a non-Autodesk product, then files must be converted into "'dwg" files when given to Landlord.

4. COMPLIANCE WITH LAW; SUITABILITY FOR TENANT'S USE. Tenant shall be responsible for ensuring that (a) all elements of the design of the Plans comply with Law and are otherwise suitable for Tenant's use of the Expansion Premises, and (b) no Tenant Improvement impairs any system or structural component of the Building, and neither Landlord's nor its consultants' approval of the Plans shall relieve Tenant from such responsibility.

5. COMPLETION.

5.1 **Substantial Completion**. For purposes of this Amendment, and subject to Section 5.2 below, the Tenant Improvement Work shall be deemed to be "**Substantially Complete**" on the later of (a) the completion of the Tenant Improvement Work pursuant to the Approved Construction Drawings (as reasonably determined by Landlord), with the exception of any details of construction, mechanical adjustment or any other similar matter the non-completion of which does not materially interfere with Tenant's use of the Expansion Premises, or (b) the date on which Landlord receives from the appropriate governmental authorities, with respect to the Tenant Improvement Work, all approvals necessary for the lawful occupancy of the Expansion Premises.

5.2 **Tenant Cooperation; Tenant Delay**. Tenant shall use commercially reasonable efforts to cooperate with Landlord, the Architect, the Engineers, the Contractor, and Landlord's other consultants to complete all phases of the Plans, approve the Construction Pricing Proposal, obtain the Permits, and complete the Tenant Improvement Work as soon as possible, and Tenant shall meet with Landlord, in accordance with a schedule determined by Landlord, to discuss the parties' progress. Without limiting the foregoing, if (i) the Tenant Improvements include the installation of electrical connections for furniture stations to be installed by Tenant, and (ii) any electrical or other portions of such furniture stations must be installed in order for Landlord to obtain any governmental approval required for occupancy of the Expansion Premises, then (x) Tenant, upon five (5) business days' notice from Landlord, shall promptly install such portions of such furniture stations in accordance with Sections 7.2 and 7.3 of the Lease, and (y) during the period of Tenant's entry into the Expansion Premises for the purpose of performing such installation, all of Tenant's obligations under this Amendment relating to the Expansion Premises shall apply, except for the obligation to pay Monthly Rent. In addition, without limiting the foregoing, if the Substantial Completion of the Tenant Improvement Work is delayed (a "**Tenant Delay**") as a result of (a) any failure of Tenant to select the Contractor pursuant to Section 2.6.1 above, approve the Construction Pricing Proposal pursuant to Section 2.6.1 above, and submit the Required Permitting Materials to the appropriate authorities pursuant to Section 2.7 above, all on or before Tenant's Submission Deadline; (b) [Intentionally Omitted]; (c) any failure of Tenant to timely approve any other matter requiring Tenant's approval; (d) any breach by Tenant of this Work Letter or this Amendment; (e) any request by Tenant for any revision to, or for Landlord's approval of any revision to, any portion of the Approved Plans (except to the extent that such delay results from a breach by Landlord of its obligations under Section 2.8 above); (f) any requirement of Tenant for materials, components, finishes or improvements that are not available in a commercially reasonable time given the anticipated date of Substantial Completion of the Tenant Improvement Work as set forth in this Amendment; or (g) any change to the base, shell or core of the Expansion Premises or Building required by the Approved Construction Drawings, then except (other than in the case of the preceding clause (a)) to the extent that Landlord fails to provide Tenant with written notice of such Tenant Delay as soon as reasonably possible after discovering it, and regardless of when the Tenant Improvement Work is actually Substantially Completed, the Tenant Improvement Work shall be deemed to be Substantially Completed on the date on which the Tenant Improvement Work would have been Substantially Completed if no such Tenant Delay had occurred. Notwithstanding the foregoing, Landlord shall not be required to tender possession of the Expansion Premises to Tenant before the Tenant Improvement Work has been Substantially Completed, as determined without giving effect to the preceding sentence. Notwithstanding Section 25.1 of the Lease, Landlord's notice to Tenant of any Tenant Delay may be given bye-mail.

6. **MISCELLANEOUS**. Notwithstanding any contrary provision of this Amendment, if Tenant defaults under this Amendment before the Tenant Improvement Work is completed, Landlord's obligations under this Work Letter shall be excused until such default is cured and Tenant shall be responsible for any resulting delay in the completion of the Tenant Improvement Work. This Work Letter shall not apply to any space other than the Expansion Premises.

Brand Boulevard, Glendale, California 91203 ("Building"); and

WHEREAS, Landlord and Tenant desire to enter into this Amendment to set forth the terms under which a portion of Tenant's Base Rent obligation will be temporarily deferred and repaid, and provide for certain other matters as more fully set forth herein;

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants contained herein, the parties agree that the Lease shall be amended in accordance with the terms and conditions set forth below.

1. **Definitions**. The capitalized terms used herein shall have the same definitions as set forth in the Lease, unless otherwise defined herein.

2. **Base Rent**.

(a) Partial Deferral. Notwithstanding anything in the Lease to the contrary, fifty percent (50%) of Tenant's Base Rent obligation for the entirety of the Premises shall be deferred during the period commencing on April 1, 2020 and ending July 31, 2020. For the avoidance of doubt, the amount owed and deferred for each suite within the Premises is as follows:

Suite	Period Base Rent	Deferred Base Rent
620	$ 20,378.60	$ 10,189.30
680	$ 55,670.42	$ 27,835.21
685	$ 21,251.77	$ 10,625.89
690	$ 12,127.05	$ 6,063.53

800	$265,578.80	$132,789.40
910	$ 67,098.88	$ 33,549.44

1110	$112,662.40	$ 56,331.20
	Total Deferred Base Rent:	$412,928.33

Tenant acknowledges and agrees that the partial deferral set forth above applies solely to payment of the monthly installments of Base Rent, and is not applicable to any other charges, expenses or costs payable by Tenant under the Lease or this Amendment, including, without limitation, Tenant's obligation to pay Tenant's Share of Expenses, Taxes, any separately-metered utilities, or any other charges under the Lease, as amended. Landlord and Tenant agree that the partial deferral of Base Rent contained in this Section is conditional and is made by Landlord in reliance upon Tenant's faithful and continued performance of the terms, conditions and covenants of this Amendment and the Lease and the payment of all monies due Landlord hereunder. In the event of any monetary Default or material non-monetary Default by Tenant under the terms and conditions of the Lease or this Amendment beyond any applicable notice and cure period, all conditionally deferred Base Rent shall become fully liquidated and immediately due and payable (without limitation and in addition to any and all other rights and remedies available to Landlord provided herein or at law and in equity).

(b) Repayment. Commencing August 1, 2020 and continuing through January 31, 2021, Tenant shall resume paying one hundred percent (100%) of all Base Rent and other amounts due under the Lease. Commencing February 15, 2021, and on or before the fifteenth (15th) day of each calendar month thereafter up to and including July 15, 2021 (for a total of six (6) months), Tenant shall pay to Landlord Sixty-Eight Thousand Eight Hundred Twenty-One and 39/100 Dollars ($68,821.39) (the "Deferral Repayment"). The parties acknowledge and agree that (i) the Deferral Repayment represents one-sixth (1/6) of the total deferred Base Rent, which amount shall be repaid by Tenant to Landlord over the six (6) month period between February 15, 2021 and July 15, 2021; and (ii) the Deferral Repayment shall be paid to Landlord in addition to (and not in lieu of) all other regular Base Rent, Tenant's Share of Expenses and Taxes, any separately-metered utilities, and any other charges under the Lease. Commencing August 1, 2021 and continuing through the remainder of the Lease Term, Tenant shall resume paying one hundred percent (100%) of all Base Rent and other amounts due under the Lease.

3. Brokers. Tenant hereby represents and warrants to Landlord that Tenant has not dealt with any real estate brokers or leasing agents, except Cushman & Wakefield, who represents Tenant, and Landlord hereby represents and warrants to Tenant that CBRE, Inc. is the sole real estate broker or leasing agent representing Landlord (collectively the "Brokers"). No commissions are payable to any party claiming through Tenant as a result of the consummation of the transaction contemplated by this Amendment, except to Brokers, if applicable. Tenant hereby agrees to indemnify and hold Landlord harmless from any and all loss, costs, damages or expenses, including, without limitation, all attorneys' fees and disbursements by reason of any claim of or liability to any other broker, agent, entity or person claiming through Tenant (other than Brokers) and arising out of or in connection with the negotiation and execution of this Amendment. Landlord shall pay a brokerage commission to the Brokers subject to the terms of a separate written agreement to be entered into between Landlord and the Brokers.

4. **Waiver of Statutory Provisions**. Each party waives the rights and provisions under California Civil Code §§ 1932(2), 1933(4) and 1945. Tenant waives any rights under (i) California Civil Code §§ 1932(1), 1941, 1942, 1950.7 or any similar law, or (ii) California Code of Civil Procedure §§ 1263.260 or 1265.130.

5. **California Civil Code Section 1938**. Pursuant to California Civil Code §1938(a), Landlord hereby states that the Premises have not undergone inspection by a Certified Access Specialist (CASp) (defined in California Civil Code § 55.52). Accordingly, pursuant to a California Civil Code § 1938(c), Landlord hereby further states as follows:

> A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.

In accordance with the foregoing, Landlord and Tenant agree that if Tenant obtains a CASp inspection of the Premises, then Tenant shall pay (i) the fee for such inspection, and (ii) except as may be otherwise expressly provided in this Lease, the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the Premises.

6. **Miscellaneous**. With the exception of those matters set forth in this Amendment, Tenant's leasing of the Premises shall be subject to all terms, covenants and conditions of the Lease. In the event of any express conflict or inconsistency between the terms of this Amendment and the terms of the Lease, the terms of this Amendment shall control and govern. Except as expressly modified by this Amendment, all other terms and conditions of the Lease are hereby ratified and affirmed. The parties acknowledge that the Lease is a valid and enforceable agreement and that Tenant holds no claims against Landlord or its agents which might serve as the basis of any other set-off against accruing rent and other charges or any other remedy at law or in equity.

1.1.6.2 Subject to the terms hereof, in the event that Landlord shall fail to substantially complete the Amenity Upgrades on or before September 30, 2020 (the "**Initial Amenity Deadline Date**"), then (i) Tenant may deliver notice thereof to Landlord, and (ii) if Landlord shall fail to substantially complete the Amenity Upgrades within ninety (90) days following receipt of such notice (the last day of such 90-day period to be referred to herein as the "**Final Amenity Deadline Date**"), then, commencing as of the Final Amenity Deadline Date and continuing until the date Landlord substantially completes the Amenity Upgrades, provided that Tenant is not in Default of this Lease, as Tenant's sole remedy, Tenant shall be entitled to a twenty percent (20%) abatement of the Base Rent due under this Lease, Notwithstanding the foregoing, the Initial Amenity Deadline Date and the Final Amenity Deadline Date shall each be extended on a day-for-day basis to the extent Amenity Upgrades are delayed due to Force Majeure, which shall be deemed to include, without limitation, delays in Landlord obtaining permits or other governmental approvals for the Amenity Upgrades.

1.2 **Rentable Square Feet of Premises and Building**. Landlord and Tenant hereby stipulate and agree that the rentable square feet of the Premises is as set forth in Section 2.2 of the Summary and the rentable square footage of the Building is 532,267 rentable square feet (the "**Building RSF**"), which rentable square footages shall not be subject to re-measurement or modification. For purposes of this Lease, "**rentable square feet**" in any First Offer Space shall be measured in accordance with the "Office Building: Standard Methods of Measurement ANSI/BOMA Z65.1-2017 (or then more current)" method (the "**BOMA Standard**").

1.3 **Right of First Offer**. Subject to the terms of this Section 1.3, Landlord hereby grants to the Tenant named in the Summary (the "**Original Tenant**") or an assignee that is an "Affiliate," as that term is defined in Section 14.7 of this Lease (an "**Affiliate Assignee**"), as the case may be, an ongoing right of first offer to lease all of the rentable square footage located on the sixth (6th), seventh (7th) and eighth (8th) floors of the Building (collectively, the "**First Offer Space**"). Notwithstanding the foregoing, such first offer right of Tenant shall commence, with respect to the First Offer Space located on the sixth (6th) floor (the "**6th Floor First Offer Space**"), only following the expiration or earlier termination of the existing lease or other occupancy right with respect to the 6th Floor First Offer Space (the occupant of the 6th Floor First Offer Space to be referred to herein as the "**6th Floor Tenant**") (including any renewal or extension thereof, and regardless of whether such renewal or extension is expressly set forth in such existing lease or other existing agreement or is later agreed upon, and regardless of whether such renewal or extension is effectuated by an amendment to an existing document or a new lease or other form of

occupancy agreement). In addition, such right of first offer shall be subordinate to the rights of Union Bank, N.A, and any successor or assign thereof (in any event, "**Union Bank**"), including, without limitation, any expansion, first offer, first negotiation and other rights, regardless of whether such rights are executed strictly in accordance with their respective terms or pursuant to a lease amendment or a new lease. The 6th Floor Tenant and Union Bank, and tenants under any "Intervening Lease," as that term is defined in Section 1.3.2, below, shall be collectively referred to as the "**Superior Right Holders**". Tenant's right of first offer shall be on the terms and conditions set forth in this Section 1.3, In no event shall Landlord amend the terms of the Union Bank lease in a manner that requires Landlord to deliver a greater number of offers to lease First Offer Space than Union Bank retains as of the date of this Lease (except to the extent such additional rights are subordinate to Tenant's rights under this Section 1.3).

1.3.1 **Procedure for Offer**. Subject to the terms of this Section 1.3, Landlord shall notify Tenant (the "**First Offer Notice**") prior to entering into any lease of First Offer Space with a third party, provided that any Superior Right Holder does not elect to lease such space. Notwithstanding the foregoing, during the first eighteen (18) months of the initial Lease Term, Landlord shall not deliver a First Offer Notice prior to the occurrence of a "Triggering Event," as that term is defined, below. Pursuant to such First Offer Notice, Landlord shall offer to lease to Tenant the First Offer Space. The First Offer Notice shall describe the space so offered to Tenant and, if the First Offer Rent is to be determined under Section 1.3.3.2, below, shall set forth the "First Offer Rent," as that term is defined in Section 1.3.3 below, and the other economic terms upon which Landlord is willing to lease such space to Tenant. For purposes of this Lease, a "**Triggering Event**" shall mean Landlord has delivered to or received from a third party potential tenant a lease proposal, letter of intent, term sheet, lease document or other writing in connection with which Landlord intends to negotiate to lease all or a portion of the First Offer Space.

1.3.2 **Procedure for Acceptance**.

1.3.2.1 **In General**. If Tenant wishes to exercise Tenant's right of first offer with respect to the space described in the First Offer Notice, then within ten (10) business days following delivery of the First Offer Notice to Tenant, Tenant shall deliver notice (the "**First Offer Exercise Notice**") to Landlord of Tenant's election to exercise its right of first offer with respect to the entire space described in the First Offer Notice on the terms contained in such notice, provided that, if the First Offer Rent shall be determined pursuant to the terms of Section 1.3.3.2, below, concurrently with such exercise, Tenant may, at its option, object to the First Offer Rent contained in the First Offer Notice, in which case the parties shall follow the procedure, and the First Offer Rent shall be determined, as set forth in Section 2.2.4 below (as if the First Offer Rent were the Option Rent referred to therein). If Tenant does not deliver the First Offer Exercise Notice to Landlord within the ten (10) business day period set forth above, then Landlord shall be free to lease the space described in the First Offer Notice to anyone Landlord desires and on any terms Landlord desires (an "**Intervening Lease**"), provided that any expansion rights in any such Intervening Lease shall be subordinate to Tenant's first offer rights set forth in this Section 1.3, provided further that (i) if Landlord does not enter into a lease of such space within nine (9) months after delivery of the First Offer Notice, then such space shall again be subject to the right of first offer as set forth herein, and (ii) prior to entering into a lease for a portion of the space offered in the First Offer

Space with a third party tenant on terms which, on a net effective, present value basis, are more than 5% more favorable to the tenant than the terms contained in the First Offer Notice, Landlord shall first deliver a revised First Offer Notice to Tenant on such more favorable terms on the terms of this Section 1.3. If Landlord shall enter into an Intervening Lease, subject to the terms of this Section 1.3, Landlord shall re-offer the subject First Offer Space to Tenant upon the expiration or earlier termination of the Intervening Lease, including any renewal of such lease (i.e., any such renewal shall not require a First Offer Notice be delivered to Tenant), irrespective of whether any such renewal is initially set forth in such lease or is subsequently granted or agreed upon, and regardless of whether any such renewal is exercised strictly in accordance with its terms or pursuant to a lease amendment or a new lease. Notwithstanding anything to the contrary contained herein, Tenant must elect to exercise its right of first offer, if at all, with respect to all of the space offered by Landlord to Tenant in any First Offer Notice, and Tenant may not elect to lease only a portion thereof.

1.3.2.2 **Tenant Triggered First Offer Exercise**.

1.3.2.2.1 **Tenant Triggered First Offer Exercise Notice**. Notwithstanding anything in Section 1.3.1 or Section 1.3.2.1, above, to the contrary, during the first eighteen (18) months of the initial Lease Term, subject and subordinate to the rights of the Superior Right Holders and the terms of this Section 1.3.2.2, Tenant shall have the right to deliver a notice to Landlord (the "**Tenant Triggered First Offer Exercise Notice**"), pursuant to which Tenant elects, subject to the terms of this Section 1.3.2.2, to lease one or more full floors of First Offer Space. A Tenant Triggered First Offer Exercise Notice shall indicate the Fist Offer Space Tenant elects to lease, provided that (a) Tenant shall only be permitted to deliver a Tenant Triggered First Offer Exercise Notice with respect to full floors, (b) Tenant shall not be permitted to deliver a Tenant Triggered First Offer Exercise Notice with respect to the 6th Floor First Offer Space if the 6th Floor Tenant shall lease or have other occupancy rights with respect to the 6th Floor First Offer Space or shall otherwise occupy the 6th Floor First Offer Space, (c) in no event shall Tenant be permitted, pursuant to a Tenant Triggered First Offer Exercise Notice, to lease space which was the subject of a previously delivered First Offer Notice by Landlord (provided that the terms of this item (c) shall be inapplicable to the extent that Landlord has not leased the subject space and Landlord is no longer in negotiation to lease the subject space to the party with whom Landlord was negotiating that was the basis for Landlord's previous delivery of the First Offer Notice), and (d) subject to the preceding terms of this Section 13.2.2.1, Tenant shall be required to first lease the highest full floor(s) of First Offer Space and to move sequentially down to lower full floors of First Offer Space.

1.3.2.2.2 **Superior Right Holders; First Offer Confirmation Notice**. In the event that Tenant shall deliver a Tenant Triggered First Offer Exercise Notice in accordance with the terms hereof, Landlord shall thereafter deliver any required notice to any Superior Right Holder and shall notify Tenant following the expiration of the Superior Right Holder's exercise period as to whether the Superior Right Holder has elected to lease the subject First Offer Space. Such notice, if the same shall provide that the Superior Right Holder has not elected to lease the subject First Offer Space, shall be referred to herein as a "**First Offer Confirmation Notice**", Tenant hereby acknowledges and agrees that Landlord shall have no liability to Tenant in the event that the Superior Right Holder shall elect to lease the subject space, nor shall Tenant have any right to lease the space the Superior Right Holder elects to lease. In the event that Landlord shall deliver a First Offer Confirmation Notice, Landlord shall lease to Tenant and Tenant shall lease from Landlord the subject First Offer Space, upon and subject to the terms of this Section 1.3 (provided that that terms of this Section 1.3.2.2 shall govern in the event of any conflict with any other terms of this Section 1.3).

1.3.2.2.3 **Other Terms; First Offer Rent**. In the event that Tenant shall, in accordance with the terms of this Section 1.3.2.2, lease First Offer Space, subject to the terms of this Section 1.3.2.2, all of the terms of this Section 1.3 shall be applicable as if the Tenant Triggered First Offer Notice were a First Offer Exercise Notice, provided that, in the event that the First Offer Rent shall be required pursuant to the terms hereof to be determined pursuant to the terms of Section 1.3.3.2, below, (i) Landlord shall deliver notice of the First Offer Rent within thirty (30) days following Landlord's delivery of the First Offer Confirmation Notice, and (ii) Tenant shall have the right to object to the First Offer Rent set forth in Landlord's notice, by notice to Landlord within ten (10) business days following receipt thereof, in which event the parties shall follow the procedure and the First Offer Rent shall be determined, as set forth in Section 2.2.4, below (as if the First Offer Rent were the Option Rent referred to therein), Notwithstanding anything in this Section 1.3.2.2 to the contrary, in no event shall Tenant be permitted to deliver a Tenant Triggered First Offer Exercise Notice any time following the expiration of the first eighteen (18) months of the initial Lease Term.

1.3.3 **First Offer Space Rent**.

1.3.3.1 **First Offer Commencement Date during First Eighteen Months**. In the event that the "First Offer Commencement Date," as that term is defined in Section 1.3.5, below, shall occur during the first eighteen (18) months of the initial Lease Term, then Tenant shall pay rent for the First Offer Space ("**First Offer Rent**") as follows: (i) Tenant shall pay Base Rent for the First Offer Space at the same rate per rentable square foot payable from time to time by Tenant for the Initial Premises (as set forth in Section 4.1 of the Summary and specifically disregarding the Base Rent applicable to any initial Premises Basement Premises), and (ii) Tenant shall pay Tenant's Share of Direct Expenses for the First Offer Space in accordance with the terms of this Lease, provided that Tenant's Share with respect to the First Offer Space shall be calculated by dividing the rentable square footage of the First Offer Space leased by Tenant by the Building RSF. Further, in connection with the Base Rent payable by Tenant for First Offer Space pursuant to the terms of this Section 1.3.3.1, the terms of Section 3.2 of this Lease shall specifically be inapplicable. Notwithstanding the forgoing, if the First Offer Rent is calculated under this Section 1.3.3.1, and so long as Tenant is not in Default of the Lease, Tenant shall be entitled to abated monthly Base Rent applicable to the First Offer Space, commencing as of the First Offer Commencement Date and continuing for the "First Offer Abatement Rent Period," as that term is defined, below, For purposes of this Lease, the "**First Offer Abatement Rent Period**" shall mean the number of months calculated as the product of (a) eight (8), and (b) the "First Offer Proration Fraction," as that term is defined in Section 1.3.4.1, below.

1.3.3.2 **First Offer Commencement Date After First Eighteen Months**. In the event that the First Offer Commencement Date shall occur following the first eighteen (18) months of the initial Lease Term, then the "Rent" (as that term is defined in Section 4.1, below), payable by Tenant for the First Offer Space (which shall also be referred to herein as the "**First Offer Rent**") shall be equal to the "Market Rent" (as that term is defined in Section 2.2.2, below), for the First Offer Space as such Market Rent is determined pursuant to **Exhibit H**, attached hereto. The calculation of the "**Market Rent**" hereunder shall be derived from a review of, and comparison to, the "**Net Equivalent Lease Rates**" of the "**Comparable Transactions**," as provided for in **Exhibit H**, and thereafter, the Market Rent shall be stated as a "Net Equivalent Lease Rate" for each year of the subject First Offer Term.

1.3.4 **Construction In First Offer Space**.

1.3.4.1 **First Offer Commencement Date during First Eighteen Months**. In the event that the First Offer Commencement Date shall occur during the first eighteen (18) months of the initial Lease Term, then Tenant shall be entitled to an improvement allowance for the construction of improvements that are permanently affixed to the First Offer Space in an amount equal to the product of (i) $80.00, (ii) the rentable square footage of the First Offer Space leased by Tenant, and (iii) a fraction (the "**First Offer Proration Fraction**"), the numerator of which equals the number of full calendar months occurring during the period following the First Offer Commencement Date and continuing until Lease Expiration Date, and the denominator of which equals ninety (90). in no event may the First Offer Proration Fraction be greater than one (1).

1.3.4.2 **First Offer Commencement Date After First Eighteen Months**. In the event that the First Offer Commencement Date shall occur following the first eighteen (18) months of the initial Lease Term, then any tenant improvement allowance to which Tenant may be entitled shall be determined as part of the First Offer Rent.

1.3.4.3 **First Offer Electrical Allowance**. Landlord shall provide a one-time allowance (the "**First Offer Electrical Allowance**") in an amount equal to $15,000.00 for each full floor of First Offer Space leased by Tenant for costs reasonably incurred by Tenant for electrical upgrades to the extent required to achieve the electrical capabilities contemplated by Section 6.1.2 of this Lease ("**First Offer Electrical Upgrades**"). The Electrical Allowance shall be available for the First Offer Electrical Upgrades only (and for no other purposes) and shall be disbursed pursuant to a disbursement procedure consistent with that set forth in the Tenant Work Letter. Tenant specifically acknowledges and agrees that all plans and specifications relating to the First Offer Electrical Upgrades shall be subject to Landlord's approval, which shall not be unreasonably withheld. Landlord hereby acknowledges and agrees that Tenant shall have no obligation to perform First Offer Electrical Upgrades; provided, however, that Tenant acknowledges and agrees in connection therewith that the First Offer Electrical Allowance shall only be available to Tenant for such purposes.

1.3.4.4 **First Offer Restroom Allowance**. Landlord shall provide a one-time allowance (the "First Offer Restroom Allowance") in an amount equal to $25,000.00 for each full floor of First Offer Space leased by Tenant for costs reasonably incurred by Tenant for modifications to the base building restrooms servicing the First Offer Space to the extent required to comply with Applicable Laws and/or for the construction of a gender neutral restroom in the subject First Offer Space (in either event, "**First Offer Restroom Upgrades**"), The First Offer Restroom Allowance shall be available for the First Offer Restroom Upgrades only (and for no other purposes) and shall be disbursed pursuant to a disbursement procedure consistent with that set forth in the Tenant Work Letter. Tenant specifically acknowledges and agrees that all plans and specifications relating to the First Offer Restroom Upgrades shall be subject to Landlord's approval, which shall not be unreasonably withheld.

1.3.4.5 **Other Terms**. Subject to the terms of Section 1.3.4.1 or 1.3.4.2, above, as applicable, and the terms of Section 1.3.4.3 and Section 1.3.4.4, above, Tenant shall take the First Offer Space in its "as is" condition, and Landlord shall not be obligated to provide or pay for any improvement work or services related to any improvement of the First Offer Space. Notwithstanding the foregoing, Landlord shall deliver First Offer Space leased by Tenant in the "Delivery Condition," as that term is defined in Section 1.2 of Tenant Work Letter; provided, however, that Sections 1.3 and 1.4 of the Tenant Work Letter shall have no applicability to the Delivery Condition requirements for First Offer Space leased by Tenant.

1.3.5 **Lease Amendment**. In the event that Tenant timely exercises Tenant's right to lease any First Offer Space as set forth in this Section 1.3, Landlord and Tenant shall within thirty (30) days following Landlord's receipt of the First Offer Exercise Notice or Landlord's delivery of the First Offer Confirmation Notice, as the case may be, execute an amendment to this Lease adding such First Offer Space to the Premises, upon the terms and conditions as set forth in the First Offer Notice and this Section 1.3, and otherwise in general compliance with the terms of this Lease, and with other appropriate modifications given the nature of the First Offer Space and the terms of the First Offer Rent, To the extent the First Offer Rent shall not have been determined at the time of the execution of the amendment as provided for hereinabove, at either party's option, upon such determination, the parties' shall execute an additional amendment setting forth the First Offer Rent. Tenant shall commence payment of Rent for the First Offer Space, and the term of the First Offer Space shall commence, upon such date as determined as a component of the First Offer Rent (the "**First Offer Commencement Date**"); provided, however, that in the event that the First Offer Rent shall be as set forth in Section 1.3.3.1, above, the First Offer Commencement Date shall be the earlier to occur of (i) the date Tenant commences the conduct of business in any portion of the First Offer Space, and (ii) the date that is one hundred eighty (180) days following delivery of the First Offer Space by Landlord to Tenant. Commencing on the First Offer Commencement Date, Tenant shall entitled to parking passes in connection with Tenant's lease of the subject First Offer Space, upon and subject to the terms of Section 13 of the Summary and Section 29.18 of this Lease, The term of Tenant's lease of the First Offer Space, shall terminate concurrently with the lease of the remainder of Tenant's Premises (the "**First Offer Term**"). The period granted to Tenant following delivery of First Offer Space and prior to the First Offer Commencement Date shall be referred to herein as the "**First Offer Build-Out Period** " and the term of Tenant's lease of First Offer Space, commencing as of the First Offer Commencement Date and terminating concurrently with Tenant's lease of the remainder of Tenant's Premises, shall be referred to herein as the "**First Offer Term**". Upon the First Offer Commencement Date, First Offer Space leased by Tenant shall be part of the Premises along with all other space leased by Tenant and, accordingly, Tenant shall have the right to extend the term of Tenant's lease of the Premises (including First Offer Space leased by Tenant), upon and subject to the terms of Section 2.2, below.

1.3.6 **Termination of Right of First Offer**. The rights contained in this Section 1.3 shall be personal to the Original Tenant or an Affiliate Assignee, as the case may be, and may only be exercised by the Original Tenant or an Affiliate Assignee, as the case may be (and not any other assignee, sublessee or transferee of Tenant's interest in the Lease) if the Original Tenant or an Affiliate Assignee, as the case may be, physically occupies no less than seventy-five percent (75%) of the Premises as then comprised (e.g., Must-Take Premises 1 shall not be a part of the Premises for such determination until the Must-Take Premises 1 Commencement Date) as

of the date of the attempted exercise of the right of first offer by Tenant and as of the scheduled date of delivery of such First Offer Space to Tenant (the "**First Offer Occupancy Test**"). For purposes of the First Offer Occupancy Test, Tenant shall be deemed to be in occupancy of any portion of the Premises that is not subleased or licensed and in connection with which Tenant has not otherwise permitted occupancy by a third party. The right of first offer shall not be applicable during the final three (3) years of the Lease Term (as it may be extended) unless Tenant first irrevocably exercises its right to extend the Lease Term with respect to the entire Premises for an available remaining Option Term as provided in Section 2.2, below (and, notwithstanding the terms of Section 2.2, Tenant shall have the right to deliver an Option Exercise Notice concurrently with Tenant's delivery of the First Offer Exercise Notice, and in such event the Option Rent shall be determined as provided in Section 2.2.4 of this Lease). In connection with any exercise of Tenant's right to lease the Premises during an Option Term pursuant to the terms of this Section 1.3.6, notwithstanding anything contained in Section 2.2 of this Lease to the contrary, Tenant shall not have the right to lease a "Permitted Portion of the Premises," as that term is defined in Section 2.2.1 of this Lease. Tenant shall not have the right to lease First Offer Space, as provided in this Section 1.3, if, as of the date of the attempted exercise of any right of first offer by Tenant, or (at Landlord's option) as of the scheduled date of delivery of such First Offer Space to Tenant, Tenant is in monetary or material non-monetary "Default," as that term is defined in Section 19.1 of this Lease.

1.3.7 **Temporary Premises/Additional Temporary Premises**. If Tenant shall lease First Offer Space under this Section 1.3 and the applicable space is, as of the date of Tenant's delivery of the First Offer Exercise Notice or the date of Landlord's delivery of the First Offer Confirmation Notice, as the case may be (either such date to be referred to herein as the "**First Offer Commit Date**"), leased by Tenant as the Temporary Premises or Additional Temporary Premises, then Landlord shall be deemed to have "delivered" the subject space for purposes of commencing the First Offer Build-Out Period as of the First Offer Commit Date. Upon such deemed "delivery," the terms of this Section 1.3 shall govern the First Offer Space (and the terms of Section 1.1.5 shall no further applicability with regard to the subject space).

ARTICLE 2

LEASE TERM; OPTION TERMS

2.1 **Lease Term**. The terms and provisions of this Lease shall be effective as of the date of this Lease. The term of this Lease (the "**Lease Term**") shall commence on the "Lease Commencement Date," applicable to the Initial Premises as set forth in Section 3.2 of the Summary, and shall terminate on the "**Lease Expiration Date**," as that term is set forth in Section 3.3 of the Summary, unless this Lease is sooner terminated as hereinafter provided (provided that, for clarification purposes, Landlord and Tenant hereby acknowledge and agree that Tenant's Base Rent obligations with regard to Must-Take Premises 1 and Must-Take Premises 2 shall not commence until the Lease Commencement Date applicable to Must-Take Premises 1 and the Lease Commencement Date applicable to Must-Take Premises 2, respectively). For purposes of this Lease, the term "**Lease Year**" shall mean each consecutive twelve (12) month period during the Lease Term, provided that the last Lease Year shall end on the Lease Expiration Date. At any time during the Lease Term, Landlord may deliver to Tenant a notice in the form as set forth in **Exhibit C**, attached hereto (the "**Notice of Lease Term Dates**"), as a confirmation only of the

information set forth therein, which Tenant shall execute and return to Landlord within fifteen (15) business days of receipt thereof (provided that if the Notice of Lease Term Dates is not factually correct, then Tenant shall make such changes as are necessary to make the notice factually correct and shall thereafter execute and return such notice to Landlord within such fifteen (15) business day period). Such modified Notice of Lease Term Dates shall not be binding unless Landlord countersigns the notice with Tenant's changes. If Landlord does not so countersign the notice, Landlord and Tenant shall work together in good faith to agree upon and mutually execute an acceptable notice. Landlord and Tenant hereby acknowledge and agree that a Notice of Lease Term Dates may be delivered in connection with each of the Initial Premises, Must-Take Premises 1 and Must-Take Premises 2.

2.2 **Option Terms**.

2.2.1 **Option Rights**. Landlord hereby grants the Original Tenant or an assignee permitted or approved pursuant to the terms of Article 14 of this Lease (an "**Approved Assignee**"), as the case may be, two (2) options to extend the Lease Term for a period of five (5) years each (each, an "**Option Term**"), which options shall be exercisable only by written notice delivered by Tenant to Landlord as provided below, provided that, as of the date of delivery of such notice, Tenant is not in monetary or material non-monetary Default under this Lease, and provided further that the Original Tenant or an Approved Assignee, as the case may be, physically occupies at least eighty-five percent (85%) of the rentable square footage of the Premises. Upon the proper exercise of such option to extend, the Lease Term shall be extended for a period of five (5) years with respect to, at Tenant's election (subject to the terms of this Section 2.2), the entire Premises or a "Permitted Portion of the Premises," as that term is defined, below. For purposes of this Lease, a "**Permitted Portion of the Premises**" shall mean all (and not less than all) of the space leased by Tenant on one or more floors of the Premises; provided, however, that notwithstanding the foregoing, a Permitted Portion of the Premises must commence at the highest floor or the lowest floor above the ground floor on which space leased by Tenant is located and proceed sequentially up or down, as applicable (i.e., Tenant may not elect to "skip" a floor or partial floor on which Tenant leases space and then lease space on a subsequent full or partial floor); provided, however, that Tenant may include or exclude both of (and only both of) the Ground Floor Premises and the Basement Premises in the Permitted Portion of the Premises, at Tenant's option (i.e., Tenant may not include one of the Ground Floor Premises and the Basement Premises and exclude the other). Tenant shall have no right to lease any space during the second Option Term which is not leased by Tenant during the first Option Term. In the event that the Permitted Portion of the Premises, as leased by Tenant during any Option Term, consists of less than three (3) full floors, then the terms of Section 1.3 of this Lease shall be void and of no further force or effect.

2.2.2 **Option Rent**. The Rent payable by Tenant during each Option Term (the "**Option Rent**") shall be equal to the "**Market Rent**," as that term is defined in **Exhibit H**, attached hereto, as such Market Rent is determined pursuant to Exhibit H, attached hereto. The calculation of the "**Market Rent**" shall be derived from a review of, and comparison to, the "**Net Equivalent Lease Rates**" of the "**Comparable Transactions**," as provided for in **Exhibit H**, and thereafter, the Market Rent shall be stated as a "Net Equivalent Lease Rate" for each year of the subject Option Term.

2.2.3 **Exercise of Options**. The options contained in this Section 2.2 shall be exercised by Tenant, if at all, only in the following manner. Tenant may deliver notice (the "**Option Interest Notice**") to Landlord not more than eighteen (18) months nor less than fifteen (15) months prior to the expiration of the then Lease Term, stating that Tenant is interested in exercising its option. The Option Interest Notice shall include a designation (the "**Option Term Premises Designation**") indicating whether Tenant will lease all of the Premises or a Permitted Portion of the Premises during the subject Option Term (and, if a Permitted Portion of the Premises, designating the Permitted Portion of the Premises Tenant shall lease, subject to the terms of Section 2.2.1, above). If Tenant fails to include an Option Term Premises Designation in the Option Interest Notice in accordance with the terms hereof, Tenant shall be deemed to have elected to lease the entire Premises during the subject Option Term. If Landlord timely receives the Option Interest Notice, Landlord shall deliver notice (the "**Option Rent Notice**") to Tenant not less than fourteen (14) months prior to the expiration of the then Lease Term, setting forth the Landlord's determination of Market Rent. At Tenant's election, if Tenant has previously delivered the Option Interest Notice, Tenant may, by written notice to Landlord, on or before the date occurring thirteen (13) months prior to the expiration of the then Lease Term, request the parties exchange their respective determinations of the Market Rent which each party would submit to arbitration, if arbitration were to occur under Section 2.2.4, below, and within ten (10) days of such request, Landlord and Tenant shall each simultaneously deliver to the other their determinations of the Market Rent (provided that the determination of the Market Rent submitted by Landlord shall not exceed the Market Rent set forth in the Option Rent Notice) that each would submit to arbitration if arbitration were to occur under Section 2.2.4, below (the "**Arbitration Fair Market Rental Values**") (provided that if Tenant has requested an exchange of Arbitration Fair Market Rental Values and Landlord fails to provide Landlord's Arbitration Fair Market Rental Value, then the Option Rent contained in the Option Rent Notice shall be deemed Landlord's Arbitration Fair Market Rental Value, and, so long as Tenant has delivered to Landlord its Arbitration Fair Market Rental Value, the Arbitration Fair Market Rental Values shall be deemed determined and exchanged). Whether or not Arbitration Fair Market Rental Values were determined and exchanged pursuant to the terms above, if Tenant wishes to exercise such option, Tenant shall, on or before the "Option Exercise Date," as that term is defined below, have the right to exercise the option by delivering written notice thereof to Landlord, and upon, and concurrent with, such exercise, Tenant shall, at its option, either (A) accept the Market Rent contained in the Option Rent Notice, in which case the Option Rent shall be the amount set forth in the Option Rent Notice, (B) accept Landlord's Arbitration Fair Market Rental Value (to the extent the same has been previously provided pursuant to the terms hereof), in which case the Option Rent shall be Landlord's Arbitration Fair Market Rental Value, or (C) object to both the Market Rent contained in the Option Rent Notice, and, if applicable, Landlord's Arbitration Fair Market Rental Value, in which case the parties shall follow the procedure, and the Option Rent shall be determined, as set forth in Section 2.2.4 below, but subject to the terms and conditions, when appropriate, of Section 2.2.2 above. Whether or not Tenant has previously delivered the Option Interest Notice, Tenant shall, on or before the Option Exercise Date have the right to exercise the option by delivering notice (the "**Option Exercise Notice**") thereof to Landlord. In the event that Tenant shall reject or fail to affirmatively accept the Option Rent set forth in the Option Rent Notice, or if Tenant did not deliver the Option Interest Notice but delivered the Option Exercise Notice on or before the Option Exercise Date, the parties shall follow the procedure, and the Option Rent shall be determined, as set forth in Section 2.2.4, below. The "**Option Exercise Date**" shall mean the date occurring twelve (12) months prior to the expiration of the then Lease Term.

2.2.4 **Determination of Market Rent**. In the event Tenant fails to affirmatively accept or if Tenant timely objects to Landlord's determination of the Option Rent, or, in the event that Tenant failed to deliver the Option Interest Notice but timely delivered the Option Exercise Notice, or if Landlord and Tenant are determining the First Offer Rent in accordance with the terms of Section 1.3, above, Landlord and Tenant shall attempt to agree upon the Market Rent using reasonable good-faith efforts. If Landlord and Tenant fail to reach agreement as to the Option Rent or First Offer Rent, as applicable, prior to the date (the "**Outside Agreement Date**") which is the earlier of (a) the date that is seven (7) months prior to the commencement of the applicable Option Term, and (b) if Landlord and Tenant have each previously delivered the Arbitration Fair Market Rental Values, the date that is thirty (30) days after such mutual delivery (or, in the case of First Offer Rent, within thirty (30) days after Tenant's delivery of the First Offer Exercise Notice), then (i) if Arbitration Fair Market Rental Values have been determined and exchanged pursuant to Section 2.2.3, above, each party's Arbitration Fair Market Rental Values shall be submitted to arbitration without modification in accordance with Sections 2.2.4.1 through 2.2.4.7 below or (ii) if Arbitration Fair Market Rental Values have not been determined and exchanged pursuant to Section 2.2.3 above, then Landlord and Tenant shall, on a mutually and reasonably agreed upon date and time approximately six (6) months prior to the expiration of the then Lease Term (or, in the case of the First Offer Rent, within fifteen (15) business days after the Outside Agreement Date), meet at the Project and simultaneously exchange the Option Rents or First Offer Rents, as applicable, which will be submitted to arbitration under this Section 2.2.4, The exchanged Option Rents or First Offer Rents, as applicable, shall be submitted to the arbitrators concurrently with the selection of such arbitrators pursuant to this Section 2.2.4 and shall be submitted to arbitration in accordance with Sections 2.2.4.1 through 2.2.4.7 of this Lease, but subject to the terms, when appropriate, of Section 2.2.2 or 13.3.2, as the case may be.

2.2.4.1 Landlord and Tenant shall each appoint one arbitrator who shall by profession be a real estate broker or lawyer who shall have been active over the five (5) year period ending on the date of such appointment in the leasing of first class office properties in the vicinity of the Building. The determination of the arbitrators shall be limited solely to the issue area of whether Landlord's or Tenant's submitted Market Rent, is the closest to the actual Market Rent as determined by the arbitrators, taking into account the requirements of Section 2.2.2 or 1.3.3.2, of this Lease, as the case may be. Each such arbitrator shall be appointed within fifteen (15) days after the applicable Outside Agreement Date. Landlord and Tenant may consult with their selected arbitrators prior to appointment and may select an arbitrator who is favorable to their respective positions (including an arbitrator who has previously represented Landlord and/or Tenant, as applicable). The arbitrators so selected by Landlord and Tenant shall be deemed "**Advocate Arbitrators**."

2.2.4.2 The two Advocate Arbitrators so appointed shall be specifically required pursuant to an engagement letter within ten (10) days of the date of the appointment of the last appointed Advocate Arbitrator to attempt to agree upon and appoint a third arbitrator ("**Neutral Arbitrator**") who shall be qualified under the same criteria set forth hereinabove for qualification of the two Advocate Arbitrators except that (i) neither the Landlord

or Tenant or either parties' Advocate Arbitrator may, directly or indirectly, consult with the Neutral Arbitrator prior or subsequent to his or her appearance, and (ii) the Neutral Arbitrator cannot be someone who has represented Landlord and/or Tenant or their affiliates during the five (5) year period prior to such appointment. The Neutral Arbitrator shall be retained via an engagement letter jointly prepared by Landlord's counsel and Tenant's counsel.

2.2.4.3 The three arbitrators shall within thirty (30) days of the appointment of the Neutral Arbitrator reach a decision as to Market Rent and determine whether the Landlord's or Tenant's determination of Market Rent as submitted pursuant to this Section 2.2.4 is closest to Market Rent as determined by the arbitrators and simultaneously publish a ruling ("**Award**") indicating whether Landlord's or Tenant's submitted Market Rent is closest to the Market Rent as determined by the arbitrators, Following notification of the Award, the Landlord's or Tenant's submitted Market Rent determination, whichever is selected by the arbitrators as being closest to Market Rent shall become the then applicable Market Rent.

2.2.4.4 The Award issued by the majority of the three arbitrators shall be binding upon Landlord and Tenant.

2.2.4.5 If either Landlord or Tenant fail to appoint an Advocate Arbitrator within fifteen (15) days after the applicable Outside Agreement Date, either party may petition the presiding judge of the Superior Court of Los Angeles County to appoint such Advocate Arbitrator subject to the criteria in Section 2.2.4.1 of this Lease, or if he or she refuses to act, either party may petition any judge having jurisdiction over the parties to appoint such Advocate Arbitrator.

2.2.4.6 If the two Advocate Arbitrators fail to agree upon and appoint the Neutral Arbitrator, then either party may petition the presiding judge of the Superior Court of Los Angeles County to appoint the Neutral Arbitrator, subject to criteria in Section 2.2.4.1 of this Lease, or if he or she refuses to act, either party may petition any judge having jurisdiction over the parties to appoint such arbitrator.

2.2.4.7 The cost of arbitration shall be paid by Landlord and Tenant equally.

2.3 **One Floor Tenant Termination Right**. Provided that Tenant is not in Default under this Lease as of the date of Tenant's delivery of the "One Floor Termination Notice," as that term is defined below, the Original Tenant or an Affiliate Assignee, as the case may be, only shall have the one-time right to terminate this Lease with regard to the "Designated Full Floor," as that term is defined, below, effective as of the last day of the sixty-sixth (66th) full calendar month of the initial Lease Term (the "**One Floor Termination Date**"), provided that (i) Landlord receives written notice (the "**One Floor Termination Notice**") from Tenant on or before 5:00 P.M. PST on the date that is twelve (12) months preceding the One Floor Termination Date stating Tenant's election to terminate this Lease with respect to the Designated Full Floor pursuant to the terms and conditions of this Section 2.3, and (ii) within ten (10) days following receipt of the "Designation Notice," as that term is defined, below, Landlord receives from Tenant an amount equal to the "One Floor Termination Fee," as that term is defined, below. In the event that Tenant terminates this Lease with respect to the Designated Full Floor pursuant to the terms of this Section 2.3, this

Lease shall automatically terminate and be of no further force or effect with respect to the Designated Full Floor and Landlord and Tenant shall be relieved of their respective obligations under this Lease with respect to the Designated Full Floor as of the One Floor Termination Date, except those obligations set forth in this Lease which relate to the period of the Lease Term prior to the One Floor Termination Date and/or which specifically survive the expiration or earlier termination of this Lease, including, without limitation, the payment by Tenant of all amounts owed by Tenant under this Lease with respect to the Designated Full Floor, up to and including the One Floor Termination Date. For purposes of this Lease, the "**Termination Fee**" shall mean the sum of (a) the unamortized amount, as of the One Floor Termination Date, calculated within interest at a rate equal to six percent (6%) per annum, of the "Designated Floor Concessions," as that term is defined, below, and (b) the Base Rent that would have been due under this Lease for the Designated Full Floor during the four (4) month period following the One Floor Termination Date had Tenant not exercised its right to terminate a full floor pursuant to the terms of this Section 2.3. For purposes of this Section 2.3, (x) the "**Designated Full Floor**" shall be any full floor of the Premises, as determined by Landlord in Landlord's sole discretion, which shall be designated by notice to Tenant (the "**Designation Notice**") no later than thirty (30) days following Landlord's receipt of the One Floor Termination Notice, and (y) the "**Concessions**" shall mean the Tenant Improvement Allowance, abated Base Rent and commissions (to Landlord's and Tenant's brokers) paid or provided by Landlord in connection with the Designated Full Floor.

ARTICLE 3

3.1 **Base Rent**. Commencing on the Lease Commencement Date applicable to the Initial Premises, Tenant shall pay, without prior notice or demand, base rent ("**Base Rent**") as set forth in Section 4 of the Summary, to Landlord or Landlord's agent at the management office of the Project, or, at Landlord's option, at such other place as Landlord may from time to time designate in writing, payable in equal monthly installments as set forth in Section 4 of the Summary in advance on or before the first day of each and every calendar month during the Lease Term, without any setoff or deduction whatsoever, except as otherwise specifically set forth in this Lease (provided that, for clarification purposes, Landlord and Tenant hereby acknowledge and agree that Tenant's Base Rent obligations with regard to Must-Take Premises 1 and Must-Take Premises 2 shall not commence until the Lease Commencement Date applicable to Must-Take Premises 1 and the Lease Commencement Date applicable to Must-Take Premises 2, respectively). Tenant shall pay the Base Rent due for the initial Premises (disregarding any Base Rent applicable to any initial Premises Basement Premises) for the first month following the expiration of the "Initial Premises Rent Abatement Period," as that term is defined in Section 3.2.1, below, concurrently with Tenant's execution of this Lease. If any Rent payment date (including any Lease Commencement Date) falls on a day of the month other than the first day of such month or if any payment of Rent is for a period which is shorter than one month, the Rent for any fractional month shall accrue on a daily basis for the period from the date such payment is due to the end of such calendar month or to the end of the Lease Term at a rate per day which is equal to 1/365 of the applicable annual Rent. All other payments or adjustments required to be made under the terms of this Lease that require proration on a time basis shall be prorated on the same basis.

3.2 **Base Rent Abatement**.

3.2.1 **Initial Premises**. Notwithstanding anything in this Lease to the contrary, so long as there exists no monetary or material non-monetary Event of Default, Tenant shall not be obligated to pay any Base Rent attributable to the Initial Premises for the first eight (8) months after the Lease Commencement Date applicable to the Initial Premises (such period, the "**Initial Premises Rent Abatement Period**", and the total amount of such credit to be referred to herein as the "**Total Initial Premises Rent Abatement Amount**"). At Tenant's option, prior to the application of the foregoing credit against monthly Base Rent, Tenant shall have the right, upon notice to Landlord, to utilize any unapplied portion of the Total Initial Premises Rent Abatement Amount for payment of the "Over-Allowance Amount," as that term is defined in Section 4.2.1 of the Tenant Work Letter, due for the Tenant Improvements associated with the Initial Premises. Any portion of the Total initial Premises Rent Abatement Amount utilized for the payment of the Over-Allowance Amount as permitted herein shall not be provided as a credit against monthly Base Rent. Further, in no event shall Landlord, pursuant to the terms of this Section 3.2.1, provide an aggregate amount in excess of the Total Initial Premises Rent Abatement Amount for application to monthly Base Rent due for the Initial Premises and for payment of the Over-Allowance Amount associated with the Initial Premises.

3.2.2 **Must-Take Premises 1**. Notwithstanding anything in this Lease to the contrary, so long as there exists no monetary or material non-monetary Event of Default, Tenant shall not be obligated to pay any Base Rent attributable to Must-Take Premises 1 for the first seven (7) months after the Lease Commencement Date applicable to Must-Take Premises 1 (such period, the "**Must-Take Premises 1 Rent Abatement Period**" and the total amount of such credit to be referred to herein as the "**Total Must-Take Premises 1 Rent Abatement Amount**"). At Tenant's option, prior to the application of the foregoing credit against monthly Base Rent, Tenant shall have the right, upon notice to Landlord, to utilize any unapplied portion of the Total Must-Take Premises 1 Rent Abatement Amount for payment of the "Over-Allowance Amount," as that term is defined in Section 4.2.1 of the Tenant Work Letter, due for the Tenant Improvements associated with Must-Take Premises 1, Any portion of the Total Must-Take Premises 1 Rent Abatement Amount utilized for the payment of the Over-Allowance Amount as permitted herein shall not be provided as a credit against monthly Base Rent. Further, in no event shall Landlord, pursuant to the terms of this Section 3.2.2, provide an aggregate amount in excess of the Total Must-Take Premises 1 Rent Abatement Amount for application to monthly Base Rent due for Must-Take Premises 1 and for payment of the Over-Allowance Amount associated with Must-Take Premises 1.

3.2.3 **Must-Take Premises 2**. Notwithstanding anything in this Lease to the contrary, so long as there exists no monetary or material non-monetary Event of Default, Tenant shall not be obligated to pay any Base Rent attributable to Must-Take Premises 2 for the first six (6) months after the Lease Commencement Date applicable to Must-Take Premises 2 (such period, the "**Must-Take Premises 2 Rent Abatement Period**" and the total amount of such credit to be referred to herein as the "**Total Must-Take Premises 2 Rent Abatement Amount**"). At Tenant's option, prior to the application of the foregoing credit against monthly Base Rent, Tenant shall have the right, upon notice to Landlord, to utilize any unapplied portion of the Total Must-Take Premises 2 Rent Abatement Amount for payment of the "Over-Allowance Amount," as that term is defined in Section 4.2.1 of the Tenant Work Letter, due for the Tenant improvements

associated with Must-Take Premises 2. Any portion of the Total Must-Take Premises 2 Rent Abatement Amount utilized for the payment of the Over-Allowance Amount as permitted herein shall not be provided as a credit against monthly Base Rent. Further, in no event shall Landlord, pursuant to the terms of this Section 3.2.3, provide an aggregate amount in excess of the Total Must-Take Premises 2 Rent Abatement Amount for application to monthly Base Rent due for Must-Take Premises 2 and for payment of the Over-Allowance Amount associated with Must-Take Premises 2.

3.2.4 **Other Terms**. The total aggregated amount of the Base Rent abated during the Initial Premises Rent Abatement Period, the Must-Take Premises 1 Rent Abatement Period and the Must-Take Premises 2 Rent Abatement Period is referred to herein collectively as the " **Abated Rent**". If this Lease shall terminate as a result of an Event of Default by Tenant, then Landlord may at its option, by notice to Tenant, elect, in addition to any other remedies Landlord may have under this Lease, that the dollar amount of the unapplied portion of the Abated Rent as of such default shall be converted to a credit to be applied to the Base Rent applicable at the end of the Lease Term and Tenant shall immediately be obligated to begin paying Base Rent for all of the Premises in full.

ARTICLE 4

ADDITIONAL RENT

4.1 **General Terms**. In addition to paying the Base Rent specified in Article 3 of this Lease, Tenant shall pay "Tenant's Share" of the annual "Direct Expenses," as those terms are defined in Sections 1.1.10 and 1.1.2, respectively, of **Exhibit G** attached to this Lease, for each portion of the Premises, which are in excess of the amount of Direct Expenses applicable to the "Base Year," as that term is defined in Section 1.1.1 of **Exhibit G**, applicable to such portion of the Premises; provided, however, that in no event shall any decrease in Direct Expenses for any "Expense Year," as that term is defined in Section 1.1.6 of **Exhibit G**, below Direct Expenses for the Base Year entitle Tenant to any decrease in Base Rent or any credit against sums due under this Lease. Such payments by Tenant, together with any and all other amounts payable by Tenant to Landlord pursuant to the terms of this Lease, are hereinafter collectively referred to as the "**Additional Rent**," and the Base Rent and the Additional Rent are herein collectively referred to as "**Rent**." All amounts due under this Article 4 as Additional Rent shall be payable for the same periods and in the same manner as the Base Rent. Without limitation on other obligations of Tenant which survive the expiration of the Lease Term, the obligations of Tenant to pay the Additional Rent provided for in this Article 4 and **Exhibit G** shall survive the expiration of the Lease Term. Landlord may upon expiration of the Lease Term deliver to Tenant an estimate of any Base Rent, Additional Rent or other obligations outstanding, and Landlord may either deduct such amount from any funds otherwise payable to Tenant upon expiration or require Tenant to pay such funds immediately. Landlord shall make necessary adjustments for differences between actual and estimated Additional Rent in accordance with Section 1.4, below. Notwithstanding the foregoing, or the terms of **Exhibit G** to the contrary, Tenant shall have no obligation to pay any Direct Expenses for each portion of the Premises attributable to the first twelve (12) months of the Lease Term applicable to such portion of the Premises.

4.2 **Taxes and Other Charges For Which Tenant Is Directly Responsible**

4.2.1 Tenant shall be liable for and shall pay ten (10) days before delinquency, taxes levied against Tenant's equipment, furniture, fixtures and any other personal property located in or about the Premises. If any such taxes on Tenant's equipment, furniture, fixtures and any other personal property are levied against Landlord or Landlord's property or lithe assessed value of Landlord's property is increased by the inclusion therein of a value placed upon such equipment, furniture, fixtures or any other personal property and if Landlord pays the taxes based upon such increased assessment, which Landlord shall have the right to do regardless of the validity thereof but only under proper protest if' requested by Tenant, Tenant shall upon demand repay to Landlord the taxes so levied against Landlord or the proportion of such taxes resulting from such increase in the assessment, as the case may be.

4.2.2 If the tenant improvements in the Premises, whether installed and/or paid for by Landlord or Tenant and whether or not affixed to the real property so as to become a part thereof, are specifically assessed for real property tax purposes at a valuation higher than the valuation that would be obtained had Tenant expended only $150 per rentable square foot of the Premises on the construction of the tenant improvements (provided, and to the extent, that Landlord delivers to Tenant documentation from the Los Angeles County Assessor's Office that such excess assessment is attributable solely to the value of the Tenant Improvements in excess of $150 per rentable square foot, then any excess taxes levied against Landlord or the property by reason of such excess assessed valuation shall, at Landlord's option, either be included in Tax Expenses, or deemed to be taxes levied against personal property of Tenant and shall be governed by the provisions of Section 4.2.1, above.

4.2.3 Notwithstanding any contrary provision herein, Tenant shall pay prior to delinquency any (i) rent tax or sales tax, service tax, transfer tax or value added tax, business tax or any other applicable tax on the rent or services herein or otherwise respecting this Lease, that is applicable to Tenant and is directly assessed to Tenant, and (ii) taxes assessed upon or with respect to the possession, leasing, operation, management, maintenance, alteration, repair, use or occupancy by Tenant of the Premises or any portion of the Project, including the Project parking facility, that is applicable to Tenant and is directly assessed to Tenant.

ARTICLE 5

USE OF PREMISES

5.1 **Permitted Use**. Tenant shall use the Premises solely for the Permitted Use set forth inSection 7 of the Summary and Tenant shall not use or permit the Premises or the Project to be used for any other purpose or purposes whatsoever without the prior written consent of Landlord, which may be withheld in Landlord's reasonable discretion.

5.2 **Prohibited Uses**. Tenant further covenants and agrees that Tenant shall not use, or suffer or permit any person or persons to use, the Premises or any part thereof for any use or purpose contrary to the provisions of the Rules and Regulations set forth in **Exhibit D**, attached hereto, or in violation of the laws of the United States of America, the State of California, or the ordinances, regulations or requirements of the local municipal or county governing body or other

lawful authorities having jurisdiction over the Project, including, without limitation, any such laws, ordinances, regulations or requirements relating to hazardous materials or substances, as those terms are defined by applicable laws now or hereafter in effect. Tenant shall not cause or permit any hazardous material or hazardous substance to be kept, maintained, used, stored, produced, generated or disposed of (into the sewage or waste disposal system or otherwise) on or in the Premises by Tenant or Tenant's agents, employees, contractors, invitees, assignees or sublessees, without first obtaining Landlord's written consent, provided that Landlord acknowledges that Tenant will maintain products in the Premises which are incidental to the operation of its offices, such as photocopy supplies, secretarial supplies and limited janitorial supplies, which products contain chemicals which are categorized as hazardous materials, and that the use of such products in the Premises in compliance with Applicable Laws and in the manner in which such products are designed to be used shall not require Landlord's consent. Tenant shall not do or permit anything to be done in or about the Premises which will unreasonably obstruct or interfere with the rights of other tenants or occupants of the Building, or injure them or use or allow the Premises to be used for any unlawful purpose, nor shall Tenant cause, maintain or permit any nuisance in, on or about the Premises.

5.3 **Other Terms**.

5.3.1 **Ground Floor Premises**. Because of the location of the Ground Premises in the Building and the importance to Landlord of maintaining the appearance of the Building in a first class condition, in no event shall Tenant permit personal property in the Ground Floor Premises or any improvements, alterations, additions, changes or repairs to the Ground Floor Premises which are visible from the exterior of the Ground Floor Premises to create a condition or appearance which is inconsistent with the nature of the Building as a first class office building.

5.3.2 **Patio Space**.

5.3.2.1 The Patio Space shall be for Tenant's exclusive use (including the right, subject to the terms hereof and Applicable Laws, to use the Patio Space to gather, eat, play and barbeque). Because of the location of the Patio Space in the Building and the importance to Landlord of maintaining and operating the Building in a first class manner, Tenant shall at all times conduct its activities in the Patio Space in a manner consistent with a first class office building. Without limitation, (i) Tenant shall not conduct activities within the Patio Space which will unreasonably interfere with or disturb (by noise, odor or otherwise) the use of office space and/or Common Areas by other occupants of the Building, and (ii) any improvements or modifications to the Patio Space and any furniture, fixtures or equipment to be located in the Patio Space shall be consistent with a first class office building.

5.3.2.2 Notwithstanding anything in this Lease (including inArticle 6 hereof) to the contrary, Tenant shall be responsible for any additional costs relating to Tenant's use of the Patio Space, including, without limitation, janitorial costs incurred beyond those incurred by Landlord for typical cleaning of office space, as well as, if applicable, cleaning and security costs in connection with Tenant's use of the Patio Space for special events or activities (which special events or activities shall be subject to Landlord's prior approval, which shall not be unreasonably withheld, conditioned or delayed).

5.4 **Permitted Does**. Notwithstanding anything to the contrary contained in this Lease, during the Lease Term, subject to the terms of this Section 5.4 and "Applicable Laws," as that term is defined in Article 24 of this Lease, Tenant's employees shall be permitted to bring into the Premises on a daily basis (during those times in which Tenant is present in the Premises) up to an aggregate amount equal to the "Permitted Number," as that term is defined, below, of fully-domesticated, fully-vaccinated, trained dogs, each under fifty (50) pounds, that are kept by such employees as pets (collectively, the "**Permitted Dogs**"). For purposes of this Lease, the "**Permitted Number**" shall mean 1.5 for each 10,000 rentable square feet of the Premises.

5.4.1 **General Terms Applicable to Permitted Dogs**.

5.4.1.1 All Permitted Dogs shall be strictly controlled and supervised at all times by Tenant's employees, shall not be left unattended in the Premises, Building or Project at any time, shall not be permitted to walk or otherwise roam through the Building or Project (including the parking facilities) unattended or off-leash and shall not be permitted to foul, damage or otherwise mar any part of the Premises, Building or Project. No dog shall not be permitted to enter the Project, Building or Premises if he/she previously exhibited dangerously aggressive behavior.

5.4.1.2 All Permitted Dogs shall be on a leash at all times that they are not entirely within the Premises.

5.4.1.3 Within five (5) days following Tenant's receipt of Landlord's request therefor, Tenant shall provide Landlord with satisfactory evidence showing that all current vaccinations, flea treatments, and training certifications (if any) have been received by all Permitted Dogs. All Permitted Dogs must have both heartworm and flea and tick prevention on a monthly basis, and Tenant shall not bring the Permitted Dogs to the Premises, Building or Project if any of the Permitted Dogs become ill or contract a disease that could potentially threaten the health or wellbeing of any tenant or occupant of the Premises, Building or Project (which diseases shall include, without limitation, rabies, leptospirosis, flea infestation and lyme disease).

5.4.1.4 The Permitted Dogs may access and exit the Premises only as provided for in Section 5.4.2, below.

5.4.1.5 Tenant shall immediately remove any waste and excrement of any Permitted Dogs from the Building and Project and properly clean the affected area to the standard required by Landlord. Tenant shall be responsible for any additional cleaning costs and all other costs which may arise from the presence of the Permitted Dogs at the Premises, Building or Project in excess of the costs that would have been incurred had the Permitted Dogs not been allowed in or around the Premises, Building and Project.

5.4.1.6 Tenant assumes responsibility for, and agrees at the sole discretion of Landlord, to indemnify, defend, protect and hold Landlord and Landlord's agents, employees and partners harmless from, any and all claims, losses, costs, damages, expenses, liabilities and/or causes of actions, arising from, resulting from or connected with any and all acts of, or the presence of, any Permitted Dogs in, on or about the Premises, Building or Project (including, but not limited to, biting or causing bodily injury to any other tenant, subtenant, occupant, licensee or invitee of the Building or Project, or damage to the Premises (including any tenant improvements therein), Building or Project and/or the property of, Landlord or any other tenant, subtenant, occupant, licensee or invitee of the Building).

5.4.1.7 No Permitted Dog shall not interfere with other tenants, licensees, invitees or those having business in the Building or Project. No Permitted Dogs shall bark excessively or otherwise create a nuisance (e.g., jump on, or growl at, any tenant, subtenant, occupant, licensee or invitee of the Building or Project) at the Building or Project.

5.4.1.8 Permitted Dogs shall not be in the Common Areas, except en route to or from the Premises.

5.4.1.9 Tenant shall provide information reasonably requested by Landlord regarding any Permitted Dog, and Permitted Dogs shall only include non-aggressive, fully-domesticated and trained dogs. In no event shall Tenant permit any dangerous dogs to enter the Premises, Building or Project and in no event shall Pit Bulls or Pit-Bull mixes be permitted in the Project, Building or Premises.

5.4.1.10 Tenant shall provide Landlord with evidence reasonably satisfactory to Landlord that Tenant's liability insurance provided pursuant to this Lease covers dog-related injuries and damage if Tenant brings dogs to the Premises.

5.4.1.11 Tenant shall comply with all Applicable Laws associated with or governing the presence of the Permitted Dogs within the Premises, Building and Project and all additional rules and regulations as may reasonably be adopted by Landlord from time to time (including, without limitation, us to how and where any dog waste is to disposed of) and/or as required by Landlord's lender, and such presence shall not violate the certificate of occupancy for the Building or Project.

5.4.1.12 Tenant shall not permit any dog related noises or odors to emanate from the Premises, and in no event shall Tenant's Dogs be kept in the Premises, Building or Project overnight.

5.4.2 **Ingress to and Egress from the Premises**. Landlord shall reasonably designate the manner and means of ingress and egress that Tenant's employers with Permitted Dogs shall use. In addition, Landlord shall be permitted to amend or modify the manner and means of ingress and/or egress that Tenant's employees with Permitted Dogs shall use from time to time upon notice to Tenant.

5.4.3 **Personal Nature of Right; Termination of Rights**. The right to bring Permitted Dogs into the Premises is personal to the Original Tenant or an Affiliate Assignee, as the case may be, and may not be assigned or exercised, voluntarily or involuntarily, by or to, any person or entity other than the Original Tenant or an Affiliate Assignee, as the case may be. Landlord shall have the unilateral right at any time to rescind Tenant's right to have any dogs in the Premises (other than service animals in accordance with the rules and regulations attached to the Lease), if in Landlord's good faith determination, there is a legitimate business reason not to continue to allow any such dogs into the Building or Project, including, without limitation, if (i) the Permitted Dogs are, in Landlord's reasonable judgment, a substantial nuisance to the Premises,

Building or Project (for purposes hereof, the causes for which the Permitted Dogs may be found to be a "substantial nuisance" include but are not limited to (A) any Permitted Dog repeatedly defecates in the Common Areas or repeatedly causes damage to any part of the Building or Project, (B) Tenant's failure to remove any waste and excrement of any Permitted Dogs from the Building or Project and properly clean the affected area, (C) the Permitted Dogs damaging or destroying property in the Building or Project, or (D) Permitted Dogs that jump on others, bark regularly, growl at others or otherwise exhibit unreasonably problematic behavior), or (ii) other tenants or occupants of the Building complain about the Permitted Dogs, or (iii) the terms of this Section 5.3 shall be violated or Landlord receives notice of a violation of any Applicable Laws. The rights granted herein with respect to the Permitted Dogs shall not apply or be transferable to any other animal, and in the event Tenant wishes to bring an animal or dog other than the Permitted Dogs (or service animals) into the Building, Tenant shall submit a written request to Landlord for its approval, which approval may be withheld in Landlord's sole and absolute discretion.

ARTICLE 6

SERVICES AND UTILITIES

6.1 **Standard Tenant Services**. Landlord shall provide the following services on all days (unless otherwise stated below) during the Lease Term.

6.1.1 Subject to limitations imposed by all governmental rules, regulations and guidelines applicable thereto, Landlord shall provide heating, ventilation and air conditioning ("**HVAC**") when necessary for normal comfort for normal office use in the Premises from 8:00 A.M. to 6:00 P.M. Monday through Friday, and on Saturdays from 9:00 A.M. to 1:00 P.M. (collectively, the " **Building Hours**"), except for the date of observation of New Year's Day, President's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Christmas Day and, at Landlord's discretion, other locally or nationally recognized holidays (collectively, the "**Holidays**"). Tenant shall cooperate with Landlord at all times and abide by all regulations and requirements that Landlord may reasonably prescribe for the proper functioning and protection of the HVAC, electrical, mechanical and plumbing systems.

6.1.2 Landlord shall provide reasonably sufficient electrical capacity to the Premises such that Tenant shall be capable of obtaining (i) connected electrical load for incidental use equipment in an amount not greater than an average of six (6) watts per usable square foot of the Premises, calculated on a monthly basis (exclusive of any power delivered to the Building HVAC system), and (ii) connected electrical load for Tenant's lighting fixtures in an amount not greater than an average of one (1) watt per usable square foot of the Premises, calculated on a monthly basis. The amount of electricity that would be used by the foregoing electrical loads during normal Building Hours is referred to as the "**Building Standard Usage**". Landlord shall have the right to separately meter the electricity used by Tenant in the Premises, and to the extent such usage exceeds the Building Standard Usage, Tenant shall be responsible to pay directly (and not as a part of Operating Expenses) for such excess usage at Landlord's actual cost of providing the same. Tenant will design Tenant's electrical system serving any equipment producing nonlinear electrical loads to accommodate such nonlinear electrical loads, including, but not limited to, oversizing neutral conductors, derating transformers and/or providing power-line filters. As part of Operating Expenses, Landlord shall replace lamps, starters and ballasts for Building standard lighting fixtures (which may be LED lighting fixtures) within the Premises. Tenant shall bear the cost of replacement of lamps, starters and ballasts for non-Building standard lighting fixtures within the Premises.

6.1.3 Landlord shall provide city water from the regular Building outlets for drinking, kitchen, lavatory and toilet purposes in the Building Common Areas and the Premises.

6.1.4 Landlord shall provide nonexclusive, non-attended automatic passenger and freight elevator service, and shall have one passenger and one freight elevator available at all other times, including on the Holidays, except only in the event of emergency and, with regard to the freight elevator, except in connection with any required maintenance or repair. Landlord shall cause the passenger and freight elevators to include a card key security system that is capable of restricting access to Premises to Tenant only, and, if Tenant's Premises security system is compatible with the Project system, Tenant shall have the right to coordinate with Landlord so that Tenant's employees may use a single card key for access into the Project parking structure, elevators and Premises.

6.1.5 Landlord shall provide access control services and personnel at the Project commensurate with other Comparable Buildings. As of the date hereof, such services will be provided in accordance with the specifications attached hereto as **Exhibit L**. Tenant acknowledges that such specifications are subject to change during the Lease Term, provided that at all times such access control services will be provided in a manner consistent with Comparable Buildings. Tenant may, at its own expense, install its own security system ("**Tenant's Security System**") in the Premises as part of Tenant's initial construction pursuant to the terms of the Tenant Work Letter or afterward pursuant to the terms of Article 8, below; provided, however, that Tenant shall coordinate the installation and operation of Tenant's Security System with Landlord to assure that Tenant's Security System does not interfere with Landlord's security system and the Building systems and equipment in place as of the date of installation of Tenant's Security System and to the extent that Tenant's Security System unreasonably interferes with Landlord's security system and the Building systems and equipment, Tenant shall not be entitled to install or operate it. Tenant shall be solely responsible, at Tenant's sole cost and expense, for the monitoring, operation and removal of Tenant's Security System.

6.1.6 Landlord shall provide customary weekday janitorial services to the Premises, except the date of observation of the Holidays, in and about the Premises and customary occasional window washing services, each in a manner consistent with Comparable Buildings. As of the date hereof, janitorial services will be provided in accordance with the specifications attached hereto as **Exhibit M**. Tenant acknowledges that such janitorial specifications are subject to change during the Lease Term, provided that at all times janitorial services will be provided in a manner consistent with Comparable Buildings. Landlord shall have the exterior windows of the Building cleaned no less than two (2) times per year.

6.1.7 Tenant may use its pro rata share of risers, raceways, shafts and conduit based on amount of space leased in the Building subject to Landlord's reasonable rules, regulations, and restrictions and the terms of this Lease.

6.1.8 Tenant shall have the right to use the loading dock serving the Building and may use such loading dock during hours permitted by applicable law. Such use shall be subject to reasonable scheduling and Tenant's compliance with Landlord's reasonable rules and regulations with respect thereto, including Tenant's payment of Landlord's standard charge for use after normal Building Hours.

Notwithstanding anything in this Lease to the contrary, if Landlord or any affiliate of Landlord has elected to qualify as a real estate investment trust ("**REIT**"), any service required or permitted to be performed by Landlord pursuant to this Lease, the charge or cost of which may be treated as impermissible tenant service income under the laws governing a REIT, may be performed by a taxable REIT subsidiary that is affiliated with either Landlord or Landlord's property manager, an independent contractor of Landlord or Landlord's property manager (the " **Service Provider**"). If Tenant is subject to a charge under this Lease for any such service, then, at Landlord's direction, Tenant will pay such charge either to Landlord for further payment to the Service Provider or directly to the Service Provider, and, in either case, (i) Landlord will credit such payment against Additional Rent due from Tenant under this Lease for such service, and (ii) such payment to the Service Provider will not relieve Landlord from any obligation under the Lease concerning the provisions of such service.

6.2 **Overstandard Tenant Use**. Tenant shall not, without Landlord's prior written consent, use equipment or lighting that materially affects the temperature otherwise maintained by the air conditioning system in the Premises. If Tenant uses water in excess of that required to be supplied by Landlord pursuant to Section 6.1 of this Lease, Tenant shall pay to Landlord, upon billing, the cost of such excess consumption, the cost of the installation, operation, and maintenance of equipment which is installed in order to supply such excess consumption, and the cost of the increased wear and tear on existing equipment caused by such excess consumption; and Landlord may install devices to separately meter (or sub-meter) any increased use and in such event Tenant shall pay the increased cost directly to Landlord, on demand, at the rates charged by the public utility company furnishing the same, including the cost of such additional metering (or sub-metering) devices. in addition, in the event that there is located in the Premises a data center containing high density computing equipment, as defined in the U.S. EPA's Energy Star ® rating system ("**Energy Star**"), Landlord may require the installation in accordance with Energy Star of separate metering or check metering equipment, in which event (i) Tenant shall pay the costs of any such meter or check meter directly to Landlord, on demand, including the installation and connectivity thereof, (ii) Tenant shall directly pay to the utility provider all electric consumption on any meter, and (iii) Tenant shall pay to Landlord, as Additional Rent, all electric consumption on any check meter within thirty (30) days after being billed thereof by Landlord, in addition to other electric charges payable by Tenant under the Lease. In the event that Tenant purchases any utility service directly from the provider, Tenant shall promptly provide to Landlord either permission to access Tenant's usage information from the utility service provider or copies of the utility bills for Tenant's usage of such services in a format reasonably acceptable to Landlord. Tenant's use of electricity shall never exceed the capacity of the feeders to the Project or the risers or wiring installation. If Tenant desires to use heat, ventilation or air conditioning ("**HVAC**") during hours other than those for which Landlord is obligated to supply such utilities pursuant to the terms of Section 6.1 of this Lease (the "**After-Hours HVAC** "), Tenant shall give Landlord such prior notice, if any, as Landlord shall from time to time establish as appropriate, of Tenant's desired use in order to supply such After-

Hours HVAC, and Landlord shall supply such After-Hours HVAC to Tenant at the "After-Hours HVAC Cost," as that term is defined, below. If Tenant requests any additional services from Landlord (such as locksmithing, lamp replacement, additional janitorial service, and additional repairs and maintenance), then Tenant shall pay to Landlord the cost of such additional services, including Landlord's standard fee for its involvement with such additional services, within thirty (30) days after being billed for same. For purposes of this Lease, the "**After-Hours HVAC Cost**" shall mean the sum of (a) $50.00/hour/floor (without any minimum or start-up fee), and (b) the amount of any increases in the cost to Landlord to supply After-Hours HVAC following the date of this Lease.

6.3 **Interruption of Use**. Tenant agrees that Landlord shall not be liable for damages, by abatement of Rent or otherwise (except as set forth in Section 19.5.2, below), for failure to furnish or delay in furnishing any service (including telephone and telecommunication services), or for any diminution in the quality or quantity thereof, when such failure or delay or diminution is occasioned, in whole or in part, by breakage, repairs, replacements, or improvements, by any strike, lockout or other labor trouble, by inability to secure electricity, gas, water, or other fuel at the Building or Project after reasonable effort to do so, by any riot or other dangerous condition, emergency, accident or casualty whatsoever, by act or default of Tenant or other parties, or by any other cause beyond Landlord's reasonable control; and such failures or delays or diminution shall never be deemed to constitute an eviction or disturbance of Tenant's use and possession of the Premises or relieve Tenant from paying Rent or performing any of its obligations under this Lease, except as otherwise provided in Section 19.5.2 or elsewhere in the Lease. Furthermore, Landlord shall not be liable under any circumstances for a loss of, or injury to, property or for injury to, or interference with, Tenant's business, including, without limitation, loss of profits, however occurring, through or in connection with or incidental to a failure to furnish any of the services or utilities as set forth in this Article 6.

6.4 **Tenant HVAC System** . Tenant, at its sole expense, may install a supplemental HVAC system in the Premises (the "**Tenant HVAC System** "). If required for such purpose, Tenant may connect into the Building's chilled water system, if and to the extent that (i) Tenant's use of chilled water pursuant to this Section 6.4 will not adversely affected the chilled water system or the use thereof by other current or future tenants of the Project, and (ii) such connection is otherwise approved by Landlord, which approval shall not be unreasonably withheld, conditioned or delayed. If Tenant connects into the Building's chilled water system pursuant to the terms of the foregoing sentence, (x) Landlord may install, at Tenant's expense, a meter to measure Tenant's use of chilled water, and (y) Tenant shall reimburse Landlord for Tenant's use of chilled water, at Landlord's actual cost. In addition, (a) at Landlord's option, Landlord shall, at Tenant's sole cost and expense, separately meter the electricity utilized by the Tenant HVAC System, and (b) Tenant shall be responsible for the cost of all electricity utilized by the Tenant HVAC System. In the event that the Tenant HVAC System is not installed as a "Tenant Improvement," as that term is defined in the Tenant Work Letter, in accordance with the terms of the Tenant Work Letter, the Tenant HVAC System shall be installed, if at all, by Tenant in accordance with the terms of Article 8, below. In the event that the Tenant HVAC System is installed, Tenant acknowledges that, at Landlord's option, by notice to Tenant at least ninety (90) days prior to the expiration of this Lease, Tenant shall remove the Tenant HVAC System, repair all associated damage and restore all affected areas to the condition existing prior to Tenant's installation thereof. If Landlord does not deliver such a notice, the Tenant HVAC System shall become a part of the realty and belong to Landlord and shall be surrendered with the Premises upon the expiration or earlier termination of this Lease.

ARTICLE 7

REPAIRS

7.1 **Landlord Repair Obligations**. Landlord shall maintain in good condition and operating order and keep in good repair and condition the structural portions of the Building, including the foundation, floor/ceiling slabs, roof structure and membrane, curtain wall, exterior glass and mullions, columns, beams, shafts (including elevator shafts), stairs, stairwells, elevator cabs, Building mechanical, electrical and telephone closets, and all common and public areas servicing the Project, including the Common Areas, the base building restrooms located on full floors leased by Tenant (" **Full Floor Base Building Restrooms** ") (subject to the remaining terms hereof), parking areas, landscaping and exterior Project signage (but excluding signage installed by or for the benefit of Tenant pursuant to the terms of Article 23 of this Lease) (collectively, "**Building Structure**") and the Base Building mechanical, electrical (including Base Building panels and transformers), life safety, plumbing, sprinkler systems and HVAC systems which were not constructed by or for the benefit of Tenant or Tenant Parties (collectively, the " **Building Systems**"). Notwithstanding anything in this Lease to the contrary, Tenant shall be required to repair the Building Structure and/or the Building Systems to the extent of damage caused due to Tenant's use of the Premises for other than the Permitted Use, unless and to the extent such damage is covered by insurance carried or required to be carried by Landlord pursuant to Article 10 and to which the waiver of subrogation is applicable (such obligation to the extent applicable to Tenant as qualified and conditioned will hereinafter be defined as the "**BS/BS Exception**"). In the event that the Full Floor Base Building Restrooms shall not be Building standard and Landlord shall incur any repair and/or maintenance costs in excess of the amount Landlord would have incurred had the Full Floor Base Building Restrooms been Building standard, such excess costs shall be paid by Tenant within thirty (30) days following demand (Tenant hereby agreeing that such costs will be a direct charge to Tenant and, unlike other restroom repair and maintenance costs, shall not be included in Operating Expenses).

7.2 **Tenant Repair Obligations**. Subject to Landlord's obligations under Section 7.1 above, Tenant shall, at Tenant's own expense, keep the Premises, including all improvements, fixtures, equipment (including VAV boxes), interior window coverings, and furnishings therein, men's and women's washrooms located on full floors leased by Tenant (other than Full Floor Base Building Restrooms), and the floor or floors of the Building on which the Premises is located (subject to Landlord's obligation with regard to the Building Structure), in good order, repair and condition at all times during the Lease Term, but such obligation shall not extend to the Building Structure and the Building Systems except pursuant to the BS/BS Exception. In addition, Tenant shall, at Tenant's own expense, but under the supervision and subject to the prior approval of Landlord, and within any reasonable period of time specified by Landlord, promptly and adequately repair all damage to the Premises and replace or repair all damaged, broken, or worn fixtures and appurtenances, but such obligation shall not extend to the Building Structure and the Building Systems except pursuant to the BS/BS Exception, except for damage caused by ordinary wear and tear or beyond the reasonable control of Tenant; provided however, that, at Landlord's option, or if Tenant fails to make such repairs, Landlord may, after written notice to Tenant and

Tenant's failure to repair within five (5) days thereafter, but need not, make such repairs and replacements, and Tenant shall pay Landlord the cost thereof, including a percentage of the cost thereof (to be uniformly established for the Building and/or the Project) sufficient to reimburse Landlord for all overhead, general conditions, fees and other costs or expenses arising from Landlord's involvement with such repairs and replacements within thirty (30) days after invoice, Landlord may, but shall not be required to, enter the Premises at all reasonable times, upon reasonable prior notice to Tenant (but no notice shall be required in the case of an "Emergency", as defined in Section 27, below), to make such repairs, alterations, improvements or additions to the Premises or to the Project or to any equipment located in the Project as Landlord shall desire or deem necessary or as Landlord may be required to do by governmental or quasi-governmental authority or court order or decree. In connection with any such entries, Landlord shall use commercially reasonable efforts to minimize interference with the conduct by Tenant of its business from the Building (and, upon request by Tenant, if reasonably practical, Landlord shall make such repairs, alterations, improvements or additions after normal business hours and Tenant shall absorb the incremental extra costs of having the work performed after normal business hours). Tenant hereby waives any and all rights under and benefits of subsection 1 of Section 1932 and Sections 1941 and 1942 of the California Civil Code or under any similar law, statute, or ordinance now or hereafter in effect.

7.3 **Tenant's Right to Make Repairs**. If Tenant provides written notice to Landlord of an event or circumstance which requires the action of Landlord with respect to the provision of utilities and/or services and/or repairs and/or maintenance to the Premises, and Landlord fails to provide such action as required by the terms of this Lease within thirty (30) days after receipt of such written notice (or such longer period of time if the nature of such action is such that the same cannot reasonably be completed within a thirty (30) day period, provided Landlord has diligently and continuously commenced such action within such period and thereafter diligently proceeds to complete said action as soon as possible), and such action relates to the Premises and such action (i.e., the work required) is located on any full floor of the Building leased by Tenant, then Tenant may proceed to take the required action upon delivery of an additional five (5) business days' notice to Landlord specifying that Tenant is taking such required action, and if such action was required under the terms of this Lease to be taken by Landlord, then Tenant shall be entitled to prompt reimbursement by Landlord of Tenant's reasonable costs and expenses in taking such action plus interest at the Interest Rate during the period from the date Tenant incurs such costs and expenses until such time as payment is made by Landlord. In the event Tenant takes the action permitted above, and such work may create a Design Problem, Tenant shall use reputable contractors with experience in similar work. Further, if Landlord does not deliver a detailed written objection to Tenant, within thirty (30) days after receipt of an invoice by Tenant of its costs of taking action which Tenant claims should have been taken by Landlord, and if such invoice from Tenant sets forth a reasonably particularized breakdown of its costs and expenses in connection with taking such action on behalf of Landlord, then Tenant shall be entitled to deduct from Rent payable by Tenant under this Lease, the amount set forth in such invoice together with interest at the Interest Rate. If, however, Landlord in good faith delivers to Tenant within thirty (30) days after receipt of Tenant's invoice, a written objection to the payment of such invoice, setting forth with reasonable particularity Landlord's reasons for its claim that such action did not have to be taken by Landlord pursuant to the terms of this Lease or that specifically enumerated charges are excessive (in which case Landlord shall pay all of the charges not so enumerated, and further, with respect to the charges so enumerated, the amount it contends would not have been excessive), then Tenant shall not be entitled to such deduction from Rent, but as Tenant's sole remedy, Tenant may proceed to claim a default by Landlord under this Lease.

ARTICLE 8

ADDITIONS AND ALTERATIONS

8.1 **Landlord's Consent to Alterations**. Tenant shall have the right, without Landlord's consent but upon five (5) business days' prior notice to Landlord, to make non-structural additions and alterations ("**Non-Structural Alterations**") to the Premises that do not (i) affect the exterior appearance of the Premises or Building, (ii) affect the Building Systems or the Building Structure, (iii) cause a "Design Problem," as that term is defined below; or (iv) require a building or construction permit. Except for Non-Structural Alterations, Tenant may not make any improvements, alterations, additions or changes to the Premises or any mechanical, plumbing or HVAC facilities or systems pertaining to the Premises (collectively, the "**Alterations**") without first procuring the prior written consent of Landlord to such Alterations and all plans and specifications relating thereto, which consent shall be requested by Tenant not less than ten (10) business days prior to the commencement thereof, and which consent shall not be unreasonably withheld, delayed or conditioned by Landlord. A "**Design Problem**" is defined as, and will be deemed to exist if such Alteration will (a) affect the exterior appearance of the Premises or Building; (b) materially adversely affect the Building Structure; (c) materially adversely affect the Building Systems; or (d) fail to comply with Applicable Laws. The construction of the initial improvements to the Premises shall be governed by the terms of the Tenant Work Letter and not the terms of this Article 8.

8.2 **Manner of Construction**. Landlord may impose, as a condition of its consent to any and all Alterations or repairs of the Premises or about the Premises, such requirements as Landlord in its reasonable discretion may deem desirable, including, but not limited to, the requirement that Tenant utilize for such purposes only contractors reasonably approved by Landlord, and any removal and/or restoration obligations required to be performed pursuant to the terms of Section 8.6 of this Lease. If Landlord shall give its consent, the consent shall be deemed conditioned upon Tenant acquiring a permit to do the work from appropriate governmental agencies, the furnishing of a copy of such permit to Landlord prior to the commencement of the work, and the compliance by Tenant with all conditions of said permit in a prompt and expeditious manner. If such Alterations will Involve the use of or disturb hazardous materials or substances existing in the Premises, Tenant shall comply with Landlord's rules and regulations concerning such hazardous materials or substances. Tenant shall construct such Alterations and perform such repairs in a good and workmanlike manner, in conformance with any and all applicable federal, state, county or municipal laws, rules and regulations and pursuant to a valid building permit, issued by the city in which the Building is located (or other applicable governmental authority), all in conformance with Landlord's reasonable construction rules and regulations; provided, however, that prior to commencing to construct any Alteration, Tenant shall meet with Landlord to discuss Landlord's design parameters and code compliance issues, In the event Tenant performs any Alterations in the Premises which are not normal, customary general office improvements, and which require or give rise to governmentally required changes to the "Base Building," as that term is defined below, then Landlord shall, at Tenant's expense, make such changes to the Base Building. The "**Base Building**" shall include the structural portions of the Building, and the public

restrooms, elevators, exit stairwells and the systems and equipment located in the internal core of the Building on the floor or floors on which the Premises is located. In performing the work of any such Alterations, Tenant shall have the work performed in such manner so as not to unreasonably obstruct access to the Project or any portion thereof, by any other tenant of the Project. Tenant shall at all times be required to use union subcontractors for all trades other than audio/visual, security, low voltage, IT and furniture delivery/installation. Notwithstanding the foregoing, Tenant shall not use (and upon notice from Landlord shall cease using) contractors, subcontractors, services, workmen, labor, materials or equipment that, in Landlord's reasonable judgment, would disturb labor harmony with the workforce or trades engaged in performing other work, labor or services in or about the Project, Building or the Common Areas and/or that otherwise results in picketing or other labor disturbances at the Project and/or on property adjacent thereto. In addition to Tenant's obligations under Article 9 of this Lease, upon completion of any Alterations, Tenant agrees to cause a Notice of Completion to be recorded in the office of the Recorder of the County of Los Angeles in accordance with Section 8182 of the Civil Code of the State of California or any successor statute, and as a condition precedent to the enforceability and validity of Landlord's consent, Tenant shall deliver to the management office for the Project a reproducible copy of the "as built" and CAD drawings of the Alterations, to the extent applicable, as well as all permits, approvals and other documents issued by any governmental agency in connection with the Alterations.

8.3 **Payment for Improvements**. Tenant shall reimburse Landlord for Landlord's reasonable, actual, out-of-pocket costs and expenses reasonably and actually incurred in connection with Landlord's review of any Alterations, and no other fees shall be payable to Landlord in connection with Alterations.

8.4 **Construction Insurance**. In addition to the requirements of Article 10 of this Lease, in the event that Tenant makes any Alterations, prior to the commencement of such Alterations, Tenant shall provide Landlord with evidence that Tenant or Tenant's contractors carries "Builder's All Risk" insurance in an amount reasonably approved by Landlord covering the construction of such Alterations, it being understood and agreed that all of such Alterations shall be insured by Tenant pursuant to Article 10 of this Lease immediately upon completion thereof.

8.5 **Landlord's Property**. All Alterations, improvements, fixtures, affixed equipment and/or appurtenances which may be installed or placed in or about the Premises, from time to time, shall be at the sole cost of Tenant and shall be and become the property of Landlord upon completion of the same, except that Tenant may remove any Alterations, improvements, fixtures and/or affixed equipment which Tenant can substantiate to Landlord have not been paid for with any tenant improvement allowance funds provided to Tenant by Landlord, provided Tenant repairs any damage to the Premises and Building caused by such removal.

8.6 **Required Removables**. Landlord may impose, as a condition to Landlord's consent to any Alterations or the Tenant Improvements made at the time of Landlord's consent to such Alterations or Tenant Improvements, or at the time of Landlord's approval of the Tenant Improvements set forth in the "Final Construction Documents" pursuant to the terms of the Tenant Work Letter, the requirement that upon Landlord's request, Tenant shall, at Tenant's expense, remove such Alterations or Tenant Improvements (the " **Required Removables**") upon the expiration or any early termination of the Lease Term, and repair any damage to the Premises and

Building caused by such removal, If Tenant fails to complete such removal and/or to repair any damage caused by the removal of any Required Removables, then at Landlord's option may do so and may charge the cost thereof to Tenant. Notwithstanding the foregoing, Tenant shall not be required to remove (i) normal and customary business office or creative office improvements, or cabling, or (ii) the "Stairwell," as that term is defined in Section 2.1 of the Tenant Work Letter.

ARTICLE 9

COVENANT AGAINST LIENS

Tenant shall keep the Project and Premises free from any liens or encumbrances arising out of the work performed, materials furnished or obligations incurred by or on behalf of Tenant, and shall protect, defend, indemnify and hold Landlord harmless from and against any claims, liabilities, judgments or costs (including, without limitation, reasonable attorneys' fees and costs) arising out of same or in connection therewith. Tenant shall give Landlord notice at least twenty (20) days prior to the commencement of any such work on the Premises (or such additional time as may be necessary under applicable laws) to afford Landlord the opportunity of posting and recording appropriate notices of non-responsibility. Tenant shall remove any such lien or encumbrance by bond or otherwise within twenty (20) days after notice by Landlord, and if Tenant shall fail to do so, Landlord may pay the amount necessary to remove such lien or encumbrance, without being responsible for investigating the validity thereof. The amount so paid shall be deemed Additional Rent under this Lease payable upon demand, without limitation as to other remedies available to Landlord under this Lease. Nothing contained in this Lease shall authorize Tenant to do any act which shall subject Landlord's title to the Building or Premises to any liens or encumbrances whether claimed by operation of law or express or implied contract. Any claim to a lien or encumbrance upon the Building or Premises arising in connection with any such work or respecting the Premises not performed by or at the request of Landlord shall be null and void, or at Landlord's option shall attach only against Tenant's interest in the Premises and shall in all respects be subordinate to Landlord's title to the Project, Building and Premises.

ARTICLE 10

TENANT'S INDEMNITY AND INSURANCE

10.1 **Tenant's Indemnity**.

10.1.1 **Indemnity**. Subject to the limitations set forth inSections 10.13 and 29.13 below, to the maximum extent permitted by law, Tenant waives any right to contribution against the "Landlord Parties," as that term is defined in Section 10.13, below, and agrees to indemnify and save harmless the Landlord Parties from and against all claims of whatever nature by any third party arising from or claimed to have arisen from (i) any act, omission or negligence of the "Tenant Parties," as that term is defined in Section 10.13, below, in or on the Premises; (ii) any accident, injury or damage whatsoever caused to any person, or to the property of any person, occurring in or about the Premises from the earlier of (A) the date on which any Tenant Party first enters the Premises for any reason or (B) the Lease Commencement Date, and thereafter throughout and until the end of the Lease Term and after the end of the Lease Term for as long as Tenant or anyone acting by, through or under Tenant is in occupancy of the Premises or any portion

thereof; (iii) any accident, injury or damage whatsoever occurring outside the Premises but within the Project, where such accident, injury or damage results, or is claimed to have resulted, from any negligence or willful misconduct on the part of any of the Tenant Parties; or (iv) any breach of this Lease by Tenant. Landlord shall provide Tenant prompt notice of any indemnifiable claim hereunder. Tenant shall pay such indemnified amounts as they are incurred by the Landlord Parties. This indemnification shall not be construed to deny or reduce any other rights or obligations of indemnity that a Landlord Party may have under this Lease or the common law. Notwithstanding anything contained herein to the contrary, Tenant shall not be obligated to indemnify a Landlord Party for any claims to the extent that such Landlord Party's damages in fact result from such Landlord Party's negligence or willful misconduct.

10.1.2 **Breach**. In the event that Tenant breaches any of its indemnity obligations hereunder or under any other contractual or common law indemnity: (i) Tenant shall pay to the Landlord Parties all liabilities, loss, cost, or expense (including attorney's fees) incurred as a result of said breach; and (ii) the Landlord Parties may deduct and offset from any amounts due to Tenant under this Lease any amounts owed by Tenant: pursuant to this section.

10.1.3 **No limitation**. The indemnification obligations under this Section shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for Tenant or any subtenant or other occupant of the Premises under workers' compensation acts, disability benefit acts, or other employee benefit acts. Tenant waives any immunity from or limitation on its indemnity or contribution liability to the Landlord Parties based upon such acts.

10.1.4 **Subtenants and other occupants**. Tenant shall require its subtenants and other occupants of the Premises to provide similar indemnities to the Landlord Parties in a form reasonably acceptable to Landlord.

10.1.5 **Survival**. The terms of this Section shall survive any termination or expiration of this Lease.

10.1.6 **Costs**. The foregoing indemnity and hold harmless agreement shall include indemnity for al! costs, expenses and liabilities (including, without limitation, attorneys' fees and disbursements) incurred by the Landlord Parties in connection with any such claim or any action or proceeding brought thereon, and the defense thereof In addition, in the event that any action or proceeding shall be brought against one or more Landlord Parties by reason of any such claim, Tenant, upon request from the Landlord Party, shall resist and defend such action or proceeding on behalf of the Landlord Party by counsel appointed by Tenant's insurer (if such claim is covered by insurance without reservation) or otherwise by counsel reasonably satisfactory to the Landlord Party. The Landlord Parties shall not be bound by any compromise or settlement of any such claim, action or proceeding without the prior written consent of such Landlord Parties.

10.2 **Tenant's Risk**. Tenant agrees to use and occupy the Premises, and to use such other portions of the Building and the Project as Tenant is given the right to use by this Lease at Tenant's own risk, except as provided herein, The Landlord Parties shall not be liable to the Tenant Parties for any damage, injury, loss, compensation, or claim (including, but not limited to, claims for the interruption of or loss to a Tenant Party's business) to property that Tenant is required to

insure under Section 10.4 below based on, arising out of or resulting from any cause whatsoever, including, but not limited to, repairs to any portion of the Premises or the Building or the Project, any fire, robbery, theft, mysterious disappearance, or any other crime or casualty, the actions of any other tenants of the Building or of any other person or persons, or any leakage in any part or portion of the Premises or the Building or the Project, or from water, rain or snow that may leak into, or flow from any part of the Premises or the Building or the Project, or from drains, pipes or plumbing fixtures in the Building or the Project. The Landlord Parties shall not be responsible or liable to a Tenant Party, or to those claiming by, through or under a Tenant Party, for any loss or damage that may be occasioned by or through the acts or omissions of persons occupying adjoining premises or any part of the premises adjacent to or connecting with the Premises or any part of the Building or otherwise. Notwithstanding the foregoing, the Landlord Parties shall not be released from liability for any injury, loss, damages or liability to the extent arising from any negligence or willful misconduct of the Landlord Parties on or about the Premises; provided, however, in no event shall the Landlord Parties have any liability to a Tenant Party based on any loss with respect to or interruption in the operation of Tenant's business. The provisions of this Section shall be applicable until the expiration or earlier termination of the Lease Term, and during such further period as Tenant may use or be in occupancy of any part of the Premises or of the Building.

10.3 **Tenant's Commercial General Liability Insurance**. Tenant agrees to maintain in full force on or before the earlier of (i) the date on which any Tenant Party first enters the Premises for any reason or (ii) the Lease Commencement Date throughout the Lease Term of this Lease, and thereafter, so long as Tenant is in occupancy of any part of the Premises, a policy of commercial general liability insurance, on an occurrence basis, issued on a form at least as broad as Insurance Services Office ("ISO") Commercial General Liability Coverage "occurrence" form CG 00 01 10 01 or another ISO Commercial General Liability "occurrence" form providing equivalent coverage. Such insurance shall include contractual liability coverage, specifically covering but not limited to the indemnification obligations undertaken by Tenant in this Lease. The minimum limits of liability of such insurance shall be $9,000,000 per occurrence and in the aggregate on a per location basis. Limits can be obtained as a combination of General Liability and Umbrella coverage. In addition, in the event Tenant hosts a function in the Premises, Tenant agrees to obtain, and cause any persons or parties providing services for such function to obtain, the appropriate insurance coverages as determined by Landlord (including liquor liability coverage, if applicable) and provide Landlord with evidence of the same.

10.4 **Tenant's Property Insurance**. Tenant shall maintain at all times during the Lease Term, and during such earlier time as Tenant may be performing work in or to the Premises or have property, fixtures, furniture, equipment, machinery, goods, supplies, wares or merchandise on the Premises, and continuing thereafter so long as Tenant is in occupancy of any part of the Premises, business interruption insurance and (insurance against loss or damage covered by the so-called "all risk" type insurance coverage with respect to (i) Tenant's property, fixtures, furniture, equipment, machinery, goods, supplies, wares and merchandise, and (ii) the "Tenant Improvements," as that term is defined in the Tenant Work Letter, and any other improvements which exist in the Initial Premises, Must-Take Premises 1 or Must-Take Premises 2, as the case may be, as of the applicable Lease Commencement Date (excluding the Base Building) (the "**Original Improvements**"), and all alterations, improvements and other modifications made by or on behalf of the Tenant in the Premises, and (iii) other property of Tenant located at the Premises (collectively "**Tenant's Property**"). The business interruption insurance required by this section

shall be in minimum amounts typically carried by prudent tenants engaged in similar operations, but in no event shall be in an amount less than the Base Rent then in effect during any Lease Year, plus any Additional Rent due and payable for the immediately preceding Lease Year. The "all risk" insurance required by this Section shall be in an amount at least equal to the full replacement cost of Tenant's Property. In addition, during such time as Tenant is performing work in or to the Premises, Tenant, at Tenant's expense, shall also maintain, or shall cause its contractor(s) to maintain, builder's risk insurance for the full insurable value of such work. Landlord and such additional persons or entities as Landlord may reasonably request shall be named as loss payees, as their interests may appear, on the policy or policies required by this Section. In the event of loss or damage covered by the "all risk" insurance required by this Section, the responsibilities for repairing or restoring the loss or damage shall be determined in accordance with Article 11 of this Lease, below. To the extent that Landlord is obligated to pay for the repair or restoration of the loss or damage covered by the policy, Landlord shall be paid the proceeds of the "all risk" insurance covering the loss or damage. To the extent Tenant is obligated to pay for the repair or restoration of the loss or damage, covered by the policy, Tenant shall be paid the proceeds of the "all risk" insurance covering the loss or damage. If both Landlord and Tenant are obligated to pay for the repair or restoration of the loss or damage covered by the policy, the insurance proceeds shall be paid to each of them in the pro rata proportion of their obligations to repair or restore the loss or damage. If the loss or damage is not repaired or restored (for example, if the Lease is terminated pursuant to Section 11.2 of this Lease, below), the insurance proceeds shall be paid to Tenant, provided that Tenant shall pay Landlord for the unamortized amount of the Tenant Improvement Allowance (amortized on a straight line basis over the initial Lease Term). The insurance required to be maintained by Tenant pursuant to this section may be carried under blanket insurance policies covering the Premises and other properties owned or leased by Tenant or Tenant's Affiliates, so long as such policies comply with this Lease. The coverage provided by such policies shall at all times meet the requirements of this Lease, without co-insurance.

10.5 **Tenant's Other Insurance**. Throughout the Lease Term, Tenant shall obtain and maintain (1) comprehensive automobile liability insurance (covering any automobiles owned or operated by Tenant at the Project) issued on a form at least as broad as ISO Business Auto Coverage form CA 00 01 07 97 or other form providing equivalent coverage; (2) worker's compensation insurance or participation in a monopolistic state workers' compensation fund; and (3) employer's liability insurance or (in a monopolistic state) Stop Gap Liability insurance. Such automobile liability insurance shall be in an amount not less than One Million Dollars ($1,000,000) for each accident. Such worker's compensation insurance shall carry minimum limits as defined by the law of the jurisdiction in which the Premises are located (as the same may be amended from time to time). Such employer's liability insurance shall be in an amount not less than One Million Dollars ($1,000,000) for each accident, One Million Dollars ($1,000,000) disease-policy limit, and One Million Dollars ($1,000,000) disease-each employee.

10.6 **Requirements For Insurance**. All insurance required to be maintained by Tenant pursuant to this Lease shall be maintained with responsible companies that are admitted to do business, and are in good standing, in the jurisdiction in which the Premises are located and that have a rating of at least "A" and are within a financial size category of not less than "Class X" in the most current Best's Key Rating Guide or such similar rating as may be reasonably selected by Landlord. All such insurance shall: (1) be acceptable in form and content to Landlord; and (2) be primary and noncontributory. Tenant shall deliver prompt written notice to Landlord in the event

any such insurance is cancelled or changed so as to reduce coverage below that which is required by the terms of this Lease, and shall promptly cause the insurance carried by Tenant to comply with the terms of this Lease. No such policy shall contain any self-insured retention greater than Twenty-Five Thousand Dollars ($25,000.00), without Landlord's prior approval. Any deductibles and such self-insured retentions shall be deemed to be "insurance" for purposes of the waiver in Section 10.13 of this Lease, below. Landlord reserves the right from time to time (but not more than once every five years) to require Tenant to obtain higher minimum amounts of insurance based on such limits as are customarily carried with respect to similar properties in the area in which the Premises are located. The minimum amounts of insurance required by this Lease shall not be reduced by the payment of claims or for any other reason. In the event Tenant shall fail to obtain or maintain any insurance meeting the requirements of this Article, or to deliver such policies or certificates as required by this Article, Landlord may, at its option, on five (5) days' notice to Tenant, procure such policies for the account of Tenant, and the cost thereof shall be paid to Landlord within five (5) days after delivery to Tenant of bills therefor.

10.7 **Additional Insureds**. The commercial general liability, umbrella and auto insurance carried by Tenant pursuant to this Lease, and any additional liability insurance carried by Tenant pursuant to Section 10.3 of this Lease, above, shall name Landlord, Landlord's managing agent, and such other persons as Landlord may reasonably request from time to time as additional insureds with respect to liability arising out of or related to this Lease or the operations of Tenant (collectively "**Additional Insureds**"). Such insurance shall provide primary coverage without contribution from any other insurance carried by or for the benefit of Landlord, Landlord's managing agent, or other Additional insureds. Such insurance shall also waive any right of subrogation against each Additional Insured.

10.8 **Certificates Of Insurance**. On or before the earlier of (i) the date on which any Tenant Party first enters the Premises for any reason or (ii) the Lease Commencement Date applicable to the Initial Premises, Tenant shall furnish Landlord with certificates evidencing the insurance coverage required by this Lease, and renewal certificates shall be furnished to Landlord at least annually thereafter, and prior to the expiration date of each policy for which a certificate was furnished. (Acceptable forms of such certificates for liability and property insurance, respectively, are attached hereto as **Exhibit F**.) In jurisdictions requiring mandatory participation in a monopolistic state workers' compensation fund, the insurance certificate requirements for the coverage required for workers' compensation will be satisfied by a letter from the appropriate state agency confirming participation in accordance with statutory requirements. Such current participation letters required by this Section shall be provided every six (6) months for the duration of this Lease, Failure by the Tenant to provide the certificates or letters required by this Section shall not be deemed to be a waiver of the requirements in this Section. Upon request by Landlord, a true and complete copy of any insurance policy required by this Lease shall be delivered to Landlord within ten (10) days following Landlord's request.

10.9 **Subtenants And Other Occupants**. Tenant shall require its subtenants and other occupants of the Premises to provide written documentation evidencing the obligation of such subtenant or other occupant to maintain insurance that meets the requirements of this Article, and otherwise to comply with the requirements of this Article, provided that the terms of this Section 10.9 shall not relieve Tenant of any of its obligations to comply with the requirements of this Article. Tenant shall require all such subtenants and occupants to supply certificates of insurance evidencing that the insurance requirements of this Article have been met and shall forward such certificates to Landlord on or before the earlier of (i) the date on which the subtenant first enters the Premises or (ii) the commencement of the sublease.

10.10 **Requirements of Landlord's Insurance Companies**. Tenant shall comply with the reasonable requirements of Landlord's insurance companies, provided that such requirements shall be consistent with the terms of this Lease and shall not add material cost or liability to Tenant.

10.11 **Tenant To Pay Premium Increases**. If, because of anything done, caused or permitted to be done, or omitted by Tenant (or its subtenant or other occupants of the Premises) that is not consistent with the Permitted Use, the rates for liability, fire, boiler, sprinkler, water damage or other insurance on the Project or on the property and equipment of Landlord or any other tenant or subtenant in the Building shall be higher than they otherwise would be, Tenant shall reimburse Landlord and/or the other tenants and subtenants in the Building for the additional insurance premiums thereafter paid by Landlord or by any of the other tenants and subtenants in the Building which shall have been charged because of the aforesaid reasons, such reimbursement to be made from time to time on Landlord's demand.

10.12 **Landlord's insurance**.

10.12.1 **Required Insurance**. Landlord shall maintain (i) insurance against loss or damage with respect to the Building on an "all risk" type insurance form, with customary exceptions, subject to such deductibles and self-insured retentions as Landlord may determine, in an amount equal to at least the replacement value of the Building; and (ii) commercial general liability insurance with respect to the Building in an amount not less than $10,000,000 per occurrence, with deductibles and self-insured retentions as determined by Landlord. Limits can be obtained as a combination of General Liability and Umbrella coverage. The cost of such insurance shall be treated as a part of Operating Expenses. Such insurance shall be maintained with an insurance company or companies selected by Landlord. Payment for losses thereunder shall be made solely to Landlord.

10.12.2 **Optional insurance**. Landlord may maintain such additional insurance with respect to the Building and the Project, including, without limitation, earthquake insurance, terrorism insurance, flood insurance, liability insurance and/or rent insurance, as Landlord may in its sole discretion elect. Landlord may also maintain such other insurance as may from time to time be required by any holder of a mortgage, trust deed or other encumbrance in force against the Building or the Project or any part thereof which includes the Premises or any lessor under a ground lease or underlying lease of the Building or the Project (collectively, a "**Mortgagee**"). The cost of all such additional insurance shall also be part of the Operating Expenses, subject to the limitations set forth in Section 1.1.4 of **Exhibit G**.

10.12.3 **Blanket and self-Insurance**. Any or all of Landlord's insurance may be provided by blanket coverage maintained by Landlord or any affiliate of Landlord under its insurance program for its portfolio of properties, or by Landlord or any affiliate of Landlord under a program of self-insurance, and in such event Operating Expenses shall include the portion of the reasonable cost of blanket insurance or self-insurance that is allocated to the Building.

10.12.4 **No obligation**. Landlord shall not be obligated to insure Tenant's Property, including any such property or work of tenant's subtenants or occupants. Landlord will also have no obligation to carry insurance against, nor be responsible for, any loss suffered by Tenant, subtenants or other occupants due to interruption of Tenant's or any subtenant's or occupant's business.

10.13 **Waiver Of Subrogation**. The parties hereto waive and release any and all rights of recovery against the other, and agree not to seek to recover from the other or to make any claim against the other, and in the case of Landlord, against all Tenant Parties, and in the case of Tenant, against all Landlord Parties, for any loss or damage incurred by the waiving/releasing party to the extent such loss or damage is insured under any insurance policy required by this Lease or which would have been so insured had the party carried the insurance it was required to carry hereunder, provided that this waiver and release shall not apply to the commercial general liability insurance Landlord is required to carry by Section 10.12.1(iii) or any commercial general liability insurance Tenant is required to carry by Section 10.3, Tenant shall obtain from its subtenants and other occupants of the Premises a similar waiver and release of claims against any or all of Tenant or Landlord. The insurance policies required by this Lease shall contain no provision that would invalidate or restrict the parties' waiver and release of the rights of recovery in this section. The parties hereto covenant that no insurer shall hold any right of subrogation against the parties hereto by virtue of such insurance policy.

The term "**Landlord Party**" or "**Landlord Parties**" shall mean Landlord, any affiliate of Landlord, Landlord's managing agents for the Building, each Mortgagee, each ground lessor, and each of their respective direct or indirect partners, officers, shareholders, directors, members, trustees, beneficiaries, servants, employees, principals, contractors, licensees, agents or representatives. For the purposes of this Lease, the term "**Tenant Party**" or "**Tenant Parties**" shall mean Tenant, any affiliate of Tenant, any permitted subtenant or any other permitted occupant of the Premises, and each of their respective direct or indirect partners, officers, shareholders, directors, members, trustees, beneficiaries, servants, employees, principals, contractors, licensees, agents, invitees or representatives.

10.14 **Tenant's Work**. During such times as Tenant is performing work or having work or services performed in or to the Premises, Tenant shall require its contractors, and their subcontractors of all tiers, to obtain and maintain commercial general liability, "builders all risk" (if not carried by Tenant), automobile, workers compensation, employer's liability insurance in such amounts and on such terms as are customarily required of such contractors and subcontractors on similar projects. The amounts and terms of all such insurance are subject to Landlord's written approval, which approval shall not be unreasonably withheld. The commercial general liability and auto insurance carried by Tenant's contractors and their subcontractors of all tiers pursuant to this section shall name Landlord, Landlord's managing agent, and such other Persons as Landlord may reasonably request from time to time as additional insureds with respect to liability arising out of or related to their work or services (collectively, "**Additional Insureds**"). Such insurance shall provide primary coverage without contribution from any other insurance carried by or for the benefit of Landlord, Landlord's managing agent, or other Additional Insureds. Such insurance shall also waive any right of subrogation against each Additional Ensured. Tenant shall obtain and submit to Landlord, prior to the earlier of (i) the entry onto the Premises by such contractors or subcontractors or (ii) commencement of the work or services, certificates of insurance evidencing compliance with the requirements of this section.

10.15 **Landlord's Indemnity**.

10.15.1 **Indemnity**. Subject to the limitation's set forth in Sections 10.13 above and 29.13 below, to the maximum extent permitted by law, Landlord waives any right to contribution against the Tenant Parties and agrees to indemnify and save harmless the Tenant Parties from and against all claims of whatever nature by any third party arising from or claimed to have arisen from (i) the negligence or willful misconduct of Landlord or the Landlord Parties in connection with the Landlord Parties' activities in the Building or the Project; or (ii) any breach of this Lease by Landlord. Landlord shall pay such indemnified amounts as they are incurred by the Tenant Parties. Tenant shall provide Landlord prompt notice of any indemnifiable claim hereunder. Landlord shall pay such indemnified amounts as they are incurred by the Tenant Parties. This indemnification shall not be construed to deny or reduce any other rights or obligations of indemnity that a Tenant Party may have under this Lease or the common law. Notwithstanding anything contained herein to the contrary, Landlord shall not be obligated to indemnify a Tenant Party for any claims to the extent that such Tenant Party's damages in fact result from such Tenant Party's negligence or willful misconduct.

10.15.2 **Breach**. In the event that Landlord breaches any of its indemnity obligations hereunder or under any other contractual or common law indemnity: (i) Landlord shall pay to the Tenant Parties all liabilities, loss, cost, or expense (including attorney's fees) incurred as a result of said breach; and (ii) the Tenant Parties may deduct and offset from any amounts due to Landlord under this Lease any amounts owed by Landlord pursuant to this section.

10.15.3 **No Limitation**. The indemnification obligations under this Section shall not be limited in any way by any limitation on the amount or type of damages, compensation or benefits payable by or for Landlord or any under workers' compensation acts, disability benefit acts, or other employee benefit acts. Landlord waives any immunity from or limitation on its indemnity or contribution liability to the Tenant Parties based upon such acts.

10.15.4 **Survival**. The terms of this Section shall survive any termination or expiration of this Lease.

10.15.5 **Costs**. The foregoing indemnity and hold harmless agreement shall include indemnity for all costs, expenses and liabilities (including, without limitation, attorneys' fees and disbursements) incurred by the Tenant Parties in connection with any such claim or any action or proceeding brought thereon, and the defense thereof. In addition, in the event that any action or proceeding shall be brought against one or more Tenant Parties by reason of any such claim, Landlord, upon request from the Tenant Party, shall resist and defend such action or proceeding on behalf of the Tenant Party by counsel appointed by Landlord's insurer (if such claim is covered by insurance without reservation) or otherwise by counsel reasonably satisfactory to the Tenant Party. The Tenant Parties shall not be bound by any compromise or settlement of any such claim, action or proceeding without the prior written consent of such Tenant Parties.

ARTICLE 11

DAMAGE AND DESTRUCTION

11.1 **Repair of Damage to Premises by Landlord**. To the extent that Landlord does not have actual knowledge of the same, Tenant shall promptly notify Landlord of any damage to the Premises resulting from fire or any other casualty. If the Building Structure, Building Systems or any Common Areas serving or providing access to the Premises shall be damaged by a fire or any other casualty (collectively, a "**Casualty**"), Landlord shall promptly and diligently, subject to reasonable delays for insurance adjustment or other matters beyond Landlord's reasonable control, and subject to all other terms of this Article 11, restore the Building Structure, Building Systems and such Common Areas. Such restoration shall be to substantially the same condition of the Base Building and the Common Areas prior to the Casualty, except for modifications required by zoning and building codes and other laws, provided that access to the Premises and any common restrooms serving the Premises shall not be materially impaired. Tenant shall promptly notify Landlord upon the occurrence of any damage to the Premises resulting from a Casualty, and Tenant shall promptly inform its insurance carrier of any such damage. Upon notice (the "**Landlord Repair Notice**") to Tenant from Landlord, Tenant shall assign to Landlord (or to any party designated by Landlord) all insurance proceeds payable to Tenant under Tenant's insurance required under Section 10.4(ii) of this Lease, and Landlord shall repair any injury or damage to the Tenant Improvements and the Original Improvements installed in the Premises and shall return such Tenant Improvements and the Original Improvements to their original condition as reasonably modified by Tenant; provided that if the cost of such repair by Landlord exceeds the amount of insurance proceeds received by Landlord from Tenant's insurance carrier, as assigned by Tenant, the cost of such repairs shall be paid by Tenant to Landlord prior to Landlord's commencement of repair of the damage. In the event that Landlord does not deliver the Landlord Repair Notice within sixty (60) days following the date the Casualty becomes known to Landlord, Tenant shall, at its sole cost and expense, repair any injury or damage to the Tenant Improvements and the Original Improvements installed in the Premises. Whether or not Landlord delivers a Landlord Repair Notice, prior to the commencement of construction, Tenant shall submit to Landlord, for Landlord's review and approval, all plans, specifications and working drawings relating thereto (which approval shall not be unreasonably withheld), and Landlord shall have the right to approve the contractors that will perform such improvement work (which approval shall not be unreasonably withheld), Landlord shall not be liable for any inconvenience or annoyance to Tenant or its visitors, or injury to Tenant's business resulting in any way from such damage or the repair thereof; provided however, that if such Casualty shall have damaged the Premises or Common Areas necessary to Tenant's occupancy, and the Premises is not occupied by Tenant as a result thereof, then during the time and to the extent the Premises is unfit for occupancy, the Rent shall be abated in proportion to the ratio that the amount of rentable square feet of the Premises which is unfit for occupancy for the purposes permitted under this Lease bears to the total rentable square feet of the Premises, provided further if so much of the Premises is damaged so that Tenant is objectively prevented from effectively conducting its business from the entire Premises, then Rent shall be abated for the entire Premises. In the event that Landlord shall not deliver the Landlord Repair Notice, Tenant's right to rent abatement pursuant to the preceding sentence shall terminate as of the date which Tenant should have completed repairs to the Premises (including a reasonable period for re-installation of Tenant's furniture, fixtures and equipment and moving back into the damaged portion of the Premises) assuming Tenant used reasonable due diligence in connection therewith.

11.2 **Landlord's Option to Repair**. Notwithstanding the terms of Section 11.1 of this Lease, Landlord may elect not to rebuild and/or restore the Building Structure, Building Systems and/or Common Areas, and instead terminate this Lease, by notifying Tenant in writing of such termination within forty-five (45) days after the date of discovery of the damage, such notice to include a termination date giving Tenant ninety (90) days to vacate the Premises, but Landlord may so elect only if the Premises, Building Structure, Building Systems and/or Common Areas shall be materially damaged by fire or other casualty or cause and one or more of the following conditions is present: (i) in the reasonable judgment of a qualified contractor, reasonably approved by Landlord and Tenant, repairs cannot reasonably be completed within fifteen (15) months after the date of discovery of the damage (when such repairs are made without the payment of overtime or other premiums); (ii) except for the "Landlord Contribution," as that term is defined, below, the damage is not fully covered by Landlord's insurance policies and Landlord elects not to commence rebuilding or reconstructing within one (1) year from the date of such damage and destruction (and provided that Tenant does not elect to pay any such shortfall); or (iii) the damage occurs during the last twelve (12) months of the Lease Term; provided, however, that if Landlord does not elect to terminate this Lease pursuant to Landlord's termination right as provided above, and either (a) in the reasonable judgment of a qualified contractor, reasonably approved by Landlord and Tenant, the repairs will require an interruption of Tenant's use of all or a portion of the Premises for a period in excess of fifteen (15) months after the date of the discovery of the damage, or (b) the Premises or the Building is destroyed or damaged to any substantial extent during the last twelve (12) months of the Lease Term (as the same may be extended), then Tenant may elect, no earlier than forty-five (45) days after the date of the damage and not later than ninety (90) days after the date of such damage, to terminate this Lease by notice to Landlord effective as of the date specified in the notice, which shall not be less than thirty (30) days nor more than one hundred eighty (180) days following Tenant's delivery of such notice. At any time, from time to time, after the date occurring forty-five (45) days after the date of the damage, Tenant may request that Landlord provide Tenant with its reasonable opinion of the date of completion of the repairs, and Landlord shall respond to such request within five (5) business days. For the purposes of this Section 11.2, the "**Landlord Contribution**" shall initially mean $500,000.00; provided, however, that such amount shall be reduced by $5,555.55 on the first day of each month during the initial Lease Term, and further provided that the Landlord Contribution shall be reset to $500,000.00 on the first day of each Option Term and shall thereafter reduce during each applicable Option Term by $8,333.33 per month, if the Lease is terminated as a result of damage to the Premises resulting from fire or any other casualty as provided in this Section 11.2, Tenant shall assign to Landlord any insurance proceeds received by Tenant relating to the Tenant Improvements, but only to the extent of the then unamortized amount of the Tenant improvement Allowance provided by Landlord. The time periods set forth in this Section 11.2 shall not be subject to extension by reason of "Force Majeure" (as that term is defined in Section 29.16 of this Lease).

11.3 **Waiver of Statutory Provisions**. The provisions of this Lease, including this Article 11, constitute an express agreement between Landlord and Tenant with respect to any and all damage to, or destruction of, all or any part of the Premises, the Building or the Project, and any statute or regulation of the State of California, including, without limitation, Sections 1932(2) and 1933(4) of the California Civil Code, with respect to any rights or obligations concerning damage or destruction in the absence of an express agreement between the parties, and any other statute or regulation, now or hereafter in effect, shall have no application to this Lease or any damage or destruction to all or any part of the Premises, the Building or the Project.

ARTICLE 12

NONWAIVER

No provision of this Lease shall be deemed waived by either party hereto unless expressly waived in a writing signed thereby. The waiver by either party hereto of any breach of any term, covenant or condition herein contained shall not be deemed to be a waiver of any subsequent breach of same or any other term, covenant or condition herein contained. The subsequent acceptance of Rent hereunder by Landlord or payment of Rent by Tenant shall not be deemed to be a waiver of any preceding breach by Tenant or Landlord of any term, covenant or condition of this Lease, other than the failure of Tenant to pay the particular Rent so accepted, regardless of Landlord's or Tenant's knowledge of such preceding breach at the time of acceptance or payment of such Rent. No acceptance of a lesser amount than the Rent herein stipulated shall be deemed a waiver of Landlord's right to receive the full amount due, nor shall any endorsement or statement on any check or payment or any letter accompanying such check or payment be deemed an accord and satisfaction, and Landlord may accept such check or payment without prejudice to Landlord's right to recover the full amount due. No receipt of monies by Landlord from Tenant or payment by Tenant to Landlord after the termination of this Lease shall in any way alter the length of the Lease Term or of Tenant's right of possession hereunder, or after the giving of any notice shall reinstate, continue or extend the Lease Term or affect any notice given Tenant prior to the receipt of such monies, it being agreed that after the service of notice or the commencement of a suit, or after final judgment for possession of the Premises, Landlord may receive and collect any Rent due, and the payment of said Rent shall not waive or affect said notice, suit or judgment, but any such paid amounts shall be credited against the sums Tenant would otherwise owe Landlord. Tenant's payment of any Rent hereunder shall not constitute a waiver by Tenant of any breach or default by Landlord under this Lease nor shall Landlord's payment of monies due Tenant hereunder constitute a waiver by Landlord of any breach or default by Tenant under this Lease.

ARTICLE 13

CONDEMNATION

If the whole or any material part of the Premises, Building or Common Areas required for the use of the Premises shall be taken by power of eminent domain or condemned by any competent authority for any public or quasi-public use or purpose, or if any adjacent property or street shall be so taken or condemned, or reconfigured or vacated by such authority in such manner as to require the material reconstruction or remodeling of any material part of the Premises, Building or Project, or if Landlord shall grant a deed or other instrument in lieu of such taking by eminent domain or condemnation, Landlord shall have the option to terminate this Lease effective as of the date possession is required to be surrendered to the authority. If any material part of the Premises or Common Areas required for the use of the Premises (e.g., the parking facilities) is taken, or if access to the Premises is substantially impaired, in each case for a period in excess of one hundred eighty (180) days, Tenant shall have the option to terminate this Lease effective as of the date possession is required to be surrendered to the authority, Tenant shall not because of such taking assert any claim against Landlord or the authority for any compensation because of such taking and Landlord shall be entitled to the entire award or payment in connection therewith, except that Tenant shall have the right to file any separate claim available to Tenant for any taking

of Tenant's personal property and fixtures belonging to Tenant and removable by Tenant upon expiration of the Lease Term pursuant to the terms of this Lease, and for moving expenses, so long as such claim is payable separately to Tenant or is otherwise separately identifiable. Notwithstanding anything in this Article 13 to the contrary, Tenant shall be entitled to receive fifty percent (50%) of the "bonus value" of the leasehold estate in connection therewith, and Landlord shall be entitled to receive the remaining fifty percent (50%), which bonus value shall be equal to the difference between the Rent payable under this Lease and the sum established by the condemning authority as the award for compensation for the leasehold. All Rent shall be apportioned as of the date of such termination. If any part of the Premises shall be taken, and this Lease shall not be so terminated, the Rent shall be proportionately abated. Tenant hereby waives any and all rights it might otherwise have pursuant to Section 1265.130 of The California Code of Civil Procedure. Notwithstanding anything to the contrary contained in this Article 13, in the event of a temporary taking of all or any portion of the Premises for a period of one hundred and eighty (180) days or less, then this Lease shall not terminate but the Base Rent and the Additional Rent shall be abated for the period of such taking in proportion to the ratio that the amount of rentable square feet of the Premises taken bears to the total rentable square feet of the Premises. Landlord shall be entitled to receive the entire award made in connection with any such temporary taking, but nothing herein shall preclude Tenant from seeking a recovery from the condemning authority to the extent Landlord's award is not reduced as a result thereof.

ARTICLE 14

ASSIGNMENT AND SUBLETTING

14.1 **Transfers**. Tenant shall not, without the prior written consent of Landlord, (except as otherwise provided in Section 14.7 or Section 14.8 below), which consent shall not be unreasonably withheld, conditioned or delayed (subject to the terms of' Section 14.2, below), assign, mortgage, pledge, hypothecate, encumber, or permit any lien to attach to, or otherwise transfer, this Lease or any interest hereunder, permit any assignment, or other transfer of this Lease or any interest hereunder by operation of law, sublet the Premises or any part thereof, or enter into any license or concession agreements or otherwise permit the occupancy or use of the Premises or any part thereof by any persons other than Tenant and its employees and contractors (all of the foregoing are hereinafter sometimes referred to collectively as "**Transfers**" and any person to whom any Transfer is made or sought to be made is hereinafter sometimes referred to as a "**Transferee**"). If Tenant desires Landlord's consent to any Transfer, Tenant shall notify Landlord in writing, which notice (the "**Transfer Notice**") shall include (i) the proposed effective date of the Transfer, which shall not be less than twenty (20) days nor more than one hundred eighty (180) days after the date of delivery of the Transfer Notice, (ii) a description of the portion of the Premises to be transferred (the "**Subject Space**"), (iii) all of the terms of the proposed Transfer and the consideration therefor, including calculation of the "Transfer Premium", as that term is defined in Section 14.3 below, in connection with such Transfer, the name and address of the proposed Transferee, and an executed copy of all documentation effectuating the proposed Transfer, including all operative documents to evidence such Transfer and all agreements incidental or related to such Transfer, (iv) current financial statements of the proposed Transferee certified by an officer, partner or owner thereof or by a certified public accountant, and any other information reasonably required by Landlord which will enable Landlord to determine the financial responsibility, character, and reputation of the proposed Transferee, nature of such

Transferee's business and proposed use of the Subject Space, and (v) an executed estoppel certificate from Tenant in the form attached hereto as **Exhibit E**. Landlord shall approve or disapprove of the proposed Transfer within ten (10) days (the "**Review Period**") after Landlord's receipt of the applicable Transfer Notice. In the event that Landlord fails to notify Tenant in writing of such approval or disapproval within such Review Period, Tenant may send a reminder notice. If Landlord fails to respond within ten (10) additional days after such reminder, Landlord shall be deemed to have approved such Transfer. Any Transfer made without Landlord's prior written consent or, to the extent applicable, Landlord's deemed consent as aforesaid, shall, at Landlord's option, be null, void and of no effect. Whether or not Landlord consents to any proposed Transfer (but other than for failure by Landlord to respond), Tenant shall within thirty (30) days after written request by Landlord, reimburse Landlord for all reasonable and actual out-of-pocket costs and expenses incurred by Landlord in connection with its review of a proposed Transfer, provided that such costs and expenses shall not exceed $3,000.00 for a Transfer in the ordinary course of business.

14.2 **Landlord's Consent**. Landlord shall not unreasonably withhold, delay or condition its consent to any proposed Transfer of the Subject Space to the Transferee on the terms specified in the Transfer Notice. The parties hereby agree that it shall be reasonable under this Lease and under any applicable law for Landlord to withhold consent to any proposed Transfer only where one or more of the following apply:

14.2.1 The Transferee is of a character or reputation or engaged in a business which is not consistent with the quality of the Building or the Project;

14.2.2 The Transferee intends to use the Subject Space for purposes which are not permitted under this Lease;

14.2.3 The Transferee is either a governmental agency or instrumentality thereof or a non-profit;

14.2.4 The Transferee is not a party of reasonable financial worth and/or financial stability in light of the responsibilities to be undertaken in connection with the Transfer on the date consent is requested;

14.2.5 The proposed Transfer would cause a violation of another lease for space in the Building or would give an occupant a right to cancel its lease;

14.2.6 Landlord has space available for lease in the Project of a similar size to the Subject Space, and either the proposed Transferee, or any person or entity which directly or indirectly, controls, is controlled by, or is under common control with, the proposed Transferee, (i) occupies space in the Project at the time of the request for consent, or (ii) is negotiating or has negotiated with Landlord to lease space in the Project during the prior 3-month period;

14.2.7 Any part of the rent payable under the proposed Transfer shall be based in whole or in part on the income or profits derived from the Subject Space or if any proposed Transfer shall potentially have any adverse effect on the real estate investment trust qualification requirements applicable to Landlord and its affiliates.

If Landlord consents to any Transfer pursuant to the terms of this Section 14.2, Tenant may within nine (9) months after Landlord's consent, but not later than the expiration of said nine (9)-month period, enter into such Transfer of the Premises or portion thereof, upon substantially the same terms and conditions as are set forth in the Transfer Notice furnished by Tenant to Landlord pursuant to Section 14.1 of this Lease, provided that if there are any material changes in the terms and conditions from those specified in the Transfer Notice such that Landlord would initially have been entitled to refuse its consent to such Transfer under this Section 14.2, Tenant shall again submit the Transfer to Landlord for its approval and other action under this Article 14. Notwithstanding anything to the contrary in this Lease, if Tenant or any proposed Transferee claims that Landlord has unreasonably withheld or delayed its consent under this Section 14.2 or otherwise has breached or acted unreasonably under this Article 14, their sole remedies shall be a declaratory judgment and an injunction for the relief sought together with monetary damages, or a separate action for monetary damages, and Tenant hereby waives any right at law or equity to terminate this Lease.

14.3 **Transfer Premium**. If Landlord consents to a Transfer, as a condition thereto which the parties hereby agree is reasonable, Tenant shall pay to Landlord fifty percent (50%) of any "Transfer Premium," as that term is defined in this Section 14.3, actually received by Tenant from such Transferee; provided, however, that Tenant shall not be required to pay to Landlord any Transfer Premium until such time as Tenant has recovered all applicable "Subleasing Costs," as that term is defined in this Section 14.3, it being understood that if in any year the gross revenues, less the deductions set forth and included in Subleasing Costs, are less than any and all costs actually paid in assigning or subletting the affected space (collectively "**Transaction Costs**"), the amount of the excess Transaction Costs shall be carried over to the next year and then deducted from net revenues with the procedure repeated until a Transfer Premium is achieved. "**Transfer Premium**" shall mean all rent, additional rent or other consideration payable by such Transferee in connection with the Transfer in excess of the Rent and Additional Rent payable by Tenant under this Lease during the term of the Transfer on a per rentable square foot basis if less than all of the Premises is transferred, after deducting the reasonable expenses incurred by Tenant for (i) any changes, alterations and improvements to the Premises in connection with the Transfer, (ii) any free rent reasonably provided to the Transferee, (iii) any brokerage commissions in connection with the Transfer, (iv) any lease takeover incurred by Tenant in connection with the Transfer; (v) out-of-pocket costs of advertising the space subject to the Transfer, (vi) any improvement allowance or other economic concessions paid by Tenant to the Transferee in connection with the Transfer; (vii) reasonable attorneys' fees incurred by Tenant in connection with the Transfer; and (viii) the unamortized amount (with amortization using an interest factor of 8% per year) of the amount expended by Tenant above and beyond the amount of the Tenant Improvement Allowance in connection with the Tenant Improvements located in the Subject Space (which amounts are reflected in the "Final Costs" as defined in the Tenant Work Letter). "Transfer Premium" shall also include, but not be limited to, key money, bonus money or other cash consideration paid by Transferee to Tenant in connection with such Transfer, and any payment in excess of fair market value for services rendered by Tenant to Transferee or for assets, fixtures, inventory, equipment, or furniture transferred by Tenant to Transferee in connection with such Transfer.

14.4 **Intentionally Omitted**.

14.5 **Effect of Transfer**. If Landlord consents to a Transfer, then (i) the terms and conditions of this Lease shall in no way be deemed to have been waived or modified; (ii) such consent shall not be deemed consent to any further Transfer by either Tenant or a Transferee; (iii) Tenant shall deliver to Landlord, promptly after execution, an original executed copy of all documentation pertaining to the Transfer in form and content reasonably acceptable to Landlord; (iv) Tenant shall furnish upon Landlord's request a complete statement, certified by an independent certified public accountant, or Tenant's chief financial officer, setting forth in detail the computation of any Transfer Premium Tenant has derived and shall derive from such Transfer; and (v) no Transfer relating to this Lease or agreement entered into with respect thereto, whether with or without Landlord's consent, shall relieve Tenant or any guarantor of the Lease from any liability under this Lease, including, without limitation, in connection with the Subject Space, and, in the event of a Transfer of Tenant's entire interest in this Lease, the liability of Tenant and such Transferee shall be joint and several, Landlord or its authorized representatives shall have the right at all reasonable times, on reasonable prior notice, to audit the books, records and papers of Tenant relating to any Transfer, and shall have the right to make copies thereof. If the Transfer Premium respecting any Transfer shall be found understated, Tenant shall, within thirty (30) days after demand, pay the deficiency, and if understated by more than two percent (2%), Tenant shall pay Landlord's costs of such audit.

14.6 **Occurrence of Default**. Any Transfer hereunder shall be subordinate and subject to the provisions of this Lease, and if this Lease shall be terminated during the term of any Transfer, Landlord shall have the right to: (i) treat such Transfer as cancelled and repossess the Subject Space by any lawful means, or (ii) require that such Transferee attorn to and recognize Landlord as its landlord under any such Transfer. If Tenant shall be in Default under this Lease, Landlord is hereby irrevocably authorized to direct any Transferee to make all payments under or in connection with the Transfer directly to Landlord (which Landlord shall apply towards Tenant's obligations under this Lease) until such Default is cured. Such Transferee shall rely on any representation by Landlord that Tenant is in Default hereunder, without any need for confirmation thereof by Tenant. Upon any assignment, the assignee shall assume in writing all obligations and covenants of Tenant thereafter to be performed or observed under this Lease. No collection or acceptance of rent by Landlord from any Transferee shall be deemed a waiver of any provision of this Article 14 or the approval of any Transferee or a release of Tenant from any obligation under this Lease, whether theretofore or thereafter accruing. In no event shall Landlord's enforcement of any provision of this Lease against any Transferee be deemed a waiver of Landlord's right to enforce any term of this Lease against Tenant or any other person.

14.7 **Non-Transfers**. Notwithstanding anything to the contrary contained in this Lease, an assignment or subletting to, or use or occupancy of, all or a portion of the Premises by, (a) an affiliate of Tenant or Tenant's parent (an entity which directly or indirectly, through one or more intermediaries, is controlled by, controls or is under common control, as such term is defined in California General Corporations Code ("**CGCC**") Sections 160 and 5045, with, Tenant); (b) an entity which merges with or acquires or is acquired by, Tenant or a parent of Tenant, or a subsidiary of Tenant's parent, (c) a transferee of all or substantially all of the assets of Tenant (each, an "**Associated Entity**") or any other entity which will qualify as an "affiliate" under CGCC 150 and 5031 (a, b and c to be collectively be referred to herein as an "**Affiliate**"), may occur freely without

restriction and without any need for any consents or approval by Landlord, shall not be deemed a Transfer under this Article 14, and no Transfer Premium shall be payable, and such transaction shall not result in such party being deemed or considered a Transferee hereunder, provided that (i) such assignment or sublease is not a subterfuge by Tenant to avoid its obligations under this Lease, and (ii) such Affiliate (together with Tenant) has a tangible net worth computed in accordance with generally accepted accounting principles consistently applied (and excluding goodwill, organization costs and other intangible assets) that is sufficient to meet the obligations of Tenant under this Lease and Tenant provides reasonable evidence of the same to Landlord, For purposes of this Section 14.7: (i) a "parent" of an entity shall mean the owner of fifty percent (50%) or more of the voting power of such entity or an entity otherwise possessing the power, indirectly or directly, to direct the management or policies of such entity; and (ii) a "subsidiary" of an entity shall mean an entity of which at least fifty percent (50%) of its voting power is owned directly or indirectly through one or more subsidiaries of the specified entity. Landlord hereby agrees that, upon request by Tenant, Landlord shall be legally obligated to accept rent in an amount identified by Tenant to Landlord directly from any subtenant that is an Affiliate under this Section 14.7, provided that (i) no other obligation whatsoever shall be created between Landlord and such subtenant, either under this Lease or otherwise at law or in equity, (ii) such acceptance of rent shall in no event require Landlord to recognize such subtenant upon a termination of this Lease, and (iii) any failure by such subtenant to timely pay the designated portion of the Rent due under this Lease shall be deemed to be a breach of this Lease by Tenant (and Landlord shall have all of the rights and remedies for a failure of Tenant to pay amounts due hereunder (including, without limitation, the right to provide notice as provided In, and declare a default under, Article 19 of this Lease)). Notwithstanding anything herein to the contrary, the transfer, assignment, hypothecation or new issuance of stock (or other ownership interests) of Tenant or Tenant's direct or indirect parent entities shall not be deemed to be a Transfer for purposes of this Article 14. In no event shall any assignment or sublease or other transaction under this Section 14.7 serve to release Tenant from its obligations under this Lease.

14.8 **Allowed Subleases**. Notwithstanding any contrary provision of this Article 14, Tenant shall have the right without the payment of a Transfer Premium, and without the receipt of Landlord's consent, but on prior Notice to Landlord, to permit the occupancy of up to one (1) full floor of the Premises, to any individual(s) or entities (collectively, "**Tenant's Occupants**") on and subject to the following conditions: (i) all such individuals or entities shall be of a character and reputation consistent with the quality of the Building and Project; and (ii) such occupancy shall not be a subterfuge by Tenant to avoid its obligations under this Lease or the restrictions on Transfers pursuant to this Article 14. Tenant shall promptly supply Landlord with any documents or information reasonably requested by Landlord regarding any such individuals or entities. Any occupancy permitted under this Section 14,8 shall not be deemed a Transfer under this Article 14. Notwithstanding the foregoing, no such occupancy shall relieve Tenant from any obligations or liability under this Lease.

14.9 **Sublease Recognition**. At Tenant's written request, subject to the terms hereof, Landlord shall, concurrently with the granting of Landlord's consent to a sublease (a "**Sublease**"), execute a commercially reasonable recognition agreement (the "**Recognition Agreement**") in favor of a Transferee who is a subtenant of Tenant (the "**Subtenant**"), which provides that in the event this Lease is terminated, Landlord shall recognize the Subtenant's right to continue to occupy the portion of the Premises which is the subject of the Sublease (the "**Sublease Space**") and not

disturb such Subtenant's possession of the Sublease Space due to such termination; provided that (i) the Sublease Space consists of either (A) all of the Premises, or (B) only full floors of the Premises which is/are not located directly between two (2) full or partial floors of the Premises that are not included in Sublease Space; (ii) such recognition of the Subtenant is, subject to the terms of this Section 14.9, upon all the terms (including, without limitation, the rent) set forth in this Lease, subject to equitable modifications based on the number of rentable square feet contained in the Sublease Space; provided, however, that (a) to the extent the economic terms of the Sublease are more favorable to Landlord than those set forth in this Lease, then the economic terms of the Sublease shall be applicable, and (b) the terms and provisions of Sections 1.1.5, 1.1.6, 1.3, 2.2, 2.3, 23.5 23.6, and 29.33 and Article 22 of this Lease shall in no event be applicable to such Subtenant; (iii) Landlord shall not be liable for any act or omission of Tenant; (iv) Landlord shall not be subject to any offsets or defenses which the Subtenant might have as to Tenant or to any claims for damages against Tenant, nor shall Landlord be obligated to fund to, or for the benefit of, Subtenant, any undisbursed improvement or refurbishment allowance or other allowances or monetary concessions unless same has been granted to Tenant by Landlord and transferred by Tenant to Subtenant; (v) Landlord shall not be required or obligated to credit the Subtenant with any rent or additional rent paid by the Subtenant to Tenant; (vi) except as otherwise specifically set forth in this Section 14.9, Landlord shall not be bound by any terms of the Sublease; (vii) such recognition shall be effective upon, and Landlord shall be responsible for performance of any covenants and obligations in favor of Subtenant accruing after, the termination of this Lease; (viii) as a condition to Landlord's obligation to enter into the Recognition Agreement, Landlord shall have the right to reasonably approve the creditworthiness and financial strength of the Subtenant, which approval shall take into account credit enhancements provided by such Subtenant (which shall be transferred by Tenant, or otherwise provided by Subtenant, to Landlord upon a termination of this Lease, in a manner acceptable to Landlord, in Landlord's reasonable discretion), which reasonable approval shall be based upon the creditworthiness and financial strength then generally required by Landlord and landlords of the Comparable Buildings of a new tenant who is leasing space of a rentable area comparable to the rentable area of the Sublease Space for a term equal to the remaining Lease Term, who is granted concessions comparable to the concessions, if any, granted to the Subtenant, and who is assuming the monetary obligations as set forth in this Section 14.9; (ix) the Recognition Agreement shall provide that, upon a termination of this Lease, the Subtenant shall make full and complete attornment to Landlord, as lessor, pursuant to a lease executed by Landlord and the Subtenant, so as to establish direct privity of contract between Landlord and the Subtenant, upon the terms of this Section 14.9; (x) the Subtenant shall expressly agree to assume all of Tenant's end of term restoration obligations under the Lease with respect to the Subject Space; and (xi) the Recognition Agreement shall be subject to the terms and requirements of any subordination and nondisturbance agreement in favor of any deed of trust holder relating to the Building or Project that is not inconsistent with this Section 14.9. In the event Landlord enters into a Recognition Agreement with any particular Subtenant pursuant to the terms of this Section 14.9, Tenant hereby acknowledges and agrees that, for purposes of calculating the damages due Landlord following Tenant's breach and Landlord's termination of this Lease, with respect to any such Sublease Space, Landlord shall be deemed to have adequately mitigated its damages in accordance with Applicable Law for the portion of the Premises covered by an applicable Recognition Agreement.

14.10 **Tenant As Subtenant**. To the extent that Tenant requests Landlord to consent to a sublease by Tenant, as subtenant, from a tenant of the Project (an "**Other Building Tenant**"), and Landlord is, in Landlord's reasonable determination, in a position to reject such sublease by Tenant by reason of language set forth in the Other Building Tenant's lease that provides that Landlord may reject a sublease by the Other Building Tenant based upon the identity of the subtenant as another tenant of the Building, Landlord will not reject such sublease based on the identity of Tenant as a tenant of the Building, provided that (i) such sublease is for less than a full floor of the Building, and (ii) the terms of the Sublease do not in any way require a modification of the terms of the direct lease to which such sublease is to be subject. Further, nothing contained herein shall serve to limit or modify Landlord's right to deny consent to any sublease by an Other Building Tenant based upon factors other than Tenant's status as a tenant of the Building; provided, however, that Landlord shall only reject a sublease to Tenant of a full floor or more based upon Tenant's status as an occupant of the Building to the extent Landlord has space in the Building reasonably capable of satisfying the space requirement as set forth in the proposed sublease.

ARTICLE 15

SURRENDER OF PREMISES; OWNERSHIP AND REMOVAL OF TRADE FIXTURES

15.1 **Surrender of Premises**. No act or thing done by Landlord or any agent or employee of Landlord during the Lease Term shall be deemed to constitute an acceptance by Landlord of a surrender of the Premises unless such intent is specifically acknowledged in writing by Landlord. The delivery of keys to the Premises to Landlord or any agent or employee of Landlord shall not constitute a surrender of the Premises or effect a termination of this Lease, whether or not the keys are thereafter retained by Landlord, and notwithstanding such delivery Tenant shall be entitled to the return of such keys at any reasonable time upon request until this Lease shall have been properly terminated. The voluntary or other surrender of this Lease by Tenant, whether accepted by Landlord or not, or a mutual termination hereof, shall not work a merger, and at the option of Landlord shall operate as an assignment to Landlord of all subleases or subtenancies affecting the Premises or terminate any or all such sublessees or subtenancies.

15.2 **Removal of Tenant Property by Tenant**. Upon the expiration of the Lease Term, or upon any earlier termination of this Lease, Tenant shall, subject to the provisions of this Article 15, quit and surrender possession of the Premises to Landlord in as good order and condition as when Tenant took possession and as thereafter improved by Landlord and/or Tenant, reasonable wear and tear, casualty (subject to the terms of Article 11 of this Lease) and repairs which are specifically made the responsibility of Landlord hereunder excepted. Upon such expiration or termination, Tenant shall, without expense to Landlord, remove or cause to be removed from the Premises all debris and rubbish, and such items of furniture, equipment, business and trade fixtures, free-standing cabinet work, movable partitions and other articles of personal property owned by Tenant or installed or placed by Tenant at its expense in the Premises, and such similar articles of any other persons claiming under Tenant, as Landlord may, in its reasonable discretion, require to be removed (the notification of which may be provided to Tenant either prior to or within ten (10) business days following the expiration or earlier termination of this Lease), and Tenant shall repair at its own expense all damage to the Premises and Building resulting from such removal. Notwithstanding the foregoing, Tenant shall have no obligation to remove any cabling from the Premises or Building.

ARTICLE 16

HOLDING OVER

If Tenant holds over after the expiration of the Lease Term or earlier termination thereof, with or without the express or implied consent of Landlord, such tenancy shall be from month-to-month only, and shall not constitute a renewal hereof or an extension for any further term, and in such case Rent shall be payable at a monthly rate equal to 125% for the first ninety (90) days and 150% thereafter of the Rent applicable during the last rental period of the Lease Term under this Lease. Such month-to-month tenancy shall be subject to every other applicable term, covenant and agreement contained herein. Nothing contained in this Article 16 shall be construed as consent by Landlord to any holding over by Tenant, and Landlord expressly reserves the right to require Tenant to surrender possession of the Premises to Landlord as provided in this Lease upon the expiration or other termination of this Lease. The provisions of this Article 16 shall not be deemed to limit or constitute a waiver of any other rights or remedies of Landlord provided herein or at law. If Tenant fails to surrender the Premises within ninety (90) days following termination or expiration of this Lease (and provided that Landlord has provided Tenant with at least thirty (30) days prior written notice that Landlord has a signed proposal or lease from a succeeding tenant to lease all or a portion of the Premises), in addition to any other liabilities to Landlord accruing therefrom, Tenant shall protect, defend, indemnify and hold Landlord harmless from all loss, costs (including reasonable attorneys' fees) and liability resulting from such failure, including, without limiting the generality of the foregoing, any claims made by any succeeding tenant founded upon such failure to surrender and any lost profits to Landlord resulting therefrom.

ARTICLE 17

ESTOPPEL CERTIFICATES

Within ten (10) business days following a request in writing by Landlord or Tenant, the recipient (the "**Recipient**") shall execute, acknowledge and deliver to the requesting party (the "**Requesting Party**") an estoppel certificate, which, as submitted, shall be substantially in the form of**Exhibit E**, attached hereto (or such other commercially reasonable form as may be required by any prospective mortgagee or purchaser of the Project, or any portion thereof, or any assignee or sublessee), indicating therein any exceptions thereto that may exist at that time, and shall also contain any other information reasonably requested by the Requesting Party or Landlord's mortgagee or prospective mortgagee or Tenant's Transferee, as the case may be (but in no event shall such other information relate to the financial condition of Tenant). Appropriate modification shall be made to **Exhibit E** when Tenant is the Requesting Party. Any such certificate may be relied upon by any prospective mortgagee or purchaser of all or any portion of the Project or by assignee or sublessee or purchaser of Tenant's business. The Recipient shall execute and deliver whatever other instruments may be reasonably required for such purposes, subject to the conditions in this Article 17. The failure of Tenant or Landlord, as the case may be, to timely execute, acknowledge and deliver such estoppel certificate or other instruments, upon an additional five (5) business days' notice from the Requesting Party advising the other party of the consequences of a non-response, shall constitute an acceptance of the premises stated therein and an acknowledgment by the other party that statements included in the estoppel certificate are true and correct, without exception. At any time during the Lease Term, if Tenant's financials are not reasonably publicly

available, Landlord may require Tenant to provide Landlord with a current financial statement and financial statements of the two (2) years prior to the current financial statement year. Such statements shall be prepared in accordance with generally accepted accounting principles and, if such is the normal practice of Tenant, shall be audited by an independent certified public accountant. Prior to Tenant's delivery of any such financial statements, Landlord shall execute a confidentiality agreement in commercially reasonable form.

ARTICLE 18

SUBORDINATION

Landlord hereby represents and warrants to Tenant that, as of the date of this Lease, there is no mortgage, trust deed, ground or underlying lease, or similar encumbrance affecting the Building or Project. This Lease shall be subject and subordinate to all future ground or underlying leases of the Building or Project and to the lien of any mortgage, trust deed or other encumbrances now or hereafter in force against the Building or Project or any part thereof, and to all renewals, extensions, modifications, consolidations and replacements thereof, and to all advances made or hereafter to be made upon the security of such mortgages or trust deeds, unless the holders of such mortgages, trust deeds or other encumbrances, or the lessors under such ground lease or underlying leases, require in writing that this Lease be superior thereto. Landlord's delivery to Tenant of commercially reasonable non-disturbance agreement(s) (the "**Nondisturbance Agreement**") in favor of Tenant from any ground lessors, mortgage holders or lien holders of Landlord who come into existence following the date hereof but prior to the expiration of the Lease Term shall be in consideration of, and a condition precedent to, Tenant's agreement to be bound by the terms of this Article 18. Any such Nondisturbance Agreement shall (i) provide that such ground lessor, mortgage holder or lien holder shall not disturb the possession and other rights of Tenant under this Lease and accept Tenant as the tenant of the Premises under the terms and conditions of this Lease, (ii) preserve and not alter the remedies of Tenant for Landlord's failure to perform any ongoing obligation of Landlord under the Lease, and (iii) expressly recognize Tenant's rental offset rights, as and to the extent set forth in this Lease. Tenant covenants and agrees that in the event any proceedings are brought for the foreclosure of any such mortgage or deed in lieu thereof (or if any ground lease is terminated), to attorn to the lienholder or purchaser or any successors thereto upon any such foreclosure sale or deed in lieu thereof (or to the ground lessor), if so requested to do so by such purchaser or lienholder or ground lessor, and to recognize such purchaser or lienholder or ground lessor as the lessor under this Lease, provided such lienholder or purchaser or ground lessor has executed a Nondisturbance Agreement, Landlord's interest herein may be assigned as security at any time to any lienholder, Tenant shall, within ten (10) business days of request by Landlord, execute such further instruments or assurances as Landlord may reasonably deem necessary to evidence or confirm the subordination or superiority of this Lease to any such mortgages, trust deeds, ground leases or underlying leases. Subject to Tenant's receipt of the Nondisturbance Agreement described herein, Tenant waives the provisions of any current or future statute, rule or law which may give or purport to give Tenant any right or election to terminate or otherwise adversely affect this Lease and the obligations of the Tenant hereunder in the event of any foreclosure proceeding or sale.

ARTICLE 19

DEFAULTS; REMEDIES

19.1 **Events of Default**. The occurrence of any of the following shall constitute a default of this Lease by Tenant (an "**Event of Default**" or "**Default**"):

19.1.1 Any failure by Tenant to pay any Rent or any other charge required to be paid under this Lease, or any part thereof, when due unless such failure is cured within five (5) business days after notice that the same was overdue; or

19.1.2 Except as set forth in Sections 19.1.1, 19.1.3, and 19.1.4, any failure by Tenant to observe or perform any other provision, covenant or condition of this Lease to be observed or performed by Tenant where such failure continues for thirty (30) days after written notice thereof from Landlord to Tenant; provided that if the nature of such default is such that the same cannot reasonably be cured within a thirty (30) day period, Tenant shall not be deemed to be in default if it diligently commences such cure within such period and thereafter diligently proceeds to rectify and cure such default; or

19.1.3 The failure by Tenant to observe or perform according to the provisions of Articles 5, 17, 18 or 21 of this Lease where such failure continues for more than seven (7) business days after notice from Landlord;

19.1.4 Abandonment or vacation of the Ground Floor Premises by Tenant.

The notice periods provided herein are in addition to, and not in lieu of, any notice periods provided by law and nothing in this Lease shall constitute a waiver by Tenant of its statutory rights of redemption. No statutory notice may be sent until the cure periods set forth in this Section 19.1 have expired without a cure being effectuated.

19.2 **Remedies Upon Default**. Upon the occurrence of any Event of Default by Tenant, Landlord shall have, in addition to any other remedies available to Landlord at law or in equity (all of which remedies shall be distinct, separate and cumulative), the option to pursue any one or more of the following remedies, each and all of which shall be cumulative and nonexclusive, without any notice or demand whatsoever, except as required by Applicable Law.

19.2.1 Terminate this Lease, in which event Tenant shall immediately surrender the Premises to Landlord, and if Tenant fails to do so, Landlord may, without prejudice to any other remedy which it may have for possession or arrearages in rent, enter upon and take possession of the Premises and expel or remove Tenant and any other person who may be occupying the Premises or any part thereof in compliance with Applicable Laws, without being liable for prosecution or any claim or damages therefor; and Landlord may recover from Tenant the following:

19.2.1.1.1 The worth at the time of award of any unpaid rent which has been earned at the time of such termination; plus

19.2.1.1.2 The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided; plus

19.2.1.1.3 The worth at the time of award of the amount by which the unpaid rent for the balance of the Lease Term after the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided; plus

19.2.1.1.4 Any other amount necessary to compensate Landlord for all the detriment proximately caused by Tenant's failure to perform its obligations under this Lease or which in the ordinary course of things would be likely to result therefrom, specifically including but not limited to, brokerage commissions and advertising expenses incurred, expenses of remodeling the Premises or any portion thereof for a new tenant, whether for the same or a different use, and any special concessions made to obtain a new tenant, in each case prorated based on the remainder of the Lease Term; and

19.2.1.1.5 At Landlord's election, such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time by applicable law.

The term "rent" as used in this Section 19.2 shall be deemed to be and to mean all sums of every nature required to be paid by Tenant pursuant to the terms of this Lease, whether to Landlord or to others. As used in Sections 19.2.1(i) and 19.2.1(ii), above, the "worth at the time of award" shall be computed by allowing interest at the rate set forth in Article 25 of this Lease, but in no case greater than the maximum amount of such interest permitted by law. As used in Section 19.2.1(iii) above, the "worth at the time of award" shall be computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

19.2.2 Landlord shall have the remedy described in California Civil Code Section 1951.4 (lessor may continue lease in effect after lessee's breach and abandonment and recover rent as it becomes due, if lessee has the right to sublet or assign, subject only to reasonable limitations). Accordingly, if Landlord does not elect to terminate this Lease on account of any default by Tenant, Landlord may, from time to time, without terminating this Lease, enforce all of its rights and remedies under this Lease, including the right to recover all rent as it becomes due.

19.2.3 Landlord shall at all times have the rights and remedies (which shall be cumulative with each other and cumulative and in addition to those rights and remedies available under Sections 19.2.1 and 19.2.2, above, or, any law or other provision of this Lease), without prior demand or notice except as required by applicable law, to seek any declaratory, injunctive or other equitable relief, and specifically enforce this Lease, or restrain or enjoin a violation or breach of any provision hereof.

19.3 **Subleases or Tenant**. If Landlord elects to terminate this Lease on account of any default by Tenant, as set forth in this Article 19, then Landlord shall have the right, at Landlord's option in its sole discretion, (i) to terminate any and all subleases, licenses, concessions or other consensual arrangements for possession entered into by Tenant and affecting the Premises, in which event Landlord shall have the right to repossess such affected portions of the Premises by any lawful means, or (ii) to succeed to Tenant's interest in any or all such subleases, licenses, concessions or arrangements, in which event Landlord may require any sublessees, licensees or other parties thereunder to attorn to and recognize Landlord as its assignor, sublessor, licensor, concessionaire or transferor thereunder. In the event of Landlord's election to succeed to Tenant's interest in any such subleases, licenses, concessions or arrangements, Tenant shall, as of the date of notice by Landlord of such election, have no further right to or interest in the rent or other consideration receivable thereunder.

19.4 **Efforts to Relet**. No re-entry or repossession, repairs, maintenance, changes, alterations and additions, reletting, appointment of a receiver to protect Landlord's interests hereunder, or any other action or omission by Landlord shall be construed as an election by Landlord to terminate this Lease or Tenant's right to possession, or to accept a surrender of the Premises, nor shall same operate to release Tenant in whole or in part from any of Tenant's obligations hereunder, unless express written notice of such intention is sent by Landlord to Tenant.

19.5 **Landlord Default**.

19.5.1 **General**. Notwithstanding anything to the contrary set forth in this Lease, Landlord shall not be in default in the performance of any obligation required to be performed by Landlord pursuant to this Lease unless Landlord fails to perform such obligation within thirty (30) days after the receipt of notice from Tenant specifying in detail Landlord's failure to perform; provided, however, if the nature of Landlord's obligation is such that more than thirty (30) days are required for its performance, then Landlord shall not be in default under this Lease if it shall commence such performance within such thirty (30) day period and thereafter diligently pursues the same to completion. Upon any such default by Landlord under this Lease, Tenant may, except as otherwise specifically provided in this Lease to the contrary, exercise any of its rights provided at law or in equity.

19.5.2 **Abatement of Rent**. In the event that Tenant is prevented from using, and does not use, the Premises or any portion thereof, as a result of (i) any repair, maintenance or alteration performed by Landlord, or which Landlord failed to perform, after the Lease Commencement Date applicable to the Initial Premises and required by this Lease, which substantially interferes with Tenant's use of or ingress to or egress from the Building or the Parking Structure; (ii) any failure by Landlord to provide services, utilities or ingress to and egress from the Building (including the Parking Structure), or Premises as required by this Lease; (iii) damage and destruction of or eminent domain proceedings in connection with the Building or the Parking Structure, or (iv) the presence of Hazardous Materials not brought on the Premises by Tenant Parties (any such set of circumstances as set forth in items (i) through (iv), above, to be known as an "**Abatement Event**"), then Tenant shall give Landlord Notice of such Abatement Event, and if such Abatement Event continues for three (3) consecutive business days after Landlord's receipt of any such notice, or occurs for ten (10) non-consecutive business days in a twelve (12) month period (provided Landlord is sent a notice pursuant to Section 29.18 of this Lease of each such Abatement Event) (in either of such events, the "**Eligibility Period**"), then the Base Rent and Tenant's Share of Direct Expenses and Tenant's obligation to pay for parking (to the extent not actually utilized by Tenant) shall be abated or reduced, as the case may be, after expiration of the

Eligibility Period for such time that Tenant continues to be so prevented from using, and does not use, the Premises, or a portion thereof, in the proportion that the rentable area of the portion of the Premises that Tenant is prevented from using, and does not use ("**Unusable Area**"), bears to the total rentable area of the Premises; provided, however, in the event that Tenant is prevented from using, and does not use, the Unusable Area for a period of time in excess of the Eligibility Period and the remaining portion of the Premises is not sufficient to allow Tenant to effectively conduct its business therein, and if Tenant does not conduct its business from such remaining portion, then for such time after expiration of the Eligibility Period during which Tenant is so prevented from effectively conducting its business therein (in Tenant's reasonable judgment), the Base Rent and Tenant's Share of Direct Expenses for the entire Premises shall be abated for such time as Tenant continues to be so prevented from using, and does not use, the Premises. If, however, Tenant reoccupies any portion of the Premises during such period, the Rent allocable to such reoccupied portion, based on the proportion that the rentable area of such reoccupied portion of the Premises bears to the total rentable area of the Premises, shall be payable by Tenant from the date Tenant reoccupies such portion of the Premises. Such right to abate Base Rent and Tenant's Share of Direct Expenses shall be Tenant's sole and exclusive remedy at law or in equity to abate Rent for an Abatement Event; provided, however, that (a) nothing in this Section 19.5.2, shall impair Tenant's rights under Section 19.5.1, above, and (b) if Landlord has not cured such Abatement Event within two hundred seventy (270) days after receipt of notice from Tenant, Tenant shall have the right to terminate this Lease during the first five (5) business days of each calendar month following the end of such 270-day period until such time as Landlord has cured the Abatement Event, which right may be exercised only by delivery of notice to Landlord (the "**Abatement Event Termination Notice**") during such five (5) business-day period, and shall be effective as of a date set forth in the Abatement Event Termination Notice (the "**Abatement Event Termination Date**"), which Abatement Event Termination Date shall not be less than thirty (30) days, and not more than one (1) year, following the delivery of the Abatement Event Termination Notice. Notwithstanding anything contained in this Section 19.5.2 to the contrary, Tenant's Abatement Event Termination Notice shall be null and void (but only in connection with the first notice sent by Tenant with respect to each separate Abatement Event) if Landlord cures such Abatement Event within such thirty (30) day period following receipt of the Abatement Event Termination Notice. If Tenant's right to abatement occurs because of an eminent domain taking, condemnation and/or because of damage or destruction to the Premises and/or the Parking Structure, Tenant's abatement period shall continue until Tenant has been given sufficient time, and sufficient ingress to, and egress from the Premises, to rebuild such portion it is required to rebuild, to install its property, furniture, fixtures, and equipment to the extent the same shall have been removed as a result of such damage or destruction or temporary taking and to move in over a weekend, To the extent Tenant is entitled to abatement because of an event covered by Articles 11 or 13 of this Lease, then the Eligibility Period shall not be applicable. If Tenant's right to abatement occurs during any period of Base Rent Abatement, Tenant's period of Base Rent Abatement shall be extended for the number of days that the abatement period overlapped the free Base Rent period ("**Overlap Period**"). Landlord shall have the right to extend the Lease Expiration Date for a period of time equal to the Overlap Period if Landlord sends a notice to Tenant of such election within ten (10) days following the end of the extended free Base Rent period. Except as provided in this Section 19.5.2 or elsewhere in this Lease, nothing contained herein shall be interpreted to mean that Tenant is excused from paying Rent due hereunder.

ARTICLE 20

COVENANT OF QUIET ENJOYMENT

Landlord covenants that so long as no Event of Default exists under this Lease, Tenant shall, during the Lease Term, peaceably and quietly have, hold and enjoy the Premises subject to the terms, conditions, provisions and agreements hereof without interference by any persons lawfully claiming by or through Landlord. The foregoing covenant is in lieu of any other covenant express or implied.

ARTICLE 21

LETTER OF CREDIT

21.1 **Delivery of Letter of Credit**. Tenant shall deliver to Landlord concurrent with Tenant's execution of this Lease, as protection for the full and faithful performance by Tenant of all of its obligations under this Lease and for all losses and damages Landlord may suffer (or which Landlord reasonably estimates that it may suffer) as a result of any breach or default by Tenant under this Lease, an unconditional, clean, irrevocable negotiable standby letter of credit (the "**L-C**") in the amount set forth inSection 8 of the Summary (the "**L-C Amount**"), in the form attached hereto as,**Exhibit K**, payable in Los Angeles, California, San Francisco, California or Boston, Massachusetts, or which will allow presentation and drawing by facsimile or nationally recognized overnight courier, running in favor of Landlord, drawn on a bank (the "**Bank**") reasonably approved by Landlord and at a minimum having a long term issuer credit rating from Fitch of BBB or a comparable rating from Standard and Poor's Professional Rating Service or from Moody's Professional Rating Service (the "**Credit Rating Threshold**"), and otherwise conforming in all respects to the requirements of this Article 21, including, without limitation, all of the requirements of Section 21.2 below, all as set forth more particularly hereinbelow, Landlord hereby approves Silicon Valley Bank (the "**Approved Bank**") as "Bank", provided that the foregoing shall not alter or limit Landlord's rights and Tenant's obligations hereunder to the extent the Approved Bank shall not, at any time, satisfy the Credit Rating Threshold. Tenant shall pay all expenses, points and/or fees incurred by Tenant in obtaining and maintaining the L/C. In the event of an assignment by Tenant of its interest in this Lease (and irrespective of whether Landlord's consent is required for such assignment), any such substitute L-C delivered by an assignee shall conform with all of the requirements of thisArticle 21.

21.2 **In General**. The L-C shall be "callable" at sight, permit partial draws and multiple presentations and drawings, and be otherwise subject to the Uniform Customs and Practices for Documentary Credits (1993-Rev), International Chamber of Commerce Publication #500, or the International Standby Practices-ISP 98, International Chamber of Commerce Publication #590. Tenant further covenants and warrants as follows:

21.2.1 **Landlord Right to Transfer**. The L-C shall provide that Landlord, its successors and assigns, may, at any time and without notice to Tenant and without first obtaining Tenant's consent thereto, transfer (one or more times) ail or any portion of its interest In and to the L-C to another party, person or entity, if and only if such transfer is a part of the assignment by Landlord of its rights and interests in and to this Lease, In the event of a transfer of Landlord's

interest in the Building, Landlord shall transfer the L-C, in whole or in part, to the transferee and thereupon Landlord shall, without any further agreement between the parties, be released by Tenant from all liability therefor, and it is agreed that the provisions hereof shall apply to every transfer or assignment of the whole or any portion of said L-C to a new landlord. In connection with any such transfer of the L-C by Landlord, Tenant shall, at Tenant's sole cost and expense, execute and submit to the Bank such applications, documents and instruments as may be necessary to effectuate such transfer, and Landlord shall be responsible for paying the first $5,000.00 of the Bank's transfer and processing fees in connection therewith, and Tenant shall be responsible for any such transfer and processing fees in excess of $5,000.00.

21.2.2 **No Assignment by Tenant**. Tenant shall neither assign nor encumber the L-C or any part thereof. Neither Landlord nor its successors or assigns will be bound by any assignment, encumbrance, attempted assignment or attempted encumbrance by Tenant in violation of this Section.

21.2.3 **Replenishment**. If, as a result of any drawing by Landlord on the L-C pursuant to its rights set forth in Section 21.3 below, the amount of the L-C shall be less than the L-C Amount, Tenant shall, within five (5) business days thereafter, provide Landlord with (i) an amendment to the L-C restoring such L-C to the L-C Amount or (ii) additional L-Cs in an amount equal to the deficiency, which additional L-Cs shall comply with all of the provisions of this Article 21, and if Tenant fails to comply with the foregoing, notwithstanding anything to the contrary contained in Section 19.1 above, the same shall constitute an incurable default by Tenant under this Lease (without the need for any additional notice and/or cure period).

21.2.4 **Renewal; Replacement**. If the L-C expires earlier than the date (the "**LC Expiration Date**") that is thirty (30) days after the expiration of the Lease Term, Tenant shall deliver a new L-C or certificate of renewal or extension to Landlord at least thirty (30) days prior to the expiration of the L-C then held by Landlord, without any action whatsoever on the part of Landlord, which new L-C shall be irrevocable and automatically renewable through the LC Expiration Date upon the same terms as the expiring L-C or such other terms as may be acceptable to Landlord in its sole discretion. In furtherance of the foregoing, Landlord and Tenant agree that the L-C shall contain a so-called "evergreen provision," whereby the L-C will automatically be renewed unless at least thirty (30) days' prior written notice of non-renewal is provided by the issuer to Landlord; provided, however, that the final expiration date identified in the L-C, beyond which the L-C shall not automatically renew, shall not be earlier than the LC Expiration Date.

21.2.5 **Bank's Financial Condition**. If, at any time during the Lease Term, the Bank's long term credit rating is reduced below the Credit Rating Threshold, or if the financial condition of the Bank changes in any other materially adverse way (either, a "**Bank Credit Threat**"), then Landlord shall have the right to require that Tenant obtain from a different issuer a substitute L-C that complies in all respects with the requirements of this Article 21, and Tenant's failure to obtain such substitute L-C within twenty (20) days following Landlord's written demand therefor (with no other notice or cure or grace period being applicable thereto, notwithstanding anything in this Lease to the contrary) shall entitle Landlord, or Landlord's then managing agent, to immediately draw upon the then existing L-C in whole or in part, without notice to Tenant, as more specifically described in Section 21.3 below. Tenant shall be responsible for the payment of any and all costs incurred with the review of any replacement L-C (including without limitation Landlord's reasonable attorneys' fees), which replacement is required pursuant to this Section or is otherwise requested by Tenant.

21.3 **Application of Letter of Credit**. Tenant hereby acknowledges and agrees that Landlord is entering into this Lease in material reliance upon the ability of Landlord to draw upon the L-C as protection for the full and faithful performance by Tenant of all of its obligations under this Lease and for all losses and damages Landlord may stiffer (or which Landlord reasonably estimates that it may suffer) as a result of any breach or default by Tenant under this Lease. Landlord, or its then managing agent, shall have the right to draw down an amount up to the face amount of the L-C if any of the following shall have occurred or be applicable: (A) such amount is due to Landlord under the terms and conditions of this Lease, (B) Tenant has filed a voluntary petition under the U. S. Bankruptcy Code or any state bankruptcy code (collectively, "**Bankruptcy Code**") that is not dismissed within thirty (30) days, or (C) an involuntary petition has been filed against Tenant under the Bankruptcy Code that is not dismissed within thirty (30) days, (D) the Bank has notified Landlord that the L-C will not be renewed or extended through the LC Expiration Date, or (E) a Bank Credit Threat or Receivership (as such term is defined in Section 21.6.1 below) has occurred and Tenant has failed to comply with the requirements of either Section 21.2.5 above or 21.6 below, as applicable. If Tenant shall breach any provision of this Lease or otherwise be in default hereunder, or if any of the foregoing events identified in Sections 21.3(A) through (E) shall have occurred, Landlord may, but without obligation to do so, and without notice' to Tenant, draw upon the L-C, in part or in whole, and the proceeds may be applied by Landlord (i) to cure any breach or default of Tenant and/or to compensate Landlord for any and all damages of any kind or nature sustained or which Landlord reasonably estimates that it will sustain resulting from Tenant's breach or default, (ii) against any Rent payable by Tenant under this Lease that is not paid when due and/or (iii) to pay for all losses and damages that Landlord has suffered or that Landlord reasonably estimates that it will suffer as a result of any breach or default by Tenant under this Lease. The use, application or retention of the L-C, or any portion thereof, by Landlord shall not prevent Landlord from exercising any other right or remedy provided by this Lease or by any applicable law, it being intended that Landlord shall not first be required to proceed against the L-C, and shall not operate as a limitation on any recovery to which Landlord may otherwise be entitled. Tenant agrees not to interfere in any way with payment to Landlord of the proceeds of the L-C, either prior to or following a "draw" by Landlord of any portion of the L-C, regardless of whether any dispute exists between Tenant and Landlord as to Landlord's right to draw upon the L-C. No condition or term of this Lease shall be deemed to render the L-C conditional to justify the issuer of the L-C in failing to honor a drawing upon such L-C in a timely manner. Tenant agrees and acknowledges that (i) the L-C constitutes a separate and independent contract between Landlord and the Bank, (ii) Tenant is not a third party beneficiary of such contract, (iii) Tenant has no property interest whatsoever in the L-C or the proceeds thereof, and (iv) in the event Tenant becomes a debtor under any chapter of the Bankruptcy Code, neither Tenant, any trustee, nor Tenant's bankruptcy estate shall have any right to restrict or limit Landlord's claim and/or rights to the L-C and/or the proceeds thereof by application of Section 502(b)(6) of the U. S. Bankruptcy Code or otherwise.

21.4 **Letter of Credit not a Security Deposit**. Landlord and Tenant acknowledge and agree that in no event or circumstance shall the L-C or any renewal thereof or any proceeds thereof be (i) deemed to be or treated as a "security deposit" within the meaning of California Civil Code Section 1950.7, (ii) subject to the terms of such Section 1950.7, or (iii) intended to serve as a

"security deposit" within the meaning of such Section 1950.7. The parties hereto (A) recite that the L-C is not intended to serve as a security deposit and such Section 1950.7 and any and all other laws, rules and regulations applicable to security deposits in the commercial context ("**Security Deposit Laws**") shall have no applicability or relevancy thereto and (B) waive any and all rights, duties and obligations either party may now or, in the future, will have relating to or arising from the Security Deposit Laws.

21.5 **Proceeds of Draw**. In the event Landlord draws down on the L-C pursuant to Section 21.3 above, the proceeds of the L-C may be held by Landlord and applied by Landlord against any Rent payable by Tenant under this Lease that is not paid when due and/or to pay for all losses and damages that Landlord has suffered or that Landlord reasonably estimates that it will suffer as a result of any breach or default by Tenant under this Lease. Any unused proceeds need not be segregated from Landlord's other assets. Tenant hereby (i) agrees that such proceeds shall not be deemed to be or treated as a "security deposit" under the Security Deposit Laws, and (ii) waives all rights, duties and obligations either party may now or, in the future, will have relating to or arising from the Security Deposit Laws, Landlord agrees that the amount of any proceeds of the L-C received by Landlord, and not (a) applied against any Rent payable by Tenant under this Lease that was not paid when due or (b) used to pay for any losses and/or damages suffered by Landlord (or reasonably estimated by Landlord that it will suffer) as a result of any breach or default by Tenant under this Lease (the "**Unused L-C Proceeds**"), shall be paid by Landlord to Tenant (x) upon receipt by Landlord of a replacement L-C in the full L-C Amount, which replacement L-C shall comply in all respects with the requirements of this Article 21, or (y) within thirty (30) days after the LC Expiration Date; provided, however, that If prior to the LC Expiration Date a voluntary petition is filed by Tenant, or an involuntary petition is filed against Tenant by any of Tenant's creditors, under the Bankruptcy Code, then Landlord shall not be obligated to make such payment in the amount of the Unused L-C Proceeds until either all preference issues relating to payments under this Lease have been resolved in such bankruptcy or reorganization case or such bankruptcy or reorganization case has been dismissed.

21.6 **Bank Placed Into Receivership**.

21.6.1 **Bank Placed Into Receivership**. In the event the Bank is placed into receivership or conservatorship (any such event, a "**Receivership**") by the Federal Deposit Insurance Corporation or any successor or similar entity (the "**FDIC**"), then, effective as of the date such Receivership occurs, the L-C shall be deemed to not meet the requirements of this Article 21, and, within ten (10) days following Landlord's notice to Tenant of such Receivership (the "**LC Replacement Notice**"), Tenant shall (1) replace the L-C with a substitute L-C from a different issuer reasonably acceptable to Landlord and that complies in all respects with the requirements of this Article 21 or (ii), in the event Tenant demonstrates to Landlord that Tenant is reasonably unable to obtain a substitute L-C from a different issuer reasonably acceptable to Landlord and that complies in all respects with the requirements of this Article 21 within the foregoing ten (10) day period, deposit with Landlord cash in the L-C Amount (the "**Interim Cash Deposit**"); provided, however, that, in the case of the foregoing sub-clause (ii), Tenant shall, within sixty (60) days after the LC Replacement Notice, replace the L-C with a substitute L-C from a different issuer reasonably acceptable to Landlord and that complies in all respects with the requirements of this Article 21, and upon Landlord's receipt and acceptance of such replacement L-C, Landlord shall return to Tenant the Interim Cash Deposit, with no obligation on the part of

Landlord to pay any interest thereon. If Tenant fails to comply in any respect with the requirements of this Section 21.6.1, then, notwithstanding anything in this Lease to the contrary, Landlord shall have the right to (a) declare Tenant in default of this Lease for which there shall be no notice or grace or cure periods being applicable thereto other than the aforesaid ten (10) day and sixty (60) day periods, (b) if applicable, retain such Interim Cash Deposit until such time as such default is cured by Tenant, which retention shall not constitute a waiver of any right or remedy available to Landlord under the terms of this Lease or at law, and (c) pursue any and all remedies available to it under this Lease and at law, including, without limitation, if Tenant has failed to provide the Interim Cash Deposit, treating any Receivership as a Bank Credit Threat and exercising Landlord's remedies under Section 21.2.5 above, to the extent possible pursuant to then existing FDIC policy. Tenant shall be responsible for the payment of any and all costs incurred with the review of any replacement L-C (including without limitation Landlord's reasonable attorneys' fees), which replacement is required pursuant to this Section or is otherwise requested by Tenant.

21.6.2 **Interim Cash Deposit**. During any period that Landlord remains in possession of the Interim Cash Deposit (any such period, a "**Deposit Period**"), it is understood by the parties that such Interim Cash Deposit shall be held by Landlord as security for the full and faithful performance of Tenant's covenants and obligations under this Lease. The Interim Cash Deposit shall not constitute an advance of any Rent, an advance payment of any other kind, nor a measure of Landlord's damages in case of Tenant's default. If, during any such Deposit Period, Tenant defaults with respect to any provisions of this Lease, including, but not limited to, the provisions relating to the payment of Rent, the removal of property and the repair of resultant damage, then Landlord may but shall not be required to, from time to time, without notice to Tenant and without waiving any other remedy available to Landlord, use the interim Cash Deposit, or any portion of it, to the extent necessary to cure or remedy such default or failure or to compensate Landlord for all damages sustained by Landlord or which Landlord reasonably estimates that it will sustain resulting from Tenant's default or failure to comply fully and timely with its obligations pursuant to this Lease. Tenant shall immediately pay to Landlord on demand any amount so applied in order to restore the Interim Cash Deposit to its original amount, and Tenant's failure to immediately do so shall constitute a default under this Lease, In the event Landlord is in possession of the Interim Cash Deposit at the expiration or earlier termination of this Lease, and Tenant is in compliance with the covenants and obligations set forth in this Lease at the time of such expiration or termination, then Landlord shall return to Tenant the Interim Cash Deposit, less any amounts deducted by Landlord to reimburse Landlord for any sums to which Landlord is entitled under the terms of this Lease, within thirty (30) days following both such expiration or termination and Tenant's vacation and surrender of the Premises. Landlord's obligations with respect to the Interim Cash Deposit are those of a debtor and not a trustee. Landlord shall not be required to maintain the Interim Cash Deposit separate and apart from Landlord's general or other funds, and Landlord may commingle the Interim Cash Deposit with any of Landlord's general or other funds. Tenant shall not at any time be entitled to interest on the Interim Cash Deposit. In the event of a transfer of Landlord's interest in the Building, Landlord shall transfer the Interim Cash Deposit, in whole or in part, to the transferee and thereupon Landlord shall, without any further agreement between the parties, be released by Tenant from all liability therefor, and it is agreed that the provisions hereof shall apply to every transfer or assignment of the whole or any portion of said Interim Cash Deposit to a new landlord. Tenant hereby waives the provisions of Section 1950.7 of the California Civil Code, or any successor statute.

21.7 **Reduction of L-C Amount**. Provided that Tenant is not in Default of this Lease as of the then applicable "Reduction Date," as set forth below, the L-C Amount shall be reduced as of such Reduction Date by an amount equal to the "LC Reduction Amount", as that term is defined, below. Such reduction of the L-C Amount, if applicable, shall be effectuated by means of an amendment to the L-C (in form and content satisfactory to Landlord, in Landlord's reasonable discretion) implemented following the applicable Reduction Date, If Tenant is in Default of this Lease as of a Reduction Date, the L-C Amount shall not be reduced unless and until Tenant is no longer in Default of this Lease, at which time the L-C Amount shall be reduced to the amount it would have been reduced had Tenant not be in Default as of the applicable Reduction Date, subject to and in accordance with the terms of this Section 21.7. For purposes of this Lease, (i) a "**Reduction Date**" shall mean each of the third (3rd), fourth (4th) and fifth (5th) anniversaries of the Lease Commencement Date, and (ii) the "**LC Reduction Amount**" shall mean $750,000.00 in connection with the reduction of the L-C Amount on the first (1st) Reduction Date and $250,000.00 in connection with the reduction of the L-C Amount of the second (2nd) and third (3rd) Reduction Dates. Notwithstanding anything contained herein to the contrary, in no event shall the L-C Amount be less than $250,000.00.

ARTICLE 22

COMPETITOR RESTRICTIONS

Subject to existing tenants' of the Project's rights, so long as (i) the Original Tenant is occupying and conducting "Tenant's Primary Business," as that term is defined, below, from at least seventy-five percent (75%) of the rentable square footage of the Premises as then comprised (e.g., Must-Take Premises 1 shall not be a part of the Premises for such determination until the Must-Take Premises 1 Commencement Date), and (ii) the Original Tenant is not in Default of this Lease, in no event shall Landlord, following the date of this Lease, enter into a direct lease, or consent to a sublease or assignment over which Landlord has consent rights that would allow Landlord to withhold its consent, for any space in the Project to a "Competitor," as that term is defined below. In no event shall a party succeeding to any tenant's or subtenant's interest in any lease or sublease as a result of a merger, acquisition, consolidation or similar transaction, be deemed to cause a violation of the terms of this Article 22. "**Competitors**" shall mean the following companies, along with wholly owned subsidiaries or affiliates of such companies whose primary business is directly competitive with the business being operated by Tenant in the Premises:

1. FieldEdge, LLC
2. SuccessWare, Inc.
3. HouseCall Pro (Codefied Inc.)

For purposes of this Lease, "**Tenant's Primary Business**" shall mean field services software company, Tenant shall have the right upon delivery of written notice to Landlord not more than once every three (3) years, to add a new Competitor company, that is in direct competition with Tenant's Primary Business to the same extent and in the same manner as the initial Competitors, provided that for each new Competitor added to the list, Tenant will be required to remove one (1) Competitor from the previously existing list. At any time, Landlord shall have the right, at Landlord's sole option, to deliver notice to Tenant requesting Tenant provide an update, if desired

by Tenant, to the then Competitors (subject to the limitations and requirements of this Article 22). Within ten (10) business days following receipt of such notice, Tenant may change the then Competitors (subject to the limitations and requirements of this Article 22) and, whether or not Tenant shall change the then Competitors as permitted hereunder, notwithstanding anything in this Article 22 to the contrary, Tenant shall have no right to change the Competitors for a period of twelve (12) months following the expiration of such 10-business day period.

ARTICLE 23

SIGNS

23.1 **Full Floors**. Subject to Landlord's prior written approval, in its reasonable discretion, and provided all signs are in keeping with the quality, design and style of the Building and Project, Tenant, with regard to any portion of the Premises that comprises an entire floor of the Building, at its sole cost and expense, may install identification signage anywhere in the Premises including in the elevator lobby of the Premises, provided that such signs must not be visible from the exterior of the Building.

23.2 **Multi-Tenant Floors**. Except with respect to the Ground Floor Premises (which is addressed in Section 23.3, below), if other tenants occupy space on the floor on which the Premises is located, Tenant's identifying signage shall be provided by Landlord, at Tenant's cost, and such signage shall be comparable to that used by Landlord for other similar floors in the Building and shall comply with Landlord's then-current Building standard signage program.

23.3 **Ground Floor Premises**. With respect to the Ground Floor Premises, Tenant shall be permitted, at Tenant's sole cost and expense, to install signage (the "**Ground Floor Premises Identification Signage**") generally in the location and of the size depicted on **Exhibit I**, attached hereto, the parties hereby agreeing that the exact location and size shall be approved by Landlord during final lobby design. Subject to the foregoing, all specifications relating to the Ground Floor Premises Identification Signage shall be subject to Landlord's reasonable approval. Tenant shall not be entitled to any other or additional signage relating to or visible from the exterior of the Ground Floor Premises.

23.4 **Prohibited Signage and Other Items**. Any signs, notices, logos, pictures, names or advertisements which are installed and that have not been separately approved by Landlord may be removed without notice by Landlord at the sole expense of Tenant. Subject to the terms of Sections 23.5 and 23.6, below, Tenant may not install any signs on the exterior or roof of the Project or the Common Areas. Any signs, window coverings, or blinds (even if the same are located behind the Landlord-approved window coverings for the Building), or other items visible from the exterior of the Premises or Building, shall be subject to the prior approval of Landlord, in its sole discretion.

23.5 **Building Ton Sign**. For so long as the "Building Top Sign Condition," as that term is defined, below, shall be satisfied, subject to the terms of this Section 23.5 and Applicable Laws, the Original Tenant or an Affiliate Assignee, as the case may be, only shall have the right to have one (1) sign at the top of both the east and west sides of the Building (the "**Building Top Signs**"). Subject to the terms of this Section 23.5, Landlord hereby acknowledges and agrees that no other

tenant, nor any third party, shall be permitted to have a sign at the top of the Building so long as Tenant maintains the right to the Building Top Signs pursuant to the terms of this Section 23.5. Notwithstanding anything, contained in this Section 23.5 to the contrary, Landlord and Tenant hereby acknowledge and agree that an existing tenant of the Building (the "**Existing Tenant**") retains the right to Building top signs as of the date of this Lease (the "**Existing Building Top Signage**") and that the Existing Tenant's lease expires as of February 28, 2019 (the "**Existing Lease Expiration Date**"). Following the Existing Lease Expiration Date, Landlord shall use diligent efforts to have the Existing Building Top Signage removed. Notwithstanding anything in this Section 23.5 to the contrary, Tenant's right to install the Building Top Sign shall commence thirty (30) days following the removal of the Existing Building Top Signage. Tenant shall have the right, from time to time following the Existing Lease Expiration Date, to inquire of Landlord as to the then current status of the removal of the Existing Building Top Signage and Landlord shall promptly respond to Tenant. Subject to the terms hereof, in the event the removal of the Existing Building Top Signage has not occurred on or before September 1, 2019 (the "**Initial Signage Removal Deadline Date**"), then (i) Tenant may deliver notice thereof to Landlord, and (ii) if removal of the Existing Building Top Signage has not occurred within thirty (30) days following receipt of such notice (the last day of such 30-day period to be referred to herein as the "**Final Signage Removal Deadline Date**"), then, commencing as of the Final Signage Removal Deadline Date and continuing until the date of the removal of the Existing Building Top Signage, provided that Tenant is not in Default of this Lease, as Tenant's sole remedy, Tenant shall be entitled to a twenty percent (20%) abatement of the Base Rent due under this Lease. Notwithstanding the foregoing, the Initial Signage Removal Deadline Date and the Final Signage Removal Deadline Date shall each be extended on a day-for-day basis to the extent removal of the Existing Building Top Signage is delayed due to Force Majeure, which shall be deemed to include, without limitation, delays in obtaining permits or other governmental approvals associated with the removal of the Existing Building Top Signage. In connection with Tenant's right to the Building Top Sign(s), Landlord and Tenant hereby acknowledge and agree that (i) the size, materials, lettering, design, content and all other specifications relating to the Building Top Sign(s) shall be subject to Landlord's prior written consent (provided that Landlord hereby agrees that (a) the Building Top Sign(s) may include Tenant's name and logo and Landlord hereby approves the signage set forth on **Exhibit N**, attached hereto), and (b) may or may not be illuminated at Tenant's election (provided that Tenant shall be responsible for all utilities costs associated with any illumination of the Building Top Sign(s)), which consent shall not be unreasonably withheld; (iii) the Building Top Signs shall be located within the area depicted on **Exhibit O**, attached hereto (the "**Tenant Sign Area**"), and no portion of the Building Top Signs shall extend beyond or outside of the Tenant Sign Area, (iv) the Building Top Sign(s) shall comply with all Applicable Laws; (v) Tenant's right to the Building Top Sign(s) shall be personal to the Original Tenant or an Affiliate Assignee, as the case may be (and may not be exercised by any other assignee or any sublessee or any other person or entity); and (vi) Tenant's continuing right to the Building Top Sign(s) shall be contingent on Tenant's actually occupying at least seventy-five percent (75%) of the rentable square footage of the Premises (and, accordingly, Tenant's rights hereunder shall terminate at such time, if applicable, as Tenant shall fail to actually occupy at least seventy-five percent (75%) of the rentable square footage of the Premises). For purposes of the foregoing, Tenant shall be deemed to be in occupancy of space so long as Tenant has not subleased, licensed or otherwise granted third party occupancy rights with respect to space. In no event shall the Building Top Sign(s) include a name or logo which relates to an entity which is of a character or reputation, or

is associated with a political faction or orientation, which is inconsistent with the first class quality of the Project, or which would reasonably offend a landlord of the Comparable Buildings, or which includes the name of a foreign country, provided that Landlord hereby approves Tenant's name and logo as set forth on **Exhibit N**, attached hereto. Tenant shall be responsible for obtaining any applicable permits or other governmental approval(s) applicable to or required for the Building Top Sign(s) (and acknowledges that such permits or approvals shall not be a condition to the effectiveness of this Lease). Further, Tenant shall be responsible for all costs incurred in connection with the design, construction, installation, maintenance and repair, compliance with law and removal of the Building Top Sign(s). Upon the expiration or earlier termination of this Lease (or upon any earlier termination of Tenant's right the Building Top Sign(s) pursuant to the terms hereof), Tenant shall, at Tenant's sole cost and expense, remove the Building Top Sign(s) from the Building, repair all damage resulting from the installation, use and removal of the Building Top Sign(s), and restore all affected areas to the condition existing prior to Tenants installation of the Building Top Sign(s), reasonable wear and tear excepted. COMPLIANCE WITH LAW

24.1 **In General**. Landlord shall comply with all Applicable Laws (including, without limitation, laws relating to hazardous materials (as defined by Applicable Laws)) relating to the Building Structure, Building Systems, and Common Areas, provided that compliance with such Applicable Laws is not the responsibility of Tenant under this Lease, and provided further that Landlord's failure to comply therewith would prohibit Tenant from obtaining a building permit, obtaining or maintaining a certificate of occupancy for the Premises, or would unreasonably and materially affect the safety of Tenant's employees or create a significant health hazard for Tenant's employees. Landlord shall be permitted to include in Operating Expenses any costs or expenses incurred by Landlord under this Article 24 to the extent not prohibited by the terms of **Exhibit G** attached hereto. As required by Section 1938(e) of the California Civil Code, Landlord hereby states as follows: "A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises." In furtherance of the foregoing, notwithstanding anything in this Article 24 to the contrary, Landlord and Tenant hereby agree as follows: (a) any CASp inspection requested by Tenant shall be conducted, at Tenant's sole cost and expense, by a CASp designated by Landlord, and only in accordance with Landlord's reasonable rules and requirements; and (b) Tenant, at its cost, is responsible for making any repairs within the Premises to correct violations of construction-related accessibility standards; and, if anything done by or for Tenant in its use or occupancy of the Premises (other than typical general office use and improvement of the Premises) shall require repairs to the Building or Project (outside the Premises) to correct violations of construction-related accessibility standards, then Tenant shall reimburse Landlord upon demand, as Additional Rent, for the cost to Landlord of performing such repairs.

Tenant shall not use the name of the Project or Building or use pictures or illustrations of the Project or Building in advertising or other publicity or for any purpose other than as the address of the business to be conducted by Tenant in the Premises, without the prior written consent of Landlord.

29.27 **Counterparts**. This Lease may be executed in counterparts with the same effect as if both parties hereto had executed the same document. Both counterparts shall be construed together and shall constitute a single lease.

29.28 **Intentionally Deleted**.

29.29 **Development of the Project**.

29.29.1 **Subdivision**. Landlord reserves the right to further subdivide all or a portion of the Project. Tenant agrees to execute and deliver, upon demand by Landlord and in the form reasonably requested by Landlord, any additional documents needed to conform this Lease to the circumstances resulting from such subdivision.

29.29.2 **The Other Improvements**. 29.29.3 **Construction of Project and Other Improvements**. Tenant acknowledges that portions of the Project and/or the Other improvements may be under construction following Tenant's occupancy of the Premises, and that such construction may result in levels of noise, dust, odor, obstruction of access, etc. which are in excess of that present in a fully constructed project. Except as expressly set forth in Section 19.5.2, above, Tenant hereby waives any and all rent offsets or claims of constructive eviction which may arise in connection with such construction. including portions of the common areas, or perform work in the Building, which work may create noise, dust or leave debris in the Building. Tenant hereby agrees that such Renovations and Landlord's actions in connection with such Renovations shall in no way constitute a constructive eviction of Tenant nor entitle Tenant to any abatement of Rent, except as provided in Section 19.5.2, above, provided that in connection with any such Renovations, Landlord shall use commercially reasonable efforts to minimize interference with the conduct by Tenant of its business from the Building. Landlord shall have no responsibility or for any reason be liable to Tenant for any direct or indirect injury to or interference with Tenant's business arising from the Renovations.

29.31 **No Violation**. Tenant hereby warrants and represents that neither its execution of nor performance under this Lease shall cause Tenant to be in violation of any agreement, instrument, contract, law, rule or regulation by which Tenant is bound, and Tenant shall protect, defend, indemnify and hold Landlord harmless against any claims, demands, losses, damages, liabilities, costs and expenses, including, without limitation, reasonable attorneys' fees and costs, arising from Tenant's breach of this warranty and representation.

Accordingly, references herein to the "Premises" shall, in connection with the design and construction of the Initial Premises, mean the Initial Premises, in connection with the design and construction of Must-Take Premises 1, mean the Must-Take Premises 1, and in connection with the design and construction of Must-Take Premises 2, mean Must-Take Premises 2. This Tenant Work Letter is essentially organized chronologically and addresses the issues of the construction of the Premises, in sequence, as such issues will arise during the actual construction of the Premises. All references in this Tenant Work Letter to Articles or Sections of "this Lease" shall mean the relevant portions of Articles 1 through 29 of the Office Lease to which this Tenant Work Letter is attached as **Exhibit B** and of which this Tenant Work Letter forms a part, and all references in this Tenant Work Letter to Sections of "this Tenant Work Letter" shall mean the relevant portion of Sections 1 through 5 of this Tenant Work Letter.

SECTION 1

DELIVERY OF THE PREMISES

1.1 Condition of Premises. Subject to the terms of this Section 1, below, Tenant shall accept the Premises from Landlord in their existing, "as-is" condition as of the date of Landlord's delivery thereof.

1.2 Delivery Condition. Upon Landlord's delivery of the Initial Premises, Must-Take Premises 1 and Must-Take Premises 2, as the case may be, to Tenant, Landlord shall cause the Base Building with respect to the then applicable portion of the Premises to contain the items set forth on Schedule 3 attached to this **Exhibit B** in good working order and structurally sound condition, and shall cause the subject space to be free of personal property, all at Landlord's sole cost and expense (the "**Delivery Condition**").

1.3 Demising Work.

1.3.1 Ground Floor Premises. Landlord, at Landlord's sole cost and expense, prior to Landlord's delivery of the Ground Floor Premises, (i) shall construct full-height demising partitions with sound attenuating insulation, acoustically lined return air boots (the "**Ground Floor Demising Walls**") and seal all penetrations, and (ii) shall separate all systems on a commercially reasonable basis such that the Ground Floor Premises shall operate independently from other space on the ground floor not leased by Tenant (collectively, the "**Ground Floor Demising Work**"). The Ground Floor Demising Walls shall be framed, drywalled, and level 4 finish taped on the interior, Ground Floor Premises side thereof. Subject to the express terms of this Section 1.3.1, the Ground Floor Demising Work shall be consistent with Building standards. Except as otherwise specifically set forth herein, the Ground Floor Demising Work shall be a part of the "Delivery Condition" required in connection with the Ground Floor Premises.

1.3.2 Basement Premises. Except as otherwise specifically set forth herein below, Landlord, at Landlord's sole cost and expense, prior to Landlord's delivery of the Basement Premises (i) shall construct full-height demising partitions with insulation (the "**Basement Demising Walls**"), and (ii) separate all systems on a commercially reasonable basis such that the Basement Premises shall operate independently from other space in the basement not leased by Tenant (collectively, the "**Basement Demising Work**"). The Basement Demising Walls shall be framed, drywalled, and level 4 finish toped on the interior, Basement Premises side thereof. Subject to the express terms of this Section 1.3.2, the Basement Demising Work shall be consistent with Building standards. Except as otherwise specifically set forth herein, the Basement Demising Work shall be a part of the "Delivery Condition" required in connection with the Basement Premises, Notwithstanding anything in this Section 1.3.2 to the contrary, in no event shall the Basement Demising Work require Landlord to perform Basement Demising Work with respect to any Initial Premises Basement Premises (or to otherwise construct walls or separate any Initial Premises Basement Premises for Tenant), Tenant hereby agreeing that (a) Tenant shall be responsible for any such work (and any other desired improvements in the Initial Premises Basement Premises), subject to and in accordance with the terms of this Tenant Work Letter, and (b) no work shall be required under this Section 1.3.2 to satisfy Landlord's obligation with respect to the Delivery Condition for any Initial Premises Basement Premises.

Except as otherwise specifically set forth herein below, Landlord shall, at Landlord's sole cost and expense, and as a requirement of the Delivery Condition applicable to the Ground Floor Premises and the Basement Premises, perform the "Demo Work," as that term is defined, below, in the Ground Floor Premises and the Basement Premises. For purposes of this Tenant Work Letter, the "Demo Work" shall mean all demolition work necessary to allow commencement of construction of the Tenant Improvements from a "shell" condition, including, without limitation, demolition of all tenant improvements, interior walls, ceiling systems, lighting and cabling; provided, however, that Tenant shall have the right, by notice to Landlord within sixty (60) days following the date of this Lease, to specifically identify components of the Basement Premises that Tenant desires not be demo'd (the "Proposed Retained Improvements"), in which event, subject to the terms hereof, the Proposed Retained Improvements shall be excluded from Landlord's obligations hereunder. Landlord's payment of such amounts shall not be deemed Landlord's approval or acceptance of the work furnished or materials supplied as set forth in Tenant's payment request.

2.2.2.2 Final Retention. Subject to the provisions of this Tenant Work Letter, a check for the Final Retention payable to Tenant (or such of Tenant's Agents as requested by Tenant) shall be delivered by Landlord to Tenant following the completion of construction of the Premises, provided that (i) Tenant delivers to Landlord properly executed Releases, (ii) Landlord has determined that there are no substandard conditions, or material deviations from the Approved Working Drawings, (iii) Architect delivers to Landlord a certificate, in a form reasonably acceptable to Landlord, certifying that the construction of the Tenant Improvements in the Premises has been substantially completed, (iv) Tenant delivers to Landlord the "Record Set" of documents as defined in Section 4.3 below, and (v) Tenant delivers to Landlord one (1) copy (in both paper form and electronic form) of the closedose-out package containing the applicable items outlined in **Schedule 2** attached hereto.

Notwithstanding the foregoing, if during either the 30-day or 5-day period set forth above, Landlord (i) delivers notice to Tenant that it reasonably and in good faith disputes any portion of the amounts claimed to be due (the "**Allowance Dispute Notice**"), and (ii) pays any amounts not in dispute, Tenant shall have no right to offset any amounts against rent, but may institute legal action to recover such amounts from Landlord. 27. Tenant hereby acknowledges that Landlord shall have no obligation to provide guard service or other security measures for the benefit of the Premises, the Building or the Project; provided that the foregoing shall not serve to limit or alter Landlord's obligations pursuant to the terms of Section 6.1.5 of the Lease. Tenant hereby assumes all responsibility for the protection of Tenant and its agents, employees, contractors, invitees and guests, and the property thereof, from acts of third parties, including keeping doors locked and other means of entry to the Premises closed. Tenant further assumes the risk that any safety and security devices, services and programs which Landlord elects, in its sole discretion, to provide (provided that the foregoing shall not serve to limit or alter Landlord's obligations pursuant to the terms of Section 6.1.5 of the Lease) may not be effective, or may malfunction or be circumvented by an unauthorized third party, and Tenant shall, in addition to its other insurance obligations under this Lease, obtain its own insurance coverage to the extent Tenant desires protection against losses related to such occurrences. Tenant shall cooperate in any reasonable safety or security program developed by Landlord or required by law.

28. To the extent reasonably required by Landlord, equipment shall be placed by Tenant in the Premises in settings that absorb or prevent any vibration, noise and annoyance.

29. Tenant shall not use in any space or in the public halls of the Building, any hand trucks except those equipped with rubber tires and rubber side guards or as otherwise approved by Landlord, in Landlord's reasonable discretion.

30. No auction, liquidation, fire sale, going-out-of-business or bankruptcy sale shall be conducted in the Premises without the prior written consent of Landlord.

31. No tenant shall use or permit the use of any portion of the Premises for living quarters, sleeping apartments or lodging rooms.

Landlord reserves the right at any time to change or rescind any one or more of these Rules and Regulations, or to make such other and further reasonable Rules and Regulations as in Landlord's judgment may from time to lime be necessary for the management, safety, care and cleanliness of the Premises, Building, the Common Areas and the Project, and for the preservation

of good order therein, as well as for the convenience of other occupants and tenants therein. Landlord may waive any one or more of these Rules and Regulations for the benefit of any particular tenants, but no such waiver by Landlord shall be construed as a waiver of such Rules and Regulations in favor of any other tenant, nor prevent Landlord from thereafter enforcing any such Rules or Regulations against any or all tenants of the Project.

1.1 **Definitions of Key Terms Relating to Additional Rent**. As used in this **Exhibit G**, the following terms shall have the meanings hereinafter set forth:

1.1.1 "**Base Year**" shall mean the period set forth in Section 5 of the Summary.

1.1.2 "**Direct Expenses**" shall mean "Operating Expenses" and "Tax Expenses."

1.1.3 "**Expense Year**" shall mean each calendar year in which any portion of the Lease Term falls, through and including the calendar year in which the Lease Term expires, provided that Landlord, upon notice to Tenant, may change the Expense Year from time to time, but not more than once in any twelve (12) month period, to any other twelve (12) consecutive month period, and, in the event of any such change, Tenant's Share of Direct Expenses shall be equitably adjusted for any Expense Year involved in any such change.

1.1.4 "**Operating Expenses**" shall mean except as set forth in this Section 1.1, all expenses, costs and amounts of every kind and nature which Landlord pays or accrues during any Expense Year because of or in connection with the ownership, management, maintenance, security, repair, replacement, renovation, restoration or operation of the Project, or any portion thereof, in accordance with sound real estate management and accounting practices, consistently applied. Without limiting the generality of the foregoing, Operating Expenses shall specifically include any and all of the following: (i) the cost of supplying all utilities, the cost of operating, repairing, replacing, maintaining, renovating and restoring the utility, telephone, mechanical, sanitary, storm drainage, and elevator systems, and the cost of maintenance and service contracts in connection therewith; (ii) the cost of licenses, certificates, permits and inspections and the cost of contesting any governmental enactments which are reasonably anticipated to reduce Operating Expenses (to the extent of reductions), and the costs incurred in connection with a governmentally mandated transportation system management program or similar program; (iii) the cost of all insurance carried by Landlord in connection with the Project; (iv) the cost of landscaping, relamping, and all supplies, tools, equipment and materials used in the operation, repair and maintenance of the Project, or any portion thereof; (v) costs incurred in connection with the parking areas servicing the Project; (vi) fees and other costs, including management fees, consulting fees, legal fees and accounting fees, of all contractors and consultants in connection with the management, operation, maintenance, replacement, renovation, repair and restoration of the Project; (vii) payments under any equipment rental agreements and the fair rental value of any management office space; (viii) wages, salaries and other compensation and benefits, including taxes levied thereon, of all persons (other than persons generally considered to be higher in rank than the position of "Project Manager" or "Building Manager") engaged in the operation, maintenance and security of the Project; (ix) intentionally omitted; (x) operation, repair, maintenance, renovation, replacement and restoration (subject to item "xiii" below) of all systems and equipment and components thereof of the Project; (xi) the cost of janitorial, alarm, security and other services, replacement, renovation, restoration and repair of wall and floor coverings, ceiling tiles and fixtures in common areas, maintenance, replacement, renovation, repair and restoration of curbs and walkways, and repair to roofs; (xii) amortization (including interest on the amortized cost at the Interest Rate) of the cost of acquiring or the rental expense of personal property used in the maintenance, operation and repair of the Project, or any portion thereof (which amortization calculation shall include interest at the "Interest Rate," as that term is set forth in Article 25 of this Lease); (xiii) the cost of capital improvements or other costs incurred in connection with the Project (A) that are reasonably anticipated by Landlord to effect economies in the operation or maintenance of the Project, or any portion thereof, to the extent of the reasonably anticipated savings, (B) that are required under any governmental law or regulation enacted after the date of this Lease; provided, however, that any capital expenditure shall be amortized with interest at the Interest Rate over its reasonable useful life as reasonably determined in accordance with sound real estate management and accounting practices, consistently applied, or with respect to those items included under item (A) above, their recovery/payback period as reasonably determined in accordance with sound real estate management and accounting practices, consistently applied; (xiv) costs, fees, charges or assessments imposed by, or resulting from any mandate

imposed on Landlord by, any federal, state or local government for fire and police protection, trash removal, community services, or other services which do not constitute "Tax Expenses" as that term is defined in Section 4.2.5, below; and (xv) payments under any easement, license, operating agreement, declaration, restrictive covenant, or instrument pertaining to the sharing of costs by the Project. Notwithstanding the foregoing, for purposes of this Lease, Operating Expenses shall not, however, include:

(a) costs incurred in connection with the original construction of the Project or in connection with any major change in the Project, such as adding or deleting floors;

(b) costs of the design and construction of tenant improvements to the Premises or the premises of other tenants or other occupants and the amount of any allowances or credits paid to or granted to tenants or other occupants for any such design or construction or any costs to supervise such tenant improvements;

(c) except as set forth in items (xii) and (xiii), above, depreciation, interest and principal payments on mortgages and other debt costs, if any;

(d) marketing costs, legal fees, space planners' and architects' fees, advertising and promotional expenses, and brokerage fees incurred in connection with the original development, subsequent improvement, or original or future leasing of the Project;

(e) costs for which the Landlord is reimbursed, or would have been reimbursed if Landlord had carried the insurance Landlord is required to carry pursuant to this Lease or would have been reimbursed if Landlord had used commercially reasonable efforts to collect such amounts, from any tenant or occupant of the Project or by insurance from its carrier or any tenant's carrier (except to the extent of the insurance deductible);

(f) insurance deductible amounts to the extent in excess of (1) with respect to earthquake insurance, $100,000 per occurrence, and (2) with respect to fire/casualty insurance, $50,000 per occurrence, provided that, if insurance deductibles at or below such amounts are no longer commercially reasonably available in the insurance market, such limits shall be raised to the level of the applicable insurance deductible reasonably obtained by Landlord with respect to the Building;

(g) any bad debt loss, rent loss, or reserves for bad debts or rent loss or any reserves of any kind;

(h) costs associated with the operation of the business of the partnership or entity which constitutes the Landlord, as the same are distinguished from the costs of operation of the Project, including partnership accounting and legal matters, costs of defending any lawsuits with any mortgagee (except as the actions of the Tenant may be in issue), costs of selling, syndicating, financing, mortgaging or hypothecating any of the Landlord's interest in the Project, and costs incurred in connection with any disputes between Landlord and its employees, between Landlord and Project management, or between Landlord and other tenants or occupants;

(i) the wages and benefits of any employee who does not devote substantially all of his or her employed time to the Project unless such wages and benefits are prorated to reflect time spent on operating and managing the Project vis-à-vis time spent on matters unrelated to operating and managing the Project; provided, that in no event shall Operating Expenses for purposes of this Lease include wages and/or benefits attributable to personnel above the level of senior property manager, portfolio manager or regional engineer;

(j) except as set forth in items (xii) and (xiii), above, late charges, penalties, liquidated damages, interest and other finance charges;

(k) amount paid as ground rental or as rental for the Project by the Landlord or under any mortgage or secured loan agreement;

(l) costs, including permit, license and inspection costs, incurred with respect to the installation of tenant improvements made for new tenants or other occupants in the Project or incurred in renovating or otherwise improving, decorating, painting or redecorating vacant space for tenants or other occupants of the Project (excluding, however, such costs relating to any common areas of the Project or parking facilities);

(m) costs of capital repairs and alterations, capital improvements and capital equipment, except as set forth in items (xii) and (xiii), above;

(n) any amount paid by Landlord or to the parent organization or a subsidiary or affiliate of the Landlord for supplies and/or services in the Project to the extent the same exceeds the costs of such supplies and/or services rendered by qualified, first-class unaffiliated third parties on a competitive basis;

(o) rentals and other related expenses incurred in leasing air conditioning systems, elevators or other equipment which if purchased the cost of which would be excluded from Operating Expenses as a capital cost, except equipment not affixed to the Project which is used for normal maintenance or similar services and, further excepting from this exclusion such equipment rented or leased to remedy or ameliorate an Emergency condition in the Project;

(p) all items and services for which Tenant, any other tenant in the Project, or any third party reimburses Landlord, provided that Landlord shall use commercially reasonable efforts to collect such reimbursable amounts, or which Landlord provides selectively to one or more tenants (other than Tenant) without reimbursement;

(q) costs, other than those incurred in ordinary maintenance and repair, for sculpture, paintings, fountains or other objects of art;

(r) tax penalties;

(s) fees and reimbursements payable to Landlord (including its parent organization, subsidiaries and/or affiliates) or by Landlord for management of the Project (collectively, the "**Management Fee**") which exceed three percent (3%) of the gross revenues of the Project, adjusted and grossed up to reflect a one hundred percent (100%) occupancy of the Project with all tenants paying rent, including base rent, pass-throughs, and parking fees for any calendar year or portion thereof;

(t) any costs expressly excluded from Operating Expenses elsewhere in this Lease;

(u) rent for any office space occupied by Project management personnel to the extent such office space is greater than 2,500 rentable square feet or the monthly rental for such space is greater than the rent being charged by landlords of Comparable Buildings;

(v) Landlord's general corporate overhead and general and administrative expenses;

(w) all assessments and premiums which are not specifically charged to Tenant because of what Tenant has done, which can be paid by Landlord in installments, shall be paid by Landlord in the maximum number of installments permitted by law (except to the extent inconsistent with the general practice of landlords of buildings comparable to and in the vicinity of the Building) and shall be included as Operating Expenses in the year in which the assessment or premium installment is actually paid;

(x) costs arising from the gross negligence or willful misconduct of Landlord;

(y) costs incurred to comply with Applicable Law with respect to hazardous materials, as defined by applicable law ("Hazardous Material"), which was in existence in the Building or on the Project or the groundwater under the Project prior to the date of this Lease, or is brought into the Building or onto the Project after the date hereof by Landlord or any other tenant of the Project or by anyone other than Tenant or Tenant Parties, or migrates from any other property;

(z) in-house legal and/or accounting (as opposed to office building bookkeeping) fees;

(aa) legal fees and costs, settlements, judgments or awards paid or incurred because of disputes between Landlord and Tenant, Landlord and other tenants or prospective occupants or prospective tenants/occupants or providers of goods and services to the Project;

(bb) legal fees and costs concerning the negotiation and preparation of this Lease or any litigation between Landlord and Tenant;

(cc) any reserves retained by Landlord;

(dd) costs arising from Landlord's charitable or political contributions;

(ee) any finders' fees, brokerage commissions, job placement costs or job advertising cost;

(ff) any above Building standard cleaning, including, but not limited to construction cleanup or special cleanings associated with parties/events;

(gg) the cost of any training or incentive programs, other than for tenant life safety information services;

(hh) costs of acquisition and/or development of adjacent properties; and

(ii) amounts incurred in connection with the provision of services, utilities or other benefits which are not provided to Tenant, or for which Tenant is charged directly, but which are provided to another tenant or occupant of the Project regardless of whether or not such amounts are recovered by Landlord.

If Landlord is not furnishing any particular work or service (the cost of which, if performed by Landlord, would be included in Operating Expenses) to a tenant who has undertaken to perform such work or service in lieu of the performance thereof by Landlord, Operating Expenses shall be deemed to be increased by an amount equal to the additional Operating Expenses which would reasonably have been incurred during such period by Landlord if it had at its own expense furnished such work or service to such tenant, If the Project is not one hundred percent (100%) occupied during all or a portion of the Base Year or any Expense Year, Landlord may elect (and with respect to the Base Year, shall elect) to make an appropriate adjustment to the components of Operating Expenses that vary based on the occupancy of the Project for such year to determine the amount of Operating Expenses that would have been incurred had the Project been one hundred percent (100%) occupied; and the amount so determined shall be deemed to have been the amount of Operating Expenses for such year. Operating Expenses for the Base Year shall include market-wide cost increases (including utility rate increases) due to extraordinary circumstances, including, but not limited to, Force Majeure, boycotts, strikes, conservation surcharges, embargoes or shortages, or amortized costs (the "**Temporary Costs**"), provided that at such time as such Temporary Costs are no longer included in Operating Expenses, such Temporary Costs shall be removed from the Base Year Operating Expenses. Landlord shall not (i) make a profit by charging items to Operating Expenses that are otherwise also charged separately to others and (ii) subject to Landlord's right to adjust the components of Operating Expenses described above in this paragraph, collect Operating Expenses from Tenant and all Other tenants in the Building in an amount in excess of what Landlord incurs for the items included in Operating Expenses.

In the event that Landlord provides a new type of service (as opposed to an expansion in scope of a service or a change in a type of service) which (i) is not governmentally required, (ii) is not provided by landlords of Comparable Buildings (and is not being provided in order to enhance the health, safety, or security of the tenants, occupants and users of the Building as a result of circumstances which Landlord reasonably believes are specific to the Building and which do not exist at or in Comparable Buildings), and (iii) was not provided by Landlord during the Base Year, then, during each Comparison Year in which such new service is provided, Operating Expenses for the Base Year shall be adjusted to an amount which would have been incurred had such service been provided by Landlord during the Base Year.

If Landlord does not carry earthquake insurance for the Building during the Base Year but subsequently obtains earthquake insurance for the Building during the Lease Term, then from and after the date upon which Landlord obtains such earthquake insurance and continuing throughout the period during which Landlord maintains such insurance, Operating Expenses for the Base Year shall be deemed to be increased by the amount of the premium Landlord would have incurred had Landlord maintained such insurance for the same period of time during the Base Year as such insurance is maintained by Landlord during such subsequent Expense Year.

Notwithstanding any provision to the contrary set forth in thisSection 4.2.4. in no event shall those components of Operating Expenses constituting "Controllable Expenses" (as defined below) in any particular Lease Year, increase by more five percent (5%) per year, cumulative and compounding. By way of example and not of limitation, if Controllable Expenses for the first Lease Year are $10.00 per rentable square foot, then Controllable Expenses for the second Lease Year shall not exceed $10.50 per rentable square foot; Controllable Expenses for the third Lease Year shall not exceed $11.03 per rentable square foot; and so on. For purposes of this Lease, "**Controllable Expenses**" shall mean all Operating Expenses, but not including (A) mandated increases in union labor costs as a result of collective bargaining agreements across multiple properties, (B) market-wide labor-rate increases due to extraordinary circumstances, including without limitation, boycotts and strikes, (C) costs incurred due to an event of Force Majeure, (D) costs incurred to comply with Applicable Laws, (E) any utility charges, (F) costs for insurance, and (G) Tax Expenses.

1.1.8 **Taxes**.

1.1.8.1 "**Tax Expenses**" shall mean all federal, state, county, or local governmental or municipal taxes, fees, charges or other impositions of every kind and nature, whether general, special, ordinary or extraordinary (including, without limitation, real estate taxes, general and special assessments, transit taxes, business taxes, leasehold taxes or taxes based upon the receipt of rent, including gross receipts or sales taxes applicable to the receipt of rent, unless required to be paid by Tenant, personal property taxes imposed upon the fixtures, machinery, equipment, apparatus, systems and equipment, appurtenances, furniture and other personal property used in connection with the Project, or any portion thereof), which shall be paid or accrued during any Expense Year (without regard to any different fiscal year used by such governmental or municipal authority) because of or in connection with the ownership, leasing and operation of the Project, or any portion thereof.

1.1.8.2 Tax Expenses shall include, without limitation: (i) Any tax on the rent, right to rent or other income from the Project, or any portion thereof, or as against the business of leasing the Project, or any portion thereof; (ii) Any assessment, tax, fee, levy or charge in addition to, or in substitution, partially or totally, of any assessment, tax, fee, levy or charge previously included within the definition of real property tax, it being acknowledged by Tenant and Landlord that Proposition 13 was adopted by the voters of the State of California in the June 1978 election ("**Proposition 13**") and that assessments, taxes, fees, levies and charges may be imposed by governmental agencies for such services as fire protection, street, sidewalk and road maintenance, refuse removal and for other governmental services formerly provided without charge to property owners or occupants, and, in further recognition of the decrease in the level and quality of governmental services and amenities as a result of Proposition 13, Tax Expenses shall also include any governmental or private assessments or the Project's contribution towards a governmental or private cost-sharing agreement for the purpose of augmenting or improving the quality of services and amenities normally provided by governmental agencies; (iii) Any assessment, tax, fee, levy, or charge allocable to or measured by the area of the Premises, the tenant improvements in the Premises, or the Rent payable hereunder, including, without limitation, any business or gross income tax or excise tax with respect to the receipt of such rent, or upon or with respect to the possession, leasing, operating, management, maintenance, alteration, repair, use or occupancy by Tenant of the Premises, or any

portion thereof; (iv) Any assessment, tax, fee, levy or charge, upon this transaction or any document to which Tenant is a party, creating or transferring an interest or an estate in the Premises; and (v) All of the real estate taxes and assessments imposed upon or with respect to the Building and all of the real estate taxes and assessments imposed on the land and improvements comprising the Project.

1.1.8.3 Any reasonable costs and expenses (including, without limitation, reasonable attorneys' and consultants' fees) incurred in attempting to protest, reduce or minimize Tax Expenses shall be included in Tax Expenses in the Expense Year such expenses are paid. Except as set forth in Section 1.1.8.4, below, refunds of Tax Expenses shall be credited against Tax Expenses and refunded to Tenant regardless of when received, based on the Expense Year to which the refund is applicable, provided that in no event shall the amount to be refunded to Tenant for any such Expense Year exceed the total amount paid by Tenant as Additional Rent for Tax Expenses under this Article 4 for such Expense Year. Subject to the terms of Section 1.1.8.4, below, in no event shall a reduction under Proposition 8 reduce Tax Expenses in the Base Year. If Tax Expenses for any period during the Lease Term or any extension thereof are increased after payment thereof for any reason, including, without limitation, error or reassessment by applicable governmental or municipal authorities, Tenant shall pay Landlord upon demand Tenant's Share of any such increased Tax Expenses included by Landlord as Building Tax Expenses pursuant to the terms of this Lease. Notwithstanding anything to the contrary contained in this Section 1.1.8 (except as set forth in Section 1.1.8.1, above), there shall be excluded from Tax Expenses (i) all excess profits taxes, franchise taxes, gift taxes, capital stock taxes, inheritance and succession taxes, estate taxes, federal and state income taxes, and other taxes to the extent applicable to Landlord's general or net income (as opposed to rents, receipts or income attributable to operations at the Project), (ii) any items included as Operating Expenses, and (iii) any items paid by Tenant under Section 4.2 of the Lease.

1.1.8.4 If in any Expense Year subsequent to the Base Year, the amount of Tax Expenses decreases below the amount of Tax Expenses incurred in the Base Year (the amount of such decrease in Tax Expenses below the Base Year Tax Expenses to be referred to herein as the "**Tax Decrease**"), then for purposes of such Expense Year(s), the Base Year Tax Expenses shall be decreased by an amount equal to the Tax Decrease.

1.1.9 Intentionally Omitted.

1.1.10 **Tenant's Share**. **"Tenant's Share"** shall mean the percentage set forth in Section 6 of the Summary.

1.2 **Cost Pools.** Landlord shall have the right, from time to time, to equitably and in good faith allocate some or all of the Direct Expenses for the Project among different portions or occupants of the Project (the "**Cost Pools**"), in Landlord's discretion. Such Cost Pools may include, but shall not be limited to, the office space tenants of a building of the Project or of the Project, and the retail space tenants of **a** building of the Project or of the Project. The Direct Expenses allocable to each such Cost Pool shall be allocated to such Cost Pool and charged to the tenants within such Cost Pool in an equitable manner.

1.3 **Calculation and Payment of Direct Expenses.** Subject to the last sentence of Section 4.1 of the Lease, if for any Expense Year ending or commencing within the Lease Term, Tenant's Share of Direct Expenses for such Expense Year exceeds Tenant's Share of Direct Expenses applicable to the Base Year, then Tenant shall pay to Landlord, in the manner set forth in Section 1.3.1, below, and as Additional Rent, an amount equal to the excess (the "**Excess**").

1.3.1 **Statement of Actual Building Direct Expenses and Payment by Tenant.** Landlord shall give to Tenant within one hundred fifty (150) days following the end of each Expense Year, a statement (the "**Statement**") which shall state in reasonable detail and on a line item basis the Direct Expenses incurred or accrued for the particular Expense Year, and which shall indicate the amount of the Excess. Upon receipt of the Statement for each Expense Year commencing or ending during the Lease Term, if an Excess is present, Tenant shall pay, within thirty (30) days after receipt of the Statement, the full amount of the Excess for such Expense Year, less the amounts, if any, paid during such Expense Year as "Estimated Excess," as that term is defined in Section 1.3.2, below, and if Tenant paid more as Estimated Excess than the actual Excess, Tenant shall receive a credit in the amount of Tenant's overpayment against Rent next due under this Lease. The failure of Landlord to timely furnish the Statement for any Expense Year shall not prejudice

Landlord or Tenant from enforcing its rights under this Exhibit G, Even though the Lease Term has expired and Tenant has vacated the Premises, when the final determination is made of Tenant's Share of Direct Expenses for the Expense Year in which this Lease terminates, if an Excess is present, Tenant shall, within thirty (30) days after receipt of the Statement, pay to Landlord such amount, and if Tenant paid more as Estimated Excess than the actual Excess, Landlord shall, within thirty (30) days, deliver a check payable to Tenant in the amount of the overpayment. The provisions of this Section 1.3.1 shall survive the expiration or earlier termination of the Lease Term. Notwithstanding the immediately preceding sentence, Tenant shall not be responsible for Tenant's Share of any Direct Expenses attributable to any Expense Year which are first billed to Tenant more than one (1) calendar year after the Lease Expiration Date, provided that in any event Tenant shall be responsible for Tenant's Share of Direct Expenses which (x) were levied by any governmental authority or by any public utility companies, and (y) Landlord had not previously received an invoice therefor and which are currently due and owing (i.e., costs invoiced for the first time regardless of the date when the work or service relating to this Lease was performed), at any time following the Lease Expiration Date which are attributable to any Expense Year (provided that Landlord delivers Tenant a bill for such amounts within one (I) year following Landlord's receipt of the bill therefor).

1.3.2 **Statement of Estimated Direct Expenses**. In addition, Landlord shall endeavor to give Tenant a yearly expense estimate statement (the "**Estimate Statement**") which shall set forth in general major categories Landlord's reasonable estimate (the "**Estimate**") of what the total amount of Direct Expenses for the then-current Expense Year shall be and the estimated excess (the "**Estimated Excess**") as calculated by comparing the Direct Expenses for such Expense Year, which shall be based upon the Estimate, to the amount of Direct Expenses for the Base Year, The failure of Landlord to timely furnish the Estimate Statement for any Expense Year shall not preclude Landlord from enforcing its rights to collect any Additional Rent under this Exhibit G nor shall Landlord be prohibited from revising any Estimate Statement or Estimated Excess theretofore delivered to the extent necessary. Thereafter, Tenant shall pay, within thirty (30) days after receipt of the Estimate Statement, a fraction of the Estimated Excess for the then-current Expense Year (reduced by any amounts paid pursuant to the second to last sentence of this Section 1.3.2). Such fraction shall have as its numerator the number of months which have elapsed in such current Expense Year, including the month of such payment, and twelve (12) as its denominator. Until a new Estimate Statement is furnished (which Landlord shall have the right to deliver to Tenant at any time), Tenant shall pay monthly, with the monthly Base Rent installments, an amount equal to one-twelfth (1/12) of the total Estimated Excess set forth in the previous Estimate Statement delivered by Landlord to Tenant. Throughout the Lease Term, Landlord shall maintain records with respect to Direct Expenses in accordance with sound real estate management and accounting practices, consistently applied.

1.4 **Intentionally Deleted**.

1.5 **Proposition 13 Protection**. Notwithstanding anything to the contrary contained in this Lease, in the event that, at any time during the first five (5)years of initial Lease Term, any sale, refinancing, or change in ownership of the Building or Project is consummated or a supplemental tax assessment results from Landlord's renovation of the Building pursuant to the terms of Section 1.1.6 of this Lease, and as a result thereof, and to the extent that in connection therewith, the Building or Project is reassessed (the "**Reassessment**") for real estate tax purposes by the appropriate governmental authority pursuant to the terms of Proposition 13, then the terms of this Section 1.5 shall apply to such Reassessment of the Building or Project

1.5.1 **Tax Increase**. For purposes of this Section 1.5, the term "**Tax Increase**" shall mean that portion of the Taxes, as calculated immediately following the Reassessment, which is attributable solely to the Reassessment. Accordingly, the term Tax Increase shall not include any portion of the Taxes, as calculated immediately following the Reassessment, which (i) is attributable to the initial assessment of the value of the Building or Project or the improvements located therein, (ii) is attributable to assessments which were pending immediately prior to the Reassessment, which assessments were conducted during, and included in, such Reassessment, or which assessments were otherwise rendered unnecessary following the Reassessment, (iii) is attributable to the annual inflationary increase of real estate taxes (as such increases are determined by statute from time to time). The Tax Increase shall not include any increase in taxes resulting from a change in applicable laws, or (iv) is attributable to Tax Expenses incurred during the Base Year (calculated without regard to the effect of Proposition 8).

1.5.2 **Protection.** Subject to the terms of this Section 1.5. a portion of the Tax Increase attributable to the Reassessment shall be excluded from Tax Expenses during the first five (5) years of the initial Term pursuant to the following schedule.

Lease Years	Portion of Tax Increase Excluded From Tax Expenses
1-3	100%
4-5	50%

For each Lease Year following the fifth (5th) Lease Year, Tenant shall **be** obligated to pay one hundred percent (100%) of any Tax Increase (regardless of whether the Tax Increase initially occurs before or after the expiration of the fifth Lease Year).

As an example only, in the event of a Reassessment on the first day of the 3rd Lease Year Tenant would not be responsible for the resulting Tax Increase in Lease Year three, would be responsible for 50% of the resulting Tax Increase during Lease Years four and five, and would be responsible for 100% of the resulting Tax Increase for the period following the expiration of the fifth Lease Year.

1.5.3 **Landlord's Right to Purchase the Prop 13 Protection Amount.** The amount of Tax Expenses which Tenant is not obligated to pay or will not be obligated to pay during the Lease Term in connection with a particular Reassessment pursuant to the terms of Section 1.5. shall be sometimes referred to hereafter as a **"Proposition 13 Protection Amount."** If the occurrence of a Reassessment is reasonably foreseeable by Landlord and the Proposition 13 Protection Amount attributable to such Reassessment can be reasonably quantified or estimated for each Lease Year commencing with the Lease Year in which the Reassessment will occur, the terms of this Section 1.5.3 shall apply to each such Reassessment. Upon Notice to Tenant, Landlord shall have the right to purchase the Proposition 13 Protection Amount relating to the applicable Reassessment (the "**Applicable Reassessment**"), at any time during the Lease Term, by paying to Tenant an amount equal to the "Proposition 13 Purchase Price," as that term Is defined in this Section 1. 5. 3. provided that the right of any successor of Landlord to exercise its right of repurchase hereunder shall not apply to any Reassessment which results from the event pursuant to which such successor of Landlord became the Landlord under this Lease, As used herein, **"Proposition 13 Purchase Price"** shall mean the present value of the Proposition 13 Protection Amount remaining during the Lease Term, as of the date of payment of the Proposition 13 Purchase Price by Landlord. Such present value shall be calculated (i) by using the portion of the Proposition 13 Protection Amount attributable to each remaining Lease Year (as though the portion of such Proposition 13 Protection Amount benefited Tenant at the end of each Lease Year), as the amounts to be discounted, and (ii) by using discount rates for each amount to be discounted equal to (A) the average rates of yield for United States Treasury Obligations with maturity dates as close as reasonably possible to the end of each Lease Year during which the portions of the Proposition 13 Protection Amount would have benefited Tenant, which rates shall be those in effect as of Landlord's exercise of its right to purchase, as set forth in this Section 1.5.3, plus (B) two percent (2%) per annum. Upon such payment of the Proposition 13 Purchase Price, the provisions of Section 1.5,2 of this **Exhibit G** shall not apply to any Tax Increase attributable to the Applicable Reassessment. Since Landlord is estimating the Proposition 13 Purchase Price because a Reassessment has not yet occurred, then when such Reassessment occurs, if Landlord has underestimated the Proposition 13 Purchase Price, then upon Notice by Landlord to Tenant, Landlord shall promptly pay to Tenant the amount of such underestimation, and if Landlord overestimates the Proposition 13 Purchase Price, then upon Notice by Landlord to Tenant, Rent next due shall be increased by the amount of such overestimation.

1.6 **Landlord's Books and Records.** In the event that Tenant disputes the amount of Additional Rent set forth in any annual Statement delivered by Landlord, then within one (1) year after receipt of such Statement by Tenant, Tenant shall have the right to notify Landlord in writing that it intends to cause an independent certified public accountant (which accountant must be qualified and experienced, must be employed by a firm which derives Its primary revenues from its accounting practice, and may not be retained by Tenant on a contingency fee basis) (the "**Third Party Auditor**") to inspect Landlord's accounting records at Landlord's office in the Building for the Expense Year covered by such

Statement during normal business hours ("**Tenant's Review**"), provided that as a condition precedent to any such inspection, (i) Tenant shall enter into a commercially reasonable confidentiality agreement, and (ii) Tenant shall deliver to Landlord a copy of Tenant's written agreement with such Third Party Auditor, which agreement shall include a provision which states that such Third Party Auditor shall maintain in strict confidence any and all information obtained in connection with the Tenant Review and shall not disclose such information to any person or entity other than to the management personnel of Tenant. Tenant shall provide Landlord with not less than two (2) weeks' prior written notice of its desire to conduct Tenant's review, In connection with the foregoing review, Landlord shall furnish Tenant with such reasonable supporting documentation relating to the subject Statement (and the Statement for the Base Year, provided that such supporting documentation relating to the Statement for the Base Year shall be for informational purposes only and not for the purpose of any audit of the Base Year Statement if the time period for Tenant's audit of the Base Year Statement shall have expired) as Tenant may reasonably request. In no event shall Tenant have the right to conduct Tenant's Review if Tenant is then in default under the Lease with respect to any of Tenant's monetary obligations (following the expiration of all notice and cure periods set forth in Article 19). including, without limitation, the payment by Tenant of all Additional Rent amounts described in the Statement which is the subject of Tenant's Review, which payment, at Tenant's election, may be made under dispute. In the event that Tenant shall fail to provide Landlord with written notification within one (1) year following receipt of a particular Statement of Tenant's desire to conduct a Tenant's Review, Tenant shall have no further right to dispute the amounts of Additional Rent set forth on such Statement. In the event that following Tenant's Review Tenant continues to dispute the amounts of Additional Rent shown on Landlord's Statement and Landlord and Tenant are unable to resolve such dispute, then Landlord shall cause a final and determinative audit to be made by an independent accountant mutually and reasonably agreed upon by Landlord and Tenant, of the proper amount of the disputed items and/or categories of Direct Expenses to be shown on such Statement (the "**Final Audit**"). The results of such Final Audit shall be conclusive and binding upon both Landlord and Tenant. If the resolution of the parties' dispute with regard to the Additional Rent shown on the Statement, whether pursuant to Tenant's Review or the Final Audit reveals an error in the calculation of Tenant's Share of Direct Expenses to be paid for such Expense Year, the parties' sole remedy shall be for the parties to make appropriate payments or reimbursements, as the case may be, to each other as are determined to be owing. Any such payments shall be made within thirty (30) days following the resolution of such dispute, along with interest at the "Interest Rate," as that term is defined in Article 25. below, from the date such amounts were originally due, until the date of such payment, provided that if Landlord fails to pay such amounts following an additional five (5) business days' notice from Tenant (delivered following the expiration of such 30-day period), at Tenant's election, Tenant may treat any overpayments (plus the interest described above) resulting from the foregoing resolution of such parties' dispute as a credit against Rent. Tenant shall be responsible for all costs and expenses associated with Tenant's Review and any Final Audit, provided that if the parties' final resolution of the dispute involves the overstatement by Landlord of Direct Expenses for such Expense Year in excess of five percent (5%), then Landlord shall be responsible for all reasonable, out-of-pocket costs and expenses associated with Tenant's Review and any Final Audit. If another tenant of the Building audits Direct Expenses for the Building and, as a result of that audit, Landlord discovers a material error in Direct Expenses previously paid or to be payable by Tenant, Landlord shall make an appropriate adjustment to Direct Expenses to correct such error and shall provide Tenant with supporting documentation of such error at the time of such correction.

MARKET RENT ANALYSIS

When determining Market Rent, the following rules and instructions shall be followed.

1. **RELEVANT FACTORS**. The "**Market Rent,**" as used in this Lease, shall be derived from an analysis (as such derivation and analysis are set forth in this **Exhibit H**) of the "Net Equivalent Lease Rates," of the "Comparable Transactions". The "**Market Rent**," as used in this Lease, shall be equal to the annual rent per rentable square foot, at which tenants, are, pursuant to transactions consummated within the period occurring within the twelve (12) month period prior to the commencement of the applicable Option Term or First Offer Term (provided that timing adjustments shall be made to reflect any changes in the Market Rent following the date of any particular Comparable Transaction up to the date of the commencement of the applicable Option Term or First Offer Term) leasing non-renewal, non-expansion, non-sublease, non-encumbered, non-equity office space comparable in location and quality to the Premises to be leased during the subject Option Term or First Offer Space, as the case may be, and consisting of lease transactions of comparable amounts of space for First Offer Space or the Premises to be leased during the subject Option Term, for a term of between and including five (5) and ten (10) years, in an arm's-length transaction, which comparable space is located in the "Comparable Buildings," as that term is defined in Section 4, below (transactions satisfying the foregoing criteria shall be known as the "**Comparable Transactions**"). In the event that the Premises to be leased by Tenant during an Option Term shall exceed 100,000 rentable square feet, the size requirement set forth above with regard to Comparable Transactions shall be considered satisfied with any Comparable Transaction in excess of 100,000 rentable square feet. The terms of the Comparable Transactions shall be calculated as a Net Equivalent Lease Rate pursuant to the terms of this **Exhibit H** and shall take into consideration only the following terms and concessions: (i) the rental rate and escalations for the Comparable Transactions, (ii) the amount of parking rent per parking permit paid in the Comparable Transactions, (iii) operating expense and tax protection granted in such Comparable Transactions such as a base year or expense stop and any limits/caps (e.g., Proposition 13 protection); (iv) rental abatement concessions, if any, being granted such tenants in connection with such comparable space, (v) tenant improvements or allowances provided or to be provided for such comparable space, taking into account the value of the existing improvements in the Premises to be leased during the subject Option Term or the First Offer Space, as the case may be, such value to be based upon the age, quality and layout of the improvements (and not considering the value of any improvements installed in the Premises to be leased during the subject Option Term by Tenant with funds in excess of the Tenant Improvement Allowance), (vi) consideration of the level of control and the usage rights of space and parking areas by Tenant, of the Project with respect to rights to use the Common Areas, rights to parking automobiles, and signage rights, (vii) brokerage commissions paid, and (viii) all other monetary and nonmonetary concessions, if any, being granted such tenants in connection with such Comparable Transactions; provided, however, that for an Option Term, but not a First Offer Term, no consideration shall be given to any period of rental abatement, if any, granted to tenants in Comparable Transactions in connection with the design, permitting and construction of tenant improvements in such comparable spaces. The Market Rent shall include adjustment of the stated size of the Premises to be leased during the subject Option Term or the First Offer Space, as the case may be based upon the standards of measurement (i.e., the ratio of rentable to usable square feet) utilized in the Comparable Transactions.

2. **TENANT SECURITY**. The Market Rent shall additionally include a determination as to whether, and if so to what extent, a tenant comparable to Tenant in a Comparable Transaction would be required to provide Landlord with financial security, such as a letter of credit or guaranty, for Tenant's Rent obligations during the applicable term. Such determination shall be made by reviewing the extent of financial security then generally being imposed in Comparable Transactions from tenants of comparable financial condition and credit history to the then existing financial condition and credit history of Tenant (with appropriate adjustments to account for differences in the then-existing financial condition of Tenant and such other tenants).

3. **Intentionally Deleted**.

4. **COMPARABLE BUILDINGS**. For purposes **of** this Lease, the term **"Comparable Buildings"** shall mean other high-rise office buildings which buildings are Class "A" office buildings with a similar quality of institutional ownership, tenant mix, quality of construction, and exterior appearance, and offer similar services and amenities, as the Building and are located on Brand Boulevard, Central Avenue or Goode Street in Glendale, California. Landlord and Tenant agree that in determining the Market Rent, the economic terms of Comparable Transactions in a particular Comparable Building shall be appropriately adjusted when calculating the Market Rent to account for historical differences, if any, in rental rates in that Comparable Building as compared to the Project.

5. **METHODOLOGY FOR REVIEWING AND COMPARING THE COMPARABLE TRANSACTIONS**. In order to analyze the Comparable Transactions based on the factors to be considered in calculating Market Rent, and given that the Comparable Transactions may vary in terms of length or term, rental rate, concessions, etc., the following steps shall be taken into consideration to "adjust" the objective data from each of the Comparable Transactions. By taking this approach, a "Net Equivalent Lease Rate" for each of the Comparable Transactions shall be determined using the following steps to adjust the Comparable Transactions, which will allow for an "apples to apples" comparison of the Comparable Transactions.

5.1. The contractual rent payments for each of the Comparable Transactions should be arrayed monthly or annually over the lease term. All Comparable Transactions should be adjusted to simulate a net rent structure, wherein the tenant is responsible for the payment of all property operating expenses in a manner consistent with this Lease. This results in the estimate of Net Equivalent Rent received by each landlord for each Comparable Transaction being expressed as **a** periodic net rent payment.

5.2 Any free rent or similar inducements received over time should be deducted in the time period in which they occur, resulting in the net cash flow arrayed over the lease term.

5.3 The resultant net cash flow from **the** lease should be then discounted (using an 8% annual discount rate) to the lease commencement date, resulting in **a** net present value estimate.

5.4 From the net present value, up front inducements (improvements allowances and other concessions) should be deducted. These items should be deducted directly, on a "dollar for dollar" basis, without discounting since they are typically incurred at lease commencement, while rent (which is discounted) is a future receipt.

5.5 The net present value should then amortized back over the lease term as a level monthly or annual net rent payment using the same annual discount rate of 8.0% used in the present value analysis. This calculation will result in a hypothetical level or even payment over the option period, termed the "Net Equivalent Lease Rate" (or constant equivalent in general financial terms).

6 . **USE OF NET EQUIVALENT LEASE RATES FOR COMPARABLE TRANSACTIONS**. The Net Equivalent Lease Rates for the Comparable Transactions shall then be used to reconcile, in a manner usual and customary for a real estate appraisal process, to a conclusion of Market Rent which shall be stated as a Net Equivalent Lease Rate applicable to each year of the Option Term or First Offer Term.

FIRST AMENDMENT TO OFFICE LEASE

This First Amendment to Office Lease (this "**First Amendment**") is made and entered into as of April 24, 2019, by and between BCSP 800 NORTH BRAND PROPERTY LLC, a Delaware limited liability company ("**Landlord**"), and SERVICETITAN, INC., a Delaware corporation ("**Tenant**").

RECITALS:

A. Landlord and Tenant are parties to that certain Office Lease, dated January l0, 2019 (the "**Lease**"), pursuant to which Landlord leases to Tenant and Tenant leases from Landlord certain space (the "**Premises**") in the building located at 800 North Brand Boulevard, Glendale, California (the "**Building**").

B. Landlord and Tenant desire to amend the Lease, upon and subject to the terms set forth in this First Amendment.

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows.

AGREEMENT:

1. **Defined Terms.** Except as explicitly set forth in this First Amendment, each initially capitalized term when used herein shall have the same respective meaning as is set forth in the Lease.

2. **Designation of Basement Premises and Initial Premises Basement Premises.**

2.1. **Basement Premises.** Landlord and Tenant hereby acknowledge and agree that (i) the "Basement Premises" shall be comprised of 6,827 rentable square feet of space located on the basement level of the Building, as more particularly set forth on **Exhibit A,** attached hereto, and (ii) Tenant shall have no further or additional right to deliver a "Basement Premises Designation Notice," as that term is defined in Section 2.2.2 of the Summary. The period of Tenant's lease of the Seventh Floor Temporary Premises, commencing as of the Seventh Floor Temporary Premises Commencement Date and continuing through and including the Seventh Floor Temporary Premises Expiration Date, shall be referred to herein as the "**Seventh Floor Temporary Premises Term**". The Seventh Floor Temporary Premises are more particularly set

The parties shall mutually

agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises." In furtherance of the foregoing, notwithstanding anything in Article 24 of the Original Lease to the contrary, Landlord and Tenant hereby agree as follows: (a) any CASp inspection requested by Tenant shall be conducted, at Tenant's sole cost and expense, by a CASp designated by Landlord, and only in accordance with Landlord's reasonable rules and requirements; and (b) Tenant, at its cost, is responsible for making any repairs within the Premises (including any temporary premises leased by Tenant) to correct violations of construction-related accessibility standards; and, if anything done by or for Tenant in its use or occupancy of the Premises (including any temporary premises leased by Tenant) (other than typical general office use and improvement of the Premises or any such temporary premises) shall require repairs to the Building or Project (outside the Premises and/or any temporary premises) to correct violations of construction-related accessibility standards, then Tenant shall reimburse Landlord upon demand, as Additional Rent, for the cost to Landlord of performing such repairs.

4. **No Other Modifications**. Except as otherwise provided herein, all other terms and provisions of the Lease shall remain in full force and effect, unmodified by this Third Amendment.

5. **Counterparts; Manner of Execution**. FOURTH AMENDMENT TO OFFICE LEASE

This Fourth Amendment to Office Lease (this "**Fourth Amendment**") is made and entered into as of January 17, 2020, by and between BCSP 800 NORTH BRAND PROPERTY LLC, a Delaware limited liability company ("**Landlord**"), and SERVICETITAN, INC., a Delaware corporation ("**Tenant**").

RECITALS:

A. Landlord and Tenant are parties to that certain Office Lease, dated January 10, 2019 (the "**Original Lease**"), as amended by (i) that certain First Amendment to Office Lease, dated April 24, 2019, (ii) that certain Second Amendment to Office Lease, dated October 18, 2019, and that certain Third Amendment to Office Lease, dated January 1, 2020 (collectively, the "**Lease**"), pursuant to which Landlord leases to Tenant and Tenant leases from Landlord certain space (the "**Premises**") in the building located at 800 North Brand Boulevard, Glendale, California (the "**Building**").

B. Landlord and Tenant desire to amend the Lease, upon and subject to the terms set forth in this Fourth Amendment.

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows.

AGREEMENT:

1. **Defined Terms**. Except as explicitly set forth in this Fourth Amendment, each initially capitalized term when used herein shall have the same respective meaning as is set forth in the Lease.

2. **Ground Floor Demising Walls; Operable Partition**.

2.1. **In General**. Landlord and Tenant hereby acknowledge and agree that, upon Landlord's delivery of the Ground Floor Premises, the Ground Floor Premises shall be in the Delivery Condition (including with respect to the construction of the Ground Floor Demising Walls), as required pursuant to the terms of the Lease. Notwithstanding the foregoing, Landlord and Tenant hereby further acknowledge and agree that (i) based upon Tenant's request, following Landlord's delivery of the Ground Floor Premises in the Delivery Condition as required by the Lease, Landlord shall install an operable partition (the "**Operable Partition**") that separates the Ground Floor Premises from the tenant lounge (the "**Common Area Tenant Lounge**") to be located in the Building's ground floor Common Area (which Operable Partition shall be located as depicted on **Exhibit A** to this Fourth Amendment (the "**Operable Partition Area**")), (ii) the Operable Partition shall replace a portion of the Ground Floor Demising Walls (i.e., in the Operable Partition Area), and (iii) all costs associated with the design, purchase, permitting and installation of the Operable Partition shall be paid for by Tenant. Within seven (7) business days following demand, Tenant shall select (from the manufacturer provided options) the finishes for the interior,

Ground Floor Premises side of the Operable Partition. Landlord shall perform the installation of the Operable Partition in accordance with Applicable Laws sufficient that Tenant can obtain a certificate of occupancy, or its legal equivalent, for the Ground Floor Premises. As of the date hereof, (x) it is anticipated that the Operable Partition shall include the items set forth on **Exhibit B**, attached hereto, and (y) as set forth on the contractor's estimate attached hereto as **Exhibit B**, it is anticipated that the Operable Partition shall cost approximately $89,391.00 (the "**Anticipated Cost**"). The foregoing shall not serve to limit the scope of work required to construct the Operable Partition, nor Tenant's obligation to pay for all costs associated therewith (whether greater or less than the Anticipated Cost); provided, however, that, within five (5) business days following request by Landlord, Tenant shall have the right to either approve or disapprove, in its reasonable discretion, any material change in the scope of work or pricing set forth on **Exhibit B**, attached hereto; provided further that in the event that any approvals required by Landlord from Tenant are not received on or before March 15, 2020 (the "**Cutoff Date**"), Landlord shall have no obligation to install the Operable Partition, in which case (I) Tenant shall be responsible for any costs or expenses associated with the Operable Partition incurred by Landlord prior to the Cutoff Date, and (II) except as provided for in item (1), the terms of this Section 2 and of Section 3, below, shall be void and of no further force or effect. Amounts due hereunder from Tenant shall be paid for by Tenant within fifteen (15) days following demand by Landlord (subject to the terms of Section 2.2, below), which shall be accompanied by reasonable back-up documentation showing the costs incurred (and Tenant acknowledges that Tenant shall not be permitted to utilize the Tenant Improvement Allowance for amounts due to Landlord hereunder).

2.2. **Completion of Operable Partition**. Provided that any approvals required of Tenant are provided on or before the Cutoff Date, subject to delays beyond Landlord's reasonable control, Landlord shall use commercially reasonable efforts to substantially complete the installation of the Operable Partition on or before December 31, 2020. Tenant shall have the one-time right to withhold $17,500 (the "**Withheld Amount**") of the amount otherwise due pursuant to the terms of Section 2.1, above, until the substantial completion of the installation of the Operable Partition. Notwithstanding the foregoing, the Withheld Amount shall be paid by Tenant to Landlord within fifteen (15) days following the substantial completion of the installation of the Operable Partition. In no event shall the Operable Partition be considered part of the Amenity Upgrades for purposes of the Lease.

2.3. **End of Lease Term**. Upon the expiration or earlier termination of the Lease, as amended hereby, Tenant shall leave the Operable Partition in place and surrender the same to Landlord, along with the Premises. In connection therewith, upon the expiration or earlier termination of the Lease, as amended hereby, the Operable Partition shall, without payment to or charge by Tenant, become the sole and exclusive property of Landlord.

3. **Repair, Maintenance and Use of Operable Partition, Exclusive Use Rights Regarding Common Area Tenant Lounge.**

3.1. **Repair and Maintenance of Operable Partition**. Following Landlord's installation of the Operable Partition, Tenant hereby acknowledges and agrees that Tenant shall be responsible, at Tenant's sole cost and expense, for the repair, maintenance and compliance with laws of the Operable Partition, provided that Landlord shall be responsible for the repair and maintenance of the exterior surface of the side of the Operable Partition that faces the Common Area Tenant Lounge (i.e., the side that does not face the interior of the Ground Floor Premises).

3.2. **Use of Operable Partition/Exclusive Use of Common Area Tenant Lounge**. Notwithstanding anything in this Fourth Amendment to the contrary, Tenant hereby acknowledges and agrees that, except as specifically permitted hereunder, the Operable Partition shall at all times remain closed, and Tenant's use of the Common Area Tenant Lounge shall be on a non-exclusive, in-common basis with Landlord, other tenants and occupants, Building visitors, and others permitted by Landlord.

3.2.1 **Exclusive Use Rights**. Subject to (i) the terms of this Section 3.2, and (ii) availability (as reasonably determined by Landlord based upon a schedule of use to be maintained by Landlord), Landlord hereby agrees that Tenant shall have the right to open the Operable Partition and to have the exclusive use of the Common Area Tenant Lounge for events to be hosted by Tenant for its employees and guests; provided, however, that (a) Tenant shall provide Landlord with not less than seven (7) business days prior notice (the "**Exclusive Use Notice**") of any desired opening of the Operable Partition and use of the Common Area Tenant Lounge, (b) the Exclusive Use Notice shall include, subject to the limitations set forth in this Section 3.2, the date, time and duration of Tenant's proposed use and the nature of the event that Tenant desires to host within the Common Area Tenant Lounge (which shall be subject to Landlord's approval, which shall not be unreasonably withheld so long as the same is consistent with the nature of the Building as a first-class office building), and (c) Tenant's use of the Common Area Tenant Lounge on an exclusive basis as permitted for herein shall be subject to all applicable laws and to Landlord's reasonable rules, regulations and requirements and shall in no event cause a disturbance or disruption to other tenants or occupants or Landlord's typical and customary operation of the Building. During any period in which Tenant has the right hereunder to the exclusive use of the Common Area Tenant Lounge, Landlord shall close the Common Area doors that permit access to the Common Area Tenant Lounge by other tenants and Building visitors.

3.2.2 **Costs and Expenses**. During any period of exclusive use by Tenant of Common Area Tenant Lounge as permitted hereunder, Tenant shall be responsible for (i) the cost of any damage to the Common Area Tenant Lounge (including the furniture located therein), and (ii) any additional or increased costs (e.g., additional janitorial costs) incurred by Landlord (including, without limitation resulting from Tenant's exclusive use of the Common Area Tenant Lounge after Building Hours, if applicable). To the extent that Tenant desires the relocation of any furniture within the Common Area Tenant Lounge during the period of any exclusive use permitted hereunder, Landlord shall move such furniture and relocate the same after Tenant's exclusive use, all at Tenant's sole cost and expense. Tenant hereby acknowledges and agrees that Landlord shall relocate the furniture only within the Common Area Tenant Lounge and that Landlord shall have no obligation to relocate the same to another area of the Building. Any amounts due from Tenant to Landlord hereunder shall be paid by Tenant within fifteen (15) days following demand. During any period of Tenant's exclusive use of the Common Area Tenant Lounge, Tenant's indemnification of Landlord, as set forth in Article 10 the Original Lease, shall apply to the Common Area Tenant Lounge as if the same were a part of the Premises.

3.2.3 **Limitations**. Notwithstanding anything contained in this Fourth Amendment to the contrary, (i) in no event shall Tenant be permitted to the exclusive use of

Common Area Tenant Lounge more than four (4) days in any calendar month, nor for more than eight (8) hours on any particular day, (ii) any exclusive use of the Common Area Tenant Lounge on a particular day shall be in a single, continuous block of time, and (iii) Tenant shall have no right to the exclusive use of the Common Area Tenant Lounge during any period in which Landlord has reserved the same for use by Landlord or another tenant or occupant of the Building, nor shall Tenant at any time have the right to the exclusive use of the Common Area Tenant Lounge during the period 11:00 a.m. to 2:00 p.m. on any weekday ("**Lunch Hours**"). Notwithstanding the foregoing, Landlord hereby acknowledges and agrees that Tenant shall have the right, from time to time, to request exclusive use of the Common Area Tenant Lounge during Lunch Hours, and Tenant hereby acknowledges and agrees that any such request by Tenant may be granted or denied by Landlord, in Landlord's sole discretion.

4. **No Other Modifications**. Except as otherwise provided herein, all other terms and provisions of the Lease shall remain in full force and effect, unmodified by this Fourth Amendment.

5. **Counterparts; Manner of Execution.** This Fourth Amendment may be executed in counterparts and/or via facsimile, pdf or electronic signature (e.g., via Docusign), and Landlord and Tenant hereby acknowledge and agree that the same shall be fully effective in the same manner as if both parties hereto had executed the same document in original counterparts by hand. If applicable, both counterparts shall be construed together and shall constitute a single, original document.

6. **Conflict.** In the event of any conflict between the Lease and this Fourth Amendment, this Fourth Amendment shall prevail.

FIFTH AMENDMENT TO OFFICE LEASE

This Fifth Amendment to Office Lease (this "**Fifth Amendment**") is made and entered into as of January 22, 2020, by and between BCSP 800 NORTH BRAND PROPERTY LLC, a Delaware limited liability company ("**Landlord**"), and SERVICETITAN, INC., a Delaware corporation ("**Tenant**").

RECITALS:

A. Landlord and Tenant are parties to that certain Office Lease, dated January 10, 2019 (the "**Original Lease**"), as amended by (i) that certain First Amendment to Office Lease, dated April 24, 2019, (ii) that certain Second Amendment to Office Lease, dated October 18, 2019 (the "**Second Amendment**"), (iii) that certain Third Amendment to Office Lease, dated January 1, 2020 (the "**Third Amendment**"), and that certain Fourth Amendment to Office Lease, dated January 7, 2020 (collectively, the "**Lease**"), pursuant to which Landlord leases to Tenant and Tenant leases from Landlord certain space (the "**Premises**") in the building located at 800 North Brand Boulevard, Glendale, California (the "**Building**").

B. Tenant desires to expand the Premises to include that certain space consisting of 80,046 rentable square feet of space (the "**Expansion Premises**"), as more particularly set forth on **Exhibit A** attached hereto, and to make other modifications to the Lease, as hereinafter provided. The Expansion Premises is comprised of (i) 26,682 rentable square feet of space located on the sixth (6th) floor of the Building known as Suite 600 (the "**6th Floor Expansion Premises**"), (ii) 26,682 rentable square feet of space located on the seventh (7th) floor of the Building known as Suite 700 (the "**7th Floor Expansion Premises**"), and (iii) 26,682 rentable square feet of space located on the eighth (8th) floor of the Building known as Suite 800 (the "**8th Floor Expansion Premises**"). The rentable square footage of the Expansion Premises (and each component thereof) shall be as set forth herein and shall not be subject to re-measurement or modification (and the rentable square footage of the "Temporary Premises," as that term is defined in Section 1.1.5.1 of the Original Lease, as set forth in the Original Lease, shall have no applicability as of the "Expansion Premises Commencement Date," as that term is defined in Section 3.1 of this Fifth Amendment, notwithstanding that the Temporary Premises and the 8th Floor Expansion Premises are the same space).

AGREEMENT:

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows.

1. **Defined Terms.** Except as explicitly set forth in this Fifth Amendment, each initially capitalized term when used herein shall have the same respective meaning as is set forth in the Lease.

2. **Premises.**

2.1 **Condition of Expansion Premises and Building**. Tenant hereby acknowledges and agrees that, except as expressly provided for in this Fifth Amendment (including the Tenant Work Letter attached hereto as **Exhibit B** (the **"Tenant Work Letter"**)), Tenant shall accept the Expansion Premises in its presently existing, "as is" condition, and Landlord shall not be obligated to provide or pay for any improvements or alterations to the Expansion Premises. Tenant also acknowledges that neither Landlord nor any agent of Landlord has made any representation or warranty regarding the condition of either the Expansion Premises or the Building, or with respect to the suitability of the foregoing for the conduct of Tenant's business.

2.2 **Lease of Expansion Premises**. Effective as of the "Expansion Premises Commencement Date," as that term is defined in Section 3.1, below, Tenant shall lease from Landlord and Landlord shall lease to Tenant the Expansion Premises and the Expansion Premises shall be included in the "Premises" for purposes of the Lease, as amended hereby.

3. **Expansion Term; Completed Expansion Floors; Early Occupancy; Expansion Commencement Confirmation Notice.**

3.1 **In General**. The term of Tenant's lease of the Expansion Premises shall commence on February 1, 2021 (the "**Expansion Premises Commencement Date**") and shall continue through and include Lease Expiration Date (which Landlord and Tenant hereby acknowledge agree shall occur on April 30, 2027), unless the Lease, as amended by this Fifth Amendment, is sooner terminated or extended as provided in the Lease, as amended hereby. The term of Tenant's lease of the Expansion Premises commencing as of the Expansion Premises Commencement Date and continuing through and including the Lease Expiration Date is referred to herein as the **"Expansion Term"**. The 6th Floor Expansion Premises shall be delivered in the "Delivery Condition," as that term is defined in Section 1.2 of the Tenant Work Letter. Delivery of the 7th Floor Expansion Premises shall be governed by the terms of Section 7.2.2 of this Fifth Amendment, and delivery of the 8th Floor Expansion Premises shall be governed by the terms of Section 7.1.3 of this Fifth Amendment.

3.2 **Completed Expansion Floors; Terms Applicable Prior to Expansion Premises Commencement Date**. Notwithstanding the terms of Section 3.1, above, in the event that (i) Tenant shall substantially complete the Tenant Improvements in the 6th Floor Expansion Premises, the 7th Floor Expansion Premises or the 8th Floor Expansion Premises pursuant to the terms of the Tenant Work Letter (any such floor that substantial completion of Tenant Improvements has occurred to be referred to herein as a "**Completed Expansion Floor**") prior to the Expansion Premises Commencement Date, and (ii) Tenant shall commence the conduct of business from any portion of any such Completed Expansion Floor prior to the Expansion Premises Commencement Date, then, notwithstanding anything contained herein to the contrary, all of the terms of the Lease, as amended hereby (including without limitation, Tenant's obligation to pay Base Rent at the rate per rentable square foot then applicable to the Initial Premises, disregarding (a) the Base Rent applicable to the Initial Premises Basement Premises, and (b) the abated Base Rent applicable to the Initial Premises as provided for in Section 3.2 of the Original Lease) shall apply to such Completed Expansion Floor as of the first day that Tenant commences the conduct of business from any portion thereof, as though the Expansion Premises Commencement Date had occurred (although the Expansion Premises Commencement Date shall not actually occur until the occurrence of the same pursuant to the terms of this Fifth Amendment).

3.3 **Early Occupancy Without Completion of Construction**. In the event that Tenant occupies any portion of the 6th Floor Expansion Premises, the 7th Floor Expansion Premises or the 8th Floor Expansion Premises for the conduct of Tenant's business on or after August 1, 2020, but prior to the applicable floor being a Completed Expansion Floor, all of the terms and conditions of the Lease, as amended hereby, shall apply to the subject floor, other than Tenant's obligation to pay Base Rent, as though the Expansion Premises Commencement Date had occurred (although the Expansion Premises Commencement Date shall not actually occur until the occurrence of the same pursuant to the terms of this Fifth Amendment). Notwithstanding the foregoing, the terms of this Section 3.3 shall only be applicable for period on and after August 1, 2020 and continuing until the date immediately prior to the Expansion Premises Commencement Date, Tenant acknowledging that Tenant is fully obligated to pay Rent for the entire Expansion Premises in accordance with the terms of Section 4, below, following the Expansion Premises Commencement Date.

3.4 **Expansion Commencement Confirmation Notice**. At any time following the Expansion Premises Commencement Date, Landlord may deliver to Tenant a commercially reasonable notice (the "**Expansion Commencement Confirmation Notice**"**),** which Expansion Commencement Confirmation Notice shall confirm the date of the occurrence of the Expansion Premises Commencement Date and the corresponding (i) Base Rent schedule for the Expansion Premises (consistent with the terms of Section 4.1.1, below), (ii) amount of abated Base Rent (consistent with the terms of Section 4.1.2, below) and (iii) amount of the Tenant Improvement Allowance (consistent with the terms of Section 2.1 of the Tenant Work Letter). Tenant shall execute and return such notice to Landlord within fifteen (15) business days of receipt thereof (provided that if the Expansion Commencement Confirmation Notice is not factually correct, then Tenant shall make such changes as are necessary to make the notice factually correct and shall thereafter execute and return such notice to Landlord within such fifteen (15) business day period). Such modified Expansion Commencement Confirmation Notice shall not be binding unless Landlord countersigns the notice with Tenant's changes. If Landlord does not so countersign the notice, Landlord and Tenant shall work together in good faith to agree upon and mutually execute an acceptable notice.

4. **Expansion Premises Rent**.

4.1 **Base Rent**.

4.1.1 **In General**. During the Expansion Term, Tenant shall pay monthly installments of Base Rent for the Expansion Premises at the same rate per rentable square foot payable by Tenant from time to time by Tenant for the Initial Premises (disregarding (i) the Base Rent applicable to the Initial Premises Basement Premises, and (ii) the abated Base Rent applicable to the Initial Premises as provided for in Section 3.2 of the Original Lease).

4.1.2 **Abated Base Rent**. Notwithstanding the terms of Section 4.1.1, above, provided that Tenant is not in monetary or material non-monetary Default of the Lease, as amended hereby, Tenant shall not be obligated to pay monthly Base Rent for the Expansion Premises commencing as of the Expansion Premises Commencement Date and continuing for the duration of

the "Expansion Abatement Period," as that term is defined, below. For purposes of this Fifth Amendment, the " **Expansion Abatement Period**" shall mean the number of months calculated as the product of (i) eight (8), and (ii) a fraction (the "**Expansion Proration Fraction**"), the numerator of which is the number of months in the Expansion Term (based upon the date of the occurrence of the Expansion Premises Commencement Date) and the denominator of which equals ninety (90). In no event shall the Expansion Proration Fraction be greater than one (1). The Expansion Proration Fraction shall, in all instances, be rounded to two decimal places and, with respect to any partial calendar month, shall be calculated based upon the actual number of days in the subject month. The total amount of Base Rent abatement to which Tenant is entitled hereunder shall be referred to herein as the "**Total Abatement Amount**". At Tenant's option, prior to the application of the Total Abatement Amount against monthly Base Rent, Tenant shall have the right, upon notice to Landlord, to utilize any unapplied portion of the Total Abatement Amount for payment of the "Over-Allowance Amount," as that term is defined in Section 4.2.1 of the Tenant Work Letter. Any portion of the Total Abatement Amount utilized for the payment of the Over-Allowance Amount as permitted herein shall not be provided as a credit against monthly Base Rent (and shall shorten or eliminate, as applicable, the Expansion Abatement Period). Further, in no event shall Landlord, pursuant to the terms of this Section 4.1.2, provide an aggregate amount in excess of the Total Abatement Amount for application to monthly Base Rent and for payment of the Over-Allowance Amount.

4.1.3 **Pre-Paid Base Rent**. Concurrently with Tenant's execution of this Fifth Amendment, Tenant shall pay to Landlord an amount equal to $259,709.24, which amount shall be applied to the Base Rent due for the Expansion Premises for first month of the Expansion Term.

4.2 **Tenant's Share of Direct Expenses for Expansion Premises**. Commencing as of the Expansion Premises Commencement Date and continuing throughout the Expansion Term, Tenant shall pay Tenant's Share of Direct Expenses for the Expansion Premises in accordance with the terms of the Lease; provided, however, that with respect to the Expansion Premises, (i) Tenant's Share shall equal 15.0387%, (ii) the Base Year shall be the calendar year 2021, and (iii) Tenant shall have no obligation to pay Direct Expenses for the Expansion Premises for the first twelve (12) months of the Expansion Term (and the last sentence of Section 4.1 of the Original Lease shall not be applicable with respect to the Expansion Premises).

5. **Parking**. Tenant shall continue to have the parking rights and obligations provided for in the Lease. In connection therewith, Landlord and Tenant hereby acknowledge and agree that the number of parking passes to which Tenant is entitled shall increase, as of the Expansion Premises Commencement Date, to reflect the increased rentable square footage based thereon.

6. **Letter of Credit**.

6.1 **Amendment to Letter of Credit; Additional L-C Amount**. Concurrently with Tenant's execution of this Fifth Amendment, Tenant shall deliver to Landlord an amendment to the existing L-C held by Landlord under the Lease, in the form attached hereto as**Exhibit C**, which amendment shall increase the L-C Amount from $1,500,000.00 (the "**Original L-C Amount**") to $2,500,000.00 (the additional $1,000,000.00 added to the OriginalL-C Amount pursuant to the terms hereof to be referred to herein as the "**Additional L-C Amount**").

6.2 **Reduction of Additional L-C Amount**

6.2.1 **Reductions of Additional L-C Amount.** Provided that Tenant is not in Default of the Lease, as amended hereby, as of the then applicable "Additional LC Reduction Date," as that term is defined in Section 6.2.2.1, below, following notice by Tenant (the "**Additional LC Reduction Notice**") delivered to Landlord after the applicable Additional LC Reduction Date, the Additional L-C Amount shall be reduced by the applicable "Additional LC Reduction Amount", as that term is defined in Section 6.2.2.3, below. Any such reduction of the Additional L-C Amount, if applicable, shall be effectuated by means of an amendment to the L-C (in form and content satisfactory to Landlord, in Landlord's reasonable discretion) implemented following the applicable Additional LC Reduction Date. If Tenant is in Default of the Lease, as amended hereby, as of an Additional LC Reduction Date, but would otherwise be entitled to a reduction of the Additional L-C Amount in accordance with the terms hereof, the Additional L-C Amount shall not be reduced unless and until Tenant is no longer in Default of the Lease, as amended hereby, at which time the Additional L-C Amount shall be reduced to the amount it would have been reduced had Tenant not be in Default as of the applicable Additional LC Reduction Date, subject to and in accordance with the terms of this Section 6.2.

6.2.2 **Defined Terms.**

6.2.2.1 For purposes of this Fifth Amendment, an "**Additional LC Reduction Date**" shall mean each of the "First Additional LC Reduction Date," the "Second Additional LC Reduction Date," and "Third Additional LC Reduction Date", as those terms are defined in Section 6.2.2.2, below.

6.2.2.2 For purposes of this Fifth Amendment, (i) the "**First Additional LC Reduction Date**" mean the date following the third (3rd) anniversary of the Expansion Premises Commencement Date that the Original Tenant or an "Affiliated Tenant," as that term is defined, below, as the case may be, delivers then current financial statements, prepared by an independent certified public accountant in accordance with generally acceptable accounting principles, indicating that (i) the Original Tenant or an Affiliated Tenant, as the case may be, has $250,000,000 in revenue for the trailing twelve (12) month period, with a minimum of fifty percent (50%) gross margin, and (ii) the Original Tenant or an Affiliated Tenant, as the case may be, has $75,000,000 in cash, (ii) the second Additional LC Reduction Date (the "**Second Additional LC Reduction Date**") shall mean the first (1st) anniversary of the First Additional LC Reduction Date, and (iii) the third Additional LC Reduction Date (the "**Third Additional LC Reduction Date**") shall be the second (2nd) anniversary of the First Additional LC Reduction Date. For the avoidance of doubt, if for any reason, the event described in item (i) of this Section 6.2.2.2 shall fail to occur, then notwithstanding anything in this Section 6.2 to the contrary, the Additional L-C Amount shall not be subject to reduction. For purposes of this Fifth Amendment, an "**Affiliated Tenant**" shall mean an "Affiliate," as that term is defined in Section 14.8 of the Original Lease, that succeeds the entire interest of Tenant under the Lease, as amended.

6.2.2.3 For purposes of this Fifth Amendment, the "**Additional LC Reduction Amount**" shall mean (i) $500,000.00 in connection with the First Additional Reduction Date (if applicable), (ii) $167,000.00 in connection with the Second Additional LC Reduction Date (if applicable), and (iii) $167,000.00 in connection with the Third Additional LC Reduction Date (if applicable).

6.3 **Other Terms.**

6.3.1 Landlord and Tenant hereby acknowledge and agree that (i) the Original L-C Amount and the Additional L-C Amount shall reduce based upon independent events and upon independent dates (as provided for in Section 21.7 of the Original Lease and Section 6.2, above, of this Fifth Amendment), and (ii) nothing contained in this Section 6 shall serve to alter or modify the terms applicable to the reduction of the Original L-C Amount, which shall be and remain as set forth in Section 21.7 of the Original Lease.

6.3.2 The reference in Section 21.7(i) of the Original Lease to the "Lease Commencement Date" shall be deemed to be deleted and is hereby replaced with the "Lease Commencement Date applicable to the Initial Premises".

7. **Temporary Premises.**

7.1 **8th Floor Temporary Premises.**

7.1.1 **Temporary Premises Expiration Date.** Landlord and Tenant hereby acknowledge and agree that, notwithstanding anything in the Lease to the contrary, the "Temporary Premises Expiration Date" shall not occur as set forth in Section 1.1.5.1 of the Original Lease, but instead shall occur on July 31, 2020; provided, however, that, at Tenant's sole option (subject to the terms of Section 7.3, below), Tenant shall have the right to accelerate the Temporary Premises Expiration Date to a date determined by Tenant at any time upon not less than thirty (30) days' notice to Landlord (the "**Temporary Premises Termination Notice**").

7.1.2 **Deletion.** Section 2.1 of the Second Amendment is hereby deleted in its entirety and is of no further force or effect.

7.1.3 **8th Floor Expansion Premises.** Tenant hereby acknowledges and agrees that (i) Tenant currently occupies the Temporary Premises (which is the 8th Floor Expansion Premises and constitute a part of the Expansion Premises under this Fifth Amendment) pursuant to the terms of the Lease, (ii) Tenant shall continue to accept the Temporary Premises/8th Floor Expansion Premises in their existing, "as is" condition, (iii) except as provided for in the last sentence of this Section 7.1.3, Landlord shall have no obligation to "deliver" the Temporary Premises/8th Floor Expansion Premises to Tenant, and (iv) the "Delivery Condition," as that term is defined in Section 1.2 of the Tenant Work Letter, shall have no applicability with respect the Temporary Premises/8th Floor Expansion Premises. To the extent that the Temporary Premises Expiration Date shall occur prior to July 31, 2020 in accordance with the terms of Section 7.1.1, above, Landlord shall deliver the 8th Floor Expansion Premises to Tenant on or before August 1, 2020 and Tenant shall accept the 8th Floor Expansion Premises in their "as is" condition (and the terms of item (iv), above, shall continue to be applicable).

7.2 **Seventh Floor Temporary Premises.**

7.2.1 **Seventh Floor Temporary Premises Expiration Date.** Landlord and Tenant hereby acknowledge and agree that, notwithstanding anything in the Lease to the contrary, the "Seventh Floor Temporary Premises Expiration Date," shall not occur as set forth in Section 2 of the Third Amendment, but instead shall occur on July 31, 2020; provided, however, that, at Tenant's sole option (subject to the terms of Section 7.3, below), Tenant shall have the right to accelerate the Seventh Floor Temporary Premises Expiration Date to a date determined by Tenant at any time upon not less than thirty (30) days' notice to Landlord (the **"Temporary Premises Termination Notice").**

7.2.2 **7th Floor Expansion Premises.** Tenant hereby acknowledges and agrees that (i) Tenant currently occupies the Seventh Floor Temporary Premises (which is the 7th Floor Expansion Premises and constitute a part of the Expansion Premises under this Fifth Amendment) pursuant to the terms of the Lease, (ii) Tenant shall continue to accept the Seventh Floor Temporary Premises/7th Floor Expansion Premises in their existing, "as is" condition, (iii) except as provided for in the last sentence of this Section 7.2.2, Landlord shall have no obligation to "deliver" the Seventh Floor Temporary Premises/7th Floor Expansion Premises to Tenant, and (iv) the "Delivery Condition," as that term is defined in Section 1.2 of the Tenant Work Letter, shall have no applicability with respect the Seventh Floor Temporary Premises/7th Floor Expansion Premises. To the extent that the Seventh Floor Temporary Premises Expiration Date shall occur prior to July 31, 2020 in accordance with the terms of Section 7.2.1, above, Landlord shall deliver the 7th Floor Expansion Premises to Tenant on or before August 1, 2020 and Tenant shall accept the 7th Floor Expansion Premises in their "as is" condition (and the terms of item (iv), above, shall continue to be applicable).

7.2.3 **Seventh Floor Temporary Premises Cable Removal Obligation.** Landlord and Tenant hereby agree that the "Seventh Floor Temporary Premises Cable Removal Obligation," as that term is defined in Section 2 of the Third Amendment, shall be deemed to be void and of no further force or effect.

7.3 **Limitation on Termination of Temporary Premises.** Landlord and Tenant hereby acknowledge and agree that if Tenant terminates Tenant's lease of the Temporary Premises as provided for in this Section 7 and has not previously and does not concurrently terminate Tenant's lease of the Seventh Floor Temporary Premises as provided for in this Section 7, then, notwithstanding anything in Section 2(i) of the Third Amendment to the contrary, Tenant shall, effective as of the date immediately following the date of Tenant's termination of the Temporary Premises and continuing throughout the remainder of the Seventh Floor Temporary Premises Term be obligated to pay monthly Base Rent for the Seventh Floor Temporary Premises in an amount equal to $39,613.50

7.4 **Terms Not Applicable to Expansion Premises.** Landlord and Tenant hereby acknowledge and agree that (i) the terms of Section 1.l.5 of the Original Lease, Section 2 of the Third Amendment and this Section 7 shall be applicable to the Temporary Premises and the Seventh Floor Temporary Premises, as the case may be, only through and including July 31, 2020 (or such earlier date as Tenant's lease of the Temporary Premises and/or Seventh Floor Temporary Premises, as the case may be, shall terminate), and (ii) the terms specifically applicable to the

"Expansion Premises", as provided for in this Fifth Amendment, shall be applicable after July 31, 2020 (or any such earlier termination date with regard to the Temporary Premises and/or Seventh Floor Temporary Premises). Without limitation of the foregoing, in no event shall Tenant have any right to terminate the 7th Floor Expansion Premises and/or the 8th Floor Expansion Premises based upon any terms provided for under Section 2 of the Third Amendment or this Section 7 at any time following the expiration of Tenant's lease of such space as temporary premises (which, as provided for hereinabove, shall occur no later than July 31, 2020). Nothing contained in this Section 7.4 shall modify Tenant's right to terminate one (1) full floor of the Premises, upon and subject to the terms of Section 2.3 of the Original Lease.

11. CASp Disclosure. For purposes of Section 1938(a) of the California Civil Code, Landlord hereby discloses to Tenant, and Tenant hereby acknowledges, that the Premises (including the Expansion Premises and any temporary premises leased by Tenant) have not undergone inspection by a Certified Access Specialist (CASp). As required by Section 1938(e) of the California Civil Code, Landlord hereby states as follows: "A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a

CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises." In furtherance of the foregoing, notwithstanding anything in Article 24 of the Original Lease to the contrary, Landlord and Tenant hereby agree as follows: (a) any CASp inspection requested by Tenant shall be conducted, at Tenant's sole cost and expense, by a CASp designated by Landlord, and only in accordance with Landlord's reasonable rules and requirements; and (b) Tenant, at its cost, is responsible for making any repairs within the Premises (including the Expansion Premises and any temporary premises leased by Tenant) to correct violations of construction-related accessibility standards; and, if anything done by or for Tenant in its use or occupancy of the Premises (including the Expansion Premises and any temporary premises leased by Tenant) (other than typical general office use and improvement of the Premises (including the Expansion Premises and any temporary premises leased by Tenant)) shall require repairs to the Building or Project (outside the Premises (including the Expansion Premises and any temporary premises leased by Tenant)) to correct violations of construction-related accessibility standards, then Tenant shall reimburse Landlord upon demand, as Additional Rent, for the cost to Landlord of performing such repairs.

12. **Broker.** Landlord and Tenant hereby warrant to each other that, other than Jones Lang LaSalle and Cushman & Wakefield (collectively, "**Brokers**"), they have had no dealings with any real estate broker or agent in connection with the negotiation of this Fifth Amendment and that they know of no other real estate broker or agent who is entitled to a commission in connection with this Fifth Amendment. Each party agrees to indemnify and defend the other party against and hold the other party harmless from any and all claims, demands, losses, liabilities, lawsuits, judgments, and costs and expenses (including, without limitation, reasonable attorneys' fees) with respect to any leasing commission or equivalent compensation alleged to be owing on account of the indemnifying party's dealings with any real estate broker or agent other than Brokers. The terms of this Section 12 shall survive the expiration or earlier termination of the Lease, as hereby amended. Landlord shall pay the commission due to Brokers in connection with this Fifth Amendment pursuant to separate written agreements with Brokers.

13. **No Other Modifications.** Except as otherwise provided herein, all other terms and provisions of the Lease shall remain in full force and effect, unmodified by this Fifth Amendment.

14. **Counterparts; Manner of Execution.** This Fifth Amendment may be executed in counterparts and/or via facsimile, pdf or electronic signature (e.g., via Docusign), and Landlord and Tenant hereby acknowledge and agree that the same shall be fully effective in the same manner as if both parties hereto had executed the same document in original counterparts by hand. If applicable, both counterparts shall be construed together and shall constitute a single, original document.

15. **Conflict.** In the event of any conflict between the Lease and this Fifth Amendment, this Fifth Amendment shall prevail.

TENANT WORK LETTER

This Tenant Work Letter shall set forth the terms and conditions relating to the construction of the Expansion Premises. This Tenant Work Letter is essentially organized chronologically and addresses the issues of the construction of the Expansion Premises, in sequence, as such issues will arise during the actual construction of the Expansion Premises.

SECTION 1

CONDITION OF EXPANSION PREMISES: DELIVERY OF THE 01' FLOOR EXPANSION PREMISES

1.1 Condition of Expansion Premises. Subject to the terms of this Section 1, below, Tenant shall accept the Expansion Premises from Landlord in their existing, "as-is" condition as of the date of Landlord's delivery thereof.

1.2 Delivery Condition. Upon Landlord's delivery of the 6th Floor Expansion Premises to Tenant, Landlord shall cause the Base Building with respect to the 6th Floor Expansion Premises to contain the items set forth on Schedule 3 attached to this **Exhibit B** in good working order and structurally sound condition, and shall cause the 6th Floor Expansion Premises to be free of personal property, all at Landlord's sole cost and expense (the "**Delivery Condition**").

SECTION 2

IMPROVEMENTS

2.1 Tenant Improvement Allowance. Tenant shall be entitled to a one-time improvement allowance in the amount of the "Tenant Improvement Allowance," as that term is defined, below, for the costs relating to the initial design and construction of the improvements, which are permanently affixed to the applicable Expansion Premises (the "**Tenant Improvements**"). For purposes of this Tenant Work Letter, the "Tenant Improvement Allowance" shall mean the product of (i) $80.00, (ii) the rentable square footage of the Expansion Premises (i.e., 80,046), and (iii) the Expansion Proration Fraction. In addition, Landlord shall provide a one-time allowance (the **"Electrical Allowance**") in an amount equal to $15,000.00 for each full floor of the Expansion Premises for costs reasonably incurred by Tenant for electrical upgrades to the subject full floor of the Expansion Premises to the extent required to achieve the electrical capabilities contemplated by Section 6.1.2 of the Original Lease ("**Electrical Upgrades**"). The Electrical Allowance shall be available for the Electrical Upgrades only (and for no other purposes) and shall be disbursed by Landlord in the same manner as the Tenant Improvement Allowance, and shall otherwise be subject to the same terms and conditions as the Tenant Improvement Allowance. No portion of any Electrical Allowance attributable to a particular floor of the Expansion Premises shall be available for any purpose (including Electrical Upgrades) on any other floor. Tenant specifically acknowledges and agrees that all plans and specifications relating to the Electrical Upgrades shall be subject to Landlord's approval, which shall not be unreasonably withheld. Landlord hereby acknowledges and agrees that Tenant shall

have no obligation to perform Electrical Upgrades; provided, however, that Tenant acknowledges and agrees in connection therewith that the Electrical Allowance shall only be available to Tenant for such purposes. In addition, Landlord shall provide a one-time allowance (the "**Restroom Allowance**") in an amount equal to $25,000.00 for each full floor of the Expansion Premises for costs reasonably incurred by Tenant for modifications to the base building restrooms servicing the subject floor of the Expansion Premises to the extent required to comply with Applicable Laws and/or for the construction of a gender neutral restroom on the subject full floor of the Expansion Premises (in either event, "**Restroom Upgrades**"). The Restroom Allowance shall be available for the Restroom Upgrades only (and for no other purposes) and shall be disbursed by Landlord in the same manner as the Tenant Improvement Allowance, and shall otherwise be subject to the same terms and conditions as the Tenant Improvement Allowance. No portion of any Restroom Allowance attributable to a particular floor of the Expansion Premises shall be available for any purpose (including Restroom Upgrades) on any other floor. Tenant specifically acknowledges and agrees that all plans and specifications relating to the Restroom Upgrades shall be subject to Landlord's approval, which shall not be unreasonably withheld. In no event shall Landlord be obligated to make disbursements pursuant to this Tenant Work Letter in a total amount which exceeds the sum of the Tenant Improvement Allowance, the Electrical Allowance and the Restroom Allowance. Notwithstanding the foregoing or any contrary provision of the Lease, as amended hereby, all Tenant Improvements (including the Electrical Upgrades and the Restroom Upgrades) shall be deemed Landlord's property under the terms of the Lease, as amended hereby. Any unused portion of the Tenant Improvement Allowance and/or Electrical Allowance and/or Restroom Allowance remaining as of the date (the "**Expansion Allowance Outside Date**") that is twelve (12) months after the Expansion Premises Commencement Date shall remain with Landlord and Tenant shall have no further right thereto. Landlord and Tenant hereby acknowledge and agree that, notwithstanding anything in the Original Lease to the contrary, Tenant shall have the right to use the Electrical Allowance and Restroom Allowance applicable to the 9th floor portion of the Initial Premises (subject to the terms of the Tenant Work Letter attached to the Original Lease) at any time prior to the Expansion Premises Allowance Outside Date (failing which any unused amounts shall revert to Landlord and Tenant shall have no further rights with respect thereto).

2.2 Disbursement of the Tenant Improvement Allowance.

2.2.1 Tenant Improvement Allowance Items. Except as otherwise set forth in this Tenant Work Letter, the Tenant Improvement Allowance shall be disbursed by Landlord (each of which disbursements shall be made pursuant to Landlord's reasonable disbursement process, including, without limitation, Landlord's receipt of invoices for all costs and fees described herein) only for the following items and costs (collectively the "**Tenant Improvement Allowance Items**"):

2.2.1.1 Payment of the fees of the "Architect" and the "Engineers," as those terms are defined inSection 3.1 of this Tenant Work Letter, and fees of Tenant's consultants for project management, plan check expeditor, and other engineers and/or consultants for lighting, HVAC, or other systems to be installed in the Expansion Premises; and the out-of-pocket costs incurred by Landlord, if any, in connection with Landlord's review of the "Construction Documents," as that term is defined in Section 3.1, below, but Tenant shall only be responsible for such out-of-pockets costs of Landlord to the extent the Tenant Improvements consist of other than typical general office tenant improvements;

2.2.1.2 The payment of plan check, permit and license fees relating to construction of the Tenant Improvements;

2.2.1.3 The cost of construction of the Tenant Improvements, inclusive of supplemental HVAC equipment, and including, without limitation, testing and inspection costs, after-hours charges, freight elevator costs (after Building Hours), hoisting and trash removal costs, and contractors' fees and general conditions;

2.2.1.4 The cost of any changes in the Base Building when such changes are required by the Construction Drawings, such cost to include all direct architectural and/or engineering fees and expenses incurred in connection therewith;

2.2.1.5 The cost of any changes to the Construction Drawings or Tenant Improvements required by all applicable building codes (the "**Code**");

2.2.1.6 The cost of Tenant's permanently affixed security installations;

2.2.1.7 Sales and use taxes and Title 24 fees;

2.2.1.8 Costs of affixed, "built-in" furniture;

2.2.1.9 The "Coordination Fee," as that term is defined in Section 4.2.2 of this Tenant Work Letter; and

2.2.1.10 All other costs which are approved by Tenant in writing and which are to be expended by Landlord in connection with the construction of the Tenant Improvements.

In no event shall the Tenant Improvement Allowance be disbursed by Landlord for any non-affixed (i.e., not "built-in") furniture, fixtures or equipment.

2.2.2 Disbursement of Tenant Improvement Allowance. During the construction of the Tenant Improvements, Landlord shall make monthly disbursements of the Tenant Improvement Allowance for Tenant Improvement Allowance Items and shall authorize the release of monies as follows.

2.2.2.1 Monthly Disbursements. On or before the tenth (10^{th}) day of each calendar month during the construction of the Tenant Improvements, Tenant shall deliver to Landlord: (i) a request for payment of the "Contractor," as that term is defined in Section 4.1 of this Tenant Work Letter, approved by Tenant and the "Architect", in an industry standard form, showing the schedule, by trade, of percentage of completion of the Tenant Improvements in the Expansion Premises, detailing the portion of the work completed and the portion not completed; (ii) paid invoices from all of "Tenant's Agents," as that term is defined in Section 4.1.2 of this Tenant Work Letter, for labor rendered and materials delivered to the Expansion Premises and evidence that the previous invoices have been paid; (iii) executed conditional and/or unconditional

mechanic's lien releases, as applicable, from all of Tenant's Agents which shall comply with the appropriate provisions, as reasonably determined by Landlord, of California Civil Code Sections 8132, 8134, 8136 and 8138 (with respect to sums that are the subject of the current disbursement request, conditional mechanic's lien releases shall be acceptable, provided that Tenant also submits unconditional mechanic's lien releases for all sums previously paid in connection with any and all prior disbursement requests) (the "**Releases**"); and (iv) all other information relating to the construction of the Tenant Improvements as is reasonably requested by Landlord. Thereafter, within thirty (30) days after receipt of such items, Landlord shall deliver a check to Tenant made payable to Tenant (or to Contractor or such other of Tenant's Agents as requested by Tenant) in payment of the lesser of: (A) the amounts so requested by Tenant, as set forth in this Section 2.2.2.1**,** above, less a ten percent (10%) retention (the aggregate amount of such retentions to be known as the "**Final Retention**"), and (B) the balance of any remaining available portion of the Tenant Improvement Allowance (not including the Final Retention). Landlord's payment of such amounts shall not be deemed Landlord's approval or acceptance of the work furnished or materials supplied as set forth in Tenant's payment request.

2.2.2.2 Final Retention. Subject to the provisions of this Tenant Work Letter, a check for the Final Retention payable to Tenant (or such of Tenant's Agents as requested by Tenant) shall be delivered by Landlord to Tenant following the completion of construction of the Expansion Premises, provided that (i) Tenant delivers to Landlord properly executed Releases, (ii) Landlord has determined that there are no substandard conditions, or material deviations from the Approved Working Drawings, (iii) Architect delivers to Landlord a certificate, in a form reasonably acceptable to Landlord, certifying that the construction of the Tenant Improvements in the Expansion Premises has been substantially completed, (iv) Tenant delivers to Landlord the "Record Set" of documents as defined in Section 4.3 below, and (v) Tenant delivers to Landlord one (1) copy (in both paper form and electronic form) of the close-out package containing the applicable items outlined in **Schedule 2** attached hereto.

2.2.2.3 Other Terms. Landlord shall only be obligated to make disbursements from the Tenant Improvement Allowance to the extent costs are incurred by Tenant for Tenant Improvement Allowance Items. All Tenant Improvement Allowance Items for which the Tenant Improvement Allowance has been made available shall be deemed Landlord's property under the terms of the Lease, as amended hereby.

2.3 Offset Rights. To the extent that Landlord fails to pay from the Tenant Improvement Allowance amounts due to Contractor, Architects, Engineers and Tenant's Agents in accordance with the terms hereof; and such amounts remain unpaid for thirty (30) days after notice from Tenant, then without limiting Tenant's other remedies under the Lease, as amended hereby, Tenant may, after Landlord's failure to pay such amounts within five (5) business days after Tenant's delivery of a second notice from Tenant delivered after the expiration of such 30-day period, pay same and deduct the amount thereof from the Rent next due and owning under the Lease, as amended hereby, including interest at the Interest Rate from the due date until the date of the Rent offset. Notwithstanding the foregoing, if during either the 30-day or 5-day period set forth above, Landlord (i) delivers notice to Tenant that it reasonably and in good faith disputes any portion of the amounts claimed to be due (the "**Allowance Dispute Notice**"), and (ii) pays any amounts not in dispute, Tenant shall have no right to offset any amounts against rent, but may institute legal action to recover such amounts from Landlord. Notwithstanding of the foregoing in

the event Tenant institutes legal action as provided herein and is adjudged the prevailing party in such action, Landlord shall pay the amount of such award, including interest at the Interest Rate, and if Landlord fails to pay, Tenant shall be entitled, automatically, to offset the amount of such award against the Base Rent next coming due under the Lease, as amended hereby, including interest at the Interest Rate from the due date until the date of the Rent offset. Further, in the event Tenant is adjudged the prevailing party, any delay actually caused to Tenant as a result of Landlord's failure to pay the disputed amount shall be deemed to be a "Landlord Caused Delay" under Section 5 of this Tenant Work Letter.

2.4 Standard Locking Systems. Tenant shall cause its locking systems servicing the Expansion Premises to be consistent with the "Building Standard Locking Systems," as that term is defined in Section 1 of **Exhibit D** of the Original Lease.

SECTION 3

CONSTRUCTION DRAWINGS

3.1 Selection of Architect/Construction Drawings. Tenant shall retain an architect/space planner reasonably approved in advance by Landlord (the "**Architect**") to prepare the "Construction Documents," as that term is defined in thisSection 3.1. Tenant shall retain engineering consultants reasonably approved by Landlord (the "**Engineers**") to prepare all engineering construction documents and specifications relating to the structural, mechanical, electrical, plumbing, HVAC, lifesafety, and sprinkler work in the Expansion Premises, which work is not part of the Base Building. Landlord hereby agrees that the Engineers or other consultants listed on **Schedule 1** attached hereto are approved if selected by Tenant. Notwithstanding the foregoing, in the event that Tenant shall not retain Landlord's designated mechanical, electrical and plumbing engineer (Engineered Spaces, Inc.) and/or Landlord's designated structural engineer (Nabih Youssef), then Tenant shall be responsible for the reasonable, out-of-pocket cost of review of the applicable plans by Landlord's designated mechanical, electrical and plumbing engineer and/or Landlord's designated structural engineer, as applicable. In addition, in the event that Tenant shall not retain Landlord's designated consultant (Jensen Hughes) as its smoke control consultant, then Tenant shall be responsible for the reasonable, out-of-pocket costs of review of the applicable plans by Landlord's designated smoke control consultant. Landlord hereby approves Newmark Knight Frank, as project manager if selected by Tenant. The plans and drawings to be prepared by Architect and the Engineers hereunder shall be known collectively as the "**Construction Documents**." All Construction Documents shall comply with reasonable industry standard drawing formats and specifications, and shall be subject to Landlord's reasonable approval (as set forth below), which shall not be unreasonably withheld, conditioned or delayed. Landlord's review of the Construction Documents as set forth in this Section 3, shall be for its sole purpose and shall not imply Landlord's review of the same, or obligate Landlord to review the same, for quality, design, Code compliance or other like matters. Accordingly, notwithstanding that any Construction Documents are reviewed by Landlord or its space planner, architect, engineers and consultants, and notwithstanding any advice or assistance which may be rendered to Tenant by Landlord or Landlord's space planner, architect, engineers, and consultants, Landlord shall have no liability whatsoever in connection therewith and shall not be responsible for any omissions or errors contained in the Construction Documents except as expressly set forth herein.

3.2 Final Space Plan. Tenant shall send to Landlord via electronic mail in accordance with the terms of Section 6.2 of this Tenant Work Letter, one (1) pdf electronic copy signed by Tenant, of its final space plan, along with other renderings or illustrations reasonably required by Landlord, to allow Landlord to understand Tenant's design intent, for the Expansion Premises before any architectural working drawings or engineering drawings have been commenced. The final space plan (the "**Final Space Plan**") shall include a layout and designation of all offices, rooms and other partitioning, their intended use, and equipment to be contained therein. Landlord shall not withhold its consent to the Final Space Plan except in the case of a Design Problem. Landlord may request clarification or more specific drawings for special use items not included in the Final Space Plan. Landlord shall advise Tenant within seven (7) business days after Landlord's receipt of the Final Space Plan for the Expansion Premises if the same is incomplete in any material respect or if a Design Problem exists, provided that Landlord's approval thereof shall not be unreasonably withheld, conditioned or delayed. If Tenant is so advised, Tenant shall promptly cause the Final Space Plan to be revised to be complete and to eliminate any Design Problem. If Landlord fails to respond to the Final Space Plan within the seven (7) business day period set forth above, Tenant may send Landlord a notice setting forth such failure and warning that a continuing failure to respond may result in a "deemed approval" (the "**Space Plan Reminder Notice**"). If Landlord fails to respond to the Final Space Plan within two (2) business days after receipt of the Space Plan Reminder Notice, such portion of the Final Space Plan shall be deemed approved by Landlord.

3.3 Final Construction Documents. Tenant shall supply the Engineers with a complete listing (to the best of Tenant's knowledge at the time) of standard and non-standard equipment and specifications, as may be requested by the Engineers, including, without limitation, B.T.U. calculations, electrical requirements and special electrical receptacle requirements for the Expansion Premises, to enable the Engineers and the Architect to complete the "Final Construction Documents" (as that term is defined below) in the manner as set forth below. Tenant shall promptly cause the Architect and the Engineers to complete the architectural and engineering documents for the Expansion Premises, and Architect shall compile a fully coordinated set of architectural, structural, mechanical, electrical and plumbing working drawings in a form which is complete to allow subcontractors to bid on the work and to obtain all applicable permits (collectively, the "**Final Construction Documents**"), and shall submit the same to Landlord for Landlord's approval, which shall not be withheld except in the case of a Design Problem and which approval shall also contain Landlord's designation of Required Removables as provided for in Section 8.6 of the Original Lease (and subject to the last sentence of Section 8.6 of the Original Lease). Tenant shall send to Landlord via electronic mail in accordance with the terms of Section 6.2 of this Tenant Work Letter, one (1) pdf electronic copy signed by Tenant, of such Final Construction Documents. Landlord shall advise Tenant within twelve (12) business days after Landlord's receipt of the Final Construction Documents for the Expansion Premises if the same is incomplete in any material respect or if a Design Problem exists. If Tenant is so advised, Tenant shall immediately revise the Final Construction Documents to cause them to be complete and to eliminate any Design Problem. If Landlord fails to respond to the Final Construction Documents within the twelve (12) business day period set forth above, Tenant may send Landlord a notice setting forth such failure and warning that a continuing failure to respond may result in a "deemed approval" (the "**Final Construction Documents Reminder Notice**"). If Landlord fails to respond to the Final Construction Documents within five (5) business days after receipt of the Final Construction Documents Reminder Notice, such portion of the Final Construction Documents shall be deemed approved by Landlord.

3.4 Approved Working Drawings. The Final Working Drawings shall be approved by Landlord (the "**Approved Working Drawings**") prior to the commencement of construction of the Expansion Premises by Tenant. After approval by Landlord of the Final Working Drawings, Tenant may submit the same to the appropriate municipal authorities for all applicable building permits, provided that Tenant shall have the right to submit to the City of Glendale a coordinated set of drawings, complete to the extent required to commence the plan check, the first phase in the permitting process (the "**Permit Set**"), prior to approval of the Final Construction Documents by Landlord (and Tenant acknowledges that Landlord shall not be responsible for any delays or costs incurred by Tenant in the event that Landlord requires revisions to the Final Working Drawings after the date of such submission of plans to the City of Glendale by Tenant). Tenant shall keep Landlord reasonably informed with respect to the timing and schedule of Tenant's permit submittals and responses from the City of Glendale, and will promptly respond to any requests for information by Landlord with respect thereto. Tenant hereby agrees that neither Landlord nor Landlord's consultants shall be responsible for obtaining any building permit or certificate of occupancy for the Expansion Premises and that obtaining the same shall be Tenant's responsibility; provided, however, that Landlord shall cooperate with Tenant in executing permit applications and performing other ministerial acts reasonably necessary to enable Tenant to obtain any such permit or certificate of occupancy. Tenant shall not commence construction until all required governmental permits are obtained. No material changes, modifications or alterations in the Approved Working Drawings may be made without the prior written consent of Landlord, which consent may not be withheld unless a Design Problem exists.

3.5 Electronic Approvals. Notwithstanding any provision to the contrary contained in the Lease, as amended hereby, or this Tenant Work Letter, Landlord may, in Landlord's sole and absolute discretion, transmit or otherwise deliver any of the approvals required under this Tenant Work Letter via electronic mail to Tenant's representative identified in Section 6.1 of this Tenant Work Letter, or by any of the other means identified in Section 29.18 of the Original Lease.

SECTION 4

CONSTRUCTION OF THE IMPROVEMENTS

4.1 Tenant's Selection of Contractors.

4.1.1 The Contractor. A general contractor shall be retained by Tenant to construct the Tenant Improvements. Such general contractor ("**Contractor**") shall be selected by Tenant and reasonably approved by Landlord.

4.1.2 Tenant's Agents . All subcontractors, laborers, materialmen, and suppliers used by Tenant (such subcontractors, laborers, materialmen, and suppliers, and the Contractor to be known collectively as "**Tenant's Agents**") must be approved in writing by Landlord, which approval shall not be unreasonably withheld or delayed, provided that (i) Tenant shall be required to retain Landlord's designated subcontractors with regard to hvac controls and fire/life safety (provided that such vendors shall provide services at commercially reasonable rates) and Tenant

shall further be required to retain Landlord's designated riser management company as provided for in Section 29.32 of the Original Lease (so long as, in each event, the same are reasonably competitively priced), and (ii) all subcontractors retained in connection with the Tenant Improvements shall be union for all trades other than audio/visual, security, low voltage, IT and furniture delivery/installation. Landlord hereby acknowledges and agrees that Tenant shall be entitled to retain locksmith and access control subcontractors selected by Tenant (subject to Landlord's approval as provided for hereinabove); provided, however, that (i) all keys/locks shall be compatible with the Building standard locking system, and (ii) all costs incurred in connection therewith shall be Tenant's responsibility (provided that any unused Tenant Improvement Allowance may be utilized thereof, subject to and in accordance with the terms of this Tenant Work Letter). Landlord shall respond to any approval request hereunder within five (5) business days, provided that the entities listed on Schedule 1 attached hereto are approved if selected by Tenant. If Landlord does not approve any of Tenant's proposed subcontractors, laborers, materialmen or suppliers, Tenant shall submit other proposed subcontractors, laborers, materialmen or suppliers for Landlord's written approval.

4.2 Construction of Tenant Improvements by Tenant's Agents

4.2.1 Construction Contract: Cost Budget. Tenant shall engage the applicable Contractor under a commercially reasonable construction contract (the "**Contract**"), provided that such Contract has insurance and indemnification provisions in a form reasonably acceptable to Landlord. Tenant shall submit a copy of the Contract to Landlord for Landlord's records. Prior to the commencement of the construction of the Tenant Improvements, and after Tenant has accepted all bids for the Tenant Improvements, Tenant shall provide Landlord with a detailed breakdown, by trade, of the final costs to be incurred or which have been incurred, as set forth more particularly in Sections 2.2.1.1 through 2.2.1.10, above, in connection with the design and construction of the Tenant Improvements to be performed by or at the direction of Tenant or the Contractor, which costs form a basis for the amount of the Contract (the "**Final Costs**"). For purposes hereof, the "Over-Allowance Amount" shall be equal to the difference between the amount of the Final Costs and the amount of the Tenant Improvement Allowance (less any portion thereof already disbursed by Landlord, or in the process of being disbursed by Landlord, on or before the commencement of construction of the Tenant Improvements). Tenant shall pay, within five (5) business days of written notice from Landlord, a percentage of each amount disbursed by Landlord to the Contractor or otherwise disbursed under this Tenant Work Letter, which percentage shall be equal to the amount of the Over-Allowance Amount divided by the amount of the Final Costs, and such payment by Tenant shall be a condition to Landlord's obligation to pay any amounts of the Tenant Improvement Allowance. In the event that, after the Final Costs have been delivered by Tenant to Landlord, the costs relating to the design and construction of the Tenant Improvements shall change, any additional costs necessary to such design and construction in excess of the Final Costs, shall be paid by Tenant on a prorata basis with Landlord consistent with the manner in which the initial Over-Allowance Amount is paid. In no event shall Landlord disburse an amount in excess of the Tenant Improvement Allowance under this Tenant Work Letter. Tenant shall provide Landlord with updated construction schedules and budgets on a regular basis during the course of construction of the Tenant Improvements, and in any event within fifteen (15) days after request by Landlord.

4.2.2 Tenant's Agents.

4.2.2.1 Landlord's General Conditions for Tenant's Agents and Tenant Improvement Work . Tenant's and Tenant's Agent's construction of the Tenant Improvements shall comply with the following: (i) the Tenant Improvements shall be constructed in material accordance with the Approved Construction Documents, as modified by approved change orders; (ii) Tenant's Agents shall submit schedules of all work relating to the Tenant Improvements to Landlord and Landlord shall inform Tenant's Agents of any changes which are necessary thereto, and Tenant's Agents shall adhere to such corrected schedule, and (iii) Tenant shall abide by all reasonable rules made by Landlord's Building manager with respect to the use of freight, loading dock and service elevators, any required shutdown of utilities (including lifesafety systems), storage of materials, coordination of work with the contractors of other tenants, and any other matter in connection with this Tenant Work Letter, including, without limitation, the construction of the Tenant Improvements. Tenant shall pay a logistical coordination fee (the "**Coordination Fee**") to Landlord in an amount equal to $45,000.00 in connection with the construction of the Tenant Improvements in the Expansion Premises.

4.2.2.2 Indemnity. The indemnities of each of the parties that are set forth inSection 10 of the Original Lease shall apply to the activities of the parties under this Tenant Work Letter.

4.2.2.3 Requirements of Tenant's Agents . The Contractor and subcontractors working on the construction of the Tenant Improvements shall guarantee to Tenant and for the benefit of Landlord that the portion of the Tenant Improvements for which it is responsible shall be free from any defects in workmanship and materials for a period of not less than one (1) year from the date of completion thereof. Contractor and such subcontractors shall be responsible for the replacement or repair, without additional charge, of all work done or furnished in accordance with its contract that shall become defective within one (1) year after the later to occur of (i) completion of the work performed by such contractor or subcontractors and (ii) the Expansion Premises Commencement Date. The correction of such work shall include, without additional charge, all additional expenses and damages incurred in connection with such removal or replacement of all or any part of the Tenant Improvements, and/or the Building and/or common areas that may be damaged or disturbed thereby. All such warranties or guarantees as to materials or workmanship of or with respect to the Tenant Improvements shall be contained in the Contract or subcontract and shall be written such that such guarantees or warranties, and any other guarantees or warranties that Tenant procures in connection with the construction of the Tenant Improvements and installations of equipment in the Expansion Premises, shall inure to the benefit of both Landlord and Tenant, as their respective interests may appear, and can be directly enforced by either. Tenant covenants to give to Landlord any assignment or other assurances which may be necessary to effect such right of direct enforcement.

4.2.2.4 Insurance Requirements. In connection with the construction of the Tenant Improvements, Tenant shall comply with the insurance requirements set forth in the Original Lease.

4.2.3 Governmental Compliance. The Tenant Improvements shall comply in all respects with the following: (i) the Code and other state, federal, city or quasi-governmental laws, codes, ordinances and regulations, as each may apply according to the rulings of the controlling public official, agent or other person; and (ii) building material manufacturer's specifications.

4.2.4 Inspection by Landlord. Landlord shall have the right to inspect the Tenant Improvements at all times during the course of construction of the Tenant Improvements, provided however, that Landlord's failure to inspect the Tenant Improvements shall in no event constitute a waiver of any of Landlord's rights hereunder nor shall Landlord's inspection of the Tenant Improvements constitute Landlord's approval of the same. Should Landlord disapprove any portion of the Tenant Improvements because a Design Problem exists, Landlord shall notify Tenant in writing of such disapproval and shall specify the items disapproved. Any defects or deviations in, and/or disapproval by Landlord of, the Tenant Improvements shall be rectified by Tenant at no expense to Landlord; provided however, that in the event Landlord determines that a defect or deviation exists or disapproves of any matter in connection with any portion of the Tenant Improvements and such defect, deviation or matter adversely affects the mechanical, electrical, plumbing, heating, ventilating and air conditioning or life-safety systems of the Building, the structure or exterior appearance of the Building or any other tenant's use of such other tenant's leased premises, Landlord may, following written notice to Tenant, take such action as Landlord deems necessary, at Tenant's expense and without incurring any liability on Landlord's part, to correct any such defect, deviation and/or matter.

4.2.5 Meetings. During the design and construction of the Tenant Improvements, Tenant shall hold meetings every week at a reasonable time, with the Architect and the Contractor regarding the progress of the design and construction of the Tenant Improvements. Landlord and/or its agents shall receive prior notice of, and shall have the right to attend, all such meetings. In addition, minutes shall be taken at all such meetings, a copy of which minutes shall be promptly delivered to Landlord. One such meeting each month shall include the review of Contractor's current request for payment.

4.3 Notice of Completion; Copy of Record Set of Plans. Within ten (10) days after completion of construction of the Tenant Improvements, Tenant shall cause a Notice of Completion to be recorded in the office of the Recorder of the county in which the Building is located in accordance with Section 8182 of the Civil Code of the State of California or any successor statute, and shall furnish a copy thereof to Landlord promptly following such recordation. If Tenant fails to do so, Landlord may execute and file the same on behalf of Tenant as Tenant's agent for such purpose, at Tenant's sole cost and expense. At the conclusion of construction, (i) Tenant shall cause the Architect and Contractor, or other applicable Tenant's Agents, to prepare and submit the "Record Set" of Documents as specified on Schedule 2 attached hereto, that will consist of 2 sets of architectural and engineered documents including all revisions (which documents shall also be submitted on a CADD disk formatted per the building standards), (ii) Tenant shall deliver to Landlord the original permit set of drawings and signed-off permit card, (iii) Tenant shall deliver to Landlord all warranties and maintenance manuals, (iv) Tenant shall deliver to Landlord air balance reports, (v) Tenant shall deliver to Landlord all unconditional lien releases from general contractor, subcontractors and suppliers. The "Record Set" of documents shall be submitted to the Landlord sixty days following Tenant's occupancy. If the "Record Set" of documents is not received within the timeframe noted, Landlord may, at Tenant's sole cost and expense, engage the Architect and Contractor to produce the "Record Set" of documents as listed in this Section 4.3.

SECTION 5

EXPANSION PREMISES COMMENCEMENT DATE DELAYS

5.1 Expansion Premises Commencement Date Delays. The Expansion Premises Commencement Date shall occur as provided in this Fifth Amendment, provided that the Expansion Premises Commencement Date shall be extended by the number of days of actual delay of the Substantial Completion of the Tenant Improvements in the subject Expansion Premises to the extent caused by an "Expansion Premises Commencement Date Delay," as that term is defined, below, but only to the extent such Expansion Premises Commencement Date Delay causes the Substantial Completion of the Tenant Improvements to occur after February 1, 2021. As used herein, the term "**Expansion Premises Commencement Date Delay**" shall mean only a "Force Majeure Delay" or a "Landlord Caused Delay," as those terms are defined below. As used herein, the term "Force Majeure Delay" shall mean only an actual delay resulting from strikes, fire, wind, damage or destruction to the Building, explosion, casualty, flood, hurricane, tornado, the elements, acts of God or the public enemy, sabotage, war, invasion, insurrection, rebellion, terrorist acts, civil unrest, riots, or earthquakes. As used in this Tenant Work Letter, "Landlord Caused Delay" shall mean actual delays to the extent resulting from the acts or omissions of Landlord including, but not limited to (i) failure of Landlord to timely approve or disapprove any Construction Drawings in the time periods specified in this Tenant Work Letter (except to the extent Landlord is deemed to have approved the same); (ii) material and unreasonable interference by Landlord, its agents or Landlord Parties (except as otherwise allowed under this Tenant Work Letter) with the Substantial Completion of the Tenant Improvements which objectively precludes or delays the construction of tenant improvements in the Building by any person, including interference which relates to access by Tenant, or Tenant's Agents to the Building or any Building facilities (including loading docks and freight elevators) or service (including temporary power and parking areas as provided herein) during normal construction hours, or the use thereof during normal construction hours; (iii) delays due to the acts or failures to act of Landlord with respect to payment of the Tenant Improvement Allowance (except as otherwise allowed under this Tenant Work Letter), and (iv) failure by Landlord to deliver the 6111 Floor Expansion Premises in the Delivery Condition by August 1, 2020.

5.2 Determination of Expansion Premises Commencement Date Delay. If Tenant contends that an Expansion Premises Commencement Date Delay has occurred, Tenant shall notify Landlord in writing of (i) the event which constitutes such Expansion Premises Commencement Date Delay and (ii) the date upon which such Expansion Premises Commencement Date Delay is anticipated to end. If such actions, inaction or circumstance described in the Notice set forth in (i) above of this Section 5.2 of this Tenant Work Letter (the "**Delay Notice**") are not cured by Landlord within one (1) business day of Landlord's receipt of the Delay Notice and if such action, inaction or circumstance otherwise qualify as a Expansion Premises Commencement Date Delay, then an Expansion Premises Commencement Date Delay shall be deemed to have occurred commencing as of the date of Landlord's receipt of the Delay Notice and ending as of the date such circumstances are cured by Landlord, provided that no cure period shall be required to the extent the delay is not subject to cure by Landlord.

5.3 Definition of Substantial Completion of the Tenant Improvements. For purposes of this Section 5, "**Substantial Completion of the Tenant Improvements"** shall mean completion of construction of the Tenant Improvements in the Expansion Premises pursuant to the Approved Construction Drawings, with the exception of any punch list items, and Tenant's receipt of a certificate of occupancy or its legal equivalent allowing legal occupancy of the Expansion Premises.

SECTION 6

MISCELLANEOUS

6.1 Tenant's Representatives. Tenant has designated Kristine Nguyen (email address: [***]), Gillian Sutton (email address: [***]), and Jeffrey York ([***]) as its sole representatives with respect to the matters set forth in this Tenant Work Letter, and each of whom, independently, shall have full authority and responsibility to act on behalf of the Tenant as required in this Tenant Work Letter.

6.2 Landlord's Representative. Landlord has designated Mr. Jonathan Haghani as its sole representative with respect to the matters set forth in this Tenant Work Letter and who, until further notice to Tenant, shall have full authority and responsibility to act on behalf of the Landlord as required in this Tenant Work Letter. Notwithstanding the foregoing, in connection with Tenant's submission by Tenant of the Final Space Plan and Final Construction Drawings to Landlord, Tenant shall be required to email the same to [***] and to [***] (and/or such other email address(es) as Landlord may from time to time designate by notice to Tenant).

6.3 Time of the Essence in This Tenant Work Letter. Unless otherwise indicated, all references herein to a "number of days" shall mean and refer to calendar days. If any item requiring approval is timely disapproved by Landlord, the procedure for preparation of the document and approval thereof shall be repeated until the document is approved by Landlord.

6.4 Tenant's Lease Default. Notwithstanding any provision to the contrary contained in the Lease, as amended hereby, if an event of Default, after expiration of any applicable notice or cure period, as described in the Lease, as amended hereby, or this Tenant Work Letter has occurred at any time on or before the Substantial Completion of the Expansion Premises, then (i) in addition to all other rights and remedies granted to Landlord pursuant to the Lease, as amended hereby, Landlord shall have the right to withhold payment of all or any portion of the Tenant Improvement Allowance until such time as such Default is cured, and (ii) all other obligations of Landlord under the terms of this Tenant Work Letter shall be forgiven until such time as such Default is cured or waived pursuant to the terms of the Lease, as amended hereby (in which case, Tenant shall be responsible for any delay in the substantial completion of the Expansion Premises caused by such inaction by Landlord).

6.5 No Miscellaneous Charges. Landlord shall provide, and neither Tenant nor Tenant's Agents shall be charged for parking, freight elevators (during Building Hours), hoists or lifts, access to loading docks, HVAC (during Building Hours) or other utilities to the extent utilized in connection with the design and construction of the Tenant Improvements and Tenant's move into the Expansion Premises prior to the Expansion Premises Commencement Date.

6.6 Hazardous Materials Costs. Landlord agrees, separate and apart from the Tenant Improvement Allowance, to bear any increased costs in the construction of the Tenant Improvements resulting from the presence of any Hazardous Materials in the Expansion Premises (provided such Hazardous Materials are not introduced by Tenant or Tenant's Agents). Further, subject to the terms of Section 5, above, any delays in the Substantial Completion of the Tenant Improvements resulting from the presence of Hazardous Materials in the Expansion Premises (provided such Hazardous Materials are not introduced by Tenant or Tenant's Agents) shall be a Landlord Caused Delay for purposes of this Tenant Work Letter.

6.7 Labor Harmony. Notwithstanding anything contained herein to the contrary, Tenant shall not use (and upon notice from Landlord shall cease using) contractors, subcontractors, services, workmen, labor, materials or equipment that, in Landlord's reasonable judgment, would disturb labor harmony with the workforce or trades engaged in performing other work, labor or services in or about the Project, Building or the Common Areas and/or that otherwise results in picketing or other labor disturbances at the Project and/or on property adjacent thereto.

SIXTH AMENDMENT TO OFFICE LEASE

This Sixth Amendment to Office Lease (this "**Sixth Amendment**") is made and entered into as of April 5, 2021, by and between BCSP 800 NORTH BRAND PROPERTY LLC, a Delaware limited liability company ("**Landlord**"), and SERVICETITAN, INC., a Delaware corporation ("**Tenant**").

RECITALS:

A. Landlord and Tenant are parties to that certain Office Lease, dated January 10, 2019 (the "**Original Lease**"), as amended by (i) that certain First Amendment to Office Lease, dated April 24, 2019, (ii) that certain Second Amendment to Office Lease, dated October 18, 2019 (the "**Second Amendment**"), (iii) that certain Third Amendment to Office Lease, dated January 1, 2020 (the "**Third Amendment**"), (iv) that certain Fourth Amendment to Office Lease, dated January 7, 2020 (the "**Fourth Amendment**"), and (v) that certain Fifth Amendment to Office Lease, dated January 22, 2020 (the "**Fifth Amendment**") (collectively, the "**Lease**"), pursuant to which Landlord leases to Tenant and Tenant leases from Landlord certain space (the "**Premises**") in the building located at 800 North Brand Boulevard, Glendale, California (the "**Building**").

B. Tenant desires to expand the Premises to include that certain space consisting of 776 rentable square feet of space located on the basement level of the Building (the "**Additional Basement Premises**"), as more particularly set forth on **Exhibit A** attached hereto, and to make certain other modifications to the Lease, all as hereinafter provided. The rentable square footage of the Additional Basement Premises shall be as set forth herein and shall not be subject to re-measurement or modification.

AGREEMENT:

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows.

1. **Defined Terms**. Except as explicitly set forth in this Sixth Amendment, each initially capitalized term when used herein shall have the same respective meaning as is set forth in the Lease.

2. **Premises**.

2.1 **Condition of Additional Basement Premises and Building**. Tenant hereby acknowledges and agrees that, except as expressly provided for in this Sixth Amendment (including **Exhibit B**, attached hereto), Tenant shall accept the Additional Basement Premises in its presently existing, "as is" condition, and Landlord shall not be obligated to provide or pay for any improvements or alterations to the Additional Basement Premises. Tenant also acknowledges that neither Landlord nor any agent of Landlord has made any representation or warranty regarding the condition of either the Additional Basement Premises or the Building, or with respect to the suitability of the foregoing for the conduct of Tenant's business.

2.2 **Lease of Additional Basement Premises**. Effective as of the "Additional Basement Premises Commencement Date," as that term is defined in Section 3.1, below, (i) Tenant shall lease from Landlord, and Landlord shall lease to Tenant, the Additional Basement Premises, and (ii) the Additional Basement Premises shall be included in the "Premises" for purposes of the Lease, as amended hereby. In addition, for purposes of Section 2.2.1 of the Original Lease, the Additional Basement Premises shall be deemed to be a part of the "Basement Premises".

3. **Additional Basement Premises Term; Early Occupancy; Additional Basement Premises Commencement Confirmation Notice**

3.1 **In General**. The term of Tenant's lease of the Additional Basement Premises shall commence on November 1, 2021 (the "**Additional Basement Premises Commencement Date**") and shall continue through and include Lease Expiration Date (which Landlord and Tenant hereby acknowledge agree shall occur on April 30, 2027), unless the Lease, as amended by this Sixth Amendment, is sooner terminated or extended as provided in the Lease, as amended hereby. Landlord shall use commercially reasonable efforts (without any obligation to incur increased or additional costs), to deliver the Additional Basement Premises to Tenant in the " **Delivery Condition,**" as that term is defined in **Exhibit B**, attached hereto, prior to June 1, 2021 **[THE FOREGOING IS ACCEPTABLE SO LONG AS THIS AMENDMENT IS FULLY EXECUTED BY APRIL 15]** . In addition, in the event that Landlord fails to deliver the Additional Basement Premises to Tenant in the Delivery Condition on or before June 1, 2021 (the "**Additional Basement Premises Outside Delivery Date**"), for each day that elapses following the Additional Basement Premises Outside Delivery Date until Landlord delivers the Additional Basement Premises to Tenant in the Delivery Condition, the Additional Basement Premises Commencement Date, as set forth hereinabove, shall be extended by one (1) day. The term of Tenant's lease of the Additional Basement Premises commencing as of the Additional Basement Premises Commencement Date and continuing through and including the Lease Expiration Date is referred to herein as the "**Additional Basement Premises Term**". For purposes hereof, Landlord shall be deemed to have delivered the Additional Basement Premises to Tenant at such time as Landlord shall provide Tenant access to the Additional Basement Premises in the Delivery Condition, and no action by Tenant shall be required therefor.

3.2 **Terms Applicable Prior to Additional Basement Premises Commencement Date** . Notwithstanding the Additional Basement Premises Commencement Date, Tenant shall have the right to occupy the Additional Basement Premises (for the purposes of constructing improvements therein and/or the conduct of Tenant's business) following Landlord's tendering of possession thereof in the Delivery Condition and prior to the Additional Basement Premises Commencement Date, and, in such event, all of the terms of the Lease, as amended hereby, shall apply to the Additional Basement Premises as of the first day that Tenant occupies the Additional Basement Premises, or any portion thereof, other than Tenant's obligation to pay Base Rent and Direct Expenses for the Additional Basement Premises, as though the Additional Basement Premises Commencement Date had occurred (although the Additional Basement Premises Commencement Date shall not actually occur until the occurrence of the same pursuant to the terms of this Sixth Amendment).

3.3 **Additional Basement Premises Commencement Confirmation Notice**. At any time following the Additional Basement Premises Commencement Date, Landlord may deliver to Tenant a commercially reasonable notice (the "**Additional Basement Premises Commencement Confirmation Notice**"), which Additional Basement Premises Commencement Confirmation Notice shall confirm the date of the occurrence of the Additional Basement Premises Commencement Date and the corresponding Base Rent schedule for the Additional Basement Premises (consistent with the terms of Section 4.1, below). Tenant shall execute and return such notice to Landlord within fifteen (15) business days of receipt thereof (provided that if the Additional Basement Premises Commencement Confirmation Notice is not factually correct, then Tenant shall make such changes as are necessary to make the notice factually correct and shall thereafter execute and return such notice to Landlord within such fifteen (15) business day period). Such modified Additional Basement Premises Commencement Confirmation Notice shall not be binding unless Landlord countersigns the notice with Tenant's changes. If Landlord does not so countersign the notice, Landlord and Tenant shall work together in good faith to agree upon and mutually execute an acceptable notice.

4. **Additional Basement Premises Rent**.

4.1 **Base Rent**.

4.1.1 **In General**. During the Additional Basement Premises Term, Tenant shall pay monthly installments of Base Rent for the Additional Basement Premises at the same rate per rentable square foot payable by Tenant from time to time by Tenant for the Must-Take Premises 1 Basement Premises (specifically disregarding the Base Rent abatement applicable to the Must-Take Premises 1 Basement Premises as set forth in the Lease, the parties agreeing that Tenant's Base Rent abatement for the Additional Basement Premises shall be exclusively as provided for in Section 4.1.2, below).

4.1.2 **Abated Base Rent**. Notwithstanding the terms of Section 4.1.1, above, provided that Tenant is not in monetary or material non-monetary Default of the Lease, as amended hereby, Tenant shall not be obligated to pay monthly Base Rent for the Additional Basement Premises commencing as of the Additional Basement Premises Commencement Date and continuing through and including the date that is 5.6 (five and six/tenths) months following the Additional Basement Premises Commencement Date.

4.2 **Tenant's Share of Direct Expenses for Additional Basement Premises**. Commencing as of the Additional Basement Premises Commencement Date and continuing throughout the Additional Basement Premises Term, Tenant shall pay Tenant's Share of Direct Expenses for the Additional Basement Premises in accordance with the terms of the Lease; provided, however, that with respect to the Additional Basement Premises, (i) Tenant's Share shall equal .15%, and (ii) the Base Year shall be the calendar year 2021. Based upon the foregoing and notwithstanding anything in the Lease to the contrary, Tenant's obligation to pay Direct Expenses for the Additional Basement Premises shall commence as of January 1, 2022.

5. **Improvement of Additional Basement Premises**.

5.1 **Improvement Allowance**. Subject to the terms of this Section 5, Tenant shall be entitled to a one-time allowance for the purchase and installation of improvements which are permanently affixed to the Additional Basement Premises (the "**Improvements**") in an amount equal to $19,400.00 (the "**Improvement Allowance**"). The construction and installation of the Improvements shall be made in accordance with the terms of the Office Lease, including, without limitation, Article 8. Landlord shall, within thirty (30) days following receipt of invoices marked as paid, unconditional mechanics' lien releases and such other information as Landlord may reasonably request with respect to the Improvements, reimburse Tenant for the cost of the Improvements. Landlord shall not be entitled to any construction management or supervision fee in connection with the construction of the Improvements hereunder.

5.2 **Other Terms; Allowances Deadline Date**. Notwithstanding anything contained herein to the contrary, in no event shall the aggregate of Landlord's disbursements for Improvements hereunder exceed the Improvement Allowance. In the event that the Improvement Allowance, or any portion thereof, is not utilized by Tenant (as evidenced by all documentation required hereunder having been delivered to Landlord), on or before November 30, 2022 (the "**Allowances Deadline Date**"), then such unused amounts shall revert to Landlord and Tenant shall have no further rights with respect thereto.

6. **Extension of Right to Use All Allowances Until Allowances Deadline Date**. Landlord hereby acknowledges and agrees that, notwithstanding anything in the Lease to the contrary, Tenant shall have the right to use the allowances previously granted to Tenant pursuant to **Exhibit B** to the Original Lease and **Exhibit B** to the Fifth Amendment (for the purposes permitted under the terms of the applicable exhibit and subject to the other terms of the applicable exhibit) at any time on or before the Allowances Deadline Date set forth in Section 5.2, above (failing which any unused allowance amounts shall revert to Landlord and Tenant shall have no further rights with respect thereto). For purposes of this Section 6, Tenant shall be deemed to have "used" an allowance, of any applicable portion thereof, if Tenant shall have delivered to Landlord all notices and other documentation required pursuant to the terms of the Lease for disbursement thereof.

7. **Building Food Service**.

7.1 **Project Upgrade Defined**. Landlord and Tenant hereby acknowledge and agree that the provision of food service shall not be a "Project Upgrade" for purposes of the Lease and, accordingly, that Section 1.1.6.1(iii) of the Office Lease shall be deemed to be deleted and shall be of no further force or effect.

7.2 **Food Service**.

7.2.1 **Food Service Commencement Notice**. Notwithstanding the terms of Section 7.1, above, Landlord and Tenant hereby agree that Landlord shall provide food service at the Building (which, at a minimum, shall include breakfast and lunch service Monday through Friday) ("**Food Service**") during the Lease Term, upon and subject to the terms of this Section 7.2. Notwithstanding the foregoing, Landlord and Tenant hereby further acknowledge and agree that Landlord shall not be obligated to provide Food Service until such time as Tenant shall deliver the "**Food Service Commencement Notice,**" as that term is defined, below, following which Landlord shall provide Food Service upon and subject to the terms of this Section 7.2. Tenant shall deliver notice to Landlord (the "**Food Service Commencement Notice**") not less than ninety (90) days prior to the first day (the "**Food Service Commencement Date**") of the first calendar

month in which Tenant desires Landlord to commence Food Service. Landlord hereby agrees that the foregoing right of Tenant to deliver a Food Service Commencement Notice shall be applicable at any time Landlord is not providing Food Service at the Building. Following Landlord's receipt of a Food Service Commencement Notice as provided for herein, Landlord shall commence providing Food Service no later than the Food Service Commencement Date; provided, however, that the Food Service Commencement Date shall be delayed to the extent that commencement of Food Service is delayed by reasons beyond the reasonable control of Landlord, including, without limitation, delays in obtaining health department or other permits required to commence providing Food Service.

7.2.2 **Tenant Obligation to Pay Tenant Food Service Subsidy**. Following Tenant's delivery of a Food Service Commencement Notice, Landlord and Tenant hereby acknowledge and agrees that Tenant shall be obligated to pay, if applicable, any "Tenant Food Service Subsidy," as that term is defined, below, in accordance with the terms hereof. During any period in which Landlord is required to provide Food Service based upon Tenant's delivery of a Food Service Commencement Notice, Landlord shall deliver to Tenant an annual statement indicating the gross sales generated by the operator of the Food Service for the preceding twelve (12) month period ("**Gross Sales**"), and, to the extent that Gross Sales for the one year period covered by the annual statement provided by Landlord are less than $1,067,000 (the "**Threshold Sales Amount**"), Tenant shall pay to Landlord the underage (the "**Tenant Food Service Subsidy**"), as Additional Rent, within thirty (30) days following receipt of the subject annual statement. To the extent that Landlord provides Food Service hereunder for less than a one year period (e.g., due to a termination by Tenant under Section 7.2.3, below), Landlord shall deliver a statement covering the subject less than one year period, and Tenant shall pay the Tenant Food Service Subsidy (provided that in such case, the Threshold Sales Amount shall be proportionately reduced to reflect the period covered by the subject statement of Gross Sales).

7.2.3 **Tenant Food Service Termination Notice**. At any time following Tenant's delivery of a Food Service Commencement Notice, Tenant shall have the right to deliver not less than ninety (90) days' notice to Landlord (a "**Tenant Food Service Termination Notice**") indicating Tenant's election to no longer require Landlord to provide Food Service, in which case, notwithstanding anything contained in this Section 7 to the contrary, upon the expiration of such ninety (90) day period, (i) Landlord shall have no obligation to provide Food Service (but Landlord shall retain the right to provide Food Service), (ii) Landlord shall have no further obligation to deliver the annual Gross Sales statements to Tenant under Section 7.2.2, above, and (iii) Tenant shall have no obligation to pay the Tenant Food Service Subsidy with regard to the period following the expiration of the period in which Landlord is obligated to provide Food Service (except to the extent Tenant shall subsequently deliver a Food Service Commencement Notice hereunder).

7.2.4 **Landlord Food Service Termination Notice**. At Landlord's sole option, Landlord shall have the right to provide Food Service notwithstanding that Landlord is not obligated to provide Food Service hereunder, provided that in such event (i) Landlord may at any time upon not less than ninety (90) days' notice to Tenant (a "**Food Service Termination Notice**"), cease providing Food Service, in which case Tenant may thereafter deliver a Food Service Commencement Notice and all the terms hereof (including Tenant's obligation with respect to the payment of the Tenant Food Service Subsidy as provided for herein) shall be applicable.

8. **Project Upgrades**. Tenant hereby acknowledges and agrees that (i) all Project Upgrades under the Lease, as amended hereby, have been completed as of the date of this Sixth Amendment, and (ii) Section 1.1.6.2 of the Original Lease shall be deemed to be deleted and shall be of no further force or effect.

9. **CASp Disclosure**. For purposes of Section 1938(a) of the California Civil Code, Landlord hereby discloses to Tenant, and Tenant hereby acknowledges, that the Premises (including the Additional Basement Premises) have not undergone inspection by a Certified Access Specialist (CASp). As required by Section 1938(e) of the California Civil Code, Landlord hereby states as follows: "A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises." In furtherance of the foregoing, notwithstanding anything in Article 24 of the Original Lease to the contrary, Landlord and Tenant hereby agree as follows: (a) any CASp inspection requested by Tenant shall be conducted, at Tenant's sole cost and expense, by a CASp designated by Landlord, and only in accordance with Landlord's reasonable rules and requirements; and (b) Tenant, at its cost, is responsible for making any repairs within the Premises (including the Additional Basement Premises) to correct violations of construction-related accessibility standards; and, if anything done by or for Tenant in its use or occupancy of the Premises (including the Additional Basement Premises), other than typical general office use and improvement of the Premises (including the Additional Basement Premises), shall require repairs to the Building or Project (outside the Premises (including the Additional Basement Premises)) to correct violations of construction-related accessibility standards, then Tenant shall reimburse Landlord upon demand, as Additional Rent, for the cost to Landlord of performing such repairs.

10. **Broker**. Landlord and Tenant hereby warrant to each other that, other than Jones Lang LaSalle and Cushman & Wakefield (collectively, "**Brokers**"), they have had no dealings with any real estate broker or agent in connection with the negotiation of this Sixth Amendment and that they know of no other real estate broker or agent who is entitled to a commission in connection with this Sixth Amendment. Each party agrees to indemnify and defend the other party against and hold the other party harmless from any and all claims, demands, losses, liabilities, lawsuits, judgments, and costs and expenses (including, without limitation, reasonable attorneys' fees) with respect to any leasing commission or equivalent compensation alleged to be owing on account of the indemnifying party's dealings with any real estate broker or agent other than Brokers. The terms of this Section 10 shall survive the expiration or earlier termination of the Lease, as hereby amended. Landlord shall pay the commission due to Brokers in connection with this Sixth Amendment pursuant to separate written agreements with Brokers.

11. **No Other Modifications**. Except as otherwise provided herein, all other terms and provisions of the Lease shall remain in full force and effect, unmodified by this Sixth Amendment.

12. **Counterparts; Manner of Execution**. This Sixth Amendment may be executed in counterparts and/or via facsimile, pdf or electronic signature (e.g., via Docusign), and Landlord and Tenant hereby acknowledge and agree that the same shall be fully effective in the same manner as if both parties hereto had executed the same document in original counterparts by hand. If applicable, both counterparts shall be construed together and shall constitute a single, original document.

13. **Conflict**. In the event of any conflict between the Lease and this Sixth Amendment, this Sixth Amendment shall prevail.

IN WITNESS WHEREOF, the parties have entered into this Sixth Amendment as of the date first set forth above.

RECITALS:

A. Landlord and Tenant are parties to that certain Office Lease, dated January 10, 2019 (the "**Original Lease**"), as amended by (i) that certain First Amendment to Office Lease, dated April 24, 2019, (ii) that certain Second Amendment to Office Lease, dated October 18, 2019 (the "**Second Amendment**"), (iii) that certain Third Amendment to Office Lease, dated January 1, 2020 (the "**Third Amendment**"), (iv) that certain Fourth Amendment to Office Lease, dated January 17, 2020, (v) that certain Fifth Amendment to Office Lease, dated January 22, 2020, and (vi) that certain Sixth Amendment to Office Lease, dated April 5, 2021 (collectively, the "**Lease**"), pursuant to which Landlord leases to Tenant and Tenant leases from Landlord certain space (the "**Premises**") in the building located at 800 North Brand Boulevard, Glendale, California (the "**Building**").

B. Tenant desires to expand the Premises to include that certain space consisting of 6,522 rentable square feet of space located on the basement level of the Building (the "**Second Additional Basement Premises**"), as more particularly set forth on **Exhibit A** attached hereto, and to make other modifications to the Lease, as hereinafter provided. The rentable square footage of the Second Additional Basement Premises shall be as set forth herein and shall not be subject to re-measurement or modification.

AGREEMENT:

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows.

1. **Defined Terms**. Except as explicitly set forth in this Seventh Amendment, each initially capitalized term when used herein shall have the same respective meaning as is set forth in the Lease.

2. **Second Additional Basement Premises**.

2.1 **Condition of Second Additional Basement Premises and Building**. Tenant hereby acknowledges and agrees that, except as expressly provided for in this Seventh Amendment (including the Tenant Work Letter attached hereto as **Exhibit B** (the "**Tenant Work Letter**")), Tenant shall accept the Second Additional Basement Premises in its then existing, "as is" condition, and Landlord shall not be obligated to provide or pay for any improvements or alterations to the Second Additional Basement Premises. Tenant also acknowledges that neither Landlord nor any agent of Landlord has made any representation or warranty regarding the condition of either the Second Additional Basement Premises or the Building, or with respect to the suitability of the foregoing for the conduct of Tenant's business.

2.2 **Lease of Second Additional Basement Premises**. Effective as of the "Second Additional Basement Premises Commencement Date," as that term is defined in Section 3.1, below, Tenant shall lease from Landlord and Landlord shall lease to Tenant the Second Additional Basement Premises, and the Second Additional Basement Premises shall be included in the "Premises" for purposes of the Lease, as amended hereby. In addition, for purposes of Section 2.2.1 of the Original Lease, the Second Additional Basement Premises shall be deemed to be a part of the "Basement Premises".

3. **Second Additional Basement Premises Term; Completed Expansion Floors; Early Occupancy; Expansion Commencement Confirmation Notice**.

3.1 **In General**. The term of Tenant's lease of the Second Additional Basement Premises shall commence on May 1, 2022 (the "**Second Additional Basement Premises Commencement Date**") and shall continue through and include Lease Expiration Date (which Landlord and Tenant hereby acknowledge agree shall occur on April 30, 2027), unless the Lease, as amended by this Seventh Amendment, is sooner terminated or extended as provided in the Lease, as amended hereby. The term of Tenant's lease of the Second Additional Basement Premises commencing as of the Second Additional Basement Premises Commencement Date and continuing through and including the Lease Expiration Date is referred to herein as the "**Second Additional Basement Premises Term**". Landlord and Tenant hereby acknowledge and agree that (i) Landlord shall tender possession of the Second Additional Basement Premises to Tenant in the "Delivery Condition," as that term is defined in Section 1 of the Tenant Work Letter, no later than November 1, 2021 (the "**Outside Delivery Date**"), and (ii) Landlord shall be deemed to have tendered possession of the Second Additional Basement Premises to Tenant upon the date that Landlord provides Tenant with a key or access card to the Second Additional Basement Premises, and no action by Tenant shall be required therefor.

3.2 **Terms Applicable Prior to Second Additional Basement Premises Commencement Date**. Notwithstanding the Second Additional Basement Premises Commencement Date, Tenant shall have the right to occupy the Second Additional Basement Premises (for the purposes of constructing improvements therein and/or the conduct of Tenant's business) following Landlord's tendering of possession thereof and prior to the Second Additional Basement Premises Commencement Date, and, in such event, all of the terms of the Lease, as amended hereby, shall apply to the Second Additional Basement Premises as of the first day that Tenant occupies the Second Additional Basement Premises, or any portion thereof, other than Tenant's obligation to pay Base Rent and Direct Expenses for the Second Additional Basement Premises, as though the Second Additional Basement Premises Commencement Date had occurred (although the Second Additional Basement Premises Commencement Date shall not actually occur until the occurrence of the same pursuant to the terms of this Seventh Amendment).

3.3 **Expansion Commencement Confirmation Notice**. At any time following the Second Additional Basement Premises Commencement Date, Landlord may deliver to Tenant a commercially reasonable notice (the "**Expansion Commencement Confirmation Notice**"), which Expansion Commencement Confirmation Notice shall confirm the date of the occurrence of the Second Additional Basement Premises Commencement Date and the corresponding Base Rent schedule for the Second Additional Basement Premises (consistent with the terms of this Seventh Amendment). Tenant shall execute and return such notice to Landlord within fifteen (15)

business days of receipt thereof (provided that if the Expansion Commencement Confirmation Notice hereunder is not factually correct, then Tenant shall make such changes as are necessary to make the notice factually correct and shall thereafter execute and return such notice to Landlord within such fifteen (15) business day period). Such modified Expansion Commencement Confirmation Notice shall not be binding unless Landlord countersigns the notice with Tenant's changes. If Landlord does not so countersign the notice, Landlord and Tenant shall work together in good faith to agree upon and mutually execute an acceptable notice.

4. **Second Additional Basement Premises Rent**.

4.1 **Base Rent**.

4.1.1 **In General**. During the Second Additional Basement Premises Term, Tenant shall pay monthly installments of Base Rent for the Second Additional Basement Premises at the same rate per rentable square foot payable by Tenant from time to time by Tenant for the Must-Take Premises 1 Basement Premises (specifically disregarding the Base Rent abatement applicable to the Must-Take Premises 1 Basement Premises as set forth in the Lease, the parties agreeing that Tenant's Base Rent abatement for the Second Additional Basement Premises shall be exclusively as provided for in Section 4.1.2, below).

4.1.2 **Abated Base Rent**. Notwithstanding the terms of Section 4.1.1, above, provided that Tenant is not in monetary or material non-monetary Default of the Lease, as amended hereby, Tenant shall not be obligated to pay monthly Base Rent for the Second Additional Basement Premises commencing as of the Second Additional Basement Premises Commencement Date and continuing through and including the date that is five (5) months following the Second Additional Basement Premises Commencement Date (the "**Second Additional Basement Premises Abatement Period**").

4.2 **Tenant's Share of Direct Expenses for Second Additional Basement Premises**. Commencing as of the Second Additional Basement Premises Commencement Date and continuing throughout the Second Additional Basement Premises Term, Tenant shall pay Tenant's Share of Direct Expenses for the Second Additional Basement Premises in accordance with the terms of the Lease; provided, however, that with respect to the Second Additional Basement Premises, (i) Tenant's Share shall equal 1.2253%, (ii) the Base Year shall be the calendar year 2022, and (iii) Tenant shall have no obligation to pay any Direct Expenses for the Second Additional Basement Premises during the Second Additional Basement Premises Abatement Period. The last sentence of Section 4.1 of the Original Lease shall not be applicable with respect to the Second Additional Basement Premises.

5. **Supplemental HVAC System Located in Second Additional Basement Premises** . Tenant hereby acknowledges and agrees that (i) as of the date of this Seventh Amendment, Landlord maintains a supplemental HVAC system above the ceiling in "Suite C" of the Second Additional Basement Premises ("**Landlord's Supplemental HVAC Unit**"), which Landlord's Supplemental HVAC Unit services the IDF room adjacent to the Second Additional Basement Premises, (ii) Landlord shall have the right at all times (including during the term of Tenant's lease of the Second Additional Basement Premises) to continue to maintain and utilize Landlord's Supplemental HVAC Unit and Landlord shall have no obligation to remove or relocate

the same, (iii) Tenant shall have no right to access, remove, alter, use, move or otherwise interfere with Landlord's use of Landlord's Supplemental HVAC Unit, and (iv) Landlord shall have the right to access Landlord's Supplemental HVAC Unit through the Second Additional Basement Premises for all reasonable purposes (including, without limitation, for repairs, maintenance and replacements) in accordance with the terms of Article 27 of the Original Lease (including the requirement that Landlord provide Tenant with reasonable notice prior to entry into the Premises (except in the case of an Emergency)). Landlord shall be responsible for the repair of damage to the Premises (a) caused by the HVAC Unit (e.g., if there is a leak resulting in damage) or (b) resulting from Landlord's repair, maintenance or replacement of the HVAC Unit, and Tenant shall be responsible for the cost of any damage to the HVAC Unit to the extent caused by Tenant or any Tenant Parties.

6. **Parking**. In connection with Tenant's lease of the Second Additional Basement Premises pursuant to the terms of this Seventh Amendment, notwithstanding anything in the Lease to the contrary (including, without limitation, Section 13 of the Summary of Basic Lease Information in the Original Lease), the number of unreserved parking passes to which Tenant is entitled shall increase, as of the Second Additional Basement Premises Commencement Date, by ten (10) unreserved parking passes (the "**Second Additional Basement Premises Parking Passes**"). Except as set forth herein, Tenant's rights and obligations with regard to the leasing of the Second Additional Basement Premises Parking Passes shall be in accordance with the terms of the Lease.

7. **CASp Disclosure**. For purposes of Section 1938(a) of the California Civil Code, Landlord hereby discloses to Tenant, and Tenant hereby acknowledges, that the Premises (including the Second Additional Basement Premises) have not undergone inspection by a Certified Access Specialist (CASp). As required by Section 1938(e) of the California Civil Code, Landlord hereby states as follows: "A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises." In furtherance of the foregoing, notwithstanding anything in Article 24 of the Original Lease to the contrary, Landlord and Tenant hereby agree as follows: (a) any CASp inspection requested by Tenant shall be conducted, at Tenant's sole cost and expense, by a CASp designated by Landlord, and only in accordance with Landlord's reasonable rules and requirements; and (b) Tenant, at its cost, is responsible for making any repairs within the Premises (including the Second Additional Basement Premises) to correct violations of construction-related accessibility standards; and, if anything done by or for Tenant in its use or occupancy of the Premises (including the Second Additional Basement Premises) (other than typical general office use and improvement of the Premises (including the Second Additional Basement Premises)) shall require repairs to the Building or Project (outside the Premises (including the Second Additional Basement Premises)) to correct violations of construction-related accessibility standards, then Tenant shall reimburse Landlord upon demand, as Additional Rent, for the cost to Landlord of performing such repairs.

8 . **Broker**. Landlord and Tenant hereby warrant to each other that, other than Jones Lang LaSalle and Cushman & Wakefield (collectively, "**Brokers**"), they have had no dealings with any real estate broker or agent in connection with the negotiation of this Seventh Amendment and that they know of no other real estate broker or agent who is entitled to a commission in connection with this Seventh Amendment. Each party agrees to indemnify and defend the other party against and hold the other party harmless from any and all claims, demands, losses, liabilities, lawsuits, judgments, and costs and expenses (including, without limitation, reasonable attorneys' fees) with respect to any leasing commission or equivalent compensation alleged to be owing on account of the indemnifying party's dealings with any real estate broker or agent other than Brokers. The terms of this Section 8 shall survive the expiration or earlier termination of the Lease, as hereby amended. Landlord shall pay the commission due to Brokers in connection with this Seventh Amendment pursuant to separate written agreements with Brokers.

9. **No Other Modifications**. Except as otherwise provided herein, all other terms and provisions of the Lease shall remain in full force and effect, unmodified by this Seventh Amendment.

10. **Counterparts; Manner of Execution**. This Seventh Amendment may be executed in counterparts and/or via facsimile, pdf or electronic signature (e.g., via Docusign), and Landlord and Tenant hereby acknowledge and agree that the same shall be fully effective in the same manner as if both parties hereto had executed the same document in original counterparts by hand. If applicable, both counterparts shall be construed together and shall constitute a single, original document.

11. **Conflict**. In the event of any conflict between the Lease and this Seventh Amendment, this Seventh Amendment shall prevail.

TENANT WORK LETTER

This Tenant Work Letter shall set forth the terms and conditions relating to the construction of the Second Additional Basement Premises. This Tenant Work Letter is essentially organized chronologically and addresses the issues of the construction of the Second Additional Basement Premises, in sequence, as such issues will arise during the actual construction of the Second Additional Basement Premises.

SECTION 1

CONDITION OF SECOND ADDITIONAL BASEMENT PREMISES

Tenant shall accept the Second Additional Basement Premises from Landlord in their existing, "as-is" condition as of the date of Landlord's delivery thereof, provided that upon Landlord's delivery of the Second Additional Basement Premises to Tenant, Landlord shall cause the Base Building with respect to Suites B and BC of the Second Additional Basement Premises to be in good working order and in a structurally sound condition (but Landlord shall not have such obligations as to Suite C of the Second Additional Basement Premises), and shall cause the Second Additional Basement Premises to be free of personal property (specifically excluding Landlord's Supplemental HVAC Unit"), all at Landlord's sole cost and expense (the "**Delivery Condition**").

SECTION 2

IMPROVEMENTS

2.1 Tenant Improvement Allowance.

2.1.1 In General. Tenant shall be entitled to a one-time improvement allowance in the amount of the "Tenant Improvement Allowance," as that term is defined, below, for the costs relating to the initial design and construction of the improvements, which are permanently affixed to the applicable Second Additional Basement Premises (the "**Tenant Improvements**"). For purposes of this Tenant Work Letter, the "**Tenant Improvement Allowance**" shall mean $283,054.80.

2.2.2 Tenant's Right to Perform Basement Level Restroom Renovation Additional Use of Tenant Improvement Allowance. Landlord and Tenant hereby acknowledge and agree that, subject to the terms of this Section 2.2.2 and this Tenant Work Letter, Tenant shall have the right to improve and expand the Common Area base building restrooms located on the basement level of the Building (the "**Basement Level Restrooms**," and such improvement/expansion thereof, the "**Basement Level Restroom Renovation**"), notwithstanding that the same are not a part of the Second Additional Basement Premises (or any other space leased by Tenant). In connection with the foregoing, Landlord and Tenant further acknowledge and agree that (i) Tenant may utilize any used portion of the Tenant Improvement Allowance for the Basement Level Restroom Renovation or Tenant may self-fund the same (Tenant hereby agreeing that in no

event shall Landlord be obligated to pay for any portion of the Basement Level Restroom Renovation), (ii) the Basement Level Restrooms shall at all times be and remain a part of the Common Areas, (iii) in no event shall Tenant's expansion of the Basement Level Restrooms extend beyond the area depicted on Schedule 3 to this Tenant Work Letter, (iv) notwithstanding anything in this Tenant Work Letter to the contrary, all improvements, including the exact nature of the expansion, of the Basement Level Restroom Renovation shall be subject to Landlord's approval, which shall not be unreasonably withheld (and Landlord's approval shall specifically not be limited to a Design Problem, the parties agreeing that references in this Tenant Work Letter to approval or disapproval being limited to a Design Problem, shall, with regard to the Basement Level Restroom Renovation, be deemed to mean Landlord's reasonable approval or disapproval), (v) once commenced, the Basement Level Restroom Renovation shall be diligently prosecuted to completion by Tenant, (vi) the Basement Level Restroom Renovation shall be completed prior to the "Second Additional Basement Premises Allowance Outside Date," as that term is defined in Section 2.2.3, below (subject to delays in the completion thereof to the extent resulting from Force Majeure, provided that Tenant promptly notifies Landlord of the occurrence thereof), and (vii) except as specifically set forth in this Section 2.1, all of the terms of this Tenant Work Letter shall be applicable to the Basement Level Restroom Renovation in the same manner as such terms are applicable to the Tenant Improvements (i.e., as if the Basement Level Restroom Renovation constituted Tenant Improvements under this Tenant Work Letter). Notwithstanding anything to the contrary contained in the Lease, Tenant shall not be obligated to restore the Basement Level Restrooms to their original condition at the expiration or earlier termination of the Lease, as amended hereby.

2.2.3 Other Terms. In no event shall Landlord be obligated to make disbursements pursuant to this Tenant Work Letter in a total amount which exceeds the sum of the Tenant Improvement Allowance. Notwithstanding the foregoing or any contrary provision of the Lease, as amended hereby, all Tenant Improvements (and the Basement Level Restroom Renovation) shall be deemed Landlord's property under the terms of the Lease, as amended hereby. Any unused portion of the Tenant Improvement Allowance remaining as of the date (the " **Second Additional Basement Premises Allowance Outside Date**") that is twelve (12) months after the Second Additional Basement Premises Commencement Date shall remain with Landlord and Tenant shall have no further right thereto. The "Additional Basement Premises Allowance Outside Date" shall be subject to extension to the extent of any delays in Tenant's use of the Tenant Improvement Allowance resulting from Force Majeure, provided that Tenant promptly notifies Landlord of the occurrence thereof.

2.2 Disbursement of the Tenant Improvement Allowance.

2.2.1 Tenant Improvement Allowance Items. Except as otherwise set forth in this Tenant Work Letter, the Tenant Improvement Allowance shall be disbursed by Landlord (each of which disbursements shall be made pursuant to Landlord's reasonable disbursement process, including, without limitation, Landlord's receipt of invoices for all costs and fees described herein) only for the following items and costs (collectively the "**Tenant Improvement Allowance Items**"):

2.2.1.1 Payment of the fees of the "Architect" and the "Engineers," as those terms are defined inSection 3.1 of this Tenant Work Letter, and fees of Tenant's consultants for project management, plan check expeditor, and other engineers and/or consultants for lighting, HVAC, or other systems to be installed in the Second Additional Basement Premises; and the out-of-pocket costs incurred by Landlord, if any, in connection with Landlord's review of the "Construction Documents," as that term is defined in Section 3.1, below, but Tenant shall only be responsible for such out-of-pockets costs of Landlord to the extent the Tenant Improvements consist of other than typical general office tenant improvements;

2.2.1.2 The payment of plan check, permit and license fees relating to construction of the Tenant Improvements;

2.2.1.3 The cost of construction of the Tenant Improvements, inclusive of supplemental HVAC equipment, and including, without limitation, testing and inspection costs, after-hours charges, freight elevator costs (after Building Hours), hoisting and trash removal costs, and contractors' fees and general conditions;

2.2.1.4 The cost of any changes in the Base Building when such changes are required by the Construction Drawings, such cost to include all direct architectural and/or engineering fees and expenses incurred in connection therewith;

2.2.1.5 The cost of any changes to the Construction Drawings or Tenant Improvements required by all applicable building codes (the "**Code**");

2.2.1.6 The cost of Tenant's permanently affixed security installations;

2.2.1.7 Sales and use taxes and Title 24 fees;

2.2.1.8 Costs of affixed, "built-in" furniture for the Second Additional Basement Premises;

2.2.1.9 The "Coordination Fee," as that term is defined in Section 4.2.2 of this Tenant Work Letter; and

2.2.1.10 All other costs which are approved by Tenant in writing and which are to be expended by Landlord in connection with the construction of the Tenant Improvements.

In no event shall the Tenant Improvement Allowance be disbursed by Landlord for any non-affixed (i.e., not "built-in") furniture, fixtures or equipment.

2.2.2 Disbursement of Tenant Improvement Allowance. During the construction of the Tenant Improvements, Landlord shall make monthly disbursements of the Tenant Improvement Allowance for Tenant Improvement Allowance Items and shall authorize the release of monies as follows.

2.2.2.1 Monthly Disbursements. On or before the tenth (10th) day of each calendar month during the construction of the Tenant Improvements, Tenant shall deliver to Landlord: (i) a request for payment of the "Contractor," as that term is defined in Section 4.1 of this Tenant Work Letter, approved by Tenant and the "Architect", in an industry standard form, showing the schedule, by trade, of percentage of completion of the Tenant Improvements in the Second Additional Basement Premises, detailing the portion of the work completed and the portion not completed; (ii) paid invoices from all of "Tenant's Agents," as that term is defined in Section 4.1.2 of this Tenant Work Letter, for labor rendered and materials delivered to the Second Additional Basement Premises and evidence that the previous invoices have been paid; executed conditional and/or unconditional mechanic's lien releases, as applicable, from all of Tenant's Agents which shall comply with the appropriate provisions, as reasonably determined by Landlord, of California Civil Code Sections 8132, 8134, 8136 and 8138 (with respect to sums that are the subject of the current disbursement request, conditional mechanic's lien releases shall be acceptable, provided that Tenant also submits unconditional mechanic's lien releases for all sums previously paid in connection with any and all prior disbursement requests) (the "**Releases**"); and all other information relating to the construction of the Tenant Improvements as is reasonably requested by Landlord. Thereafter, within thirty (30) days after receipt of such items, Landlord shall deliver a check to Tenant made payable to Tenant (or to Contractor or such other of Tenant's Agents as requested by Tenant) in payment of the lesser of: (A) the amounts so requested by Tenant, as set forth in this Section 2.2.2.1, above, less a ten percent (10%) retention (the aggregate amount of such retentions to be known as the "**Final Retention**"), and (B) the balance of any remaining available portion of the Tenant Improvement Allowance (not including the Final Retention). Landlord's payment of such amounts shall not be deemed Landlord's approval or acceptance of the work furnished or materials supplied as set forth in Tenant's payment request.

2.2.2.2 Final Retention. Subject to the provisions of this Tenant Work Letter, a check for the Final Retention payable to Tenant (or such of Tenant's Agents as requested by Tenant) shall be delivered by Landlord to Tenant following the completion of construction of the Second Additional Basement Premises, provided that (i) Tenant delivers to Landlord properly executed Releases, (ii) Landlord has determined that there are no substandard conditions, or material deviations from the Approved Working Drawings, (iii) Architect delivers to Landlord a certificate, in a form reasonably acceptable to Landlord, certifying that the construction of the Tenant Improvements in the Second Additional Basement Premises has been substantially completed, (iv) Tenant delivers to Landlord the "Record Set" of documents as defined in Section 4.3 below, and (v) Tenant delivers to Landlord one (1) copy (in both paper form and electronic form) of the close close-out package containing the applicable items outlined in **Schedule 2** attached hereto.

2.2.2.3 Other Terms. Landlord shall only be obligated to make disbursements from the Tenant Improvement Allowance to the extent costs are incurred by Tenant for Tenant Improvement Allowance Items. All Tenant Improvement Allowance Items for which the Tenant Improvement Allowance has been made available shall be deemed Landlord's property under the terms of the Lease, as amended hereby.

2.3 Offset Rights. To the extent that Landlord fails to pay from the Tenant Improvement Allowance amounts due to Contractor, Architects, Engineers and Tenant's Agents in accordance with the terms hereof, and such amounts remain unpaid for thirty (30) days after notice from Tenant, then without limiting Tenant's other remedies under the Lease, as amended hereby, Tenant may, after Landlord's failure to pay such amounts within five (5) business days after Tenant's delivery of a second notice from Tenant delivered after the expiration of such 30-day period, pay same and deduct the amount thereof from the Rent next due and owning under the Lease, as amended hereby, including interest at the Interest Rate from the due date until the date of the Rent offset. Notwithstanding the foregoing, if during either the 30-day or 5-day period set forth above, Landlord (i) delivers notice to Tenant that it reasonably and in good faith disputes any portion of the amounts claimed to be due (the "**Allowance Dispute Notice**"), and (ii) pays any amounts not in dispute, Tenant shall have no right to offset any amounts against rent, but may institute legal action to recover such amounts from Landlord. Notwithstanding of the foregoing, in the event Tenant institutes legal action as provided herein and is adjudged the prevailing party in such action, Landlord shall pay the amount of such award, including interest at the Interest Rate, and if Landlord fails to pay, Tenant shall be entitled, automatically, to offset the amount of such award against the Base Rent next coming due under the Lease, as amended hereby, including interest at the Interest Rate from the due date until the date of the Rent offset. Further, in the event Tenant is adjudged the prevailing party, any delay actually caused to Tenant as a result of Landlord's failure to pay the disputed amount shall be deemed to be a "Landlord Caused Delay" under Section 5 of this Tenant Work Letter.

2.4 Standard Locking Systems. Tenant shall cause its locking systems servicing the Second Additional Basement Premises to be consistent with the "Building Standard Locking Systems," as that term is defined in Section 1 of **Exhibit D** of the Original Lease.

SECTION 3

CONSTRUCTION DRAWINGS

3.1 Selection of Architect/Construction Drawings. Tenant shall retain an architect/space planner reasonably approved in advance by Landlord (the "**Architect**") to prepare the "Construction Documents," as that term is defined in thisSection 3.1. Tenant shall retain engineering consultants reasonably approved by Landlord (the "**Engineers**") to prepare all engineering construction documents and specifications relating to the structural, mechanical, electrical, plumbing, HVAC, lifesafety, and sprinkler work in the Second Additional Basement Premises, which work is not part of the Base Building. Landlord hereby agrees that the Engineers or other consultants listed on **Schedule 1** attached hereto are approved if selected by Tenant. Notwithstanding the foregoing, in the event that Tenant shall not retain Landlord's designated mechanical, electrical and plumbing engineer (Engineered Spaces, Inc.) and/or Landlord's designated structural engineer (Nabih Youssef), then Tenant shall be responsible for the reasonable, out-of-pocket cost of review of the applicable plans by Landlord's designated mechanical, electrical and plumbing engineer and/or Landlord's designated structural engineer, as applicable. In addition, in the event that Tenant shall not retain Landlord's designated consultant (Jensen Hughes) as its smoke control consultant, then Tenant shall be responsible for the reasonable, out-of-pocket costs of review of the applicable plans by Landlord's designated smoke control consultant. Landlord hereby approves Newmark Knight Frank, as project manager if selected by Tenant. The plans and drawings to be prepared by Architect and the Engineers hereunder shall be known collectively as

the "**Construction Documents**." All Construction Documents shall comply with reasonable industry standard drawing formats and specifications, and shall be subject to Landlord's reasonable approval (as set forth below), which shall not be unreasonably withheld, conditioned or delayed. Landlord's review of the Construction Documents as set forth in this Section 3, shall be for its sole purpose and shall not imply Landlord's review of the same, or obligate Landlord to review the same, for quality, design, Code compliance or other like matters. Accordingly, notwithstanding that any Construction Documents are reviewed by Landlord or its space planner, architect, engineers and consultants, and notwithstanding any advice or assistance which may be rendered to Tenant by Landlord or Landlord's space planner, architect, engineers, and consultants, Landlord shall have no liability whatsoever in connection therewith and shall not be responsible for any omissions or errors contained in the Construction Documents except as expressly set forth herein.

3.2 Final Space Plan. Tenant shall send to Landlord via electronic mail in accordance with the terms ofSection 6.2 of this Tenant Work Letter, one (1) pdf electronic copy signed by Tenant, of its final space plan, along with other renderings or illustrations reasonably required by Landlord, to allow Landlord to understand Tenant's design intent, for the Second Additional Basement Premises before any architectural working drawings or engineering drawings have been commenced. The final space plan (the "**Final Space Plan**") shall include a layout and designation of all offices, rooms and other partitioning, their intended use, and equipment to be contained therein. Landlord shall not withhold its consent to the Final Space Plan except in the case of a Design Problem. Landlord may request clarification or more specific drawings for special use items not included in the Final Space Plan. Landlord shall advise Tenant within seven (7) business days after Landlord's receipt of the Final Space Plan for the Second Additional Basement Premises if the same is incomplete in any material respect or if a Design Problem exists, provided that Landlord's approval thereof shall not be unreasonably withheld, conditioned or delayed. If Tenant is so advised, Tenant shall promptly cause the Final Space Plan to be revised to be complete and to eliminate any Design Problem. If Landlord fails to respond to the Final Space Plan within the seven (7) business day period set forth above, Tenant may send Landlord a notice setting forth such failure and warning that a continuing failure to respond may result in a "deemed approval" (the "**Space Plan Reminder Notice**"). If Landlord fails to respond to the Final Space Plan within two (2) business days after receipt of the Space Plan Reminder Notice, such portion of the Final Space Plan shall be deemed approved by Landlord.

3.3 Final Construction Documents. Tenant shall supply the Engineers with a complete listing (to the best of Tenant's knowledge at the time) of standard and non-standard equipment and specifications, as may be requested by the Engineers, including, without limitation, B.T.U. calculations, electrical requirements and special electrical receptacle requirements for the Second Additional Basement Premises, to enable the Engineers and the Architect to complete the "Final Construction Documents" (as that term is defined below) in the manner as set forth below. Tenant shall promptly cause the Architect and the Engineers to complete the architectural and engineering documents for the Second Additional Basement Premises, and Architect shall compile a fully coordinated set of architectural, structural, mechanical, electrical and plumbing working drawings in a form which is complete to allow subcontractors to bid on the work and to obtain all applicable permits (collectively, the "**Final Construction Documents**"), and shall submit the same to Landlord for Landlord's approval, which shall not be withheld except in the case of a Design Problem and which approval shall also contain Landlord's designation of Required Removables as provided for

in Section 8.6 of the Original Lease (and subject to the last sentence ofSection 8.6 of the Original Lease). Tenant shall send to Landlord via electronic mail in accordance with the terms of Section 6.2 of this Tenant Work Letter, one (1) pdf electronic copy signed by Tenant, of such Final Construction Documents. Landlord shall advise Tenant within twelve (12) business days after Landlord's receipt of the Final Construction Documents for the Second Additional Basement Premises if the same is incomplete in any material respect or if a Design Problem exists. If Tenant is so advised, Tenant shall immediately revise the Final Construction Documents to cause them to be complete and to eliminate any Design Problem. If Landlord fails to respond to the Final Construction Documents within the twelve (12) business day period set forth above, Tenant may send Landlord a notice setting forth such failure and warning that a continuing failure to respond may result in a "deemed approval" (the "**Final Construction Documents Reminder Notice**"). If Landlord fails to respond to the Final Construction Documents within five (5) business days after receipt of the Final Construction Documents Reminder Notice, such portion of the Final Construction Documents shall be deemed approved by Landlord.

3.4 Approved Working Drawings. The Final Working Drawings shall be approved by Landlord (the "**Approved Working Drawings**") prior to the commencement of construction of the Second Additional Basement Premises by Tenant. After approval by Landlord of the Final Working Drawings, Tenant may submit the same to the appropriate municipal authorities for all applicable building permits, provided that Tenant shall have the right to submit to the City of Glendale a coordinated set of drawings, complete to the extent required to commence the plan check, the first phase in the permitting process (the "**Permit Set**"), prior to approval of the Final Construction Documents by Landlord (and Tenant acknowledges that Landlord shall not be responsible for any delays or costs incurred by Tenant in the event that Landlord requires revisions to the Final Working Drawings after the date of such submission of plans to the City of Glendale by Tenant). Tenant shall keep Landlord reasonably informed with respect to the timing and schedule of Tenant's permit submittals and responses from the City of Glendale, and will promptly respond to any requests for information by Landlord with respect thereto. Tenant hereby agrees that neither Landlord nor Landlord's consultants shall be responsible for obtaining any building permit or certificate of occupancy for the Second Additional Basement Premises and that obtaining the same shall be Tenant's responsibility; provided, however, that Landlord shall cooperate with Tenant in executing permit applications and performing other ministerial acts reasonably necessary to enable Tenant to obtain any such permit or certificate of occupancy. Tenant shall not commence construction until all required governmental permits are obtained. No material changes, modifications or alterations in the Approved Working Drawings may be made without the prior written consent of Landlord, which consent may not be withheld unless a Design Problem exists.

3.5 Electronic Approvals. Notwithstanding any provision to the contrary contained in the Lease, as amended hereby, or this Tenant Work Letter, Landlord may, in Landlord's sole and absolute discretion, transmit or otherwise deliver any of the approvals required under this Tenant Work Letter via electronic mail to Tenant's representative identified in Section 6.1 of this Tenant Work Letter, or by any of the other means identified in Section 29.18 of the Original Lease.

SECTION 4

CONSTRUCTION OF THE IMPROVEMENTS

4.1 Tenant's Selection of Contractors.

4.1.1 The Contractor. A general contractor shall be retained by Tenant to construct the Tenant Improvements. Such general contractor ("**Contractor**") shall be selected by Tenant and reasonably approved by Landlord.

4.1.2 Tenant's Agents . All subcontractors, laborers, materialmen, and suppliers used by Tenant (such subcontractors, laborers, materialmen, and suppliers, and the Contractor to be known collectively as "**Tenant's Agents**") must be approved in writing by Landlord, which approval shall not be unreasonably withheld or delayed, provided that (i) Tenant shall be required to retain Landlord's designated subcontractors with regard to hvac controls and fire/life safety (provided that such vendors shall provide services at commercially reasonable rates) and Tenant shall further be required to retain Landlord's designated riser management company as provided for in Section 29.32 of the Original Lease (so long as, in each event, the same are reasonably competitively priced), and (ii) all subcontractors retained in connection with the Tenant Improvements shall be union for all trades other than audio/visual, security, low voltage, IT and furniture delivery/installation. Landlord hereby acknowledges and agrees that Tenant shall be entitled to retain locksmith and access control subcontractors selected by Tenant (subject to Landlord's approval as provided for hereinabove); provided, however, that (i) all keys/locks shall be compatible with the Building standard locking system, and (ii) all costs incurred in connection therewith shall be Tenant's responsibility (provided that any unused Tenant Improvement Allowance may be utilized thereof, subject to and in accordance with the terms of this Tenant Work Letter). Landlord shall respond to any approval request hereunder within five (5) business days, provided that the entities listed on Schedule 1 attached hereto are approved if selected by Tenant. If Landlord does not approve any of Tenant's proposed subcontractors, laborers, materialmen or suppliers, Tenant shall submit other proposed subcontractors, laborers, materialmen or suppliers for Landlord's written approval.

4.2 Construction of Tenant Improvements by Tenant's Agents.

4.2.1 Construction Contract; Cost Budget. Tenant shall engage the applicable Contractor under a commercially reasonable construction contract (the "**Contract**"), provided that such Contract has insurance and indemnification provisions in a form reasonably acceptable to Landlord. Tenant shall submit a copy of the Contract to Landlord for Landlord's records. Prior to the commencement of the construction of the Tenant Improvements, and after Tenant has accepted all bids for the Tenant Improvements, Tenant shall provide Landlord with a detailed breakdown, by trade, of the final costs to be incurred or which have been incurred, as set forth more particularly in Sections 2.2.1.1 through 2.2.1.10, above, in connection with the design and construction of the Tenant Improvements to be performed by or at the direction of Tenant or the Contractor, which costs form a basis for the amount of the Contract (the "**Final Costs**"). For purposes hereof, the "Over-Allowance Amount" shall be equal to the difference between the amount of the Final Costs and the amount of the Tenant Improvement Allowance (less any portion thereof already disbursed by Landlord, or in the process of being disbursed by Landlord, on or

before the commencement of construction of the Tenant Improvements). Tenant shall pay, within five (5) business days of written notice from Landlord, a percentage of each amount disbursed by Landlord to the Contractor or otherwise disbursed under this Tenant Work Letter, which percentage shall be equal to the amount of the Over-Allowance Amount divided by the amount of the Final Costs, and such payment by Tenant shall be a condition to Landlord's obligation to pay any amounts of the Tenant Improvement Allowance. In the event that, after the Final Costs have been delivered by Tenant to Landlord, the costs relating to the design and construction of the Tenant Improvements shall change, any additional costs necessary to such design and construction in excess of the Final Costs, shall be paid by Tenant on a prorata basis with Landlord consistent with the manner in which the initial Over-Allowance Amount is paid. In no event shall Landlord disburse an amount in excess of the Tenant Improvement Allowance under this Tenant Work Letter. Tenant shall provide Landlord with updated construction schedules and budgets on a regular basis during the course of construction of the Tenant Improvements, and in any event within fifteen (15) days after request by Landlord.

4.2.2 Tenant's Agents.

4.2.2.1 Landlord's General Conditions for Tenant's Agents and Tenant Improvement Work . Tenant's and Tenant's Agent's construction of the Tenant Improvements shall comply with the following: (i) the Tenant Improvements shall be constructed in material accordance with the Approved Construction Documents, as modified by approved change orders; (ii) Tenant's Agents shall submit schedules of all work relating to the Tenant Improvements to Landlord and Landlord shall inform Tenant's Agents of any changes which are necessary thereto, and Tenant's Agents shall adhere to such corrected schedule, and (iii) Tenant shall abide by all reasonable rules made by Landlord's Building manager with respect to the use of freight, loading dock and service elevators, any required shutdown of utilities (including lifesafety systems), storage of materials, coordination of work with the contractors of other tenants, and any other matter in connection with this Tenant Work Letter, including, without limitation, the construction of the Tenant Improvements. Tenant shall pay a logistical coordination fee (the "**Coordination Fee**") to Landlord in an amount equal to two percent (2%) of the Tenant Improvement Allowance.

4.2.2.2 Indemnity. The indemnities of each of the parties that are set forth inSection 10 of the Original Lease shall apply to the activities of the parties under this Tenant Work Letter.

4.2.2.3 Requirements of Tenant's Agents . The Contractor and subcontractors working on the construction of the Tenant Improvements shall guarantee to Tenant and for the benefit of Landlord that the portion of the Tenant Improvements for which it is responsible shall be free from any defects in workmanship and materials for a period of not less than one (1) year from the date of completion thereof. Contractor and such subcontractors shall be responsible for the replacement or repair, without additional charge, of all work done or furnished in accordance with its contract that shall become defective within one (1) year after the later to occur of (i) completion of the work performed by such contractor or subcontractors and (ii) the Second Additional Basement Premises Commencement Date. The correction of such work shall include, without additional charge, all additional expenses and damages incurred in connection with such removal or replacement of all or any part of the Tenant Improvements, and/or

the Building and/or common areas that may be damaged or disturbed thereby. All such warranties or guarantees as to materials or workmanship of or with respect to the Tenant Improvements shall be contained in the Contract or subcontract and shall be written such that such guarantees or warranties, and any other guarantees or warranties that Tenant procures in connection with the construction of the Tenant Improvements and installations of equipment in the Second Additional Basement Premises, shall inure to the benefit of both Landlord and Tenant, as their respective interests may appear, and can be directly enforced by either. Tenant covenants to give to Landlord any assignment or other assurances which may be necessary to effect such right of direct enforcement.

4.2.3 Governmental Compliance. The Tenant Improvements shall comply in all respects with the following: (i) the Code and other state, federal, city or quasi-governmental laws, codes, ordinances and regulations, as each may apply according to the rulings of the controlling public official, agent or other person; and (ii) building material manufacturer's specifications.

4.2.4 Inspection by Landlord. Landlord shall have the right to inspect the Tenant Improvements at all times during the course of construction of the Tenant Improvements, provided however, that Landlord's failure to inspect the Tenant Improvements shall in no event constitute a waiver of any of Landlord's rights hereunder nor shall Landlord's inspection of the Tenant Improvements constitute Landlord's approval of the same. Should Landlord disapprove any portion of the Tenant Improvements because a Design Problem exists, Landlord shall notify Tenant in writing of such disapproval and shall specify the items disapproved. Any defects or deviations in, and/or disapproval by Landlord of, the Tenant Improvements shall be rectified by Tenant at no expense to Landlord; provided however, that in the event Landlord determines that a defect or deviation exists or disapproves of any matter in connection with any portion of the Tenant Improvements and such defect, deviation or matter adversely affects the mechanical, electrical, plumbing, heating, ventilating and air conditioning or life-safety systems of the Building, the structure or exterior appearance of the Building or any other tenant's use of such other tenant's leased premises, Landlord may, following written notice to Tenant, take such action as Landlord deems necessary, at Tenant's expense and without incurring any liability on Landlord's part, to correct any such defect, deviation and/or matter.

4.2.5 Meetings. During the design and construction of the Tenant Improvements, Tenant shall hold meetings every week at a reasonable time, with the Architect and the Contractor regarding the progress of the design and construction of the Tenant Improvements. Landlord and/or its agents shall receive prior notice of, and shall have the right to attend, all such meetings. In addition, minutes shall be taken at all such meetings, a copy of which minutes shall be promptly delivered to Landlord. One such meeting each month shall include the review of Contractor's current request for payment.

4.3 Notice of Completion; Copy of Record Set of Plans. 5.1 Second Additional Basement Premises Commencement Date Delays. The Second Additional Basement Premises Commencement Date shall occur as provided in this Seventh Amendment, provided that the Second Additional Basement Premises Commencement Date shall be extended by the number of days of actual delay of the Substantial Completion of the Tenant Improvements in the Second Additional Basement Premises to the extent caused by an "Second Additional Basement Premises Commencement Date Delay," as that term is defined, below, but only to the extent such Second Additional Basement Premises Commencement Date Delay causes the Substantial Completion of the Tenant Improvements to occur after May 1, 2022. As used herein, the term "**Second Additional Basement Premises Commencement Date Delay**" shall mean only a "Force Majeure Delay" or a "Landlord Caused Delay," as those terms are defined below. As used herein, the term "Force Majeure Delay" shall mean only an actual delay resulting from "Health Emergency Delay", as that term is defined, below, strikes, fire, wind, damage or destruction to the Building, explosion, casualty, flood, hurricane, tornado, the elements, acts of God or the public enemy, sabotage, war, invasion, insurrection, rebellion, terrorist acts, civil unrest, riots, or earthquakes. As used in this Tenant Work Letter, "Landlord Caused Delay" shall mean actual delays to the extent resulting from the acts or omissions of Landlord including, but not limited to (i) failure of Landlord to timely approve or disapprove any Construction Drawings in the time periods specified in this Tenant Work Letter (except to the extent Landlord is deemed to have approved the same); (ii) material and unreasonable interference by Landlord, its agents or Landlord Parties (except as otherwise allowed under this Tenant Work Letter) with the Substantial Completion of the Tenant Improvements which objectively precludes or delays the construction of tenant improvements in the Building by any person, including interference which relates to access by Tenant, or Tenant's Agents to the Building or any Building facilities (including loading docks and freight elevators)

or service (including temporary power and parking areas as provided herein) during normal construction hours, or the use thereof during normal construction hours; (iii) delays due to the acts or failures to act of Landlord with respect to payment of the Tenant Improvement Allowance (except as otherwise allowed under this Tenant Work Letter), and (iv) failure by Landlord to deliver the Second Additional Basement Premises in the Delivery Condition on or before the Outside Delivery Date.

If Tenant contends that an Second Additional Basement Premises Commencement Date Delay has occurred, Tenant shall notify Landlord in writing of (i) the event which constitutes such Second Additional Basement Premises Commencement Date Delay and (ii) the date upon which such Second Additional Basement Premises Commencement Date Delay is anticipated to end. If such actions, inaction or circumstance described in the Notice set forth in (i) above of this Section 5.2 of this Tenant Work Letter (the "**Delay Notice**") are not cured by Landlord within one (1) business day of Landlord's receipt of the Delay Notice and if such action, inaction or circumstance otherwise qualify as a Second Additional Basement Premises Commencement Date Delay, then an Second Additional Basement Premises Commencement Date Delay shall be deemed to have occurred commencing as of the date of Landlord's receipt of the Delay Notice and ending as of the date such circumstances are cured by Landlord, provided that no cure period shall be required to the extent the delay is not subject to cure by Landlord.

5.3 Definition of Substantial Completion of the Tenant Improvements. For purposes of this Section 5, "**Substantial Completion of the Tenant Improvements**" shall mean completion of construction of the Tenant Improvements in the Second Additional Basement Premises pursuant to the Approved Construction Drawings, with the exception of any punch list items, and Tenant's receipt of a certificate of occupancy or its legal equivalent allowing legal occupancy of the Second Additional Basement Premises.

SECTION 6

Tenant has designated Kristine Nguyen (email address: [***]), Gillian Sutton (email address: [***]), and Jeffrey York ([***]) as its sole representatives with respect to the matters set forth in this Tenant Work Letter, and each of whom, independently, shall have full authority and responsibility to act on behalf of the Tenant as required in this Tenant Work Letter.

6.2 Landlord's Representative. Landlord has designated Mr. Jonathan Haghani as its sole representative with respect to the matters set forth in this Tenant Work Letter and who, until further notice to Tenant, shall have full authority and responsibility to act on behalf of the Landlord as required in this Tenant Work Letter. Notwithstanding the foregoing, in connection with Tenant's submission by Tenant of the Final Space Plan and Final Construction Drawings to Landlord, Tenant shall be required to email the same to [***] and to [***] (and/or such other email address(es) as Landlord may from time to time designate by notice to Tenant).

6.5 No Miscellaneous Charges. Landlord shall provide, and neither Tenant nor Tenant's Agents shall be charged for parking, freight elevators (during Building Hours), hoists or lifts, access to loading docks, HVAC (during Building Hours) or other utilities to the extent utilized in connection with the design and construction of the Tenant Improvements and Tenant's move into the Second Additional Basement Premises prior to the Second Additional Basement Premises Commencement Date.

Further, subject to the terms of Section 5, above, any delays in the Substantial Completion of the Tenant Improvements resulting from the presence of Hazardous Materials in the Second Additional Basement Premises (provided such Hazardous Materials are not introduced by Tenant or Tenant's Agents) shall be a Landlord Caused Delay for purposes of this Tenant Work Letter.

6.7 Labor Harmony. Notwithstanding anything contained herein to the contrary, Tenant shall not use (and upon notice from Landlord shall cease using) contractors, subcontractors, services, workmen, labor, materials or equipment that, in Landlord's reasonable judgment, would disturb labor harmony with the workforce or trades engaged in performing other work, labor or services in or about the Project, Building or the Common Areas and/or that otherwise results in picketing or other labor disturbances at the Project and/or on property adjacent thereto.

This Eighth Amendment to Office Lease (this "**Eighth Amendment**") is made and entered into as of December 20, 2021, by and between BCSP 800 NORTH BRAND PROPERTY LLC, a Delaware limited liability company ("**Landlord**"), and SERVICETITAN, INC., a Delaware corporation ("**Tenant**").

RECITALS:

A. Landlord and Tenant are parties to that certain Office Lease, dated January 10, 2019 (the "**Original Lease**"), as amended by (i) that certain First Amendment to Office Lease, dated April 24, 2019, (ii) that certain Second Amendment to Office Lease, dated October 18, 2019 (the "**Second Amendment**"), (iii) that certain Third Amendment to Office Lease, dated January 1, 2020 (the "**Third Amendment**"), (iv) that certain Fourth Amendment to Office Lease, dated January 17, 2020, (v) that certain Fifth Amendment to Office Lease, dated January 22, 2020, (vi) that certain Sixth Amendment to Office Lease, dated April 5, 2021, and (vii) that certain Seventh Amendment to Office Lease, dated September 9, 2021 (collectively, the "**Lease**"), pursuant to which Landlord leases to Tenant and Tenant leases from Landlord certain 215,647 rentable square feet of space (the "**Premises**") in the building located at 800 North Brand Boulevard, Glendale, California (the "**Building**").

B. The "Premises" is comprised of (i) 196,657 rentable square feet of space located on floors 6, 7, 8, 9, 14, 15 and 21 (the "**Office Space**"), (ii) 14,125 rentable square feet of space located on the basement level (the "**Basement Office Space**"), (iii) 1,842 rentable square feet of space located on the basement level (the "**Basement Storage Space**"), and (iv) 3,023 rentable square feet of space located adjacent to Tenant's "Ground Floor Premises," as defined in the Original Lease (the "**Patio Space**").

C. Landlord and Tenant desires to amend the Lease, upon and subject to the terms set forth in this Eighth Amendment.

AGREEMENT:

NOW, THEREFORE, in consideration of the foregoing recitals and the mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows.

1. **Defined Terms**. Except as explicitly set forth in this Eighth Amendment, each initially capitalized term when used herein shall have the same respective meaning as is set forth in the Lease.

2. **Condition of Premises, Building and Project**. Tenant hereby acknowledges and agrees that (i) Tenant currently has possession of the Premises pursuant to the terms of the Lease, and (ii) during the "Extended Term," as that term is defined in Section 3.1, below, Tenant shall continue to accept the Premises in its currently existing, "as is" condition, and, except as specifically

set forth in this Eighth Amendment, Landlord shall not be obligated to provide or pay for any improvement work or services related to the improvement of the Premises, provided that the foregoing shall not serve to limit Landlord's repair and maintenance or other obligations expressly set forth in the Lease. Tenant also acknowledges that neither Landlord nor any agent of Landlord has made any representation or warranty regarding the condition of the Premises, Building or Project or with respect to the suitability of the Premises, Building or Project for the conduct of Tenant's business.

3. **Lease Term**.

3.1 **Extended Term**. The expiration date of the Lease, as amended hereby, is hereby extended from April 30, 2027 (the "**Scheduled Expiration Date**") to July 31, 2030 (the "**Extended Expiration Date**"), and shall expire on the Extended Expiration Date, unless the Lease, as amended by this Eighth Amendment, is sooner terminated or extended as provided in the Lease, as amended hereby. The term of the Lease, as amended hereby, commencing as of May 1, 2027 (the "**Extended Term Commencement Date**") and continuing through and including the Extended Expiration Date is referred to herein as the "**Extended Term**".

3.2 **Option Terms**. Landlord and Tenant hereby acknowledge and agree that Tenant shall continue to retain the two (2) options to extend the Lease Term, upon and subject to the terms set forth in Section 2.2 of the Original Lease.

3.3 **One Floor Termination Right**. Tenant shall continue to have the right to terminate a "Designated Full Floor," as that term is defined in Section 2.3 of the Original Lease, upon and subject to the terms of Section 2.3 of the Lease, as previously amended and as further amended as provided for in Sections 3.3.1 through 3.3.3, below. In connection with the foregoing right to terminate the Designated Full Floor, Landlord and Tenant hereby acknowledge and agree that the One Floor Termination Date is and shall remain April 30, 2025.

3.3.1 **Termination Fee**. The second to last sentence of Section 2.3 of the Original Lease (which begins with the words "For purposes of this Lease, the '**Termination Fee**' shall mean the sum") is hereby deleted and is replaced with the following:

> "For purposes of this Lease, the '**Termination Fee**' shall mean the sum of (a) the unamortized amount (calculated over the period (the '**Amortization Period**') commencing as of the Lease Commencement Date and continuing through the 'Scheduled Expiration Date,' as that term is defined in Section 3.1 of the Eighth Amendment to Office Lease), as of the One Floor Termination Date, calculated with interest at a rate equal to six percent (6%) per annum, of the "Designated Floor Concessions," as that term is defined, below, (b) the Base Rent that would have been due under this Lease for the Designated Full Floor during the four (4) month period following the One Floor Termination Date had Tenant not exercised its right to terminate a full floor pursuant to the terms of this Section 2.3, and (c) $58.17 for each rentable square foot of the Designated Full Floor. Notwithstanding the foregoing, if the

Designated Full Floor shall be a full floor leased by Tenant as First Offer Space under the Eighth Amendment to Office Lease, (x) the Termination Fee shall not include item (c), above, (y) the Amortization Period shall be the period commencing as of the 'First Offer Commencement Date' and continuing through and including the Extended Expiration Date, and (z) the "Designated Floor Concessions" shall be the tenant improvement allowance, abated Base Rent and commissions (to Landlord's and Tenant's brokers) paid or provided by Landlord in connection with the subject full floor of First Offer Space."

3.3.2 **Designated Full Floor**. Landlord and Tenant hereby acknowledge and agree that, notwithstanding anything in Section 2.3 of the Original Lease to the contrary, the "**Designated Full Floor**" shall be a full floor of the Premises selected by Landlord (in Landlord's sole discretion), among the following full floors of the Premises: the ninth (9th) floor, fourteenth (14th) floor or fifteenth (15th) floor, or any full floor of First Offer Space leased by Tenant pursuant to the terms of Section 7 of this Eighth Amendment. If (i) Tenant shall lease one or more additional full floors in the Building as a result of its exercise of its right of first offer under Section 7 of this Eighth Amendment, and (ii) as a result of such lease, a potential Designated Full Floor is located in-between two (2) other full floors of the Premises, Landlord agrees that Landlord shall not select as the Designated Full Floor a full floor that is located in-between two full floors that Tenant shall continue to lease. *As an example only*, in the event that Tenant shall lease the 16th floor under Section 7 of this Eighth Amendment, Landlord would not be permitted to select the 15th floor (but could select the 14th or 16th floors, or the 9th floor) as the Designated Full Floor.

3.4 **Second One Floor Termination Right**. Provided that Tenant is not in Default under the Lease, as amended hereby, as of the date of Tenant's delivery of the "Second One Floor Termination Notice," as that term is defined below, the Tenant named herein (the " **Original Tenant**") or an assignee that is an "Affiliate," as that term is defined in Section 14.7 of the Original Lease (for purposes of the Lease, as amended hereby, an "**Affiliate Assignee**"), as the case may be, only shall have the one-time right to terminate the Lease, as amended hereby, with regard to the "Second Designated Full Floor," as that term is defined, below, effective as of April 30, 2027 (the " **Second One Floor Termination Date**"), provided that (i) Landlord receives written notice (the "**Second One Floor Termination Notice**") from Tenant on or before 5:00 P.M. PST on April 30, 2026 stating Tenant's election to terminate the Lease, as amended hereby, with respect to the Second Designated Full Floor pursuant to the terms and conditions of this Section 3.4, and (ii) within ten (10) days following receipt of the "Second Designation Notice," as that term is defined, below, Landlord receives from Tenant an amount equal to the "Second One Floor Termination Fee," as that term is defined, below. In the event that Tenant terminates the Lease, as amended hereby, with respect to the Second Designated Full Floor pursuant to the terms of this Section 3.4, the Lease, as amended hereby, shall automatically terminate and be of no further force or effect with respect to the Second Designated Full Floor and Landlord and Tenant shall be relieved of their respective obligations under the Lease, as amended hereby, with respect to the Second Designated Full Floor as of the Second One Floor Termination Date, except those obligations set forth in the Lease, as amended hereby, which relate to the period of the Lease Term prior to the Second One Floor Termination Date and/or which specifically survive the expiration or earlier termination of the Lease, as amended hereby, including, without limitation, the payment by Tenant of all amounts owed by

Tenant under the Lease, as amended hereby, with respect to the Second Designated Full Floor, up to and including the Second One Floor Termination Date. For purposes of this Eighth Amendment, the "**Second One Floor Termination Fee**" shall mean an amount equal to $65.36 for each rentable square foot of the Second Designated Full Floor; provided, however, that in the event that the Second Designated Full Floor shall be a full floor leased by Tenant as First Offer Space under this Eighth Amendment, the "Second One Floor Termination Fee" shall mean the sum of (a) the unamortized amount (calculated over the period commencing as of the "First Offer Commencement Date" and continuing through and including the Extended Expiration Date), as of the Second One Floor Termination Date, calculated with interest at a rate equal to six percent (6%) per annum, of the "Second Designated Floor Concessions," as that term is defined, below, and (b) the Base Rent that would have been due under the Lease, as amended, for the Second Designated Full Floor during the four (4) month period following the Second One Floor Termination Date had Tenant not exercised its right to terminate a full floor pursuant to the terms of this Section 3.4. For purposes of this Section 3.4, (x) the "**Second Designated Full Floor**" shall be any full floor of the Premises selected by Landlord (in Landlord's sole discretion), among the following full floors of the Premises: the ninth (9th) floor, fourteenth (14th) floor or fifteenth (15th) floor, or any full floor of First Offer Space leased by Tenant pursuant to the terms of Section 7 of this Eighth Amendment, which shall be designated by notice to Tenant (the "**Second Designation Notice**") no later than thirty (30) days following Landlord's receipt of the Second One Floor Termination Notice, and (y) the "**Second Designated Floor Concessions**" shall mean the tenant improvement allowance, abated Base Rent and commissions (to Landlord's and Tenant's brokers) paid or provided by Landlord in connection with the Second Designated Full Floor. If (i) Tenant shall lease one or more additional full floors in the Building as a result of its exercise of its right of first offer under Section 7 of this Eighth Amendment, and (ii) as a result of such lease, a potential Second Designated Full Floor is located in-between two (2) other full floors of the Premises, Landlord agrees that Landlord shall not select as the Second Designated Full Floor a full floor that is located in-between two full floors that Tenant shall continue to lease. *As an example only*, in the event that Tenant shall lease the 16th floor under Section 7 of this Eighth Amendment, Landlord would not be permitted to select the 15th floor (but could select the 14th or 16th floors, or the 9th floor) as the Second Designated Full Floor.

3.5 **Stairwell Removal**.

3.5.1 **In General**. In the event that Tenant shall terminate the Designated Full Floor or the Second Full Floor in accordance with the terms of the Lease, as amended hereby, and the Designated Full Floor or the Second Designated Full Floor, as the case may be, shall be connected to another floor of the Premises (an "**Adjacent Floor**") by means of an internal stairwell (the "**Stairwell**"), Landlord shall remove such Stairwell and restore the concrete floor (i.e., where the "hole" of the Stairwell existed) to the condition existing prior to the installation of the Stairwell (subject to changes, if any, required by Applicable Law) (collectively, the "**Stairwell Removal Work**"). Landlord and Tenant hereby acknowledge and agree that the Stairwell Removal Work shall *not* include finishes, flooring, lighting, ceiling systems or similar items. Landlord shall cause the Stairwell Removal Work to take place at such time as Landlord shall determine following the One Floor Termination Date or the Second One Floor Termination Date, as the case may be. Tenant shall be responsible for all costs incurred by Landlord in connection with the Stairwell Removal Work (without mark-up by Landlord, but including the "Third Party CM Fee," as that term is defined, below), and such amounts shall be paid by Tenant within thirty (30) days following demand by Landlord (which shall not be made by Landlord more than forty-five (45) days prior to the date

Landlord is obligated to pay such amounts). Landlord hereby agrees that the Stairwell Removal Work shall be competitively bid by Landlord to not less than three (3) contractors, one of whom shall be "Tenant's Designated Contractor," as that term is defined, below, provided that (a) Tenant provides written notice of Tenant's Designated Contractor within five (5) business days following demand by Landlord, and (b) Tenant's Designated Contractor is available and willing to bid. The lowest bidder among the bidding contractors that commits to Landlord's timing and otherwise complies with Landlord's reasonable requirements shall be retained by Landlord. For purposes of this Eighth Amendment, (i) "**Tenant's Designated Contractor**" shall mean a qualified, licensed and reputable general contractor that performs work consistent with the Stairwell Removal Work in the Building and/or Comparable Buildings, and (ii) the "**Third Party CM Fee**" shall mean any out-of-pocket third party construction supervision fee paid by Landlord in connection with the Stairwell Removal Work, provided that in no event shall the Third Party CM Fee exceed 3% of all "hard costs" incurred in connection with the Stairwell Removal Work.

3.5.2 **Tenant's Occupancy of Adjacent Floor**. Tenant hereby acknowledges that, notwithstanding Tenant's occupancy of the Adjacent Floor during Landlord's performance of the Stairwell Removal Work, Landlord shall be permitted to perform the Stairwell Removal Work during normal business hours (provided that to the extent that the subject work being undertaken is anticipated to materially interfere with the conduct of Tenant's business, Landlord shall cause the same to be performed after normal business hours), and Tenant shall provide a clear working area for the performance of the Stairwell Removal Work (including, but not limited to, moving of furniture, fixtures and Tenant's property away from the area in which Landlord is performing the Stairwell Removal Work). In connection therewith, Tenant shall cooperate with all reasonable Landlord requests made in connection with Landlord's performance of the Stairwell Removal Work. Tenant hereby agrees that the performance of the Stairwell Removal Work shall in no way constitute a constructive eviction of Tenant nor entitle Tenant to any abatement of Rent. Landlord shall have no responsibility or for any reason be liable to Tenant for any direct or indirect injury to or interference with Tenant's business arising from the performance of the Stairwell Removal Work, nor shall Tenant be entitled to any compensation or damages from Landlord for loss of the use of the whole or any part of the Premises or of Tenant's personal property or improvements resulting from the performance of the Stairwell Removal Work or Landlord's actions in connection with the performance of the Stairwell Removal Work, or for any inconvenience or annoyance occasioned by Landlord's performance of the Stairwell Removal Work.

4.1.2.1.4 **Patio Space**.

Period During Extended Term	*Annual Base Rent	*Monthly Base Rent	Monthly Base Rent per RSF
May 1, 2027 – October 31, 2027	$70,194.12	$5,849.51	$ 3.87

November 1, 2029 – July 31, 2030	$76,723.80	$6,393.65	$ 4.23

*Landlord and Tenant hereby acknowledge and agree that (i) it is intended that, notwithstanding the rentable square footage of the Patio Space, during the Extended Term, Tenant shall only pay Base Rent based upon fifty percent (50%) of the rentable square footage of the Patio Space, and (ii) the foregoing schedule with respect to the Base Rent due for the Patio Space during the Extended Term is reflective of such reduced Base Rent obligation.

4.1.2.2 **Abated Base Rent**. Notwithstanding anything in Section 4.1.2.1, above, to the contrary, so long as there exists no monetary or material non-monetary Event of Default, Tenant shall not be obligated to pay any Base Rent attributable to the Premises (specifically disregarding any First Offer Space leased by Tenant under this Eighth Amendment, if applicable) for the months of February, 2022, March, 2022 and April, 2022 (such period, the "**Extended Term Rent Abatement Period**", and the total amount of such Base Rent credit to be referred to herein as the "**Total Extended Term Rent Abatement Amount**"). At Tenant's option, by notice to Landlord prior to February 1, 2022, Tenant shall have the right to utilize any unapplied portion of the Total Extended Term Rent Abatement Amount as an addition to the "Extended Term Tenant Improvement Allowance," as that term is defined in Section 5.1 of this Eighth Amendment. Any portion of the Total Extended Term Rent Abatement Amount utilized as an addition to the Extended Term Tenant Improvement Allowance shall not be provided as a credit against monthly Base Rent hereunder and shall shorten (or eliminate, if applicable) the Extended Term Rent Abatement Period. Further, in no event shall Landlord, pursuant to the terms of this Section 4.1.2.2, provide an aggregate amount in excess of the Total Extended Term Rent Abatement Amount for application to monthly Base Rent due for the Premises and as an addition to the Extended Term Tenant Improvement Allowance.

4.2 **Direct Expenses**.

4.2.1 **Prior to Extended Term Commencement Date**. Prior to the Extended Term Commencement Date, Tenant shall continue to pay Direct Expenses in accordance with the terms of the Lease.

4.2.2 **During Extended Term**. During the Extended Term, Tenant shall continue to pay Direct Expenses in accordance with the terms of the Lease; provided, however, that (i) Tenant shall have no obligation to pay any Direct Expenses during the first year of the Extended Term, and (ii) effective as of the Extended Term Commencement Date, the Base Year shall be the calendar year 2027.

4.3 **Proposition 13 Protection**. Section 1.5.2 of **Exhibit G** to the Original Lease is hereby deleted and is replaced with the following:

"1.5.2 **Protection**. Subject to the terms of this Section 1.5, a portion of the Tax Increase attributable to the Reassessment shall be excluded from Tax Expenses during the first five (5) years of the initial Term pursuant to the following schedule.

Lease Years	**Portion of Tax Increase Excluded From Tax Expenses**
November 1, 2019 – October 31, 2023	100%
November 1, 2023 – October 31, 2024	50%

For all periods after October 31, 2024, Tenant shall be obligated to pay one hundred percent (100%) of any Tax Increase (regardless of whether the Tax Increase initially occurs before or after such date).

As an example only, in the event of a Reassessment on the November 1, 2021, Tenant would not be responsible for the resulting Tax Increase during the period November 1, 2021 through and including October 31, 2023, would be responsible for 50% of the resulting Tax Increase during the period November 1, 2023 through and including October 31, 2024, and would be responsible for 100% of the resulting Tax Increase for the period following October 31, 2024."

5. **Tenant Improvements**.

5.1 **Extended Term Tenant Improvement Allowance; Existing Allowances**. In connection with the Extended Term, Tenant shall be entitled to a one-time tenant improvement allowance in an amount equal to $6,100,000.00 (the "**Extended Term Tenant Improvement Allowance**") for the construction improvements that are permanently affixed to the Premises (the "**Premises Improvements**"). The Extended Term Tenant Improvement Allowance (i) shall not reduce or alter the amount of any tenant improvement allowance to which Tenant remains entitled pursuant to the terms of the Lease as of the date of this Eighth Amendment (the aggregate of any existing tenant improvement allowances to which Tenant remains entitled as of the date of this Eighth Amendment to be referred to herein as the "**Existing Allowances**"), and (ii) subject to the terms of this Section 5, shall be available as of the date of this Eighth Amendment (i.e., notwithstanding the date of the occurrence of the Extended Term Commencement Date). The Premises Improvements shall be subject to the approval of Landlord, constructed by Tenant, and otherwise governed by the terms of the Tenant Work Letter attached to the Original Lease as **Exhibit B**, the Tenant Work Letter attached to the Fifth Amendment as **Exhibit B**, or the Tenant Work Letter attached to the Seventh Amendment as **Exhibit B**, as applicable (each, a "**Tenant Work Letter**"), and the Extended Term Tenant Improvement Allowance shall be disbursed by Landlord in accordance with the disbursement requirements and procedures set forth in the applicable Tenant Work Letter. There shall be deducted from the Extended Term Tenant Improvement Allowance a Landlord construction supervision fee in an amount equal to $40,000.00.

5.2 **Alternate Uses of Extended Term Tenant Improvement Allowance**. Upon notice from Tenant to Landlord (the "**Alternate Use Notice**"), Tenant shall be entitled to utilize any unused portion of the Extended Term Tenant Improvement Allowance, but in no event in excess of $1,500,000.00 of the Extended Term Tenant Improvement Allowance (the "**Alternate Use Portion of the Allowance**") at Tenant's option, either (i) for costs incurred for the purchase and installation of furniture, fixtures and equipment for the Premises ("**FF&E**"), and/or (ii) as a credit against the Base Rent due for the Premises. Tenant shall be permitted to choose any combination of items (i) and/or (ii), above, provided that in no event shall the aggregate of any reimbursement for FF&E and any Base Rent credit hereunder exceed the Alternate Use Portion of the Allowance. Any portion of the Extended Term Tenant Improvement Allowance utilized by Tenant for FF&E shall be disbursed by Landlord within thirty (30) days following Landlord's receipt of invoices marked as paid and/or such other documentation as may be reasonably required by Landlord with respect thereto (which shall be delivered by Tenant concurrently with Tenant's delivery of the Alternate Use Notice), and any portion of the Extended Term Tenant Improvement Allowance utilized by Tenant as a Base Rent credit shall be applied to the next Base Rent due under the Lease, as amended hereby, following Landlord's receipt of the Alternate Use Notice.

5.3 **Final Allowance Deadline Date for Use of Extended Term Tenant Improvement Allowance and Existing Allowances**. Landlord hereby acknowledges and agrees that, notwithstanding anything in the Lease to the contrary, Tenant shall have the right to use Extended Term Tenant Improvement Allowance and the Existing Allowances (for the purposes permitted under the terms of the Lease, as amended hereby) at any time on or before November 30, 2023 (failing which any unused allowance amounts shall revert to Landlord and Tenant shall have no further rights with respect thereto). For purposes of this Section 5.3, Tenant shall be deemed to have "used" an allowance, of any applicable portion thereof, if (i) with respect to improvements or FF&E in connection with which Tenant seeks to utilize the Extended Term Tenant Improvement Allowance or the Existing Allowances in accordance with the terms of the Lease, as amended hereby, Tenant shall have delivered to Landlord all notices and other documentation required pursuant to the terms of the Lease, as amended hereby, for disbursement of the Extended Term Tenant Improvement Allowance or Existing Allowances, as the case may be and (ii) with respect to any Base Rent credit which Tenant seeks in accordance with the terms of this Section 5, Tenant shall have delivered the required notice and the Base Rent credit pursuant to such notice shall have been fully applied.

5.4 **Other Terms**. In no event shall Tenant be entitled to aggregate amount in excess of the Extended Term Tenant Improvement Allowance (as the same may be increased pursuant to the terms of Section 4.1.2.2, above) pursuant to the terms of this Section 5 for Premises Improvements, FF&E and/or as a Base Rent credit, provided that in no event shall the foregoing limit or alter Tenant's right to the Existing Allowances pursuant to the terms of the Lease, as amended hereby.

6. **Flex Parking Passes**.

6.1 **In General**. Landlord hereby acknowledges and agrees that Tenant desires to have more of Tenant's employees possess and utilize parking cards than the number of parking passes rented by Tenant. Accordingly, subject to the terms of this Section 6, Landlord hereby agrees that, upon not less than thirty (30) days' notice from Tenant from time to time (a " **Flex Parking Pass Notice**"), Tenant shall be permitted to convert up to (but not more than) a total of 70% of Tenant's unreserved parking passes to "**Flex Parking Passes,**" which Flex Parking Passes may be utilized by Tenant upon and subject to the terms of this Section 6. For purposes hereof, a "**Flex Parking Pass**" shall be an unreserved parking pass rented by Tenant (which shall continue to be rented by Tenant at unreserved parking rates pursuant to the terms of the Lease) in connection with which Landlord shall issue two (2) parking cards for each such Flex Parking Pass, with such parking cards to be used by Tenant as provided for herein. Use of Flex Parking Passes shall be subject to the following: (i) all parking cards associated with Flex Parking Passes may be issued by Tenant only to Tenant's employees (each, a " **Flex Parking Pass Holder**"), (ii) all Flex Parking Pass Holders shall enter the Building parking facility through the "visitor" (not monthly) entry lane, (iii) the first Flex Parking Pass Holders that seek to enter the parking facilities on any particular day, up to the number of Flex Parking Passes then rented by Tenant (the "**Maximum Number of Flex Pass Entries**"), shall be permitted in the Building parking facilities to park, and (iv) any Flex Parking Pass Holders that attempt to enter the parking facilities after the Maximum Number of Flex Pass Entries shall, notwithstanding that such employees shall hold a parking card, be denied access to the parking facilities (provided that the foregoing shall not limit or prohibit such employees from entering the Building parking facilities as a visitor (in which case such employees shall be required to pay Landlord's posted visitor parking charges)). All parking cards issued by Landlord with respect to Flex Parking Pass shall be paid for by Tenant within thirty (30) days following receipt of demand by Landlord. As of the date of this Eighth Amendment, the charge for parking cards is $15.00 per card. Landlord hereby agrees that such amount shall not increase following the date hereof, except to the extent of any actual increase in the cost to Landlord of providing such parking cards. *For clarity purposes*, (a) in no event shall the number of Flex Parking Pass Holders that park in the Building parking facilities at any particular time exceed the number of Flex Parking Passes rented by Tenant (notwithstanding the number of parking cards issued for Flex Parking Passes, but Landlord acknowledges and agrees that any individual holding a parking card issued in connection with the Flex Parking Passes rented by Tenant may be among those individuals parking in the Building parking facilities at any particular time (subject to the foregoing limitation set forth in this item (a)), (b) in no event shall the aggregate number of vehicles entering the Building parking facilities pursuant to Tenant's parking rights under the Lease, as amended hereby, exceed the

aggregate of (x) the number of reserved parking passes rented by Tenant, (y) the number of standard unreserved parking passes (i.e., non-reserved, non-Flex Parking Passes, which shall be referred to herein as "**Standard Unreserved Parking Passes**") rented by Tenant, and (z) the number of Flex Parking Passes rented by Tenant, (c) the rules associated with Flex Parking Passes shall not impact or reduce the rights of holders of Standard Unreserved Parking Passes and reserved parking passes rented by Tenant from entering the Building parking facilities at any time in accordance with the terms of the Lease, and (d) Tenant shall have the right to re-convert Flex Parking Passes back to Standard Unreserved Parking Passes from time to time upon not less than thirty (30) days' notice (in which case Tenant shall be required to concurrently return to Landlord the parking cards associated with such relinquished Flex Parking Passes). Except as otherwise set forth herein, the terms of the Lease shall be applicable to Flex Parking Passes in the same manner as unreserved parking passes.

6.2 **Limitation as of Parking Transition Date**. Notwithstanding anything in Section 6.1, above, to the contrary, effective as of January 1, 2024 (the "**Parking Transition Date**") and continuing thereafter throughout the Lease Term, Tenant's right to lease Flex Parking Passes shall be upon the condition that, and only permitted during such periods as, Tenant shall satisfy the "Minimum Parking Requirement," as that term is defined, below. For purposes of this Section 6, the "**Minimum Parking Requirement**" shall mean Tenant leases Standard Unreserved Parking Passes and reserved parking passes under the Lease, as amended, in an aggregate amount no fewer than one and one-half (1.5) for each 1,000 rentable square feet of the Premises. *For clarity purposes*, Flex Parking Passes shall not be counted towards Tenant's satisfaction of the Minimum Parking Requirement. *As an example only*, if Tenant leased a total of 250,000 rentable square feet of space in the Building as of the Parking Transition Date, Tenant would be obligated to lease a total of 375 Standard Unreserved Parking Passes and/or reserved parking passes, in the aggregate, in order for Tenant to be permitted to lease any Flex Parking Passes; once Tenant leased the 375 Standard Unreserved Parking Passes and/or reserved parking passes in the aggregate (and only for so long as Tenant leases such 375 parking passes), Tenant would be permitted to convert all remaining unreserved parking passes to Flex Parking Passes, upon and subject to the terms provided for herein.

7. **Right of First Offer**. Subject to the terms of this Section 7, Landlord hereby grants to the Original Tenant or an Affiliate Assignee, as the case may be, a one-time right of first offer to lease all of the rentable square footage located on the sixteenth (16th) floor of the Building (the "**16th Floor First Offer Space**") and all of the rentable square footage located on the seventeenth (17th) floors of the Building ("**17th Floor First Offer Space**" and collectively with the 16th Floor First Offer Space, the "**First Offer Space**"), provided that the foregoing reference to Tenant's right of first offer being a "one-time" right shall not serve to alter or limit Landlord's obligation to deliver a "Second Chance First Offer Notice," as that term is defined in Section 7.2, below, as and to the extent required under the terms of Section 7.2, below. Notwithstanding the foregoing, such first offer right of Tenant shall commence only following the expiration or earlier termination of the existing leases of the First Offer Space (including any renewal or extension of any such lease, and regardless of whether such renewal or extension is expressly set forth in any such existing lease or is later agreed upon, and regardless of whether such renewal or extension is effectuated by an amendment to an existing document or a new lease). Tenant's right of first offer shall be on the terms and conditions set forth in this Section 7.

7.1 **Procedure for Offer**. Subject to the terms of this Section 7, Landlord shall notify Tenant (the "**First Offer Notice**") prior to entering into any lease of First Offer Space with a third party (expressly excluding the existing tenant of the First Offer Space). Pursuant to such First Offer Notice, Landlord shall offer to lease to Tenant the First Offer Space. The First Offer Notice shall describe the space so offered to Tenant and shall set forth the "First Offer Rent," as that term is defined in Section 7.3 below, and the other economic terms upon which Landlord is willing to lease such space to Tenant.

7.2 **Procedure for Acceptance**. If Tenant wishes to exercise Tenant's right of first offer with respect to the space described in the First Offer Notice, then within ten (10) business days following delivery of the First Offer Notice to Tenant (the "**First Offer Exercise Period**"), Tenant shall deliver notice (the "**First Offer Exercise Notice**") to Landlord of Tenant's election to exercise its right of first offer with respect to the entire space described in the First Offer Notice (except as otherwise expressly set forth in the last sentence of this Section 7.2) on the terms contained in such notice, provided that concurrently with such exercise, Tenant may, at its option, object to the First Offer Rent contained in the First Offer Notice, in which case the parties shall follow the procedure, and the First Offer Rent shall be determined, as set forth in Section 2.2.4 of the Original Lease (as if the First Offer Rent hereunder were the First Offer Rent under Section 1.3 of the Original Lease). If Tenant does not deliver the First Offer Exercise Notice to Landlord within the ten (10) business day period set forth above, then Landlord shall be free to lease the space described in the First Offer Notice to anyone Landlord desires and on any terms Landlord desires; provided, however, that if Landlord does not enter into a lease of the subject First Offer Space within nine (9) months after the expiration of the First Offer Exercise Period, then such First Offer Space shall again be subject to the right of first offer as set forth herein and Landlord shall deliver a second First Offer Notice with regard to the subject First Offer Space (the "**Second Chance First Offer Notice**") prior to entering into any lease of the subject First Offer Space with a third party (expressly excluding the existing tenant of the First Offer Space); provided, further that Tenant hereby acknowledges and agrees that Landlord shall only be obligated to deliver one (1) Second Chance First Offer Notice with regard to any particular First Offer Space and that if Tenant shall fail to exercise its right of first offer upon Landlord's delivery of a Second Chance First Offer Notice, Landlord shall be free to lease the space described therein to any Landlord desires on any terms Landlord desires (and Tenant shall have no further rights whatsoever with regard to the subject First Offer Space). Notwithstanding anything to the contrary contained herein, Tenant must elect to exercise its right of first offer, if at all, with respect to all of the space offered by Landlord to Tenant in any First Offer Notice, and Tenant may not elect to lease only a portion thereof; provided, however, that in the event that the First Offer Notice shall include all of the 16th Floor First Offer Space and all of the 17th Floor First Offer Space, Tenant shall have the right to elect, in the First Offer Exercise Notice, to lease only the entire 16th Floor First Offer Space.

7.3 **First Offer Space Rent**. The Rent payable by Tenant for the First Offer Space (which shall also be referred to herein as the "**First Offer Rent**") shall be equal to the "Market Rent" (as that term is defined in Section 2.2.2 of the Original Lease), for the First Offer Space as such Market Rent is determined pursuant to **Exhibit H** attached to the Original Lease. The calculation of the "**Market Rent**" hereunder shall be derived from a review of, and comparison to, the "**Net Equivalent Lease Rates**" of the "**Comparable Transactions**," as provided for in **Exhibit H**, and thereafter, the Market Rent shall be stated as a "Net Equivalent Lease Rate" for each year of the subject First Offer Term.

7.4 **Construction In First Offer Space**. Subject to the terms of any tenant improvement allowance to which Tenant is entitled pursuant to the determination of the First Offer Rent, Tenant shall accept the First Offer Space in its "as is" condition, and Landlord shall not be obligated to provide or pay for any improvement work or services related to any improvement of the First Offer Space. Any improvements to the First Offer Space shall be made by Tenant in accordance with the terms of Article 8 of the Original Lease.

7.5 **Lease Amendment**. In the event that Tenant timely exercises Tenant's right to lease any First Offer Space as set forth in this Section 7, Landlord and Tenant shall within thirty (30) days following Landlord's receipt of the First Offer Exercise Notice, execute an amendment to the Lease, as amended hereby, adding such First Offer Space to the Premises, upon the terms and conditions as set forth in the First Offer Notice and this Section 7, and otherwise in compliance with the terms of the Lease, as amended hereby. To the extent the First Offer Rent shall not have been determined at the time of the execution of the amendment as provided for hereinabove, at either party's option, upon such determination, the parties' shall execute an additional amendment setting forth the First Offer Rent. Tenant shall commence payment of Rent for the First Offer Space, and the term of the First Offer Space shall commence, upon such date as is determined as a component of the First Offer Rent (the "**First Offer Commencement Date**"). Commencing on the First Offer Commencement Date, notwithstanding anything in the Lease to the contrary, Tenant shall have the right, but not the obligation, to rent parking passes in connection with Tenant's lease of the subject First Offer Space, in amount equal to 3.5 unreserved parking passes for each 1,000 rentable square feet of the First Offer Space leased by Tenant (the "**First Offer Parking Passes**"), upon and subject to the terms of Section 29.18 of the Original Lease, as amended. Tenant shall pay the prevailing rate for First Offer Parking Passes rented by Tenant, plus any applicable parking taxes. The term of Tenant's lease of the First Offer Space, shall terminate concurrently with the lease of the remainder of Tenant's Premises (the "**First Offer Term**"). The term of Tenant's lease of First Offer Space, commencing as of the First Offer Commencement Date and terminating concurrently with Tenant's lease of the remainder of Tenant's Premises, shall be referred to herein as the "**First Offer Term**". Upon the First Offer Commencement Date, First Offer Space leased by Tenant shall be part of the Premises along with all other space leased by Tenant and, accordingly, Tenant shall have the right to extend the term of Tenant's lease of the Premises (including First Offer Space leased by Tenant), upon and subject to the terms of Section 2.2 of the Original Lease.

7.6 **Termination of Right of First Offer**. The rights contained in this Section 7 shall be personal to the Original Tenant or an Affiliate Assignee, as the case may be, and may only be exercised by the Original Tenant or an Affiliate Assignee, as the case may be (and not any other assignee, or any sublessee or other transferee of Tenant's interest in the Lease, as amended) if the Original Tenant or an Affiliate Assignee, as the case may be, physically occupies no less than seventy-five percent (75%) of the Premises as of the date of the attempted exercise of the right of first offer by Tenant and, at Landlord's option, as of the scheduled date of delivery of such First Offer Space to Tenant (the "**First Offer Occupancy Test**"). For purposes of the First Offer Occupancy Test, Tenant shall be deemed to be in occupancy of any portion of the Premises that is not subleased or licensed and in connection with which Tenant has not otherwise permitted occupancy by a third party. The right of first offer granted herein shall terminate as to particular First Offer Space upon the failure by Tenant to exercise its right of first offer with respect to such First Offer Space as offered by Landlord, provided that the foregoing shall not limit or alter Landlord's obligation, if applicable, to deliver a Second Chance First Offer Notice as and to the

extent required by Section 7.2, above. *For clarity purposes (and as example only)*, if Landlord delivers a First Offer Notice with respect to the 16th Floor First Offer Space and Tenant shall not exercise its right to lease such space hereunder, assuming Tenant had not previously been offered the 17th Floor First Offer Space pursuant to this Section 7, Tenant's right of first offer would continue with regard to the 17th Floor First Offer Space (notwithstanding that Tenant has no ongoing right to the 16th Floor First Offer Space), upon and subject to the terms of this Section 7. The right of first offer shall not be applicable during the final three (3) years of the Lease Term (as it may be extended) unless Tenant first irrevocably exercises a then existing, unexpired right to extend the Lease Term (with respect to the entire Premises only) pursuant to an available remaining Option Term as provided in Section 2.2, below (and, notwithstanding the terms of Section 2.2, Tenant shall have the right to deliver an Option Exercise Notice concurrently with Tenant's delivery of the First Offer Exercise Notice, and in such event the Option Rent shall be determined as provided in Section 2.2.4 of the Original Lease). *For clarity purposes*, in connection with any exercise of Tenant's right to lease the Premises during an Option Term pursuant to the terms of this Section 7.6, notwithstanding anything contained in Section 2.2 of the Original Lease to the contrary, Tenant shall not have the right to lease a "Permitted Portion of the Premises," as that term is defined in Section 2.2.1 of the Original Lease. Tenant shall not have the right to lease First Offer Space, as provided in this Section 7, if, as of the date of the attempted exercise of any right of first offer by Tenant, or (at Landlord's option) as of the scheduled date of delivery of such First Offer Space to Tenant, Tenant is in monetary or material non-monetary Default of the Lease, as amended hereby.

8. **Letter of Credit**. Landlord and Tenant hereby acknowledge and agree that the LC Expiration Date shall be thirty (30) days following the Extended Expiration Date.

9. **Broker**. Landlord and Tenant hereby warrant to each other that, other than Jones Lang LaSalle and Cushman & Wakefield (collectively, "**Brokers**"), they have had no dealings with any real estate broker or agent in connection with the negotiation of this Eighth Amendment and that they know of no other real estate broker or agent who is entitled to a commission in connection with this Eighth Amendment. Each party agrees to indemnify and defend the other party against and hold the other party harmless from any and all claims, demands, losses, liabilities, lawsuits, judgments, and costs and expenses (including, without limitation, reasonable attorneys' fees) with respect to any leasing commission or equivalent compensation alleged to be owing on account of the indemnifying party's dealings with any real estate broker or agent other than Brokers. The terms of this Section 9 shall survive the expiration or earlier termination of the Lease, as hereby amended. Landlord shall pay the commission due to Brokers in connection with this Eighth Amendment pursuant to separate written agreements with Brokers.

10. **No Other Modifications**. Except as otherwise provided herein, all other terms and provisions of the Lease shall remain in full force and effect, unmodified by this Eighth Amendment.

11. **Counterparts; Manner of Execution**. This Eighth Amendment may be executed in counterparts and/or via facsimile, pdf or electronic signature (e.g., via Docusign), and Landlord and Tenant hereby acknowledge and agree that the same shall be fully effective in the same manner as if both parties hereto had executed the same document in original counterparts by hand. If applicable, both counterparts shall be construed together and shall constitute a single, original document.

12. **Conflict**. In the event of any conflict between the Lease and this Eighth Amendment, this Eighth Amendment shall prevail.

Each Borrowing of or conversion to Base Rate Loans shall be a minimum of $500,000 (and any amount in excess thereof shall be an integral multiple of $100,000). Each Committed Loan Notice shall specify (i) whether the Borrower is requesting a Term Borrowing, a Revolving Credit Borrowing, a conversion of Loans from one Type to the other, or a continuation of SOFR Loans, (ii) the requested date of the Borrowing, conversion or continuation, as the case may be (which shall be a Business Day), (iii) the Class and principal amount of Loans to be borrowed, converted or continued, (iv) the Type of Loans to be borrowed or to which existing Loans are to be converted, (v) if applicable, the duration of the Interest Period with respect thereto and (vi) the location and number of the Borrower's accounts to which funds are to be disbursed, which shall comply with the requirements of Section 2.02(b). If the Borrower fails to specify a Type of Loan in a Committed Loan Notice, then the applicable Loans shall be made as SOFR Loans with an Interest Period of one (1) month and if the Borrower fails to give a timely notice requesting a conversion or continuation, then the applicable Loans shall be converted to Base Rate Loans. Any such automatic conversion or continuation shall be effective as of the last day of the Interest Period then in effect with respect to the applicable SOFR Loans. If the Borrower requests a Borrowing of, conversion to, or continuation of SOFR Loans in any such Committed Loan Notice, but fail to specify an Interest Period, it will be deemed to have specified an Interest Period of one (1) month. For the avoidance of doubt, the Borrower and Lenders acknowledge and agree that any conversion or continuation of an existing Loan shall be deemed to be a continuation of that Loan with a converted interest rate methodology and not a new Loan. Anything to the contrary contained herein notwithstanding, all Borrowing requests which are not made on-line via Administrative Agent's electronic platform or portal shall be subject to (and unless Administrative Agent elects otherwise in the exercise of its sole discretion, such Borrowings shall not be made until the completion of) Administrative Agent's authentication process (with results satisfactory to Administrative Agent) prior to the funding of the requested Loan.

(b) Following receipt of a Committed Loan Notice, the Administrative Agent shall promptly notify each Appropriate Lender of the amount of its Applicable Percentage of the

applicable Class of Loans, and if no timely notice of a conversion or continuation is provided by the Borrower, the Administrative Agent shall notify each Appropriate Lender of the details of any conversion or continuation described in Section 2.02(a). In the case of each Borrowing, each Appropriate Lender shall make (or cause its Applicable Lending Office to make) the amount of its Loan available to the Administrative Agent in Same Day Funds at the Administrative Agent's Office not later than 10:00 a.m. on the Business Day specified in the applicable Committed Loan Notice. Upon satisfaction of the applicable conditions set forth in Section 4.02 (and, if such Borrowing is the Credit Extensions on the Closing Date, Section 4.01), the Administrative Agent shall on the borrowing date specified in such Committed Loan Notice disburse all funds so received to the Borrower in like funds as received by the Administrative Agent by wire transfer of such funds, in each case in accordance with instructions provided to (and reasonably acceptable to) the Administrative Agent by the Borrower; provided, that, if, on the date the Committed Loan Notice with respect to such Borrowing is given by the Borrower, there are Swing Line Loans or L/C Borrowings outstanding, then the proceeds of such Borrowing shall be applied first, to the payment in full of any such L/C Borrowings, second, to the payment in full of any such Swing Line Loans, and third, to the Borrower as provided above.

(c) Except as otherwise provided herein, a SOFR Loan may be continued or converted only on the last day of an Interest Period for such SOFR Loan unless the Borrower pays the amount due, if any, under Section 3.04 in connection therewith. During the existence of an Event of Default, the Administrative Agent or the Required Lenders may require that (i) no Loans may be converted to or continued as SOFR Loans and (ii) unless repaid, each SOFR Loan shall be converted to a Base Rate Loan at the end of the Interest Period applicable thereto.

(d) The Administrative Agent shall promptly notify the Borrower and the Lenders of the interest rate applicable to any Interest Period for SOFR Loans and of the interest rate applicable to Base Rate Loans, in each case upon determination of such interest rate. The determination of Term SOFR by the Administrative Agent shall be conclusive in the absence of manifest error.

(e) Anything in clauses (a) to (d) above to the contrary notwithstanding, after giving effect to all Term Borrowings and Revolving Credit Borrowings, all conversions of Term Loans and Revolving Credit Loans from one Type to the other, and all continuations of Term Loans and Revolving Credit Loans as the same Type, there shall not be more than ten (10) Interest Periods in effect at any time for all Borrowings of SOFR Loans.

(f) Unless the Administrative Agent shall have received notice from a Lender prior to the date of any Borrowing, or, in the case of any Borrowing of Base Rate Loans, prior to 9:30 a.m., on the date of such Borrowing, that such Lender will not make available to the Administrative Agent such Lender's Applicable Percentage of such Borrowing, the Administrative Agent may assume that such Lender has made such Applicable Percentage available to the Administrative Agent on the date of such Borrowing in accordance with clause (b) above, and the Administrative Agent may, in reliance upon such assumption, make available to the Borrower on such date a corresponding amount. If the Administrative Agent shall have so made funds available, then, to the extent that such Lender shall not have made such portion available to the Administrative Agent, each of such Lender and the Borrower severally agree to repay to the Administrative Agent forthwith on demand such corresponding amount together with interest thereon, for each day from the date such amount is made available to the Borrower until the date such amount is repaid to the Administrative Agent at (a) in the case of the Borrower, the interest rate applicable at the time to the Loans comprising such Borrowing and (b) in the case of such Lender, the greater of (x) the Federal Funds Rate and (y) a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar

fees customarily charged by the Administrative Agent in accordance with the foregoing. A certificate of the Administrative Agent submitted to any Lender with respect to any amounts owing under this Section 2.02(f) shall be conclusive in the absence of demonstrable error. If the Borrower and such Lender shall both pay all or any portion of the principal amount in respect of such Borrowing or interest to the Administrative Agent for the same or an overlapping period, the Administrative Agent shall promptly remit to the Borrower the amount of such Borrowing or interest paid by the Borrower for such period. If such Lender pays its share of the Borrowing to the Administrative Agent, then the amount so paid shall constitute such Lender's Loan included in such Borrowing. Any payment by the Borrower shall be without prejudice to any claim the Borrower may have against a Lender that shall have failed to make such payment to the Administrative Agent.

(g) Administrative Agent is authorized to make the Revolving Loans and the Term Loan, and L/C Issuer is authorized to issue the Letters of Credit, under this Agreement based upon telephonic or other instructions received from anyone purporting to be Responsible Officer or, without instructions, if pursuant to Section 2.14.

(h) If the maturity date shall have occurred in respect of any Class of Revolving Credit Commitments at a time when another Class or Classes of Revolving Credit Commitments is or are in effect with a longer maturity date, then on the earliest occurring maturity date all then-outstanding Revolving Credit Loans shall be repaid in full on such date (and there shall be no adjustment to the participations in such Revolving Credit Loans as a result of the occurrence of such maturity date); provided, however, that, if on the occurrence of such earliest maturity date (after giving effect to any repayments of Revolving Credit Loans and any reallocation of Letter of Credit participations as contemplated in Section 2.03(k) or of Swing Line Loans as contemplated in Section 2.04(g)), there shall exist sufficient unutilized Extended Revolving Credit Commitments so that the respective outstanding Revolving Credit Loans could be incurred pursuant the Extended Revolving Credit Commitments which will remain in effect after the occurrence of such maturity date, then there shall be an automatic adjustment on such date of the participations in such Revolving Credit Loans and same shall be deemed to have been incurred solely pursuant to the relevant Extended Revolving Credit Commitments, and such Revolving Credit Loans shall not be so required to be repaid in full on such earliest maturity date.

Section 2.03 Letters of Credit.

(a) The Letter of Credit Commitments.

(i) Subject to the terms and conditions set forth herein, (1) each L/C Issuer agrees, in reliance upon the agreements of the other Revolving Credit Lenders set forth in this Section 2.03, (x) from time to time on any Business Day during the period from the Closing Date until the Letter of Credit Expiration Date, to issue Letters of Credit in Dollars for the account of the Borrower (provided, that, any Letter of Credit may be for the benefit of any Restricted Subsidiary of the Borrower so long as the Borrower is a co-applicant with respect thereto) and to amend or renew Letters of Credit previously issued by it, in accordance with Section 2.03(b), and (y) to honor drafts under the Letters of Credit and (2) the Revolving Credit Lenders severally agree to participate in Letters of Credit issued pursuant to this Section 2.03; provided, that, no L/C Issuer shall be obligated to make any L/C Credit Extension with respect to any Letter of Credit, and no Lender shall be obligated to participate in any Letter of Credit if after giving effect to such L/C Credit Extension, if (x) the Revolving Credit Exposure of any Lender would exceed such Lender's Revolving Credit Commitment, or (y) the Outstanding Amount of the L/C Obligations would exceed

the Letter of Credit Sublimit; provided, further, that, each L/C Issuer shall have a Commitment herein proportionate to its Revolving Credit Commitment and no L/C Issuer shall be obligated to issue, amend or renew any Letter of Credit if the Outstanding Amount of Letters of Credit issued by such L/C Issuer, when aggregated with the Outstanding Amount of Swing Line Loans made by such L/C Issuer and the Revolving Credit Exposure of such L/C Issuer (other than Revolving Credit Exposure attributable to Letters of Credit and Swing Line Loans issued and made by such L/C Issuer) would exceed the L/C Issuer's Revolving Credit Commitment. Within the foregoing limits, and subject to the terms and conditions hereof, the Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired or that have been drawn upon and reimbursed.

(ii) An L/C Issuer shall be under no obligation to issue any Letter of Credit if:

(A) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms purport to enjoin or restrain such L/C Issuer from issuing such Letter of Credit, or any Law applicable to such L/C Issuer or any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such L/C Issuer shall prohibit, or direct that such L/C Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such L/C Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (for which such L/C Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such L/C Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date (for which such L/C Issuer is not otherwise compensated hereunder);

(B) the issuance of such Letter of Credit would violate one or more policies of L/C Issuer applicable to letters of credit generally;

(C) subject to Section 2.03(b)(iii), the expiry date of such requested Letter of Credit would occur more than twelve months after the date of issuance or last renewal, unless (i) the Required Revolving Credit Lenders and (ii) the relevant L/C Issuer have approved such expiry date;

(D) the expiry date of such requested Letter of Credit would occur after the Letter of Credit Expiration Date, unless (i) all the Revolving Credit Lenders and (ii) the relevant L/C Issuer have approved such expiry date, except to the extent such Letter of Credit is Cash Collateralized in accordance with Section 2.03(f) or otherwise backstopped pursuant to arrangement reasonably satisfactory to the relevant L/C Issuer;

(E) the issuance of such Letter of Credit would violate any Laws binding upon such L/C Issuer;

(F) [reserved];

(G) such L/C Issuer does not as of the issuance date of such requested Letter of Credit issue Letters of Credit in the requested currency; or

(H) any Lender is at that time a Defaulting Lender, unless after giving effect to the requested issuance the requirements of Section 2.16(e) have been satisfied.

(iii) An L/C Issuer shall be under no obligation to amend any Letter of Credit if (A) such L/C Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(b) Procedures for Issuance and Amendment of Letters of Credit; Auto Renewal Letters of Credit.

(i) Each Letter of Credit shall be issued or amended, as the case may be, upon the request of the Borrower delivered to an L/C Issuer (with a copy to the Administrative Agent, along with a written Letter of Credit Application, appropriately completed and signed by a Responsible Officer of the Borrower, relating to such Letter of Credit) in the form of a Letter of Credit Application with such other Issuer Documents as the L/C Issuer may reasonably request, appropriately completed and signed by a Responsible Officer of the Borrower. Such Letter of Credit Application and Issuer Documents must be received by the relevant L/C Issuer and the Administrative Agent not later than 1:00 p.m. at least three (3) Business Days prior to the proposed issuance date or date of amendment, as the case may be; or, in each case, such later date and time as the relevant L/C Issuer may agree in a particular instance in its sole discretion. In the case of a request for an initial issuance of a Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer: (a) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (b) the amount and currency thereof; (c) the expiry date thereof; (d) the name and address of the beneficiary thereof; (e) the documents to be presented by such beneficiary in case of any drawing thereunder; (f) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; and (g) such other matters as the relevant L/C Issuer may reasonably request. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Application shall specify in form and detail reasonably satisfactory to the relevant L/C Issuer (1) the Letter of Credit to be amended; (2) the proposed date of amendment thereof (which shall be a Business Day); (3) the nature of the proposed amendment; and (4) such other matters as the relevant L/C Issuer may reasonably request, and such issuance shall be subject to the L/C Issuer's authentication procedures with results satisfactory to L/C Issuer.

(ii) Promptly after receipt of any Letter of Credit Application, the relevant L/C Issuer will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has received a copy of such Letter of Credit Application from the Borrower and, if not, such L/C Issuer will provide the Administrative Agent with a copy thereof. Unless the relevant L/C Issuer has received written notice from the Administrative Agent, any Revolving Credit Lender or any Loan Party, at least one (1) Business Day prior to the requested date of issuance or amendment of the applicable Letter of Credit, that one or more applicable conditions contained in Article IV shall not have been satisfied, then, subject to the terms and conditions hereof, such L/C Issuer shall, on the requested date, issue a Letter of Credit for the account of the Borrower (and, if requested, on behalf of a Subsidiary) or enter into the applicable amendment, as the case may be. Immediately upon the issuance of each Letter of Credit, each Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, acquire from the relevant L/C Issuer

a risk participation in such Letter of Credit in an amount equal to the product of such Revolving Credit Lender's Applicable Percentage times the amount of such Letter of Credit.

(iii) If the Borrower so requests in any applicable Letter of Credit Application, the relevant L/C Issuer shall agree to issue a Letter of Credit that has automatic renewal provisions (each, an "Auto-Renewal Letter of Credit"); provided, that, any such Auto-Renewal Letter of Credit must permit the relevant L/C Issuer to prevent any such renewal at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof not later than a day (the "Nonrenewal Notice Date") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the relevant L/C Issuer, the Borrower shall not be required to make a specific request to the relevant L/C Issuer for any such renewal. Once an Auto-Renewal Letter of Credit has been issued, the applicable Lenders shall be deemed to have authorized (but may not require) the relevant L/C Issuer to permit the renewal of such Letter of Credit at any time to an expiry date not later than the Letter of Credit Expiration Date; provided, that, the relevant L/C Issuer shall not permit any such renewal if (A) the relevant L/C Issuer has determined that it would have no obligation at such time to issue such Letter of Credit in its renewed form under the terms hereof (by reason of the provisions of Section 2.03(a)(ii) or otherwise), or (B) it has received notice (which may be by telephone, followed promptly in writing, or in writing) on or before the day that is five (5) Business Days before the Nonrenewal Notice Date from the Administrative Agent or any Revolving Credit Lender, as applicable, or the Borrower that one or more of the applicable conditions specified in Section 4.02 is not then satisfied.

(iv) Any L/C Issuer (other than Wells Fargo or any of its Affiliates) shall notify Administrative Agent in writing no later than the Business Day prior to the Business Day on which such L/C Issuer issues any Letter of Credit. Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the relevant L/C Issuer will also deliver to the Borrower (and Administrative Agent) a true and complete copy of such Letter of Credit or amendment and send the details of such Letter of Credit or amendment to the Administrative Agent via electronic mail at the address provided in Schedule 10.02. The L/C Issuer (unless it is Wells Fargo or any of its Affiliates) shall provide a weekly statement to the Administrative Agent evidencing all outstanding Letters of Credit.

(c) Drawings and Reimbursements; Funding of Participations.

(i) Upon receipt from the beneficiary of any Letter of Credit of any notice of a drawing under such Letter of Credit, the relevant L/C Issuer shall notify promptly the Borrower and the Administrative Agent thereof. On the Business Day immediately following the Business Day on which the Borrower shall have received notice of any payment by an L/C Issuer under a Letter of Credit (or, if the Borrower shall have received such notice later than 1:00 p.m. on any Business Day, on the second succeeding Business Day) (each such date, an "Honor Date"), the Borrower shall reimburse such L/C Issuer through the Administrative Agent in an amount equal to the amount of such drawing and in the applicable currency by 1:00 p.m. on such Business Day. If the Borrower fails to so reimburse such L/C Issuer by such time, the Administrative Agent shall promptly notify each Appropriate Lender of the Honor Date, the amount of the unreimbursed drawing (the "Unreimbursed Amount"), and the amount of such Appropriate Lender's Applicable Percentage thereof. In such event, the Borrower shall be deemed to have requested a

Revolving Credit Borrowing of Base Rate Loans to be disbursed on the Honor Date in an amount equal to the Unreimbursed Amount, without regard to the minimum and multiples specified in Section 2.02 for the principal amount of Base Rate Loans but subject to the amount of the unutilized portion of the Revolving Credit Commitments of the Appropriate Lenders, and subject to the conditions set forth in Section 4.02 (other than the delivery of a Committed Loan Notice); provided, that, any drawing under a Letter of Credit that is not reimbursed on the date of drawing shall accrue interest from the date of drawing at the rate applicable to Revolving Credit Loans that are Base Rate Loans subject to the provisions set forth below. Any notice given by an L/C Issuer or the Administrative Agent pursuant to this Section 2.03(c)(i) may be given by telephone if immediately confirmed in writing; provided, that, the lack of such an immediate confirmation shall not affect the conclusiveness or binding effect of such notice. The Borrower understands and agrees that the L/C Issuer is not required to extend the expiration date of any Letter of Credit for any reason.

(ii) Each Revolving Credit Lender (including any such Lender acting as an L/C Issuer) shall upon any notice pursuant to Section 2.03(c)(i) make funds available to the Administrative Agent for the account of the relevant L/C Issuer, in Dollars, at the Administrative Agent's Office for Dollar denominated payments in an amount equal to its Applicable Percentage of any Unreimbursed Amount in respect of a Letter of Credit not later than 1:00 p.m. on the Business Day specified in such notice by the Administrative Agent, whereupon, subject to the provisions of Section 2.04(c)(iii), each Revolving Credit Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the relevant L/C Issuer.

(iii) With respect to any Unreimbursed Amount in respect of a Letter of Credit that is not fully refinanced by a Revolving Credit Borrowing of Base Rate Loans because the conditions set forth in Section 4.02 cannot be satisfied or for any other reason, the Borrower shall be deemed to have incurred from the relevant L/C Issuer an L/C Borrowing in the amount of the Unreimbursed Amount that is not so refinanced, which L/C Borrowing shall be due and payable on demand (together with interest) and shall bear interest at the Default Rate. In such event, each Revolving Credit Lender's payment to the Administrative Agent for the account of the relevant L/C Issuer pursuant to Section 2.03(c)(ii) shall be deemed payment in respect of its participation in such L/C Borrowing and shall constitute an L/C Advance from such Lender in satisfaction of its participation obligation under this Section 2.03.

(iv) Until each Revolving Credit Lender funds its Revolving Credit Loan or L/C Advance pursuant to this Section 2.03(c) to reimburse the relevant L/C Issuer for any amount drawn under any Letter of Credit, interest in respect of such Lender's Applicable Percentage of such amount shall be solely for the account of the relevant L/C Issuer.

(v) Each Revolving Credit Lender's obligation to make Revolving Credit Loans or L/C Advances to reimburse an L/C Issuer for amounts drawn under Letters of Credit, as contemplated by this Section 2.03(c), shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the relevant L/C Issuer, the Borrower or any other Person for any reason whatsoever; (B) the occurrence or continuance of a Default; or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, that, each Revolving Credit Lender's obligation

to make Revolving Credit Loans (but not L/C Advances) pursuant to this Section 2.03(c) is subject to the conditions set forth in Section 4.02 (other than delivery by the Borrower of a Committed Loan Notice). No such making of an L/C Advance shall relieve or otherwise impair the obligation of the Borrower to reimburse the relevant L/C Issuer for the amount of any payment made by such L/C Issuer under any Letter of Credit, together with interest as provided herein.

(vi) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the relevant L/C Issuer any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.03(c) by the time specified in Section 2.03(c)(ii), such L/C Issuer shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to such L/C Issuer at the Federal Funds Rate, or if the Federal Funds Rate is not available, a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the L/C Issuer in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Loan included in the relevant Borrowing or L/C Advance in respect of the relevant L/C Borrowing, as the case may be. A certificate of the relevant L/C Issuer submitted to any Revolving Credit Lender (through the Administrative Agent) with respect to any amounts owing under this Section 2.03(c)(vi) shall be conclusive absent demonstrable error.

(vii) If, at any time after an L/C Issuer has made a payment under any Letter of Credit and has received from any Revolving Credit Lender such Lender's L/C Advance in respect of such payment in accordance with this Section 2.03(c), the Administrative Agent receives for the account of such L/C Issuer any payment in respect of the related Unreimbursed Amount or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to each Revolving Credit Lender its Applicable Percentage thereof (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's L/C Advance was outstanding) in the same funds as those received by the Administrative Agent.

(viii) If any payment received by the Administrative Agent for the account of an L/C Issuer pursuant to Section 2.03(c)(i) is required to be returned under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by such L/C Issuer in its discretion), each Revolving Credit Lender shall pay to the Administrative Agent for the account of such L/C Issuer its Applicable Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the Federal Funds Rate, or if the Federal Funds Rate is not available, a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(d) Obligations Absolute. The obligation of the Borrower to reimburse the relevant L/C Issuer for each drawing under each Letter of Credit issued by it and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of such Letter of Credit, this Agreement, or any other agreement or instrument relating thereto;

(ii) the existence of any claim, counterclaim, setoff, defense or other right that any Loan Party may have at any time against any beneficiary or any transferee of such Letter of Credit (or any Person for whom any such beneficiary or any such transferee may be acting), the relevant L/C Issuer or any other Person, whether in connection with this Agreement, the transactions contemplated hereby or by such Letter of Credit or any agreement or instrument relating thereto, or any unrelated transaction;

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) any payment by the relevant L/C Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the relevant L/C Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under any Debtor Relief Law;

(v) any exchange, release or nonperfection of any Collateral, or any release or amendment or waiver of or consent to departure from the Guaranty or any other guarantee, for all or any of the Obligations of any Loan Party in respect of such Letter of Credit;

(vi) [reserved]; or

(vii) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, any Loan Party;

provided, that, the foregoing shall not excuse any L/C Issuer from liability to the Borrower to the extent of any direct damages (as opposed to consequential damages, claims in respect of which are waived by the Borrower to the extent permitted by applicable Law) suffered by the Borrower that are caused by such L/C Issuer's gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable judgment) when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof.

The Borrower is responsible for the final text of the Letter of Credit as issued by L/C Issuer, irrespective of any assistance L/C Issuer may provide such as drafting or recommending text or by L/C Issuer's use or refusal to use text submitted by the Borrower. The Borrower understands that the final form of any Letter of Credit may be subject to such revisions and changes as are deemed necessary or appropriate by L/C Issuer, and the Borrower hereby consents to such revisions and changes not materially different from the application executed in connection therewith. The Borrower is solely responsible for the suitability of the Letter of Credit for the Borrower's purposes.

(e) Role of L/C Issuers. Each Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the relevant L/C Issuer shall not have any responsibility to obtain

any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the L/C Issuers, any Agent-Related Person nor any of the respective correspondents, participants or assignees of any L/C Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Lenders or the Required Revolving Credit Lenders, as applicable; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final non-appealable judgment); or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Letter of Credit Application. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided, that, this assumption is not intended to, and shall not, preclude the Borrower's pursuing such rights and remedies as they may have against the beneficiary or transferee at law or under any other agreement. None of the L/C Issuers, any Agent-Related Person, nor any of the respective correspondents, participants or assignees of any L/C Issuer, shall be liable or responsible for any of the matters described in clauses (i) through (iii) of this Section 2.03(e); provided, that, anything in such clauses to the contrary notwithstanding, the Borrower may have a claim against an L/C Issuer, and such L/C Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower caused by such L/C Issuer's willful misconduct or gross negligence or such L/C Issuer's willful or grossly negligent failure to pay under any Letter of Credit after the presentation to it by the beneficiary of a sight draft and certificate(s) strictly complying with the terms and conditions of a Letter of Credit (in each case, as determined by the final and non-appealable judgment of a court of competent jurisdiction). In furtherance and not in limitation of the foregoing, each L/C Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and no L/C Issuer shall be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

(f) Cash Collateral. (i) If any Event of Default occurs and is continuing and the Administrative Agent, the Required Lenders, or the Required Revolving Credit Lenders, as applicable, require the Borrower to Cash Collateralize the L/C Obligations pursuant to Section 8.02(c) or (ii) an Event of Default set forth under Section 8.01(f) or (g) occurs and is continuing, then the Borrower shall Cash Collateralize the then Outstanding Amount of all L/C Obligations (in an amount equal to such Outstanding Amount determined as of the date of such Event of Default), and shall do so not later than 2:00 p.m. on (x) in the case of the immediately preceding clause (i), (1) the Business Day that the Borrower receives notice thereof, if such notice is received on such day prior to 1:00 p.m., or (2) if clause (1) above does not apply, the Business Day immediately following the day that the Borrower receives such notice and (y) in the case of the immediately preceding clause (ii), the Business Day on which an Event of Default set forth under Section 8.01(f) or (g) occurs or, if such day is not a Business Day, the Business Day immediately succeeding such day, in either case, by 1:00 p.m. on such day. For purposes hereof, "Cash Collateralize" means to pledge and deposit with or deliver to the Administrative Agent, for the benefit of the relevant L/C Issuer and the Revolving Credit Lenders, as collateral for the L/C Obligations, cash or deposit account balances in an amount equal to 105% of the then Outstanding Amount of all L/C Obligations (determined as of the date of such Event of Default), ("Cash Collateral") pursuant to documentation in form and substance reasonably satisfactory to the Administrative Agent and the relevant L/C Issuer (which documents are hereby consented to by the Revolving Credit Lenders). Derivatives of such term have corresponding meanings. The Borrower hereby grants to the Administrative Agent, for the benefit of the Secured Parties, a

security interest in all such cash, deposit accounts and all balances therein and all proceeds of the foregoing. Cash Collateral shall be maintained in accounts reasonably satisfactory to the Administrative Agent in the name of the Administrative Agent and for the benefit of the Secured Parties and may be invested in readily available Cash Equivalents at its sole discretion. If at any time the Administrative Agent determines that any funds held as Cash Collateral are subject to any right or claim of any Person other than the Administrative Agent (on behalf of the Secured Parties) or that the total amount of such funds is less than the aggregate Outstanding Amount of all L/C Obligations, the Borrower will, forthwith upon demand by the Administrative Agent, pay to the Administrative Agent, as additional funds to be deposited and held in the deposit accounts reasonably satisfactory to the Administrative Agent as aforesaid, an amount equal to the excess of (a) such aggregate Outstanding Amount over (b) the total amount of funds, if any, then held as Cash Collateral that the Administrative Agent reasonably determines to be free and clear of any such right and claim. Upon the drawing of any Letter of Credit for which funds are on deposit as Cash Collateral, such funds shall be applied, to the extent permitted under applicable Law, to reimburse the relevant L/C Issuer. To the extent the amount of any Cash Collateral exceeds the then Outstanding Amount of such L/C Obligations plus costs incidental thereto and so long as no other Event of Default has occurred and is continuing, the excess shall be refunded to the Borrower. If such Event of Default is cured or waived and no other Event of Default is then occurring and continuing, the amount of any Cash Collateral and accrued interest thereon shall be refunded to the Borrower.

(g) Letter of Credit Fees. The Borrower shall pay to the Administrative Agent for the account of each Revolving Credit Lender in accordance with its Applicable Percentage a Letter of Credit fee for each Letter of Credit issued pursuant to this Agreement equal to the product of (i) Applicable Rate for Letter of Credit fees and (ii) the daily maximum amount then available to be drawn under such Letter of Credit. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.11. Such letter of credit fees shall be computed on a quarterly basis in arrears. Such letter of credit fees shall be due and payable in arrears on the first Business Day of each calendar quarter, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. If there is any change in the Applicable Rate during any quarter, the daily maximum amount of each Letter of Credit shall be computed and multiplied by the Applicable Rate separately for each period during such quarter that such Applicable Rate was in effect.

(h) Fronting Fee and Documentary and Processing Charges Payable to L/C Issuers. The Borrower shall pay directly to each L/C Issuer for its own account a fronting fee (a "Fronting Fee") with respect to each Letter of Credit issued by it equal to 0.125% *per annum* of the daily maximum amount then available to be drawn under such Letter of Credit. For purposes of computing the daily amount available to be drawn under any Letter of Credit, the amount of such Letter of Credit shall be determined in accordance with Section 1.11. Such Fronting Fee shall be computed on a quarterly basis in arrears. Such Fronting Fee shall be due and payable in arrears on the first Business Day of each calendar quarter, commencing with the first such date to occur after the issuance of such Letter of Credit, on the Letter of Credit Expiration Date and thereafter on demand. In addition, the Borrower shall pay directly to each L/C Issuer for its own account the customary issuance, presentation, amendment and other processing fees, and other standard costs and charges, of such L/C Issuer relating to letters of credit as from time to time in effect. Such customary fees and standard costs and charges are due and payable within ten (10) Business Days of demand and are nonrefundable.

(i) Conflict with Issuer Documents. In the event of a direct conflict between the provisions of this Section 2.03 and any provision contained in any Issuer Document, it is the intention of the parties hereto that such provisions be read together and construed, to the fullest extent possible, to be in concert with each other. In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of this Section 2.03 shall control and govern.

(j) Addition of an L/C Issuer. A Revolving Credit Lender (or any of its Subsidiaries or affiliates) may become an additional L/C Issuer hereunder pursuant to a written agreement among the Borrower and such Revolving Credit Lender, which such written agreement shall also provide that the commitment of such additional L/C Issuer to issue Letters of Credit shall not exceed at any time the amount set forth in such written agreement. The Administrative Agent shall notify the Revolving Credit Lenders of any such additional L/C Issuer.

(k) Provisions Related to Extended Revolving Credit Commitments. If the maturity date in respect of any Class of Revolving Credit Commitments occurs prior to the expiration of any Letter of Credit, then (i) if one or more other Classes of Revolving Credit Commitments in respect of which the maturity date shall not have occurred are then in effect, such Letters of Credit shall automatically be deemed to have been issued (including for purposes of the obligations of the Revolving Credit Lenders to purchase participations therein and to make Revolving Credit Loans and payments in respect thereof pursuant to Section 2.03(c)) under (and ratably participated in by Lenders pursuant to) the Revolving Credit Commitments in respect of such non-terminating Classes up to an aggregate amount not to exceed the aggregate principal amount of the unutilized Revolving Credit Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (ii) to the extent not reallocated pursuant to immediately preceding clause (i), the Borrower shall Cash Collateralize any such Letter of Credit in accordance with Section 2.03(f). If, for any reason, such Cash Collateral is not provided or the reallocation does not occur, the Revolving Credit Lenders under the maturing Class shall continue to be responsible for their participating interests in the Letters of Credit. Except to the extent of reallocations of participations pursuant to clause (i) of the second preceding sentence, the occurrence of a maturity date with respect to a given Class of Revolving Credit Commitments shall have no effect upon (and shall not diminish) the percentage participations of the Revolving Credit Lenders in any Letter of Credit issued before such maturity date. Commencing with the maturity date of any Class of Revolving Credit Commitments, the sublimit for Letters of Credit shall be agreed with the Revolving Credit Lenders under the extended Classes. For the avoidance of doubt, notwithstanding anything contained herein, the commitment of any L/C Issuer to act in its capacity as such cannot be extended beyond the Maturity Date for the Revolving Credit Facility (as such Maturity Date is in effect at the Closing Date) or increased without its prior written consent.

(l) Applicability of ISP. Unless otherwise expressly agreed by the L/C Issuer and the Borrower when a Letter of Credit is issued, the rules of the ISP shall apply to each standby Letter of Credit. Notwithstanding the foregoing, the L/C Issuer shall not be responsible to the Borrower for, and the L/C Issuer's rights and remedies against the Borrower shall not be impaired by, any action or inaction of the L/C Issuer required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this agreement, including the Law or any order of a jurisdiction where the L/C Issuer or the beneficiary is located, the practice stated in the ISP, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade – International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

(m) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, the Borrower shall be obligated to reimburse the applicable L/C Issuer hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Subsidiaries inure to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

Section 2.04 Swing Line Loans.

(a) The Swing Line. Subject to the terms and conditions set forth herein, the Swing Line Lender agrees, in its sole discretion, to make loans denominated in Dollars (each such loan, a "Swing Line Loan") to the Borrower from time to time on any Business Day (other than the Closing Date) until the Business Day prior to the Maturity Date with respect to the Revolving Credit Facility in an aggregate amount not to exceed at any time outstanding the amount of the Swing Line Sublimit, notwithstanding the fact that such Swing Line Loans, when aggregated with the Applicable Percentage of the Outstanding Amount of Revolving Credit Loans and L/C Obligations of the Lender acting as Swing Line Lender, may exceed the amount of such Lender's Revolving Credit Commitment; provided, that, after giving effect to any Swing Line Loan, the aggregate Outstanding Amount of the Revolving Credit Loans of any Lender, plus such Lender's Applicable Percentage of the Outstanding Amount of all L/C Obligations, plus such Lender's Applicable Percentage of the Outstanding Amount of all Swing Line Loans shall not exceed such Lender's Revolving Credit Commitment then in effect; provided, further, that, no Swing Line Lender shall be obligated to make any Swing Line Loan if the Outstanding Amount of Swing Line Loans made by such Swing Line Lender, when aggregated with the Outstanding Amount of Letter of Credit issued by such Swing Line Lender and the Revolving Credit Exposure of such Swing Line Lender (other than Revolving Credit Exposure attributable to Swing Line Loans and Letters of Credit made and issued by such Swing Line Lender) would exceed the Swing Line Lender's Revolving Credit Commitment; provided, further, that, Swing Line Lender shall not be required to make any Swing Line Loan at any time that any Lender is a Defaulting Lender, unless after giving effect to the requested Swing Line Loans the requirements of Section 2.16(e) have been satisfied; provided, further, that, the Borrower shall not use the proceeds of any Swing Line Loan to refinance any outstanding Swing Line Loan. Within the foregoing limits, and subject to the other terms and conditions hereof, the Borrower may borrow under this Section 2.04, prepay under Section 2.05, and reborrow under this Section 2.04. Each Swing Line Loan shall be a Base Rate Loan. Immediately upon the making of a Swing Line Loan, each Revolving Credit Lender shall be deemed to, and hereby irrevocably and unconditionally agrees to, purchase from the Swing Line Lender a risk participation in such Swing Line Loan in an amount equal to the product of such Lender's Applicable Percentage times the amount of such Swing Line Loan.

(b) Borrowing Procedures. Each Swing Line Borrowing shall be made upon the Borrower's irrevocable notice to the Swing Line Lender, which may be given by telephone. Each such notice must be received by the Swing Line Lender not later than 11:00 a.m. on the requested borrowing date, and shall specify (i) the amount to be borrowed, which shall be a minimum of $100,000 (and any amount in excess thereof shall be an integral multiple of $25,000), and (ii) the requested borrowing date, which shall be a Business Day. Each such telephonic notice must be confirmed promptly by delivery to the Swing Line Lender (with a copy to the Administrative Agent) of a written Swing Line Loan Notice, appropriately completed and signed by a Responsible Officer of the Borrower. Promptly after receipt by the Swing Line Lender of any telephonic Swing Line Loan Notice, the Swing Line Lender will confirm with the Administrative Agent (by telephone or in writing) that the Administrative Agent has also received such Swing Line Loan Notice and,

if not, the Swing Line Lender will notify the Administrative Agent (by telephone or in writing) of the contents thereof. Unless the Swing Line Lender has received notice (by telephone or in writing) from the Administrative Agent (including at the request of any Revolving Credit Lender) prior to 2:00 p.m. on the date of the proposed Swing Line Borrowing (A) directing the Swing Line Lender not to make such Swing Line Loan as a result of the limitations set forth in the first proviso to the first sentence of Section 2.04(a)(i) or (B) that one or more of the applicable conditions specified in Section 4.02 is not then satisfied, then, subject to the terms and conditions hereof, the Swing Line Lender will on the borrowing date specified in such Swing Line Loan Notice, make the amount of its Swing Line Loan available to the Borrower at their office by crediting the accounts of the Borrower on the books of the Swing Line Lender in Same Day Funds.

(c) Refinancing of Swing Line Loans.

(i) The Swing Line Lender at any time in its sole and absolute discretion may request, on behalf of the Borrower (which hereby irrevocably authorizes the Swing Line Lender to so request on its behalf), that each Revolving Credit Lender make a Base Rate Loan in an amount equal to such Lender's Applicable Percentage of the amount of Swing Line Loans then outstanding. Such request shall be made in writing (which written request shall be deemed to be a Committed Loan Notice for purposes hereof) and in accordance with the requirements of Section 2.02, without regard to the minimum and multiples specified therein for the principal amount of Base Rate Loans, but subject to the unutilized portion of the aggregate Revolving Credit Commitments and the conditions set forth in Section 4.02. The Swing Line Lender shall furnish the Borrower with a copy of the applicable Committed Loan Notice promptly after delivering such notice to the Administrative Agent. Each Revolving Credit Lender shall make an amount equal to its Applicable Percentage of the amount specified in such Committed Loan Notice available to the Administrative Agent in immediately available funds for the account of the Swing Line Lender at the Administrative Agent's Office for payments not later than 10:00 a.m. on the day specified in such Committed Loan Notice, whereupon, subject to Section 2.04(c)(ii), each Revolving Credit Lender that so makes funds available shall be deemed to have made a Base Rate Loan to the Borrower in such amount. The Administrative Agent shall remit the funds so received to the Swing Line Lender.

(ii) If for any reason any Swing Line Loan cannot be refinanced by such a Revolving Credit Borrowing in accordance with Section 2.04(c)(i), the request for Base Rate Loans submitted by the Swing Line Lender as set forth herein shall be deemed to be a request by the Swing Line Lender that each of the Revolving Credit Lenders fund its risk participation in the relevant Swing Line Loan and each Revolving Credit Lender's payment to the Administrative Agent for the account of the Swing Line Lender pursuant to Section 2.04(c)(i) shall be deemed payment in respect of such participation.

(iii) If any Revolving Credit Lender fails to make available to the Administrative Agent for the account of the Swing Line Lender any amount required to be paid by such Lender pursuant to the foregoing provisions of this Section 2.04(c) by the time specified in Section 2.04(c)(i), the Swing Line Lender shall be entitled to recover from such Lender (acting through the Administrative Agent), on demand, such amount with interest thereon for the period from the date such payment is required to the date on which such payment is immediately available to the Swing Line Lender at the Federal Funds Rate, or if the Federal Funds Rate is not available, a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, plus any administrative, processing or similar fees customarily charged by the Swing Line Lender

in connection with the foregoing. If such Lender pays such amount (with interest and fees as aforesaid), the amount so paid shall constitute such Lender's Revolving Credit Loan included in the relevant Revolving Credit Borrowing or funded participation in the relevant Swing Line Loan, as the case may be. A certificate of the Swing Line Lender submitted to any Lender (through the Administrative Agent) with respect to any amounts owing under this clause (iii) shall be conclusive absent demonstrable error.

(iv) Each Revolving Credit Lender's obligation to make Revolving Credit Loans or to purchase and fund risk participations in Swing Line Loans pursuant to this Section 2.04(c) shall be absolute and unconditional and shall not be affected by any circumstance, including (A) any setoff, counterclaim, recoupment, defense or other right which such Lender may have against the Swing Line Lender, the Borrower or any other Person for any reason whatsoever, (B) the occurrence or continuance of a Default, or (C) any other occurrence, event or condition, whether or not similar to any of the foregoing; provided, that, each Revolving Credit Lender's obligation to make Revolving Credit Loans (but not to purchase and fund risk participations in Swing Line Loans) pursuant to this Section 2.04(c) is subject to the conditions set forth in Section 4.02. No such funding of risk participations shall relieve or otherwise impair the obligation of the Borrower to repay Swing Line Loans, together with interest as provided herein.

(i) At any time after any Revolving Credit Lender has purchased and funded a risk participation in a Swing Line Loan, if the Swing Line Lender receives any payment on account of such Swing Line Loan, the Swing Line Lender will distribute to such Lender its Applicable Percentage of such payment (appropriately adjusted, in the case of interest payments, to reflect the period of time during which such Lender's risk participation was funded) in the same funds as those received by the Swing Line Lender.

(ii) If any payment received by the Swing Line Lender in respect of principal or interest on any Swing Line Loan is required to be returned by the Swing Line Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the Swing Line Lender in its discretion), each Revolving Credit Lender shall pay to the Swing Line Lender its Applicable Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned, at a rate per annum equal to the Federal Funds Rate, or if the Federal Funds Rate is not available, a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. The Administrative Agent will make such demand upon the request of the Swing Line Lender. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(e) Interest for Account of Swing Line Lender. The Swing Line Lender shall be responsible for invoicing the Borrower for interest on the Swing Line Loans. Until each Revolving Credit Lender funds its Base Rate Loan or risk participation pursuant to this Section 2.04 to refinance such Lender's Applicable Percentage of any Swing Line Loan, interest in respect of such Applicable Percentage shall be solely for the account of the Swing Line Lender.

(f) Payments Directly to Swing Line Lender. The Borrower shall make all payments of principal and interest in respect of the Swing Line Loans directly to the Swing Line Lender.

(g) Provisions Related to Extended Revolving Credit Commitments. If the maturity date shall have occurred in respect of any Class of Revolving Credit Commitments at a time when

another Class or Classes of Revolving Credit Commitments is or are in effect with a longer maturity date, then on the earliest occurring maturity date all then-outstanding Swing Line Loans shall be repaid in full on such date (and there shall be no adjustment to the participations in such Swing Line Loans as a result of the occurrence of such maturity date); provided, however, that, if on the occurrence of such earliest maturity date (after giving effect to any repayments of Revolving Credit Loans and any reallocation of Letter of Credit participations as contemplated in Section 2.03(k)), there shall exist sufficient unutilized Extended Revolving Credit Commitments so that the respective outstanding Swing Line Loans could be incurred pursuant the Extended Revolving Credit Commitments which will remain in effect after the occurrence of such maturity date, then if consented to by the Swing Line Lender, there shall be an automatic adjustment on such date of the participations in such Swing Line Loans and same shall be deemed to have been incurred solely pursuant to the relevant Extended Revolving Credit Commitments, and such Swing Line Loans shall not be so required to be repaid in full on such earliest maturity date. For the avoidance of doubt, the commitment of the Swing Line Lender to act in its capacity as such cannot be extended beyond the Maturity Date for the Revolving Credit Facility (as such Maturity Date is in effect at the Closing Date) or increased without its prior written consent.

(h) Swing Line Lender. Wells Fargo is a Swing Line Lender as of the Closing Date. Any other Revolving Credit Lender (or any of its Subsidiaries or Affiliates) may become the Swing Line Lender hereunder pursuant to a written agreement among the Borrower, the Administrative Agent and such Revolving Credit Lender. The Administrative Agent shall notify the Revolving Credit Lenders of any such Swing Line Lender.

Section 2.05 Prepayments.

(a) Optional Prepayments. (i) The Borrower may, upon written notice to the Administrative Agent by the Borrower, at any time or from time to time voluntarily prepay any Borrowing of any Class in whole or in part without premium or penalty); provided, that, (1) such notice must be received by the Administrative Agent not later than (A) 1:00 p.m., three (3) U.S. Government Securities Business Days prior to any date of prepayment of SOFR Loans and (B) 1:00 p.m., one (1) Business Day prior to the date of prepayment of Base Rate Loans, (2) any prepayment of SOFR Loans shall be in a principal amount of $1,000,000 or a whole multiple of $100,000 in excess thereof or, in each case, the entire principal amount thereof then outstanding and (3) any prepayment of Base Rate Loans shall be in a principal amount of $500,000 or a whole multiple of $100,000 in excess thereof or, in each case, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment and the Class(es) and Type(s) of Loans to be prepaid. The Administrative Agent will promptly notify each Appropriate Lender of its receipt of each such notice, and of the amount of such Lender's Applicable Percentage of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein. Any prepayment of a SOFR Loan shall be accompanied by all accrued interest thereon, together with any additional amounts required pursuant to Section 3.04. Each prepayment of the Loans pursuant to this Section 2.05(a) shall be applied to the installments thereof as directed by the Borrower (it being understood and agreed that if the Borrower does not so direct at the time of such prepayment, such prepayment shall be applied against the scheduled repayments of Term Loans of the relevant Class under Section 2.07 in direct order of maturity) and shall be paid to the Appropriate Lenders in accordance with their respective Applicable Percentages.

(ii) The Borrower may, upon written notice to the Swing Line Lender (with a copy to the Administrative Agent), at any time or from time to time, voluntarily prepay

Swing Line Loans in whole or in part without premium or penalty; provided, that, (1) such notice must be received by the Swing Line Lender and the Administrative Agent not later than 1:00 p.m. on the date of the prepayment, and (2) any such prepayment shall be in a minimum principal amount of $100,000 or a whole multiple of $100,000 in excess thereof or, the entire principal amount thereof then outstanding. Each such notice shall specify the date and amount of such prepayment. If such notice is given by the Borrower, the Borrower shall make such prepayment and the payment amount specified in such notice shall be due and payable on the date specified therein.

(iii) Notwithstanding anything to the contrary contained in this Agreement, the Borrower may rescind any notice of prepayment or change the date of any such prepayment under Section 2.05(a) if such prepayment would have resulted from a refinancing of all of the Facilities, which refinancing shall not be consummated or shall otherwise be delayed.

(b) Mandatory Prepayments.

(i) Commencing with the fiscal year of the Borrower ending on or around January 31, 2026, within ten (10) Business Days after financial statements have been delivered pursuant to Section 6.01(a) and the related Compliance Certificate has been delivered pursuant to Section 6.02(a), the Borrower shall, if the Borrower's Excess Cash Flow is greater than $4,000,000, cause to be prepaid an aggregate principal amount of Term Loans (such aggregate amount, the "Excess Cash Flow Prepayment Amount") equal to (A) 50% (such percentage as it may be reduced as described below, the "ECF Percentage") of the amount equal to Excess Cash Flow in excess of $4,000,000, if any, for the fiscal year covered by such financial statements, minus (B) the sum of (1) all voluntary prepayments (including pursuant to debt buybacks made by the Borrower or any Restricted Subsidiary in an amount equal to the amount actually paid in respect thereof) of Term Loans that are permitted hereunder during such fiscal year and, at the Borrower's election, all such voluntary prepayments made after the end of such fiscal year and through the date of such prepayment (including such mandatory prepayment), in each case to the extent such prepayments are not funded from long-term Indebtedness of either of the Borrower or its Restricted Subsidiaries or any Cure Amount, (2) all voluntary prepayments of Revolving Credit Loans and Swing Line Loans during such fiscal year and, at the Borrower's election, all such voluntary prepayments made after the end of such fiscal year but prior to the time that the prepayment required by this clause (b)(i) is made, to the extent the Revolving Credit Commitments are permanently reduced by the amount of such payments and to the extent such prepayments are not funded with the proceeds of Indebtedness of the Borrower or its Restricted Subsidiaries (other than revolving loans) or any Cure Amount, (3) without duplication of amounts deducted pursuant to clause (4) below in respect of such period or clause (6) below in prior fiscal years, the amount of Capital Expenditures or acquisitions made in cash during such period, except to the extent that such Capital Expenditures or acquisitions were financed with the proceeds of an incurrence or issuance of Indebtedness of the Borrower or its Restricted Subsidiaries (other than revolving loans), (4) without duplication of amounts deducted pursuant to clause (3) above in respect of such period or clause (6) below in prior periods, the amount of Investments and acquisitions made during such period pursuant to Section 7.02 (other than Section 7.02(a), (d), (n), (v) and (x)) except to the extent that such Investments and acquisitions were financed with the proceeds of an incurrence or issuance of Indebtedness of the Borrower or its Restricted Subsidiaries (other than revolving loans), (5) the amount of Restricted Payments paid during such period pursuant to Section 7.06 (other than Section 7.06(a) (solely in respect of amounts paid to the Borrower or a Restricted Subsidiary),(b), (k), (m) and (n)) except to the extent that

such Restricted Payments were financed with the proceeds of an incurrence or issuance of Indebtedness of the Borrower or its Restricted Subsidiaries (other than revolving loans) and (6) without duplication of amounts deducted from Excess Cash Flow in prior periods, the aggregate consideration required to be paid in cash by the Borrower or any of its Restricted Subsidiaries pursuant to binding contracts (the "Contract Consideration") entered into prior to or during such period relating to Permitted Acquisitions, Capital Expenditures, Investments, Restricted Payments or acquisitions to be consummated or made during the period of four consecutive fiscal quarters of the Borrower following the end of such period except to the extent intended to be financed with the proceeds of an incurrence or issuance of other Indebtedness of the Borrower or its Restricted Subsidiaries (other than revolving loans) (provided, that, to the extent the aggregate amount utilized to finance such Permitted Acquisitions, Capital Expenditures, Investments, Restricted Payments or acquisitions during such period of four consecutive fiscal quarters is less than the Contract Consideration, the amount of such shortfall, shall be added to the calculation of Excess Cash Flow at the end of such period of four consecutive fiscal quarters); provided, that, (x) the ECF Percentage shall be reduced to 25% if the LQA Recurring Revenue Leverage Ratio for the fiscal year (subject to the following proviso) covered by such financial statements was less than 0.50:1.00 and greater than or equal to 0.25:1.00 and (y) the ECF Percentage shall be reduced to 0% if the LQA Recurring Revenue Leverage Ratio for the fiscal year (subject to the following proviso) covered by such financial statements was less than 0.25:1.00; provided, further, that, to the extent the amount described in the preceding clause (B) in respect of any fiscal year exceeds the amount of Excess Cash Flow required to be utilized to prepay Term Loans in respect of such fiscal year, at the Borrower's sole option, such excess shall be carried over to any succeeding fiscal year and shall reduce any Excess Cash Flow Prepayment Amount on a dollar-for-dollar basis for such succeeding fiscal year;

(ii) (A) Subject to Section 2.05(b)(ii)(B), if following the Closing Date (x) the Borrower or any Restricted Subsidiary Disposes of any property or assets pursuant to Section 7.05(i), (l), (m) and (o), or (y) any Casualty Event occurs, which in the aggregate results in the realization or receipt by the Borrower or such Restricted Subsidiary of Net Cash Proceeds, the Borrower shall make a prepayment, in accordance with Section 2.05(b)(ii)(C), in an amount equal to an aggregate principal amount of Term Loans equal to 100% (such percentage, the "Asset Percentage") of all such Net Cash Proceeds realized or received; provided, that, (1) no such prepayment shall be required pursuant to this Section 2.05(b)(ii)(A) (I) with respect to such portion of such Net Cash Proceeds that the Borrower shall have, on or prior to such date, given written notice to the Administrative Agent of their intent to reinvest in accordance with Section 2.05(b)(ii)(B) or (II) until the aggregate amount of Net Cash Proceeds not reinvested in accordance with Section 2.05(b)(ii)(B) within the time periods set forth therein and not previously applied to such prepayment exceeds $5,000,000 in the aggregate during such fiscal year (and thereafter only amounts in excess of such thresholds shall be required to be prepaid) and (2) if at the time that any such prepayment would be required, the Borrower or any of its Restricted Subsidiaries are required to offer to repurchase or prepay any Indebtedness that is secured by a Lien ranking *pari passu* with the Liens securing the Term Loans pursuant to the terms of the documentation governing such Indebtedness with the Net Cash Proceeds of such Disposition or Casualty Event (such Indebtedness required to be offered to be so repurchased or prepaid, "Other Applicable Indebtedness"), then the Borrower may apply such Net Cash Proceeds on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness at such time) to the prepayment of the Term Loans and to the repurchase or prepayment of

Other Applicable Indebtedness, and the amount of prepayment of the Term Loans that would have otherwise been required pursuant to this Section 2.05(b)(ii)(A) shall be reduced accordingly; provided, that, (a) the portion of such Net Cash Proceeds allocated to the Other Applicable Indebtedness shall not exceed the amount of such Net Cash Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such Net Cash Proceeds shall be allocated to the Term Loans in accordance with the terms hereof and (b) to the extent the holders of Other Applicable Indebtedness decline to have such indebtedness repurchased or prepaid, the declined amount shall promptly (and in any event within five (5) Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with the terms hereof.

(B) With respect to any Net Cash Proceeds realized or received with respect to any Disposition (other than any Disposition specifically excluded from the application of Section 2.05(b)(ii)(A)) or any Casualty Event, at the option of the Borrower, the Borrower or any Restricted Subsidiary may reinvest an amount equal to all or any portion of such Net Cash Proceeds in assets useful for its business (other than working capital, except for short-term capital assets but including Permitted Acquisitions and Capital Expenditures) within (x) eighteen (18) months following receipt of such Net Cash Proceeds or (y) if the Borrower or any Restricted Subsidiary enters into a commitment to reinvest such Net Cash Proceeds within eighteen (18) months following receipt thereof, one hundred eighty (180) days after the eighteen (18) month period that follows receipt of such Net Cash Proceeds; provided, that, if any Net Cash Proceeds are not so reinvested by the deadline specified in clause (x) or (y) above, as applicable, or if any such Net Cash Proceeds are no longer intended to be or cannot be so reinvested at any time after delivery of a notice of reinvestment election, an amount equal to the Asset Percentage of any such Net Cash Proceeds shall be applied, in accordance with Section 2.05(b)(ii)(C), to the prepayment of the Term Loans as set forth in this Section 2.05.

(C) On each occasion that the Borrower must make a prepayment of the Term Loans pursuant to thisSection 2.05(b)(ii), the Borrower shall, within five (5) Business Days after the date of realization or receipt of such Net Cash Proceeds in the minimum amount specified above (or, in the case of prepayments required pursuant to Section 2.05(b)(ii)(B), within five (5) Business Days of the deadline specified in clause (x) or (y) thereof, as applicable, or of the date the Borrower reasonably determines that such Net Cash Proceeds are no longer intended to be or cannot be so reinvested, as the case may be), make a prepayment, in accordance with Section 2.05(b)(vi) below, of the principal amount of Term Loans in an amount equal to the Asset Percentage of such Net Cash Proceeds realized or received.

(iii) If, following the Closing Date, the Borrower or any Restricted Subsidiary incurs or issues any (A) Refinancing Term Loans, (B) Indebtedness pursuant to Section 7.03(w) or (C) Indebtedness not expressly permitted to be incurred or issued pursuant toSection 7.03, the Borrower shall cause to be prepaid an aggregate principal amount of Term Loans equal to 100% of all Net Cash Proceeds received therefrom on or prior to the date which is three (3) Business Days after the receipt of such Net Cash Proceeds. If the Borrower obtains any Refinancing Revolving Commitments, the Borrower shall, concurrently with the receipt thereof, terminate Revolving Credit Commitments in an equivalent amount pursuant to Section 2.06.

(iv) [Reserved].

(v) Each prepayment of Term Loans pursuant to this Section 2.05(b) shall be applied, to the installments thereof in direct order of maturity pursuant to Section 2.07 following the applicable prepayment event; provided, that, except to the extent a lesser prepayment is required pursuant to the applicable Incremental Facility Amendment or Extension Offer with respect to any applicable Class of Incremental Term Loans or Extended Term Loans, any Incremental Term Loans and Extended Term Loans shall receive a *pro rata* portion of any mandatory prepayment pursuant to Section 2.05 to the extent required by the terms thereof. After application of such prepayments to repay the Term Loans in full, such prepayments shall be applied to prepay, first, Revolving Credit Loans (with no required reduction of Revolving Credit Commitments) and second, Swing Line Loans (with no required reduction of Revolving Credit Commitments) and third, if there is no Outstanding Amount of Revolving Credit Loans or Swing Line Loans and if an Event of Default has occurred and is continuing, to Cash Collateralize the L/C Obligations. Each such prepayment shall be paid to the Lenders in accordance with their respective Applicable Percentages subject to clause (vi) of this Section 2.05(b).

(vi) The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to clauses (i), (ii) and (iii) of this Section 2.05(b) prior to 1:00 p.m. at least two (2) Business Days (or such lesser number of Business Days as shall be acceptable to the Administrative Agent) prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Appropriate Lender of the contents of the Borrower's prepayment notice and of such Appropriate Lender's Applicable Percentage of the prepayment. Each Appropriate Lender may reject all, but not less than all, of its Applicable Percentage of any mandatory prepayment (such declined amounts, the "Declined Proceeds") of Term Loans required to be made pursuant to clause (i) or (ii) of this Section 2.05(b) by providing written notice (each, a "Rejection Notice") to the Administrative Agent and the Borrower no later than 5:00 p.m. two (2) Business Days prior to the prepayment. Each Rejection Notice from a given Lender shall specify the principal amount of the Declined Proceeds to be rejected by such Lender. If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above or such Rejection Notice fails to specify the principal amount of the Term Loans to be rejected, any such failure will be deemed an acceptance of the total amount of such mandatory repayment of Term Loans. Any Declined Proceeds shall be retained by the Borrower ("Retained Declined Proceeds").

(vii) If at any time, the Revolving Credit Exposure (excluding the face amount of any Letters of Credit that are Cash Collateralized or back-stopped to the reasonable satisfaction of the Administrative Agent) exceeds the Revolving Credit Commitments, the Borrower shall within one Business Day, upon notification by the Administrative Agent, prepay the Swing Line Loans first and then prepay (or Cash Collateralize, in the amount required by Section 2.03(f), in the case of Letters of Credit) the other Loans and Letters of Credit then outstanding in an amount equal to such excess; provided, that, nothing in this clause (b)(vii) shall reduce the Revolving Credit Commitments.

(viii) Notwithstanding any other provision of this Section 2.05(b), (i) to the extent that any or all of the Net Cash Proceeds of any Disposition by a Restricted Subsidiary that is a Foreign Subsidiary otherwise giving rise to a prepayment pursuant to Section 2.05(b)(ii) (a "Restricted Disposition"), the Net Cash Proceeds of any Casualty Event of a Restricted Subsidiary that is a Foreign Subsidiary (a "Restricted Casualty Event"), or Excess Cash Flow attributable to a Foreign Subsidiary would be prohibited or delayed by applicable local law or regulation (including currency controls, financial assistance, corporate benefit, restrictions on upstreaming of cash intra group and the fiduciary and statutory duties of directors of such Subsidiary) from being distributed or otherwise transferred to the Borrower, the realization or receipt of the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be taken into account in measuring the Borrower's obligation to repay Term Loans at the times provided in Section 2.05(b)(i), or the Borrower shall not be required to make a prepayment at the time provided in Section 2.05(b)(ii), as the case may be, for so long, but only so long, as the applicable local law will not permit such distribution or transfer (the Borrower hereby agreeing to cause the applicable Restricted Subsidiary to promptly take all commercially reasonable actions available under the applicable local law to permit such repatriation), and once distribution or transfer of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable local law, the amount of such Net Cash Proceeds or Excess Cash Flow permitted to be distributed or transferred (net of additional taxes payable or reserved against as a result thereof) will be promptly (and in any event not later than three (3) Business Days after such distribution or transfer is permitted) taken into account in measuring the Borrower's obligation to repay the Term Loans pursuant to this Section 2.05(b) to the extent provided herein and (ii) to the extent that the Borrower has determined in good faith (as set forth in a written notice delivered to the Administrative Agent) that repatriation of, or obligation to repatriate, any or all of the Net Cash Proceeds of any Restricted Disposition or any Restricted Casualty Event or Excess Cash Flow attributable to a Foreign Subsidiary would have a material adverse tax consequences (taking into account any foreign tax credit or benefit received in connection with such repatriation) (as determined by the Borrower in good faith and in consultation with the Administrative Agent), the amount of the Net Cash Proceeds or Excess Cash Flow so affected shall not be taken into account in measuring the Borrower's obligation to repay Term Loans pursuant to this Section 2.05(b). For the avoidance of doubt, Net Cash Proceeds and Excess Cash Flow (and related income) excluded from application under Section 2.05(b)(i) or (ii) by operation of this Section 2.05(b)(viii) shall also be excluded in any determinations of Restricted Payments permitted to be made pursuant to Section 7.06 (including, without limitation, for purposes of clauses (b)(ii) and (b)(vi) of the definition of "Available Amount"). For the avoidance of doubt, nothing in this Section 2.05(b)(viii) shall require the Borrower to cause any amounts to be repatriated to the United States (whether or not such amounts are used in or excluded from the determination of the amount of mandatory prepayments hereunder).

(c) Interest, Funding Losses, Etc.

(i) All prepayments under this Section 2.05 shall be accompanied by all accrued interest thereon, together with, in the case of any such prepayment of a SOFR Loan on a date other than the last day of an Interest Period therefor, any amounts owing in respect of such SOFR Loan pursuant to Section 3.04.

(ii) Notwithstanding any of the other provisions of this Section 2.05 but subject to Section 2.05(c)(i), so long as no Event of Default shall have occurred and be

continuing, if any prepayment of SOFR Loans is required to be made under this Section 2.05, prior to the last day of the Interest Period therefor, in lieu of making any payment pursuant to this Section 2.05 in respect of any such SOFR Loan prior to the last day of the Interest Period therefor, the Borrower may, in their sole discretion, deposit the amount of any such prepayment otherwise required to be made hereunder in a deposit account controlled by the Administrative Agent until the last day of such Interest Period, at which time the Administrative Agent shall be authorized (without any further action by or notice to or from the Borrower or any other Loan Party) to apply such amount to the prepayment of such Loans in accordance with this Section 2.05. Such deposit shall constitute cash collateral for the SOFR Loans to be so prepaid, provided, that, the Borrower may at any time direct that such deposit be applied to make the applicable payment required pursuant to this Section 2.05.

(d) Discounted Voluntary Prepayments.

(i) Notwithstanding anything to the contrary set forth in this Agreement (includingSection 2.13) or any other Loan Document, the Borrower shall have the right at any time and from time to time to prepay one or more Classes of Term Loans to the Lenders at a discount to the par value of such Loans and on a non pro rata basis (each, a "Discounted Voluntary Prepayment") pursuant to the procedures described in this Section 2.05(d), provided, that, (A) no proceeds from Revolving Credit Loans shall be used to consummate any such Discount Voluntary Prepayment, any Discounted Voluntary Prepayment shall be offered to all Lenders of such Class on a pro rata basis, (B) [reserved] and (C) the Borrower shall deliver to the Administrative Agent and the Auction Agent, together with each Discounted Prepayment Option Notice, a certificate of a Responsible Officer of the Borrower (1) stating that no Specified Event of Default (in each case, with respect to the Borrower) has occurred and is continuing or would result from the Discounted Voluntary Prepayment, (2) stating that each of the conditions to such Discounted Voluntary Prepayment contained in this Section 2.05(d) has been satisfied and (3) specifying the aggregate principal amount of Term Loans of any Class offered to be prepaid pursuant to such Discounted Voluntary Prepayment.

(ii) To the extent the Borrower seeks to make a Discounted Voluntary Prepayment, the Borrower will provide written notice to the Administrative Agent and the Auction Agent substantially in the form of Exhibit I hereto (each, a "Discounted Prepayment Option Notice") that the Borrower desires to prepay Term Loans of one or more specified Classes in an aggregate principal amount specified therein by the Borrower (each, a "Proposed Discounted Prepayment Amount"), in each case at a discount to the par value of such Loans as specified below. The Proposed Discounted Prepayment Amount of any Loans shall not be less than $10,000,000. The Discounted Prepayment Option Notice shall further specify with respect to the proposed Discounted Voluntary Prepayment (A) the Proposed Discounted Prepayment Amount for Loans to be prepaid, (B) a discount range (which may be a single percentage) selected by the Borrower with respect to such proposed Discounted Voluntary Prepayment equal to a percentage of par of the principal amount of the Loans to be prepaid (the "Discount Range"), and (C) the date by which Lenders are required to indicate their election to participate in such proposed Discounted Voluntary Prepayment, which shall be at least five Business Days from and including the date of the Discounted Prepayment Option Notice (the "Acceptance Date").

(iii) Upon receipt of a Discounted Prepayment Option Notice, the Auction Agent shall promptly notify each applicable Lender thereof. On or prior to the Acceptance

Date, each such Lender may specify by written notice substantially in the form of Exhibit J hereto (each, a "Lender Participation Notice") to the Auction Agent (A) a maximum discount to par (the "Acceptable Discount") within the Discount Range (for example, a Lender specifying a discount to par of 20% would accept a purchase price of 80% of the par value of the Term Loans to be prepaid) and (B) a maximum principal amount (subject to rounding requirements specified by the Auction Agent) of the Term Loans to be prepaid held by such Lender with respect to which such Lender is willing to permit a Discounted Voluntary Prepayment at the Acceptable Discount (" Offered Loans"). Based on the Acceptable Discounts and principal amounts of the Term Loans to be prepaid specified by the Lenders in the applicable Lender Participation Notice, the Auction Agent, in consultation with the Borrower, shall determine the applicable discount for such Term Loans to be prepaid (the "Applicable Discount"), which Applicable Discount shall be (A) the percentage specified by the Borrower if the Borrower have selected a single percentage pursuant to Section 2.05(d)(ii) for the Discounted Voluntary Prepayment or (B) otherwise, the highest Acceptable Discount at which the Borrower can pay the Proposed Discounted Prepayment Amount in full (determined by adding the Outstanding Amount of Offered Loans commencing with the Offered Loans with the highest Acceptable Discount); provided, however, that, in the event that such Proposed Discounted Prepayment Amount cannot be repaid in full at any Acceptable Discount, the Applicable Discount shall be the lowest Acceptable Discount specified by the Lenders that is within the Discount Range. The Applicable Discount shall be applicable for all Lenders who have offered to participate in the Discounted Voluntary Prepayment and have Qualifying Loans. Any Lender with outstanding Term Loans to be prepaid whose Lender Participation Notice is not received by the Auction Agent by the Acceptance Date shall be deemed to have declined to accept a Discounted Voluntary Prepayment of any of its Loans at any discount to their par value within the Applicable Discount.

(iv) The Borrower shall make a Discounted Voluntary Prepayment by prepaying those Term Loans to be prepaid (or the respective portions thereof) offered by the Lenders ("Qualifying Lenders") that specify an Acceptable Discount that is equal to or greater than the Applicable Discount ("Qualifying Loans") at the Applicable Discount, provided, that, if the aggregate proceeds required to prepay all Qualifying Loans (disregarding any interest payable at such time) would exceed the amount of aggregate proceeds required to prepay the Proposed Discounted Prepayment Amount, such amounts in each case calculated by applying the Applicable Discount, the Borrower shall prepay such Qualifying Loans ratably among the Qualifying Lenders based on their respective principal amounts of such Qualifying Loans (subject to rounding requirements specified by the Auction Agent). If the aggregate proceeds required to prepay all Qualifying Loans (disregarding any interest payable at such time) would be less than the amount of aggregate proceeds required to prepay the Proposed Discounted Prepayment Amount, such amounts in each case calculated by applying the Applicable Discount, the Borrower shall prepay all Qualifying Loans.

(v) Each Discounted Voluntary Prepayment shall be made within five (5) Business Days of the Acceptance Date (or such later date as the Auction Agent shall reasonably agree, given the time required to calculate the Applicable Discount and determine the amount and holders of Qualifying Loans), without premium or penalty (but subject to Section 3.04), upon irrevocable notice substantially in the form of Exhibit K hereto (each a "Discounted Voluntary Prepayment Notice"), delivered to the Auction Agent no later than 1:00 p.m., three (3) Business Days prior to the date of such Discounted Voluntary Prepayment, which notice shall specify the date and amount of the Discounted

Voluntary Prepayment and the Applicable Discount determined by the Auction Agent. Upon receipt of any Discounted Voluntary Prepayment Notice, the Auction Agent shall promptly notify each relevant Lender thereof. If any Discounted Voluntary Prepayment Notice is given, the amount specified in such notice shall be due and payable to the applicable Lenders, subject to the Applicable Discount on the applicable Loans, on the date specified therein together with accrued interest (on the par principal amount) to but not including such date on the amount prepaid. The par principal amount of each Discounted Voluntary Prepayment of a Term Loan shall be applied ratably to reduce the remaining installments of such Class of Term Loans (as applicable).

(vi) To the extent not expressly provided for herein, each Discounted Voluntary Prepayment shall be consummated pursuant to procedures (including as to timing, rounding, minimum amounts, Type and Interest Periods and calculation of Applicable Discount in accordance with Section 2.05(d)(ii) above) established by the Auction Agent and the Borrower, each acting reasonably.

(vii) Prior to the delivery of a Discounted Voluntary Prepayment Notice, (A) upon written notice to the Administrative Agent and the Auction Agent, the Borrower may withdraw or modify their offer to make a Discounted Voluntary Prepayment pursuant to any Discounted Prepayment Option Notice and (B) no Lender may withdraw its offer to participate in a Discounted Voluntary Prepayment pursuant to any Lender Participation Notice unless the terms of such proposed Discounted Voluntary Prepayment have been modified by the Borrower after the date of such Lender Participation Notice.

(viii) Nothing in this Section 2.05(d) shall require the Borrower to undertake any Discounted Voluntary Prepayment.

Section 2.06 Termination or Reduction of Commitments.

(a) Optional. The Borrower may, upon at least three (3) Business Days prior written notice to the Administrative Agent, terminate the unused Commitments of any Class, or from time to time permanently reduce the unused Commitments of any Class; provided, that, (i) any such notice shall be received by the Administrative Agent three (3) Business Days prior to the date of termination or reduction, (ii) any such partial reduction shall be in an aggregate amount of $1,000,000 or any whole multiple of $100,000 in excess thereof, (iii) the Borrower shall not terminate or reduce the Revolving Credit Commitments of any Class if, after giving effect thereto and to any concurrent prepayments hereunder, the Total Revolver Outstandings of such Class would exceed the aggregate Revolving Credit Commitments of such Class and (iv) if, after giving effect to any reduction of the Commitments, the Letter of Credit Sublimit or the Swing Line Sublimit exceeds the amount of the Revolving Credit Facility, such sublimit shall be automatically reduced by the amount of such excess. The amount of any such Commitment reduction shall not be applied to the Letter of Credit Sublimit or the Swing Line Sublimit unless otherwise specified by the Borrower. Notwithstanding the foregoing, the Borrower may rescind or postpone any notice of termination of the Commitments if such termination would have resulted from a refinancing of all of the Facilities, which refinancing shall not be consummated or otherwise shall be delayed.

(b) Mandatory. The Initial Term Commitment of each Initial Term Lender shall be automatically and permanently reduced to $0 upon the making of such Initial Term Lender's Initial Term Loans pursuant to Section 2.01(a) on the Closing Date. The Revolving Credit Commitments (other than any Extended Revolving Credit Commitments) shall terminate on the applicable Maturity Date. The Extended Revolving Credit Commitments shall terminate on the respective maturity dates applicable thereto.

(c) Application of Commitment Reductions; Payment of Fees. The Administrative Agent will promptly notify the Lenders of any termination or reduction of unused Commitments of any Class under this Section 2.06. Upon any reduction of unused portions of the Letter of Credit Sublimit, the Swing Line Sublimit or the unused Commitments of any Class, the Commitment of each Lender of such Class shall be reduced by such Lender's Applicable Percentage of the amount by which such Commitments are reduced (other than the termination of the Commitment of any Lender as provided in Section 3.06). All Commitment Fees accrued until the effective date of any termination of the Revolving Credit Commitments shall be paid on the effective date of such termination.

Section 2.07 Repayment of Loans.

(a) Term Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Initial Term Lenders holding Initial Term Loans in Dollars (i) on the first day of each calendar quarter, commencing with the first full calendar quarter ended after the Closing Date, an aggregate principal amount equal to 0.25% of the aggregate principal amount of the Initial Term Loans funded on the Closing Date and (ii) on the Maturity Date for the Initial Term Loans, the aggregate principal amount of all Initial Term Loans outstanding on such date; provided, that, payments required by clause (i) above shall be reduced as a result of the application of prepayments in accordance with Section 2.05. In the event any Incremental Term Loans or Extended Term Loans are made, such Incremental Term Loans or Extended Term Loans, as applicable, shall be repaid by the Borrower in the amounts and on the dates set forth in the definitive documentation with respect thereto and on the applicable Maturity Date thereof.

(b) Revolving Credit Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Appropriate Lenders on the Maturity Date for the Revolving Credit Facility the aggregate principal amount of all of its Revolving Credit Loans outstanding on such date.

(c) Swing Line Loans. The Borrower shall repay their Swing Line Loans on the earlier to occur of (i) the date seven (7) days after such Loan is made and (ii) the Maturity Date for the Revolving Credit Facility.

Section 2.08 Interest.

(a) Subject to the provisions of Section 2.08(b), (i) each SOFR Loan shall bear interest on the outstanding principal amount thereof for each Interest Period at a rate per annum equal to the Adjusted Term SOFR Rate for such Interest Period plus the Applicable Rate; (ii) each Base Rate Loan shall bear interest on the outstanding principal amount thereof from the borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate; and (iii) each Swing Line Loan shall bear interest on the outstanding principal amount thereof from the applicable borrowing date at a rate per annum equal to the Base Rate plus the Applicable Rate for Revolving Credit Loans that are Base Rate Loans.

(b) The Borrower shall pay interest on past due amounts under this Agreement at a fluctuating interest rate *per annum* at all times equal to the Default Rate to the fullest extent permitted by applicable Laws. Accrued and unpaid interest on past due amounts (including interest on past due interest) shall be due and payable (i) automatically in the case of a Specified Event of Default and (ii) otherwise, upon demand.

(c) Interest on each Loan shall be due and payable in arrears on each Interest Payment Date applicable thereto and at such other times as may be specified herein. Interest hereunder shall be due and payable in accordance with the terms hereof before and after judgment, and before and after the commencement of any proceeding under any Debtor Relief Law. The Administrative Agent shall provide the Borrower with invoices of the amount of interest due hereunder via an online portal.

Section 2.09 Fees. In addition to certain fees described in Sections 2.03(g) and (h):

(a) Revolving Credit Facility Commitment Fee. The Borrower shall pay to the Administrative Agent for the account of each Revolving Credit Lender in accordance with its Applicable Percentage, a commitment fee (the "Commitment Fee") equal to 0.50% *per annum* on the average daily amount by which the aggregate Revolving Credit Commitments exceeds the sum of (A) the Outstanding Amount of Revolving Credit Loans and (B) the Outstanding Amount of L/C Obligations (disregarding for the purposes of such calculation, the Outstanding Amount of any Swing Line Loans). The Commitment Fee shall accrue at all times from the Closing Date until the Maturity Date for the Revolving Credit Facility, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the first day of each calendar quarter, commencing with the first such date to occur after the Closing Date, and on the Maturity Date for the Revolving Credit Facility.

(b) Other Fees. The Borrower shall pay to the Agents such fees as shall have been separately agreed upon in writing in the Fee Letter, in the amounts and at the times so specified. Such fees shall be fully earned when paid and shall not be refundable for any reason whatsoever (except as expressly agreed between the Borrower and the applicable Agent).

Section 2.10 Computation of Interest and Fees. All computations of interest for Base Rate Loans shall be made on the basis of a year of three hundred sixty five (365) days or three hundred sixty six (366) days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a three hundred sixty (360) day year and actual days elapsed. Interest and fees shall accrue on each Loan for the day on which such Loan is made, and shall not accrue on such Loan, or any portion thereof, for the day on which such Loan or such portion is paid; provided, that, any such Loan that is repaid on the same day on which it is made shall, subject to Section 2.12(a), bear interest for one (1) day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

Section 2.11 Evidence of Indebtedness. The Credit Extensions made by each Lender shall be evidenced by one or more accounts or records maintained by such Lender and by one or more entries in the Register. Any failure to so record or any error in doing so shall not, however, limit or otherwise affect the obligation of the Borrower hereunder to pay any amount owing with respect to the Obligations. In the event of any conflict between the accounts and records maintained by any Lender and the Register, the Register shall be conclusive in the absence of demonstrable error. Upon the request of any Lender, each Borrower shall execute and deliver to such Lender a Term Note or Revolving Credit Note payable to such Lender or its registered assigns, which shall evidence such Lender's Loans in addition to such accounts or records. Each Lender may, but shall not be required to, attach schedules to its Term Note or Revolving Credit Note and endorse thereon the date, Type (if applicable), amount and maturity of its Loans and payments with respect thereto.

Section 2.12 Payments Generally.

(a) All payments to be made by the Borrower shall be made without condition or deduction for any counterclaim, defense, recoupment or setoff except as provided in this Section 3.01. Except as otherwise expressly provided herein and all payments by the Borrower hereunder shall be made to the Administrative Agent, for the account of the respective Lenders to which such payment is owed, at the applicable Administrative Agent's Office in Dollars and in Same Day Funds not later than 1:30 p.m. on the date specified herein. Without limiting the generality of the foregoing, the Administrative Agent may require that any payments due under this Agreement be made in the United States. The Administrative Agent will promptly distribute to each Lender its Applicable Percentage (or other applicable share as provided herein) of such payment in like funds as received by wire transfer to such Lender's Applicable Lending Office. All payments received by the Administrative Agent after 1:30 p.m. may, in the Administrative Agent's discretion, be deemed received on the next succeeding Business Day and any applicable interest or fee shall continue to accrue.

(b) If any payment to be made by the Borrower shall come due on a day other than a Business Day, payment shall be made on the next following Business Day, and such extension of time shall be reflected in computing interest or fees, as the case may be; provided, that, if such extension would cause payment of interest on or principal of SOFR Loans to be made in the next succeeding calendar month, such payment shall be made on the immediately preceding Business Day.

(c) Unless the Borrower or any Lender has notified the Administrative Agent, prior to the date any payment is required to be made by it to the Administrative Agent hereunder, that the Borrower or such Lender, as the case may be, will not make such payment, the Administrative Agent may assume that the Borrower or Lenders, as the case may be, has timely made such payment and may (but shall not be so required to), in reliance thereon, make available a corresponding amount to the Person entitled thereto. If and to the extent that such payment was not in fact made to the Administrative Agent in immediately available funds, then:

(i) if the Borrower failed to make such payment, then the applicable Lender agrees to pay to the Administrative Agent forthwith on demand the portion of such assumed payment that was made available to such Lender in immediately available funds, together with interest thereon in respect of each day from and including the date such amount was made available by the Administrative Agent to such Lender to the date such amount is repaid to the Administrative Agent in immediately available funds at the greater of the Federal Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, it being understood that nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder; and

(ii) if any Lender failed to make such payment, such Lender shall forthwith on demand pay to the Administrative Agent the amount thereof in immediately available funds, together with interest thereon for the period from the date such amount was made available by the Administrative Agent to the Borrower to the date such amount is recovered by the Administrative Agent (the " Compensation Period") at the greater of the Federal

Funds Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation. When such Lender makes payment to the Administrative Agent (together with all accrued interest thereon), then such payment amount (excluding the amount of any interest which may have accrued and been paid in respect of such late payment) shall constitute such Lender's Loan included in the applicable Borrowing. If such Lender does not pay such amount forthwith upon the Administrative Agent's demand therefor, the Administrative Agent may make a demand therefor upon the Borrower, and the Borrower shall pay such amount to the Administrative Agent, together with interest thereon for the Compensation Period at the interest rate applicable to such Loan. Nothing herein shall be deemed to relieve any Lender from its obligation to fulfill its Commitment or to prejudice any rights which the Administrative Agent or the Borrower may have against any Lender as a result of any default by such Lender hereunder.

A notice of the Administrative Agent to any Lender or the Borrower with respect to any amount owing under this Section 2.12(c) shall be conclusive, absent demonstrable error.

(d) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Credit Extension set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

(e) The obligations of the Lenders hereunder to make Loans and to fund participations in Letters of Credit and Swing Line Loans are several and not joint. The failure of any Lender to make any Loan or to fund any such participation on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and no Lender shall be responsible for the failure of any other Lender to so make its Loan or purchase its participation.

(f) Nothing herein shall be deemed to obligate any Lender to obtain the funds for any Loan in any particular place or manner or to constitute a representation by any Lender that it has obtained or will obtain the funds for any Loan in any particular place or manner.

(g) Whenever any payment received by the Administrative Agent under this Agreement or any of the other Loan Documents is insufficient to pay in full all amounts due and payable to the Administrative Agent and the Lenders under or in respect of this Agreement and the other Loan Documents on any date, such payment shall be distributed by the Administrative Agent and applied by the Administrative Agent and the Lenders in the order of priority set forth in Section 8.04. If the Administrative Agent receives funds for application to the Obligations of the Loan Parties under or in respect of the Loan Documents under circumstances for which the Loan Documents do not specify the manner in which such funds are to be applied, the Administrative Agent may, but shall not be obligated to, elect to distribute such funds to each of the Lenders in accordance with such Lender's Applicable Percentage of the sum of (a) the Outstanding Amount of all Loans outstanding at such time and (b) the Outstanding Amount of all L/C Obligations outstanding at such time, in repayment or prepayment of such of the outstanding Loans or other Obligations then owing to such Lender.

Section 2.13 Sharing of Payments. If, other than as expressly provided elsewhere herein, any Lender shall obtain on account of the Loans made by it, or the participations in L/C Obligations and Swing Line Loans held by it, any payment (whether voluntary, involuntary, through the exercise of any right of setoff, or otherwise) in excess of its ratable share (or other share contemplated hereunder) thereof,

such Lender shall immediately (a) notify the Administrative Agent of such fact, and (b) purchase from the other Lenders such participations in the Loans made by them and/or such subparticipations in the participations in L/C Obligations or Swing Line Loans held by them, as the case may be, as shall be necessary to cause such purchasing Lender to share the excess payment in respect of such Loans or such participations, as the case may be, pro rata with each of them; provided, that, (x) if all or any portion of such excess payment is thereafter recovered from the purchasing Lender under any of the circumstances described in Section 10.06 (including pursuant to any settlement entered into by the purchasing Lender in its discretion), such purchase shall to that extent be rescinded and each other Lender shall repay to the purchasing Lender the purchase price paid therefor, together with an amount equal to such paying Lender's ratable share (according to the proportion of (i) the amount of such paying Lender's required repayment to (ii) the total amount so recovered from the purchasing Lender) of any interest or other amount paid or payable by the purchasing Lender in respect of the total amount so recovered, without further interest thereon, (y) the provisions of this Section 2.13 shall not be construed to apply to any payment made by the Borrower pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in L/C Obligations to any assignee or participant and (z) the provisions of this Section 2.13 shall not be construed to apply to any disproportionate payment obtained by a Lender of any Class as a result of the extension by Lenders of the maturity date or expiration date of some but not all Loans or Commitments of that Class or any increase in the Applicable Rate (or other pricing term, including any fee, discount or premium) in respect of Loans or Commitments of Lenders that have consented to any such extension to the extent such transaction is permitted hereunder. The Borrower agrees that any Lender so purchasing a participation from another Lender may, to the fullest extent permitted by applicable Law, exercise all its rights of payment (including the right of setoff, but subject to Section 10.09) with respect to such participation as fully as if such Lender were the direct creditor of the Borrower in the amount of such participation. The Administrative Agent will keep records (which shall be conclusive and binding in the absence of demonstrable error) of participations purchased under this Section 2.13 and will in each case notify the Lenders following any such purchases or repayments. Each Lender that purchases a participation pursuant to this Section 2.13 shall from and after such purchase have the right to give all notices, requests, demands, directions and other communications under this Agreement with respect to the portion of the Obligations purchased to the same extent as though the purchasing Lender were the original owner of the Obligations purchased.

Section 2.14 Incremental Credit Extensions.

(a) At any time and from time to time, subject to the terms and conditions set forth herein, the Borrower may, by written notice to the Administrative Agent (whereupon the Administrative Agent shall promptly deliver a copy to each of the Lenders), request to increase the amount of Term Loans or add one or more additional tranches of term loans (any such Term Loans or additional tranche of term loans, the "Incremental Term Loans"), increase the Revolving Credit Commitments of any Class (any such increase, an "Incremental Revolving Increase"), and/or add one or more additional tranches of revolving credit commitments (the "Additional Revolving Credit Commitments" and, together with the Incremental Revolving Increases, the "Incremental Revolving Commitments"; and together with the Incremental Term Loans and each Incremental Revolving Increase, the "Incremental Facilities"). Notwithstanding anything to contrary herein, the aggregate principal amount of all Incremental Facilities (other than Refinancing Term Loans and Refinancing Revolving Commitments) (determined at the time of incurrence), together with the aggregate principal amount of all Incremental Equivalent Debt, shall not exceed the Incremental Cap. Each Incremental Facility shall be in an integral multiple of $1,000,000 and be in an aggregate principal amount that is not less than $5,000,000, provided, that, such amount may be less than the applicable minimum amount if such amount represents all the remaining availability hereunder as set forth above. Each Incremental Facility shall have the same guarantees as all of the other

Obligations hereunder, will not be secured by any assets not constituting Collateral securing the Obligations hereunder and shall be secured by Liens ranking pari passu with the Liens securing the Obligations. No existing Lender shall be required to participate in any Incremental Facility; provided that the Lenders as of the Closing Date (or their applicable Affiliates or Approved Funds who are Lenders at such time) shall first be offered, by written request from the Borrower, the right to accept or reject (in each case in their sole discretion) the opportunity to provide on a pro rata basis any such Incremental Facility. After giving effect to any Incremental Revolving Commitments, the ratio of the Revolving Credit Facility and any Incremental Revolving Commitments to the Facilities (including any Incremental Facilities) as a whole shall not exceed the ratio of the Revolving Credit Facility to the Facilities as a whole as of the Closing Date. Neither the Borrower nor any of its Affiliates or the Permitted Holders shall participate in any Incremental Facility.

(b) Any Incremental Term Loans (other than Refinancing Term Loans) (i) for purposes of prepayments, shall be treated no more favorably than the Initial Term Loans, (ii) shall have interest rate margins and (subject to clauses (iii) and (iv)) amortization schedule as determined by the Borrower and the lenders thereunder (provided, that, unless waived by the Required Lenders, if the Effective Yield of any Incremental Term Loans exceeds the Effective Yield of the Initial Term Loans immediately prior to the effectiveness of the applicable Incremental Facility Amendment by more than 0.50% *per annum,* the Applicable Rate and/or, as set forth below, the interest rate floor relating to the Initial Term Loans shall be adjusted such that the Effective Yield of the Initial Term Loans is equal to the Effective Yield of such Incremental Term Loans minus 0.50% *per annum* (the "MFN Adjustment"); provided, further, that, any increase in Effective Yield with respect to the Initial Term Loans due to the application of an interest rate floor to any Incremental Term Loan greater than the interest rate floor applicable to the Initial Term Loans shall be effected solely through an increase in the interest rate floor applicable to the Initial Term Loans), (iii) other than with respect to any customary bridge facility so long as the long-term Indebtedness into which any such customary bridge facility is to be converted satisfies such limitations, any Incremental Term Loan shall not have a final maturity date earlier than the Maturity Date applicable to the Initial Term Loans, (iv) other than with respect to any customary bridge facility so long as the long-term Indebtedness into which any such customary bridge facility is to be converted satisfies such limitations, any Incremental Term Loan shall not have a Weighted Average Life to Maturity that is shorter than the Weighted Average Life to Maturity of the Initial Term Loans and (v) except to the extent otherwise permitted by this Section 2.14, shall be on terms and pursuant to documentation to be determined by the Borrower and the lenders thereunder; provided, that to the extent such terms and documentation are not consistent with the Initial Term Loans (except to the extent otherwise permitted in this Section 2.14), they shall either (A) not be materially more restrictive to the Borrower (as reasonably determined by the Borrower in good faith), when taken as a whole, than the terms and conditions applicable to the Initial Term Loans (in each case, unless the Lenders with respect to the Initial Term Loan receive the benefit of such more restrictive terms or conditions through their addition to this Agreement or to the extent that they apply solely to periods following the Latest Maturity Date with respect to the Initial Term Loans or (B) be reasonably satisfactory to the Administrative Agent.

(c) Any Additional Revolving Credit Commitments (other than Refinancing Revolving Commitments) (i) for purposes of prepayments, shall be treated no more favorably than the Revolving Credit Commitments, (ii) shall have interest rate margins and (subject to clauses (iii) and (iv)) amortization schedule as determined by the Borrower and the lenders thereunder (provided that such Incremental Revolving Commitments shall require no scheduled amortization or mandatory commitment reduction prior to the final Maturity Date of the Revolving Credit Commitments), (iii) shall not have a final maturity date earlier than the Maturity Date applicable

to the Revolving Credit Commitments, (iv) shall not have a Weighted Average Life to Maturity that is shorter than the Weighted Average Life to Maturity of the Revolving Credit Commitments, and (v) except to the extent otherwise permitted by this Section 2.14, shall be on terms and pursuant to documentation to be determined by the Borrower and the lenders thereunder; provided, that to the extent such terms and documentation are not consistent with the Revolving Credit Commitments (except to the extent otherwise permitted in this Section 2.14), they shall either (A) not be materially more restrictive to the Borrower (as reasonably determined by the Borrower in good faith), when taken as a whole, than the terms and conditions applicable to the initial Revolving Credit Commitments (in each case, unless the Lenders with respect to the initial Revolving Credit Commitments receive the benefit of such more restrictive terms or conditions through their addition to this Agreement or to the extent that they apply solely to periods following the Latest Maturity Date with respect to the Revolving Credit Commitments or (B) be reasonably satisfactory to the Administrative Agent. Any Incremental Revolving Increases shall be on the same terms and pursuant to the same documentation as the Revolving Credit Commitments.

(d) Each notice from the Borrower pursuant to this Section 2.14 shall set forth the requested amount and proposed terms of the relevant Incremental Facility. Any additional bank, financial institution, existing Lender or other Person that elects to extend Incremental Facilities shall be reasonably satisfactory to the Borrower and the Administrative Agent and, in the case of Incremental Revolving Commitments, each L/C Issuer (any such bank, financial institution, existing Lender or other Person being called an "Additional Lender") and, if not already a Lender, shall become a Lender under this Agreement pursuant to an amendment (an "Incremental Facility Amendment") to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower, such Additional Lender, the Administrative Agent and, in the case of any Incremental Revolving Commitments, each L/C Issuer. No Incremental Facility Amendment shall require the consent of any Lenders other than the Additional Lenders with respect to such Incremental Facility Amendment and, in the case of Incremental Revolving Commitments, each L/C Issuer. Commitments in respect of any Incremental Term Loans and Incremental Revolving Commitments shall become Commitments under this Agreement. An Incremental Facility Amendment may, without the consent of any other Lenders, effect such amendments to any Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provisions of this Section 2.14. Any Incremental Facility Amendment shall be pursuant to documentation to be mutually agreed by the Borrower, the Administrative Agent and each Additional Lender. For the avoidance of doubt, Incremental Facilities shall be part of the Facilities governed by the Loan Documents.

(e) The effectiveness of any Incremental Facility Amendment shall, unless otherwise agreed to by the Administrative Agent and the Additional Lenders, be subject to the satisfaction on the date thereof (each, an "Incremental Facility Closing Date") of each of the conditions set forth in Section 4.02 (it being understood that (i) the representations and warranties of each Loan Party set forth in Section 4.02 being true and correct in all material respects (although any representations and warranties which expressly relate to a given date or period shall be true and correct in all material respects as of the respective date or for the respective period, as the case may be) and all references to "such date of such Credit Extension" shall be deemed to refer to the Incremental Facility Closing Date and (ii) no Default or Event of Default shall have occurred and be continuing, or would result from such issuance of the Incremental Facility); provided, that, in the case of Incremental Facilities the proceeds of which will be used to finance (1) a Limited Condition Transaction, the only representations and warranties that will be required to be true and correct in all material respects as of the applicable Incremental Facility Closing Date shall be the Specified Representations; provided, further, that, in the case of Incremental Facilities the proceeds of which will be used to finance a Limited Condition Transaction, (x) no Event of Default shall have occurred

and be continuing at the time the definitive agreement for such Limited Condition Transaction is entered into and (y) Section 4.02(b) shall be limited to Specified Events of Default. The proceeds of any Incremental Term Loans will be used for general corporate purposes (including (without limitation) Permitted Acquisitions) and for any other purpose not prohibited hereunder.

(f) Upon each increase in the Revolving Credit Commitments under such Revolving Credit Facility pursuant to thisSection 2.14, each Revolving Credit Lender immediately prior to such increase will automatically and without further act be deemed to have assigned to each Lender providing a portion of the Incremental Revolving Commitment (each, an "Incremental Revolving Lender") in respect of such increase, and each such Incremental Revolving Lender will automatically and without further act be deemed to have assumed, a portion of such Revolving Credit Lender's participations hereunder in outstanding Letters of Credit such that, after giving effect to each such deemed assignment and assumption of participations, the percentage of the aggregate outstanding participations hereunder in Letters of Credit under such Revolving Credit Facility held by each Revolving Credit Lender (including each such Incremental Revolving Lender) under such Revolving Credit Facility will equal the percentage of the aggregate Revolving Credit Commitments of all Revolving Credit Lenders represented by such Revolving Credit Lender's Revolving Credit Commitment. Additionally, if any Revolving Credit Loans are outstanding under a Revolving Credit Facility at the time any Incremental Revolving Commitments are established under such Revolving Credit Facility, the Revolving Credit Lenders immediately after effectiveness of such Incremental Revolving Commitments shall purchase and assign at par such amounts of the Revolving Credit Loans outstanding under such Revolving Credit Facility at such time as the Administrative Agent may require such that each Revolving Credit Lender under such Revolving Credit Facility holds its Applicable Percentage of all Revolving Credit Loans outstanding under such Revolving Credit Facility immediately after giving effect to all such assignments. The Administrative Agent and the Lenders hereby agree that the minimum borrowing, pro rata borrowing and pro rata payment requirements contained elsewhere in this Agreement shall not apply to the transactions effected pursuant to the immediately preceding sentence.

(g) Any portion of any Incremental Facility incurred other than under the Incremental Incurrence Test shall be automatically reclassified at any time, as the Borrower may elect from time to time, as incurred under the Incremental Incurrence Test if the Borrower meets the applicable ratio under the Incremental Incurrence Test at such time on a Pro Forma Basis at any time subsequent to the incurrence of such Incremental Facility (or would have met such ratio, in which case, such reclassification shall be deemed to have automatically occurred if not elected by the Borrower).

Section 2.15 Extensions of Term Loans and Revolving Credit Commitments.

(a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an "Extension Offer") made from time to time by the Borrower to all Lenders of any Class of Term Loans or any Class of Revolving Credit Commitments, in each case on a pro rata basis (based on the aggregate outstanding principal amount of the respective Term Loans or Revolving Credit Commitments of the applicable Class) and on the same terms to each such Lender, the Borrower are hereby permitted to consummate from time to time transactions with individual Lenders that accept the terms contained in such Extension Offers to extend the maturity date of each such Lender's Term Loans and/or Revolving Credit Commitments of the applicable Class and otherwise modify the terms of such Term Loans and/or Revolving Credit Commitments pursuant to the terms of the relevant Extension Offer (including, without limitation, by increasing the interest rate or fees payable in respect of such Term Loans and/or Revolving Credit

Commitments (and related outstandings) and/or modifying the amortization schedule in respect of such Lender's Term Loans, and which such extensions shall not be subject to any "no default" requirement, pro forma compliance with any leverage ratio or other financial tests or "most favored nations provisions") (each, an "Extension," and each group of Term Loans or Revolving Credit Commitments, as applicable, in each case as so extended, as well as the original Term Loans and the original Revolving Credit Commitments (in each case not so extended), being a separate Class of Term Loans from the Class of Term Loans from which they were converted, and any Extended Revolving Credit Commitments (as defined below) shall constitute a separate Class of Revolving Credit Commitments from the Class of Revolving Credit Commitments from which they were converted and it being understood that an Extension may be in the form of an increase in the amount of any other outstanding Class of Term Loans or Revolving Credit Commitments otherwise satisfying the criteria set forth below), so long as the following terms are satisfied: (i) except as to interest rates, fees and final maturity (which shall be determined by the Borrower and set forth in the relevant Extension Offer; provided that the final maturity thereof shall be no earlier than the maturity date of the Revolving Credit Commitments extended thereby), the Revolving Credit Commitment of any Revolving Credit Lender that agrees to an extension with respect to such Revolving Credit Commitment (an "Extending Revolving Credit Lender") extended pursuant to an Extension (an "Extended Revolving Credit Commitment"), and the related outstandings, shall be a Revolving Credit Commitment (or related outstandings, as the case may be) with the same terms as the original Class of Revolving Credit Commitments; provided, that, at no time shall there be Revolving Credit Commitments hereunder (including Extended Revolving Credit Commitments and any original Revolving Credit Commitments) which have more than three different maturity dates, (ii) except as to interest rates, fees, amortization, final maturity date, premium, required prepayment dates and participation in prepayments (which shall, subject to immediately succeeding clauses (iii), (iv) and (v), be determined by the Borrower and set forth in the relevant Extension Offer), the Term Loans of any Term Lender that agrees to an extension with respect to such Term Loans (an "Extending Term Lender") extended pursuant to any Extension ("Extended Term Loans") shall have the same terms as the Class of Term Loans subject to such Extension Offer other than with respect to covenants or other provisions applicable to periods after the Latest Maturity Date, (iii) the final maturity date of any Extended Term Loans or any Extended Revolving Credit Commitments shall be no earlier than the maturity date of the Term Loans or Revolving Credit Commitments, respectively, extended thereby and the amortization schedule applicable to Term Loans pursuant to Section 2.07(a) for periods prior to the Maturity Date for Term Loans may not be increased, (iv) the Weighted Average Life to Maturity of any Extended Term Loans or Extended Revolving Credit Commitments shall be no shorter than the remaining Weighted Average Life to Maturity of the Term Loans or Revolving Credit Commitments, respectively, extended thereby, (v) any Extended Term Loans or Extended Revolving Credit Commitments may participate on a pro rata basis or a less than pro rata basis (but not greater than a *pro rata* basis) in any voluntary or mandatory repayments or prepayments hereunder, in each case as specified in the respective Extension Offer, which Extension Offer may also provide that any such voluntary or mandatory repayments or prepayments hereunder may first be directed to the Loans which are non-Extended Term Loans or non-Extended Revolving Credit Commitments, prior to being applied to such Extended Term Loans or Extended Revolving Credit Commitments, (vi) if the aggregate principal amount of Term Loans (calculated on the face amount thereof) or Revolving Credit Commitments, as the case may be, in respect of which Term Lenders or Revolving Credit Lenders, as the case may be, shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Term Loans or Revolving Credit Commitments, as the case may be, offered to be extended by the Borrower pursuant to such Extension Offer, then the Term Loans or Revolving Credit Loans, as the case may be, of such Term Lenders or Revolving Credit Lenders, as the case may be, shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Term Lenders or

Revolving Credit Lenders, as the case may be, have accepted such Extension Offer, (vii) all documentation in respect of such Extension shall be consistent with the foregoing, (viii) any applicable Minimum Extension Condition shall be satisfied unless waived by the Borrower and (ix) the Minimum Tranche Amount shall be satisfied unless waived by the Administrative Agent. No Lender shall be obligated to extend its Term Loans or Revolving Credit Commitments unless it so agrees.

(b) With respect to all Extensions consummated by the Borrower pursuant to this Section 2.15, (i) such Extensions shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 2.05 and (ii) no Extension Offer is required to be in any minimum amount or any minimum increment, provided, that, (x) the Borrower may at their election specify as a condition (a "Minimum Extension Condition") to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in the Borrower's sole discretion and may be waived by the Borrower) of Term Loans or Revolving Credit Commitments (as applicable) of any or all applicable Classes be tendered and (y) no Class of Extended Term Loans shall be in an amount of less than $10,000,000 (the "Minimum Tranche Amount"), unless such Minimum Tranche Amount is waived by the Administrative Agent. The Administrative Agent and the Lenders hereby consent to the transactions contemplated by this Section 2.15 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Term Loans and/or Extended Revolving Credit Commitments on such terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 2.05, 2.12 and 2.13) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.15.

(c) No consent of any Lender or the Administrative Agent shall be required to effectuate any Extension, other than (A) the consent of each Lender agreeing to such Extension with respect to one or more of its Term Loans and/or Revolving Credit Commitments (or a portion thereof) and (B) with respect to any Extension of the Revolving Credit Commitments, the consent of the L/C Issuer and the Swing Line Lender (which consent shall not be unreasonably withheld or delayed); provided, that, any Lender that elects not to agree to such Extension (such Lender being, a "Non-Extending Lender") may be replaced by the Borrower pursuant to Section 3.06. All Extended Term Loans, Extended Revolving Credit Commitments and all obligations in respect thereof shall be Obligations under this Agreement and the other Loan Documents that are secured by the Collateral on a *pari passu* basis with all other applicable Obligations under this Agreement and the other Loan Documents. The Lenders hereby irrevocably authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents with the Borrower as may be necessary in order to establish new Classes in respect of Revolving Credit Commitments or Term Loans so extended and such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Borrower in connection with the establishment of such new Classes, in each case on terms consistent with this Section 2.15. Without limiting the foregoing, in connection with any Extensions the respective Loan Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the then Latest Maturity Date so that such maturity date is extended to the then Latest Maturity Date (or such later date as may be advised by local counsel to the Administrative Agent).

(d) In connection with any Extension, the Borrower shall provide the Administrative Agent at least five (5) Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures (including, without limitation, regarding timing, rounding and other adjustments and to ensure reasonable

administrative management of the credit facilities hereunder after such Extension), if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.15.

Section 2.16 Defaulting Lenders. Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(a) The Commitment Fee shall cease to accrue on any of the Revolving Credit Commitments of such Defaulting Lender pursuant to Section 2.09(a);

(b) the Commitment, Outstanding Amount of Term Loans and Revolving Credit Exposure of such Defaulting Lender shall not be included in determining whether all Lenders, the Required Lenders or the Required Revolving Credit Lenders have taken or may take any action hereunder (including any consent to any amendment, waiver or other modification pursuant to Section 10.01); provided, that, (x) any waiver, amendment or modification of the type described in clause (a), (b) or (c) of the first proviso in Section 10.01 that would apply to the Revolving Credit Commitments or Obligations owing to such Defaulting Lender or (y) any waiver, amendment or modification (other than as described in the forgoing clause (x) requiring the consent of all Lenders or each affected Lender) which affects such Defaulting Lender disproportionally when compared to other affected Lenders, in each case, shall require the consent of such Defaulting Lender with respect to the effectiveness of such waiver, amendment or modification with respect to the Revolving Credit Commitments or Obligations owing to such Defaulting Lender;

(c) any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article IX or otherwise), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, as the Borrower may request (so long as no Default or Event of Default has occurred and is continuing), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; third, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; fourth, so long as no Default or Event of Default has occurred and is continuing, to the payment of any amounts owing to any Loan Party as a result of any judgment of a court of competent jurisdiction obtained by any Loan Party against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and fifth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided, that, if such payment is a payment of the principal amount of any Loans, such payment shall be applied solely to pay the relevant Loans of the relevant non-Defaulting Lenders on a pro rata basis prior to being applied in the manner set forth in this clause (c).

(d) if any Swing Line Obligations or L/C Obligations exist at the time such Lender becomes a Defaulting Lender then:

(i) all or any part of the Swing Line Obligations or L/C Obligations of such Defaulting Lender shall be reallocated among the non-Defaulting Lenders in accordance with their respective Applicable Percentage but only to the extent that such non-Defaulting Lenders' Revolving Credit Exposures does not exceed its Revolving Credit Commitments;

(ii) if the reallocation described in clause (i) above cannot, or can only partially, be effected, the Borrower shall within three (3) Business Days following notice by the Administrative Agent, first, prepay such Swing Line Obligations and, second, Cash Collateralize for the benefit of the L/C Issuer only the Borrower's obligations corresponding to such Defaulting Lender's L/C Obligations (after giving effect to any partial reallocation pursuant to clause (i) above) in accordance with the procedures set forth in Section 2.03(f) for so long as such L/C Obligations are outstanding;

(iii) if the Borrower Cash Collateralizes any portion of such Defaulting Lender's L/C Obligations pursuant to clause (ii) above, no Borrower shall be required to pay any fees to such Defaulting Lender pursuant to Section 2.03(h) with respect to such Defaulting Lender's L/C Obligations during the period such Defaulting Lender's L/C Obligations are Cash Collateralized;

(iv) if the L/C Obligations of the non-Defaulting Lenders are reallocated pursuant to clause (i) above, then the fees payable to the Lenders pursuant to Sections 2.09(a) and 2.03(h) shall be adjusted in accordance with such non-Defaulting Lenders' Applicable Percentage; and

(v) if all or any portion of such Defaulting Lender's L/C Obligations is neither reallocated nor Cash Collateralized pursuant to clause (i) or (ii) above, then, without prejudice to any rights or remedies of the L/C Issuer or any other Lender hereunder, all letter of credit fees payable under Section 2.03(h) with respect to such Defaulting Lender's L/C Obligations shall be payable to the L/C Issuer until and to the extent that such L/C Obligations are reallocated and/or Cash Collateralized; and

(e) so long as such Lender is a Defaulting Lender, the Swing Line Lender shall not be required to fund any Swing Line Loan and the L/C Issuer shall not be required to issue, amend or increase any Letter of Credit, unless it has received assurances satisfactory to it that non-Defaulting Lenders will cover the related exposure and/or cash collateral will be provided by the Borrower in accordance with Section 2.16(d), and participating interests in any newly made Swing Line Loan or any newly issued or increased Letter of Credit shall be allocated among non-Defaulting Lenders in a manner consistent with Section 2.16(d)(i) (and such Defaulting Lender shall not participate therein).

In the event that the Administrative Agent, the Borrower, the Swing Line Lender and the L/C Issuer each agrees that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then the Swing Line Obligations and the L/C Obligations of the Revolving Credit Lenders shall be readjusted to reflect the inclusion of such Lender's Revolving Credit Commitment and on such date such Lender shall purchase at par such of the Revolving Credit Loans of the other Revolving Credit Lenders (other than Swing Line Lenders) as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Revolving Credit Loans in accordance with its Applicable Percentage; provided, that, no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; provided, further, that, except to the extent otherwise expressly agreed by the affected parties and subject to Section 10.24, no change hereunder from Defaulting Lender will constitute a waiver or release of any claim of any party hereunder arising from such Lender's having been a Defaulting Lender.

Section 2.17 Permitted Debt Exchanges.

(a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a "Permitted Debt Exchange Offer") made from time to time by the Borrower to all Lenders (other than, with respect to any Permitted Debt Exchange Offer that constitutes an offering of securities, any Lender that, if requested by the Borrower, is unable to certify that it is (i) a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act), (ii) an institutional "accredited investor" (as defined in Rule 501 under the Securities Act) or (iii) not a "U.S. person" (as defined in Rule 902 under the Securities Act)) with outstanding Term Loans of a particular Class, the Borrower may from time to time consummate one or more exchanges of such Term Loans for Indebtedness (in the form of senior secured, senior unsecured, senior subordinated, or subordinated notes or loans) (such Indebtedness, "Permitted Debt Exchange Notes" and each such exchange, a "Permitted Debt Exchange"), so long as the following conditions are satisfied:

(i) each such Permitted Debt Exchange Offer shall be made on a pro rata basis to the Lenders (other than, with respect to any Permitted Debt Exchange Offer that constitutes an offering of securities, any Lender that, if requested by the Borrower, is unable to certify that it is (i) a "qualified institutional buyer" (as defined in Rule 144A under the Securities Act), (ii) an institutional "accredited investor" (as defined in Rule 501 under the Securities Act) or (iii) not a "U.S. person" (as defined in Rule 902 under the Securities Act)) of each applicable Class based on their respective aggregate principal amounts of outstanding Term Loans under each such Class;

(ii) the aggregate principal amount (calculated on the face amount thereof) of such Permitted Debt Exchange Notes shall not exceed the aggregate principal amount (calculated on the face amount thereof) of Term Loans so refinanced, except to the extent a different incurrence basket pursuant Section 7.03 is utilized and with respect to an amount equal to any fees, expenses, commissions, underwriting discounts and premiums payable in connection with such Permitted Debt Exchange;

(iii) the stated final maturity of such Permitted Debt Exchange Notes is not earlier than the latest Maturity Date for the Class or Classes of Term Loans being exchanged, and such stated final maturity is not subject to any conditions that could result in such stated final maturity occurring on a date that precedes such latest maturity date (it being understood that acceleration or mandatory repayment, prepayment, redemption or repurchase of such Permitted Debt Exchange Notes upon the occurrence of an event of default, a change in control, an event of loss or an asset disposition shall not be deemed to constitute a change in the stated final maturity thereof);

(iv) such Permitted Debt Exchange Notes are not required to be repaid, prepaid, redeemed, repurchased or defeased, whether on one or more fixed dates, upon the occurrence of one or more events or at the option of any holder thereof (except, in each case, upon the occurrence of an event of default, a change in control, an event of loss or an asset disposition) prior to the latest Maturity Date for the Class or Classes of Term Loans being exchanged, provided, that, notwithstanding the foregoing, scheduled amortization payments (however denominated, including scheduled offers to repurchase) of such Permitted Debt Exchange Notes shall be permitted so long as the Weighted Average Life to Maturity of such Indebtedness shall be longer than the remaining Weighted Average Life to Maturity of the Class or Classes of Term Loans being exchanged;

(v) no Restricted Subsidiary is a borrower or guarantor with respect to such Indebtedness unless such Restricted Subsidiary is or substantially concurrently becomes a Loan Party;

(vi) if such Permitted Debt Exchange Notes are secured, such Permitted Debt Exchange Notes are secured on a*pari passu* basis or junior priority basis to the Obligations and (A) such Permitted Debt Exchange Notes are not secured by any assets not securing the Obligations unless such assets substantially concurrently secure the Obligations and (B) the beneficiaries thereof (or an agent on their behalf) shall have entered into an Acceptable Intercreditor Agreement;

(vii) the terms and conditions of such Permitted Debt Exchange Notes (excluding pricing and optional prepayment or redemption terms and except as permitted by clause (iii), above) shall either (A) not be materially more restrictive to the Borrower (as reasonably determined by the Borrower in good faith), when taken as a whole, than the terms and conditions set forth in this Agreement (it being understood that such terms or conditions may be more restrictive than the terms and conditions set forth in this Agreement if the Lenders receive the benefit of such terms or conditions through amendment or supplementation of this Agreement or to the extent such terms or conditions apply solely to periods following the Latest Maturity Date) or (B) be reasonably satisfactory to the Administrative Agent; provided, that, all Permitted Debt Exchange Notes that are secured by Liens on the Collateral ranking *pari passu* with the Liens securing the Obligations (other than high yield securities that are distributed through a customary Rule 144A offering to investors pursuant to an offering memorandum) shall be subject to the MFN Adjustment;

(viii) all Term Loans exchanged under each applicable Class by the Borrower pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrower on date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Assumption, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrower for immediate cancellation), and accrued and unpaid interest on such Term Loans shall be paid to the exchanging Lenders on the date of consummation of such Permitted Debt Exchange, or, if agreed to by the Borrower and the Administrative Agent, the next scheduled Interest Payment Date with respect to such Term Loans (with such interest accruing until the date of consummation of such Permitted Debt Exchange);

(ix) if the aggregate principal amount of all Term Loans (calculated on the face amount thereof) of a given Class tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof of the applicable Class actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of such Class offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans under the relevant Class tendered by such Lenders ratably up to such maximum based on the respective principal amounts so tendered, or, if such Permitted Debt Exchange Offer shall have been made with respect to multiple Classes without specifying a maximum aggregate principal amount offered to be exchanged for each Class, and the aggregate principal amount of all Term Loans (calculated on the face amount thereof) of all Classes tendered by Lenders in respect of the

relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of all relevant Classes offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans across all Classes subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered;

(x) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing, and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Borrower and the Administrative Agent;

(xi) no Permitted Debt Exchange Notes may be subject to mandatory prepayments on a greater than pro rata basis with the Term Loans; and

(xii) any applicable Minimum Tender Condition or Maximum Tender Condition, as the case may be, shall be satisfied or waived by the Borrower.

Notwithstanding anything to the contrary herein, no Lender shall have any obligation to agree to have any of its Loans or Commitments exchanged pursuant to any Permitted Debt Exchange Offer.

(b) With respect to all Permitted Debt Exchanges effected by the Borrower pursuant to this Section 2.17, such Permitted Debt Exchange Offer shall be made for not less than $10,000,000 in aggregate principal amount of Term Loans, provided, that, subject to the foregoing the Borrower may at its election specify (A) as a condition (a "Minimum Tender Condition") to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans of any or all applicable Classes be tendered and/or (B) as a condition (a "Maximum Tender Condition") to consummating any such Permitted Debt Exchange that no more than a maximum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans of any or all applicable Classes will be accepted for exchange. The Administrative Agent and the Lenders hereby acknowledge and agree that the provisions of Sections 2.05, 2.06 and 2.13 do not apply to the Permitted Debt Exchange and the other transactions contemplated by this Section 2.17 and hereby agree not to assert any Default or Event of Default in connection with the implementation of any such Permitted Debt Exchange or any other transaction contemplated by this Section 2.17.

(c) In connection with each Permitted Debt Exchange, the Borrower shall provide the Administrative Agent at least five (5) Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and the Borrower and the Administrative Agent, acting reasonably, shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.17; provided, that, the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than five (5) Business Days following the date on which the Permitted Debt Exchange Offer is made. The Borrower shall provide the final results of such Permitted Debt Exchange to the Administrative Agent no later than three (3) Business Days prior to the proposed date of effectiveness for such Permitted Debt Exchange (or such shorter period agreed to by the Administrative Agent in its sole discretion) and the Administrative Agent shall be entitled to conclusively rely on such results.

(d) The Borrower shall be responsible for compliance with, and hereby agree to comply with, all applicable securities and other laws in connection with each Permitted Debt Exchange, it being understood and agreed that (i) neither the Administrative Agent nor any Lender assumes any responsibility in connection with the Borrower's compliance with such laws in connection with any Permitted Debt Exchange and (ii) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Exchange Act.

Section 2.18 Loan Account. The Administrative Agent shall maintain an account on its books in the name of the Borrower (the "Loan Account") on which the Borrower will be charged with the Term Loans made to it, all Revolving Loans made by the Administrative Agent or the Lenders to it or for its account, the Letters of Credit issued or arranged by L/C Issuer for its account, and with all of its other payment Obligations hereunder or under the other Loan Documents, including, accrued interest, fees and expenses, and all of its other payment obligations hereunder. The Borrower hereby authorizes Administrative Agent, from time to time without prior notice to the Borrower, to charge to the Loan Account, as and when due and payable all of its payment obligations payable under any Loan Document or any agreement in respect of Cash Management Obligations or Secured Hedge Agreements. All amounts (including interest, fees, costs, expenses, or other amounts payable hereunder or under any other Loan Document or under any agreement in respect of Cash Management Obligations or Secured Hedge Agreements) charged to the Loan Account (excluding Lender Group Expenses) shall thereupon constitute Revolving Loans hereunder, shall constitute Obligations hereunder, and shall initially accrue interest at the rate then applicable to Revolving Loans that are Base Rate Loans (unless and until converted into SOFR Loans in accordance with the terms of this Agreement). In accordance with Section 2.12, each Loan Account will be credited with all payments received by the Administrative Agent from the Borrower or for the Borrower's account. The Administrative Agent shall make available to the Borrower monthly statements regarding the Loan Account, including the principal amount of the Term Loan and the Revolving Loans, interest accrued hereunder, fees accrued or charged hereunder or under the other Loan Documents, and a summary itemization of all charges and expenses accrued hereunder or under the other Loan Documents, and each such statement, absent manifest error, shall be conclusively presumed to be correct and accurate and constitute an account stated between each Borrower and the Administrative Agent, L/C Issuer and the Lenders unless, within 30 days after the Administrative Agent first makes such a statement available to the Borrower, the Borrower shall deliver to the Administrative Agent written objection thereto describing the error or errors contained in such statement.

ARTICLE III

Taxes, Increased Costs Protection and Illegality

Section 3.01 Taxes.

(a) Except as provided in this Section 3.01, any and all payments by the Borrower (the term Borrower under this Article III being deemed to include any Subsidiary for whose account a Letter of Credit is issued) or any Guarantor to or for the account of any Recipient under any Loan Document shall be made free and clear of and without deduction for any Taxes unless required by applicable Law. If any applicable withholding agent shall be required by any Laws to deduct or withhold any Taxes from or in respect of any sum payable under any Loan Document to a Recipient, (i) if such Taxes are Indemnified Taxes, the sum payable by the Borrower or applicable Guarantor shall be increased as necessary so that after all required deductions have been made (including deductions applicable to additional sums payable under this Section 3.01), such Recipient receives an amount equal to the sum it would have received had no such deductions been made, (ii) such applicable withholding agent shall make such deductions or withholdings, (iii) such applicable

withholding agent shall pay the full amount deducted to the relevant taxation authority or other authority in accordance with applicable Laws, and (iv) within thirty (30) days after the date of such payment by such applicable withholding agent (or, if receipts or evidence are not available within thirty (30) days, as soon as reasonably possible thereafter), such applicable withholding agent shall furnish to Borrower and such Recipient (as the case may be) the original or a facsimile copy of a receipt evidencing payment thereof to the extent such a receipt is issued therefor, or other written proof of payment thereof that is reasonably satisfactory to Borrower and such Recipient (as the case may be).

(b) In addition, but without duplication of any amounts payable pursuant to Section 3.01(a) or (c), the Loan Parties agree to pay all Other Taxes or, at the option of the Administrative Agent, the Loan Parties agree to reimburse the Administrative Agent for all Other Taxes.

(c) Without duplication of any amounts payable pursuant to Section 3.01(a) or Section 3.01(b), the Loan Parties agree to indemnify each Recipient for (i) the full amount of Indemnified Taxes (including any Indemnified Taxes imposed or asserted by any jurisdiction in respect of amounts payable under this Section 3.01) payable by such Recipient and (ii) any reasonable expenses arising therefrom or with respect thereto, in each case whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. Such Recipient, as the case may be, will, at the Borrower's request, provide the Borrower with a written statement thereof setting forth in reasonable detail the basis and calculation of such amounts which shall be conclusive absent manifest error. Payment under this Section 3.01(c) shall be made within ten (10) days after the date such Recipient makes a demand therefor.

(d) If any Recipient determines, in its sole discretion exercised in good faith, that it has received a refund in respect of any Indemnified Taxes as to which indemnification have been paid to it by the Borrower or any Guarantor pursuant to this Section 3.01 (including by the payment of additional amounts pursuant to this Section), it shall promptly remit an amount equal to such refund as soon as practicable after it is determined that such refund pertains to Indemnified Taxes (but only to the extent of indemnity payments made under this Section 3.01 with respect to the Indemnified Taxes giving rise to such refund, net of all reasonable out-of-pocket expenses (including any Taxes) of such Recipient, as the case may be and without interest (other than any interest paid by the relevant taxing authority with respect to such refund); provided, that, the Borrower, upon the request of the Recipient, as the case may be, agrees to return an amount equal to such refund (plus any applicable interest, additions to tax or penalties) to such party in the event such party is required to repay such refund to the relevant taxing authority. Notwithstanding anything to the contrary in this paragraph (d), in no event will a Recipient be required to pay any amount to the Borrower pursuant to this paragraph (d) the payment of which would place such Recipient in a less favorable net after-Tax position than such Recipient would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any Recipient to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Person.

(e) Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Section 3.01(a) or (c) with respect to such Lender it will, if requested by the Borrower, use commercially reasonable efforts (subject to legal and regulatory restrictions), at the Borrower's expense, to designate another Applicable Lending Office for any Loan or Letter of Credit affected

by such event; provided, that, such efforts are made on terms that, in the judgment of such Lender, cause such Lender and its Applicable Lending Office(s) to suffer no economic, legal, regulatory or commercial disadvantage, and provided, further, that, nothing in this Section 3.01(e) shall affect or postpone any of the Obligations of the Borrower or the rights of such Lender pursuant to Section 3.01(a) or (c).

(f) Each Lender shall, at such times as are reasonably requested by the Borrower or the Administrative Agent, provide the Borrower and the Administrative Agent with any documentation prescribed by applicable Law, or reasonably requested by the Borrower or the Administrative Agent, certifying as to any entitlement of such Lender to an exemption from, or reduction in, any withholding Tax with respect to any payments to be made to such Lender under any Loan Document. Each such Lender shall, whenever a lapse in time or change in circumstances renders such documentation (including any documentation specifically referenced below) expired, obsolete or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the applicable withholding agent) or promptly notify the Borrower and the Administrative Agent in writing of its inability to do so. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in paragraphs (f)(i), (ii) and (iii) of this Section) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

Without limiting the generality of the foregoing:

(i) Each Lender that is a "United States person" (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent) two properly completed and duly signed copies of Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding;

(ii) Each Lender that is not a "United States person" (as defined in Section 7701(a)(30) of the Code) shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two (2) properly completed and duly signed copies of Internal Revenue Service FormW-8BEN or W-8BEN-E, as applicable (or any successor forms) claiming eligibility for benefits of an income tax treaty to which the United States is a party,

(B) two (2) properly completed and duly signed copies of Internal Revenue Service FormW-8ECI (or any successor forms) in the case of a Lender claiming an exemption from withholding Tax for income that is effectively connected with a U.S. trade or business,

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) or the Code, (x) a certificate, in

substantially the form of Exhibit L (any such certificate a "United States Tax Compliance Certificate"), or any other form approved by the Administrative Agent and Borrower, to the effect that such Lender is not (A) a "bank" within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10 percent shareholder" of the Borrower within the meaning of Section 871(h)(3)(B) of the Code or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code and that no payments in connection with the Loan Documents are effectively connected with such Lender's conduct of a U.S. trade or business, and (y) two (2) properly completed and duly signed copies of Internal Revenue Service Form W-8BEN or W-8BEN-E, as applicable (or any successor forms),

(D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership), two (2) properly completed and duly signed copies of Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by a Form W-8ECI, W-8BEN or W-8BEN-E, as applicable (or any successor forms), a United States Tax Compliance Certificate, Form W-9, Form W-8IMY (or other successor forms) or any other required information from each beneficial owner, as applicable (provided, that, if the Lender is a partnership and one or more direct or indirect partners are claiming the portfolio interest exemption, the United States Tax Compliance Certificate may be provided by such Lender on behalf of such direct or indirect partner(s)), or

(E) to the extent it is legally entitled to do so, (in such number of copies as shall be requested by the recipient), executed copies of any other form prescribed by applicable Law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(iii) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Sections 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their FATCA obligations, to determine whether such Lender has or has not complied with such Lender's FATCA obligations and to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this Section 3.01(f)(iii), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender hereby authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to this Section 3.01(f).

(g) The Administrative Agent (as well as any person receiving any payment on behalf of the Administrative Agent pursuant to Section 9.02 or Section 9.13) shall provide the Borrower,

on or before the date on which such Administrative Agent becomes an Administrative Agent hereunder or under any other Loan Document (and from time to time thereafter upon the reasonable request of the Borrower), with two (2) properly completed and duly signed copies of, (i) in the case of an Administrative Agent that is a United States person (as defined in Section 7701(a)(30) of the Code), Internal Revenue Service Form W-9 certifying that it is exempt from U.S. federal backup withholding or (ii) in the case of an Administrative Agent that is not a U.S. Person, (x) with respect to payments received for the account of a Lender, IRS Form W-8IMY evidencing the Administrative Agent's agreement to be treated as a United States person for U.S. federal withholding tax purposes and assuming primary responsibility for U.S. federal income tax withholding and (y) with respect to payments received for the Administrative Agent's own account, IRS Form W-8ECI. If any documentation previously delivered by the Administrative Agent expires or becomes obsolete or inaccurate in any respect, the Administrative Agent shall update such documentation or promptly notify the Borrower in writing of its legal inability to do so.

(h) For the avoidance of doubt, the term "Lender" shall, for purposes of this Section 3.01, include any L/C Issuer and any Swing Line Lender and "applicable law" includes FATCA.

(i) Each party's obligations under this Section 3.01 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document.

Section 3.02 Inability to Determine Rates.

(a) Subject to clauses (b) through (f) of this Section 3.02, if the Administrative Agent or the Required Lenders determine that for any reason adequate and reasonable means do not exist for determining the Adjusted Term SOFR Rate or the Term SOFR for any requested Interest Period with respect to a proposed SOFR Loan denominated in any currency, or the Required Lenders (excluding for all purposes of this Section 3.02 only, the portion of the Total Outstandings and unused Commitments that are not available for Loans in such currency) determine that the Adjusted Term SOFR Rate or the Term SOFR for any Interest Period with respect to such proposed SOFR Loan does not adequately and fairly reflect the cost to such Lenders of funding such Loan, or that deposits in the currency of such SOFR Loan are not being offered to banks in the applicable London or other relevant interbank market for the applicable amount and the Interest Period of such SOFR Loan, the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, the obligation of the Lenders to make or maintain SOFR Loans in such currency shall be suspended until the Administrative Agent (upon the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of SOFR Loans or, failing that, will be deemed to have converted such request into a request for a Borrowing of Base Rate Loans in the amount specified therein.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to the Reference Time in respect of any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any other Loan Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of

"Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any other Loan Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders without any amendment to, or further action or consent of any other party to, this Agreement or any other Loan Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders.

(c) Notwithstanding anything to the contrary herein or in any other Loan Document, the Administrative Agent will have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such Benchmark Replacement Conforming Changes will become effective following consultation with the Borrower without any further action or consent of any other party to this Agreement or any other Loan Document.

(d) The Administrative Agent will promptly notify the Borrower and the Lenders of (i) any occurrence of a Benchmark Transition Event, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Benchmark Replacement Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (e) below and (v) the commencement or conclusion of any Benchmark Unavailability Period. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 3.02, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Loan Document, except, in each case, as expressly required pursuant to this Section 3.02.

(e) Notwithstanding anything to the contrary herein or in any other Loan Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including Term SOFR) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent in its reasonable discretion or (B) the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is or will be no longer representative, then the Administrative Agent may modify the definition of "Interest Period" for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is or will no longer be representative for a Benchmark (including a Benchmark Replacement), then the Administrative Agent may modify the definition of "Interest Period" for all Benchmark settings at or after such time to reinstate such previously removed tenor.

(f) Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any request for a Term Benchmark Borrowing of, conversion to or continuation of Term Benchmark Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, the Borrower will be deemed to have converted any request for a Term Benchmark Borrowing into a request for a Borrowing of or conversion to a Base Rate Borrowing. During any Benchmark Unavailability Period or at any time

that a tenor for the then-current Benchmark is not an Available Tenor, the component of Base Rate based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of the Base Rate. Furthermore, if any Term Benchmark Loan is outstanding on the date of the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, then until such time as a Benchmark Replacement is implemented pursuant to this Section 3.02, any Term Benchmark Loan shall on the last day of the Interest Period applicable to such Loan (or the next succeeding Business Day if such day is not a Business Day), be converted by the Administrative Agent to, and shall constitute, a Base Rate Loan.

Section 3.03 Increased Cost and Reduced Return; Capital Adequacy; Reserves on SOFR Loans.

(a) If any Lender determines that as a result of any Change in Law, or such Lender's compliance therewith, there shall be any increase in the cost to such Lender of agreeing to make or making, funding or maintaining any Loan or issuing or participating in Letters of Credit, or a reduction in the amount received or receivable by such Lender in connection with any of the foregoing including as a result of Taxes (excluding for purposes of this Section 3.03(a) any such increased costs or reduction in amount resulting from (i) Indemnified Taxes or Other Taxes indemnifiable under Section 3.01, (ii) Excluded Taxes or (iii) reserve requirements contemplated by Section 3.03(c)), then from time to time within fifteen (15) days after demand by such Lender setting forth in reasonable detail such increased costs (with a copy of such demand to the Administrative Agent given in accordance with Section 3.05), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such increased cost or reduction; provided, that, such Lender will only be compensated for such amounts that would have otherwise been imposed under the applicable increased cost provisions and only to the extent the applicable Lender is imposing such charges on other similarly situated borrowers under comparable syndicated credit facilities.

(b) If any Lender determines that as a result of any Change in Law regarding capital adequacy or any change therein or in the interpretation thereof, in each case after the date hereof, or compliance by such Lender (or its Applicable Lending Office) therewith, has the effect of reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of such Lender's obligations hereunder (taking into consideration its policies with respect to capital adequacy and such Lender's desired return on capital), then from time to time upon demand of such Lender setting forth in reasonable detail the charge and the calculation of such reduced rate of return (with a copy of such demand to the Administrative Agent given in accordance with Section 3.05), the Borrower shall pay to such Lender such additional amounts as will compensate such Lender for such reduction within fifteen (15) days after receipt of such demand.

(c) The Borrower shall pay to each Lender, (i) as long as such Lender shall be required to maintain reserves with respect to liabilities or assets consisting of or including Term SOFR funds or deposits (except any such reserve requirement reflected in the Adjusted Term SOFR Rate), additional interest on the unpaid principal amount of each SOFR Loan equal to the actual costs of such reserves allocated to such Loan by such Lender (as determined by such Lender in good faith, which determination shall be conclusive in the absence of demonstrable error), and (ii) as long as such Lender shall be required to comply with any reserve ratio requirement or analogous requirement of any other central banking or financial regulatory authority imposed in respect of the maintenance of the Commitments or the funding of the SOFR Loans, such additional costs (expressed as a percentage per annum and rounded upwards, if necessary, to the nearest five decimal places) equal to the actual costs allocated to such Commitment or Loan by such Lender (as

determined by such Lender in good faith, which determination shall be conclusive absent demonstrable error) which in each case shall be due and payable on each date on which interest is payable on such Loan, provided, that, the Borrower shall have received at least fifteen (15) days' prior notice (with a copy to the Administrative Agent) of such additional interest or cost from such Lender. If a Lender fails to give notice fifteen (15) days prior to the relevant Interest Payment Date, such additional interest or cost shall be due and payable fifteen (15) days after receipt of such notice.

(d) Subject to Section 3.05(b), failure or delay on the part of any Lender to demand compensation pursuant to this Section 3.03 shall not constitute a waiver of such Lender's right to demand such compensation.

(e) If any Lender requests compensation under this Section 3.03, then such Lender will, if requested by the Borrower, use commercially reasonable efforts to designate another Applicable Lending Office for any Loan or Letter of Credit affected by such event; provided, that, such efforts are made on terms that, in the reasonable judgment of such Lender, cause such Lender and its Applicable Lending Office(s) to suffer no material economic, legal or regulatory disadvantage; and provided, further, that, nothing in this Section 3.03(e) shall affect or postpone any of the Obligations of the Borrower or the rights of such Lender pursuant to Section 3.03(a), (b), (c) or (d).

Section 3.04 Funding Losses. Upon demand of any Lender (with a copy to the Administrative Agent) from time to time, the Borrower shall promptly compensate such Lender for and hold such Lender harmless from any loss, cost or expense incurred by it as a result of:

(a) any continuation, conversion, payment or prepayment of any SOFR Loan on a day other than the last day of the Interest Period for such Loan; or

(b) any failure by the Borrower (for a reason other than the failure of such Lender to make a Loan) to prepay, borrow, continue or convert any Loan (other than a Base Rate Loan) on the date or in the amount notified by the Borrower;

including any loss or expense arising from the liquidation or reemployment of funds obtained by it to maintain such Loan or from fees payable to terminate the deposits from which such funds were obtained.

A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section 2.15 shall be delivered to the Borrower and shall be conclusive absent manifest error.

Section 3.05 Matters Applicable to All Requests for Compensation.

(a) Any Agent or any Lender claiming compensation under this Article III shall deliver a certificate to the Borrower setting forth the additional amount or amounts to be paid to it hereunder which shall be conclusive in the absence of demonstrable error. In determining such amount, such Agent or such Lender may use any reasonable averaging and attribution methods.

(b) With respect to any Lender's claim for compensation under Section 3.01, Section 3.02, Section 3.03 or Section 3.04, the Borrower shall not be required to compensate such Lender for any amount incurred more than one hundred and eighty (180) days prior to the date that such Lender notifies the Borrower of the event that gives rise to such claim; provided, that, if the circumstance giving rise to such claim is retroactive, then such 180-day period referred to above

shall be extended to include the period of retroactive effect thereof. If any Lender requests compensation by the Borrower under Section 3.03, the Borrower may, by notice to such Lender (with a copy to the Administrative Agent), suspend the obligation of such Lender to make or continue SOFR Loans from one Interest Period to another, or to convert Base Rate Loans into SOFR Loans, until the event or condition giving rise to such request ceases to be in effect (in which case the provisions of Section 3.05(c) shall be applicable); provided, that, such suspension shall not affect the right of such Lender to receive the compensation so requested.

(c) If the obligation of any Lender to make or continue any SOFR Loan from one Interest Period to another, or to convert Base Rate Loans into SOFR Loans shall, to the extent denominated in Dollars, be suspended pursuant to Section 3.05(b) hereof, such Lender's SOFR Loans shall be automatically converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for such SOFR Loans (or, in the case of an immediate conversion required by Section 3.02, on such earlier date as required by Law) and, unless and until such Lender gives notice as provided below that the circumstances specified in Section 3.01, Section 3.02, Section 3.03 or Section 3.04 hereof that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's SOFR Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's SOFR Loans shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued from one Interest Period to another by such Lender as SOFR Loans, to the extent denominated in Dollars, shall be made or continued instead as Base Rate Loans, and all Base Rate Loans of such Lender that would otherwise be converted into SOFR Loans shall remain as Base Rate Loans.

(d) If any Lender gives notice to the Borrower (with a copy to the Administrative Agent) that the circumstances specified in Section 3.01, Section 3.02, Section 3.03 or Section 3.04 hereof that gave rise to the conversion of such Lender's SOFR Loans denominated in Dollars pursuant to this Section 3.05 no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when SOFR Loans made by other Lenders are outstanding, such Lender's Base Rate Loans shall be automatically converted to SOFR Loans, on the first day(s) of the next succeeding Interest Period(s) for such outstanding SOFR Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding SOFR Loans and by such Lender are held pro rata (as to principal amounts, interest rate basis, and Interest Periods) in accordance with their respective principal amount of Commitments.

Section 3.06 Replacement of Lenders under Certain Circumstances.

(a) If at any time (i) any Lender requests reimbursement for amounts owing pursuant to Section 3.01 or Section 3.03 as a result of any condition described in such Sections and Lender has declined or is unable to designate a different lending office in accordance with Section 3.01(e) or any Lender ceases to make SOFR Loans as a result of any condition described in Section 3.02 or Section 3.03, (ii) any Lender becomes a Defaulting Lender, (iii) any Lender becomes a Non-Consenting Lender or (iv) any Lender becomes a Non-Extending Lender, then the Borrower may, on prior written notice to the Administrative Agent and such Lender, replace, repay (on a non-pro-rata basis) and/or terminate the Commitments of such Lender by requiring such Lender to (and such Lender shall be obligated to) assign pursuant to Section 10.07(b) (with the assignment fee to be paid by the Borrower in such instance) all of its rights and obligations under this Agreement (or, with respect to clause (iii) and clause (iv) above, all of its rights and obligations with respect to the

Class of Loans or Commitments that is the subject of the related consent, waiver or amendment) to one or more Eligible Assignees (provided, that, neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender or other such Person; and provided, further, that, (A) in the case of any such assignment resulting from a claim for compensation under Section 3.03 or payments required to be made pursuant to Section 3.01, such assignment will result in a reduction in such compensation or payments and (B) in the case of any such assignment resulting from a Lender becoming a Non-Consenting Lender or a Non-Extending Lender, the applicable Eligible Assignees shall have agreed to the applicable departure, waiver or amendment of the Loan Documents).

(b) Any Lender being replaced, repaid (on a non-pro-rata basis) or whose Commitments are being terminated pursuant to Section 3.06(a) above shall (i) execute and deliver an Assignment and Assumption with respect to such Lender's Commitment and outstanding Loans and participations in L/C Obligations and Swing Line Loans, as applicable (provided, that, the failure of any such Lender to execute an Assignment and Assumption shall not render such assignment invalid and such assignment shall be recorded in the Register), and (ii) deliver Notes, if any, evidencing such Loans to the Borrower or Administrative Agent. Pursuant to such Assignment and Assumption, (A) the assignee Lender shall acquire all or a portion, as the case may be, of the assigning Lender's Commitments and outstanding Loans and participations in L/C Obligations and Swing Line Loans, (B) all obligations of the Loan Parties owing to the assigning Lender relating to the Loan Documents and participations so assigned shall be paid in full by the assignee Lender or the Loan Parties (as applicable) to such assigning Lender concurrently with such assignment and assumption, any amounts owing to the assigning Lender (other than a Defaulting Lender) under Section 3.04 as a consequence of such assignment), and (C) upon such payment and, if so requested by the assignee Lender, the assignor Lender shall deliver to the assignee Lender the appropriate Notes executed by the Borrower, the assignee Lender shall become a Lender hereunder and the assigning Lender shall cease to constitute a Lender hereunder with respect to such assigned Loans, Commitments and participations, except with respect to indemnification provisions under this Agreement, which shall survive as to such assigning Lender.

(c) Notwithstanding anything to the contrary contained above, any Lender that acts as an L/C Issuer may not be replaced hereunder at any time that it has any Letter of Credit outstanding hereunder unless arrangements reasonably satisfactory to such L/C Issuer (including the furnishing of a back-up standby letter of credit in form and substance, and issued by an issuer reasonably satisfactory to such L/C Issuer, or the depositing of cash collateral into a cash collateral account in amounts and pursuant to arrangements reasonably satisfactory to such L/C Issuer) have been made with respect to each such outstanding Letter of Credit and the Lender that acts as the Administrative Agent may not be replaced hereunder except in accordance with the terms of Section 9.09.

(d) In the event that (i) the Borrower or the Administrative Agent have requested that the Lenders consent to a departure or waiver of any provisions of the Loan Documents or agree to any amendment thereto, (ii) the consent, waiver or amendment in question requires the agreement of all affected Lenders in accordance with the terms of Section 10.01 or all the Lenders with respect to a certain Class of the Loans and (iii) the Required Lenders or Required Revolving Credit Lenders, as applicable, have agreed to such consent, waiver or amendment, then any Lender who does not agree to such consent, waiver or amendment shall be deemed a "Non-Consenting Lender."

(e) Notwithstanding anything herein to the contrary, each party hereto agrees that any assignment pursuant to the terms of this Section 3.06 may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender making such assignment need not be a party thereto.

Section 3.07 Illegality. If any Lender determines that any Law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its Applicable Lending Office to perform any of its obligations hereunder or make, maintain or fund or charge interest with respect to any Credit Extension or to determine or charge interest rates based upon the Term SOFR, or any Governmental Authority has imposed material restrictions on the authority of such Lender to purchase or sell, or to take deposits of, Dollars in the London interbank market, then, on notice thereof by such Lender to the Borrower through the Administrative Agent, (i) any obligation of such Lender to issue, make, maintain, fund or charge interest with respect to any such Credit Extension or continue SOFR Loans or to convert Base Rate Loans to SOFR Loans shall be suspended, and (ii) if such notice asserts the illegality of such Lender making or maintaining Base Rate Loans the interest rate on which is determined by reference to the Term SOFR component of the Base Rate, the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Term SOFR component of the Base Rate, in each case until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon demand from such Lender (with a copy to the Administrative Agent), prepay or, if applicable, convert all SOFR Loans of such Lender to Base Rate Loans (the interest rate on which Base Rate Loans of such Lender shall, if necessary to avoid such illegality, be determined by the Administrative Agent without reference to the Term SOFR component of the Base Rate), either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such SOFR Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such SOFR Loans and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon the Term SOFR, the Administrative Agent shall during the period of such suspension compute the Base Rate applicable to such Lender without reference to the Term SOFR component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon Term SOFR. Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

Section 3.08 Survival. All of the Borrower's obligations under this Article III shall survive termination of the Aggregate Commitments and repayment of all other Obligations hereunder and any assignment of rights by or replacement of a Lender.

(a) The representations and warranties of the Borrower and each other Loan Party contained in Article V or any other Loan Document shall be true and correct in all material respects on and as of the date of such Credit Extension; provided, that, to the extent that such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; provided, further, that, any representation and warranty that is qualified as to "materiality," "Material Adverse Effect" or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on such respective dates; provided, further, that, in the case of an Incremental Facility the proceeds of which will be used to finance a Limited Condition Transaction, the foregoing will be limited to the Specified Representations.

The execution, delivery and performance by each Loan Party of each Loan Document to which such Person is a party, and the consummation of the Transactions, (a) have been duly authorized by all necessary corporate or other organizational action and (b) do not and will not (i) contravene the terms of any of such Person's Organization Documents, (ii) conflict with or result in any breach or contravention of, or require any payment to be made under (A) any Contractual Obligation evidencing Indebtedness exceeding the Threshold Amount to which such Person is a party or affecting such Person or the properties of such Person or any of its Subsidiaries or (B) any material order, injunction, writ or decree of any Governmental Authority or any arbitral award to which such Person or its property is subject, (iii) result in the creation of any Lien (other than under the Loan Documents and Liens subject to an Acceptable Intercreditor Agreement) or (iv) violate any material Law; except (in the case of clauses (b)(ii) and (b)(iv)), to the extent that such conflict, breach, contravention, payment or violation could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

This Agreement and each other Loan Document constitutes a legal, valid and binding obligation of such Loan Party, enforceable against each Loan Party that is party thereto in accordance with its terms, except as such enforceability may be limited by Debtor Relief Laws and by general principles of equity.

Section 5.05 Financial Statements; No Material Adverse Effect.

Section 5.08 Environmental Matters. Except as could not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect:

(a) there are no pending or, to the knowledge of the Borrower, threatened claims, actions, suits, notices of violation, notices of potential responsibility, disputes or proceedings by or involving any Loan Party or any of their Subsidiaries alleging potential liability or responsibility for violation of, or otherwise relating to, any Environmental Law;

(c) neither any Loan Party nor any of their Subsidiaries is undertaking, or has completed, either individually or together with other persons, any investigation or response action relating to any actual or threatened Release of Hazardous Materials at any location, either voluntarily or pursuant to the order of any Governmental Authority or the requirements of any Environmental Law;

(d) all Hazardous Materials transported by or on behalf of any Loan Party or its Subsidiaries from any property currently or, to the knowledge of the Borrower or its Subsidiaries, formerly owned, leased or operated by any Loan Party or any of their Subsidiaries for off-site disposal have been disposed of in compliance with all Environmental Laws;

Section 5.10 Compliance with ERISA.

(a) Except as could not, either individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect, each Pension Plan is in compliance with the applicable provisions of ERISA, the Code and other federal or state Laws and applicable foreign Laws, respectively.

(b) No ERISA Event has occurred or is reasonably expected to occur that could reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect.

Section 5.11 Subsidiaries; Equity Interests. As of the Closing Date, neither the Borrower nor any other Loan Party has any Subsidiaries other than those specifically disclosed in Schedule 5.11, and all of the outstanding Equity Interests in the Subsidiaries have been validly issued, are fully paid and, in the case of Equity Interests representing corporate interests, nonassessable and, on the Closing Date, all Equity Interests owned directly or indirectly by the Borrower or any other Loan Party are

owned free and clear of all Liens except (i) those created under the Collateral Documents, and (ii) those Liens permitted under Sections 7.01. As of the Closing Date, Schedule 5.11 (a) sets forth the name and jurisdiction of organization or incorporation of each Subsidiary, (b) sets forth the ownership interest of the Borrower and any of their Subsidiaries in each of their respective Subsidiaries, including the percentage of such ownership and (c) identifies each Person the Equity Interests of which are required to be pledged on the Closing Date pursuant to the Collateral and Guarantee Requirement.

Section 5.12 Margin Regulations; Investment Company Act.

(a) No Loan Party is engaged nor will it engage, principally or as one of its important activities, in the business of purchasing or carrying margin stock (within the meaning of Regulation U issued by the FRB), or extending credit for the purpose of purchasing or carrying margin stock, and no proceeds of any Borrowings or drawings under any Letter of Credit will be used for any purpose that violates Regulation U or Regulation X of the FRB.

(b) No Loan Party is or is required to be registered as an "investment company" under the Investment Company Act of 1940, as amended.

Section 5.13 Disclosure. As of the Closing Date, no report, financial statement, certificate or other written information furnished by or on behalf of any Loan Party to any Agent, the Lead Arranger or any Lender in connection with the transactions contemplated hereby and the negotiation of this Agreement or delivered hereunder or any other Loan Document (as modified or supplemented by other information so furnished) when taken as a whole contains when furnished any untrue statement of a material fact or omits to state a material fact necessary in order to make the statements contained therein not materially misleading in light of the circumstances under which such statements are made (giving effect to all supplements and updates thereto); provided, that, with respect to projected financial information, the Borrower represents only that such information was prepared in good faith based upon assumptions believed to be reasonable at the time of preparation; it being understood that (i) such projections are as to future events and are not to be viewed as facts and are subject to significant uncertainties and contingencies, many of which are beyond the control of the Borrower, (ii) no assurance can be given that any particular projections will be realized and that actual results during the period or periods covered by any such projections may differ significantly from the projected results and (iii) such differences may be material. As of the Closing Date, the information included in the Beneficial Ownership Certification is true and correct in all respects.

Section 5.14 Intellectual Property; Licenses, Etc. Each of the Loan Parties and their Restricted Subsidiaries exclusively own, license or possess the right to use, all Intellectual Property used in or reasonably necessary for the operation of their respective businesses as currently conducted (collectively, the "IP Rights") except for any failure to own, license, or possess that could not, either individually or in the aggregate, reasonably be expected to have a Material Adverse Effect. All registered Intellectual Property and applications to register Intellectual Property owned by or exclusively licensed to any of the Loan Parties and the Subsidiaries ("Registered IP") are subsisting (other than pending Dispositions of immaterial Intellectual Property that will lapse or go abandoned in the ordinary course of business), and to the knowledge of the Borrower, valid and enforceable (if registered) except as could not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. To the knowledge of the Borrower, neither the use of the IP Rights nor the operation of the businesses of the Loan Parties and their Subsidiaries as currently conducted infringe, misappropriate or otherwise violate the rights of any Person, except to the extent such infringement, misappropriation or other violation or failure to own, license, or possess, either individually or in the aggregate, could not reasonably be expected to have a Material Adverse Effect. No claim or litigation alleging any infringement, misappropriation or other violation of any Intellectual Property rights of any Persons, or challenging the ownership of or rights in the Registered IP

by the Loan Parties and their Subsidiaries or the validity or enforceability of the Registered IP, is pending or, to the knowledge of the Borrower, threatened against any Loan Party or Subsidiary, which, either individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

Section 5.15 Privacy and Data Security Except for any non-compliance which, either individually or in the aggregate, could be reasonably expected to have a Material Adverse Effect, each of the Loan Parties and their Restricted Subsidiaries complies with (i) all Privacy and Information Security Requirements and (ii) its Privacy Notices. No Loan Party or its Restricted Subsidiaries, nor, to the knowledge of the Borrower, any other Person, has received any notice, allegation, complaint or other communication, and to the knowledge of the Borrower there is not any material pending investigation by any Governmental Authority or payment card association, regarding any actual or possible violation of any Privacy and Information Security Requirement by or with respect to any Loan Party or its Restricted Subsidiaries. Section 5.17 Collateral Documents. The Collateral Documents are effective to create in favor of the Collateral Agent for the benefit of the Secured Parties legal, valid and enforceable Liens on and security interests in, the Collateral described therein and to the extent intended to be created thereby, except as such enforceability may be limited by Debtor Relief Laws and by general principles of equity, and (i) when all appropriate filings or recordings are made in the appropriate offices as may be required under applicable Laws (which filings or recordings shall be made to the extent required by any Collateral Document) and (ii) upon the taking of possession or control by the Collateral Agent of such Collateral with respect to which a security interest may be perfected only by possession or control (which possession or control shall be given to the Collateral Agent to the extent required by any Collateral Document or an Acceptable Intercreditor Agreement), the Liens created by such Collateral Documents will constitute so far as possible under relevant Law fully perfected Liens on (with the priority set forth in an Acceptable Intercreditor Agreement), and security interests in, all right, title and interest of the Loan Parties in such Collateral to the extent perfection can be obtained by filing financing statements or upon the taking of possession or control, in each case subject to no Liens other than Permitted Liens.

Section 5.18 Use of Proceeds. The proceeds of the Initial Term Loans, the Revolving Credit Loans and the L/C Credit Extensions shall be used in a manner consistent with the uses set forth in the Preliminary Statements to this Agreement.

Section 5.19 Sanctions Laws and Regulations and Anti-Corruption Laws.

(a) Each of the Borrower and its Subsidiaries, and to the knowledge of each Loan Party, each director, manager, officer, employee, agent and Affiliate of each such Loan Party and each of its Subsidiaries, is in compliance (i) with applicable Sanctions Laws and Regulations and (ii) in all material respects with the FCPA and any other applicable Anti-Corruption Laws. No Borrowing or direct or, to the knowledge of the Borrower, indirect use of proceeds of any Borrowing or drawing under any Letter of Credit will violate or result in the violation of any Sanctions Laws and Regulations or Anti-Corruption Laws applicable to any party hereto.

(b) None of (I) the Borrower or any other Loan Party or (II) a Restricted Subsidiary that is not a Loan Party or, to the knowledge of the Borrower, any director, manager, officer, agent, employee or Affiliate of the Borrower or any of its Restricted Subsidiaries, in each case, is (i) a Person (or owned 50% or more by one or more Persons or under Control of a Person) on the list of "Specially

Designated Nationals and Blocked Persons" or the target of restrictions or prohibitions under any Sanctions Laws and Regulations, or (ii) a Person located, organized, or resident in a country or territory that is the subject of comprehensive sanctions under Sanctions Laws and Regulations (currently, the Crimea and the so-called Donetsk People's Republic and Luhansk People's Republic regions of Ukraine, Cuba, Iran, North Korea, and Syria) in violation of Sanctions Laws and Regulations.

(c) No part of the proceeds of any Loan or Letter of Credit will be used for any improper payments, directly or, to the knowledge of the Borrower, indirectly, to any governmental official or employee, political party, official of a political party, candidate for political office, or any other party (if applicable) in order to obtain, retain or direct business or obtain any improper advantage, in violation of the FCPA or any other Anti-Corruption Law issued, administered or enforced by any Governmental Authority having jurisdiction over the Borrower.

ARTICLE VIII

Events of Default and Remedies

Section 8.01 Events of Default. Any of the following events referred to in any of clauses (a) through (j) inclusive of this Section 8.01 shall constitute an "Event of Default":

(a) Non-Payment. Any Loan Party fails to pay (i) when and as required to be paid herein, any amount of principal of any Loan or (ii) within five (5) Business Days after the same becomes due, any interest on any Loan or any other amount payable hereunder or with respect to any other Loan Document; or

(b) Specific Covenants. Any Loan Party fails to perform or observe any term, covenant or agreement contained in (I) any of Section 6.03(a) or Section 6.04 (solely with respect to the Borrower) or Article VII; provided, that (i) a Default or Event of Default in respect of Section 7.11 shall be subject to a cure in accordance with the applicable provisions in Section 8.05 and (ii) any Event of Default arising from a failure to observe the covenant contained in Section 6.03(a) shall be deemed no longer continuing automatically upon and simultaneously with the underlying

Default ceasing to be continuing or (II) Section 6.01 or Section 6.02(a) and such failure continues for ten (10) Business Days after the earlier of (i) receipt by the Borrower of written notice thereof by the Administrative Agent or (ii) a Senior Officer of the Borrower obtaining knowledge thereof; or

(c) Other Defaults. Any Loan Party fails to perform or observe any other covenant or agreement (not specified in Section 8.01(a) or (b) above) contained in any Loan Document on its part to be performed or observed and such failure continues for thirty (30) days after the earlier of (i) receipt by the Borrower of written notice thereof by the Administrative Agent or (ii) a Senior Officer of the Borrower obtaining knowledge thereof; or

(d) Representations and Warranties. Any representation, warranty, certification or statement of fact made or deemed made by or on behalf of any Loan Party herein, in any other Loan Document, or in any document required to be delivered in connection herewith or therewith shall be incorrect or misleading in any material respect when made or deemed made and such incorrect or misleading representation, warranty, certification or statement of fact, if capable of being cured, remains so incorrect or misleading for thirty (30) days after the earlier of (i) receipt by the Borrower of written notice thereof by the Administrative Agent or the Required Lenders or (ii) a Senior Officer of the Borrower obtaining knowledge thereof; or

(e) Cross-Default. Any Loan Party or any Restricted Subsidiary (A) fails to make any payment beyond the applicable grace period with respect thereto, if any (whether by scheduled maturity, required prepayment, acceleration, demand, or otherwise) in respect of any Indebtedness (other than Indebtedness hereunder) having an aggregate principal amount exceeding the Threshold Amount, or (B) fails to observe or perform any other agreement or condition relating to any such Indebtedness, or any other event occurs (other than (i) with respect to Indebtedness consisting of Swap Contracts, termination events or equivalent events pursuant to the terms of such Swap Contracts and (ii) any event requiring prepayment pursuant to customary asset sale events, insurance and condemnation proceeds events, change of control offers events and excess cash flow and indebtedness sweeps), the effect of which default or other event is to cause, or to permit the holder or holders of such Indebtedness (or a trustee or agent on behalf of such holder or holders or beneficiary or beneficiaries) to cause, with the giving of notice if required, all such Indebtedness to become due or to be repurchased, prepaid, defeased or redeemed (automatically or otherwise), or an offer to repurchase, prepay, defease or redeem all such Indebtedness to be made, prior to its stated maturity; provided, that, this clause (e)(B) shall not apply to secured Indebtedness that becomes due (or requires an offer to purchase) as a result of the voluntary sale or transfer of the property or assets securing such Indebtedness, if such sale or transfer is permitted hereunder and under the documents providing for such Indebtedness; provided, further, that, such failure or breach is unremedied and is not waived by the required holders of such Indebtedness; or

(f) Insolvency Proceedings, Etc. Except with respect to any dissolution or liquidation of a Restricted Subsidiary expressly permitted by Section 7.04 in connection with the consummation of a Permitted Tax Restructuring, any Loan Party or any of the Restricted Subsidiaries institutes or consents to the institution of any proceeding under any Debtor Relief Law, or makes an assignment for the benefit of creditors; or applies for or consents to the appointment of any receiver, interim receiver, monitor, receiver and manager, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer for it or for all or any material part of its property; or any receiver, interim receiver, monitor, receiver and manager, trustee, custodian, conservator, liquidator, rehabilitator, administrator, administrative receiver or similar officer is appointed without the application or consent of such Person and the appointment continues undischarged or unstayed for sixty (60) calendar days; or any proceeding under any Debtor Relief Law relating to any such Person or to all or any material part of its property is instituted without the consent of such Person and continues undismissed or unstayed for sixty (60) calendar days; or an order for relief is entered in any such proceeding; or

(g) Inability to Pay Debts; Attachment. (i) Any Loan Party or any Restricted Subsidiary becomes unable or admits in writing its inability or fails generally to pay its debts as they become due, or (ii) any writ or warrant of attachment or execution or similar process is issued or levied against all or any material part of the property of the Loan Parties, taken as a whole, and is not released, vacated or fully bonded within sixty (60) days after its issue or levy; or

(h) Judgments. There is entered against any Loan Party or any Restricted Subsidiary a final judgment or order for the payment of money in an aggregate amount exceeding the Threshold Amount (to the extent not covered by independent third-party insurance) and such judgment or order shall not have been satisfied, vacated, discharged or stayed or bonded pending an appeal for a period of sixty (60) consecutive days; or

(i) Invalidity of Collateral Documents. Any material provision of any Collateral Document, at any time after its execution and delivery and for any reason other than as expressly permitted hereunder or thereunder (including as a result of a transaction permitted under Section 7.04 or Section 7.05) or solely as a result of acts or omissions by the Administrative Agent or any Lender or the satisfaction in full of all the Obligations, ceases to be in full force and effect or ceases to create a valid and perfected lien, with the priority set forth in the Collateral and Guarantee Requirement, on a material portion of the Collateral covered thereby; or any Loan Party contests in writing the validity or enforceability of any material provision of any Collateral Document; or any Loan Party denies in writing that it has any or further liability or obligation under any Collateral Document (other than as a result of repayment in full of the Obligations and termination of the Aggregate Commitments), or purports in writing to revoke or rescind any Collateral Document; or (j) Invalidity of Guarantees. Any Guarantee, after its execution and delivery, provided by any Guarantor that is a Material Subsidiary, or any material provision thereof, ceases to be in full force and effect (other than pursuant to the terms hereof or thereof) or any Loan Party denies or disaffirms in writing any such Guarantor's material obligations under its Guarantee (other than as a result of repayment in full of the Obligations and terminations of the Commitments); or

(k) Change of Control. There occurs any Change of Control; or

(l) ERISA. An ERISA Event occurs that, individually or together with other ERISA Events that have occurred, has resulted or could reasonably be expected to result in liability of the Borrower in an aggregate amount that could reasonably be expected to result in a Material Adverse Effect.

Section 8.02 Remedies Upon Event of Default. If any Event of Default occurs and is continuing, the Administrative Agent may and, at the request of the Required Lenders, shall take any or all of the following actions:

(a) declare the commitment of each Lender to make Loans and any obligation of the L/C Issuer to make L/C Credit Extensions to be terminated, whereupon such commitments and obligation shall be terminated;

(b) declare the unpaid principal amount of all outstanding Loans, all interest accrued and unpaid thereon, and all other amounts owing or payable hereunder or under any other Loan Document to be immediately due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby expressly waived by the Borrower;

(c) require that the Borrower Cash Collateralize the L/C Obligations (in an amount equal to the then Outstanding Amount thereof); and

(d) exercise on behalf of itself and the Lenders all rights and remedies available to it and the Lenders under the Loan Documents or applicable Law;

provided, that, upon the occurrence of an Event of Default under Section 8.01(f) or (g) with respect to the Borrower, the obligation of each Lender to make Loans and any obligation of the L/C Issuer to make L/C Credit Extensions shall automatically terminate, the unpaid principal amount of all outstanding Loans and all interest and other amounts as aforesaid shall automatically become due and payable and the obligation of the Borrower to Cash Collateralize the L/C Obligations as aforesaid shall automatically become effective, in each case without further act of the Administrative Agent or any Lender.

Section 8.03 Exclusion of Immaterial Subsidiaries. Solely for the purpose of determining whether a Default has occurred under clause (f) or (g) of Section 8.01, any reference in any such clause to any Restricted Subsidiary or Loan Party shall be deemed not to include any Subsidiary that is an Immaterial Subsidiary or at such time could, upon designation by the Borrower, become an Immaterial Subsidiary affected by any event or circumstances referred to in any such clause.

Section 8.04 Application of Funds. If the circumstances described in Section 2.12(g) have occurred, or after the exercise of remedies provided for in Section 8.02 (or after the Loans have automatically become immediately due and payable and the L/C Obligations have automatically been required to be Cash Collateralized as set forth in the proviso to Section 8.02), including in any bankruptcy or insolvency proceeding, any amounts received on account of the Obligations shall be applied by the Administrative Agent, subject to any Acceptable Intercreditor Agreement, in the following order:

First, to payment of that portion of the Obligations constituting fees, indemnities, expenses and other amounts (other than principal and interest, but including Attorney Costs payable under Section 10.04 and amounts payable under Article III) payable to each Agent in its capacity as such;

Second, to payment of that portion of the Obligations constituting fees, indemnities and other amounts (other than principal and interest) payable to the Lenders (including Attorney Costs payable under Section 10.04 and amounts payable under Article III), ratably among them in proportion to the amounts described in this clause Second payable to them;

Third, to payment of that portion of the Obligations constituting accrued and unpaid interest (including, but not limited to, post-petition interest), ratably among the Lenders in proportion to the respective amounts described in this clause Third payable to them;

Fourth, to payment of that portion of the Obligations constituting (x) unpaid principal of the Loans, (y) Unreimbursed Amounts and face amounts of the L/C Borrowings, and (z) Swap Termination Value under Secured Hedge Agreements and Cash Management Obligations (other than (i) the "Obligations" in respect of obligations under any Secured Hedge Agreement with a Hedge Bank listed under clause (ii) of the definition of "Hedge Bank" and (ii) the "Obligations" in respect of Cash Management Obligations with a Cash Management Bank listed under clause (ii) of the definition of "Cash Management Bank"); provided that the amounts distributed pursuant to this clause (z) shall not exceed $10,000,000 in the aggregate, ratably among the Secured Parties in proportion to the respective amounts described in this clause Fourth held by them;

Fifth, to the Administrative Agent for the account of the L/C Issuers, to Cash Collateralize that portion of L/C Obligations comprised of the aggregate undrawn amount of Letters of Credit;

Sixth, to the payment of all other Obligations of the Loan Parties that are due and payable to the Administrative Agent and the other Secured Parties on such date, ratably based upon the respective aggregate amounts of all such Obligations owing to the Administrative Agent and the other Secured Parties on such date;

Seventh; the balance, if any, after all of the Obligations have been paid in full, to (i) the "Obligations" in respect of obligations under any Secured Hedge Agreement with a Hedge Bank listed under clause (ii) of the definition of "Hedge Bank" and (ii) the "Obligations" in respect of Cash Management Obligations with a Cash Management Bank listed under clause (ii) of the definition of "Cash Management Bank"; and

Last, the balance, if any, after all of the Obligations have been paid in full, to the Borrower or as otherwise required by Law.

Subject to Section 2.03(c), amounts used to Cash Collateralize the aggregate undrawn amount of Letters of Credit pursuant to clause Fifth above shall be applied to satisfy drawings under such Letters of Credit as they occur. If any amount remains on deposit as Cash Collateral after all Letters of Credit have either been fully drawn or expired, such remaining amount shall be applied to the other Obligations, if any, in the order set forth above and, if no Obligations remain outstanding, to the Borrower.

Section 8.05 Cure Right.

(a) Notwithstanding anything to the contrary contained in Section 8.01(b), in the event that the Borrower fails to comply with the requirement of the Recurring Revenue Financial Covenant set forth in Section 7.11(a) as of the last day of the Test Period, any of the Permitted Holders or any other investor shall have the right, during the period beginning on the date on which the financial statements are required to be delivered pursuant to Section 6.01 with respect to the fiscal quarter in which the breach of such Recurring Revenue Financial Covenant occurs (a "Specified Fiscal Quarter"), until the expiration of the fifteenth (15th) Business Day following such due date for such financial statements (the "Cure Period") after the date on which financial statements with respect to the Specified Fiscal Quarter are required to be delivered pursuant to Section 6.01, to make a direct or indirect equity investment in the Borrower in cash in the form of common Equity Interests (or other Qualified Equity Interests reasonably acceptable to the Administrative Agent) (the "Cure Right"), and upon the receipt by the Borrower of net cash proceeds pursuant to the exercise of the Cure Right (the "Cure Amount"), the Recurring Revenue Financial Covenant shall be recalculated, giving effect to a pro forma increase to LQA Recurring Revenue for the Specified Fiscal Quarter in an amount equal to such Cure Amount; provided, that, such *pro forma* adjustment to LQA Recurring Revenue shall be given solely for the purpose of determining the existence of a Default or an Event of Default under the Recurring Revenue Financial Covenant with respect to such Specified Fiscal Quarter and not for any other purpose under any Loan Document (including for purposes of determining any baskets or other ratios or calculations, pricing, mandatory prepayments and the availability or amount permitted pursuant to any covenant under Article VII).

(b) If, after the exercise of the Cure Right and the recalculations pursuant to clause (a) above, the Borrower shall then be in compliance with the requirements of the Recurring Revenue Financial Covenant during such Test Period (including for purposes of Section 4.02), the Borrower shall be deemed to have satisfied the requirements of the Recurring Revenue Financial Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable Default or Event of Default under Section 8.01 that had occurred shall be deemed cured and for all purposes under this Agreement and the other Loan Documents shall be treated as not having occurred; provided, that, (i) the Cure Right may be exercised on no more than five (5) occasions during the term of this Agreement, (ii) in each four consecutive fiscal quarter period, there shall be at least two fiscal quarters in respect of which no Cure Right is exercised, (iii) with respect to any exercise of the Cure Right, the Cure Amount shall not be given effect in an amount greater than the amount required to cause the Borrower to be in compliance with the Recurring Revenue Financial Covenant (such amount, the "Necessary Cure Amount") and (iv) the proceeds from the Cure Right may not reduce the amount of Consolidated Total Debt for purposes of calculating compliance with the Recurring Revenue Financial Covenant for the fiscal quarter with respect to such Cure Right was made.

(c) Notwithstanding anything herein to the contrary, prior to the expiration of the Cure Period (x) the Lenders shall not be permitted to exercise any rights then available as a result of an Event of Default under Section 8.01(b) on the basis of a breach of the Recurring Revenue Financial Covenant so as to enable the Borrower to consummate their Cure Rights as permitted under this Section 8.05 unless the Borrower notifies the Administrative Agent that no Cure Amount will be made with respect to the Specified Fiscal Quarter; provided that, until the Cure Right is exercised pursuant to this Section 8.05, such Event of Default shall be deemed to be continuing for purposes of testing whether the conditions to using any basket that is subject to the absence of Defaults or Events of Default are satisfied and (y) the Revolving Credit Lenders shall not be required to make any Credit Extension unless and until the Borrower has received the Cure Amount required to cause the Borrower to be in compliance with the Recurring Revenue Financial Covenant.

ARTICLE IX

Administrative Agent and Other Agents

Section 9.01 Appointment and Authorization of Agents.

(a) Each Lender hereby irrevocably appoints, designates and authorizes the Administrative Agent to take such action on its behalf under the provisions of this Agreement and each other Loan Document and to exercise such powers and perform such duties as are expressly delegated to it by the terms of this Agreement or any other Loan Document, together with such powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary contained elsewhere herein or in any other Loan Document, the Administrative Agent shall have no duties or responsibilities, except those expressly set forth herein, nor shall the Administrative Agent have or be deemed to have any fiduciary relationship with any Lender or participant, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Loan Document or otherwise exist against the Administrative Agent. Without limiting the generality of the foregoing sentence, the use of the term "agent" herein and in the other Loan Documents with reference to any Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable Law. Instead, such term is used merely as a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(b) Each L/C Issuer shall act on behalf of the Lenders with respect to any Letters of Credit issued by it and the documents associated therewith, and each such L/C Issuer shall have all of the benefits and immunities (i) provided to the Agents in this Article IX with respect to any acts taken or omissions suffered by such L/C Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and the applications and agreements for letters of credit pertaining to such Letters of Credit as fully as if the term "Agent" as used in this Article IX and in the definition of "Agent-Related Person" included such L/C Issuer with respect to such acts or omissions, and (ii) as additionally provided herein with respect to such L/C Issuer.

(c) The Administrative Agent shall also act as the "collateral agent" under the Loan Documents, and each of the Lenders (in its capacities as a Lender, Swing Line Lender (if applicable), L/C Issuer (if applicable) and a potential Hedge Bank or Cash Management Bank) hereby irrevocably appoints and authorizes the Administrative Agent to act as the agent of (and to hold any security interest, charge or other Lien created by the Collateral Documents for and on behalf of or on trust for) such Lender for purposes of acquiring, holding and enforcing any and all Liens on Collateral granted by any of the Loan Parties to secure any of the Obligations, together with such powers and discretion as are reasonably incidental thereto. In this connection, the Administrative Agent, as "collateral agent" (and any co-agents, sub-agents and attorneys-in-fact appointed by the Administrative Agent pursuant to Section 9.02 for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents, or for exercising any rights and remedies thereunder at the direction of the Administrative Agent), shall be entitled to the benefits of all provisions of this Article IX (including Section 9.07, as though such co-agents, sub-agents and attorneys-in-fact were the "collateral agent" under the Loan Documents) as if set forth in full herein with respect thereto. Without limiting the generality of the foregoing, the Lenders hereby expressly authorize the Administrative Agent to execute any and all documents (including releases) with respect to the Collateral and the rights of the Secured Parties with respect thereto, as contemplated by and in accordance with the provisions of the Loan Documents and the Collateral Documents and acknowledge and agree that any such action by any Agent shall bind the Lenders.

Section 9.02 Delegation of Duties. The Administrative Agent may execute any of its duties under this Agreement or any other Loan Document (including for purposes of holding or enforcing any Lien on the Collateral (or any portion thereof) granted under the Collateral Documents or of exercising any rights and remedies thereunder) by or through Affiliates, agents, employees or attorneys-in-fact, such sub-agents as shall be deemed necessary by the Administrative Agent, and shall be entitled to advice of counsel, both internal and external, and other consultants or experts concerning all matters pertaining to such duties. The Administrative Agent shall not be responsible for the negligence or misconduct of any agent or sub-agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct.

Section 9.03 Liability of Agents. No Agent-Related Person shall (a) be liable to any Lender for any action taken or omitted to be taken by any of them under or in connection with this Agreement or any other Loan Document or the transactions contemplated hereby, including their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent (except for its own gross negligence or willful misconduct, as determined by the final and non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein), (b) be responsible in any manner to any Lender or participant for any recital, statement, representation or warranty made by any Loan Party or any officer thereof, contained herein or in any other Loan Document, or in any certificate, report, statement or other document referred to or provided for in, or received by the Administrative Agent under or in connection with, this Agreement or any other Loan Document, or the validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Loan Document, or the validity, perfection or priority of any Lien or security

interest created or purported to be created under the Collateral Documents, the value or sufficiency of any Collateral or the satisfaction of any condition set forth in Article IV or elsewhere herein, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent, or for any failure of any Loan Party or any other party to any Loan Document to perform its obligations hereunder or thereunder or (c) be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Lenders; provided, further, that, without limiting the generality of the foregoing clause (c), no Agent-Related Person shall (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender. No Agent-Related Person shall be under any obligation to any Lender or participant to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Loan Document, or to inspect the properties, books or records of any Loan Party or any Affiliate thereof. No Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Loan Documents that such Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents); provided, that, such Agent shall not be required to take any action that, in its judgment or the judgment of its counsel, may expose such Agent to liability or that is contrary to any Loan Document or applicable Law. No Agent shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Loan Documents), or in the absence of its own gross negligence or willful misconduct, as determined by the final and non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein.

The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender.

Section 9.04 Reliance by Agents.

(a) Each Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, communication, signature, resolution, representation, notice, request, consent, certificate, instrument, affidavit, letter, telegram, facsimile, telex or telephone message, electronic mail message, statement or other document or conversation believed by it to be genuine and correct and to have been signed, sent or made by the proper Person or Persons, and upon advice and statements of legal counsel (including counsel to any Loan Party), independent accountants and other experts selected by such Agent and shall not incur any liability for relying thereon. Each Agent shall be fully justified in failing or refusing to take any action under any Loan Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate and, if it so requests, it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense which may be incurred by it by reason of taking or continuing to take any such action. Each Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement or any other Loan Document in accordance with a request or consent of the Required Lenders (or such greater number of Lenders as may be expressly required hereby in any instance) and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders.

(b) For purposes of determining compliance with the conditions specified in Section 4.01, each Lender that has signed this Agreement shall be deemed to have consented to, approved or accepted or to be satisfied with, each document or other matter required thereunder to be consented to or approved by or acceptable or satisfactory to a Lender unless the Administrative Agent shall have received notice from such Lender prior to the proposed Closing Date specifying its objection thereto.

Section 9.05 Notice of Default. The Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of any Default, except with respect to defaults in the payment of principal, interest and fees required to be paid to the Administrative Agent for the account of the Lenders, unless the Administrative Agent shall have received written notice from a Lender or the Borrower referring to this Agreement, describing such Default and stating that such notice is a "notice of default." The Administrative Agent will notify the Lenders of its receipt of any such notice. Subject to the other provisions of this Article IX, the Administrative Agent shall take such action with respect to any Event of Default as may be directed by the Required Lenders in accordance with Article VIII; provided, that, unless and until the Administrative Agent has received any such direction, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Event of Default as it shall deem advisable or in the best interest of the Lenders.

Section 9.06 Credit Decision; Disclosure of Information by Agents. Each Lender acknowledges that no Agent-Related Person has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent-Related Person to any Lender as to any matter, including whether Agent-Related Persons have disclosed material information in their possession. Each Lender represents to each Agent that it has, independently and without reliance upon any Agent-Related Person and based on such documents and information as it has deemed appropriate, made its own appraisal of an investigation into the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their respective Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower and the other Loan Parties hereunder. Each Lender also represents that it will, independently and without reliance upon any Agent-Related Person and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Loan Documents, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Borrower and the other Loan Parties. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into the possession of any Agent-Related Person.

Section 9.07 Indemnification of Agents. Whether or not the transactions contemplated hereby are consummated, the Lenders shall indemnify upon demand each Agent-Related Person (to the extent not reimbursed by or on behalf of any Loan Party and without limiting the obligation of any Loan Party to do so), pro rata, and hold harmless each Agent-Related Person from and against any and all Indemnified Liabilities incurred by it in its capacity as an Agent-Related Person; provided, that, no Lender shall be liable for the payment to any Agent-Related Person of any portion of such Indemnified Liabilities resulting from such Agent-Related Person's own gross negligence or willful misconduct, as determined by the final and non-appealable judgment of a court of competent jurisdiction; provided, that, no action taken in accordance with the directions of the Required Lenders (or such other number or percentage of the

Lenders as shall be required by the Loan Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 9.07. In the case of any investigation, litigation or proceeding giving rise to any Indemnified Liabilities, this Section 9.07 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse the Administrative Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including Attorney Costs) incurred by the Administrative Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice in respect of rights or responsibilities under, this Agreement, any other Loan Document, or any document contemplated by or referred to herein, to the extent that the Administrative Agent is not reimbursed for such expenses by or on behalf of the Borrower, provided, that, such reimbursement by the Lenders shall not affect the Borrower's continuing reimbursement obligations with respect thereto, if any. The undertaking in this Section 9.07 shall survive termination of the Aggregate Commitments, the payment of all other Obligations and the resignation of the Administrative Agent.

Section 9.08 Agents in their Individual Capacities. Wells Fargo and its Affiliates may make loans to, issue letters of credit for the account of, accept deposits from, acquire Equity Interests in and generally engage in any kind of banking, trust, financial advisory, underwriting or other business with each of the Loan Parties and their respective Affiliates as though Wells Fargo were not the Administrative Agent hereunder and without notice to or consent of the Lenders. The Lenders acknowledge that, pursuant to such activities, Wells Fargo or its Affiliates may receive information regarding any Loan Party or any Affiliate of a Loan Party (including information that may be subject to confidentiality obligations in favor of such Loan Party or such Affiliate) and acknowledge that the Administrative Agent shall be under no obligation to provide such information to them. With respect to its Loans, Wells Fargo shall have the same rights and powers under this Agreement as any other Lender and may exercise such rights and powers as though it were not the Administrative Agent, and the terms "Lender" and "Lenders" include Wells Fargo in its individual capacity.

Section 9.09 Successor Agents. The Administrative Agent may resign as the Administrative Agent and Collateral Agent upon thirty (30) days' notice to the Lenders and the Borrower. If the Administrative Agent resigns under this Agreement, the Required Lenders shall appoint from among the Lenders a successor agent for the Lenders, which appointment of a successor agent shall require the consent of the Borrower at all times other than during the existence of an Event of Default under Section 8.01(a), (f) or (g) (which consent of the Borrower shall not be unreasonably withheld or delayed). If no successor agent is appointed prior to the effective date of the resignation of the Administrative Agent, the Administrative Agent may appoint, after consulting with the Lenders and the Borrower, a successor agent from among the Lenders. Upon the acceptance of its appointment as successor agent hereunder, the Person acting as such successor agent shall succeed to all the rights, powers and duties of the retiring Administrative Agent and Collateral Agent and the term "Administrative Agent" shall mean such successor administrative agent and/or supplemental administrative agent, as the case may be (and the term "Collateral Agent" shall mean such successor collateral agent, as described in this Section 9.09 and/or supplemental agent, as described in Section 9.02), and the retiring Administrative Agent's appointment, powers and duties as the Administrative Agent and Collateral Agent shall be terminated. After the retiring Administrative Agent's resignation hereunder as the Administrative Agent and Collateral Agent, the provisions of this Article IX and Section 10.04 and Section 10.05 shall inure to its benefit as to any actions taken or omitted to be taken by it while it was the Administrative Agent and Collateral Agent under this Agreement. If no successor agent has accepted appointment as the Administrative Agent and Collateral Agent by the date which is thirty (30) days following the retiring Administrative Agent's notice of resignation, the retiring Administrative Agent's resignation shall nevertheless thereupon become effective and the Lenders shall perform all of the duties of the Administrative Agent and Collateral Agent hereunder until such time, if any, as the Required Lenders appoint a successor agent as provided for above (except

that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Loan Documents, the retiring Collateral Agent shall continue to hold such collateral security until such time as a successor Collateral Agent is appointed). Upon the acceptance of any appointment as the Administrative Agent and Collateral Agent hereunder by a successor and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may reasonably request, in order to (a) continue the perfection of the Liens granted or purported to be granted by the Collateral Documents or (b) otherwise ensure that the Collateral and Guarantee Requirement is satisfied, the Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, discretion, privileges, and duties of the retiring Administrative Agent and Collateral Agent, and the retiring Administrative Agent and Collateral Agent shall, to the extent not previously discharged, be discharged from its duties and obligations under the Loan Documents.

Section 9.10 Administrative Agent May File Proofs of Claim. In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to any Loan Party, the Administrative Agent (irrespective of whether the principal of any Loan or any L/C Obligation shall then be due and payable as herein expressed or by declaration or otherwise and irrespective of whether the Administrative Agent shall have made any demand on the Borrower) shall be entitled and empowered, by intervention in such proceeding or otherwise:

(a) to file and prove a claim for the whole amount of the principal and interest owing and unpaid in respect of the Loans, L/C Obligations and all other Obligations that are owing and unpaid and to file such other documents as may be necessary or advisable in order to have the claims of the Lenders and the Administrative Agent (including any claim for the reasonable compensation, expenses, disbursements and advances of the Lenders and the Administrative Agent and their respective agents and counsel and all other amounts due the Lenders and the Administrative Agent under Section 2.04(e), Section 2.09 and Section 10.04) allowed in such judicial proceeding; and

(b) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same; and

(c) any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Lender to make such payments to the Administrative Agent and, in the event that the Administrative Agent shall consent to the making of such payments directly to the Lenders, to pay to the Administrative Agent any amount due for the reasonable compensation, expenses, disbursements and advances of the Agents and their respective agents and counsel, and any other amounts due to the Administrative Agent under Section 2.09 and Section 10.04.

The Secured Parties hereby irrevocably authorize the Administrative Agent, at the direction of the Required Lenders, to credit bid all or any portion of the Obligations (including accepting some or all of the Collateral in satisfaction of some or all of the Obligations pursuant to a deed in lieu of foreclosure or otherwise) and in such manner purchase (either directly or through one or more acquisition vehicles) all or any portion of the Collateral (a) at any sale thereof conducted under the provisions of the Bankruptcy Code, including under Sections 363, 1123 or 1129 of the Bankruptcy Code, or any similar Laws in any other jurisdictions to which a Loan Party is subject, (b) at any other sale or foreclosure or acceptance of collateral in lieu of debt conducted by (or with the consent or at the direction of) the Administrative Agent (whether by judicial action or otherwise) in accordance with any applicable Law. In connection with any such credit bid and purchase, the Obligations owed to the Secured Parties shall be entitled to be, and shall be, credit

bid on a ratable basis (with Obligations with respect to contingent or unliquidated claims receiving contingent interests in the acquired assets on a ratable basis that would vest upon the liquidation of such claims in an amount proportional to the liquidated portion of the contingent claim amount used in allocating the contingent interests) in the asset or assets so purchased (or in the Equity Interests or debt instruments of the acquisition vehicle or vehicles that are used to consummate such purchase). In connection with any such bid (i) the Administrative Agent shall be authorized to form one or more acquisition vehicles to make a bid, (ii) to adopt documents providing for the governance of the acquisition vehicle or vehicles (provided that any actions by the Administrative Agent with respect to such acquisition vehicle or vehicles, including any disposition of the assets or Equity Interests thereof shall be governed, directly or indirectly, by the vote of the Required Lenders, irrespective of the termination of this Agreement and without giving effect to the limitations on actions by the Required Lenders contained in clauses (a) through (g) of Section 10.01), (iii) the Administrative Agent shall be authorized to assign the relevant Obligations to any such acquisition vehicle pro rata by the Lenders, as a result of which each of the Lenders shall be deemed to have received a pro rata portion of any Equity Interests and/or debt instruments issued by such an acquisition vehicle on account of the assignment of the Obligations to be credit bid, all without the need for any Secured Party or acquisition vehicle to take any further action, and (iv) to the extent that Obligations that are assigned to an acquisition vehicle are not used to acquire Collateral for any reason (as a result of another bid being higher or better, because the amount of Obligations assigned to the acquisition vehicle exceeds the amount of debt credit bid by the acquisition vehicle or otherwise), such Obligations shall automatically be reassigned to the Lenders *pro rata* and the Equity Interests and/or debt instruments issued by any acquisition vehicle on account of the Obligations that had been assigned to the acquisition vehicle shall automatically be cancelled, without the need for any Secured Party or any acquisition vehicle to take any further action.

Nothing contained herein shall be deemed to authorize the Administrative Agent to authorize or consent to or accept or adopt on behalf of any Lender any plan of reorganization, arrangement, adjustment or composition affecting the Obligations or the rights of any Lender or to authorize the Administrative Agent to vote in respect of the claim of any Lender in any such proceeding.

Section 9.11 Collateral and Guaranty Matters. The Lenders irrevocably agree:

(a) that any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document shall be automatically released (i) upon termination of the Aggregate Commitments and payment in full of all Obligations (other than (x) Obligations in respect of any Secured Hedge Agreements not yet due and payable, (y) Cash Management Obligations not yet due and payable and (z) contingent indemnification obligations and other contingent obligations not yet accrued and payable) and the expiration or termination of all Letters of Credit (other than Letters of Credit that have been Cash Collateralized or back-stopped to the reasonable satisfaction of the applicable L/C Issuer), (ii) at the time the property subject to such Lien is transferred as part of or in connection with any transfer permitted hereunder or under any other Loan Document to any Person other than any other Loan Party, (iii) subject to Section 10.01, if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders, (iv) if the property subject to such Lien is owned by a Guarantor, upon release of such Guarantor from its obligations under its Guaranty pursuant to clause (c) or (d) below or (v) if the property subject to such Lien becomes Excluded Property;

(b) the Administrative Agent is authorized to release (other than in the case of property subject to a Lien that is permitted by Section 7.01(o)) or subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Sections 7.01(i) and (o); and

(c) if any Guarantor ceases to be a Restricted Subsidiary, or becomes an Excluded Subsidiary, in each case as a result of a transaction or designation permitted hereunder (as certified in writing delivered to the Administrative Agent by a Responsible Officer of the Borrower), (x) such Subsidiary shall be automatically released from its obligations under the Guaranty and (y) any Liens granted by such Subsidiary or Liens on the Equity Interests of such Subsidiary (to the extent such Equity Interests have become Excluded Property or are being transferred to a Person that is not a Loan Party) shall be automatically released;

Upon request by the Administrative Agent at any time, the Required Lenders will confirm in writing the Administrative Agent's authority to release or subordinate its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11. In each case as specified in this Section 9.11, the Administrative Agent will promptly (and each Lender irrevocably authorizes the Administrative Agent to), at the Borrower's expense, execute and deliver to the applicable Loan Party such documents as such Loan Party may reasonably request to evidence the release or subordination of such item of Collateral from the assignment and security interest granted under the Collateral Documents, or to evidence the release of such Guarantor from its obligations under the Guaranty, in each case in accordance with the terms of the Loan Documents and this Section 9.11. Prior to releasing or subordinating its interest in particular types or items of property, or to release any Guarantor from its obligations under the Guaranty pursuant to this Section 9.11, the Administrative Agent and/or the Collateral Agent shall be entitled to receive a certificate of a Responsible Officer of the Borrower stating that such actions are permitted under this Agreement. Neither the Administrative Agent nor the Collateral Agent shall be liable for any such release undertaken in reliance upon any such certificate of a Responsible Officer of the Borrower.

The Collateral Agent shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by any Loan Party or is cared for, protected or insured or that the Liens granted to the Collateral Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Collateral Agent in this Section 9.11 or in any of the Collateral Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, the Collateral Agent may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Agent's own interest in the Collateral as one of the Lenders and that the Collateral Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

Section 9.12 Other Agents; Arrangers and Managers. None of the Lenders, the Agents, the Lead Arranger or other Persons identified on the facing page or signature pages of this Agreement as a "lead arranger and bookrunner" or "co-arranger" shall have any right, power, obligation, liability, responsibility or duty under this Agreement other than those applicable to all Lenders as such. Without limiting the foregoing, none of the Lenders or other Persons so identified shall have or be deemed to have any fiduciary relationship with any Lender. Each Lender acknowledges that it has not relied, and will not rely, on any of the Lenders or other Persons so identified in deciding to enter into this Agreement or in taking or not taking action hereunder.

Section 9.13 Appointment of Supplemental Administrative Agents.

(a) It is the purpose of this Agreement and the other Loan Documents that there shall be no violation of any Law of any jurisdiction denying or restricting the right of banking corporations or associations to transact business as agent or trustee in such jurisdiction. It is

recognized that in case of litigation under this Agreement or any of the other Loan Documents, and in particular in case of the enforcement of any of the Loan Documents, or in case the Administrative Agent deems that by reason of any present or future Law of any jurisdiction it may not exercise any of the rights, powers or remedies granted herein or in any of the other Loan Documents or take any other action which may be desirable or necessary in connection therewith, the Administrative Agent is hereby authorized to appoint an additional individual or institution selected by the Administrative Agent in its sole discretion as a separate trustee, co-trustee, administrative agent, collateral agent, administrativesub-agent or administrative co-agent (any such additional individual or institution being referred to herein individually as a "Supplemental Administrative Agent" and, collectively, as "Supplemental Administrative Agents").

(b) In the event that the Administrative Agent appoints a Supplemental Administrative Agent with respect to any Collateral, (i) each and every right, power, privilege or duty expressed or intended by this Agreement or any of the other Loan Documents to be exercised by or vested in or conveyed to the Administrative Agent with respect to such Collateral shall be exercisable by and vest in such Supplemental Administrative Agent to the extent, and only to the extent, necessary to enable such Supplemental Administrative Agent to exercise such rights, powers and privileges with respect to such Collateral and to perform such duties with respect to such Collateral, and every covenant and obligation contained in the Loan Documents and necessary to the exercise or performance thereof by such Supplemental Administrative Agent shall run to and be enforceable by either the Administrative Agent or such Supplemental Administrative Agent, and (ii) the provisions of this Article IX and of Section 10.04 and Section 10.05 that refer to the Administrative Agent shall inure to the benefit of such Supplemental Administrative Agent and all references therein to the Administrative Agent shall be deemed to be references to the Administrative Agent and/or such Supplemental Administrative Agent, as the context may require.

(c) Should any instrument in writing from any Loan Party be required by any Supplemental Administrative Agent so appointed by the Administrative Agent for more fully and certainly vesting in and confirming to him or it such rights, powers, privileges and duties, the Borrower shall, or shall cause such Loan Party to, execute, acknowledge and deliver any and all such instruments promptly upon request by the Administrative Agent. In case any Supplemental Administrative Agent, or a successor thereto, shall die, become incapable of acting, resign or be removed, all the rights, powers, privileges and duties of such Supplemental Administrative Agent, to the extent permitted by Law, shall vest in and be exercised by the Administrative Agent until the appointment of a new Supplemental Administrative Agent.

Section 9.14 Withholding Tax. To the extent required by any applicable Law, the Administrative Agent shall deduct or withhold from any payment to any Lender under any Loan Document an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any other Governmental Authority asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered or was not properly executed or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of, withholding Tax ineffective), such Lender shall indemnify and hold harmless the Administrative Agent fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, and shall make payable in respect thereof within ten (10) days after demand therefore including any penalties, additions to Tax or interest and together with all expenses (including legal expenses, allocated internal costs and out-of-pocket expenses) incurred, whether or not such Tax was correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this

Agreement or any other Loan Document against any amount due the Administrative Agent under this Section 9.14. The agreements in this Section 9.14 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of this Agreement and the repayment, satisfaction or discharge of all other obligations. For the avoidance of doubt, (1) the term "Lender" shall, for purposes of this Section 9.14, include any L/C Issuer and any Swing Line Lender and "applicable Law" includes FATCA and (2) this Section 9.14 shall not limit or expand the obligations of the Borrower or any Guarantor under Section 3.01 or any other provision of this Agreement.

Section 9.15 Cash Management Obligations; Secured Hedge Agreements. Except as otherwise expressly set forth herein or in any Guarantee or other Collateral Document, no Cash Management Bank or Hedge Bank that obtains the benefits of Section 8.04, any Guarantee or any Collateral by virtue of the provisions hereof or of any Guarantee or other Collateral Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender or an Agent and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article IX to the contrary, the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Cash Management Obligations or Obligations arising under Secured Hedge Agreements unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may reasonably request, from the applicable Cash Management Bank or Hedge Bank.

Section 9.16 Erroneous Payments.

(a) If the Administrative Agent notifies a Lender, L/C Issuer or Secured Party, or any Person who has received funds on behalf of a Lender, L/C Issuer or Secured Party such Lender or L/C Issuer (any such Lender, L/C Issuer, Secured Party or other recipient, a "Payment Recipient") that the Administrative Agent has determined in its sole discretion (whether or not after receipt of any notice under immediately succeeding clause (b)) that any funds received by such Payment Recipient from the Administrative Agent or any of its Affiliates were erroneously transmitted to, or otherwise erroneously or mistakenly received by, such Payment Recipient (whether or not known to such Lender, L/C Issuer, Secured Party or other Payment Recipient on its behalf) (any such funds, whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise, individually and collectively, an "Erroneous Payment") and demands the return of such Erroneous Payment (or a portion thereof), such Erroneous Payment shall at all times remain the property of the Administrative Agent and shall be segregated by the Payment Recipient and held in trust for the benefit of the Administrative Agent, and such Lender, L/C Issuer or Secured Party shall (or, with respect to any Payment Recipient who received such funds on its behalf, shall cause such Payment Recipient to) promptly, but in no event later than two Business Days thereafter, return to the Administrative Agent the amount of any such Erroneous Payment (or portion thereof) as to which such a demand was made, in same day funds (in the currency so received), together with interest thereon in respect of each day from and including the date such Erroneous Payment (or portion thereof) was received by such Payment Recipient to the date such amount is repaid to the Administrative Agent in same day funds at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation from time to time in effect. A notice of the Administrative Agent to any Payment Recipient under this clause (a) shall be conclusive, absent manifest error.

(b) Without limiting immediately preceding clause (a), each Lender, L/C Issuer or Secured Party, or any Person who has received funds on behalf of a Lender, L/C Issuer or Secured Party such Lender or L/C Issuer, hereby further agrees that if it receives a payment, prepayment or

repayment (whether received as a payment, prepayment or repayment of principal, interest, fees, distribution or otherwise) from the Administrative Agent (or any of its Affiliates) (x) that is in a different amount than, or on a different date from, that specified in a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates) with respect to such payment, prepayment or repayment, (y) that was not preceded or accompanied by a notice of payment, prepayment or repayment sent by the Administrative Agent (or any of its Affiliates), or (z) that such Lender, L/C Issuer or Secured Party, or other such recipient, otherwise becomes aware was transmitted, or received, in error or by mistake (in whole or in part) in each case:

(i) (A) in the case of immediately preceding clauses (x) or (y), an error shall be presumed to have been made (absent written confirmation from the Administrative Agent to the contrary), or (B) an error has been made (in the case of immediately preceding clause (z)), in each case, with respect to such payment, prepayment or repayment; and

(ii) such Lender, L/C Issuer or Secured Party shall (and shall cause any other recipient that receives funds on its respective behalf to) promptly (and, in all events, within one Business Day of its knowledge of such error) notify the Administrative Agent of its receipt of such payment, prepayment or repayment, the details thereof (in reasonable detail) and that it is so notifying the Administrative Agent pursuant to this Section 9.16(b).

(c) Each Lender, L/C Issuer or Secured Party hereby authorizes the Administrative Agent to set off, net and apply any and all amounts at any time owing to such Lender, L/C Issuer or Secured Party under any Loan Document, or otherwise payable or distributable by the Administrative Agent to such Lender, L/C Issuer or Secured Party from any source, against any amount due to the Administrative Agent under preceding clause (a) or under the indemnification provisions of this Agreement.

(d) In the event that an Erroneous Payment (or portion thereof) is not recovered by the Administrative Agent for any reason, after demand therefor by the Administrative Agent in accordance with preceding clause (a), from any Lender or L/C Issuer that has received such Erroneous Payment (or portion thereof) (and/or from any Payment Recipient who received such Erroneous Payment (or portion thereof) on its respective behalf) (such unrecovered amount, an "Erroneous Payment Return Deficiency"), upon the Administrative Agent's notice to such Lender or L/C Issuer at any time, (i) such Lender or L/C Issuer shall be deemed to have assigned its Loans (but not its Commitments) of the relevant Class with respect to which such Erroneous Payment was made (the "Erroneous Payment Impacted Class") in an amount equal to the Erroneous Payment Return Deficiency (or such lesser amount as the Administrative Agent may specify) (such assignment of the Loans (but not Commitments) of the Erroneous Payment Impacted Class, the "Erroneous Payment Deficiency Assignment") at par plus any accrued and unpaid interest (with the assignment fee to be waived by the Administrative Agent in such instance), and is hereby (together with the Borrower) deemed to execute and deliver an Assignment and Assumption (or, to the extent applicable, an agreement incorporating an Assignment and Assumption by reference pursuant to an Platform as to which the Administrative Agent and such parties are participants) with respect to such Erroneous Payment Deficiency Assignment, and such Lender or L/C Issuer shall deliver any Notes evidencing such Loans to the Borrower or the Administrative Agent, (ii) the Administrative Agent as the assignee Lender shall be deemed to acquire the Erroneous Payment Deficiency Assignment, (iii) upon such deemed acquisition, the Administrative Agent as the assignee Lender shall become a Lender or L/C Issuer, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment and the assigning Lender or assigning L/C Issuer shall cease to be a Lender or L/C Issuer, as applicable, hereunder with respect to such Erroneous Payment Deficiency Assignment, excluding, for the avoidance of doubt, its obligations under the

indemnification provisions of this Agreement and its applicable Commitments which shall survive as to such assigning Lender or assigning L/C Issuer, and (iv) the Administrative Agent may reflect in the Register its ownership interest in the Loans subject to the Erroneous Payment Deficiency Assignment. The Administrative Agent may, in its discretion, sell any Loans acquired pursuant to an Erroneous Payment Deficiency Assignment and upon receipt of the proceeds of such sale, the Erroneous Payment Return Deficiency owing by the applicable Lender or L/C Issuer shall be reduced by the net proceeds of the sale of such Loan (or portion thereof), and the Administrative Agent shall retain all other rights, remedies and claims against such Lender or L/C Issuer (and/or against any recipient that receives funds on its respective behalf). For the avoidance of doubt, no Erroneous Payment Deficiency Assignment will reduce the Commitments of any Lender or L/C Issuer and such Commitments shall remain available in accordance with the terms of this Agreement. In addition, each party hereto agrees that, except to the extent that the Administrative Agent has sold a Loan (or portion thereof) acquired pursuant to an Erroneous Payment Deficiency Assignment, and irrespective of whether the Administrative Agent may be equitably subrogated, the Administrative Agent shall be contractually subrogated to all the rights and interests of the applicable Lender, L/C Issuer or Secured Party under the Loan Documents with respect to each Erroneous Payment Return Deficiency (the "Erroneous Payment Subrogation Rights").

(e) The parties hereto agree that an Erroneous Payment shall not pay, prepay, repay, discharge or otherwise satisfy any Obligations owed by the Borrower or any other Loan Party; provided that this Section 9.16(e) shall not be interpreted to increase (or accelerate the due date for), or have the effect of increasing (or accelerating the due date for), the Obligations of the Borrower relative to the amount (and/or timing for payment) of the Obligations that would have been payable had such Erroneous Payment not been made by the Administrative Agent; provided, further, that for the avoidance of doubt, that the foregoing shall not apply to the extent any such Erroneous Payment is, and solely with respect to the amount of such Erroneous Payment that is, comprised of funds received by the Administrative Agent from the Borrower or any other Loan Party for the purpose of making such Erroneous Payment.

(f) To the extent permitted by applicable law, no Payment Recipient shall assert any right or claim to an Erroneous Payment, and hereby waives, and is deemed to waive, any claim, counterclaim, defense or right of set-off or recoupment with respect to any demand, claim or counterclaim by the Administrative Agent for the return of any Erroneous Payment received, including without limitation waiver of any defense based on "discharge for value" or any similar doctrine.

(g) Each party's obligations, agreements and waivers under this Section 9.16 shall survive the resignation or replacement of the Administrative Agent, any transfer of rights or obligations by, or the replacement of, a Lender or L/C Issuer, the termination of the Commitments and/or the repayment, satisfaction or discharge of all Obligations (or any portion thereof) under any Loan Document.

ARTICLE X

Miscellaneous

Section 10.01 Amendments, Etc. Except as otherwise set forth in this Agreement, no amendment or waiver of any provision of this Agreement or any other Loan Document, and no consent to any departure by the Borrower or any other Loan Party therefrom, shall be effective unless in writing signed by the Required Lenders and the Borrower or the applicable Loan Party (with a copy to the Administrative Agent), as the case may be, and each such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given; provided, that, no such amendment, waiver or consent shall:

(a) extend or increase the Commitment of any Lender without the written consent of each Lender directly and adversely affected thereby (it being understood that a waiver of any condition precedent set forth in Section 4.02 or the waiver of any Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender);

(b) postpone any date scheduled for, or reduce the amount of, any payment of principal or interest under Section 2.07 or Section 2.08, fees or other amounts without the written consent of each Lender directly and adversely affected thereby, it being understood that the waiver of (or amendment to the terms of) any mandatory prepayment of the Term Loans shall not constitute a postponement of any date scheduled for the payment of principal or interest;

(c) reduce the principal of, or the rate of interest specified herein on, any Loan or L/C Borrowing, or (subject to clause (iii) of the second proviso to this Section 10.01) any fees or other amounts payable hereunder or under any other Loan Document without the written consent of each Lender directly and adversely affected thereby; provided, that, only the consent of the Required Lenders shall be necessary to amend the definition of "Default Rate" or to waive any obligation of the Borrower to pay interest at the Default Rate;

(d) change any provision of this Section 10.01, Section 2.05(b)(v), Section 8.04 or any other provisions in this Agreement or any other Loan Document in a manner that would alter the application of payments set forth in Sections 2.05(b)(v), Section 8.04 or the *pro rata* sharing of payments without the written consent of each Lender directly and adversely affected thereby;

(e) release all or substantially all of the Collateral in any transaction or series of related transactions, without the written consent of each Lender; provided, that, any transaction permitted under Section 7.04 or Section 7.05 shall not be subject to this clause (e) to the extent such transaction does not result in the release of all or substantially all of the Collateral; or

(f) release all or substantially all of the value of the Guarantees in any transaction or series of related transactions, without the written consent of each Lender; provided, that, any transaction permitted under Section 7.04 or Section 7.05 shall not be subject to this clause (f) to the extent such transaction does not result in the release of all or substantially all of the Guarantees;

(g) change the definition of "Required Lenders" or "Required Revolving Credit Lenders" without the written consent of each applicable Lender;

(h) subordinate (x) the Liens securing any of the Obligations on all or substantially all of the Collateral to the Liens securing any other Indebtedness or other obligations or (y) any Obligations in contractual right of payment to any other Indebtedness or other obligations, in each case, without the written consent of each applicable Lender; provided that any subordination expressly permitted by Section 9.11 (as in effect on the Closing Date or as otherwise amended with the consent of each Lender adversely affected thereby) shall not be restricted by subclauses (x) and (y) above;

and provided, further, that, (i) no amendment, waiver or consent shall, unless in writing and signed by each L/C Issuer in addition to the Lenders required above, change any provision of Section 1.10 or affect the rights or duties of an L/C Issuer under this Agreement or any Letter of Credit Application relating to any Letter of Credit issued or to be issued by it; (ii) no amendment, waiver or consent shall, unless in writing and signed by the Swing Line Lender in addition to the Lenders required above, affect the rights or duties of the Swing Line Lender under this Agreement; (iii) no amendment, waiver or consent shall, unless in

writing and signed by the Administrative Agent in addition to the Lenders required above, affect the rights or duties of, or any fees or other amounts payable to, the Administrative Agent under this Agreement or any other Loan Document; (iv) Section 10.07(h) may not be amended, waived or otherwise modified without the consent of each Granting Lender all or any part of whose Loans are being funded by an SPC at the time of such amendment, waiver or other modification; and (v) (A) any amendment or waiver that by its terms affects the rights or duties of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) will require only the requisite percentage in interest of the affected Class of Lenders that would be required to consent thereto if such Class of Lenders were the only Class of Lenders and (B) in determining whether the requisite percentage of Lenders have consented to any amendment, modification, waiver or other action, any Defaulting Lenders shall be deemed to have voted in the same proportion as those Lenders who are not Defaulting Lenders, except with respect to (x) any amendment, waiver or other action which by its terms requires the consent of all Lenders or each affected Lender and (y) any amendment, waiver or other action that by its terms adversely affects any Defaulting Lender in its capacity as a Lender in a manner that differs in any material respect from other affected Lenders, in which case the consent of such Defaulting Lender shall be required and (vi) solely with the consent of the Required Revolving Credit Lenders (but without the consent of the Required Lenders or any other Lender), any such agreement may waive, amend or modify any condition precedent set forth in Section 4.02 hereof as it pertains to any Revolving Credit Loan (it being understood that this clause (vi) shall not require Required Revolving Credit Lender approval in connection with any amendment, consent or waiver of a Default or Event of Default hereunder, in which case, only the approval of the Required Lenders shall be required in respect of such consent, amendment or waiver). Notwithstanding the foregoing, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, and the Borrower and the Administrative Agent (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents with the Term Loans, the Revolving Credit Loans, the Incremental Term Loans, if any, and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and, if applicable, the Required Revolving Credit Lenders.

Notwithstanding anything to the contrary contained in this Section 10.01, any guarantees, collateral security documents and related documents executed by Subsidiaries in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with this Agreement, amended, supplemented and waived with the consent of the Administrative Agent at the request of the Borrower without the need to obtain the consent of any Lender if such amendment, supplement or waiver is delivered in order (i) to comply with local Law or advice of local counsel, (ii) to cure ambiguities, omissions, mistakes or defects or (iii) to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Loan Documents. Furthermore, with the consent of the Administrative Agent at the request of the Borrower (without the need to obtain any consent of any Lender), any Loan Document may be amended to cure ambiguities, inconsistencies, omissions, mistakes or defects.

Notwithstanding anything in this Section 10.01 to the contrary, (a) technical and conforming modifications to the Loan Documents may be made with the consent of the Borrower and the Administrative Agent to the extent necessary (i) to integrate any Incremental Facilities, Refinancing Term Loans, Refinancing Revolving Commitments, Extended Term Loans or Extended Revolving Credit Commitments, (ii) to integrate or make administrative modifications with respect to borrowings and issuances of Letters of Credit, (iii) to integrate and terms or conditions from any Incremental Facility Amendment that are more restrictive than this Agreement in accordance with Section 2.14(d) and (iv) to make any amendments permitted by Section 1.03 and to give effect to any election to adopt IFRS and (b) without the consent of any Lender or L/C Issuer, the Loan Parties and the Administrative Agent or any collateral agent may (in

their respective sole discretion, or shall, to the extent required by any Loan Document) enter into (x) any amendment, modification or waiver of any Loan Document, or enter into any new agreement or instrument, to effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties or as required by local law to give effect to, or protect any security interest for benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable law or this Agreement or in each case to otherwise enhance the rights or benefits of any Lender under any Loan Document or (y) any Acceptable Intercreditor Agreement pursuant to the terms thereof, in each case with the holders of Indebtedness permitted by this Agreement to be secured by the Collateral. Without limitation of the foregoing, the Borrower may, without the consent of any Lenders, upon delivery to the Administrative Agent (i) increase the interest rates (including any interest rate margins or interest rate floors), fees and other amounts payable to any Class or Classes of Lenders hereunder, (ii) increase, expand and/or extend the call protection provisions and any "most favored nation" provisions benefiting any Class or Classes of Lenders hereunder (including, for the avoidance of doubt, the provisions of Sections 2.05(a)(iv) and 2.14(b)(ii) hereof) and/or (iii) with the consent of the Administrative Agent, modify any other provision hereunder or under any other Loan Document in a manner, as determined by the Administrative Agent in its sole discretion, more favorable to the then-existing Lenders or Class or Classes of Lenders, in each case in connection with the issuance or incurrence of any Incremental Facilities or other Indebtedness permitted hereunder, where the terms of any such Incremental Facilities or other Indebtedness are more favorable to the lenders thereof than the corresponding terms applicable to other Loans or Commitments then existing hereunder, and it is intended that one or more then-existing Classes of Loans or Commitments under this Agreement share in the benefit of such more favorable terms in order to comply with the provisions hereof relating to the incurrence of such Incremental Facilities or other Indebtedness; provided, that, the Administrative Agent will have at least five Business Days (or such shorter period to which the Administrative Agent may consent in its reasonable discretion) after written notice from the Borrower to provide such consent and may, in its sole discretion, provide written notice to the Lenders regarding any such proposed amendment.

Section 10.02 Notices and Other Communications; Facsimile Copies.

(a) General. Unless otherwise expressly provided herein, all notices and other communications provided for hereunder or under any other Loan Document shall be in writing (including by facsimile transmission). All such written notices shall be mailed, faxed or delivered to the applicable address, facsimile number or electronic mail address, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(i) if to the Borrower, the Administrative Agent or an L/C Issuer or the Swing Line Lender, to the address, electronic mail address or telephone number specified for such Person on Schedule 10.02 or to such other address, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

(ii) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a written notice to the Borrower, the Administrative Agent, any L/C Issuer and any Swing Line Lender.

All such notices and other communications shall be deemed to be given or made upon the earlier to occur of (i) actual receipt by the relevant party hereto and (ii) (A) if delivered by hand or by courier, when signed for by or on behalf of the relevant party hereto; (B) if delivered by mail, four (4) Business Days after deposit

in the mails, postage prepaid; (C) if delivered by facsimile, when sent and receipt has been confirmed by telephone; and (D) if delivered by electronic mail (which form of delivery is subject to the provisions of Section 10.02(b)), when delivered; provided, that, notices and other communications to the Administrative Agent, any L/C Issuer and any Swing Line Lender pursuant to Article II shall not be effective until actually received by such Person during the person's normal business hours. In no event shall a voice mail message be effective as a notice, communication or confirmation hereunder.

(b) Electronic Communications. Notices and other communications to the Lenders and the L/C Issuers hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided, that, the foregoing shall not apply to notices to any Lender or any L/C Issuer pursuant to Article II if such Lender or such L/C Issuer, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in their discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided, that, approval of such procedures may be limited to particular notices or communications.

Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided, that, if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(c) The Platform. THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DEFINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE BORROWER MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent, Lead Arranger or any of their respective Agent-Related Persons (collectively, the " Agent Parties") have any liability to the Loan Parties, any Lender, any L/C Issuer or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of the Borrower Materials through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses are determined by a court of competent jurisdiction by a final and non-appealable judgment to have resulted from the gross negligence or willful misconduct of such Agent Party; provided, however, that, in no event shall any Agent Party have any liability to any Loan Party, any Lender, any L/C Issuer or any other Person for indirect, special, incidental, consequential or punitive damages (as opposed to direct or actual damages).

(d) Change of Address, Etc. Each of the Borrower, the Administrative Agent, any L/C Issuer and any Swing Line Lender may change its address, telecopier or telephone number for notices and other communications hereunder by notice to the other parties hereto. Each other Lender may change its address, facsimile or telephone number for notices and other communications hereunder by notice to the Borrower, the Administrative Agent, any L/C Issuer and any Swing Line Lender. In addition, each Lender agrees to notify the Administrative Agents from time to time to ensure that the Administrative Agent has on record (i) an effective address, contact name, telephone number, telecopier number and electronic mail address to which notices and other communications may be sent and (ii) accurate wire instructions for such Lender. Furthermore, each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the "Private Side Information" or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender's compliance procedures and applicable Law, including United States Federal and state securities Laws, to make reference to Borrower Materials that are not made available through the "Public Side Information" portion of the Platform and that may contain material non-public information with respect to the Borrower or its securities for purposes of United States Federal or state securities laws.

(e) Reliance by Agents and Lenders. The Administrative Agent, the L/C Issuer and the Lenders shall be entitled to rely and act upon any notices (including telephonic Committed Loan Notices and Swing Line Loan Notices) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. The Borrower shall indemnify each Agent-Related Person and each L/C Issuer and Lender from all losses, costs, expenses and liabilities resulting from the reliance by such Person on each notice purportedly given by or on behalf of the Borrower in the absence of gross negligence or willful misconduct. All telephonic notices to the Administrative Agent may be recorded by the Administrative Agent or the L/C Issuer, as applicable, and each of the parties hereto hereby consents to such recording.

(f) Notice to other Loan Parties. The Borrower agrees that notices to be given to any other Loan Party under this Agreement or any other Loan Document may be given to the Borrower in accordance with the provisions of this Section 10.02 with the same effect as if given to such other Loan Party in accordance with the terms hereunder or thereunder.

(g) Communications. Each Loan Party hereby agrees that it will provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to this Agreement and any other Loan Document, including all notices, requests, financial statements, financial and other reports, certificates and other information materials, but excluding any such communication (unless otherwise approved in writing by the Administrative Agent) that (i) relates to a request for a new, or a conversion of an existing, Borrowing or other extension of credit (including any election of an interest rate or interest period relating thereto), (ii) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) provides a notice of intent to exercise a Cure Right, (iv) provides notice of any Default under this Agreement or (v) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any borrowing or other extension of credit hereunder (all such non excluded communications, collectively, the "Specified Communications"; and all such excluded and non-excluded communications, the "Communications"), by transmitting the Specified Communications in an electronic/soft medium in a format reasonably acceptable to the Administrative Agent at such e-mail address(es) provided to the Borrower from time to time or in such other form, including hard copy delivery thereof, as the Administrative Agent shall require. In addition, each Loan Party agrees to continue to provide the Specified Communications to the Administrative Agent in the manner specified in this

Agreement or any other Loan Document or in such other form, including hard copy delivery thereof, as the Administrative Agent shall reasonably request. Nothing in this Section 10.02 shall prejudice the right of the Agents, any Lender or any Loan Party to give any notice or other communication pursuant to this Agreement or any other Loan Document in any other manner specified in this Agreement or any other Loan Document or as any such Agent shall require.

Section 10.03 No Waiver; Cumulative Remedies. No failure by any Lender, the L/C Issuer or the Administrative Agent or Collateral Agent to exercise, and no delay by any such Person in exercising, any right, remedy, power or privilege hereunder or under any other Loan Document shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided, and provided under each other Loan Document, are cumulative and not exclusive of any rights, remedies, powers and privileges provided by Law.

Section 10.04 Attorney Costs and Expenses. The Borrower agrees (a) if the Closing Date occurs, to pay or reimburse the Administrative Agent and the Lead Arranger for all reasonable and documented or invoiced out-of-pocket costs and expenses associated with the syndication of the Initial Term Loans and Commitments and the preparation, execution and delivery, administration, amendment, modification, waiver, notarization and/or enforcement of this Agreement and the other Loan Documents, and any amendment, waiver, consent or other modification of the provisions hereof and thereof (whether or not the transactions contemplated thereby are consummated), including all Attorney Costs of Paul Hastings LLP (and any other counsel retained with the Borrower's consent (such consent not to be unreasonably withheld or delayed)) and one local and foreign counsel in each relevant jurisdiction, and (b) to pay or reimburse the Administrative Agent, the Lead Arranger, the L/C Issuer and each Lender for all reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement of any rights or remedies under this Agreement or the other Loan Documents (including all costs and expenses incurred in connection with any workout or restructuring in respect of the Loans, all such costs and expenses incurred during any legal proceeding, including any proceeding under any Debtor Relief Law, and including all Attorney Costs of counsel to the Administrative Agent). The foregoing costs and expenses shall include all reasonable search, filing, recording and title insurance charges and fees related thereto, and other reasonable and documented out-of-pocket expenses incurred by any Agent. The agreements in this Section 10.04 shall survive the termination of the Aggregate Commitments and repayment of all other Obligations. All amounts due under this Section 10.04 shall be paid within ten (10) Business Days of receipt by the Borrower of an invoice relating thereto setting forth such expenses in reasonable detail. If any Loan Party fails to pay when due any costs, expenses or other amounts payable by it hereunder or under any Loan Document, such amount may be paid on behalf of such Loan Party by the Administrative Agent in its sole discretion or charged to the Loan Account in accordance with Section 2.19.

Section 10.05 Indemnification by the Borrower. Whether or not the transactions contemplated hereby are consummated, the Borrower shall indemnify and hold harmless each Agent-Related Person, each Lender, each L/C Issuer, the Lead Arranger and their respective Affiliates and their and their Affiliates' respective partners, directors, officers, employees, counsel, agents, advisors, managers, members and other representatives (collectively, the "Indemnitees") from and against any and all losses, liabilities, damages, claims, and reasonable and documented or invoiced out-of-pocket fees and expenses (including reasonable Attorney Costs of one counsel for all Indemnitees and, if necessary, one firm of local counsel in each appropriate jurisdiction (which may include a single special counsel acting in multiple jurisdictions) for all Indemnitees (and, in the case of an actual or perceived conflict of interest, where the Indemnitee affected by such conflict informs the Borrower of such conflict and thereafter retains its own counsel, of another firm of counsel for such affected Indemnitee)) of any such Indemnitee arising out of or relating to any claim or any litigation or other proceeding (regardless of whether such Indemnitee is a party

thereto and whether or not such proceedings are brought by the Borrower, its equity holders, its Affiliates, creditors or any other third person) that relates to the Transactions, including the financing contemplated hereby, of any kind or nature whatsoever which may at any time be imposed on, incurred by or asserted against any such Indemnitee in any way relating to or arising out of or in connection with (a) the execution, delivery, enforcement, performance or administration of any Loan Document or any other agreement, letter or instrument delivered in connection with the transactions contemplated thereby or the consummation of the transactions contemplated thereby, (b) any Commitment, Loan or Letter of Credit or the use or proposed use of the proceeds therefrom (including any refusal by an L/C Issuer to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), or (c) any actual or alleged presence or Release or threat of Release of Hazardous Materials on, at, under or from any property currently or formerly owned, leased or operated by the Borrower, any other Loan Party or any of their respective Subsidiaries, or any Environmental Liability related in any way to the Borrower, any other Loan Party or any of their respective Subsidiaries, or (d) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory (including any investigation of, preparation for, or defense of any pending or threatened claim, investigation, litigation or proceeding) (all the foregoing, collectively, the "Indemnified Liabilities"), in all cases, whether or not caused by or arising, in whole or in part, out of the negligence of the Indemnitee; provided, that, such indemnity shall not, as to any Indemnitee, be available to the extent that such liabilities, obligations, losses, damages, penalties, claims, demands, actions, judgments, suits, costs, expenses or disbursements resulted from (w) the gross negligence, bad faith or willful misconduct of such Indemnitee or of any of its controlled Affiliates or controlling Persons or any of the partners, officers, directors, employees, agents, advisors or members of any of the foregoing, in each case who are involved in or aware of the Transactions (as determined by a court of competent jurisdiction in a final and non-appealable decision), (x) a material breach of the Loan Documents by such Indemnitee or one of its Affiliates (as determined by a court of competent jurisdiction in a final and non-appealable decision), (y) disputes solely between and among such Indemnitees to the extent such disputes do not arise from any act or omission of the Borrower or any of its Affiliates (other than with respect to a claim against an Indemnitee acting in its capacity as an Agent or Lead Arranger or similar role under the Loan Documents unless such claim arose from the gross negligence, bad faith or willful misconduct of such Indemnitee (as determined by a court of competent jurisdiction in a final and non-appealable decision)) or, (z) in the case of a proceeding initiated by the Borrower or one of its Affiliates against an Indemnitee, a material breach of the obligations of such Indemnitee or any of such Indemnitee's Affiliates or of any of its or their respective officers, directors, employees, agents, advisors or other representatives of any of the foregoing under this Agreement (as determined by a court of competent jurisdiction in a final and non-appealable decision). No Indemnitee shall be liable for any damages arising from the use by others of any information or other materials obtained through IntraLinks or other similar information transmission systems in connection with this Agreement, nor shall any Indemnitee or any Loan Party have any liability for any special, punitive, indirect or consequential damages relating to this Agreement or any other Loan Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date); provided that the foregoing shall not limit any Loan Party's indemnification obligations hereunder. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 10.05 applies, such indemnity shall be effective whether or not such investigation, litigation or proceeding is brought by any Loan Party, its directors, managers, partners, stockholders or creditors or an Indemnitee or any other Person, whether or not any Indemnitee is otherwise a party thereto and whether or not any of the transactions contemplated hereunder or under any of the other Loan Documents is consummated. All amounts due under this Section 10.05 shall be paid within ten (10) Business Days after demand therefor; provided, however, that, if the Borrower has reimbursed any Indemnitee for any legal or other expenses in connection with any Indemnified Liabilities and there is a final non-appealable judgment of a court of competent jurisdiction that the Indemnitee was not entitled to indemnification or contribution with respect to such Indemnified Liabilities pursuant to the express terms of this Section 10.05, then the Indemnitee shall promptly refund such expenses paid by the Borrower to the Indemnitee. The agreements in this

Section 10.05 shall survive the resignation of the Administrative Agent, the replacement of any Lender, the termination of the Aggregate Commitments and the repayment, satisfaction or discharge of all the other Obligations. For the avoidance of doubt, this Section 10.05 shall not apply to Taxes other than Taxes that represent liabilities, obligations, losses, damages, etc., with respect to a non-Tax claim.

Section 10.06 Payments Set Aside. To the extent that any payment by or on behalf of the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver or any other party, in connection with any proceeding under any Debtor Relief Law or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred, and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, plus interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the Federal Funds Rate (or if the Federal Funds Rate is not available, a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation).

Section 10.07 Successors and Assigns.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except as otherwise provided herein (including without limitation as permitted under Section 7.04), neither the Borrower nor any of its Subsidiaries may assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender and no Lender may assign or otherwise transfer any of its rights or obligations hereunder except (i) to an Eligible Assignee, (ii) by way of participation in accordance with the provisions of Section 10.07(e), (iii) by way of pledge or assignment of a security interest subject to the restrictions of Section 10.07(g) or (iv) to an SPC in accordance with the provisions ofSection 10.07(h) (and any other attempted assignment or transfer by any party hereto (other than to any Disqualified Lender) shall be null and void). Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants to the extent provided in Section 10.07(e) and, to the extent expressly contemplated hereby, the Indemnitees) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth inparagraph (b)(ii) below, any Lender may assign to one or more assignees ("Assignees") all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans (including for purposes of this Section 10.07(b), participations in L/C Obligations and in Swing Line Loans) at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Borrower; provided that, (I) no consent of the Borrower shall be required for an assignment (1) of any Term Loan to any other Lender, any Affiliate of a Lender or any Approved Fund, (2) of any Revolving Loan or Revolving Commitment to any other Lender, any Affiliate of a Lender or any Approved Fund of the assigning Lender or (3) if a Specified Event of Default has occurred and is continuing, to any Assignee and (II) the Borrower shall be deemed to have consented to any such assignment of any Term Loan unless it shall object

thereto by written notice to the Administrative Agent within fifteen (15) Business Days after the date the Borrower has received notice thereof;

(B) the Administrative Agent; provided, that, no consent of the Administrative Agent shall be required for an assignment of all or any portion of a Term Loan to another Lender, an Affiliate of a Lender or an Approved Fund; and

(C) in the case of any assignment of any of the Revolving Credit Facility other than to an Approved Fund of the assigning Lender, each L/C Issuer and each Swing Line Lender.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender or an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than $2,000,000 (in the case of the Revolving Credit Facility), $1,000,000 (in the case of a Term Loan) unless the Borrower and the Administrative Agent otherwise consent; provided, that, (1) no such consent of the Borrower shall be required if a Specified Event of Default has occurred and is continuing and (2) such amounts shall be aggregated in respect of each Lender and its Affiliates or Approved Funds, if any;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Assumption;

(C) (1) the Assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire and any documentation required by Section 3.01(f) and (2) the Assignee shall have delivered to the Administrative Agent all documentation and other information that the Administrative Agent reasonably requests in order to comply with its ongoing obligations under applicable "know your customer", and anti-money laundering rules and regulations, including the USA PATRIOT Act;

(D) the Assignee shall not be a natural person, or a Disqualified Lender (and such Assignee shall be required to represent that it is not a Disqualified Lender or an Affiliate of a Disqualified Lender that would constitute a Disqualified Lender but for the fact that it is not readily identifiable as such on the basis of its name); provided, that, whether a prospective assignee is a Disqualified Lender may be communicated to a Lender upon request but the list of Disqualified Lenders shall not be posted or otherwise distributed or available to any Lender;

(E) the Assignee shall not be a Defaulting Lender;

(F) [reserved]; and

(G) the Assignee shall not be the Borrower or any of its Affiliates or a Permitted Holder.

This paragraph (b) shall not prohibit any Lender from assigning all or a portion of its rights and obligations among separate Facilities on anon-pro rata basis.

(c) Subject to acceptance and recording thereof by the Administrative Agent pursuant to Section 10.07(d) and receipt by the Administrative Agent from the parties to each assignment of a processing and recordation fee of $3,500 (provided, that, (x) the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment and (y) such processing and recordation fee shall not be payable in the case of assignments by any Affiliate of the Lead Arranger), from and after the effective date specified in each Assignment and Assumption, the Eligible Assignee thereunder shall be a party to this Agreement and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 3.01, 3.03, 3.04, 10.04 and 10.05 with respect to facts and circumstances occurring prior to the effective date of such assignment). Upon request, and the surrender by the assigning Lender of its Note (if any), the Borrower (at their expense) shall execute and deliver a Note to the assignee Lender. Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this clause (c) shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with Section 10.07(e). For greater certainty, any assignment by a Lender pursuant to this Section 10.07 shall not in any way constitute or be deemed to constitute a novation, discharge, recession, extinguishment or substitution of the existing Indebtedness and any Indebtedness so assigned shall continue to be the same obligation and not a new obligations.

(d) The Administrative Agent, acting solely for this purpose as a non-fiduciary agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and related interest amounts) of the Loans, L/C Obligations (specifying the Unreimbursed Amounts), L/C Borrowings and amounts due under Section 2.04, owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, absent demonstrable error, and the Borrower, the Agents and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, any Agent and any Lender (with respect to its own interests only), at any reasonable time and from time to time upon reasonable prior written notice.

(e) Any Lender may at any time, without the consent of, or notice to, the Borrower, any L/C Issuer or the Administrative Agent, sell participations to any Person (other than a natural person or, so long as whether a prospective participant is a Disqualified Lenders has been communicated to a Lender upon request, a Disqualified Lender; provided, that, the list of Disqualified Lenders shall not be posted or otherwise distributed or available to any Lender (each, a "Participant") in all or a portion of such Lender's rights and/or obligations under this Agreement (including all or a portion of its Commitment and/or the Loans (including such Lender's participations in L/C Obligations and/or Swing Line Loans) owing to it); provided, that, (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (iii) the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any

agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and the other Loan Documents and to approve any amendment, modification or waiver of any provision of this Agreement or the other Loan Documents; provided, that, such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, waiver or other modification described in Section 10.01(a), (b), (c), (d), (e) or (f) that directly affects such Participant. Subject to Section 10.07(f), the Borrower agrees that each Participant shall be entitled to the benefits of Sections 3.01, 3.03 and 3.04 (through the applicable Lender), subject to the requirements and limitations of such Sections (including Section 3.01(f)) and Sections 3.05 and 3.06, to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.07(b) (provided that any documentation required to be provided under Section 3.01(f) shall be provided solely to the participating Lender). To the extent permitted by applicable Law, each Participant also shall be entitled to the benefits of Section 10.09 as though it were a Lender; provided, that, such Participant agrees to be subject to Section 2.13 as though it were a Lender. Any Lender that sells participations shall maintain a register on which it enters the name and the address of each Participant and the principal amounts and related interest amounts of each Participant's participation interest in the Commitments and/or Loans (or other rights or obligations) held by it (the "Participant Register"). The entries in the Participant Register shall be conclusive, absent demonstrable error, and such Lender shall treat each person whose name is recorded in the Participant Register as the owner of such participation interest as the owner thereof for all purposes notwithstanding any notice to the contrary. In maintaining the Participant Register, such Lender shall be acting as the non-fiduciary agent of the Borrower solely for this purpose and undertakes no duty, responsibility or obligation to the Borrower (without limitation, in no event shall such Lender be a fiduciary of the Borrower for any purpose). No Lender shall have any obligation to disclose all or any portion of a Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, or its other obligations under this Agreement) except to the extent that such disclosure is necessary to establish that such commitment, loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations or, if different, under Sections 871(h) or 881(c) of the Code.

(f) A Participant shall not be entitled to receive any greater payment under Section 3.01, 3.03 or 3.04 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent or except to the extent such entitlement to a greater payment results from a Change in Law after such Participant became a Participant. Each Participant agrees to be subject to the provisions of Section 3.06 as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.07(b) and each Lender that sells a participation agrees, at the Borrower's request and expense, to use reasonable efforts to cooperate with the Borrower to effectuate the provisions of Section 3.06 with respect to any Participant.

(g) Any Lender may at any time pledge or assign a security interest in all or any portion of its rights under this Agreement (including under its Note, if any) to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank; provided, that, no such pledge or assignment shall release such Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(h) Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle identified as such in writing

from time to time by the Granting Lender to the Administrative Agent and the Borrower (an "SPC") the option to provide all or any part of any Loan that such Granting Lender would otherwise be obligated to make pursuant to this Agreement; provided, that, (i) nothing herein shall constitute a commitment by any SPC to fund any Loan and (ii) if an SPC elects not to exercise such option or otherwise fails to make all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. Each party hereto hereby agrees that (i) an SPC shall be entitled to the benefit of Sections 3.01, 3.03 and 3.04, subject to the requirements and limitations of such Sections (including Section 3.01(e) and (f) and Sections 3.05 and 3.06), to the same extent as if such SPC were a Lender, but neither the grant to any SPC nor the exercise by any SPC of such option shall increase the costs or expenses or otherwise increase or change the obligations of the Borrower under this Agreement (including its obligations under Section 3.01, 3.03 or 3.04) except to the extent any entitlement to greater amounts results from a Change in Law after the grant to the SPC occurred, (ii) no SPC shall be liable for any indemnity or similar payment obligation under this Agreement for which a Lender would be liable and such liability shall remain with the Granting Lender, and (iii) the Granting Lender shall for all purposes, including the approval of any amendment, waiver or other modification of any provision of any Loan Document, remain the lender of record hereunder. The making of a Loan by an SPC hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Notwithstanding anything to the contrary contained herein, any SPC may (i) with notice to, but without prior consent of the Borrower and the Administrative Agent, assign all or any portion of its right to receive payment with respect to any Loan to the Granting Lender and (ii) disclose on a confidential basis any non-public information relating to its funding of Loans to any rating agency, commercial paper dealer or provider of any surety or Guarantee Obligation or credit or liquidity enhancement to such SPC.

(i) Notwithstanding anything to the contrary contained herein, (a) (1) any Lender may in accordance with applicable Law create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it and (2) any Lender that is a Fund may create a security interest in all or any portion of the Loans owing to it and the Note, if any, held by it to the trustee for holders of obligations owed, or securities issued, by such Fund as security for such obligations or securities; provided, that, unless and until such trustee actually becomes a Lender in compliance with the other provisions of this Section 10.07, (i) no such pledge shall release the pledging Lender from any of its obligations under the Loan Documents and (ii) such trustee shall not be entitled to exercise any of the rights of a Lender under the Loan Documents even though such trustee may have acquired ownership rights with respect to the pledged interest through foreclosure or otherwise and (b) any Lender may in accordance with applicable Law assign its rights to any Person in such Person's capacity as (I) trustee or custodian holding assets for the satisfaction of the obligations of any Initial Lender (or any affiliate of any Initial Lender) pursuant to a reinsurance arrangement or (II) as counterparty to a reinsurance arrangement with any Initial Lender (or any affiliate of any Initial Lender).

(j) Notwithstanding anything to the contrary contained herein, any L/C Issuer or any Swing Line Lender may, upon thirty (30) days' notice to the Borrower and the Lenders, resign as an L/C Issuer or as a Swing Line Lender, respectively; provided, that, on or prior to the expiration of such 30-day period with respect to such resignation, the relevant L/C Issuer or Swing Line Lender shall have identified, in consultation with the Borrower, a successor L/C Issuer willing to accept its appointment as successor L/C Issuer or Swing Line Lender, as applicable. In the event of any such resignation of an L/C Issuer or a Swing Line Lender, the Borrower shall be entitled to appoint from among the Lenders willing to accept such appointment a successor L/C Issuer or Swing Line Lender hereunder; provided, that, no failure by the Borrower to appoint any such successor shall affect the resignation of the relevant L/C Issuer. If an L/C Issuer resigns as an L/C

Issuer, it shall retain all the rights and obligations of an L/C Issuer hereunder with respect to all Letters of Credit outstanding as of the effective date of its resignation as an L/C Issuer and all L/C Obligations with respect thereto (including the right to require the Lenders to make Base Rate Loans or fund risk participations in Unreimbursed Amounts pursuant to Section 2.03(c)). If the Swing Line Lender resigns as Swing Line Lender, it shall retain all the rights of the Swing Line Lender provided for hereunder with respect to Swing Line Loans made by it and outstanding as of the effective date of such resignation, including the right to require the Lenders to make Base Rate Loans or fund risk participations in outstanding Swing Line Loans pursuant to Section 2.04(c).

(k) No Agent-Related Person shall be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Lenders; further, without limiting the generality of the foregoing clause, no Agent-Related Person shall (x) be obligated to ascertain, monitor or inquire as to whether any Lender or Participant or prospective Lender or Participant is a Disqualified Lender or (y) have any liability with respect to or arising out of any assignment or participation of Loans, or disclosure of confidential information, to any Disqualified Lender.

Section 10.08 Confidentiality. Each of the Agents and the Lenders agrees to maintain the confidentiality of the Information and to not use or disclose such information, except that Information may be disclosed (a) to its Affiliates and its and its Affiliates' partners, directors, officers, employees, managers, administrators, limited partners, trustees, investment advisors, professionals and other experts or agents, including accountants, legal counsel, CUSIP bureau independent auditors and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential); (b) to the extent requested by any Governmental Authority, to any pledgee referred to in Section 10.07(g); (c) to the extent required by applicable Laws or regulations or by any subpoena or similar legal process; (d) to any other party to this Agreement; (e) subject to an agreement containing provisions substantially the same as those of this Section 10.08 (or as may otherwise be reasonably acceptable to the Borrower), to any pledgee referred to in Section 10.07(i), actual or potential counterparty to a Swap Contract, Eligible Assignee of or Participant in, or any prospective Eligible Assignee of or Participant in, any of its rights or obligations under this Agreement; (f) with the written consent of the Borrower; (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 10.08; (h) to any Governmental Authority or examiner regulating any Lender; (i) to any rating agency when required by it (it being understood that, prior to any such disclosure, such rating agency shall undertake to preserve the confidentiality of any Information relating to the Loan Parties received by it from such Lender); (j) in connection with the exercise of any remedies hereunder or under any other Loan Document or any action or proceeding relating to this Agreement or any other Loan Document or the enforcement of rights hereunder or thereunder; (k) to the extent that such Information is received by such Lender or any of its Affiliates from a third party that is not, to such Lender's knowledge, subject to any contractual or fiduciary confidentiality obligations owing to the Borrower or any of their Affiliates; (l) to the extent that such Information is independently developed by such Lender or any of its Affiliates, (m) to the extent consisting of customary disclosure regarding portfolio holdings in any public filing by such Lender or (n) upon the request or demand of any Governmental Authority or other regulatory authority having jurisdiction over the Agent or Lenders, as applicable, (in which case the Agent or Lenders, as applicable, agree (except with respect to any audit or examination conducted by bank accountants or any regulatory authority exercising examination or regulatory authority), to the extent practicable and not prohibited by applicable law, rule or regulation, to inform the Borrower promptly thereof prior to disclosure). In addition, the Agents and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments, and the Credit Extensions. For the purposes of this Section 10.08, "Information" means all information received

from any Loan Party or its Affiliates or its Affiliates' directors, managers, officers, employees, trustees, investment advisors or agents, relating to the Borrower or any of their respective Subsidiaries or their business, other than any such information that is available to any Agent or any Lender on a nonconfidential basis and other than information pertaining to this Agreement routinely provided by arrangers to data service providers, including league table providers, that serve the lending industry prior to disclosure by any Loan Party other than as a result of a breach of this Section 10.08, including, without limitation, information delivered pursuant to Section 6.01, 6.02 or 6.03 hereof.

Section 10.09 Setoff. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Agent and its Affiliates, each Lender and its Affiliates and each L/C Issuer and its Affiliates is authorized at any time and from time to time, without prior notice to the Borrower or any other Loan Party, any such notice being waived by the Borrower (on their own behalf and on behalf of each Loan Party and its respective Subsidiaries) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness (in any currency) at any time owing by, such Agent and its Affiliates, such Lender and its Affiliates or such L/C Issuer and its Affiliates, as the case may be, to or for the credit or the account of the respective Loan Parties and their Subsidiaries against any and all Obligations owing to such Agent and its Affiliates, such Lender and its Affiliates or such L/C Issuer and its Affiliates hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Agent, such Lender, such L/C Issuer or such Affiliate shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. Notwithstanding anything to the contrary contained herein, none of each Agent and its Affiliates, each Lender and its Affiliates and each L/C Issuer and its Affiliates shall have a right to set off and apply any deposits held or other Indebtedness owing by such Agent or its Affiliates, such Lender or its Affiliates or such L/C Issuer or its Affiliates, as the case may be, to or for the credit or the account of any Subsidiary of a Loan Party that is a Foreign Subsidiary or a Domestic Foreign Holding Company and that is not itself a Loan Party. Each Lender and L/C Issuer agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Lender or L/C Issuer, as the case may be; provided, that, the failure to give such notice shall not affect the validity of such setoff and application. The rights of each Agent, each Lender and each L/C Issuer under this Section 10.09 are in addition to other rights and remedies (including other rights of setoff) that such Agent, such Lender and such L/C Issuer may have.

Section 10.10 Counterparts; Electronic Execution. This Agreement and any notices, certificates, resolutions or other documents delivered under this Agreement, may be executed by means of (a) an electronic signature that complies with the federal Electronic Signatures in Global and National Commerce Act, state enactments of the Uniform Electronic Transactions Act, or any other relevant and applicable electronic signatures law, (b) an original manual signature, or (c) a faxed, scanned, or photocopied manual signature. Each electronic signature or faxed, scanned, or photocopied manual signature shall for all purposes have the same validity, legal effect, and admissibility in evidence as an original manual signature. The Administrative Agent reserves the right, in its sole discretion, to accept, deny, or condition acceptance of any electronic signature on this Agreement, or on any notice, certificate, resolutions or other document delivered under this Agreement. This Agreement, and any notices, certificates, resolutions or other documents delivered under this Agreement, may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same instrument. Delivery of an executed counterpart of this Agreement, or any notices, certificates, resolutions or other documents delivered under this Agreement, by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Agreement, or such notice, certificate, resolutions or other document. Any party

delivering an executed counterpart of this Agreement , or any notice, certificate, resolutions or other document under this Agreement, by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Agreement or such notice, certificate, resolutions or other document, but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement or such notice, certificate, resolutions or other document. The foregoing shall apply to each other Loan Document, and any notice, certificate, resolutions or other document delivered hereunder or thereunder, *mutatis mutandis*.

Section 10.11 Integration. This Agreement, together with the other Loan Documents and the Fee Letters, comprises the complete and integrated agreement of the parties on the subject matter hereof and thereof and supersedes all prior agreements, written or oral, on such subject matter. In the event of any conflict between the provisions of this Agreement and those of any other Loan Document, the provisions of this Agreement shall control; provided, that, the inclusion of supplemental rights or remedies in favor of the Agents or the Lenders in any other Loan Document shall not be deemed a conflict with this Agreement. Each Loan Document was drafted with the joint participation of the respective parties thereto and shall be construed neither against nor in favor of any party, but rather in accordance with the fair meaning thereof.

Section 10.12 Survival of Representations and Warranties. All representations and warranties made hereunder and in any other Loan Document or other document delivered pursuant hereto or thereto or in connection herewith or therewith shall survive the execution and delivery hereof and thereof. Such representations and warranties have been or will be relied upon by each Agent and each Lender, regardless of any investigation made by any Agent or any Lender or on their behalf and notwithstanding that any Agent or any Lender may have had notice or knowledge of any Default at the time of any Credit Extension, and shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding. The provisions of Sections 10.14 and 10.15 shall continue in full force and effect as long as any Loan or any other Obligation hereunder shall remain unpaid or unsatisfied or any Letter of Credit shall remain outstanding.

Section 10.13 Severability. If any provision of this Agreement or the other Loan Documents is held to be illegal, invalid or unenforceable, the legality, validity and enforceability of the remaining provisions of this Agreement and the other Loan Documents shall not be affected or impaired thereby. The invalidity of a provision in a particular jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

Section 10.14 GOVERNING LAW, JURISDICTION, SERVICE OF PROCESS.

(a) THIS AGREEMENT AND EACH OTHER LOAN DOCUMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK (EXCEPT AS OTHERWISE EXPRESSLY PROVIDED THEREIN).

(b) EXCEPT AS SET FORTH IN THE FOLLOWING PARAGRAPH, ANY LEGAL ACTION OR PROCEEDING ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, SHALL BE BROUGHT IN THE COURTS OF THE STATE OF NEW YORK SITTING IN THE BOROUGH OF MANHATTAN OR OF THE UNITED STATES FOR THE SOUTHERN DISTRICT OF SUCH STATE (PROVIDED, THAT, IF NONE OF SUCH COURTS CAN AND WILL EXERCISE SUCH JURISDICTION, SUCH EXCLUSIVITY SHALL NOT APPLY), AND BY EXECUTION AND DELIVERY OF THIS AGREEMENT, THE BORROWER, EACH AGENT AND EACH LENDER CONSENTS, FOR ITSELF AND IN

RESPECT OF ITS PROPERTY, TO THE EXCLUSIVE JURISDICTION OF THOSE COURTS. THE BORROWER, EACH AGENT AND EACH LENDER IRREVOCABLY WAIVES ANY OBJECTION, INCLUDING ANY OBJECTION TO THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS, WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY ACTION OR PROCEEDING IN SUCH JURISDICTION IN RESPECT OF ANY LOAN DOCUMENT OR OTHER DOCUMENT RELATED THERETO.

NOTHING IN THIS AGREEMENT OR IN ANY OTHER LOAN DOCUMENT SHALL AFFECT ANY RIGHT THAT THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT OR ANY LENDER MAY OTHERWISE HAVE TO BRING ANY ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AGAINST ANY LOAN PARTY OR ITS PROPERTIES IN THE COURTS OF ANY JURISDICTION (I) FOR PURPOSES OF ENFORCING A JUDGMENT, (II) IN CONNECTION WITH EXERCISING REMEDIES AGAINST THE COLLATERAL IN A JURISDICTION IN WHICH SUCH COLLATERAL IS LOCATED, (III) IN CONNECTION WITH ANY PENDING BANKRUPTCY, INSOLVENCY OR SIMILAR PROCEEDING IN SUCH JURISDICTION OR (IV) TO THE EXTENT THE COURTS REFERRED TO IN THE PREVIOUS PARAGRAPH DO NOT HAVE JURISDICTION OVER SUCH LEGAL ACTION OR PROCEEDING OR THE PARTIES OR PROPERTY SUBJECT THERETO.

Section 10.15 WAIVER OF RIGHT TO TRIAL BY JURY. EACH PARTY TO THIS AGREEMENT HEREBY EXPRESSLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ANY RIGHT TO TRIAL BY JURY OF ANY CLAIM, DEMAND, ACTION OR CAUSE OF ACTION ARISING UNDER ANY LOAN DOCUMENT OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE DEALINGS OF THE PARTIES HERETO OR ANY OF THEM WITH RESPECT TO ANY LOAN DOCUMENT, OR THE TRANSACTIONS RELATED THERETO, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING, AND WHETHER FOUNDED IN CONTRACT OR TORT OR OTHERWISE; AND EACH PARTY HEREBY AGREES AND CONSENTS THAT ANY SUCH CLAIM, DEMAND, ACTION OR CAUSE OF ACTION SHALL BE DECIDED BY COURT TRIAL WITHOUT A JURY, AND THAT ANY PARTY TO THIS AGREEMENT MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 10.15 WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF THE SIGNATORIES HERETO TO THE WAIVER OF THEIR RIGHT TO TRIAL BY JURY.

IN THE EVENT ANY LEGAL PROCEEDING IS FILED IN A COURT OF THE STATE OF CALIFORNIA (THE "COURT") BY OR AGAINST ANY PARTY HERETO IN CONNECTION WITH ANY CLAIM AND THE WAIVER SET FORTH ABOVE IS NOT ENFORCEABLE IN SUCH PROCEEDING, THE PARTIES HERETO AGREE AS FOLLOWS:

(i) WITH THE EXCEPTION OF THE MATTERS SPECIFIED IN SUBCLAUSE (ii) BELOW, ANY CLAIM SHALL BE DETERMINED BY A GENERAL REFERENCE PROCEEDING IN ACCORDANCE WITH THE PROVISIONS OF CALIFORNIA CODE OF CIVIL PROCEDURE SECTIONS 638 THROUGH 645.1. THE PARTIES INTEND THIS GENERAL REFERENCE AGREEMENT TO BE SPECIFICALLY ENFORCEABLE. VENUE FOR THE REFERENCE PROCEEDING SHALL BE IN THE COUNTY OF LOS ANGELES, CALIFORNIA.

(ii) THE FOLLOWING MATTERS SHALL NOT BE SUBJECT TO A GENERAL REFERENCE PROCEEDING: (A) NON-JUDICIAL FORECLOSURE OF ANY SECURITY INTERESTS IN REAL OR PERSONAL PROPERTY, (B) EXERCISE OF SELF-HELP REMEDIES (INCLUDING SET-OFF OR RECOUPMENT), (C) APPOINTMENT OF A RECEIVER, AND (D) TEMPORARY, PROVISIONAL, OR ANCILLARY REMEDIES (INCLUDING WRITS OF ATTACHMENT, WRITS OF POSSESSION, TEMPORARY RESTRAINING ORDERS, OR

PRELIMINARY INJUNCTIONS). THIS AGREEMENT DOES NOT LIMIT THE RIGHT OF ANY PARTY TO EXERCISE OR OPPOSE ANY OF THE RIGHTS AND REMEDIES DESCRIBED IN CLAUSES (A)—(D) AND ANY SUCH EXERCISE OR OPPOSITION DOES NOT WAIVE THE RIGHT OF ANY PARTY TO PARTICIPATE IN A REFERENCE PROCEEDING PURSUANT TO THIS AGREEMENT WITH RESPECT TO ANY OTHER MATTER.

(iii) UPON THE WRITTEN REQUEST OF ANY PARTY, THE PARTIES SHALL SELECT A SINGLE REFEREE, WHO SHALL BE A RETIRED JUDGE OR JUSTICE. IF THE PARTIES DO NOT AGREE UPON A REFEREE WITHIN TEN DAYS OF SUCH WRITTEN REQUEST, THEN, ANY PARTY SHALL HAVE THE RIGHT TO REQUEST THE COURT TO APPOINT A REFEREE PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE SECTION 640(B). THE REFEREE SHALL BE APPOINTED TO SIT WITH ALL OF THE POWERS PROVIDED BY LAW. PENDING APPOINTMENT OF THE REFEREE, THE COURT SHALL HAVE THE POWER TO ISSUE TEMPORARY OR PROVISIONAL REMEDIES.

(iv) EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT, THE REFEREE SHALL DETERMINE THE MANNER IN WHICH THE REFERENCE PROCEEDING IS CONDUCTED INCLUDING THE TIME AND PLACE OF HEARINGS, THE ORDER OF PRESENTATION OF EVIDENCE, AND ALL OTHER QUESTIONS THAT ARISE WITH RESPECT TO THE COURSE OF THE REFERENCE PROCEEDING. ALL PROCEEDINGS AND HEARINGS CONDUCTED BEFORE THE REFEREE, EXCEPT FOR TRIAL, SHALL BE CONDUCTED WITHOUT A COURT REPORTER, EXCEPT WHEN ANY PARTY SO REQUESTS A COURT REPORTER AND A TRANSCRIPT IS ORDERED, A COURT REPORTER SHALL BE USED AND THE REFEREE SHALL BE PROVIDED A COURTESY COPY OF THE TRANSCRIPT. THE PARTY MAKING SUCH REQUEST SHALL HAVE THE OBLIGATION TO ARRANGE FOR AND PAY THE COSTS OF THE COURT REPORTER; PROVIDED, THAT SUCH COSTS, ALONG WITH THE REFEREE'S FEES, SHALL ULTIMATELY BE BORNE BY THE PARTY WHO DOES NOT PREVAIL, AS DETERMINED BY THE REFEREE.

(v) THE REFEREE MAY REQUIRE ONE OR MORE PREHEARING CONFERENCES. THE PARTIES HERETO SHALL BE ENTITLED TO DISCOVERY, AND THE REFEREE SHALL OVERSEE DISCOVERY IN ACCORDANCE WITH THE RULES OF DISCOVERY, AND SHALL ENFORCE ALL DISCOVERY ORDERS IN THE SAME MANNER AS ANY TRIAL COURT JUDGE IN PROCEEDINGS AT LAW IN THE STATE OF CALIFORNIA.

(vi) THE REFEREE SHALL APPLY THE RULES OF EVIDENCE APPLICABLE TO PROCEEDINGS AT LAW IN THE STATE OF CALIFORNIA AND SHALL DETERMINE ALL ISSUES IN ACCORDANCE WITH CALIFORNIA SUBSTANTIVE AND PROCEDURAL LAW. THE REFEREE SHALL BE EMPOWERED TO ENTER EQUITABLE AS WELL AS LEGAL RELIEF AND RULE ON ANY MOTION WHICH WOULD BE AUTHORIZED IN A TRIAL, INCLUDING MOTIONS FOR DEFAULT JUDGMENT OR SUMMARY JUDGMENT. THE REFEREE SHALL REPORT HIS OR HER DECISION, WHICH REPORT SHALL ALSO INCLUDE FINDINGS OF FACT AND CONCLUSIONS OF LAW. THE REFEREE SHALL ISSUE A DECISION AND PURSUANT TO CALIFORNIA CODE OF CIVIL PROCEDURE, SECTION 644, THE REFEREE'S DECISION SHALL BE ENTERED BY THE COURT AS A JUDGMENT IN THE SAME MANNER AS IF THE ACTION HAD BEEN TRIED BY THE COURT. THE FINAL JUDGMENT OR ORDER FROM ANY APPEALABLE DECISION OR ORDER ENTERED BY THE REFEREE SHALL BE FULLY APPEALABLE AS IF IT HAS BEEN ENTERED BY THE COURT.

(vii) THE PARTIES RECOGNIZE AND AGREE THAT ALL CLAIMS RESOLVED IN A GENERAL REFERENCE PROCEEDING PURSUANT HERETO WILL BE

DECIDED BY A REFEREE AND NOT BY A JURY. AFTER CONSULTING (OR HAVING HAD THE OPPORTUNITY TO CONSULT) WITH COUNSEL OF THEIR OWN CHOICE, EACH PARTY HERETO KNOWINGLY AND VOLUNTARILY AND FOR THEIR MUTUAL BENEFIT AGREES THAT THIS REFERENCE PROVISION SHALL APPLY TO ANY DISPUTE BETWEEN THEM THAT ARISES OUT OF OR IS RELATED TO THIS AGREEMENT OR THE OTHER LOAN DOCUMENTS.

Section 10.16 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrower and the Administrative Agent shall have been notified by each Lender, Swing Line Lender and L/C Issuer that each such Lender, Swing Line Lender and L/C Issuer has executed it and thereafter shall be binding upon and inure to the benefit of the Borrower, each Agent, the L/C Issuer, Swing Line Lender and each Lender and their respective successors and assigns, except that the Borrower shall not have the right to assign its rights hereunder or any interest herein without the prior written consent of the Lenders except as permitted by Section 7.04.

Section 10.17 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrower in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrower in the Agreement Currency, the Borrower agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrower (or to any other Person who may be entitled thereto under applicable Law).

Section 10.18 Lender Action. Each Lender agrees that it shall not take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party or any other obligor under any of the Loan Documents or the Secured Hedge Agreements (including the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, without the prior written consent of the Administrative Agent. The provisions of this Section 10.18 are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Loan Party.

Section 10.19 Know-Your-Customer, Etc. Each Lender shall, promptly following a request by the Administrative Agent, provide all documentation and other information that the Administrative Agent reasonably requests in order to comply with its ongoing obligations under applicable "know your customer" and anti-money laundering rules and regulations, including the USA PATRIOT Act.

Section 10.20 USA PATRIOT Act. Each Lender hereby notifies the Borrower that, pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies the Borrower and the Guarantors, which information includes the name and address of the Borrower and the Guarantors and other information that will allow such Lender to identify the Borrower and the Guarantors in accordance with the USA PATRIOT Act.

Section 10.21 Applicable Intercreditor Agreements. Each Lender (and, by its acceptance of the benefits of any Collateral Document, each other Secured Party) hereunder authorizes and instructs the Collateral Agent, as Collateral Agent and on behalf of such Lender or other Secured Party, to enter into one or more Applicable Intercreditor Agreements from time to time and agrees that it will be bound by and will take no actions contrary to the provisions thereof.

Section 10.22 Obligations Absolute. To the fullest extent permitted by applicable Law, all obligations of the Loan Parties hereunder shall be absolute and unconditional irrespective of:

(a) any bankruptcy, insolvency, reorganization, arrangement, readjustment, composition, liquidation or the like of any Loan Party;

(b) any lack of validity or enforceability of any Loan Document or any other agreement or instrument relating thereto against any Loan Party;

(c) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from any Loan Document or any other agreement or instrument relating thereto;

(d) any exchange, release or non-perfection of any other Collateral, or any release or amendment or waiver of or consent to any departure from any guarantee, for all or any of the Obligations;

(e) any exercise or non-exercise, or any waiver of any right, remedy, power or privilege under or in respect hereof or any Loan Document; or

(f) any other circumstances which might otherwise constitute a defense available to, or a discharge of, the Loan Parties.

Section 10.23 No Advisory or Fiduciary Responsibility. In connection with all aspects of each transaction contemplated hereby (including in connection with any amendment, waiver or other modification hereof or of any other Loan Document), each of the Borrower acknowledges and agrees, and acknowledges its Affiliates' understanding, that: (i) (A) the arranging and other services regarding this Agreement provided by the Administrative Agent and the Lead Arranger are arm's-length commercial transactions between the Borrower and their respective Affiliates, on the one hand, and the Administrative Agent and the Lead Arranger, on the other hand, (B) the Borrower has consulted its own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate, and (C) each of the Borrower is capable of evaluating, and understands and accepts, the terms, risks and conditions of the transactions contemplated hereby and by the other Loan Documents; (ii) (A) the Administrative Agent, each Lender and the Lead Arranger each is and has been acting solely as a principal and, except as expressly agreed in writing by the relevant parties, has not been, is not, and will not be acting as an advisor, agent or fiduciary for the Borrower or any of their respective Affiliates, or any other Person and (B) neither the Administrative Agent, nor the Lead Arranger or any Lender has any obligation to the Borrower or any of their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Loan Documents; and (iii) the Administrative Agent, each Lender and the Lead Arranger and their respective Affiliates may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and their respective Affiliates, and neither the Administrative Agent nor the Lead Arranger has any obligation to disclose any of such interests to the Borrower or any of their respective Affiliates. To the fullest extent permitted by law, the Borrower hereby waives and releases any claims that it may have against the Administrative Agent, each Lender and the Lead Arranger with respect to any breach or alleged breach of agency or fiduciary duty in connection with any aspect of any transaction contemplated hereby.

Section 10.24 Electronic Execution of Assignments and Certain Other Documents. The words "execution," "execute", "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Assumptions, amendments or other Committed Loan Notices, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act; provided that notwithstanding anything contained herein to the contrary the Administrative Agent is under no obligation to agree to accept electronic signatures in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it.

Section 10.25 Acknowledgement and Consent to Bail-In of Affected Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any Lender or L/C Issuer that is an Affected Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of a Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by the applicable Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender or L/C Issuer that is an Affected Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all or a portion of such liability into shares or other instruments of ownership in such Affected Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of the applicable Resolution Authority.

Section 10.26 Lender Representation.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise for purposes of Title I of ERISA or Section 4975 of the Code) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement,

(ii) the transaction exemption set forth in one or more PTEs, such as PTE 84- 14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96- 23 (a class exemption for certain transactions determined by in-house asset managers), is applicable and the conditions are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement, or

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84- 14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender, such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

Section 10.27 Acknowledgment Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Swap Agreement or any other agreement or instrument that is a QFC (such support, "QFC Credit Support", and each such QFC, a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 10.26, the following terms have the following meanings:

"BHC Act Affiliate" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

"Covered Entity" means any of the following: (i) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a "covered bank" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a "covered FSI" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

"Default Right" has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

"QFC" has the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

(b) Each Qualified ECP Guarantor hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under this Agreement in respect of Swap Obligations (provided, however, that each Qualified ECP Guarantor shall only be liable under this

The obligations of each Qualified ECP Guarantor under this Section 2.01(b) shall remain in full force and effect until the termination of this Agreement in accordance with Section 4.13. Each Qualified ECP Guarantor intends that this Section 2.01(b) constitute, and this Section 2.01(b) shall be deemed to constitute, a "keepwell, support, or other agreement" for the benefit of each other Loan Party for all purposes of Section 1a(18)(A)(v)(II) of the Commodity Exchange Act.

SECTION 2.02. Guaranty of Payment. Each of the Guarantors further agrees that its guarantee hereunder constitutes a guarantee of payment when due and not of collection, and waives any right to require that any resort be had by the Collateral Agent or any other Secured Party to any security held for the payment of the Obligations, or to any balance of any deposit account or credit on the books of the Collateral Agent or any other Secured Party in favor of the Borrower or any other Person.

SECTION 2.03. No Limitations.

(a) Except for termination of a Guarantor's obligations hereunder as expressly provided in Section 4.13 and except as provided in the definition of Obligations with respect to Excluded Swap Obligations, the obligations of each Guarantor hereunder shall not be subject to any reduction, limitation, impairment or termination for any reason, including any claim of waiver, release, surrender, alteration or compromise, and shall not be subject to any defense (other than a defense of the occurrence of the Termination Date) or set-off, counterclaim, recoupment or termination whatsoever by reason of the invalidity, illegality or unenforceability of the Obligations, or otherwise. Without limiting the generality of the foregoing, the obligations of each Guarantor hereunder shall not be discharged or impaired or otherwise affected by (i) the failure of the Collateral Agent or any other Secured Party to assert any claim or demand or to enforce any right or remedy under the provisions of any Loan Document or otherwise; (ii) any rescission, waiver, amendment or modification of, or any release from any of the terms or provisions of, any Loan Document or any other agreement, including with respect to any other Guarantor under this Agreement; (iii) the release, non-perfection, impairment, exchange or substitution of any security held by the Collateral Agent or any other Secured Party for the Obligations; (iv) any default, failure or delay, willful or otherwise, in the performance of the Obligations; (v) any other act or omission that may or might in any manner or to any extent vary the risk of any Guarantor or otherwise operate as a discharge of any Guarantor as a matter of law or equity (other than the occurrence of the Termination Date); (vi) any change in the time, place or manner of payment or of any other term (including increasing the amount) with respect to the Obligations; (vii) any law, regulation, decree or order of any jurisdiction or any other event affecting any term of the guaranty made hereby; (viii) any change to the corporate structure or assets of the Borrower or any other Guarantor; (ix) any failure of the Secured Parties to disclose information about the Borrower to the Guarantors; (x) any failure of any other Guarantor to sign this Guaranty; (xi) any rights to set-off or other counterclaims a Guarantor may have or (xii) any other circumstance that may constitute a defense available to a Guarantor (other than the occurrence of the Termination Date). Each Guarantor expressly authorizes the Secured Parties to take and hold security for the payment and performance of the Obligations, to exchange, waive or release any or all such security (with or without consideration), to enforce or apply such security and direct the order and manner of any sale thereof in their sole discretion or to release or substitute any one or more other Guarantors or obligors upon or in respect of the Obligations, all without affecting the obligations of any Guarantor hereunder.

(b) To the fullest extent permitted by applicable law, each Guarantor waives any defense based on or arising out of any defense of the Borrower or any other Guarantor of the invalidity or unenforceability of the Obligations, or any part thereof from any cause, or the cessation from any cause of the liability of the Borrower or any other Guarantor, other than the occurrence of the Termination Date.

The Collateral Agent and the other Secured Parties may in accordance with the terms of the Collateral Documents, at their election, foreclose on any security held by one or more of them by one or more judicial or nonjudicial sales, accept an assignment of any such security in lieu of foreclosure, compromise or adjust any part of the Obligations, make any other accommodation with the Borrower or any other Guarantor or exercise any other right or remedy available to them against the Borrower or any other Guarantor, without affecting or impairing in any way the liability of any Guarantor hereunder, except to the extent the Termination Date has occurred. To the fullest extent permitted by applicable law, each Guarantor waives any defense arising out of any such election even though such election operates, pursuant to applicable law, to impair or to extinguish any right of reimbursement or subrogation or other right or remedy of such Guarantor against the Borrower or any other Guarantor, as the case may be, or any security. To the fullest extent permitted by applicable law, each Guarantor waives any and all suretyship defenses.

(c) Each Guarantor, and by its acceptance of this Agreement, the Collateral Agent and each other Secured Party, hereby confirms that it is the intention of all such Persons that this Agreement and the Obligations of each Guarantor hereunder not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Code, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar foreign, federal or state law to the extent applicable to this Guaranty and the Obligations of each Guarantor hereunder. To effectuate the foregoing intention, the Collateral Agent, the other Secured Parties and the Guarantors hereby irrevocably agree that the Obligations of each Guarantor under this Guaranty at any time shall be limited to the maximum amount as will result in the Obligations of such Guarantor under this Guaranty not constituting a fraudulent transfer or conveyance.

(d) Each Guarantor acknowledges that it will receive indirect benefits from the financing arrangements contemplated by the Loan Documents and that the waivers set forth in this Agreement are knowingly made in contemplation of such benefits.

SECTION 2.04. Reinstatement. Each of the Guarantors agrees that its guarantee hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment, or any part thereof, of any Obligation, is rescinded or must otherwise be restored by the Collateral Agent or any other Secured Party upon the bankruptcy, insolvency or reorganization of the Borrower, any other Guarantor or otherwise.

SECTION 2.05. Agreement To Pay; Subrogation. In furtherance of the foregoing and not in limitation of any other right that the Collateral Agent or any other Secured Party has at law or in equity against any Guarantor by virtue hereof, upon the failure of the Borrower or any other Guarantor to pay any Obligation when and as the same shall become due, whether at maturity, by acceleration, after notice of prepayment or otherwise, each Guarantor hereby promises to and will forthwith pay, or cause to be paid, to the Collateral Agent for distribution to the Secured Parties in cash the amount of such unpaid Obligation. Upon payment by any Guarantor of any sums to the Collateral Agent as provided above, all rights of such Guarantor against the Borrower or any other Guarantor arising as a result thereof by way of right of subrogation, contribution, reimbursement, indemnity or otherwise shall in all respects be subject to Article III.

SECTION 2.06. Information. Each Guarantor assumes all responsibility for being and keeping itself informed of the Borrower's and each other Guarantor's financial condition and assets, and of all other circumstances bearing upon the risk of nonpayment of the Obligations, and the nature, scope and extent of the risks that such Guarantor assumes and incurs hereunder, and agrees that none of the Collateral Agent or the other Secured Parties will have any duty to advise such Guarantor of information known to it or any of them regarding such circumstances or risks.

SECTION 2.07. Representations and Warranties. Each Guarantor hereby represents and warrants that this Agreement (i) has been duly executed and delivered by such Guarantor and (ii) constitutes a legal, valid and binding obligation of such Guarantor, enforceable against such Guarantor in accordance with its terms, except as such enforceability may be limited by Debtor Relief Laws and by general principles of equity.

SECTION 2.08. No Setoff or Deductions; Taxes; Payments. Each Guarantor shall make all payments hereunder in accordance with Section 3.01 of the Credit Agreement. The obligations of the Guarantor under this paragraph shall survive the payment in full of the Obligations and termination of this Guaranty.

SECTION 2.09. Limitation on Obligations of Guarantors. The obligations of each Guarantor under its Guarantee shall be limited to an aggregate amount equal to the largest amount that would not render such Guarantee subject to avoidance under Section 548 of the Bankruptcy Code or any comparable provisions of applicable law.

ARTICLE III

SUBROGATION AND SUBORDINATION

SECTION 3.01. Contribution and Subrogation. Each Guarantor (a "Contributing Party") agrees (subject to Section 3.02) that, in the event a payment shall be made by any other Guarantor hereunder in respect of any Obligation (the "Claiming Party"), the Contributing Party shall indemnify the Claiming Party in an amount equal to the amount of such payment, in each case multiplied by a fraction of which the numerator shall be the net worth of the Contributing Party on the date hereof and the denominator shall be the aggregate net worth of all the Contributing Parties together with the net worth of the Claiming Party on the date hereof (or, in the case of any Guarantor becoming a party hereto pursuant to Section 4.14, the date of the Guaranty Supplement hereto executed and delivered by such Guarantor). Any Contributing Party making any payment to a Claiming Party pursuant to this Section 3.01 shall be subrogated to the rights of such Claiming Party to the extent of such payment.

SECTION 3.02. Subordination.

(a) Notwithstanding any provision of this Agreement to the contrary, all rights of the Guarantors under Section 3.01 and all other rights of indemnity, contribution, reimbursement, exoneration or subrogation under applicable law or otherwise shall be fully subordinated to the Obligations until the occurrence of the Termination Date. No failure on the part of the Borrower or any Guarantor to make the payments required by Section 3.01 (or any other payments required under applicable law or otherwise) shall in any respect limit the obligations and liabilities of any Guarantor with respect to its obligations hereunder, and each Guarantor shall remain liable for the full amount of the obligations of such Guarantor hereunder.

(b) Each Guarantor hereby agrees that upon the occurrence and during the continuance of an Event of Default and after notice from the Collateral Agent (provided, that no notice shall be required in connection with any Event of Default pursuant to Section 8.01(f) of the Credit Agreement) no payment or distribution of any kind or character shall be made in respect of any Indebtedness owed to it by any Subsidiary ("Subordinated Intercompany Debt") (whether in cash, property or securities, including on account of the purchase, redemption or other acquisition of such debt) until the occurrence of the Termination Date. During the continuance of such Event of Default, so long as the Termination Date has not occurred, no Guarantor shall, (without the consent of the Collateral Agent):

(i) accelerate, make demand, or otherwise make due and payable prior to the original due date thereof any Subordinated Intercompany Debt or bring suit or institute any other actions or proceedings to enforce its rights or interests in respect of the obligations of any debtor in respect of Subordinated Intercompany Debt (a "Subordinated Debtor") owing to such Guarantor;

(ii) exercise any rights under or with respect to guaranties of the Subordinated Intercompany Debt, if any;

(iii) exercise any right to require any Subordinated Debtor to acquire any Subordinated Intercompany Debt (including exercising any put or call option against any Subordinated Debtor for the redemption or purchase of any Subordinated Intercompany Debt);

(iv) solely in its capacity as a creditor, contest, protest, or object to any exercise of secured creditor remedies by the Collateral Agent or any other Secured Party in connection with the Obligations;

(v) object to any forbearance by the Collateral Agent or any other Secured Party in connection with the Obligations;

ARTICLE IV
MISCELLANEOUS

SECTION 4.01. Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 10.02 of the Credit Agreement. All communications and notices hereunder to any Guarantor shall be given to it in care of the Borrower as provided in Section 10.02 of the Credit Agreement.

SECTION 4.02. Waivers; Amendment.

(a) No failure or delay by the Collateral Agent, any other Agent, any L/C Issuer, any Swing Line Lender or any Lender in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Collateral Agent, any other Agent, the L/C Issuers, the Swing Line Lenders and the Lenders hereunder and

under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Guarantor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 4.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Collateral Agent, any other Agent, any Lender, any Swing Line Lender or any L/C Issuer may have had notice or knowledge of such Default at the time. No notice or demand on any Guarantor in any case shall entitle any Guarantor to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Collateral Agent and the Guarantors with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Section 10.01 of the Credit Agreement.

SECTION 4.03. Collateral Agent's Fees and Expenses, Indemnification.

(a) The parties hereto agree that the Collateral Agent shall be entitled to reimbursement of its expenses incurred hereunder as provided in Section 10.04 of the Credit Agreement as if such section was set out in full herein *mutatis mutandis*.

(b) Without limitation of its indemnification obligations under the other Loan Documents, each Guarantor agrees to indemnify the Collateral Agent and the other Indemnitees (as defined in Section 10.05 of the Credit Agreement) in accordance with Section 10.05 of the Credit Agreement (as if such section was set out in full herein *mutatis mutandis*).

(c) Any such amounts payable as provided hereunder shall be additional Obligations guaranteed hereby and secured by the other Collateral Documents. The provisions of this Section 4.03 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan Document, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Collateral Agent or any other Secured Party. All amounts due under this Section 4.03 shall be payable within ten (10) days of written demand therefor setting forth such amounts in reasonable detail.

SECTION 4.04. Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Guarantor or the Collateral Agent that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

SECTION 4.05. Survival of Agreement. All covenants, agreements, representations and warranties made by the Guarantors in the Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance of any Letters of Credit, regardless of any investigation made by any Lender or on its behalf and notwithstanding that the Collateral Agent, any other Agent, any Swing Line Lender, any L/C Issuer or any Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended under the Credit Agreement, and shall continue in full force and effect until the Termination Date (except for Sections 2.08 and 4.03, which shall survive the Termination Date).

SECTION 4.06. Counterparts; Effectiveness; Several Agreement. This Agreement may be executed in counterparts, each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile transmission or other electronic communication (including ".pdf " or ".tif" files) shall be as effective as delivery of a manually signed counterpart of this Agreement. This Agreement shall become effective as to any Guarantor when a counterpart hereof executed on behalf of such Guarantor shall have been delivered to the Collateral Agent and a counterpart hereof shall have been executed on behalf of the Collateral Agent, and thereafter shall be binding upon such Guarantor and the Collateral Agent and their respective permitted successors and assigns, and shall inure to the benefit of such Guarantor, the Collateral Agent and the other Secured Parties and their respective successors and assigns, except that no Guarantor shall have the right to assign or transfer its rights or obligations hereunder or any interest herein (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement or the Credit Agreement. This Agreement shall be construed as a separate agreement with respect to each Guarantor and may be amended, modified, supplemented, waived or released with respect to any Guarantor without the approval of any other Guarantor and without affecting the obligations of any other Guarantor hereunder.

SECTION 4.07. Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 4.08. Right of Set-Off. In addition to any rights and remedies of the Lenders provided by Law, upon the occurrence and during the continuance of any Event of Default, each Agent and its Affiliates, each Lender and its Affiliates, each Swing Line Lender and its Affiliates and each L/C Issuer and its Affiliates is authorized at any time and from time to time, without prior notice to any Guarantor, any such notice being waived by each Guarantor to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Agent and its Affiliates, such Lender and its Affiliates, such Swing Line Lender and its Affiliates or such L/C Issuer and its Affiliates to or for the credit or the account of the respective Guarantor against any and all obligations owing to such Agent and its Affiliates, such Lender and its Affiliates, such Swing Line Lender and its Affiliates or such L/C Issuer and its Affiliates hereunder, now or hereafter existing, irrespective of whether or not such Agent and its Affiliates, such Lender or its Affiliates, such Swing Line Lender and its Affiliates or such L/C Issuer and its Affiliates shall have made demand under this Agreement and although such obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. Notwithstanding anything to the contrary contained herein, none of each Agent and its Affiliates, each Lender and its Affiliates, each Swing Line Lender and its Affiliates and each L/C Issuer and its Affiliates shall have a right to set off and apply any deposits held or other Indebtedness owing by such Agent or its Affiliates, such Lender or its Affiliates, such Swing Line Lender and its Affiliates or such L/C Issuer or its Affiliates, as the case may be, to or for the credit or the account of any Subsidiary of a Loan Party that is a Foreign Subsidiary or a Domestic Foreign Holding Company that is not itself a Loan Party. Each Lender, Swing Line Lender and L/C Issuer agrees promptly to notify the relevant Guarantor and the Collateral Agent after any such set off and application made by such Lender; provided, that the failure to give such notice shall not affect the validity of such setoff and application. The rights of each Agent, each Lender, each Swing Line Lender and each L/C Issuer under this Section 4.08 are in addition to other rights and remedies (including other rights of setoff) that the Collateral Agent, such Lender, such Swing Line Lender and such L/C Issuer may have.

Any execution and delivery of documents pursuant to this Section 4.13 shall be without recourse to or warranty by the Collateral Agent.

SECTION 4.14. Additional Guarantors. Any Person required to become party to this Agreement pursuant to Section 6.11 of the Credit Agreement may do so by executing and delivering a Guaranty Supplement and such Person shall become a Guarantor hereunder with the same force and effect as if originally named as a Guarantor herein. The execution and delivery of any such instrument shall not require the consent of any other Guarantor hereunder. The rights and obligations of each Guarantor hereunder shall remain in full force and effect notwithstanding the addition of any new Guarantor as a party to this Agreement.

SECTION 4.16. Other Waivers.

(i) all rights of subrogation, reimbursement, indemnification, and contribution and any other rights and defenses that are or may become available to the Guarantors by reason of Sections 2787 to 2855, inclusive, 2899, and 3433 of the California Civil Code or any similar laws of any other applicable jurisdiction; and

(ii) all rights and defenses arising out of an election of remedies by Collateral Agent, on behalf of the Secured Parties, even though that election of remedies, such as a

(b) Each of the Guarantors waives any right (except as shall be required by applicable statute and cannot be waived) to require Collateral Agent or any other Secured Party to (i) proceed against any other Loan Party or any other Person, (ii) proceed against or exhaust any security held from any other Loan Party or any other Person, or (iii) protect, secure, perfect, or insure any security interest or Lien on any property subject thereto or exhaust any right to take any action against any other Loan Party, any other Person, or any collateral, or (iv) pursue any other remedy in any Secured Party's power whatsoever.

(c) Each of the Guarantors represents, warrants, and agrees that each of the waivers set forth above is made with full knowledge of its significance and consequences and that if any of such waivers are determined to be contrary to any applicable law or public policy, such waivers shall be effective to the maximum extent permitted by law.

(d) The provisions in this Section 4.16, which refer to certain sections of the California Civil Code or the California Code of Civil Procedure are included in this Guaranty solely out of an abundance of caution and shall not be construed to mean that any of the above-referenced provisions of California law are in any way applicable to this Guaranty.

TO HAVE AND TO HOLD the Pledged Collateral, together with all right, title, interest, powers, privileges and preferences pertaining or incidental thereto, unto the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, forever, subject, however, to the terms, covenants and conditions hereinafter set forth.

SECTION 2.02 Delivery of the Pledged Collateral.

(a) Each Grantor agrees promptly (and in any event (i) with respect to Pledged Securities owned on the Closing Date, within the time period set forth on Schedule 1 and (ii) with respect to Pledged Securities acquired after the Closing Date, within sixty (60) days (as such date may be extended by the Collateral Agent in its sole discretion) of receipt thereof) to deliver or cause to be delivered to the Collateral Agent, for the benefit of the Secured Parties, any and all Pledged Securities (other than any uncertificated securities, but only for so long as such securities remain uncertificated); *provided* that, in the case of promissory notes or other instruments evidencing Indebtedness, such Pledged Securities shall be required to be delivered only to the extent required pursuant to paragraph (b) of this Section 2.02.

(b) Each Grantor will cause (i) any Indebtedness for borrowed money (other than intercompany loans referred to in clause (ii) below) having an aggregate principal amount in excess of $2,500,000 individually or $5,000,000 in the aggregate owed to such Grantor by any Person and (ii) any intercompany loans owed to such Grantor, in each case to be evidenced by a duly executed promissory note (or pursuant to a global note) that is delivered to the Collateral Agent, for the benefit of the Secured Parties, pursuant to the terms hereof; *provided*, that intercompany loans with a stated principal amount that is equal to or less than $2,500,000 individually or $5,000,000 in the aggregate shall not be required to be evidenced by a promissory note and delivered to the Collateral Agent.

Each delivery of Pledged Securities shall be accompanied by a schedule describing the securities, which schedule shall be attached hereto as Schedule 1 and made a part hereof; *provided* that failure to attach any such schedule hereto shall not affect the validity of such pledge of such Pledged Securities. Each schedule so delivered shall supplement or otherwise modify, as applicable, any prior schedules so delivered.

SECTION 2.03 Representations, Warranties and Covenants. Each Grantor represents, warrants and covenants to and with the Collateral Agent, for the benefit of the Secured Parties, that:

(a) as of the date hereof, Schedule 1 correctly sets forth the percentage of the issued and outstanding units or shares (as applicable) of each class of the Equity Interests of the issuer thereof represented by the Pledged Equity and includes all Equity Interests, debt securities and promissory notes required to be pledged hereunder in order to satisfy the Collateral and Guarantee Requirement;

(b) each Grantor has good and valid rights in and title to the Pledged Collateral with respect to which it has purported to grant a Security Interest hereunder and has full power and authority to grant to the Collateral Agent the Security Interest in such Pledged Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person, except for (i) consents and approvals which have been obtained and are in full force and effect and (ii) consents and approvals the failure of which to obtain could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect;

(c) the Pledged Equity and Pledged Debt (solely with respect to Pledged Debt issued by a Person other than a Grantor or a Subsidiary of the Grantors, to the best of the Grantors' knowledge) have been duly and validly authorized and issued by the issuers thereof and (i) in the case of Pledged Equity, are fully paid and, in the case of Pledged Equity representing corporate interests, nonassessable and (ii) in the case of Pledged Debt (solely with respect to Pledged Debt issued by a Person other than a Grantor or a Subsidiary of the Grantors, to the best of the Grantors' knowledge), are legal, valid and binding obligations of the issuers thereof;

(d) except for the security interests granted hereunder, each of the Grantors (i) is and will continue to be the direct owner, beneficially and of record, of the Pledged Securities indicated on Schedule 1 as owned by such Grantors, (ii) holds the same free and clear of all Liens, (iii) will make no assignment, pledge, hypothecation or transfer of, or create or permit to exist any security interest in or other Lien on, the Pledged Collateral and (iv) will use commercially reasonable efforts to defend its title or interest thereto or therein against any and all Liens however arising, of all Persons whomsoever, in each case subject to (x) any transfers made in compliance with the Credit Agreement and (y) Permitted Liens;

(e) except for restrictions and limitations imposed or permitted by the Loan Documents, or securities or other laws generally and except as described in the Perfection Information, the Pledged Collateral is and will continue to be freely transferable and assignable, and none of the Pledged Collateral is or will be subject to any option, right of first refusal or Organization Document provisions that might prohibit, impair, delay or otherwise affect in any manner material and adverse to the Secured Parties the pledge of such Pledged Collateral hereunder, the sale or disposition thereof pursuant hereto or the exercise by the Collateral Agent of rights and remedies hereunder;

(f) each of the Grantors has the power and authority to pledge the Pledged Collateral pledged by it hereunder in the manner hereby done or contemplated;

(g) other than as set forth in the Credit Agreement, no consent or approval of any Governmental Authority or any other Person was or is necessary for the validity of the pledge effected hereby, except for (i) filings necessary to perfect the Liens on the Collateral granted by the Grantors in favor of the Secured Parties, (ii) the consents and approvals which have been obtained and are in full force and effect and (iii) consents and approvals the failure of which to obtain could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect;

(h) by virtue of the execution and delivery by the Grantors of this Agreement, when any Pledged Securities are delivered to the Collateral Agent in accordance with this Agreement, the Collateral Agent will obtain a legal, valid and perfected lien upon and security interest in such Pledged Securities as security for the payment and performance of the Obligations, free and clear of all Liens (subject to Permitted Liens);

(i) the pledge effected hereby is effective to vest in the Collateral Agent, for the benefit of the Secured Parties, the rights of the Collateral Agent in the Pledged Collateral as set forth herein; and

(j) with respect to any issuer of any Pledged Equity that is not certificated (the "Pledged Uncertificated Equity"), each Grantor represents and warrants to the Collateral Agent that the issuer of such Pledged Uncertificated Equity has not "opted-in" to Article 8 of the UCC with respect to the Pledged Uncertificated Equity issued by it by providing in any of its certificate or articles of formation, partnership agreement, operating agreement or any other entity governance document or any other document governing or evidencing the Pledged Uncertificated Equity issued by it and that the Pledged Uncertificated Equity issued by it shall not be "securities" as governed by and defined in Article 8 of the UCC.

SECTION 2.04 Certification of Limited Liability Company and Limited Partnership Interests. Each certificate representing an interest in any limited liability company or limited partnership owned by any Grantor and pledged under Section 2.01 shall be delivered to the Collateral Agent in accordance with Section 2.02, together with undated powers (or other documents of transfer acceptable to the Collateral Agent) endorsed in blank with respect to such certificates

SECTION 2.05 Registration in Nominee Name; Denominations.

(a) The Collateral Agent, on behalf of the Secured Parties, shall have the right (in its sole and absolute discretion) to hold the Pledged Securities in its own name as pledgee, the name of its nominee (as pledgee or as sub-agent) or the name of the applicable Grantor, endorsed or assigned in blank or in favor of the Collateral Agent, if an Event of Default shall occur and be continuing and the Collateral Agent shall give the Borrower prior written notice of its intent to exercise such rights, and each Grantor will promptly give to the Collateral Agent copies of any notices or other communications received by it with respect to Pledged Securities registered in the name of such Grantor.

(b) If an Event of Default shall occur and be continuing and the Collateral Agent shall give the Borrower prior written notice of its intent to exercise such rights, the Collateral Agent shall have the right to exchange the certificates representing Pledged Securities for certificates of smaller or larger denominations for any purpose consistent with this Agreement and the other Loan Documents.

SECTION 2.06 Voting Rights; Dividends and Interest.

(a) Unless and until an Event of Default shall have occurred and be continuing and, in the case of Pledged Collateral, the Collateral Agent shall have given prior two (2) Business Days' prior written notice (provided, that such notice may be concurrent in connection with any Event of Default pursuant to Section 8.01(a) or Section 8.01(f) of the Credit Agreement) to the Borrower that the rights of the Grantors under this Section 2.06 are being suspended:

(i) Each Grantor shall be entitled to exercise any and all voting and/or other consensual rights and powers inuring to an owner or holder of Pledged Collateral or any part thereof for any purpose consistent with the terms of this Agreement, the Credit Agreement and the other Loan Documents; *provided* that such rights and powers shall not be exercised by any Grantor in any manner that could materially and adversely affect the rights inuring to a holder of any Pledged Collateral or the rights and remedies of any of the Collateral Agent or the other Secured Parties under this Agreement, the Credit Agreement or any other Loan Document or the ability of the Secured Parties to exercise the same, unless such exercise of powers is in connection with an action permitted by the Credit Agreement.

(ii) The Collateral Agent shall execute and deliver to each Grantor, or cause to be executed and delivered to each Grantor, all such proxies, powers of attorney and other instruments as each Grantor may reasonably request for the purpose of enabling such Grantor to exercise the voting and/or consensual rights and powers it is entitled to exercise pursuant to subparagraph (i) above.

(iii) Each Grantor shall be entitled to receive and retain any and all dividends, interest, principal and other distributions paid on or distributed in respect of the Pledged Collateral to the extent and only to the extent that such dividends, interest, principal and other distributions are permitted by, and otherwise paid or distributed in accordance with, the terms and conditions of the Credit Agreement, the other Loan Documents and applicable Laws; *provided* that any noncash dividends, interest, principal or other distributions that would constitute Pledged Collateral, whether resulting from a subdivision, combination or reclassification of the outstanding Equity Interests of the issuer of any Pledged Collateral or received in exchange for Pledged Collateral or any part thereof, or in redemption thereof, or as a result of any merger, consolidation, acquisition or other exchange of assets to which such issuer may be a party or otherwise, shall be and become part of the Pledged Collateral, and, if received by any Grantor, shall not be commingled by such Grantor with any of its other funds or property but shall be held separate and apart therefrom, shall be held in trust for the benefit of the Collateral Agent and the Secured Parties and, if required by Section 2.02, shall be forthwith delivered to the Collateral Agent in the same form as so received (with any necessary endorsement reasonably requested by the Collateral Agent). So long as no Event of Default has occurred and is continuing, the Collateral Agent shall promptly deliver to each Grantor at such Grantor's expense any Pledged Securities in its possession if requested in writing to be delivered to the issuer thereof in connection with any exchange or redemption of such Pledged Securities permitted by the Credit Agreement in accordance with this Section 2.06(a)(iii).

(b) Upon the occurrence and during the continuance of an Event of Default and after the Collateral Agent shall have provided two (2) Business Days' prior written notice to the Borrower (provided, that such notice may be concurrent in connection with any Event of Default pursuant to Section 8.01(a) or Section 8.01(f) of the Credit Agreement) of the suspension of the rights of the Grantors under

paragraph (a)(iii) of this Section 2.06, then all rights of any Grantor to dividends, interest, principal or other distributions that such Grantor is authorized to receive pursuant to paragraph (a)(iii) of this Section 2.06 shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall have the sole and exclusive right and authority to receive and retain such dividends, interest, principal or other distributions. All dividends, interest, principal or other distributions received by any Grantor contrary to the provisions of this Section 2.06 shall be held in trust for the benefit of the Collateral Agent, shall be segregated from other property or funds of such Grantor and shall be forthwith delivered to the Collateral Agent upon request in the same form as so received (with any necessary endorsement reasonably requested by the Collateral Agent). Any and all money and other property paid over to or received by the Collateral Agent pursuant to the provisions of this paragraph (b) shall be retained by the Collateral Agent in an account to be established by the Collateral Agent upon receipt of such money or other property and shall be applied in accordance with the provisions of Section 4.02. After all Events of Default have been cured or waived and the Borrower has delivered to the Collateral Agent a certificate to that effect, the Collateral Agent shall promptly repay to each Grantor (without interest) all dividends, interest, principal or other distributions that such Grantor would otherwise be permitted to retain pursuant to the terms of paragraph (a)(iii) of this Section 2.06 and that remain in such account.

(c) Upon the occurrence and during the continuance of an Event of Default, after the Collateral Agent shall have provided two (2) Business Days prior written notice to the Borrower (provided that such notice may be concurrent in connection with any Event of Default pursuant to Section 8.01(a) or Section 8.01(f) of the Credit Agreement) of the suspension of the rights of the Grantors under paragraph (a)(i) of this Section 2.06, then all rights of any Grantor to exercise the voting and consensual rights and powers it is entitled to exercise pursuant to paragraph (a)(i) of this Section 2.06, and the obligations of the Collateral Agent under paragraph (a)(ii) of this Section 2.06, shall cease, and all such rights shall thereupon become vested in the Collateral Agent, which shall have the sole and exclusive right and authority to exercise such voting and consensual rights and powers; *provided* that, unless otherwise directed by the Required Lenders, the Collateral Agent shall have the right from time to time following and during the continuance of an Event of Default to permit the Grantors to exercise such rights. After all Events of Default have been cured or waived, each Grantor shall have the exclusive right to exercise the voting and/or consensual rights and powers that such Grantor would otherwise be entitled to exercise pursuant to the terms of paragraph (a)(i) of this Section 2.06 and the Collateral Agent shall have all the obligations it would otherwise have under paragraph (a)(ii) of this Section 2.06.

(d) Any notice given by the Collateral Agent to the Grantors suspending the rights of the Grantors of Pledged Collateral under paragraph (a) of this Section 2.06 (i) shall be given in writing, (ii) may be given with respect to one or more of the Grantors at the same or different times and (iii) may suspend the rights of the Grantors under paragraph (a)(i) or paragraph (a)(iii) of this Section 2.06 in part without suspending all such rights (as specified by the Collateral Agent in its sole and absolute discretion) and without waiving or otherwise affecting the Collateral Agent's rights to give additional notices from time to time suspending other rights so long as an Event of Default has occurred and is continuing.

SECTION 2.07 Uncertificated Securities. No Grantor will permit any issuer of Pledged Securities, which Pledged Securities are uncertificated, to modify its Organization Documents or otherwise elect to treat such Pledged Securities as certificated stock or as a security pursuant to Section 8-103(c) of the UCC without providing the Collateral Agent with prompt written notice thereof, and delivering all certificates evidencing such Pledged Securities to the Collateral Agent in accordance with Section 2.02.

(b) Each Grantor hereby irrevocably authorizes the Collateral Agent for the benefit of the Secured Parties at any time and from time to time to file in any relevant jurisdiction any initial financing statements (including fixture filings) with respect to the Article 9 Collateral or any part thereof and amendments thereto that (i) indicate the Collateral as all assets of such Grantor or words of similar effect or being of an equal or lesser scope or with greater detail, and (ii) contain the information required by Article 9 of the Uniform Commercial Code or the analogous legislation of each applicable jurisdiction for the filing of any financing statement or amendment, including whether such Grantor is an organization, the type of organization and, if applicable, any organizational identification number or incorporation number issued to such Grantor. Each Grantor agrees to provide such information to the Collateral Agent promptly upon request.

(d) The Security Interest is granted as security only and shall not subject the Collateral Agent or any other Secured Party to, or in any way alter or modify, any obligation or liability of any Grantor with respect to or arising out of the Article 9 Collateral.

SECTION 3.02 Representations and Warranties. Each Grantor jointly and severally represents and warrants to the Collateral Agent and the other Secured Parties, that:

(a) Each Grantor has good and valid rights in and title to or has a right to use the Article 9 Collateral with respect to which it has purported to grant a Security Interest hereunder, subject to Permitted Liens, and has full power and authority to grant to the Collateral Agent the Security Interest in such Article 9 Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person, except for (i) consents and approvals which have been obtained and are in full force and effect and (ii) consents and approvals the failure of which to obtain could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(b) This Agreement has been duly executed and delivered by each Grantor that is a party hereto. This Agreement constitutes a legal, valid and binding obligation of such Grantor, enforceable against each Grantor that is a party hereto in accordance with its terms, except as such enforceability may be limited by Debtor Relief Laws and by general principles of equity.

(c) (i) The Perfection Information has been duly prepared, completed and executed and the information set forth therein, including the exact legal name of each Grantor, is correct and complete in all material respects (or in all respects in the case of the exact legal name of each Grantor) as of the Closing Date.

(ii) The UCC financing statements (including fixture filings, as applicable) or other appropriate filings, recordings or registrations prepared by the Collateral Agent based upon the information provided to the Collateral Agent in the Perfection Information for filing in each governmental, municipal or other office specified in Section 3 to the Perfection Information (or specified by notice from such Grantor to the Collateral Agent after the Closing Date in the case of filings, recordings or registrations required by Section 6.11 of the Credit Agreement), are all the filings, recordings and registrations (other than filings required to be made in the United States Patent and Trademark Office or the United States Copyright Office in order to perfect the Security Interest in Article 9 Collateral consisting of United States pending or issued Patents, United States applied for or registered Trademarks, and United States applied for and registered Copyrights, in each case, owned by such Grantor) that are necessary to establish a legal, valid and perfected security interest in favor of the Collateral Agent (for the benefit of the Secured Parties) in respect of all Article 9 Collateral in which the Security Interest may be perfected by filing, recording or registration in the United States (or any political subdivision thereof) and its territories and possessions, and no further or subsequent filing, refiling, recording, rerecording, registration or reregistration is necessary in any such jurisdiction, except as provided under applicable law with respect to the filing of continuation statements.

(iii) That a fully executed agreement in the form ofExhibit II hereto has been delivered to the Collateral Agent for recording by, as applicable, the United States Patent and Trademark Office or the United States Copyright Office pursuant to 35 U.S.C. § 261, 15 U.S.C. § 1060 or 17 U.S.C. § 205 and the regulations thereunder, as applicable, to establish a valid and perfected security interest in favor of the Collateral Agent (for the benefit of the Secured Parties) in respect of all Collateral consisting of registrations and applications for Patents and Trademarks and registrations for Copyrights in which a security interest may be perfected by filing such agreement in, as applicable, the United States Patent and Trademark Office or the United States Copyright Office, as applicable, and no further or subsequent filing or refiling is necessary (other than (x) such filings and actions as are necessary to perfect the Security Interest with respect to any United States After-Acquired Intellectual Property and (y) the filing of Uniform Commercial Code financing and continuation statements contemplated in subsection (ii) of this Section 3.02(c)).

(iv) Schedule 4 annexed hereto sets forth all of the Deposit Accounts and Securities Accounts owned by each Grantor as of the Closing Date. As of the Closing Date, such Grantor is the sole account holder of each such Deposit Account and Securities Account and such Grantor has not consented to, and is not otherwise aware of, any Person (other than the Collateral Agent) having either sole dominion and control (within the meaning of common law) or "control" (within the meaning of Sections 9-104 and 9-106 of the UCC) over, or any other interest in, any such Deposit Account and Securities Account or any money, securities, or other property deposited therein,

except for, subject to the relevant Control Agreement, the account bank or securities intermediary party to such Control Agreement. With respect to any Deposit Account or Securities Account, by virtue of the execution and delivery of Control Agreements to the extent required by this Agreement, the security interests and Liens granted to the Collateral Agent for the benefit of the Secured Parties hereunder will constitute valid and perfected security interests in and Liens on such Deposit Accounts or Securities Accounts, prior to all other Liens (except for Permitted Liens).

(d) The Security Interest shall constitute (i) a legal and valid security interest in all the Article 9 Collateral securing the payment and performance of the Obligations, including the Guaranty, (ii) subject to the filings described in Section 3.02(c) (including payment of applicable fees in connection therewith), a perfected security interest in all Article 9 Collateral in which a security interest may be perfected by filing, recording or registering a financing statement or analogous document in the United States (or any political subdivision thereof) and its territories and possessions pursuant to the Uniform Commercial Code in the relevant jurisdiction, and (iii) subject to the filings described in Section 3.02(c), a security interest that shall be perfected in all Article 9 Collateral in which a security interest may be perfected upon the receipt and recording of a fully executed agreement in the form of Exhibit II hereto with, as applicable, the United States Patent and Trademark Office or the United States Copyright Office, within the three-month period (commencing as of the date hereof) pursuant to 35 U.S.C. § 261 or 15 U.S.C. § 1060 or the one-month period (commencing as of the date hereof) pursuant to 17 U.S.C. § 205. The Security Interest is and shall be prior to any other Lien on any of the Article 9 Collateral, other than Permitted Liens. Notwithstanding the foregoing, nothing in this Agreement or any other Loan Document shall require any Grantor to (A) make any filings or take any other actions to record or perfect the Collateral Agent's lien on and Security Interest in any Intellectual Property (x) in any office other than in the United States Patent and Trademark Office or in the United States Copyright Office, or (y) subsisting outside of the United States, or to (B) reimburse the Administrative Agent for any costs or expenses incurred in connection with making such filings or taking any other such action.

(e) The Article 9 Collateral is owned by the Grantors free and clear of any Lien, except for Permitted Liens. None of the Grantors has filed or consented to the filing of (i) any financing statement or analogous document under the Uniform Commercial Code (including the New York UCC) in any applicable jurisdiction or any other applicable laws covering any Article 9 Collateral or (ii) any assignment in which any Grantor assigns any Article 9 Collateral or any security agreement or similar instrument covering any Article 9 Collateral with any foreign governmental, municipal or other office, which financing statement or analogous document, assignment, security agreement or similar instrument is still in effect, except, in each case, for Permitted Liens.

(f) *Intellectual Property Collateral.*

(ii) on the Closing Date, each Grantor owns or possesses the right to use the Collateral consisting of Intellectual Property with respect to which it has purported to grant a Security Interest hereunder, free and clear of all Liens, claims, encumbrances and licenses, except for Permitted

Liens, and has full power and authority to grant to the Collateral Agent the Security Interest in such Collateral pursuant hereto and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person other than any consent or approval that has been obtained;

(iii) to each Grantor's knowledge after reasonable inquiry, (x) no third party has infringed or misappropriated or is currently infringing or misappropriating any Intellectual Property rights owned by such Grantor and (y) no Grantor has infringed or misappropriated or is currently infringing or misappropriating any Intellectual Property rights owned by any third party, in each case, that either individually or in the aggregate could be expected to result in a Material Adverse Effect;

(iv) Each Grantor has taken reasonable steps to maintain the confidentiality of and otherwise protect and enforce its rights in all trade secrets consisting of Material Intellectual Property, except as could not reasonably be expected either individually or in the aggregate to result in a Material Adverse Effect;

(v) except as would not reasonably be expected either individually or in the aggregate to result in a Material Adverse Effect, to each Grantor's knowledge, no third party is infringing or misappropriating any Material Intellectual Property owned by or exclusively licensed to such Grantor; and

(vi) the proprietary software owned or exclusively licensed to a Grantor and included in the Material Intellectual Property licensed (including as a service) or distributed by any Grantor to other Persons is not subject to any "copyleft" or other obligation or condition (including any obligation or condition under any "open source" license such as the GNU General Public License, GNU Lesser General Public License, GNU Affero Public License, or Mozilla Public License) that would require or condition the use or distribution of such software, on the disclosure, licensing, or distribution of the source code of the proprietary software.

(g) The Perfection Information includes a true and correct list of all Commercial Tort Claims filed in a court of competent jurisdiction and asserting damages in excess of $5,000,000, held by any Grantor, including a brief description thereof.

SECTION 3.03 Covenants.

(a) Each Grantor agrees (i) promptly (and, in any event, no later than ten (10) Business Days following any such change) to notify the Collateral Agent in writing of any change (x) in legal name of any Grantor, (y) in the identity or type of organization or corporate structure of any Grantor or (z) in its organizational identification number (in the case of this clause (z), to the extent an organizational identification number is required by applicable law to be disclosed on the UCC financing statements for such Grantor) and (ii) at least three (3) Business Days prior to the date thereof to notify the Collateral Agent in writing of any change in the jurisdiction of organization or incorporation of any Grantor.

(b) Each Grantor shall, at its own expense, take any and all commercially reasonable actions necessary to defend title to the Article 9 Collateral against all Persons and to defend the Security Interest of the Collateral Agent in the Article 9 Collateral and the priority thereof against any Lien other than Permitted Liens.

(c) On each date on which a Compliance Certificate is required to be delivered pursuant to Section 6.02(a) of the Credit Agreement (or, if an Event of Default has occurred and is

continuing, more frequently if requested by Collateral Agent), the Borrower shall deliver to the Collateral Agent an appropriate supplement to this Agreement substantially in the form of Exhibit II or III hereto, as applicable, with respect to all After-Acquired Intellectual Property owned by each Grantor as of the last day of the prior fiscal quarter and as of the date of such supplement, but only to the extent that such After-Acquired Intellectual Property is an issued Patent (or application therefor), registered Trademark (or application therefor) or a registered Copyright (or application therefor), in each case, which is issued in or registered or pending with, as applicable, the United States Patent and Trademark Office or the United States Copyright Office, to the extent that such After Acquired Intellectual Property is not covered by any previous short form agreement in the form of Exhibit III so signed and delivered by it.

(d) Notwithstanding Section 3.03(c), if any Grantor files an application for the registration of any Copyright with the United States Copyright Office or such Grantor receives any notice of registration of any Copyright from the United States Copyright Office, such Grantor shall provide to the Collateral Agent notice thereof no later than five (5) Business Days following filing or receipt of the registration (as applicable). Upon the request of the Collateral Agent, the Grantor will promptly deliver documentation sufficient for the Collateral Agent to perfect the Collateral Agent's Security Interest on such Copyright application and/or registration. If any Grantor acquires from any third party any Copyright registered with the United States Copyright Office or an application to register any Copyright with the United States Copyright Office, such Grantor shall notify the Collateral Agent no later than five (5) Business Days following such acquisition, and upon the Collateral Agent's request, promptly deliver to the Collateral Agent, documentation sufficient for the Collateral Agent to perfect the Collateral Agent's Security Interest on such Copyright. In the case of such Copyright registrations or applications therefor which were acquired by any Grantor, each such Grantor shall no later than ten (10) Business Days following such acquisition file the necessary documents with the appropriate Governmental Authority identifying the applicable Grantor as the owner (or as a co-owner, if such is the case) of such Copyrights.

(e) The Borrower agrees, on its own behalf and on behalf of each other Grantor, at its own expense, to execute, acknowledge, deliver and cause to be duly filed all such further instruments and documents and take all such actions as the Collateral Agent may from time to time reasonably request to obtain, preserve, protect and perfect the Security Interest and the rights and remedies created hereby, including the payment of any fees and taxes required in connection with the execution and delivery of this Agreement, the granting of the Security Interest and the filing of any financing statements (including fixture filings) or other documents in connection herewith or therewith. If any amount payable to any Grantor under or in connection with any of the Article 9 Collateral that is in excess of $2,500,000, individually, shall be or become evidenced by any promissory note or other instrument, such note or instrument shall be pledged in accordance with Section 3.04(a) and delivered to the Collateral Agent in accordance with Section 3.04(a), for the benefit of the Secured Parties, duly endorsed in a manner reasonably satisfactory to the Collateral Agent.

(f) At its option, the Collateral Agent may, with three (3) Business Days' prior written notice to the Borrower, discharge past due taxes, assessments, charges, fees, Liens, security interests or other encumbrances at any time levied or placed on the Article 9 Collateral and not constituting Permitted Liens, and may pay for the maintenance and preservation of the Article 9 Collateral to the extent any Grantor fails to do so as required by the Credit Agreement or this Agreement and within a reasonable period of time after the Collateral Agent has requested that it do so. Nothing in this paragraph shall be interpreted as excusing any Grantor from the performance of, or imposing any obligation on the Collateral Agent or any Secured Party to cure or perform, any covenants or other promises of any Grantor with respect to taxes, assessments, charges, fees, Liens, security interests or other encumbrances and maintenance as set forth herein or in the other Loan Documents.

(g) If at any time any Grantor shall take a security interest in any property of an Account Debtor or any other Person, the value of which is in excess of $2,500,000, to secure payment and performance of an Account, such Grantor shall promptly collaterally assign such security interest to the Collateral Agent for the benefit of the Secured Parties. Such assignment need not be filed of public record unless necessary to continue the perfected status of the security interest against creditors of and transferees from the Account Debtor or other Person granting the security interest.

(h) Each Grantor (rather than the Collateral Agent or any Secured Party) shall remain liable (as between itself and any relevant counterparty) to observe and perform all the conditions and obligations to be observed and performed by it under each contract, agreement or instrument relating to the Article 9 Collateral, all in accordance with the terms and conditions thereof, and each Grantor jointly and severally agrees to indemnify and hold harmless the Collateral Agent and the other Secured Parties from and against any and all liability for such performance.

(i) *Covenants Regarding Deposit Accounts and Securities Accounts.*

(i) With respect to any Deposit Account and Securities Account other than any Excluded Accounts maintained by any Grantor, such Grantor shall within the time period set forth in the Credit Agreement with respect to Deposit Accounts and Securities Accounts, enter into and shall cause the depositary institution or securities intermediary, as the case maybe, maintaining such account to enter into a Control Agreement with respect to such Deposit Account or Securities Accounts.

(ii) Such Grantor shall give the Collateral Agent prompt notice of the establishment of any new Deposit Account or Securities Account established by such Grantor with respect to any Collateral held by such Grantor.

(j) *Covenants Regarding Intellectual Property.*

(i) Without limiting the generality of the foregoing, each Grantor hereby authorizes the Collateral Agent, with notice in connection with the delivery of the financial statements required under Section 6.01(a) and 6.01(b) of the Credit Agreement thereof to the Grantors, to supplement this Agreement by supplementing Schedule 3 hereto to specifically identify any asset or item owned by the Grantor that may constitute a registration or application for Copyrights, Patents or Trademarks, as applicable, with the United States Patent and Trademark Office or the United States Copyright Office; provided that any Grantor shall have the right, exercisable within fifteen (15) days after it has been notified by the Collateral Agent of the specific identification of such Collateral, to advise the Collateral Agent in writing of any material inaccuracy of the representations and warranties made by such Grantor hereunder with respect to such Collateral.

(ii) Subject, for the avoidance of doubt, to clause (vi) below, each Grantor agrees to take, at its expense, such reasonable steps as it determines are appropriate in its reasonable business judgment in the United States Patent and Trademark Office (the "USPTO") or the United States Copyright Office (the "USCO"), and any other governmental authority located in the United States, to (x) maintain any Intellectual Property registered with or applied for registration with the USPTO or USCO ("Registered IP") consisting of Material Intellectual Property owned by or exclusively licensed pursuant to the license set forth on part (iv) of Schedule 3 to such Grantor in full force and effect, and (y) pursue the maintenance of or prosecution of Registered IP consisting of Material Intellectual Property owned by or exclusively licensed to, now or hereafter included in the Collateral of such Grantor, including, without limitation, the payment of required fees and taxes, the filing of applications for renewal, the filing of affidavits under Sections 8 and 15 or the U.S. Trademark Act and the payment of maintenance fees.

(iii) Subject, for the avoidance of doubt, to clause (vi) below, each Grantor agrees to take, at its expense, such reasonable steps as it determines are appropriate, to enforce and defend any Collateral consisting Material Intellectual Property owned by or exclusively licensed pursuant to the license set forth on part (iv) of Schedule 3 to such Grantor, and no Grantor shall knowingly do or authorize any act or knowingly omit to do any act whereby any Collateral consisting of Material Intellectual Property owned by such Grantor may prematurely lapse, be terminated, or become invalid or unenforceable or abandoned (or in the case of a trade secret, becomes publicly known).

(iv) Subject, for the avoidance of doubt, to clause (vi) below, each Grantor shall take commercially reasonable steps as it determines are appropriate to preserve and protect each item of Collateral consisting of Material Intellectual Property owned by or exclusively licensed pursuant to the license set forth on part (iv) of Schedule 3 to such Grantor to the extent required under applicable law, including, without limitation, maintaining the quality of any and all products or services used or provided in connection with any of the material Trademarks, substantially consistent with the quality of the products and services as of the date hereof.

(v) Each Grantor agrees that, should it obtain ownership of or an exclusive license that would have, if in existence as of the Closing Date, have been set forth on part (iv) of Schedule 3 to any Collateral consisting of Intellectual Property after the Closing Date, or should any U.S. trademark application (or registration resulting therefrom) initially filed on an intent-to-use basis no longer constitute Excluded Property ("After-Acquired Intellectual Property") (i) the provisions of this Agreement shall automatically apply thereto and (ii) any such After-Acquired Intellectual Property shall automatically become part of the Collateral subject to the terms and conditions of this Agreement with respect thereto.

(vi) Notwithstanding anything to the contrary contained herein, nothing in this Agreement prevents any Grantor from disposing of, discontinuing the use or maintenance of, failing to pursue, ceasing to preserve or protect, or otherwise allowing to lapse, terminate, be abandoned, be invalidated, become unenforceable, or be put into the public domain, any Intellectual Property included in the Collateral to the extent permitted under the Credit Agreement or if such Grantor determines in its reasonable business judgment that it is desirable or otherwise reasonable to do so in the conduct of its business.

(vii) Each Grantor shall ensure that the proprietary software owned or exclusively licensed to a Grantor and included in the Material Intellectual Property licensed (including as a service) or distributed by any Grantor to other Persons is not subject to any "copyleft" or other obligation or condition (including any obligation or condition under any "open source" license such as the GNU General Public License, GNU Lesser General Public License, GNU Affero Public License, or Mozilla Public License) that would require or condition the use or distribution of such software, on the disclosure, licensing, or distribution of the source code of the proprietary software.

(k) [Reserved].

(l) If the Grantors (or any of them) obtain Commercial Tort Claims having a value, or involving an asserted claim, in the amount of $5,000,000 or more individually for any Commercial Tort Claim, then the applicable Grantor or Grantors shall promptly (and in any event within five Business Days (or such longer period as agreed to by the Collateral Agent in writing in its sole discretion) of obtaining

such Commercial Tort Claim), notify the Collateral Agent upon incurring or otherwise obtaining such Commercial Tort Claims and, promptly (and in any event within five Business Days (or such longer period as agreed to by Collateral Agent in writing in its sole discretion)) after request by Collateral Agent, amend Schedule 2 to describe such Commercial Tort Claims in a manner that reasonably identifies such Commercial Tort Claims and which is otherwise reasonably satisfactory to the Collateral Agent, and hereby authorizes the filing of additional financing statements or amendments to existing financing statements describing such Commercial Tort Claims, and agrees to do such other acts or things deemed necessary or desirable by the Collateral Agent to give Collateral Agent a first priority (subject only to Permitted Liens which are non-consensual Permitted Liens, permitted purchase money Liens, or the interests of lessors under Capital Leases), perfected security interest in any such Commercial Tort Claim.

SECTION 3.04 Other Actions. In order to further insure the attachment, perfection and priority of, and the ability of the Collateral Agent to enforce, the Security Interest, each Grantor agrees, in each case at such Grantor's own expense, to take the following actions with respect to the following Article 9 Collateral:

(a) *Instruments*. Except to the extent otherwise provided in Article II, if any Grantor shall at any time hold or acquire any Instruments (other than checks to be deposited in the ordinary course of business) constituting Collateral and evidencing an amount in excess of $2,500,000, such Grantor shall forthwith endorse, collaterally assign and deliver the same to the Collateral Agent for the benefit of the Secured Parties, accompanied by such instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably request.

(b) *Investment Property.* Except to the extent otherwise provided in Article II, if any Grantor shall at any time hold or acquire any certificated securities constituting Collateral evidencing an individual aggregate amount in excess of $2,500,000, such Grantor shall forthwith endorse, assign and deliver the same to the Collateral Agent for the benefit of the Secured Parties, accompanied by such instruments of transfer or assignment duly executed in blank as the Collateral Agent may from time to time reasonably request. Except to the extent otherwise provided in Section 2.07, if any securities now or hereafter acquired by any Grantor are uncertificated and are issued to such Grantor or its nominee directly by the issuer thereof, upon the Collateral Agent's request and following the occurrence and continuance of an Event of Default such Grantor shall promptly notify the Collateral Agent thereof and, at the Collateral Agent's reasonable request, pursuant to an agreement in form and substance reasonably satisfactory to the Collateral Agent, either (i) cause the issuer to agree to comply with instructions from the Collateral Agent as to such securities, without further consent of any Grantor or such nominee, or (ii) arrange for the Collateral Agent to become the registered owner of the securities.

(c) *Intellectual Property.*

(i) On each date on which a Compliance Certificate is required to be delivered pursuant toSection 6.02(a) of the Credit Agreement (or, if an Event of Default has occurred and is continuing, more frequently if requested by Collateral Agent), each Grantor shall provide Collateral Agent with a written report of all new Patents, Trademarks or Copyrights that are registered or the subject of pending applications for registrations, in each case, which were acquired, registered, or for which applications for registration were filed by any Grantor during the prior period and any statement of use or amendment to allege use with respect to intent-to-use trademark applications provided that any notice with respect to Copyright registration or application to register any Copyright for Material Intellectual Property will be provided promptly (and no later than five (5) Business Days after the registration or the filing of the application). In the case of such registrations or applications therefor, which were acquired by any Grantor, each such Grantor shall file the necessary documents with the appropriate Governmental Authority identifying the applicable

Grantor as the owner (or as a co-owner thereof, if such is the case) of such Intellectual Property. In each of the foregoing cases, the applicable Grantor shall promptly cause to be prepared, executed, and delivered to Collateral Agent supplemental schedules to the applicable Loan Documents to identify such Patent, Trademark and Copyright registrations and applications therefor (with the exception of Trademark applications filed on an intent-to-use basis for which no statement of use or amendment to allege use has been filed) and Intellectual Property Licenses as being subject to the security interests created thereunder.

(ii) Each Grantor shall continue to register or not register, as the case may be, its Copyrights in accordance with its historical practices as they existed as of the Closing Date (but without regard to any historical practices arising solely from the obligations outlined in financing documents in existence prior to the Effective Date). If an Event of Default has occurred and is continuing, and if requested by Collateral Agent, each Grantor shall (A) file applications and take any and all other actions necessary to register on an expedited basis (if requested by Grantor) each of such Grantor's Copyrights in Material Intellectual Property and identifying such Grantor as the sole claimant thereof in a manner sufficient to claim in the public record (or as a co-claimant thereof, if such is the case) such Grantor's ownership or co-ownership thereof, and (B) cause to be prepared, executed, and delivered to Collateral Agent, with sufficient time to permit Collateral Agent to record no later than five (5) Business Days following the date of registration of or recordation of transfer of ownership, as applicable, to the applicable Grantor of such Copyrights, (1) a Copyright Security Agreement or supplemental schedules to the Copyright Security Agreement reflecting the security interest of Collateral Agent in such Copyrights, which supplemental schedules shall be in form and content suitable for recordation with the United States Copyright Office (or any similar office of any other jurisdiction in which Copyrights are used), and (2) any other documentation as Collateral Agent reasonably deems necessary and requests in order to perfect and continue perfected Collateral Agent's Liens on such Copyrights following such recordation.

ARTICLE IV

Remedies

SECTION 4.01 Remedies upon Default.

(a) Upon the occurrence and during the continuance of an Event of Default, it is agreed that the Collateral Agent shall have the right to exercise any and all rights afforded to a secured party with respect to the Obligations under the Uniform Commercial Code (including the New York UCC) in any applicable jurisdiction or other applicable law and also may (i) require each Grantor to, and each Grantor agrees that it will at its expense and upon request of the Collateral Agent forthwith, assemble all or part of the Collateral as directed by the Collateral Agent and make it available to the Collateral Agent at a place and time to be designated by the Collateral Agent that is reasonably convenient to both parties; (ii) occupy any premises owned or, to the extent lawful and permitted, leased by any of the Grantors where the Collateral or any part thereof is assembled or located for a reasonable period in order to effectuate its rights and remedies hereunder or under law, without obligation to such Grantor in respect of such occupation; *provided* that the Collateral Agent shall provide the applicable Grantor with notice thereof prior to or promptly after such occupancy; (iii) exercise any and all rights and remedies of any of the Grantors under or in connection with the Collateral, or otherwise in respect of the Collateral; *provided* that the Collateral Agent shall provide the applicable Grantor with notice thereof prior to or promptly after such exercise; (iv) subject to the mandatory requirements of applicable Law and the notice requirements described below, sell or otherwise dispose of all or any part of the Collateral securing the Obligations at a public or private sale or at any broker's board or on any securities exchange, for cash, upon credit or for future delivery as

the Collateral Agent shall deem appropriate and (v) cause the Security Interest to become an assignment, transfer and conveyance of any of or all such Collateral by the applicable Grantors to the Collateral Agent, or to license or sublicense, whether general, special or otherwise, and whether on an exclusive or non-exclusive basis, any such Collateral throughout the world on such terms and conditions and in such manner as the Collateral Agent shall determine (other than in violation of any then-existing licensing arrangements to the extent that waivers cannot be obtained); *provided*, that such licenses to be granted hereunder with respect to Trademarks shall be subject to the maintenance of quality standards with respect to the goods and services on which such Trademarks are used sufficient to preserve the validity of such Trademarks, and Grantor shall have the right to exercise reasonable quality standards in connection therewith. The Collateral Agent shall be authorized at any such sale of securities (if it deems it advisable to do so) to restrict the prospective bidders or purchasers to Persons who will represent and agree that they are purchasing the Collateral for their own account for investment and not with a view to the distribution or sale thereof, and upon consummation of any such sale the Collateral Agent shall have the right to assign, transfer and deliver to the purchaser or purchasers thereof the Collateral so sold. Each such purchaser at any sale of Collateral shall hold the property sold absolutely, free from any claim or right on the part of any Grantor, and each Grantor hereby waives (to the extent permitted by Law) all rights of redemption, stay and appraisal which such Grantor now has or may at any time in the future have under any rule of law or statute now existing or hereafter enacted. Notwithstanding anything to the contrary herein, the Collateral Agent shall not assign or otherwise dispose of any Trademark owned by any Grantor without assigning the assets and goodwill of the business associated therewith and any such assignment shall be null and void.

(b) The Collateral Agent shall give the applicable Grantors ten (10) days' prior written notice (which each Grantor agrees is reasonable notice within the meaning of Section 9-611 of the New York UCC or its equivalent in other jurisdictions) of the Collateral Agent's intention to make any sale of Collateral. Such notice, in the case of a public sale, shall state the time and place for such sale and, in the case of a sale at a broker's board or on a securities exchange, shall state the board or exchange at which such sale is to be made and the day on which the Collateral, or portion thereof, will first be offered for sale at such board or exchange. Any such public sale shall be held at such time or times within ordinary business hours and at such place or places as the Collateral Agent may fix and state in the notice (if any) of such sale. At any such sale, the Collateral, or portion thereof, to be sold may be sold in one lot as an entirety or in separate parcels, as the Collateral Agent may (in its sole and absolute discretion) determine. The Collateral Agent shall not be obligated to make any sale of any Collateral if it shall determine not to do so, regardless of the fact that notice of sale of such Collateral shall have been given. The Collateral Agent may, without notice or publication, adjourn any public or private sale or cause the same to be adjourned from time to time by announcement at the time and place fixed for sale, and such sale may, without further notice, be made at the time and place to which the same was so adjourned. In case any sale of all or any part of the Collateral is made on credit or for future delivery, the Collateral so sold may be retained by the Collateral Agent until the sale price is paid by the purchaser or purchasers thereof, but the Collateral Agent shall not incur any liability in case any such purchaser or purchasers shall fail to take up and pay for the Collateral so sold and, in case of any such failure, such Collateral may be sold again upon like notice. At any public (or, to the extent permitted by law, private) sale made pursuant to this Agreement, any Secured Party may bid for or purchase, free (to the extent permitted by law) from any right of redemption, stay, valuation or appraisal on the part of any Grantor (all said rights being also hereby waived and released to the extent permitted by law), the Collateral or any part thereof offered for sale and may make payment on account thereof by using any claim then due and payable to such Secured Party from any Grantor as a credit against the purchase price, and such Secured Party may, upon compliance with the terms of sale, hold, retain and dispose of such property without further accountability to any Grantor therefor. For purposes hereof, a written agreement to purchase the Collateral or any portion thereof shall be treated as a sale thereof; the Collateral Agent shall be free to carry out such sale pursuant to such agreement and no Grantor shall be entitled to the return of the Collateral or any portion thereof subject thereto, notwithstanding the fact that after the Collateral Agent shall have entered into such an agreement all Events of Default shall

have been remedied and the Obligations paid in full. As an alternative to exercising the power of sale herein conferred upon it, the Collateral Agent may proceed by a suit or suits at law or in equity to foreclose this Agreement and to sell the Collateral or any portion thereof pursuant to a judgment or decree of a court or courts having competent jurisdiction or pursuant to a proceeding by a court appointed receiver. To the extent permitted by applicable law, any sale pursuant to the provisions of this Section 4.01 shall be deemed to conform to the commercially reasonable standards as provided in Section 9-610(b) of the New York UCC or its equivalent in other jurisdictions.

SECTION 4.02 Application of Proceeds.

(a) The Collateral Agent shall, subject to the terms of any Applicable Intercreditor Agreement (and any other applicable intercreditor agreement contemplated by the Credit Agreement) apply the proceeds of any collection or sale of Collateral, including any Collateral consisting of cash, in accordance with Section 8.04 of the Credit Agreement.

(b) The Collateral Agent shall have absolute discretion as to the time of application of any such proceeds, moneys or balances in accordance with this Agreement. Upon any sale of Collateral by the Collateral Agent (including pursuant to a power of sale granted by statute or under a judicial proceeding), the receipt of the purchase money therefor by the Collateral Agent or of the officer making the sale shall be a sufficient discharge to the purchaser or purchasers of the Collateral so sold and such purchaser or purchasers shall not be obligated to see to the application of any part of the purchase money paid over to the Collateral Agent or such officer or be answerable in any way for the misapplication thereof.

(c) In making the determinations and allocations required by this Section 4.02, the Collateral Agent may conclusively rely upon information supplied by the Administrative Agent as to the amounts of unpaid principal and interest and other amounts outstanding with respect to the Obligations, and the Collateral Agent shall have no liability to any of the Secured Parties for actions taken in reliance on such information, *provided* that nothing in this sentence shall prevent any Grantor from contesting any amounts claimed by any Secured Party in any information so supplied. All distributions made by the Collateral Agent pursuant to this Section 4.02 shall be (subject to any decree of any court of competent jurisdiction) final (absent manifest error), and the Collateral Agent shall have no duty to inquire as to the application by the Administrative Agent of any amounts distributed to it.

SECTION 4.03 Grant of Intellectual Property License. For the purpose of enabling the Collateral Agent to exercise rights and remedies under this Agreement effective at such time as the Collateral Agent shall be lawfully entitled to exercise such rights and remedies under this Agreement, each Grantor hereby grants to the Collateral Agent, effective only after and during the continuance of an Event of Default, a non-exclusive, irrevocable (subject to the last sentence of this Section 4.03) license (exercisable without payment of royalty or other compensation to any such Grantor) to, solely to the extent necessary to exercise such rights and remedies, use or sublicense any of the Collateral now owned or hereafter acquired by such Grantor that constitutes Intellectual Property and license rights included in the General Intangibles, and wherever the same may be located, and including in such license, solely to the extent necessary to exercise such rights and remedies including in preparing for sale, advertising for sale, and selling any Collateral, reasonable access to media in which any of the licensed items may be recorded or stored and to all computer software used for the compilation or printout thereof; *provided*, *however*, that nothing in this Section 4.03 shall require any Grantor to grant any license if it does not have the right to do so or that is prohibited by any rule of law, statute or regulation or is prohibited by, or that would constitute a breach or default under or result in the termination of or gives rise to any right of acceleration, modification or cancellation under any contract, license, agreement, instrument or other document; *provided*, *further*, that such licenses to be granted hereunder with respect to Trademarks shall be subject to the maintenance of quality standards with respect to the goods and services on which such Trademarks are

used sufficient to preserve the validity of such Trademarks, and Grantor shall have the right to exercise reasonable quality standards in connection therewith. The use of such license by the Collateral Agent and its rights thereunder may be exercised, at the option of the Collateral Agent, only during the continuation of an Event of Default; *provided* that any permitted license, sublicense or other transaction entered into by the Collateral Agent in accordance herewith shall be binding upon the Grantors notwithstanding any subsequent cure of an Event of Default, provided that it was entered into in accordance with the terms of this Agreement. For the avoidance of doubt, at the time of the release of the Lien on any Intellectual Property constituting Collateral as set forth in Section 6.13, the license granted to the Collateral Agent in such Intellectual Property pursuant to this Section 4.03 shall automatically and immediately terminate.

ARTICLE V

Subrogation and Subordination

SECTION 5.01 Contribution and Subrogation. Each Grantor (a "Contributing Party") agrees (subject to Section 5.02) that, in the event assets of any other Grantor (the "Claiming Party") shall be sold pursuant to any Collateral Document to satisfy any Obligation owed to any Secured Party, the Contributing Party shall indemnify the Claiming Party in an amount equal to the greater of the book value or the fair market value of such assets, in each case multiplied by a fraction of which the numerator shall be the net worth of the Contributing Party on the date hereof and the denominator shall be the aggregate net worth of all the Contributing Parties together with the net worth of the Claiming Party on the date hereof (or, in the case of any Grantor becoming a party hereto pursuant to Section 6.14, the date of the Security Agreement Supplement executed and delivered by such Grantor). Any Contributing Party making any payment to a Claiming Party pursuant to this Section 5.01 shall be subrogated to the rights of such Claiming Party to the extent of such payment.

SECTION 5.02 Subordination.

(a) Notwithstanding any provision of this Agreement to the contrary, all rights of the Grantors under Section 5.01 and all other rights of indemnity, contribution or subrogation under applicable law or otherwise in connection with the circumstances described in Section 5.01 shall be fully subordinated to the indefeasible payment in full in cash of the Obligations. No failure on the part of any Grantor to make the payments required by Section 5.01 (or any other payments required under applicable law or otherwise in connection with the circumstances described in Section 5.01) shall in any respect limit the obligations and liabilities of any Grantor with respect to its obligations hereunder, and each Grantor shall remain liable for the full amount of the obligations of such Grantor hereunder.

(b) Each Grantor hereby agrees that upon the occurrence and during the continuance of an Event of Default and after notice from the Collateral Agent (provided, that no notice shall be required in connection with any Event of Default pursuant to Section 8.01(f) of the Credit Agreement) no payment or distribution of any kind or character shall be made in respect of any Indebtedness owed to it by any Subsidiary ("Subordinated Intercompany Debt") (whether in cash, property or securities, including on account of the purchase, redemption or other acquisition of such debt) until the occurrence of the Termination Date. During the continuance of such Event of Default, so long as the Termination Date has not occurred, no Grantor shall, (without the consent of the Collateral Agent):

(i) accelerate, make demand, or otherwise make due and payable prior to the original due date thereof any Subordinated Intercompany Debt or bring suit or institute any other actions or proceedings to enforce its rights or interests in respect of the obligations of any debtor in respect of Subordinated Intercompany Debt (a "Subordinated Debtor") owing to such Grantor;

(ii) exercise any rights under or with respect to guaranties of the Subordinated Intercompany Debt, if any;

(iii) exercise any right to require any Subordinated Debtor to acquire any Subordinated Intercompany Debt (including exercising any put or call option against any Subordinated Debtor for the redemption or purchase of any Subordinated Intercompany Debt);

(iv) solely in its capacity as a creditor, contest, protest, or object to any exercise of secured creditor remedies by the Collateral Agent or any other Secured Party in connection with the Obligations;

(v) object to any forbearance by the Collateral Agent or any other Secured Party in connection with the Obligations;

(vi) enter into any composition, compromise, assignment or similar arrangement with any Subordinated Debtor which owes any Subordinated Intercompany Debt, or has given any collateral, guarantee or indemnity or other assurance against loss in respect of the Subordinated Intercompany Debt (other than any assignment or transfer expressly permitted under the Credit Agreement);

(vii) exercise any rights to set-offs and counterclaims in respect of any Indebtedness, liabilities, or obligations of such Grantor to any Subordinated Debtor against any of the Subordinated Intercompany Debt; or

(viii) commence, or cause to be commenced, or join with any creditor other than the Collateral Agent, the Administrative Agent and the Lenders in commencing, any insolvency proceeding or receivership proceeding against any Subordinated Debtor.

ARTICLE VI

Miscellaneous

SECTION 6.01 Notices. All communications and notices hereunder shall (except as otherwise expressly permitted herein) be in writing and given as provided in Section 10.02 of the Credit Agreement. All communications and notices hereunder to any Grantor shall be given to it in care of the Borrower as provided in Section 10.02 of the Credit Agreement.

SECTION 6.02 Waivers; Amendment.

(a) No failure or delay by the Collateral Agent, any other Agent, any Lender, any Swing Line Lender or any L/C Issuer in exercising any right or power hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Collateral Agent, any other Agent, the Lenders, any Swing Line Lender and any L/C Issuer hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or consent to any departure by any Grantor therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section 6.02, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or issuance of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the

Collateral Agent, any other Agent, any Lender, any Swing Line Lender or any L/C Issuer may have had notice or knowledge of such Default at the time. No notice or demand on any Grantor in any case shall entitle any Grantor to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Collateral Agent and the Grantor or Grantors with respect to which such waiver, amendment or modification is to apply, subject to any consent required in accordance with Section 10.01 of the Credit Agreement.

SECTION 6.03 Collateral Agent's Fees and Expenses; Indemnification.

(a) The parties hereto agree that the Collateral Agent shall be entitled to reimbursement of its expenses incurred hereunder as provided in Section 10.04 of the Credit Agreement as if such section were set out in full herein mutatis mutandis.

(b) Without limitation of its indemnification obligations under the other Loan Documents, the Borrower agrees to indemnify the Collateral Agent and the other Indemnitees (as defined in Section 10.05 of the Credit Agreement) in accordance with Section 10.05 of the Credit Agreement (as if such section was set out in full herein *mutatis mutandis*).

(c) Any such amounts payable as provided hereunder shall be additional Obligations secured hereby and by the other Collateral Documents. The provisions of this Section 6.03 shall remain operative and in full force and effect regardless of the termination of this Agreement or any other Loan Document, the consummation of the transactions contemplated hereby, the repayment of any of the Obligations, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Collateral Agent or any other Secured Party. All amounts due under this Section 6.03 shall be payable within ten (10) days of written demand therefor, setting forth such amounts in reasonable detail.

SECTION 6.04 Successors and Assigns. Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of any Grantor or the Collateral Agent that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

SECTION 6.05 Survival of Agreement. All covenants, agreements, representations and warranties made by the Grantors in the Loan Documents and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the Lenders and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuances of any Letters of Credit, regardless of any investigation made by any Lender or on its behalf and notwithstanding that the Collateral Agent, any other Agent, any Lender, any Swing Line Lender or any L/C Issuer may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended under the Credit Agreement, and shall continue in full force and effect as long as the Termination Date has not occurred (except for Section 6.03, which shall survive the Termination Date).

SECTION 6.06 Counterparts; Effectiveness; Several Agreement. This Agreement may be executed in counterparts, each of which shall constitute an original but all of which when taken together shall constitute a single contract. Delivery of an executed signature page to this Agreement by facsimile transmission or other electronic communication (including ".pdf" or ".tif" files) shall be as effective as delivery of a manually signed counterpart of this Agreement. This Agreement shall become effective as to

any Grantor when a counterpart hereof executed on behalf of such Grantor shall have been delivered to the Collateral Agent and a counterpart hereof shall have been executed on behalf of the Collateral Agent, and thereafter shall be binding upon such Grantor and the Collateral Agent and their respective permitted successors and assigns, and shall inure to the benefit of such Grantor, the Collateral Agent and the other Secured Parties and their respective successors and assigns, except that no Grantor shall have the right to assign or transfer its rights or obligations hereunder or any interest herein or in the Collateral (and any such assignment or transfer shall be void) except as expressly contemplated by this Agreement or the Credit Agreement. This Agreement shall be construed as a separate agreement with respect to each Grantor and may be amended, modified, supplemented, waived or released with respect to any Grantor without the approval of any other Grantor and without affecting the obligations of any other Grantor hereunder.

SECTION 6.07 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction. The parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 6.08 Right of Set-Off. In addition to any rights and remedies of the Secured Parties provided by Law, upon the occurrence and during the continuance of any Event of Default, each Secured Party and its Affiliates is authorized at any time and from time to time, without prior notice to the Borrower or any other Grantor, any such notice being waived by such Grantor (on its own behalf and on behalf of its Subsidiaries) to the fullest extent permitted by applicable Law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held by, and other Indebtedness at any time owing by, such Secured Party and its Affiliates, as the case may be, to or for the credit or the account of the respective Grantors and their Subsidiaries against any and all Obligations owing to such Secured Party and its Affiliates hereunder or under any other Loan Document, now or hereafter existing, irrespective of whether or not such Secured Party or Affiliate shall have made demand under this Agreement or any other Loan Document and although such Obligations may be contingent or unmatured or denominated in a currency different from that of the applicable deposit or Indebtedness. Each Secured Party agrees promptly to notify the Borrower and the Administrative Agent after any such set off and application made by such Secured Party or Affiliate, as the case may be; *provided*, that the failure to give such notice shall not affect the validity of such setoff and application. The rights of each Secured Party and its Affiliates under this Section 6.08 are in addition to other rights and remedies (including other rights of setoff) that the Secured Parties may have.

SECTION 6.12 Security Interest Absolute. All rights of the Collateral Agent hereunder, the Security Interest, the grant of a security interest in the Pledged Collateral and all obligations of each Grantor hereunder shall be absolute and unconditional irrespective of (a) any lack of validity or enforceability of the Credit Agreement, any other Loan Document, any agreement with respect to any of the Obligations or any other agreement or instrument relating to any of the foregoing, (b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement, any other Loan Document or any other agreement or instrument, (c) any exchange, release or non-perfection of any Lien on other collateral, or any release or amendment or waiver of or consent under or departure from any guarantee, securing or guaranteeing all or any of the Obligations or (d) any other circumstance that might otherwise constitute a defense (other than, in each case, a defense of the occurrence of the Termination Date) available to, or a discharge of, any Grantor in respect of the Obligations or this Agreement.

SECTION 6.13 Termination or Release.

(a) This Agreement, the Security Interest and all other security interests granted hereby shall automatically terminate with respect to all Obligations on the Termination Date and the Liens granted hereunder shall automatically be released (i) on the Termination Date and, (ii) from time to time, in accordance with Section 9.11 of the Credit Agreement.

(c) In connection with any termination, release or subordination pursuant to paragraph (a) or (c) of this Section 6.13, the Collateral Agent shall execute and deliver to any Grantor or authorize the filing of, at such Grantor's expense, all documents that such Grantor shall reasonably request to evidence such termination, release or subordination. Any execution and delivery of documents pursuant to this Section 6.13 shall be without recourse to or warranty by the Collateral Agent.

Any Person required to become party to this Agreement pursuant to Section 6.14 of the Credit Agreement may do so by executing and delivering a Security Agreement Supplement and, if applicable, a Security Agreement Supplement for Intellectual Property and such Person shall become a Grantor hereunder with the same force and effect as if originally named as a Grantor herein. The execution and delivery of any such instrument shall not require the consent of any other Grantor hereunder. The rights and obligations of each Grantor hereunder shall remain in full force and effect notwithstanding the addition of any new Grantor as a party to this Agreement.

SECTION 6.15 Collateral Agent Appointed Attorney-in-Fact. Each Grantor hereby appoints the Collateral Agent the attorney-in-fact of such Grantor for the purpose of carrying out the provisions of this Agreement and taking any action and executing any instrument that the Collateral Agent may deem necessary or advisable to accomplish the purposes hereof at any time after and during the continuance of an Event of Default, which appointment is irrevocable (until the Termination Date) and coupled with an interest. insurance and for making all determinations and decisions with respect thereto; *provided* that nothing herein contained shall be construed as requiring or obligating the Collateral Agent to make any commitment or to make any inquiry as to the nature or sufficiency of any payment received by the Collateral Agent, or to present or file any claim or notice, or to take any action with respect to the Collateral or any part thereof or the moneys due or to become due in respect thereof or any property covered thereby. The Collateral Agent and the other Secured Parties shall be accountable only for amounts actually received as a result of the exercise of the powers granted to them herein, and neither they nor their officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for their own gross negligence, bad faith or willful misconduct or that of any of their Affiliates or controlling Persons or any of the directors, officers, employees, agents, advisors or members of any of the foregoing.

SECTION 6.16 General Authority of the Collateral Agent. By acceptance of the benefits of this Agreement and any other Collateral Documents, each Secured Party (whether or not a signatory hereto) shall be deemed irrevocably (a) to consent to the appointment of the Collateral Agent as its agent hereunder and under such other Collateral Documents, (b) to confirm that the Collateral Agent shall have the authority to act as the exclusive agent of such Secured Party for the enforcement of any provisions of this Agreement and such other Collateral Documents against any Grantor, the exercise of remedies hereunder or thereunder and the giving or withholding of any consent or approval hereunder or thereunder relating to any Collateral or any Grantor's obligations with respect thereto, (c) to agree that it shall not take any action to enforce any provisions of this Agreement or any other Collateral Document against any Grantor, to exercise any remedy hereunder or thereunder or to give any consents or approvals hereunder or thereunder except as expressly provided in this Agreement or any other Collateral Document and (d) to agree to be bound by the terms of this Agreement and any other Collateral Documents.

B. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement and the Security Agreement referred to therein.

C. The Grantors have entered into the Security Agreement in order to induce the Lenders to make Loans, the Swing Line Lenders to make Swing Line Loans, the L/C Issuers to issue Letters of Credit, the Hedge Banks to enter into the Secured Hedge Agreements and the Cash Management Banks to enter into agreements giving rise to Cash Management Obligations. Section 6.14 of the Security Agreement provides that certain Persons may become Grantors under the Security Agreement by execution and delivery of an instrument in the form of this Supplement. The undersigned Person (the "New Grantor") is executing this Supplement in accordance with the requirements of the Credit Agreement to become a Grantor under the Security Agreement in order to induce the Lenders to make Loans, the Swing Line Lenders to make Swing Line Loans, the L/C Issuers to issue Letters of Credit, the Hedge Banks to enter into Secured Hedge Agreements and the Cash Management Banks to enter into agreements in respect of Cash Management Obligations, from time to time under the terms of the Credit Agreement.

Accordingly, the Collateral Agent and the New Grantor agree as follows:

SECTION 1. In accordance with Section 6.14 of the Security Agreement, the New Grantor by its signature below becomes a Grantor under the Security Agreement with the same force and effect as if originally named therein as a Grantor and the New Grantor hereby (a) agrees to all the terms and provisions of the Security Agreement applicable to it as a Grantor thereunder and (b) represents and warrants that the representations and warranties made by it as a Grantor thereunder are true and correct on and as of the date hereof. Each reference to a " Grantor" in the Security Agreement shall be deemed to include the New Grantor. The Security Agreement is hereby incorporated herein by reference.

SECTION 2. The New Grantor represents and warrants to the Collateral Agent and the other Secured Parties that this Supplement has been duly authorized, executed and delivered by it and constitutes its legal, valid and binding obligation, enforceable against it in accordance with its terms, except as such enforceability may be limited by Debtor Relief Laws and by general principles of equity.

SECTION 3. This Supplement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. SECTION 7. In case any one or more of the provisions contained in this Supplement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Security Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

SECTION 8. All communications and notices hereunder shall be in writing and given as provided in Section 6.01 of the Security Agreement.

SECTION 9. The New Grantor agrees to reimburse the Collateral Agent for its reasonable out-of-pocket expenses in connection with this Supplement, including the reasonable fees, other charges and disbursements of counsel for the Collateral Agent in accordance with the terms of the Credit Agreement.

[PATENT / TRADEMARK / COPYRIGHT] SECURITY AGREEMENT

This [PATENT / TRADEMARK / COPYRIGHT] SECURITY AGREEMENT (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "[Patent / Trademark / Copyright] Security Agreement") dated [●], 2023, is made by the Persons listed on the signature pages hereof (collectively, the "Grantors") in favor of WELLS FARGO BANK, NATIONAL ASSOCIATION ("Wells Fargo"), as Collateral Agent (the "Collateral Agent") for the Secured Parties. Capitalized terms used herein and not otherwise defined herein shall have the meanings assigned to such terms in the Credit Agreement and the Security Agreement referred to therein.

WHEREAS, SERVICETITAN, INC., a Delaware corporation (the "Borrower"), Wells Fargo as Administrative Agent and Collateral Agent, each Lender from time to time party thereto (collectively, the "Lenders" and individually, a "Lender") and the Swing Line Lenders and L/C Issuers party thereto have entered into the Credit Agreement dated as of January 23, 2023 (the "Closing Date") (as amended, restated, amended and restated, extended, supplemented or otherwise modified from time to time, the "Credit Agreement"), pursuant to which the Lenders have severally agreed to make Loans, the Swing Line Lenders to make Swing Line Loans, the L/C Issuers to issue Letters of Credit, the Hedge Banks to enter into Secured Hedge Agreements and the Cash Management Banks to enter into agreements in respect of Cash Management Obligations upon the terms and subject to the conditions therein.

WHEREAS, in connection with the Credit Agreement, the Grantors have entered into the Security Agreement dated as of the Closing Date (as amended, restated, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement") in order to induce the Lenders to make Loans, the Swing Line Lenders to make Swing Line Loans, the L/C Issuers to issue Letters of Credit, the Hedge Banks to enter into Secured Hedge Agreements and the Cash Management Banks to enter into agreements in respect of the Cash Management Obligations.

WHEREAS, under the terms of the Security Agreement, the Grantors have granted to the Collateral Agent, for the benefit of the Secured Parties, a security interest in, among other property, certain Intellectual Property of the Grantors, and have agreed as a condition thereof to execute this [Patent / Trademark / Copyright Security Agreement] for recording with the [United States Patent and Trademark Office] [United States Copyright Office].

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

SECTION 1. Grant of Security. Each Grantor hereby grants to the Collateral Agent for the benefit of the Secured Parties a security interest in all of such Grantor's right, title and interest in and to the following (the "IP Collateral"):

(a) [all issued and pending Patents (as defined in the Security Agreement) in the United States Patent and Trademark Office set forth in Schedule A hereto;]

(b) [all registered Trademarks (as defined in the Security Agreement) and Trademarks for which applications are pending in the United States Patent and Trademark Office (other than Excluded Property) set forth in Schedule A hereto (excluding any Excluded Property);] and

(c) [all registered Copyrights (as defined in the Security Agreement) in the United States Copyright Office set forth in Schedule A hereto],

Including (i) all income, fees, royalties, damages, and payment now and hereafter due and/or payable with respect to any of the foregoing, and (ii) rights to sue for past, present, and future infringement, misappropriation, or other violations of any of the foregoing.

SECTION 2. Security for Obligations. The grant of a security interest in the IP Collateral by each Grantor under this [Patent / Trademark / Copyright Security Agreement] secures the payment of all Obligations of such Grantor now or hereafter existing under or in respect of the Loan Documents, whether direct or indirect, absolute or contingent, and whether for principal, reimbursement obligations, interest, premiums, penalties, fees, indemnifications, contract causes of action, costs, expenses or otherwise. Without limiting the generality of the foregoing, this [Patent / Trademark / Copyright Security Agreement] secures, as to each Grantor, the payment of all amounts that constitute part of the secured Obligations and that would be owed by such Grantor to any Secured Party under the Loan Documents but for the fact that such secured Obligations are unenforceable or not allowable due to the existence of a bankruptcy, reorganization or similar proceeding involving a Loan Party.

SECTION 3. Recordation. This [Patent / Trademark / Copyright Security Agreement] has been executed and delivered by the Grantors for the purpose of recording the grant of security interest herein with the [United States Patent and Trademark Office] [United States Copyright Office]. Each Grantor authorizes and requests that the [Register of Copyrights] [Commissioner for Patents and the Commissioner for Trademarks] record this [Patent / Trademark / Copyright Security Agreement].

SECTION 4. Execution in Counterparts. This [Patent / Trademark / Copyright Security Agreement] may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

SECTION 5. Grants, Rights and Remedies. This [Patent / Trademark / Copyright Security Agreement] has been entered into in conjunction with the provisions of the Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Collateral Agent with respect to the IP Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this [Patent / Trademark / Copyright Security Agreement] and the terms of the Security Agreement, the terms of the Security Agreement shall govern.

SECTION 6. Governing Law. This [Patent / Trademark / Copyright Security Agreement] shall be governed by, and construed in accordance with, the laws of the State of New York.

In case any one or more of the provisions contained in this [Patent / Trademark / Copyright Security Agreement] should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and in the Security Agreement shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties hereto shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Execution Version

AMENDMENT NUMBER ONE
TO CREDIT AGREEMENT

THIS AMENDMENT NUMBER ONE TO CREDIT AGREEMENT (this "Amendment"), dated as of September 27, 2024 is entered into by and among **SERVICETITAN, INC.**, a Delaware corporation (the "Borrower"), the lenders identified on the signature pages hereof (such lenders, and the other lenders party to the below-defined Credit Agreement, together with their respective successors and permitted assigns, each individually, a "Lender", and collectively, the "Lenders"), and **WELLS FARGO BANK, NATIONAL ASSOCIATION**, a national banking association, as administrative agent for the Lenders (in such capacity, together with its successors and assigns in such capacity, the "Administrative Agent"), and in light of the following:

W I T N E S S E T H

WHEREAS, Borrower, Lenders, and Administrative Agent are parties to that certain Credit Agreement, dated as of January 23, 2023 (as amended, restated, supplemented, or otherwise modified from time to time, the "Credit Agreement");

WHEREAS, Borrower has requested that Administrative Agent and Lenders make certain amendments to the Credit Agreement; and

WHEREAS, upon the terms and conditions set forth herein, Administrative Agent and Lenders are willing to make certain amendments to the Credit Agreement.

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants herein contained, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereby agree as follows:

1. Defined Terms. All initially capitalized terms used herein (including the preamble and recitals hereof) without definition shall have the meanings ascribed thereto in the Credit Agreement.

2. Amendments to Credit Agreement. Subject to the satisfaction (or waiver in writing by Administrative Agent) of the conditions precedent set forth in Section 4 hereof, the Credit Agreement shall be amended as follows:

(a) Section 1.01 of the Credit Agreement is hereby amended by adding in proper alphabetical order or amending and restating each of the following defined terms in their entirety, as follows:

i. "Applicable Rate" means a percentage *per annum* equal to, in the case of SOFR Loans, Base Rate Loans and the Letter of Credit fees, the percentage set forth in the following table that corresponds to the most recent LQA Recurring Revenue Leverage Ratio calculation delivered to Administrative Agent pursuant to Sections 6.01 and 6.02(a) of this Agreement (the "LQA Recurring Leverage Ratio Calculation"); provided, that for the period from First Amendment Effective Date through the date Administrative Agent receives the LQA Recurring Revenue Leverage Ratio in respect of the testing period ending September 30, 2024, the Applicable Rate shall be set at the margin in the row styled "Level II":

Level	LQA Recurring Revenue Leverage Ratio	SOFR Loan Applicable Rate	Base Rate Loan Applicable Rate	Letter of Credit Fees
IV	> 0.66:1.00	3.00%	2.00%	3.00%
III	> 0.33:1.00 and ≤ 0.66:1.00	2.75%	1.75%	2.75%
II	> 0.20:1.00 and ≤ 0.33:1.00	2.50%	1.50%	2.50%
I	≤ 0.20:1.00	2.25%	1.25%	2.25%

The Applicable Rate shall be based upon the most recent LQA Recurring Leverage Ratio Calculation, which will be calculated as of the end of each fiscal quarter. Except as set forth in the foregoing proviso, the Applicable Rate shall be re-determined quarterly on the first day of the month following the date of delivery to Administrative Agent of the certified calculation of the LQA Recurring Leverage Ratio pursuant to Sections 6.01 and 6.02(a) of this Agreement; provided, that if Borrower fails to provide such certification when such certification is due, the Applicable Rate shall be set at the margin in the row styled "Level IV" as of the first day of the month following the date on which the certification was required to be delivered until the date on which such certification is delivered (on which date (but not retroactively), without constituting a waiver of any Default or Event of Default occasioned by the failure to timely deliver such certification, the Applicable Rate shall be set at the margin based upon the calculations disclosed by such certification. In the event that the information regarding the LQA Recurring Leverage Ratio contained in any certificate delivered pursuant to Sections 6.01 and 6.02(a) of this Agreement is shown to be inaccurate, and such inaccuracy, if corrected, would have led to the application of a higher Applicable Rate for any period (an "Applicable Period") than the Applicable Rate actually applied for such Applicable Period, then (i) Borrower shall immediately deliver to the Administrative Agent a correct certificate for such Applicable Period, (ii) the Applicable Rate shall be determined as if the correct Applicable Rate (as set forth in the table above) were applicable for such Applicable Period, and (iii) Borrower shall promptly deliver to the Administrative Agent full payment in respect of the accrued additional interest (after receipt of the calculation thereof from the Administrative Agent) as a result of such increased Applicable Rate for such Applicable Period, which payment shall be promptly applied by the Administrative Agent to the affected Obligations.

Notwithstanding the foregoing, the Applicable Rate in respect of any Class of Extended Revolving Credit Commitments or any Extended Term Loans or Revolving Credit Loans made pursuant to any Extended Revolving Credit Commitments shall be the applicable percentages *per annum* set forth in the relevant Extension Offer.

ii. "First Amendment Effective Date" means October 1, 2024.

iii. "Revolving Credit Commitment" means, as to each Revolving Credit Lender, its obligation to (a) make Revolving Credit Loans to the Borrower pursuant to Section 2.01(b) or Section 2.03, as applicable, (b) purchase participations in L/C Obligations in respect of Letters of Credit and (c) purchase participations in Swing Line Loans, in an aggregate principal amount at any one time outstanding not to exceed the amount set forth opposite such Lender's name on Schedule 2.01 under the caption "Revolving Credit Commitment" or in the Assignment and Assumption pursuant to which such Lender becomes a party hereto, as applicable, as such amount may be adjusted from time to time in accordance with this Agreement. The aggregate Revolving Credit Commitments of all Revolving Credit Lenders is $140,000,000 as of the First Amendment Effective Date, as such amount may be adjusted from time to time in accordance with the terms of this Agreement.

(b) Section 2.07(a) of the Credit Agreement is hereby amended and restated in its entirety as follows:

(a) Term Loans. The Borrower shall repay to the Administrative Agent for the ratable account of the Initial Term Lenders holding Initial Term Loans in Dollars (i) on the first day of each calendar quarter, commencing on January 1, 2025, a principal amount equal to $268,250 and (ii) on the Maturity Date for the Initial Term Loans, the aggregate principal amount of all Initial Term Loans outstanding on such date; provided, that, payments required by clause (i) above shall be reduced as a result of the application of prepayments in accordance with Section 2.05. In the event any Incremental Term Loans or Extended Term Loans are made, such Incremental Term Loans or Extended Term Loans, as applicable, shall be repaid by the Borrower in the amounts and on the dates set forth in the definitive documentation with respect thereto and on the applicable Maturity Date thereof.

(c) Section 2.09(a) of the Credit Agreement is hereby amended and restated in its entirety as follows:

(a) Revolving Credit Facility Commitment Fee. The Borrower shall pay to the Administrative Agent for the account of each Revolving Credit Lender in accordance with its Applicable Percentage, a commitment fee (the "Commitment Fee") equal to 0.25% *per annum* on the average daily amount by which the aggregate Revolving Credit Commitments exceeds the sum of (A) the Outstanding Amount of Revolving Credit Loans and (B) the Outstanding Amount of L/C Obligations (disregarding for the purposes of such calculation, the Outstanding Amount of any Swing Line Loans). The Commitment Fee shall accrue at all times from the Closing Date until the Maturity Date for the Revolving Credit Facility, including at any time during which one or more of the conditions in Article IV is not met, and shall be due and payable quarterly in arrears on the first day of each calendar quarter, commencing with the first such date to occur after the Closing Date, and on the Maturity Date for the Revolving Credit Facility.

(d) The second to last sentence of Section 2.14 of the Credit Agreement is hereby amended and restated in its entirety as follows:

After giving effect to any Incremental Revolving Commitments, the ratio of the Revolving Credit Facility and any Incremental Revolving Commitments to the Facilities (including any Incremental Facilities) as a whole shall not exceed the ratio of the Revolving Credit Facility to the Facilities as a whole as of the First Amendment Effective Date.

(e) Schedule 2.01 of the Credit Agreement is hereby amended and restated in its entirety as follows:

Lender	Initial Term Commitment**	Revolving Credit Commitment
Wells Fargo Bank, National Association	$ 42,920,000	$ 56,000,000

** The Initial Term Loan Commitments terminated on the Closing Date. The amounts reflected herein are the outstanding principal amounts of the Initial Term Loans as of the First Amendment Effective Date.

(f) The cover page to the Credit Agreement is hereby amended to replace the reference to "Silicon Valley Bank" with "Silicon Valley Bank, a division of First-Citizens Bank & Trust Company". Each other reference in the Loan Documents to "Silicon Valley Bank" or "SVB" shall be replaced with "First-Citizens Bank & Trust Company".

3. Conversion of Loans. The provisions of the Credit Agreement and the other Loan Documents to the contrary notwithstanding, each Lender party hereto hereby agrees that immediately after giving effect to the increase in the Revolving Credit Commitments set forth herein, $70,000,000 of existing Term Loans shall be refinanced with Revolving Credit Loans and a settlement among the Revolving Credit Lenders shall occur such that the Revolving Credit Loans are held by the Revolving Credit Lenders in accordance with their Applicable Percentages of the Revolving Credit Commitments, as amended hereby. For the purposes of this Section 3, the Term Loans shall be repaid in the inverse order of the maturity of the amortization payments due with respect to the Term Loans.

4. Conditions Precedent to Amendment. The satisfaction (or waiver in writing by the Administrative Agent) of each of the following shall constitute conditions precedent to the effectiveness of the Amendment (such date being the "First Amendment Effective Date"):

(a) [Reserved].

(b) The Administrative Agent shall have received (i) this Amendment, duly executed by the parties hereto, and the same shall be in full force and effect; and (ii) the reaffirmation and consent of each Guarantor attached hereto as **Exhibit A**, duly executed by the parties hereto, and the same shall be in full force and effect.

(c) After giving effect to this Amendment, the representations and warranties contained herein, in the Credit Agreement, and in the other Loan Documents, in each case, shall be true and correct in all material respects on and as of the First Amendment Effective Date; provided, that, to the extent that such representations and warranties specifically refer to an earlier date, they shall be true and correct in all material respects as of such earlier date; provided, further, that, any representation and warranty that is qualified as to "materiality," "Material Adverse Effect" or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on such respective dates.

(d) [Reserved].

(e) No Default or Event of Default shall have occurred and be continuing as of the First Amendment Effective Date, nor shall either result from the consummation of the transactions contemplated herein.

(f) Borrower shall pay concurrently with the closing of the transactions evidenced by this Amendment, all fees, costs, expenses and taxes then payable pursuant to the Credit Agreement and Section 6 of this Amendment; provided, however, that an invoice of any fees or expenses shall have been presented to the Loan Parties no less than two (2) Business Days prior to the First Amendment Effective Date.

5. Representations and Warranties. Borrower hereby represents and warrants to the Administrative Agent and each Lender as of the date hereof as follows:

(a) It (v) is a Person duly incorporated, organized or formed, and validly existing and, where applicable, in good standing under the Laws of the jurisdiction of its incorporation or organization, (w) has all requisite power and authority to (i) own or lease its assets and carry on its business and (ii) execute, deliver and perform its obligations under the Loan Documents to which it is a party, (x) is duly qualified and, where applicable, in good standing under the Laws of each jurisdiction where its ownership, lease or operation of properties or the conduct of its business requires such qualification, (y) is in material compliance with all Laws (including the USA PATRIOT Act and anti-money laundering laws), orders, writs, injunctions and orders and (z) has all requisite governmental licenses, authorizations, consents and approvals to operate its business as currently conducted; except in each case referred to in clause (v) (other than with respect to the Borrower), (w)(i), (x), (y) or (z), to the extent that failure to do so could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(b) The execution, delivery, and performance by it of this Amendment (a) have been duly authorized by all necessary corporate or other organizational action and (b) do not and will not (i) contravene the terms of any of such Person's Organization Documents, (ii) conflict with or result in any breach or contravention of, or require any payment to be made under (A) any Contractual Obligation evidencing Indebtedness exceeding the Threshold Amount to which such Person is a party or affecting such Person or the properties of such Person or any of its Subsidiaries or (B) any material order, injunction, writ or decree of any Governmental Authority or any arbitral award to which such Person or its property is subject, (iii) result in the creation of any Lien (other than under the Loan Documents and Liens subject to an Acceptable Intercreditor Agreement) or (iv) violate any material Law; except (in the case of clauses (b)(ii) and (b)(iv)), to the extent that such conflict, breach, contravention, payment or violation could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(c) No approval, consent, exemption, authorization, or other action by, or notice to, or filing with, any Governmental Authority or any other Person is necessary or required in connection with (a) the execution, delivery or performance by, or enforcement against, any Loan Party of this Amendment or any other Loan Document, (b) the grant by any Loan Party of the Liens granted by it pursuant to the Collateral Documents, (c) the perfection or maintenance of the Liens created under the Collateral Documents (including the priority thereof) or (d) the exercise by the Administrative Agent or any Lender of its rights under the Loan Documents or the remedies in respect of the Collateral pursuant to the Collateral Documents, except for (i) filings necessary to perfect the Liens on the Collateral granted by the Loan Parties

in favor of the Secured Parties, (ii) the approvals, consents, exemptions, authorizations, actions, notices and filings which have been duly obtained, taken, given or made and are in full force and effect and (iii) those approvals, consents, exemptions, authorizations or other actions, notices or filings, the failure of which to obtain or make could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(d) This Amendment is the legally valid and binding obligation of such Person, enforceable against such Person in accordance with its respective terms, except as enforcement may be limited by Debtor Relief Laws and by general principles of equity.

(e) [Reserved].

(f) No Default or Event of Default has occurred and is continuing as of the date of the effectiveness of this Amendment, and no condition exists which constitutes a Default or an Event of Default.

(g) The representations and warranties set forth in this Amendment, the Credit Agreement, after giving effect to this Amendment, and the other Loan Documents to which it is a party are, in each case, true and correct in all material respects on and as of the First Amendment Effective Date; provided, that, to the extent that such representations and warranties specifically refer to an earlier date, they are true and correct in all material respects as of such earlier date; provided, further, that, any representation and warranty that is qualified as to "materiality," "Material Adverse Effect" or similar language shall be true and correct (after giving effect to any qualification therein) in all respects on such respective dates.

6. Payment of Costs and Fees. Borrower shall pay to the Administrative Agent for all reasonable and documented or invoiced out-of-pocket costs and expenses (including, without limitation, all Attorney Costs of Paul Hastings LLP (and any other counsel retained with the Borrower's consent (such consent not to be unreasonably withheld or delayed)) and one local and foreign counsel in each relevant jurisdiction) in connection with the preparation, negotiation, execution and delivery of this Amendment and any documents and instruments relating hereto, in each case, in accordance with Section 10.04 of the Credit Agreement.

7. Reserved.

8. GOVERNING LAW, JURISDICTION, SERVICE OF PROCESS; WAIVER OF RIGHT TO TRIAL BY JURY. THIS AMENDMENT SHALL BE SUBJECT TO THE PROVISIONS REGARDING GOVERNING LAW, JURISDICTION, SERVICE OF PROCESS AND WAIVER OF RIGHT TO TRIAL BY JURY SET FORTH IN SECTIONS 10.14 AND SECTION 10.15 OF THE CREDIT AGREEMENT, AND SUCH PROVISIONS ARE INCORPORATED HEREIN BY THIS REFERENCE, *MUTATIS MUTANDIS*.

9. Amendments. This Amendment cannot be altered, amended, changed or modified in any respect except in accordance with Section 10.01 of the Credit Agreement.

10. Counterpart Execution. This Amendment may be executed in any number of counterparts and by different parties on separate counterparts, each of which, when executed and delivered, shall be deemed to be an original, and all of which, when taken together, shall constitute but one and the same Amendment. Delivery of an executed counterpart of this Amendment by telefacsimile or other electronic method of transmission shall be equally as effective as delivery of an original executed counterpart of this Amendment. Any party delivering an executed counterpart of this Amendment by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Amendment, but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Amendment.

11. Effect on Loan Documents.

(a) The Credit Agreement, as amended hereby, and each of the other Loan Documents shall be and remain in full force and effect in accordance with their respective terms and hereby are ratified and confirmed in all respects. The execution, delivery, and performance of this Amendment shall not operate, except as expressly set forth herein, as a modification or waiver of any right, power, or remedy of the Administrative Agent or any Lender under the Credit Agreement or any other Loan Document. The waivers, consents and modifications set forth herein are limited to the specifics hereof (including facts or occurrences on which the same are based), shall not apply with respect to any facts or occurrences other than those on which the same are based, shall neither excuse any future non-compliance with the Loan Documents nor operate as a waiver of any Default or Event of Default, shall not operate as a consent to any further waiver, consent or amendment or other matter under the Loan Documents, and shall not be construed as an indication that any future waiver or amendment of covenants or any other provision of the Credit Agreement will be agreed to, it being understood that the granting or denying of any waiver or amendment which may hereafter be requested by Borrower remains in the sole and absolute discretion of the Administrative Agent and Lenders. To the extent that any terms or provisions of this Amendment conflict with those of the Credit Agreement or the other Loan Documents, the terms and provisions of this Amendment shall control.

(b) This Amendment is a Loan Document.

(c) Unless the context of this Amendment clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms “includes” and “including” are not limiting, and the term “or” has, except where otherwise indicated, the inclusive meaning represented by the phrase “and/or”. The words “hereof,” “herein,” “hereby,” “hereunder,” and similar terms in this Amendment refer to this Amendment as a whole and not to any particular provision of this Amendment. Section, subsection, clause, schedule, and exhibit references herein are to this Amendment unless otherwise specified. Any reference in this Amendment to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements, thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). The words “asset” and “property” shall be construed to have the same meaning and effect and to refer to any and all tangible and intangible assets and properties.

12. Entire Agreement. This Amendment, and the terms and provisions hereof, the Credit Agreement and the other Loan Documents constitute the entire understanding and agreement between the parties hereto with respect to the subject matter hereof and supersede any and all prior or contemporaneous amendments or understandings with respect to the subject matter hereof, whether express or implied, oral or written.

13. Reaffirmation of Obligations. Borrower hereby (a) acknowledges and reaffirms its obligations owing to the Administrative Agent, and each Lender under each Loan Document to which it is a party, and (b) agrees that each of the Loan Documents to which it is a party is and shall remain in full force and effect. Borrower hereby (i) further ratifies and reaffirms the validity and enforceability of all of the Liens and security interests heretofore granted, pursuant to and in connection with the Security Agreement or any other Loan Document to the Administrative Agent, on behalf and for the benefit of each Lender, as collateral security for the obligations under the Loan Documents in accordance with their respective terms, and (ii) acknowledges that all of such Liens and security interests, and all Collateral heretofore pledged as security for such obligations, continue to be and remain collateral for such obligations from and after the date hereof (including, without limitation, from after giving effect to this Amendment).

14. No Novation. This Agreement shall not constitute a novation of the Credit Agreement or any of the Loan Documents.

15. Severability. In case any provision in this Amendment shall be invalid, illegal or unenforceable, such provision shall be severable from the remainder of this Amendment and the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

The undersigned Guarantors each hereby (a) represents and warrants to the Administrative Agent and Lenders that the execution, delivery, and performance of this Reaffirmation and Consent (a) have been duly authorized by all necessary corporate or other organizational action and (b) do not and will not (i) contravene the terms of any of such Person's Organization Documents, (ii) conflict with or result in any breach or contravention of, or require any payment to be made under (A) any Contractual Obligation evidencing Indebtedness exceeding the Threshold Amount to which such Person is a party or affecting such Person or the properties of such Person or any of its Subsidiaries or (B) any material order, injunction, writ or decree of any Governmental Authority or any arbitral award to which such Person or its property is subject, (iii) result in the creation of any Lien (other than under the Loan Documents and Liens subject to an Acceptable Intercreditor Agreement) or (iv) violate any material Law; except (in the case of clauses (b)(ii) and (b)(iv)), to the extent that such conflict, breach, contravention, payment or violation could not, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect; (b) consents to the amendment of the Credit Agreement as set forth in the Amendment; (c) acknowledges and reaffirms its Obligations owing to the Lenders under any Loan Document to which it is a party; (d) agrees that each of the Loan Documents to which it is a party is and shall remain in full force and effect; and (e) reaffirms, acknowledges, agrees and confirms that it has granted to the Administrative Agent a perfected security interest in the Collateral pursuant to the Loan Documents in order to secure all of its present and future Obligations to the Lenders.

Although each of the undersigned has been informed of the matters set forth herein and has acknowledged and agreed to same, they each understand that neither the Administrative Agent nor any Lender has any obligations to inform it of such matters in the future or to seek its acknowledgment or agreement to future amendments, and nothing herein shall create such a duty. Any party delivering an executed counterpart of this Reaffirmation and Consent by telefacsimile or other electronic method of transmission also shall deliver an original executed counterpart of this Reaffirmation and Consent but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Reaffirmation and Consent. The validity of this Reaffirmation and Consent, the construction, interpretation, and enforcement hereof, and the rights of the parties hereto with respect to all matters arising hereunder or related hereto shall be determined under, governed by, and construed in accordance with the laws of the State of New York. This Reaffirmation and Consent is a Loan Document.

Exhibit 10.9(a)

SERVICETITAN, INC.

CHANGE IN CONTROL AND SEVERANCE POLICY

Effective as of June 13, 2024 (the "Effective Date")

This Change in Control and Severance Policy (the "**Policy**") is designed to provide certain protections to a select group of key employees of ServiceTitan, Inc. ("**ServiceTitan**" or the "**Company**") or any of its subsidiaries in connection with a change of control of ServiceTitan or in connection with the involuntary termination of their employment under the circumstances described in this Policy. The Policy is designed to be an "employee welfare benefit plan" (as defined in Section 3(1) of the Employee Retirement Income Security Act of 1974, as amended ("**ERISA**")), and this document is both the formal plan document and the required summary plan description for the Policy.

Eligible Employee: An individual is only eligible for protection under this Policy if he or she is an Eligible Employee and complies with its terms (including any terms in the employee's Participation Agreement (as defined below)). To be an "**Eligible Employee**," an employee must (a) have been designated by the Compensation Committee of the Board (the "**Compensation Committee**") as eligible to participate in the Policy and (b) have executed a participation agreement (a "**Participation Agreement**").

Policy Benefits: An Eligible Employee will be eligible to receive the payments and benefits set forth in this Policy and his or her Participation Agreement if his or her employment with the Company and each of its subsidiaries terminates as a result of a Qualified Termination. The amount and terms of any Equity Vesting, Salary Severance, Bonus Severance, and COBRA Payment that an Eligible Employee may receive on his or her Qualified Termination will depend on whether his or her Qualified Termination is a CIC Qualified Termination or a Non-CIC Qualified Termination. All benefits under this Policy payable on a Qualified Termination will be subject to the Eligible Employee's compliance with the Release Requirement and any timing modifications required to avoid adverse taxation under Section 409A.

Equity Vesting: In the event of a Change in Control, unless otherwise provided in the agreement evidencing the equity award or the individual's Participation Agreement, the performance objectives applicable to each equity award where the vesting or settlement of which is partially or fully subject to the achievement of one or more performance objectives shall be deemed achieved at the greater of (a) actual performance (determined based on the achievement of such performance objectives equitably adjusted to reflect the date upon which the Change in Control closes during the applicable performance period) or (b) target performance, and such equity award shall remain subject to any time-based vesting conditions applicable to such equity award. On a Qualified Termination, the applicable percentage (set forth in an Eligible Employee's Participation Agreement) of the then-unvested shares subject to each of the Eligible Employee's then-outstanding time-based equity awards will immediately vest and, in the case of options and stock appreciation rights, will become exercisable (for avoidance of doubt, no more than 100% of the shares subject to the outstanding portion of an equity award may vest and become exercisable under this provision).

Salary Severance: On a Qualified Termination, an Eligible Employee will be eligible to receive salary severance payment(s) equal to the applicable percentage (set forth in his or her Participation Agreement) of his or her Base Salary. The Eligible Employee's salary severance payment(s) will be paid in cash at the time(s) specified in his or her Participation Agreement.

Bonus Severance: On a Qualified Termination, an Eligible Employee will be eligible to receive bonus severance payment(s) with respect to his or her annual bonus in the amount set forth in his or her Participation Agreement. The Eligible Employee's bonus severance payment(s) will be paid in cash at the time(s) specified in his or her Participation Agreement.

COBRA Payment: Upon a Qualified Termination, if an Eligible Employee makes a valid election under COBRA to continue his or her health coverage, the Company will pay or reimburse the Eligible Employee, at the Company's election, for the cost of such continuation coverage for the Eligible Employee and any eligible dependents that were covered under the Company's health care plans immediately prior to the date of his or her eligible termination until the earliest of (a) the end of the applicable period set forth in the Eligible Employee's Participation Agreement, (b) the date upon which the Eligible Employee and/or the Eligible Employee's eligible dependents become covered under similar plans or (c) the date upon which the Eligible Employee ceases to be eligible for coverage under COBRA (the "**COBRA Coverage**").

Non-Duplication of Payment or Benefits: If (a) an Eligible Employee's Qualified Termination occurs prior to a Change in Control that qualifies Eligible Employee for severance payments and benefits payable on a Non-CIC Qualified Termination under this Policy and (b) a Change in Control occurs within the 3-month period following Eligible Employee's Qualified Termination that qualifies Eligible Employee for the superior severance payments and benefits payable on a CIC Qualified Termination under this Policy, then (i) the Eligible Employee will cease receiving any further payments or benefits under this Policy in connection with his or her Non-CIC Qualified Termination and (ii) the Equity Vesting, Salary Severance, Bonus Severance, and COBRA Payment, as applicable, otherwise payable upon a CIC Qualified Termination under this Policy each will be offset by the corresponding payments or benefits the Eligible Employee already received under this Policy in connection with his or her Non-CIC Qualified Termination. For the avoidance of doubt, upon a Non-CIC Qualified Termination, unvested equity awards outstanding immediately prior to the Qualified Termination shall remain outstanding and eligible to vest for three months following such Non-CIC Qualified Termination solely to the extent necessary to facilitate any acceleration implicated by a Change in Control during such three-month period.

Death of Eligible Employee: If the Eligible Employee dies before all payments or benefits he or she is entitled to receive under this Policy have been paid, such unpaid amounts will be paid to his or her designated beneficiary, if living, or otherwise to his or her personal representative in a lump-sum payment as soon as possible following his or her death.

Recoupment: If the Company discovers after the Eligible Employee's receipt of payments or benefits under this Policy that grounds for the termination of the Eligible Employee's employment for Cause existed, then the Eligible Employee will not receive any further payments or benefits under this Policy and, to the extent permitted under applicable laws, will be required to repay to the Company any payments or benefits he or she received under the Policy (or any financial gain derived from such payments or benefits). Similarly, in the event the Company determines that it is necessary to recoup amounts previously paid to an Eligible Employee pursuant to any clawback or similar policy adopted by the Company to satisfy the rules of a stock exchange upon which the Company's securities are then listed (a "Mandated Clawback Policy"), then, to the extent permitted under applicable laws, the Company will be entitled to withhold from payments to be made pursuant to this Policy up to the amount necessary to satisfy the Eligible Employee's obligations pursuant to the Mandated Clawback Policy.

Release: The Eligible Employee's receipt of any severance payments or benefits upon his or her Qualified Termination under this Policy is subject to the Eligible Employee signing and not revoking the Company's then-standard separation agreement and release of claims (the "**Release**" and such requirement, the "**Release Requirement**"), which must become effective and irrevocable no later than the 60th day following the Eligible Employee's Qualified Termination (the "**Release Deadline**"). If the Release does not become effective and irrevocable by the Release Deadline, the Eligible Employee will forfeit any right to severance payments or benefits under this Policy. In no event will severance payments or benefits under the Policy be paid or provided until the Release actually becomes effective and irrevocable. Notwithstanding the foregoing, in the event that, in connection with a CIC Qualified Termination, the Company fails to deliver to an Eligible Employee a copy of its then-standard separation agreement and release of claims within ten days following a CIC Qualified Termination, the Release Requirement shall be deemed satisfied on the eleventh day following such CIC Qualified Termination regardless of the Eligible Employee's execution of a Release. Notwithstanding any other payment schedule set forth in this Policy or the Eligible Employee's Participation Agreement, none of the severance payments and benefits payable upon such Eligible Employee's Qualified Termination under this Policy will be paid or otherwise provided prior to the 60th day following the Eligible Employee's Qualified Termination. Except as otherwise set forth in an Eligible Employee's Participation Agreement or to the extent that payments are delayed under the paragraph below entitled "Section 409A," on the first regular payroll pay day following the 60th day following the Eligible Employee's Qualified Termination, the Company will pay or provide the Eligible Employee the severance payments and benefits that the Eligible Employee would otherwise have received under this Policy on or prior to such date, with the balance of such severance payments and benefits being paid or provided as originally scheduled.

Section 409A: The Company intends that all payments and benefits provided under this Policy or otherwise are exempt from, or comply with, the requirements of Section 409A of the Code and any guidance promulgated thereunder (collectively, "**Section 409A**") so that none of the payments or benefits will be subject to the additional tax imposed under Section 409A, and any ambiguities herein will be interpreted in accordance with this intent. No payment or benefits to be paid to an Eligible Employee, if any, under this Policy or otherwise, when considered together with any other severance payments or separation benefits that are considered deferred compensation under Section 409A (together, the "**Deferred Payments**") will be paid or otherwise provided until such Eligible Employee has a "separation from service" within the meaning of Section 409A. If, at the time of the Eligible Employee's termination of employment, the Eligible Employee is a "specified employee" within the meaning of Section 409A, then the payment of the Deferred Payments will be delayed to the extent necessary to avoid the imposition of the additional tax imposed under Section 409A, which generally means that the Eligible Employee will receive payment on the first payroll date that occurs on or after the date that is 6 months and 1 day following his or her termination of employment. The Company reserves the right to amend the Policy as it deems necessary or advisable, in its sole discretion and without the consent of any Eligible Employee or any other individual, to comply with any provision required to avoid the imposition of the additional tax imposed under Section 409A or to otherwise avoid income recognition under Section 409A prior to the actual payment of any benefits or imposition of any additional tax. Each payment, installment, and benefit payable under this Policy is intended to constitute a separate payment for purposes of U.S. Treasury Regulation Section 1.409A-2(b)(2). In no event will the Company reimburse any Eligible Employee for any taxes that may be imposed on him or her as a result of Section 409A.

Parachute Payments:

Reduction of Severance Benefits. Notwithstanding anything set forth herein to the contrary, if any payment or benefit that an Eligible Employee would receive from the Company or any other party whether in connection with the provisions herein or otherwise (the "**Payment**") would (a) constitute a "parachute payment" within the meaning of Section 280G of the Code, and (b) but for this sentence, be subject to the excise tax imposed by Section 4999 of the Code (the "**Excise Tax**"), then such Payment will be equal to the Best Results Amount. The "**Best Results Amount**" will be either (x) the full amount of such Payment or (y) such lesser amount as would result in no portion of the Payment being subject to the Excise Tax, whichever of the foregoing amounts, taking into account the applicable federal, state and local employment taxes, income taxes and the Excise Tax, results in the Eligible Employee's receipt, on an after-tax basis, of the greater amount notwithstanding that all or some portion of the Payment may be subject to the Excise Tax. If a reduction in payments or benefits constituting parachute payments is necessary so that the Payment equals the Best Results Amount, reduction will occur in the following order: reduction of cash payments; cancellation of accelerated vesting of stock awards; reduction of employee benefits. In the event that acceleration of vesting of

stock award compensation is to be reduced, such acceleration of vesting will be cancelled in the reverse order of the date of grant of the Eligible Employee's equity awards unless the Eligible Employee elects in writing a different order for cancellation. The Eligible Employee will be solely responsible for the payment of all personal tax liability that is incurred as a result of the payments and benefits received under this Policy, and the Eligible Employee will not be reimbursed by the Company for any such payments.

Determination of Excise Tax Liability. The Company will select a professional services firm to make all of the determinations required to be made under these paragraphs relating to parachute payments. The Company will request that firm provide detailed supporting calculations both to the Company and the Eligible Employee prior to the date on which the event that triggers the Payment occurs if administratively feasible, or subsequent to such date if events occur that result in parachute payments to the Eligible Employee at that time. For purposes of making the calculations required under these paragraphs relating to parachute payments, the firm may make reasonable assumptions and approximations concerning applicable taxes and may rely on reasonable, good faith determinations concerning the application of the Code. The Company and the Eligible Employee will furnish to the firm such information and documents as the firm may reasonably request in order to make a determination under these paragraphs relating to parachute payments. The Company will bear all costs the firm may reasonably incur in connection with any calculations contemplated by these paragraphs relating to parachute payments. Any such determination by the firm will be binding upon the Company and the Eligible Employee, and the Company will have no liability to the Eligible Employee for the determinations of the firm.

Administration: The Policy will be administered by the Compensation Committee of the Board (in each case, an "**Administrator**"). The Administrator will have full discretion to administer and interpret the Policy. Any decision made or other action taken by the Administrator with respect to the Policy and any interpretation by the Administrator of any term or condition of the Policy, or any related document, will be conclusive and binding on all persons and be given the maximum possible deference allowed by law. The Administrator is the "plan administrator" of the Policy for purposes of ERISA and will be subject to the fiduciary standards of ERISA when acting in such capacity.

Attorneys Fees: The Company and each Eligible Employee will bear their own attorneys' fees incurred in connection with any disputes between them.

Exclusive Benefits: Except as may be set forth in an Eligible Employee's Participation Agreement, this Policy is intended to be the only agreement between the Eligible Employee and the Company regarding any change of control or severance payments or benefits, including any acceleration of equity, to be paid to the Eligible Employee on account of a termination of employment whether unrelated to, concurrent with, or following, a Change in Control. Accordingly, by executing a Participation Agreement, an Eligible Employee hereby forfeits and waives any rights to any

severance or change of control benefits set forth in any employment agreement, offer letter, and/or equity award agreement, except as set forth in this Policy and in the Eligible Employee's Participation Agreement. Without limiting the foregoing, the Company shall reduce each Eligible Employee's severance benefits under this Policy, in whole or in part, by any other severance benefits, pay in lieu of notice, or other similar benefits payable to the Eligible Employee by the Company in connection with the Eligible Employee's termination of employment, including but not limited to payments or benefits pursuant to any applicable legal requirement, including, for the avoidance of doubt, the Worker Adjustment and Retraining Notification Act and similar state law. The benefits provided under this Policy are intended to satisfy, to the greatest extent possible, any and all statutory obligations that may arise out of an Eligible Employee's termination of employment. Reductions pursuant to this paragraph shall be applied on a retroactive basis, with severance benefits previously paid being recharacterized as payments pursuant to the Company's statutory obligation.

Tax Withholding: All payments and benefits under this Policy will be paid less applicable withholding taxes. The Company is authorized to withhold from any payments or benefits all federal, state, local and/or foreign taxes required to be withheld therefrom and any other required payroll deductions. The Company will not pay any Eligible Employee's taxes arising from or relating to any payments or benefits under this Policy.

Amendment or Termination: The Board or the Compensation Committee may amend or terminate the Policy at any time other than during a Change in Control Period, without advance notice to any Eligible Employee or other individual and without regard to the effect of the amendment or termination on any Eligible Employee or on any other individual. Notwithstanding the preceding, no amendment or termination of the Policy will be made if such amendment or reduction would reduce the benefits provided hereunder or impair an Eligible Employee's eligibility under the Policy (unless the affected Eligible Employee consents to such amendment or termination), except that the Board or the Compensation Committee may unilaterally and without consent of any Eligible Employee make any such amendments that are necessary or appropriate to comply with applicable laws provided that the Board or the Compensation Committee preserve to the maximum extent possible the economic intent of this Policy. During a Change in Control Period, this Policy cannot be amended or terminated to the detriment of any Eligible Employee unless and until such Eligible Employee consents to such amendment or termination in writing. Any action to amend or terminate the Policy will be taken in a non-fiduciary capacity.

Claims Procedure: Any Eligible Employee who believes he or she is entitled to any payment under the Policy may submit a claim in writing to the Administrator. If the claim is denied (in full or in part), the claimant will be provided a written notice explaining the specific reasons for the denial and referring to the provisions of the Policy on which the denial is based. The notice will also describe any additional information needed to support the claim and the Policy's procedures for appealing the denial. The denial notice will be provided within 90 days after the claim is received.

If special circumstances require an extension of time (up to 90 days), written notice of the extension will be given within the initial 90-day period. This notice of extension will indicate the special circumstances requiring the extension of time and the date by which the Administrator expects to render its decision on the claim.

Appeal Procedure: If the claimant's claim is denied, the claimant (or his or her authorized representative) may apply in writing to the Administrator for a review of the decision denying the claim. Review must be requested within 60 days following the date the claimant received the written notice of their claim denial or else the claimant loses the right to review. The claimant (or representative) then has the right to review and obtain copies of all documents and other information relevant to the claim, upon request and at no charge, and to submit issues and comments in writing. The Administrator will provide written notice of the decision on review within 60 days after it receives a review request. If additional time (up to 60 days) is needed to review the request, the claimant (or representative) will be given written notice of the reason for the delay. This notice of extension will indicate the special circumstances requiring the extension of time and the date by which the Administrator expects to render its decision. If the claim is denied (in full or in part), the claimant will be provided a written notice explaining the specific reasons for the denial and referring to the provisions of the Policy on which the denial is based. The notice will also include a statement that the claimant will be provided, upon request and free of charge, reasonable access to, and copies of, all documents and other information relevant to the claim and a statement regarding the claimant's right to bring an action under Section 502(a) of ERISA.

Successors: Any successor to the Company of all or substantially all of the Company's business and/or assets (whether direct or indirect and whether by purchase, merger, consolidation, liquidation or other transaction) will assume the obligations under the Policy and agree expressly to perform the obligations under the Policy in the same manner and to the same extent as the Company would be required to perform such obligations in the absence of a succession. For all purposes under the Policy, the term "Company" will include any successor to the Company's business and/or assets which becomes bound by the terms of the Policy by operation of law, or otherwise.

Applicable Law: The provisions of the Policy will be construed, administered, and enforced in accordance with ERISA and, to the extent applicable, the internal substantive laws of the state of California (but not its conflict of laws provisions).

Definitions: Unless otherwise defined in an Eligible Employee's Participation Agreement, the following terms will have the following meanings for purposes of this Policy and the Eligible Employee's Participation Agreement:

"**Base Salary**" means the Eligible Employee's annual base salary as in effect immediately prior to his or her Qualified Termination (or if the termination is due to a resignation for Good Reason based on a material reduction in base salary, then the Eligible Employee's annual base salary in effect immediately prior to such reduction) or, if the Eligible Employee's Qualified Termination is a CIC Qualified Termination and such amount is greater, at the level in effect immediately prior to the Change in Control.

"**Board**" means the Board of Directors of the Company or, following a Change in Control, the board of directors of the ultimate parent of the Company.

"**Cause**" means (i) an act of fraud or material dishonesty made by Eligible Employee in connection with Eligible Employee's responsibilities as an employee; (ii) Eligible Employee's commission or conviction of, or plea of nolo contendere to, a felony or any crime involving fraud or embezzlement; (iii) Eligible Employee's gross misconduct; (iv) Eligible Employee's willful and material unauthorized use or disclosure of any proprietary information or trade secrets of the Company or any other party to whom Eligible Employee owes an obligation of nondisclosure as a result of Eligible Employee's relationship with the Company; (v) Eligible Employee's material breach of any material obligations under (A) any written agreement or covenant with the Company or (B) Company policy made available to the Eligible Employee in writing a reasonable period of time prior to such breach; (vi) Eligible Employee's failure to cooperate in good faith with a governmental or internal investigation of the Company or its directors, officers or employees, if the Company has requested Eligible Employee's cooperation; (vii) solely in connection with Qualified Terminations that occur more than three months prior to a Change in Control, Eligible Employee's continued failure to perform Eligible Employee's employment duties after Eligible Employee has received a written demand of performance from the Company which specifically sets forth the factual basis for the Company's belief that Eligible Employee has not substantially performed his duties and has failed to cure such non-performance to the Company's satisfaction within 30 days after receiving such notice; or (viii) Eligible Employee's breach of a fiduciary duty to the Company.

"**Change in Control**" means the occurrence of any of the following events:

(i) A change in the ownership of the Company which occurs on the date that any one person, or more than one person acting as a group ("Person"), acquires ownership of the stock of the Company that, together with the stock held by such Person, constitutes more than fifty percent (50%) of the total voting power of the stock of the Company; provided, however, that for purposes of this subsection, (A) the acquisition of additional stock by any one Person, who is considered to own more than fifty percent (50%) of the total voting power of the stock of the Company will not be considered a Change in Control, and (B) if the stockholders of the Company immediately before such change in ownership continue to retain immediately after the change in ownership, in substantially the same proportions as their ownership of shares of the Company's voting stock immediately prior to the change in ownership, the direct or indirect beneficial ownership of fifty percent

(50%) or more of the total voting power of the stock of the Company or of the ultimate parent entity of the Company, such event will not be considered a Change in Control under this subsection (i). For this purpose, indirect beneficial ownership will include, without limitation, an interest resulting from ownership of the voting securities of one or more corporations or other business entities which own the Company, as the case may be, either directly or through one or more subsidiary corporations or other business entities; or

(ii) A change in the effective control of the Company which occurs on the date that a majority of members of the Board is replaced during any twelve (12) month period by directors whose appointment or election is not endorsed by a majority of the members of the Board prior to the date of the appointment or election. For purposes of this subsection (ii), if any Person is considered to be in effective control of the Company, the acquisition of additional control of the Company by the same Person will not be considered a Change in Control; or

(iii) A change in the ownership of a substantial portion of the Company's assets which occurs on the date that any Person acquires (or has acquired during the twelve (12) month period ending on the date of the most recent acquisition by such person or persons) assets from the Company that have a total gross fair market value equal to or more than fifty percent (50%) of the total gross fair market value of all of the assets of the Company immediately prior to such acquisition or acquisitions; provided, however, that for purposes of this subsection (iii), the following will not constitute a change in the ownership of a substantial portion of the Company's assets: a transfer of assets by the Company to: (1) a stockholder of the Company (immediately before the asset transfer) in exchange for or with respect to the Company's stock, (2) an entity, fifty percent (50%) or more of the total value or voting power of which is owned, directly or indirectly, by the Company, (3) a Person, that owns, directly or indirectly, fifty percent (50%) or more of the total value or voting power of all the outstanding stock of the Company, or (4) an entity, at least fifty percent (50%) of the total value or voting power of which is owned, directly or indirectly, by a Person described in this subsection (iii)(B)(3). For purposes of this subsection (iii), gross fair market value means the value of the assets of the Company, or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets.

For purposes of this definition, persons will be considered to be acting as a group if they are owners of a corporation that enters into a merger, consolidation, purchase or acquisition of stock, or similar business transaction with the Company.

Notwithstanding the foregoing, a transaction will not be deemed a Change in Control unless the transaction qualifies as a change in control event within the meaning of Code Section 409A, as it has been and may be amended from time to time, and any proposed or final Treasury Regulations and Internal Revenue Service guidance that has been promulgated or may be promulgated thereunder from time to time.

Further and for the avoidance of doubt, a transaction will not constitute a Change in Control if: (i) its sole purpose is to change the state of the Company's incorporation, or (ii) its sole purpose is to create a holding company that will be owned in substantially the same proportions by the persons who held the Company's securities immediately before such transaction.

"**Change in Control Period**" will mean the period beginning 3-months prior to a Change in Control and ending 12 months following a Change in Control.

"**COBRA**" means the Consolidated Omnibus Budget Reconciliation Act of 1985, as amended.

"**Code**" means the Internal Revenue Code of 1986, as amended.

"**Disability**" means the total and permanent disability as defined in Section 22(e)(3) of the Code unless the Company maintains a long-term disability plan at the time of the Eligible Employee's termination, in which case, the determination of disability under such plan also will be considered "Disability" for purposes of this Policy.

"**Exchange Act**" means the Securities and Exchange Act of 1934, as amended.

"**Good Reason**" has a meaning set forth in an Eligible Employee's Participation Agreement, if so used in such Participation Agreement.

"**Qualified Termination**" has a meaning set forth in an Eligible Employee's Participation Agreement.

Statement of ERISA Rights:

Eligible Employees have certain rights and protections under ERISA:

They may examine (without charge) all Policy documents, including any amendments and copies of all documents filed with the U.S. Department of Labor, such as the Policy's annual report (Internal Revenue Service Form 5500). These documents are available for review in the Company's Human Resources Department.

They may obtain copies of all Policy documents and other Policy information upon written request to the Plan Administrator. A reasonable charge may be made for such copies.

In addition to creating rights for Eligible Employees, ERISA imposes duties upon the people who are responsible for the operation of the Policy. The people who operate the Policy (called "fiduciaries") have a duty to do so prudently and in the interests of Eligible Employees. No one, including the Company or any other person, may fire or otherwise discriminate against an Eligible Employee in any way to prevent them from obtaining a benefit under the Policy or exercising rights under ERISA. If an Eligible Employee's claim for a severance benefit is denied, in whole or in part, they must receive a written explanation of the reason for the denial. An Eligible Employee has the right to have the denial of their claim reviewed. (The claim review procedure is explained above.)

Under ERISA, there are steps Eligible Employees can take to enforce the above rights. For instance, if an Eligible Employee requests materials and does not receive them within 30 days, they may file suit in a federal court. In such a case, the court may require the Administrator to provide the materials and to pay the Eligible Employee up to $110 a day until they receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If an Eligible Employee has a claim which is denied or ignored, in whole or in part, he or she may file suit in a state or federal court. If it should happen that an Eligible Employee is discriminated against for asserting their rights, he or she may seek assistance from the U.S. Department of Labor, or may file suit in a federal court.

In any case, the court will decide who will pay court costs and legal fees. If the Eligible Employee is successful, the court may order the person sued to pay these costs and fees. If the Eligible Employee loses, the court may order the Eligible Employee to pay these costs and fees, for example, if it finds that the claim is frivolous.

If an Eligible Employee has any questions regarding the Policy, please contact the Plan Administrator. If an Eligible Employee has any questions about this statement or about their rights under ERISA, they may contact the nearest area office of the Employee Benefits Security Administration (formerly the Pension and Welfare Benefits Administration), U.S. Department of Labor, listed in the telephone directory, or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W. Washington, D.C. 20210. An Eligible Employee may also obtain certain publications about their rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Exhibit 10.9(b)

Change in Control and Severance Policy
Participation Agreement

This Participation Agreement ("**Agreement**") is made and entered into by and between [NAME] on the one hand ("**You**" or "**Eligible Employee**"), and ServiceTitan, Inc. (the "**Company**") on the other.

You have been designated as eligible to participate in the Policy, a copy of which is attached hereto, under which you are eligible to receive the following severance payments and benefits upon a Qualified Termination, subject to the terms and conditions of the Policy.

For purposes of this Agreement under the Policy, a "**Qualified Termination**" means a termination of the Eligible Employee's employment:

(i) during the Change in Control Period, any of (A) by the Company other than for Cause, (B) as a result of the Eligible Employee's death or Disability, or (C) by the Eligible Employee for Good Reason, in any case, (a "**CIC Qualified Termination**") or

(ii) outside of the Change in Control Period, any of (A) by the Company other than for Cause, (B) as a result of the Eligible Employee's death or Disability, or (C) by the Eligible Employee for Good Reason, in any case, (a "**Non-CIC Qualified Termination**").

For purposes of this Agreement under the Policy, "**Good Reason**" means the Eligible Employee's termination of his or her employment in accordance with the next sentence after the occurrence of one or more of the following events without the Eligible Employee's express written consent: (a) a material reduction of the Eligible Employee's duties, authorities, or responsibilities relative to the Eligible Employee's duties, authorities, or responsibilities in effect immediately prior to such reduction (for the avoidance of doubt, a change in title [or reporting structure] by itself shall not be considered a material reduction of the Eligible Employee's duties, authorities, or responsibilities), it being agreed that if, following a Change in Control, Eligible Employee is not serving as the [TITLE] of the ultimate parent of a publicly traded company listed on a national stock exchange, a material reduction in duties, authorities, or responsibilities will be deemed to have occurred; (b) a material reduction by the Company in the Eligible Employee's rate of annual base salary; provided, however, that, a one-time reduction of annual base salary of not more than 10% that also applies to substantially all executives of the Company and its affiliates will not constitute "Good Reason"; (c) a material change in the geographic location of the Eligible Employee's primary work facility or location; provided, that a relocation that increases the Eligible Employee's one-way commute by less than 35 miles from the Eligible Employee's then present location will not be considered a material change in geographic location or (d) the failure of a successor to explicitly assume the obligations under this Policy. In order for the Eligible Employee's termination of his or her employment to be for Good Reason, the Eligible Employee must not terminate employment with the Company without first providing the

Company with written notice of the acts or omissions constituting the grounds for "Good Reason" within 90 days of the initial existence of the grounds for "Good Reason" and a cure period of 30 days following the date of written notice (the "Cure Period"), such grounds must not have been cured during the Cure Period, and the Eligible Employee must terminate his or her employment within 30 days following the Cure Period. For the avoidance of doubt, in no event shall a good faith recoupment of the Eligible Employee's compensation under a Mandatory Clawback Policy, whether applied against base salary or otherwise, provide grounds for a termination for Good Reason.

Non-CIC Qualified Termination

If your Qualified Termination is a Non-CIC Qualified Termination, you will be entitled to the following benefits, subject to your compliance with the Policy:

- **Salary Severance:** Your percentage of Base Salary will be [50%][100%], payable in equal installments over [6][12] months in accordance with the Company's regular payroll procedures, provided, that the first such installment will be the first regular payroll date that occurs at least five business days after the date the Release Requirement is satisfied and inclusive of any installments that would have been made had the Release Requirement been satisfied on the date of your Qualified Termination.
- **Bonus Severance:** You will receive an amount equal to your target annual bonus as in effect for the fiscal year in which your Qualified Termination occurs, pro-rated for the portion of such fiscal year preceding your Qualified Termination, payable in alump-sum on the first regular payroll date that occurs at least five business days after the date the Release Requirement is satisfied.
- **COBRA Payment:** The applicable period for your COBRA Coverage will be 12 months.

CIC Qualified Termination

If your Qualified Termination is a CIC Qualified Termination, you will be entitled to the following benefits, subject to your compliance with the Policy:

- **Equity Vesting:** Your equity vesting benefit will be 100%.
- **Salary Severance:** Your percentage of Base Salary will be 100%, payable in alump-sum on the first regular payroll date that occurs [at least five business days] after the Release Requirement is satisfied.
- **Bonus Severance:** You will receive a lump-sum payment equal to 100% of your target annual bonus as in effect for the fiscal year in which your Qualified Termination occurs (or, if higher, your target annual bonus as in effect immediately prior to the Change in Control), payable in a lump-sum on the first regular payroll date that occurs at least five business days after the Release Requirement is satisfied.
- **COBRA Payment:** The applicable period for your COBRA Coverage will be 12 months.

Other Provisions

You agree that the Policy and the Agreement constitute the entire agreement of the parties hereto and supersede in their entirety all prior representations, understandings, undertakings or agreements (whether oral or written and whether expressed or implied) of the parties, and will specifically supersede any severance and/or change of control provisions of any offer letter, employment agreement, or equity award agreement entered into between you and the Company, except that any acceleration terms or conditions in effect with respect to any equity awards outstanding as of the Effective Date that were granted to you in connection with the Company's acquisition of another entity shall remain in effect with respect to such equity awards, but will not apply to any equity awards granted on or after the Effective Date.

This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.

By its signature below, each of the parties signifies its acceptance of the terms of this Agreement, in the case of the Company by its duly authorized officer effective as of the last date set forth below.

relationship with the Company may be terminated at any time with or without notice, with or without good cause or for any or no cause, at either party's option. You understand and agree that neither your job performance nor promotions, commendations, bonuses or the like from the Company give rise to or in any way serve as the basis for modification, amendment, or extension, by implication or otherwise, of your employment with the Company.

EXCHANGE AGREEMENT

This EXCHANGE AGREEMENT (this "***Agreement***") is made and entered into as of [•], 2024 by and among ServiceTitan, Inc., a Delaware corporation (the "***Company***"), and stockholders of the Company listed on Exhibit A hereto (collectively, "***Exchange Stockholders***").

RECITALS

WHEREAS, the Board of Directors of the Company (the "***Board***") has determined that it is in the best interests of the Company and its stockholders to implement a multi-class structure in connection with the Company's proposed initial public offering of its capital stock in a firm commitment underwritten offering (the "***IPO***") pursuant to an effective registration statement under the Securities Act of 1933, as amended (the "***Securities Act***");

WHEREAS, in connection with the IPO, the Board has approved an Amended and Restated Certificate of Incorporation of the Company (the "***Certificate of Incorporation***"), which, among other things, if effected in connection with the IPO, would create three classes of common stock of the Company: (x) Class A common stock, par value $0.001 per share ("***Class A Common Stock***"), entitling holders to one (1) vote per share, (y) Class B common stock, par value $0.001 per share ("***Class B Common Stock***"), entitling holders to ten (10) votes per share, and Class C common stock, par value $0.001 per share, entitling holders to no votes per share, except as otherwise required by law;

WHEREAS, the Certificate of Incorporation further provides that the Company's common stock, par value $0.001 per share ("***Pre-IPO Common Stock***"), will, upon the effectiveness of the filing of the Certificate of Incorporation (the "***Effective Time***"), be reclassified as Class A Common Stock;

WHEREAS, all shares of Pre-IPO Common Stock held by the Exchange Stockholders immediately prior to the Effective Time will be reclassified as shares of Class A Common Stock at the Effective Time pursuant to the terms of the Certificate of Incorporation;

WHEREAS, the Board has determined that exchanging certain shares of Class A Common Stock that will be held by the Exchange Stockholders at the Effective Time as set forth on Exhibit A hereto for shares of Class B Common Stock as part of the implementation of the multi-class structure is advisable and in the best interest of the Company and all of its stockholders, including its stockholders other than the Exchange Stockholders; and

WHEREAS, the parties hereto intend that no gain or loss shall be recognized in the Exchange (as defined below) pursuant to Sections 368(a)(1)(E) and/or 1036 of the Internal Revenue Code of 1986, as amended (the "***Code***").

AGREEMENT

NOW, THEREFORE, in consideration of the above recitals and the mutual covenants made herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and accepted, the parties hereto agree as follows:

1. Exchange of Class A Common Stock.

1.1 Subject to the terms and conditions of this Agreement, immediately following the Effective Time and effective upon the consummation of the IPO (the "***Exchange Effective Time***"), each Exchange Stockholder shall be deemed to have automatically transferred to the Company the shares of Class A Common Stock held by such Exchange Stockholder as set forth on Exhibit A hereto (the "***Class A Shares***") and the Company shall issue to each Exchange Stockholder shares of Class B Common Stock (the "***Class B Shares***") in exchange therefor, at an exchange ratio of one (1) Class A Share for one (1) Class B Share (the "***Exchange***"). The number of Class A Shares to be transferred and the number of Class B Shares to be received in the Exchange by each Exchange Stockholder are as set forth on Exhibit A hereto.

1.2 Concurrently herewith, each Exchange Stockholder is delivering to the Company such instruments of transfer or other documentation as may be reasonably required to evidence that the shares of the Pre-IPO Common Stock (which will automatically be renamed as Class A Common Stock upon the Effective Time) held by such Exchange Stockholder have been duly transferred to the Company to be held in escrow until the Exchange Effective Time and such documents are automatically released without further action by the Company or the Exchange Stockholder at the Exchange Effective Time.

1.3 Upon the effectiveness of the Exchange, the Company shall deliver to each Exchange Stockholder such documentation as may be reasonably required to evidence that the applicable number of Class B Shares have been duly issued and transferred to such Exchange Stockholder.

2. Representations and Warranties.

2.1 Representations and Warranties of the Exchange Stockholders. Each Exchange Stockholder hereby represents and warrants to the Company, with respect to the transactions contemplated hereby, as follows:

(a) Ownership; Authority. Such Exchange Stockholder will be, as of the Exchange Effective Time, the beneficial and legal owner of the Class A Shares exchanged hereunder, free and clear of all liens, encumbrances and restrictions (except for restrictions on transfer arising under applicable securities laws or as set forth or contemplated by this Agreement, the Certificate of Incorporation or any other agreements to which such Exchange Stockholder and the Company are a party). Such Exchange Stockholder has the full right, power and authority to enter into this Agreement and to transfer, convey and exchange the Class A Shares in accordance with this Agreement. Assuming the due authorization, execution and delivery by the Company, this Agreement constitutes a valid and binding agreement of such Exchange Stockholder, enforceable against such Exchange Stockholder in accordance with its terms (subject to applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws affecting creditors' rights generally and general principles of equity). Upon consummation of the Exchange contemplated hereby, the Company will acquire from such Exchange Stockholder good and marketable title to the Class A Shares, free and clear of any and all liens, encumbrances and restrictions (except for restrictions on transfer arising under applicable securities laws or as set forth or contemplated by this Agreement, the Certificate of Incorporation or any other agreements to which such Exchange Stockholder and the Company are a party, and subject to applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws affecting creditors' rights generally and general principles of equity).

(b) Governmental Authorization. The execution, delivery and performance by such Exchange Stockholder of this Agreement and the consummation of the transactions contemplated hereby require no action by or in respect of, or filing with, any governmental authority on the part of such Exchange Stockholder (excluding, for the avoidance of doubt (a) the filing by the Company of the Certificate of Incorporation with the Secretary of State of the State of Delaware and (b) compliance by the Company with any applicable requirements of any applicable state or federal securities laws). For purposes of this Agreement, "governmental authority" means any transnational, domestic or foreign federal, state or local governmental, regulatory or administrative authority, department, court, agency or official, including any political subdivision thereof.

(c) Non-contravention. The execution, delivery and performance by such Exchange Stockholder of this Agreement and the consummation of the transactions contemplated hereby do not and will not, assuming compliance with the matters referred to in the parenthetical in the first sentence of Section 2.1(b), (a) violate any governing document, including any trust agreement, applicable to such Exchange Stockholder, (b) violate any law or order applicable to such Exchange Stockholder, (c) require any consent or other action under, constitute a default under, or give rise to any right of termination, cancellation or acceleration of any obligation of such Exchange Stockholder or to the loss of any benefit to which such Exchange Stockholder is entitled under any provision of any agreement or other instrument binding upon such Exchange Stockholder, or (d) result in the creation or imposition of any lien on such Exchange Stockholder's Class B Shares, other than restrictions on transfer arising under applicable securities laws or as set forth or contemplated by this Agreement, the Certificate of Incorporation or any other agreements to which such Exchange Stockholder and the Company are a party.

(d) Restricted Securities; Rule 144. Such Exchange Stockholder understands that the Class B Shares are characterized as "restricted securities" under the Securities Act because such shares are being acquired from the Company in a transaction not involving a public offering and in exchange for shares acquired from the Company in a transaction not involving a public offering, and that under the Securities Act and the rules and regulations promulgated thereunder the Class B Shares may be resold without registration under the Securities Act only in certain limited circumstances, and subject to the restrictions under the Company's certificate of incorporation. Such Exchange Stockholder understands and hereby acknowledges that the Class B Shares must be held indefinitely unless subsequently registered under the Securities Act or an exemption from such registration is otherwise available. Such Exchange Stockholder is aware of the provisions of Rule 144 promulgated under the Securities Act, which permit limited resales of shares purchased in a transaction not involving a public offering, subject to the satisfaction of certain conditions.

(e) Legends. It is understood that any certificate or book entry position representing the Class B Shares and any securities issued in respect thereof or exchange therefor, shall bear legends in substantially the following form (in addition to any legend required under applicable state securities laws and any other legends set forth in, or required by, agreements to which the Exchange Stockholder and the Corporation are a party):

> "THE SHARES EVIDENCED HEREBY HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE "ACT"), OR UNDER THE SECURITIES LAWS OF CERTAIN STATES. THESE SHARES MAY NOT BE OFFERED, SOLD OR OTHERWISE TRANSFERRED, PLEDGED OR HYPOTHECATED EXCEPT AS PERMITTED UNDER THE ACT AND APPLICABLE STATE SECURITIES LAWS PURSUANT TO REGISTRATION OR AN EXEMPTION THEREFROM. THE ISSUER OF THESE SHARES MAY REQUIRE AN OPINION OF COUNSEL SATISFACTORY TO THE ISSUER THAT SUCH OFFER, SALE OR TRANSFER, PLEDGE OR HYPOTHECATION OTHERWISE COMPLIES WITH THE ACT AND ANY APPLICABLE STATE SECURITIES LAWS. THIS CERTIFICATE MUST BE SURRENDERED TO THE COMPANY OR ITS TRANSFER AGENT AS A CONDITION PRECEDENT TO THE SALE, TRANSFER, PLEDGE OR HYPOTHECATION OF ANY INTEREST IN ANY OF THE SECURITIES REPRESENTED HEREBY."

2.2 Representations and Warranties of the Company. The Company hereby represents and warrants to each Exchange Stockholder, with respect to the transactions contemplated hereby, as follows:

(a) Corporate Existence and Power. The Company is a corporation duly incorporated, validly existing and in good standing under the laws of the State of Delaware.

(b) Corporate Authorization. The execution, delivery and performance by the Company of this Agreement and the consummation of the transactions contemplated hereby are within the corporate powers of the Company and have been duly authorized by all necessary corporate action on the part of the Company and the Company's stockholders, subject to compliance with Section 2.2(c) and the approval of and adoption by the Company's stockholders of the Certificate of Incorporation. Assuming the due authorization, execution and delivery by each Exchange Stockholder, this Agreement constitutes a valid and binding agreement of the Company, enforceable against the Company in accordance with its terms (subject to applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other laws affecting creditors' rights generally and general principles of equity).

(c) Governmental Authorization. The execution, delivery and performance by the Company of this Agreement and the consummation of the transactions contemplated hereby require no action by or in respect of, or filing with, any governmental authority other than (i) the filing by the Company of the Certificate of Incorporation with the Secretary of State of the State of Delaware and (ii) compliance by the Company with any applicable requirements of any applicable state or federal securities laws.

(d) Non-contravention. The execution, delivery and performance by the Company of this Agreement and the consummation of the transactions contemplated hereby do not and will not, assuming compliance with the matters referred to in clauses (i) and (ii) of Section 2.2(c), (i) violate the certificate of incorporation or bylaws of the Company, (ii) violate any law or order applicable to the Company, (iii) require any consent or other action by any person under, constitute a default under, or give rise to any right of termination, cancellation or acceleration of any right obligation of the Company or to the loss of any benefit to which the Company is entitled under any provision of any agreement or other instrument binding upon the Company or (iv) result in the creation or imposition of any lien on the Class B Shares other than as set forth or contemplated by this Agreement, the Certificate of Incorporation or any other agreements to which the Exchange Stockholders and the Company are a party.

3. Miscellaneous.

3.1 Governing Law. This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of law.

3.2 No Assignment. The terms and conditions of this Agreement, including all obligations and rights therein, may not be assigned or delegated by any of the parties.

3.3 Amendment; Waiver. This Agreement may be amended or terminated and the observance of any term hereof may be waived (either generally or in a particular instance and either retroactively or prospectively) only by a written instrument executed by each of the parties hereto.

3.4 Severability. The invalidity or unenforceability of any provision hereof shall in no way affect the validity or enforceability of any other provision.

3.5 Entire Agreement. This Agreement shall constitute the full and entire understanding and agreement among the parties with respect to the subject matter hereof, and any other written or oral agreement relating to the subject matter hereof existing among the parties are expressly canceled.

3.6 Counterparts; Facsimile. This Agreement may be executed and delivered by facsimile signature, including electronic signatures, and in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

3.7 Tax Consequences. The parties hereto intend that no gain or loss shall be recognized in the Exchange pursuant to Sections 368(a)(1)(E) and/or 1036 of the Code. The parties adopt this Agreement as a plan of reorganization within the meaning of Treasury Regulations Sections 1.368-2(g) and 1.368-3(a). Notwithstanding the foregoing, each Exchange Stockholder acknowledges and agrees that it has reviewed with its own tax advisors the federal, state, local and foreign tax consequences of the Exchange, its investment in the Class B Shares and the transactions contemplated by this Agreement. Each Exchange Stockholder is relying solely on such advisors and not on any statements or representations of the Company or any of its agents in connection with the transactions contemplated hereby, except for the representations and warranties of the Company expressly set forth in Section 2.2 above.

Non-Executive Chair (if applicable):	$35,000
Lead Independent Director (if applicable):	$20,000

Committee Service

Nominating and Corporate Governance Committee Member	$ 8,000	$ 4,000

All annual retainers will be paid in cash quarterly in arrears promptly following the end of the applicable calendar quarter, but in no event more than 30 days after the end of such quarter. If a Non-Employee Director does not serve as a Non-Employee Director, or in the applicable positions described above, for an entire calendar quarter, the retainer paid to such Non-Employee Director shall be prorated for the portion of such calendar quarter actually served as a Non-Employee Director, or in such position, as applicable.

Equity Compensation

Initial RSU Award:	Each Non-Employee Director who is initially elected or appointed to serve on the Board after the IPO shall be granted an award of RSUs, with a value of $400,000, under the Plan or any other applicable Company equity incentive plan then-maintained by the Company covering a number of shares of Common Stock calculated by using the Company's standard method of such conversion at the time of grant (the "***Initial RSU Award***"). Unless otherwise agreed, the Initial RSU Award will be automatically granted on the date on which such Non-Employee Director commences service on the Board, and the Vesting Commencement Date will be the next Quarterly Vesting Date, where "Quarterly Vesting Date" means March 15, June 15, September 15, and December 15. One sixteenth (1/16th) of the total RSUs shall vest on each Quarterly Vesting Date following the Vesting Commencement Date, subject to the Non-Employee Director continuing in service on the Board through each such vesting date.
Annual RSU Award:	Each Non-Employee Director who (i) has been serving on the Board for at least four months as of each meeting of the Company's stockholders after the IPO (each, an "***Annual Meeting***") and (ii) will continue to serve as a Non-Employee Director immediately following such meeting, shall be granted an award of RSUs, with a value of $200,000, under the Plan or any other applicable Company equity incentive plan then-maintained by the Company covering a number of shares of Common Stock calculated by using the Company's standard method of such conversion at the time of grant (the "***Annual RSU Award***"). The Annual RSU Award will be automatically granted on the date of the applicable Annual Meeting, and will vest in full on the first Quarterly Vesting Date following the one year anniversary of the grant date, subject to the Non-Employee Director continuing in service on the Board through such vesting date.
Partial Cash Settlement Election:	The Board or the Compensation Committee may, in its discretion, provide Non-Employee Directors with the opportunity to elect to settle in cash up to 50% of the RSUs underlying an Initial RSU Award or an Annual RSU Award (a "***Partial Cash Settlement Election***"). For a Partial Cash Settlement Election to apply to RSUs, the Non-Employee Director must provide a Partial Cash Settlement Election to the Company (in a form and manner specified by the Board or the Compensation Committee) no later than two weeks before the applicable vesting date of the RSUs. For any RSUs to be settled in cash pursuant to a Partial Cash Settlement Election, the amount of cash to be paid in settlement of each such RSU will equal the Fair Market Value of a Share on the date of settlement.

Notwithstanding the foregoing, a Non-Employee Director may not make a Partial Cash Settlement Election for RSUs underlying any Initial RSU Award or Annual RSU Award for which the Non-Employee Director has made a Deferral Election (as defined below).

No portion of an Initial RSU Award or Annual RSU Award which is unvested at the time of a Non-Employee Director's termination of service on the Board shall become vested and exercisable thereafter.

Directors who are Employees who subsequently terminate their employment with the Company and any Subsidiary and remain a Director will not receive an Initial RSU Award, but to the extent that they are otherwise eligible, will be eligible to receive, after termination from employment with the Company and any Subsidiary, Annual RSU Awards as described above.

Upon a Change in Control of the Company, all outstanding equity awards granted under the Plan and any other equity incentive plan maintained by the Company that are held by a Non-Employee Director shall become fully vested and/or exercisable, irrespective of any other provisions of the Non-Employee Director's Award Agreement.

The Company shall reimburse each Non-Employee Director for all reasonable, documented, out-of-pocket travel and other business expenses incurred by such Non-Employee Director in the performance of his or her duties to the Company in accordance with the Company's applicable expense reimbursement policies and procedures as in effect from time to time.
